

Chapter 811

Miss Scarlett's point of view actually made sense. It was not wrong for her to want to find someone that matched her skills.

She was a combat genius among women. She had every right to want to find a male combat genius.

But just as Gaige said, they were extremely rare!

Even Miss Scarlett would not know if such person existed.

Maybe there aren't any.

Therefore, it would be fine if she remained single for the rest of her life.

"Get lost!" Scarlett said coldly.

Gaige's face was sullen. He had been rejected by Scarlett many times, and his patience had ran out.

Since he could not defeat Scarlett, he had to use another method that he had planned for a long time. He must have Scarlett!

Gaige knew better than to persist!

When Chuck, who had just arrived, saw this, he stroked his chin and thought, "What's wrong with Miss Scarlett? Why did she go down the mountain so late at night?"

Chuck could not help but wonder if something bad had happened to the Wolfen Sect.

Otherwise, why would an experienced coach like Miss Scarlett go down the mountain in the middle of the night?

It was possible that something bad had really happened. It was not something that Chuck, who had just entered into the Wolfen Sect, would be able to know about.

Miss Scarlett had already left quickly!

She was ahead of Gaige who had gone down earlier!

Gaige was extremely angry that he gnashed his teeth. There was no other way this time!

Otherwise, he would need to beg her for a long time!

Ugh!?

"Who?! Who's there? Who! Show yourself!" All of a sudden, Gaige, who was furious, shouted. He had heard something coming from the

bushes.

He had just been humiliated by Scarlett.

Who would be available to let him vent out his anger?

How could he miss this opportunity?

"Who's there? Come out!" Gaige stepped forward and saw a figure in the bushes. He threw his fist at the figure and said with a ferocious smile, "Why are you so stubborn? Come out!"

Boom!

Gaige was surprised, because the moment he punched with his fist, a person jumped out from the bushes. He did not manage to see who that person was clearly, but...

As soon as that man appeared, a fist had landed on his cheek!

Ah!

Gaige let out a blood-curdling scream as he was knocked out by a single punch!

Plop!

He fell to the ground and was unconscious!

After Chuck punched Gaige, he stroked his chin again, and his eyes turned cold.

He originally did not want to fight, but since Gaige had discovered him, he had no other choice.

Furthermore, there was a conflict between them before, therefore, how could Chuck stand him?!

Gaige's strength was not bad, but his reaction was too slow. Chuck shook his head. Such a person is unfit to be his opponent!

Last time when they were in the hospital, Chuck had wanted to teach him a lesson! Just because he was from the Wolfen Sect, he thought he was great?

Knocking him out with one punch was nothing.

If they had fought outside, Chuck would have broken his ribs.

Chuck's punch just now was so swift that he did not leave any traces behind!

Chuck left.

After he went down the mountain, he did not see Scarlett anywhere. It was already dawn. Therefore, Chuck stopped looking for her and went back to sleep.

Tessa and the other girls were asleep.

They were considered to be open-minded, as their pajamas were new, it looked seductive!

All of them slept like dead fish. Even if Chuck laid a finger on them, they would not wake up!

But Chuck definitely would not do such a thing.

Chuck looked at them for a while, then closed his eyes and went to sleep.

Bang!

"Impossible, it's impossible. I... I was actually knocked out by a single punch?" Gaige woke up in the bushes.

He found that his cheek was swollen and he could not get up at all. He had to call Liliana.

"Gaige, what happened to you? Did Scarlett hit you?" Liliana was angry as she had to come to rescue her brother in the middle of the night.

Gaige sat on the ground but could not get up. His face was swollen. It must've been Scarlett's doing!

"No, it was someone else!" Gaige got up with Liliana's support, and his face looked ferocious.

"Who was it? Did you see who that person was?"

"No, but it was definitely a man. I tried to punch him, but before my fist could reach him, he hit me first and I could not dodge it." Gaige's teeth creaked.

He was extremely angry!

Gaige felt embarrassed because he had been defeated.

"What? How is that possible? You could not even withstand his single punch?" Liliana was extremely shocked!

What kind of strength was this?

Defeated with a single punch!

In the entire Wolfen Sect, there were only less than twenty people who could do that! Who was it?

"Yes, he was very fast. I did not even have the chance to see who he was before I was knocked out by him with a single punch. This person is definitely a combat expert and his strength far surpasses mine."

"Don't tell me it's one of the members of the Wolfen Sect!"

"No, definitely not!"

"Then who could it be?"

"I don't know, but I'll find out who he is! How dare he hit me? I'll let him know the consequences of hitting me!" Gaige was extremely furious!

Liliana was annoyed when she learned that her brother had been beaten.

It was absolutely necessary to find out who this person was!

"By the way, Gaige, could it be one of the new students?"

"Liliana, are you saying that I was knocked out by one of the new students with a single punch?" Gaige became angrier.

"No, but you said that it was not a member of the Wolfen Sect, therefore this leaves us with..."

"It is definitely not one of the new students!" Gaige was determined! How was that possible?

He was knocked out by one of the new students?

Chapter 812

"Alright."

