

Chapter 153

Jason pushed through the crowd like a madman.

When he saw Cindy's hands tied to the stake, he was in a complete rage!

His eyes were scarlet and his whole body was filled with rage. It overtook Jason Smith.

He rushed forward and kicked the middle-aged woman in the stomach. She was holding Cindy's hair and constantly cursing while spit was flying out of her mouth.

This kick was so powerful that it sent Xamira flying several meters away. She fell into the crowd with a thud.

Jason untied Cindy's hands. Her fair wrist had a layer of skin peeled from it. It reddened.

He looked at the extremely weak and injured Cindy in his arms. The temperature around him dropped a few hundred degrees,

Aura.

A strong sura that suffocated everyone.

Hundreds of people in the square fell into complete silence!

Everyone was shocked as they stared at the man who had rushed in.

What a terrifying guy!

'Cindy, how could this happen...'

Jason held the almost unconscious Cindy in his arms. Tears of regret and pain welled up in the corners of his eyes. 'Why, why did they do this to you?'

'F**k! Who is this guy? How dare he kick Boss Lyu!'

'Guards! Hurry up and arrest him!'

'Kill him! How dare he kick Boss Lyu! Don't let him get away!'

The group of people finally realized what was going on. They were angered and rushed forward to beat up Jason.

'Ja...Jason... you're here... so painful, so tired, I...'

Cindy murmured weakly. Her face was full of cuts and the corner of her mouth was bleeding. She stretched out her trembling little hand and wanted

to touch Jason's face. 'Take me away. I don't want to stay here. I want to go home... go home... Ang...Angela.'

Tears rolled down from the corners of Cindy's eyes like pearls falling from a necklace.

Arrrghhhhhh!

Rage!

Jason held Cindy in his arms and screamed up toward the sky. His anger engulfed everyone, shocking them to their cores.

His roar was like a clap of thunder. Dark clouds covered the sky.

Boom!

The muffled sound of thunder could be heard. Everyone was scared.

It seemed that the heavens was also venting his anger for with Jason.

'You are Jason Smith's wife. No one can treat you like this. No. One. I will make them understand one thing. Anyone who dares to touch you will be destroyed by me, Jason Smith. Even if it's the heavens, it will bow to me in fear!'

'Don't just stand there! Tie this lunatic up!'

'Is this guy crazy? How dare he make such claims?'

The staff around them were all laughing at Jason. They thought Jason was a fool.

Meanwhile, Xamira stood up with the help of Rhett. Her stomach was painful and she rolled on the ground. Her face was pale. She angrily pointed at Jason with her finger, 'Beat him! Beat him to death! How dare he kick me! You're asking for trouble!'

Rhett was also furious. When he saw his wife being kicked, he immediately ordered the security guards to get Jason.

The coldness and murderous intent Jason radiated pierced everyone like a sword.

He gently put Cindy down and got up.

A pair of cold eyes were staring at Xamira.

Jason rushed to her.

He didn't even look at those security guards who were standing in front of Xamira.

He unleashed a flurry of kicks as the guards came

up to face him.

It was easy for Jason to take down these security guards. They were sent flying and lay unconscious on the ground.

Then, he punched Xamira in the face.

Crack!

The sound of a nose breaking could be heard.

Xamira didn't even have time to call for help. She had been hit so hard that head was lifted up. Her nose was bleeding!

'You... how dare you hit me, you peasant?!' Xamira covered her face. Blood flowed through the crevices between her fingers.

She couldn't believe it. She had not been touched by anyone for more than forty years, but today she was beaten up.

How dare this peasant beat me up? Does he know who I am?

'D*mn it! He's crazy! He's dead!'

'It's over! It's over! He and that woman can forget about leaving this place.'

'Not just that. Even their families will fall. That is

Boss Lyu, the cruel woman. Her father is Old Master Lyu, a bigshot in the capital city. Even in the capital of Xu City, Mayor Xu is a disciple of the Lyu family.'

'He's dead! Old Master Lyu's adopted son, Silas, is now in Shang Jiang City. He's the head of Azure Dragon Society!'

The onlookers all talked about it and shook their heads helplessly, feeling sorry for Jason.

This guy dragged his whole family with him with this punch.

'F*ck! How dare you beat my wife! Imma kill you!'

Rhett knew that he had to do something, so he rushed forward and waved his fists.

Bang!

Jason lifted his leg and swung it at Rhett's head.

This kick was so powerful that Rhett went dizzy. With a thud, Rhett fell to the ground on his knees!

'Honey!' Xamira was shocked and rushed over. She glared at Jason, 'You are dead! I'm going to ask my elder brother to kill you, bury you alive with that bi*ch, and kill your family! I want my elder

brother's Azure Dragon Society to hunt down all your family. I will dig up your dead ancestors and relatives and feed their ashes to dogs!

Xamira roared uncontrollably. She hadn't been beaten up by anyone since she was a child.

Yet she was messed up today. She was furious. She couldn't think straight anymore.

Now she wanted to kill Jason and that little bitch!

