

The Charismatic Charlie Wade Chapter 1506 – 1510

Chapter 1506

Both Lenan and Philip were shocked.

Let Philip's condition completely heal?

This... how is it possible?

Their family has been running around to cure this disease for a long time, finding the best experts in the world, using the best special medicines, medical devices and treatment methods.

However, none of them could stop the rapid dying of Philip's life.

Apple's founder, Jobs, was also a billionaire and also suffering from pancreatic cancer. He also received the best treatment in the United States, but the result was very regrettable.

The world's top experts don't think that Philip's illness is likely to be cured, and most of them believe that his life may be less than one year, or even less than six months.

Charlie suddenly said that he could be cured, which sounded like a fantasy to the two.

Lenan sighed and said seriously: "Charlie, I know you must also care about Uncle, but his condition... is indeed very unoptimistic..."

Philip nodded and said: "Hey...Charlie, my disease, you can't know it better. Pancreatic cancer is the most fierce cancer, and I am now in the advanced stage. It has spread throughout the body. It is too late as the saying goes, even for the gods of health it is hard to save."

Charlie wanted to say something in his heart, he wanted to tell Philip that even if gods of health can't save you, I can save Charlie!

However, people who don't know the truth about this will definitely feel that they are extremely arrogant.

So Charlie said seriously: "Uncle, I occasionally got a good medicine some time ago, which has a very good effect on curing various diseases. I took it with me this time. You might as well try it."

Philip naturally didn't believe it.

He himself is a standard atheist and a firm materialist. He firmly believes in science and half disbelief in metaphysics. In addition, he has become a doctor for a long time. The relevant materials and literature have been thoroughly studied and he is also 100% sure that he was hopeless, so when he heard Charlie's words, he just shook his head helplessly and said: "Charlie, you have this heart, uncle is very grateful, but the sinister degree of this disease, may be far beyond your understanding..."

Lenan on the side also nodded and said, "Yes, Charlie, your Uncle's disease can be said to be the most difficult, dangerous, and cruel in the world..."

Charlie knew they definitely didn't believe it, so he planned to take out the Rejuvenation Pill and let Philip give it a try.

But at this moment, the servant suddenly ran over and said nervously, "Master, Madam., the two families of Second Master. and Third Master are here..."

Lenan frowned immediately and asked coldly: "What are they here for?"

The servant hurriedly said, "They said they are looking for you and master to discuss something important."

Lenan blurted out: "Let them go! We have nothing to do with them!"

As soon as she finished saying this, they heard an angry voice sneer and said: "Oh, sister-in-law, it is all in the family, there is no need to say such ugly things, right? The

Old Master has been gone for a few years, so you won't let me and the youngest come in. If this Old Master knows fate, he will be annoyed to come to life!"

Charlie looked up and saw eight or nine people rushing in aggressively.

Lenan's expression was immediately ugly, and she asked, "Yanzheng Gu! This is my home! Without my permission, who let you break in?"

Chapter 1507

Following Lenan's anger, the man headed by the other party said with a disdainful expression: "Sister-in-law, this is my elder brother's home. Do I need to say hello to you when I come here as a younger brother?"

Lenan said with an ugly expression: "Yanzheng, then your eldest brother is my husband, and half of this house belongs to me. If you break in without my permission, this is called rushing into the house!"

Yanzheng curled his lips, looked up and down at Lenan, and said with contempt: "Oh, sister-in-law, do you know that you and my elder brother are husband and wife? But have you fulfilled the obligations of a wife?"

Philip stood up with difficulty, and reprimanded: "Yes, how do you talk to your sister-in-law? Your sister-in-law is like a mother to you, don't you understand this?"

"Elder sister-in-law is like a mother?" Yanzheng sneered: "Big brother, don't forget, she is an outsider in Gu's family after all, and as the daughter-in-law of Gu's parents and sons, she failed to give birth to Gu's eldest grandson. When our parents passed away, there was no eldest grandson in the family. She is the sinner of our Gu family!"