Liliana stayed silent as she looked at Gaige being emotional.

She agreed with Gaige.

It was impossible for a new student to knock out Gaige with just one punch!

If that man could knock out Gaige with one punch, then it meant that he could do the same to her too.

It was really terrifying!

Liliana had not encountered such a situation since she first stepped into the field of fighting.

Liliana was subconsciously worried. She glanced around with her beautiful eyes. She was a little worried that someone would rush out and knock her out with a punch all of a sudden.

"Gaige, let's go back first!" Liliana helped her brother to stand up.

Gaige could not stop getting angry, 'F*ck, if the other members of the Wolfen Sect find out about such a shameful incident, where do I put my face?'

Gaige valued his reputation vey much. This will not do!

Liliana supported Gaige back to base. Chuck's punch was swift and strong!

Liliana put an ice pack on Gaige's cheek for a long time, and eventually the swelling subsided.

"Gaige, take a rest first. I need to train those new students. There will be a competition between the new students the day after tomorrow," Liliana said.

As soon as she thought of her useless students, she felt discouraged.

She will definitely be laughed at by the other coaches of the Wolfen Sect.

She has to speed up their training! Otherwise she would be laughed at!

"Go ahead!" Gaige laid down on the bed and went to sleep.

It was time for training. Usually, this kind of competition was between the freshmen of the school.

But, f*ck, this punch had hit him so hard that he felt like his head was

going to explode.

Gaige touched his own head. He felt dizzy and uncomfortable!

"Gaige, does your head still hurt?"

"Of course! That guy's fist must weigh around 700 pounds. Of course it hurts!" Gaige was annoyed!

"Is he that strong?"

"Yes. Is there really a hidden master in the Wolfen Sect? This is something that I did not expect. Go ahead! We can't embarrass ourself in this competition!"

"Got it."

Liliana went to Chuck's dorm.

"Who on earth was he? He ran away after he punched me? I, Gaige Lowe, will definitely find him!" Gaige was extremely furious!

...

"Did anyone go out last night?"

Liliana asked coldly. Although the person who knocked out her brother with a single punch could not be any of these people, but they might have some clues on who it could be.

"No, coach. We all slept very early!"

"Oh, yes! Chuck went out yesterday!" Tessa pointed at Chuck. How did this b*stard come back last night?

When did he come back?

Did he do anything to her and the others?

Liliana's eyes narrowed. "Chuck, why did you go out last night?"

Chuck shrugged and said, "I was bored and couldn't sleep. I went out for a jog. Am I not allowed to?"

Liliana's eyes were full of disgust. She would never think that Chuck would be able to defeat her brother with just one punch!

He went out for a jog?

"Jog? What's the point of jogging? You can't even beat us!" Tessa snorted with disdain.

"Alright! Let me tell you all, the day after tomorrow is the freshman's competition between the new disciples of the Wolfen Sect. If anyone can win the first place in the freshman's competition, then he or she will be granted a wish!"

Liliana knew that these useless students in front of her would not stand a chance.

However, she still needed to convey the message.

"What wish?" Tessa and the other girls were surprised.

"Any wish! If you can win first place in the competition, you can demand for anything," Liliana said impatiently.

What was the use of asking so many questions?

Will they be able to win first place?

It would not be easy for them to even enter top 30!

Chuck's eyes lit up. He could use this opportunity to request Miss Scarlett to be his coach!

Chuck was determined to win this competition!

Miss Scarlett was so rejecting, therefore he could only use this method.

First place?

Chuck's eyes glittered!

"Let's cut the bullsh*t. I'd be grateful if one of you could even make it to top 30. We will have extreme training today and tomorrow to prepare for the competition! Get ready! Follow me, we will train at the other mountain!" Liliana said coldly.

The fastest method of improvement would be to train them in extreme conditions.

Therefore, Liliana intended to take Chuck and the others to go deep into the mountains to experience extreme conditions for two days so that they could become stronger. Perhaps it would be useful.

There was no other way.

Chuck, Tessa, and the others prepared themselves. They simply packed up some things and went into the deep forests with Liliana.

This time, they did not carry any weights. They ran about 30 kilometers and arrived in the deep forest.

Chuck had stayed in the Amazon forest for a few days before. He had a lot of experience in this field.

"Let me warn you. There are many wild animals in this forest. You have to be alert and work together! Do not act alone!" Liliana said coldly.

"Coach, we don't want Chuck to be together with us!" Tessa raised her hand and said.

Liliana stared at Chuck disdainfully. "You can choose. You can either go back now, or you can continue. But if you continue alone, you will die inside. I won't be responsible for that."

Chuck shrugged and said, "Alright, I'll go in alone. I should come out at this time tomorrow, right?"

The competition was the day after next. Therefore, they needed to be out at the same time the next day, as they needed to go back and rest to have enough energy to compete.

"Yes, but you have to think this through carefully. With your strength now, the possibility of you surviving by yourself is extremely low!"

"Low? I've stayed in the Amazon forest for a week before and I survived!" After Chuck said that, he went in alone.

Chuck also did not wish to team up with them.