'He's dead! The hunting order of the Azure Dragon Society is on him now! Silas is a killing machine!'

'I heard about it a long time ago. The Azure Dragon Society has power in the capital city. Even bigshots from this city like Bruce Scott have to avoid them!'

'Yeah. It's not on the same level at all. Behind the Azure Dragon Society is Old Master Lyu. He is a governor that has an A80 license plate!'

The crowd was in an uproar. Everyone felt sorry for Jason, and even began to shout for him, 'Kid, kneel down quickly and beg Boss Lyu to spare you, or your family is finished.'

However, Jason was not afraid at all.

The Azure Dragon Society?

Those who dare stop me will be destroyed!

Lyu family?

Those who dare stop me will be destroyed.

The capital city's mayor?

Those who dare stop me will be destroyed.

Jason would destroy anyone who dared stop him on this day.

So what if he turned Shang Jiang City and the capital city upside down?

Those who hurt Cindy must be killed!

Suddenly!

Jason leaned forward and pulled Xamira's hair up. His eyes were red with fury.

Slap! Slap

He gave her two slaps and four of Xamira's teeth shot out of her mouth!

Jason then suplexed Xamira, a woman weighing more than a hundred and fifty pounds, sending her to the ground. He then kicked her hard in the stomach.

'Ugh!'

Xamira retched. The abalone, sashimi, and lobster she had for lunch was thrown up.

'From today on, Sunrise Pharmaceutical is closed!'

Jason stepped on Xamira. He looked around at the crowd and said coldly.

His announcement shocked everyone.

'F**k! He's really not afraid of death!'

'Sunrise Pharmaceutical is an enterprise that the Lyu family thinks highly of. Who does he think he is? How dare he talk big like this?'

The crowd whispered.

'B*stard! You are dead! I am Xamira of the Lyu family, and my father is Holden Lyu! I will make sure you die a horrible death for what you did today!'

Xamira struggled to get up from the ground. She had to be helped by several employees. She was now full of injuries. She had never been humiliated like this.

Xamira almost lost her mind. She gnashed her

teeth and stared at Jason. She took out her mobile phone.

'Big brother... come to the pharmaceutical factory quickly. I have been beaten up! Four of my teeth have been knocked out! Bring your people from Azure Dragon Society. Come here immediately! I want them all dead! Kill them all!'

When everyone heard this, they gasped

It was over. Xamira's elder brother, Old Master Lyu's adopted son, Silas, was coming!

'Would Azure Dragon Society really come? It's one of the four major forces in the Capital City!'

'It's over! That guy's going to be an invalid from now on!'

'He's too impulsive. It's useless to beg for mercy now.'

Xamira threw away her mobile phone angrily. She pointed at the security guards who were getting up from the ground and roared fiercely, 'Shut the doors. I want to see these two idiots die in front of me today!'

Xamira needed to make those present understand

that anyone who offended her would die!

Jason was unmoved. He looked at everything indifferently.

He took out his mobile phone silently.

'What the f*ck! What does he want to do? Does he also want to ask someone to come over?'

'Dumba**! Nobody's more powerful than Azure Dragon Society's Silas in Shang Jiang City!'

'Even if someone like Bruce Scott comes, he would have to offer Silas a cup of tea with a smile.'

Everyone thought that Jason was crazy. He was just like a fool, asking for death.

Xamira laughed coldly. Whose help could a fool like him ask for? She thought.

'Hello, Joe.'

Jason had returned to Cindy's side and held her tightly in his arms.

'Young master, what can I do for you?'

Joe sounded a little anxious.

'I want to destroy the Lyu family!' Jason said

coldly.

'Ah! The Lyu family?' Joe was shocked. The Lyu family was one of the eight big families in the capital city. Old Master Lyu was still the leader. He was not the kind of person who could be easily destroyed.

'I need to use the power of my family. Today, I must make the Lyu family disappear from this world!' Jason said.

'What kind of power do you need?'

'I want a levy order!'

A levy order is something that can only be done when the family or nation was facing imminent disaster.

'A levy order?'

Joe took a deep breath and said nervously, 'Young Master, you can't do that! The levy is not a joke. It will cause panic! Also, Madame Yun is by my side. She said, said...!'

'Juliette Yun? What did she say?'

Jason frowned and said coldly.

'She said, from now on, if you don't return to the

family, you have no right to use any of the family's properties and power.'

F**k!

Juliette, you should die!

Jason was furious!

He looked at the extremely weak Cindy in his arms. If he had told her his identity earlier and informed the world that Cindy was in the Smith family, would she still have been humiliated and beaten up like this?

Jason was annoyed!

He was going to destroy the Lyu family and give everyone a warning not to mess with his family!

'Tell Juliette if she dares to stop me destroying the Lyu family today, the agreement between me and her will be invalid. Even if I lose the whole Smith family, I will completely destroy the Yun family tonight! From now on, there will be no more Yun family in this world!'

Jason roared at the phone, 'Give! Me! The! Levy! Order! Now!'
