

## Chapter 710

"Adriana?"

Chuck's brows furrowed. What was the woman trying to do?

Did she pave the gold for him to make him feel grateful to her?

Chuck knew just what Adriana was thinking!

He walked to the door and looked around. He saw that there was a luxury car parked a distance away. Was Adriana in it?

He must make it clear with Adriana.

However, he remembered his father's words. He said that if Chuck could not handle the Yeager family, he might have to marry Adriana.

"Auntie Logan, Black Rose, please wait for me. I'll go over and have a look."

As Chuck spoke, he was already heading towards the car's direction.

Willa really wanted to go with him, but she couldn't.

Was she afraid of Adriana?

Willa was not even afraid of death, how could she be afraid of Adriana?

She couldn't bear to die now because of Chuck.

"Why don't we have a drink after we're done here?" Patricia asked Willa.

Patricia had not relaxed for the past several days. She was in need of a drink as well.

"Let's ask Chuck later if he wants a drink too." Willa said.

"Okay." Patricia didn't say anything else. She wanted to have a chat with Chuck too.

Wait, why would she want to have a chat with Chuck?

She was really curious about Adriana, who Willa mentioned earlier. Who was she?

Was her car parked where Chuck was heading towards?

Black Rose snorted. She was unhappy when she saw Chuck going over to Adriana's car, but didn't exactly know why she was unhappy.

.....

"Come in," Adriana said.

Although Chuck was dusty and his shoes were dirty, it was fine for him

to sit in her car.

Adriana didn't mind. She thought Chuck would soon be her man anyway.

When she was rescued by Chuck, didn't she fall asleep by his side? She didn't mind then, and she didn't mind now, especially since she was presently very much into Chuck.

Adriana was hoping that Chuck would like the new touch up.

With gold on it, the casino's ambiance would be instantly uplifted. Wasn't it great?

"What you're doing is not necessary. Get your men to leave now! I don't need any of these!" Chuck said, not beating around the bush.

He didn't want to say more on the matter. Frankly, whenever he thought of what his father said about possibly marrying her in the future, he would go completely speechless.

How could he marry a woman like this?

Chuck was already turned off by the haughty and patronizing look in her eyes. How could he possibly even think of marrying her?

"What did you say? You don't need them?" Adriana's face turned cold.

Her heart sank. It was the first time she made the first move, yet he rejected her?

For a moment, Adriana was so angry she wanted to kill someone!

"Yes, I don't need it. The casino has already been renovated. Why did you do this without even telling me? What's the meaning of this?" Chuck asked.

What did Adriana want to do? Did she force Chuck to be grateful to her?

"I wanted to give you a sur- do I even need to inform you when I do things? I don't mind if that's what you're asking for!" Adriana said coldly.

"Do you know how overbearing you are?" Chuck was completely baffled by Adriana.

Adriana was indeed a stunner. But why was her personality so odd?

What man could possibly stand such a princess personality?

Chuck was not a slave, nor was he a simp!

"Overbearing? Chuck, you better watch what you say. There's a limit to my patience!"

"Then, stop tolerating it." Chuck deadpanned.

"If I had not tolerated you, you would've been long dead by now." Adriana said coldly.

Yes, when Adriana and Chuck slept next to each other for the first time, his hand touched hers. All it took was one order from Adriana, and he would have been killed without a trace.

How could he still be alive?

Didn't he know who she was? That she couldn't just be touched by anyone?

It had been so many years, and Chuck was the only man who had touched her.

"Whatever. Tell your men to stop." Chuck said. He did not care about anything else, and he definitely would not accept getting married to her.

"No way! No one can stop me from doing what I want to do! I am going to pave the whole casino!" Adriana ordered immediately.

More people would come by later.

"What do you want? You want me to thank you?" Chuck was silent for a while before he asked Adriana.

Adriana did not reply. Of course, that was what she meant. It was her first time doing such a thing. Shouldn't she get a thank you from him?

She didn't want Chuck's money. As long as he said he liked it and thanked her for it, it would be just fine. Couldn't Chuck just do this for her?

"Adriana, let me ask you..."

"Come in and have a chat with me." Adriana ordered coldly.

However, Chuck didn't move. How was it possible for him to sit in there?

"What on earth do you like about me?" Chuck asked. He thought that Adriana only liked men from the hidden family.

After all, the two families were the perfect match in terms of social and financial status.

"Why do you ask? I won't answer you!"

"If you don't, how can I change?"

"Why do you want to change?"

"If I change what you like about me, then you won't like me anymore!"

Chuck exclaimed while staring at Adriana who looked at him in a way that made him feel a little uncomfortable.

Did Adriana do something to him? Why did he suddenly feel like this?

"Chuck!" Adriana was furious. "Don't push me!"

"I'm not pushing you to do anything." Chuck sighed.

Chuck regretted saving Adriana.

How did he meet such a domineering woman?

"I treat you so well, but you are not touched at all. You should know that most men don't even get a chance to approach me." Adriana said angrily. She was really upset.

She stared daggers at Chuck, wanting to kill him. But deep down, she knew that she didn't really want to. After all, this was the first man who touched her heart!

Without Chuck, how could she fall in love with other men?

"I didn't ask you to do this." Chuck shook his head, feeling as if he couldn't go on like this.

"Yes, you didn't. But I did it anyway!"

Chuck wanted to leave. So he said, "Let's stop talking about this. Even after you've paved everything, I'd just get others to renovate it all over again."

"How dare you!" Adriana shouted.

Chuck's brows furrowed. What did Adriana take him for? A subordinate?

Did he always have to listen to her? Was everything she did and said the law?

"Why wouldn't I?"

"How dare you! This is my gift to you. If you dare destroy it, I will not let you open this casino!"

Adriana really would do that. She had been this close to killing good ol' innocent Willa previously. Was there really anything she wouldn't dare do?

"Whatever!" Chuck shrugged. He knew Adriana would do it, but it was impossible for Chuck to compromise that moment.

"Whatever? Alright, I'll get someone to destroy your casino right now!" Adriana threatened as she got up in anger.

She then got off the car.

Chuck's eyes turned cold, "If you do that, then you and I will be enemies forever!"

This was Chuck's first project in the United States, he could not allow anything to go wrong.

Not even Adriana!

"Are you serious? Think clearly about what you're saying!" Adriana laughed sarcastically as her insides raged with anger.