It was fine with him to train alone.

"Nonsense! How can he still be alive after staying in the Amazon forest for a week? The environment there is harsh. Only experienced people would be able to get out of there alive!"

"I heard that there are cannibal tribes in the Amazon forest. How could he have survived for a week? I don't believe him!"

Tessa and the others expressed their opinions in disdain.

Liliana sneered and thought to herself, 'You survived for a week? How could you brag with your current strength? What a useless man!'

Chapter 813

"You girls be careful. If you run into any danger, don't try to handle it by yourself. Just come out! Or find a place to hide and call for me to help you!"

Liliana did not want anything to happen to her students as Tessa and the other students were women, just like her.

She was also a woman, so Liliana took care of them a little more.

However, Chuck was an exception!

It was best to let Chuck be taught a lesson in the deep forest!

If he was missing an arm or a leg, then she would have an excuse to kick him out of the Wolfen Sect!

Chuck, don't let me down!

Liliana looked at Chuck, who had already disappeared into the deep forest. She was sure that Chuck would not survive the night!

"Yes, Coach!!"

Tessa and the others were a little excited. No matter what, since they were able to enter into the Wolfen Sect, they must be strong and tough.

Being able to survive in the deep forest for one night was also part of the challenge!

They went in as well.

Liliana found a place to rest.

"How did Chuck leave so quickly? Has he hidden himself somewhere?"

"It's possible! He wanted to spend a night in the forest alone? I'm sure he is scared to death now."

"I think so too. He must have found a place to hide himself. Look, he did not enter much earlier than we did, but we can't even see him at all now!"

"Forget it, there's no need to care about him. I'm very excited. We must survive the night!"

Tessa and the other girls laughed at Chuck. They had a plan and a goal.

They went deep into the forest and had encountered some snakes, insects, and rats, which gave them goosebumps.

A poisonous snake had almost bitten them. Fortunately, Tessa, among

them, reacted quickly.

They were not hurt.

"The snake was so scary just now! What did Chuck say just now? He survived in the Amazon for a week? How can he survive for a week there? What a liar!"

"Ahh, a bear! I see a bear! Run!" Tessa suddenly saw a huge black shadow in the dense bushes.

She was scared out of her wits. They were all human beings, how could they possibly fight a bear?

The girls were all terrified!

They ran as fast as they could!

"Roar!"

A big black bear charged out of the bushes, and chased after Tessa and the other girls ferociously.

The speed of the bear was so fast that the girls were no match for it. In a short time, the bear caught up with them.

"We're going to die, run!" The girls were frightened to death.

Tessa gritted her teeth, "We'll have a chance if we run in different directions. Spread out everyone!"

The three of them could join forces and their chances of survival would be very high. As for Tessa, she was the fastest among them. She might also have a chance to survive!

Tessa sacrificed herself!

"Tessa!" The three girls cried.

"Why aren't you all running? Are you all waiting to die?" Tessa was furious. This group of silly girls...

At this moment, it was important to stay alive!

"Tessa, take care. We will get help from the coach!" The three girls ran away.

As expected, the bear continued to chase after Tessa.

Tessa's face turned pale with fear. She regretted making such sacrifice.

However, at that moment, what other option did she have?

She could only run.

"Roar!"

The bear which had been chasing her for a long time, was furious. It charged forward and scratched Tessa's back with its paws.

Tessa fell to the ground, her body was in so much pain that she almost vomited blood.

"Ahh! Am I going to die? I did not even manage to survive for two hours, let alone the whole night!" Tessa was helpless.

She thought that she could last one night in the forest and then rest tomorrow. The day after the next, she would be able to participate in the competition of the new students.

"I did not expect that I would die under the bear's claws."

"Is there anyone who can save me?" Tessa closed her eyes in despair.

I can't escape. Is there anyone here?

Why was she so unlucky? Why didn't the bear chase after Chuck instead?

"Ahh!"

Tessa thought that she was going to be killed by the bear, but suddenly, she heard a movement!

She opened her beautiful eyes and saw that the bear was rubbing its head, as if someone had hit its head with a rock!

"Roar!"

The bear was enraged.

"Who is it?" Tessa seized the opportunity to get up.

Thud!

Another stone flew out from the bushes. Tessa saw a human figure behind the bushes. Who was this person?

He saved her?

Roar!

After being hit again, the bear was extremely angry. It gave up on Tessa and ran toward the bushes instead.

Roar!

There was a movement in the bushes. The bear might have chased after the man.

"Hey, who are you? Why did you save me?"

By the time Tessa shouted, the man had already ran away with the bear chasing after him.

And then, there was the sound of the bear vomiting.

"Tessa? The coach is here!" The three girls who had escaped brought Liliana over.

Liliana ran over. Fortunately, Tessa was fine. She frowned and asked, "Where is the bear?"

"It was lured away by a man." Tessa pointed to the direction in which the bear left and muttered to herself.

She had no acquaintances in the Wolfen Sect. Who would risk his life to save her?

"Who lured it away?"

"Wait a minute! Could it be Chuck?" A girl cried in disbelief.  4