When Lenan heard this, her face immediately became very ugly and a little bit aggrieved.

Philip was trembling all over with anger, grabbed a bone china bowl, and slammed it to the ground. The porcelain bowl shattered under Yanzheng's feet!

Immediately afterwards, he blurted out: "Yanzheng! You don't want to make a fuss about this! Your sister-in-law almost died because of a dystocia when she gave birth to Sara.

Since then, I vowed never to let your sister-in-law give birth again. For the second child, parents also respected this very much when they were alive, and even their two elders didn't have any opinion. What qualifications do you have to speak out here!?"

Yanzheng said contemptuously: "Big Brother, my parents said they respect you, but don't know how sad this incident is in my heart! It's just that I am embarrassed to express it in your face!"

After a pause, Yanzheng said again: "Furthermore, to be honest, I even suspect that our parents died prematurely, which has a lot to do with the accumulation of depression and illness in their hearts! After all, it's your couple who killed them!"

Sara felt that she was a junior at first, so she resisted her anger and did not interrupt, but at this time, seeing her second uncle speak so excessively, she immediately shouted: "Second uncle! Don't speak too much! This is my family! It is not your turn to come and shout out here!"

Yanzheng hadn't spoken yet, and a man who was a few years younger than him said in a weird manner: "Oh, what's the matter, my dear niece, you are a great start now? Can you ignore second uncle? Are you here? Don't forget, even if you are a big star, you are just an actor!"

The speaker is Philip's third brother and Sara's third uncle, Yangang Gu.

The three Gu family brothers are loyal, righteous, and strong. This is also placed on the expectations of the Gu family's three sons, so that they can be loyal, upright, and strong.

It's just that the second child and the third, compared to their names, are indeed a bit uncoordinated.

At this time, beside Yangang, there was a young man in his early twenties who added fuel and jealousy: "Yes, cousin, our Gu family's ancestral motto is clearly written in the Gu family's ancestral book. The descendants of the Gu family must never engage in an inferior career!"

"Moreover, this actor, in the early years, it was a non-streaming industry that could not even enter the lower ninth stream. After returning, the status rose a little bit, and then

she barely never entered the stream. It was ranked in the lower ninth stream. If you are an actor now, then you are a shame to the ancestors of the Gu family. Are you not?"

Sara bit her white teeth and said angrily: "Weiguang, you only know how to spend time and drink, eat and drink blood, why are you here to point fingers at me? I tell you, there is no place for you to speak!"

Chapter 1508

Weiguang curled his lips and said: "Oh, cousin, you are so temperamental. In Gu's family, we are the same generation, so what if you are my sister? You are just a woman who will marry sooner or later, waiting for you to get married. , You are no longer a member of the Gu family, you will be an outsider then, do you understand?"

Charlie on the side wanted to speak at this time, but still held back.

After all, this is Gu's family affair, and as an outsider, he really can't find a suitable entry point.

If he intervenes at this time, he is also a stranger.

Moreover, it is still unclear what the meaning of Gu's second and third came over with, so he decided to observe again.

At this moment, Philip shouted angrily: "Enough! Don't talk nonsense!"

After speaking, when everyone calmed down, he looked at Yanzheng and Yangang, and asked in a cold voice: "Second, third, you two shouldn't be circumspect and concealed here. What do you want to do? What is your purpose? Just say it upright and openly, chirping like a maiden, and losing the face of our Gu family this is not good!"

Yanzheng touched his chin and smiled suddenly, a bit insidious, but pretending to be concerned: "Big brother, I heard that your health has deteriorated again? Did the hospital ask you to go to receive treatment, but you refused?"

Philip said coldly: "I'm sorry, I just wanted to start and decided to actively receive treatment. My daughter hasn't married yet, so I can't just die cowardly!"

