

Chapter 703

Sabina frowned upon seeing Black Rose. Meanwhile, Chuck was confused. How and when did she come out?

Looking at Chuck's puzzled eyes, Black Rose was filled with anger as she explained, "What are you looking at? I said I won't let you out of my sight, so why are you out here by yourself? Are you trying to go against me?"

Chuck was still in shock.

She was so devoted to her job. However, why did Chuck find it strange? It was rare for her to say something like that to him!

"You don't have to look for me. I was just ordering some takeaway so we could eat together," he explained.

"Who asked you to go ahead and order food?" Black Rose glared at him. He had nothing to say.

What else could Chuck say? First of all, Black Rose had thrown him out of the room. Besides, he was hungry. Why couldn't he order some food?

Black Rose stared at Sabina and warned, "Don't touch him! I must protect him!"

"Black Rose? Hah, you can't protect him!" Sabina shook her head, looking cold.

Chuck shuddered and pushed the two women apart. He didn't want them to fight. After all, Black Rose was still wounded!

She definitely wouldn't be able to hold out against Sabina's attack.

He knew that Sabina was extremely angry because he had killed a Yeager family member.

However, when they had a fight a while ago, Chuck felt that Sabina did not have any killing intent in her. That meant that she didn't actually want to kill him. Perhaps she was just angry, so she kicked him.

"I can't protect him? Why don't you try it? Let's see if I'll kill you!" Black Rose was furious.

Sabina sneered, "You're injured. Who are you to fight me?"

"I don't care whether I'm injured or not. As long as you touch Chuck, I'll make sure to deal with you!" Black Rose was ready to attack!

Sabina's beautiful eyes were cold.

The two women were at loggerheads.

They were on the verge of a face-off!

At that moment, the ordered takeaway was ready. The waiter was astonished. What was going on?

Were they fighting over a husband?

The waiter was envious.

After all, they were both extremely beautiful women!

He immediately regarded Chuck as his idol. Chuck was awesome to have two women fighting over him!

The waiter admired Chuck for that!

"Sir, here's your takeaway. How should..." The waiter interrupted weakly.

"Why don't you take your wives to your room? It's not appropriate for you three to cause a ruckus in the hallway," He suggested enviously.

Maybe men like Chuck were more charismatic?

That was why two beautiful women could be attracted to him at the same time!

"What the hell did you mean?" Black Rose widened her eyes and shouted at the waiter.

Meanwhile, Sabina kicked him angrily and cursed, "What the f*ck! Are you blind? How did you come to the conclusion that I'm his wife?"

The waiter was trembling with fear. He was just an ordinary man. How could he take such a kick?

Why were pretty ladies so scary once they got angry?

Fortunately, Chuck knew that the waiter couldn't stand the kick. Hence, he pushed the waiter away.

The waiter managed to dodge the attacks. Otherwise, he could end up in a coma and would take almost half a month just to recover.

Before the waiter could recover from the shock, he put down the food and ran away immediately.

"Stop there! How dare you talk nonsense!" Sabina was furious.

"Don't run! Stop!" Black Rose was also extremely pissed. This was awful!

"Wait, let's eat first," Chuck dragged the two of them into the room. If two fighting experts went after him, wouldn't the waiter end up being killed?

"Let go!"

"Let go! Who asked you to grab me!" At the same time, the two women punched and kicked Chuck!

Chuck endured the pain and was on the verge of tears. He tried his best and dragged the two women into the room.

Then, he brought the food in.

"Stop hitting me. Let's talk after we eat. If you beat me again, I'll seriously teach you a lesson!" Chuck's face was full of anger and he looked pretty solemn

Sabina and Black Rose snorted coldly.

"Try this! It's delicious," Chuck said as he ate.

"Shut up!"

The two women yelled at Chuck at the same time.

Chuck was oblivious to their curses and continued to eat happily. In fact, Sabina travelled overnight from far to be there, so she was pretty hungry too.

Similarly, Black Rose was injured the previous night. She was also weak and hungry.

Once they saw Chuck wolfing down the food, their stomachs grumbled. Was it really that good?

Both of them gulped.

Chuck smiled and sat them down at the table. Then, he handed them some cutlery.

"Let's eat," He laughed.

Sabina and Black Rose glared at Chuck while he served them some food. They were silent and started to dig in.

Chuck smirked. Wasn't this nice now?

They were hungry and all the food was gone instantly. Chuck even argued with Sabina over a slice of roasted pork. In the end, they split the slice into half and finally felt famished. 1

"I'm full," Chuck burped, feeling satisfied. He could leave for home now.

Black Rose was injured. After eating, she also felt much better.

"Chuck, can we step out for a moment? I have something to tell you," Sabina stood up and headed outside.

Chuck shrugged. Sabina was probably here to ask him something.

Hence, he followed her. He also wanted to know what Sabina was doing here.

Just then, Black Rose reminded him coldly, "You can't go out! You must not leave my sight!"

He was speechless.

"Sabina, look..." Chuck sighed.

"I'll wait for you outside. If you don't come out in 3 minutes, I'll come in and have a fight. It's up to you!" With that, Sabina went out.

A fight was not necessary. After all, they just had a meal together!

"Black Rose, let me talk to her."

"Go ahead. But I won't let you leave my sight," Black Rose said firmly.

Chuck went out and Black Rose followed behind him.

Sabina was furious. She glared at Black Rose and went straight to the point, "Where is Karen?"

"My mom? Aren't you afraid of my mom? Didn't you run away last time?" Chuck was curious. What did Sabina want to do?

"It's not that I'm afraid of her. It's just that I'm not of similar strength to her right now. If I faced her head-on, it was very likely that I would die. How could I not run away? Also, how dare you bring this matter up? Just speaking about it makes me angry. Things were clearly just between you and me, but you went ahead and called your mom? Why would you do something like that?" Sabina vented all her frustration that she had been hiding.

Chuck was extremely embarrassed. She was right.

However, he had no choice. He could not kill her, so he asked Karen to come over.

"But didn't you run away?" He muttered.

"Run away? Being backstabbed isn't really a nice feeling. I want to kill you, not run away!" Sabina shot back.

"Um... Ok then. Why are you looking for my mom?"

"Do you know about my grandfather's situation?"

"I know. He's dying. That's good news to me!" Chuck replied bluntly.

The old man, Brooke Yeager, was about to die. That was why Karen came up with this plan. She wanted to have Loomis become the head of the family and mess up the Yeager family. However, they didn't expect Sabina to be so powerful to almost ruin Karen's plan.

"How dare you say something like this?" Sabina flew into an immediate rage.

"Uh..."

"I have asked about my grandfather's condition. I suspect that Karen has done something to my grandfather, so I want to see her!"

"Are you serious? I'm telling you, you'll die as soon as my mom comes here!" Chuck was not concerned.  4
