

The Charismatic Charlie Wade Chapter 1521 – 1525

Chapter 1521

Yanzheng and Yangang ran away from Philip's home in a hurry.

At this time, the maid hurried in and said, "Sir, the bodyguards in our family are all injured. Look..."

Philip immediately waved his hand and said: "Hurry up and call 120 and send them to the doctor for treatment. I will pay for all the expenses, and each person will pay another 200,000 medical expenses. I will arrange for my secretary to go there."

The servant nodded immediately, took out his mobile phone and dialed 120.

Everyone also went out to check the injuries of the bodyguards. Although all of them looked miserable, their wounds were not life-threatening.

However, these people are also very ashamed, and even ashamed to look up at Philip, and constantly curse that they are too weak and ashamed of Philip's trust.

Philip didn't care about this either, and comforted one by one: "Today's matter is an accident. The other party came prepared, and all Master Wades came. You can't match each other, and you can understand it.

With that said, he again asked: "Don't think about it so much now, go to the hospital for treatment and recovery!"

Soon, the ambulance took the bodyguards away, and Philip also arranged for his secretary to rush to the hospital to handle related matters.

When everything was arranged, he finally felt relieved.

The family of three returned to the dining room with Charlie. Philip took Charlie's hand and choked up and said: "Charlie, for today...thanks to you!"

Lenan and Sara on the side also nodded gratefully.

Lenan said: "Charlie, if it weren't for you, today I and you Uncle, I really don't know how to cross this hurdle..."

Sara also cried and said, "Charlie, thank you so much for today..."

As she said that, she remembered the grievances that her parents had just received, and she couldn't control her emotions, and tears couldn't stop streaming.

Charlie hurriedly comforted: "Uncle, Aunt Lenan, and Sara, to me, you are my relatives. What kind of kindness is there to me..."

Philip nodded and asked with red eyes: "Charlie, how come you have such a strong strength? Even if they are not your opponents, this is too powerful? What have you experienced over the years? How can you be so tough?"

Charlie said seriously: "Uncle, although I have had a hard time these years, I did encounter some opportunities that ordinary people can't meet, so I have some skills."

Philip grabbed his hand and said sincerely: "Charlie, if I leave, you, Aunt Lenan and Sara, are all dependent on you, otherwise, I will not be at ease until I die, and I will never look down..."

Lenan wiped her tears, and said stubbornly: "Husband, don't say such dejected things, and don't worry about your wife. The big deal is that after you leave, I will donate all the money! Anyway, my family will pay it back. It's a little bit capable. My daughter is now a big star again. You must have no worries about the lives of mothers and daughters. We donated all the property, and we won't let them both get a cent!"

Philip sighed and nodded softly: "After I leave, everything will be in the hands of your wife. I have no other wishes. I only hope that you will live a healthy and peaceful life!"

Sara cried and said, “Dad, don’t say that. Are you planning to be hospitalized and actively cooperate with treatment? There may be miracles! Don’t make conclusions so early!”

Philip laughed sadly: “Good girl, your dad has lived for most of life. He has experienced all kinds of storms, and he can see through many things. As for my disease, I can’t cure it everywhere. Treatment is nothing more than a question of whether to go in the first half of the year or the second half.”

Now it is the twelfth lunar month of the lunar calendar, and it is also the first month of the new year in the solar calendar. Therefore, Philip felt that he would definitely not be able to live this year.

When these words came out, Lenan and Sara cried into a ball, both of them were top beauties, crying into such a pear blossom and rain, it really hurts.

Especially Sara, Charlie didn’t have much contact with her, but she could feel that her temper was very proud and strong, but now she was crying like this, how could she still have the slightest aura of fearlessness? She is like a little girl next door who makes people feel distressed.

Chapter 1522

So, Charlie took a deep breath, looked at the three of them, and said seriously: “Uncle, Aunt Lenan, and Sara, with me alive, no matter where I am, I will not let you be bullied!”

After speaking, Charlie looked at Philip again and said seriously: “Uncle, I have a way to cure your disease and restore your health!”

If Charlie said such a thing during dinner, Philip would not believe it.

He knew that his disease could never be cured.

But only to see that after Charlie defeated the God of War and the realm master with his own power, he suddenly had an extremely strong trust in Charlie.