Philip was waiting for the crowd, his expression suddenly changed when he heard this.

Yangang next to him couldn't help complaining: "Brother, haven't you already decided to give up treatment? Why do you regret it at this time? Even with active treatment, your condition may not be able to live longer than ten and a half days, for these ten and a half months. After going to the hospital, you are tortured, tortured, and experimented on. You would say that why did I come here."

Philip's expression was extremely cold, and he gritted his teeth and said: "You guys, what are you trying to say? If you don't get to the point, don't blame me for driving you out!"

Yanzheng smiled and said, "Big brother, the Old Master is eccentric. When he died, the Gu family's assets were divided by 50% for you and 25% for me and the youngest. What do you say you want so much for? Your family doesn't have a son either. When daughter gets married, it's the water thrown out. This property can't be cheaper for outsiders?"

Speaking of this, Yanzheng looked at Lenan again and said with a smile: "What's more, my sister-in-law is not too old and so beautiful. In the future, if eldest brother is gone, how could she stay alone for the rest of her life? She must remarry. ! At that time, she will take away part of Gu's assets. WE cannot bear to care about half of the assets of the family. In the end, they will fall into the hands of outsiders with your wife and daughter?"

When Lenan heard this, he was not only angry but also humiliated, tears burst into his eyes immediately.

Sara also exploded in anger, clenched her fists and looked resentful.

Needless to say, Philip's entire body trembled, his original bloodless face became paler, his whole person was shaky, and he might die almost at any time.

Charlie couldn't stand it anymore. While reaching out to hold Philip's swaying body, he shouted with an extremely gloomy expression: "You b@stards, it's a bit too deceitful!"

Chapter 1509

When Yanzheng, Yangang and others saw Charlie when they came in, they didn't pay attention to him.

They came over today, and all their goals were focused on the three members of the Gu family, and they treated Charlie and the other servants as nothing.

However, they did not expect that this young man would dare to challenge them here, and even said that they were as\$b@stards, suddenly became angry!

The Gu family in Eastcliff is second only to the Su family and the Wade family in strength, and the total assets are also above the trillion level. Even if Yanzheng and Yangang each have only 25% of the Gu family's assets, but if each person puts it out separately, are also the top rich, crushing those familiar people on the rich list now is nothing to say.

So, how can they accept that an unknown junior yells at them here?

Therefore, Yanzheng was immediately furious and pointed at Charlie and shouted coldly: "Boy, do you know who I am? Talking to me like that, do you have a long life?"

Charlie sneered and said: "Of course I know who you are, as\$hole, you are as\$hole number one, the guy next to you is as\$hole number two, and the little a** who just clamored, must be as\$hole number three, the rest if anyone wants to sort, speak early, lest they miss the top numbers!"

Yanzheng and Yangang are both heirs of the Gu family, and they have also received high-end education since they were young. Both are typical beasts in dress, trained under elite education.

In other words, such people seem to be very educated, rarely interact with others and do not speak dirty words. In fact, their bones have long been broken.

Take Yanzheng as an example. Someone used to toast him at the dinner table. The height of the other party's wine glass was slightly higher than his wine glass. He was smiling at the time as if he didn't care, but he immediately asked the bodyguard to directly after the meal. Forced to stop the opponent's car, pulled the opponent out of the car, and broke his hands.

This is just a small matter. In fact, Yanzheng closed his upper and lower lips, and he didn't know how many people were ruined or even destroyed.

At this moment, Charlie was so disrespectful to them, making him almost furious!

However, he was also a little confused about Charlie's origin, so he was a little bit puzzled. This person was a guest at Philip's family. He naturally knew the strength of Gu's family, but he dared to talk to himself like this. Is it possible that he didn't know what he didn't know, the background?

The same goes for Yangang. If the other party knows his identity and dared to speak wildly here, he must have two brushes.

However, Weiguang, who was young, did not have this self-knowledge.

