

What?

After Wang Xing-Duo said that, everyone else was immediately shocked. Their eyes instantly widened.

The mayor?

Could this middle aged man be the deputy mayor of Yunzhou, Han Dong-Min? The man who controlled various large departments like the Industry and Commerce Bureau and Security Affairs?

Oh my goodness!

What was going on? Why was even Mayor Han here?

Wang Xing-Duo was really going crazy.

The minute he saw Han Dong-Min, he ran over to receive him.

“M-Mayor Han, why didn’t you tell me you were coming? Then I could have made preparations, right?” Wang Xing-Duo put a big smile on his face and looked all welcoming and placating. But his voice was trembling and he wasn’t sure if it was because he was shocked or because he

was terrified.

But Han Dong-Min couldn't be bothered with him. He scoffed and pushed Wang Xing-Duo to one side, then walked over to Ye Fan with a heart filled with respect and guilt. He apologetically bowed to Ye Fan and greeted him.

"I, Han Dong-Min, was too blind to recognize a true expert and I offended Master Ye, so I hope you can forgive me!"

Han Dong-Min's words were like a huge rock dropping into the ocean and caused an uproar immediately.

After that, Meng Guang and all the other leaders that had come along with Han Dong-Min also bowed and greeted Ye Fan in unison.

Those reverent voices and words of shame came together as one to shake the entire lobby!

"Master Ye, please forgive us!"

"Master Ye, please forgive us!"

"Master Ye, please forgive us!"

Everyone stood in the lobby and watched as the top brass of their city administration was led by Han Dong-Min to bow towards Ye Fan.

Their low and solemn apology sounded like crashing waves and it echoed loudly in everyone's ears.

"This...this..."

"This..."

Qiu Mu-Cheng was stunned by this scene. Han Li was stunned too. Zhang Zheng-Fu was equally stunned.

All the employees of Mufan Real Estate were stunned at the same time.

Even Wang Xing-Duo's face sank instantly.

He felt as though he had just been slapped in the face.

He stood there like a piece of wood and allowed the wind and rain to lash against him.

The entire lobby suddenly fell silent.

You could even hear a pin drop!

The huge lobby was filled with Han Dong-Min and his men in suits as they respectfully bowed at the waist to greet Ye fan.

The cold wind blew in loudly through the open door.

Many people felt their bodies shudder all of a sudden.

Everyone couldn't believe their eyes.

What was the world coming to?

Why was one of the top leaders of the city actually being so respectful towards a country bumpkin? Why was he so respectful towards a useless live-in son-in-law?

He had personally come here and had actually bowed to apologize with such reverence!

"Mu...Mu-Cheng, is that...is that Ye Fan they're talking about?"

Han Li was completely dumbstruck as she

stared blankly at the scene in front of her and gasped. Her entire body was filled with terror as she whispered this question to Qiu Mu-Cheng.

“I...I don’t know either,” Qiu Mu-Cheng wasn’t sure what was happening either.

The scene in front of them was really way too shocking.

Even though they were seeing it for themselves, they found it hard to believe.

Qiu Mu-Cheng and family were already so bewildered. Wang Xing-Duo was in a worse state. And he was supposed to be here to take revenge on Ye Fan.

His face was deathly pale and void of color.

The moment he saw how Han Dong-Min bowed to Ye Fan, he was so frightened that he felt like his soul had left his body.

Good god.

Who on earth had he offended?

Even the deputy mayor came and bowed

to him.

Before this, Wang Xing-Duo didn't think twice when Liu was being polite to Ye Fan because Liu was just a driver after all. He thought that Ye Fan was just familiar with that driver and they knew each other privately.

But now Wang Xing-Duo realized that Liu and Meng Guang had come to pave the way for Han Dong-Min's arrival.

Wang Xing-Duo's heart was beating wildly. Since Han Dong-Min and the rest were distracted, Wang Xing-Duo quickly gathered his team and prepared to make a run for it.

But just at this moment, Ye Fan scoffed coldly at Han Dong-Min's apology.

"Don't do this, Mayor Han. I can't take an apology from you! Your subordinate wanted to seal off my wife's company without even a proper explanation and even said that he was going to make sure my family suffers. If I can't even afford to offend your subordinate, how could I afford to offend a high and mighty deputy mayor like you?" said Ye Fan sarcastically

as he smiled coldly.

“Ye Fan, don’t be like this, speak nicely...”
Qiu Mu-Cheng’s face paled from fright when she heard how sarcastic Ye Fan’s words were.

That was Han Dong-Min, one of the top three officials in Yunzhou’s government.

Qiu Mu-Cheng had only seen people like Han Dong-Min on TV, but now her own husband was speaking so nastily to him. So it was only natural that Qiu Mu-Cheng became fearful and tugged at Ye Fan to speak more politely to Han Dong-Min.

But what surprised Qiu Mu-Cheng was that Han Dong-Min wasn’t angry at the things that Ye Fan said at all. Instead, he frowned and stared at Meng Guang and Liu.

“Tell me, what’s going on?”

Liu immediately replied, “Mayor Han, here’s what happened...”

Liu immediately reported what Wang Xing-Duo did in detail to Han Dong-Min.

“What?! How could such a thing happen?!”

Wang Xing-Duo, come over here right now! I want you to explain to me why you're sealing off Master Ye's business!" shouted Han Dong-Min coldly as he angrily glared in front.

Wang Xing-Duo had just turned to leave when he heard Han Dong-Min's voice and immediately trembled from fright. He knew that he couldn't get away now, so he had no choice but to face the music.

"Mayor Han, it's a misunderstanding, it's all a misunderstanding...I really didn't know that you and Ye...Master Ye..." Wang Xing-Duo tried to explain himself with bitterness in his eyes.

Han Dong-Min's expression remained cold as he continued to question him, "What misunderstanding? I'm asking you what Mufan Real Estate has done such that you actually brought your team here to seal it off without any instructions from the top!"

"I...I..."

Wang Xing-Duo had no answers for Han Dong-Min's questions.

After all, all the crimes that Mufan Real

Estate had were all added by him randomly.

So of course he didn't dare to tell Han Dong-Min these things.

In the end, Wang Xing-Duo fell on his knees with a remorseful face as he pleaded with Han Dong-Min, "Mayor Han, I...I was wrong."

"I was muddleheaded and I deserve to die, I deserve to be punished! Mayor Han, please let me off on account of my years of service to Yunzhou!" pleaded Wang Xing-Duo miserably.

But Han Dong-Min wasn't going to let him off. "You have misused your power for your own personal gain and abused your office to frame others."

"Your character is rotten and your actions are terribly wicked! You've committed such a serious offense and you still dare to ask me to spare you? Men! Arrest him, strip him of his title and make sure he's punished severely!"

BOOM!

Han Dong-Min's cold words were like a death sentence to Wang Xing-Duo.

Wang Xing-Duo was frozen to the ground as despair filled his eyes. He felt like all his strength left him in an instant and he collapsed to the floor like a mound of clay.

His heart had turned to ashes.

He never imagined that the position he had worked so hard to attain over the past few decades had collapsed in an instant just like that.

This one mistake made him regret it for life!