He felt that since Charlie said so, he must be certain.

So he hurriedly asked: “Charlie, do you really have a way to heal me?!”

Lenan also blushed and said: “Yes, Charlie, your Uncle’s condition is really too serious. We asked this directly the top expert, but they all...”

Speaking of this, Lenan did not go on.

In this case, the family of three has heard it too many times.

No matter which top expert is found, they all say that there is no cure for the disease, and he can last a few months at most.

Charlie said confidently at this time: “Aunt Lenan, don’t worry, if I say yes, I can definitely do it!”

With that said, he took out a rejuvenating pill from his pocket, handed it to Philip, and said earnestly: “Uncle, take this medicine, all your diseases will be cured!”

Philip looked at him dumbfounded: “This...this...is this medicine so amazing?!”

If someone else handed him such medicine and said that one pill would cure his illness, Philip would definitely not believe it!

Because this completely subverted his understanding of the world, disease, cancer, etc.

However, this was what Charlie said, so he suddenly felt that Charlie’s words might really be a little credible!

Thinking of this, he immediately asked: “Charlie, can I just take this medicine?”

Charlie nodded lightly: “Swallow it directly, take it with warm water, and go and pour Uncle a glass of warm water.”

“Okay Charlie!” Sara immediately got up and poured a cup of warm water.

Lenan’s expression on the side was a little complicated.

She was skeptical at this moment in her heart.

Half believing, and half feeling unlikely.

However, she changed her mind to think that Charlie would never harm her husband. It was nothing more than a pill. Even if the disease could not be cured, it should not hurt the body too much.

So she didn't speak, and waited for her husband to take the medicine to see if it worked.

When the warm water was brought, Philip did not hesitate, put the rejuvenating pill that exuded a strong medicinal fragrance into his mouth, took another sip of water, and then raised his head and swallowed the rejuvenating pill...

Chapter 1523

The efficacy of Rejuvenating Pill is beyond doubt.

This is the essence recorded in the "Nine Profound Heavenly Scriptures", which can make the dead trees come in spring, can rejuvenate the elderly, and can make the dying people gain health.

In the beginning, Mr. Orvel was seriously injured by Wu's bodyguard, and his breath was almost absent, only the last faint breath was hanging.

In that case, even the best doctor in the world could only save his life, but he could never save his brain, and he would at best be a vegetative end.

However, after taking a rejuvenation pill, Mr. Orvel not only fully recovered, his whole body was even more than ten years younger.

This shows how magical the efficacy of Rejuvenating Pill is.

Therefore, Charlie firmly believes that Rejuvenating Pill will also heal Philip!

At this time, Philip took the Rejuvenation Pill in front of his wife and daughter, and immediately felt an unprecedented sense of comfort, dissolving in his belly.

The whole body is like the ground completely chapped under the perennial drought. There is no more water in the soil.

However, this medicinal power is like an endless stream of clear springs, which instantly gushes out from the cracks in the ground, not only moisturizing the entire earth, but also covering it with abundant water!

Originally, his physical stamina had been consumed more than 80% by a serious illness. He had personally experienced the feeling that his body was constantly getting worse.

It was like a hole opened at the bottom of a bucket of water, allowing it to directly feel the accelerated passing of life on his body.

However, at this moment, he suddenly realized that the feeling that death is better than life seemed to be repeated backwards!

He could clearly feel that his own passing life was quickly added back.

Soon, he felt that his body had recovered to 50% of what it was when he was healthy!

Immediately afterwards, it was 70%! It's 90%!

After that, it was 110% percent!

In just over a minute, he felt that he had returned to his healthy state.

When he was sick, he was 48 years old, and now he is 50 years old.

Although there is a difference of two years, 48 years old is a healthy 48 years old, 50 years old, a dying 50 years old, the gap is different every day!

And now, he has found the feeling of being healthy and strong at the age of 48!

He felt that all this was really amazing, it was like having the most beautiful dream before dying!

However, the surprise is not over yet!

After all, this is a rejuvenation pill! !

This is the rejuvenation pill that Old Master Song is willing to bow his head and kneel to Charlie for!

This is Mr. Orvel's rejuvenating pill for liver and brain!

This is a rejuvenating pill that Tailai is willing to spend 2 billion to get!