He scolded angrily: *"dmn, who are you kid? Do you know who you are talking to? We are from the Gu family! Do you fcking want to die?"*

Charlie glanced at him, and said coldly: "You just barked at Sara, right? Well, since you like to bark like a dog so much, it's better to kneel on the ground and learn two dog barkings. If I am satisfied, I can still let you go!"

"fck you!" Weiguang was immediately furious: "You fcking seek death! Do you know who I am? I am the second son of the Gu family! You dare to be disrespectful to me, I will kill you in a minute!"

Chapter 1510

At this time, a young man who was slightly older than Weiguang and had a calmer temper said: "This brother, today's affairs are our Gu family's housework. Please don't interfere."

The one speaking is Yanzheng's son, Weiliang, and the oldest male in the Gu family's grandson.

Sara is a girl, so he is considered the eldest grandson of the Gu family.

Charlie looked at Weiliang and said indifferently: “Whenever something happens, just talk about it. Don’t rely on the number of people here, just thinking about bullying fewer people. Here barking and clamoring shamelessly, the Gu family can be regarded as a great family of Eastcliff. , Don’t just show up with the lack of education!”

“You...” As soon as Weiguang heard this, he gritted his teeth and wanted to come forward.

Weiliang stopped him, then gave Charlie a cold look, and then said to Yanzheng beside him: “Dad, let’s stop talking nonsense and get to the point.”

Yanzheng looked at Charlie coldly, and made up his mind that no matter who this kid is, after his business is resolved today, he must pay the price of blood to let him know Gu family, it’s not that he can speak freely. Insulting like that, nobody dares to do so!

Therefore, he temporarily suppressed the resentment in his heart, looked at his eldest brother Philip, and said, “Big brother, I am here as a child of the Gu family this time to defend and safeguard the rights and interests of the Gu family! 50% of the assets of our Gu family are in your name, but you are running out of time now. After you leave, I will be the head of Gu’s family. Naturally, I can’t sit back and watch 50% of Gu’s assets flow into outsiders’ names. Therefore, I hope you will start with Gu’s interests. Make a will and allocate at least 80% of your assets to me and the third.”

After saying this, he saw Philip’s face very ugly, and he said: “Brother, I am also for the Gu family, otherwise, once you die, and once sister-in-law and daughter get your inheritance, your inheritance will not have a surname Gu. The strength of the Gu family will instantly be squeezed out of Eastcliff’s third place, and even the top five may not be guaranteed. You have the heart to look after the Gu family’s hundred-year family business, and you will be cut after you die?”

Philip said coldly: “Second, let your mouth be full of peach blossoms, but in the final analysis, don’t you still want my possessions? I tell you, I have already made a will. In my will, my inheritance is divided into two, your sister-in-law inherits half, and the daughter inherits the other half. According to the law, since I have formulated the method of inheritance distribution, you have no right to intervene.”

Yanzheng’s expression became colder, and he asked: “Are you just caring for your little family and not caring about us as everyone?”

Philip asked, "So what? My family property has nothing to do with you!"

Yangang, the brother on the side, scolded angrily: "Big Brother! Have your cancer cells spread to your brain? How come you, a wise person, don't even have a brain right now?"

When Lenan heard this, she yelled angrily: "Yangang! You are too much!"

Yangang coldly snorted, "Sister-in-law, this is too much? I tell you the too much is still behind."

After finishing speaking, he turned to look at Philip and said coldly: "Brother, let's take a step back and say, even if you are stubborn and unrepentant, let your wife and daughter inherit the family property, you think they are both females, would they be able to hold on to so many assets? We came to you today to solve this problem calmly. You take out 80% of your family property, and the remaining 20% is enough for your wife and child to be prosperous and wealthy. Live a lifetime, but if you are too greedy, then I can't guarantee that your wife and child will live a stable life after you leave!"

Philip was extremely angry, and shouted: "Yangang, you beast! Are you threatening me?"