How could such a miraculous and precious rejuvenation pill only bring Philip's body back to when he was forty-eight?

Rejuvenating Pill is like a magical force that can travel through time, dragging Philip's body back desperately!

Then, Philip felt that he seemed to be back when he was forty-five years old!

That year, one thing impressed him particularly deeply.

That year, his father died.

Philip, who was extremely filial, bought the best golden coffin for his father.

It takes sixteen young adults to lift the coffin.

Philip took his younger brothers Yanzheng and Yangang and joined them, hoping to carry the coffin for his dead father by himself.

However, Yanzheng and Yangang couldn't support it at all, and were panting after trying once.

In the end, it was Philip and 15 young people who lifted the coffin and took it to the cemetery.

Chapter 1524

After falling ill, Philip missed himself at that time countless times.

At that time, he really refused to admit defeat! At forty-five years old, but still wanted to be like a 30-year-old young man.

In fact, his body at the time was indeed better than that of ordinary people of his age. Even though it was very difficult to lift the coffin, he still resisted it!

And now, that peak state is back!

Philip was sitting on the chair and burst into tears immediately!

He felt that all this was simply a gift from heaven! When he was dying, he just hoped to survive, and he didn't dare to hope that his life could return to this peak state!

But, now, all this miraculous thing is happening to him!

At this time, the miracle happened not only to Philip, but also to Lenan and Sara!

At a speed visible to the naked eye, they saw Philip's pale and colorless face, and they began to quickly restore ruddy.

The sunken eye sockets and dark circles that are unique to the terminally ill patient are rapidly disappearing, and his already pale hair is rapidly turning black! Even the wrinkles on his face seemed to be smoothed by an invisible iron of years!

Gosh! What did they see? They actually saw the turn of time!

Lenan covered her mouth with her hands, her eyes widened, and her beautiful eyes, after shedding too many sad tears, shedding tears of excitement for the first time.

The same was true for Sara. Her tears had already burst, but she did not dare to make any noise for fear that it would disturb the continuation of the miracle.

During the period when her father was ill, she secretly worshipped all the gods in the world that she knew, and was able to descend from the mansion and manifest spirits.

However, after every prayer, it was endless disappointment and even despair.

But who would have thought that the gods could not heal her father, and her fiancé, whom she had missed for more than ten years, and that Charlie who had been chasing behind her a** in childhood, brought her father the most miraculous miracle in the world!

Philip's body is still going back in time.

At this time, he already felt the state of his forty years old.

That year, he heard from others that someone met a young Chinese man in faraway Argentina. The young Chinese man, in Buenos Aires, the capital of Argentina, worked as a temporary tour guide for Chinese tourists and made a living from this. , Very much like his big brother who worshipped the handle back then.

Philip was extremely excited when he heard the news.

He immediately booked a full flight ticket to Argentina.

Argentina is the country farthest from China.

Whether you start from the east or the west, you need a straight line distance of at least 20,000 kilometers to get there.

There is no civil airliner that can fly 20,000 kilometers without stopping. Therefore, there is no direct flight from Eastcliff to Buenos Aires.

At that time, Philip's private jet had a maximum range of less than 8,000 kilometers.

However, in order to find Charlie, he set out in a hurry late that night without hesitation.

The plane first took off from Eastcliff, after a stop for refueling, first flew to San Fransisco, the United States, and then stopped for refueling again in Houston, the United States, and then flew non-stop to Buenos Aires.

The entire flight time took almost thirty hours.

During these thirty hours, Philip never closed his eyes.

He thought he would be able to find Charlie's whereabouts that time, so he was so excited that he couldn't rest at all.

In addition, he had not rested for more than ten hours before taking off, so he held on for 48 hours, but he didn't even feel any fatigue at the time.

More than fifty hours have passed until he found the young man who really looked like Charlie's father and asked if he was not the Charlie he was looking for.

From that moment, he felt a sense of depression and fatigue.

And now, he actually feels his body, back to that time...

His decades of worldview were completely subverted in an instant.

He couldn't figure out, what kind of magical medicine Charlie gave him? Could it be that the elixir of the legendary Your excellency Laojun? Otherwise, how could it be so magical?

At this moment, Philip, who was at least ten years younger, was crying and choked silently...

Chapter 1525

At this moment, Lenan and Sara were crying so hard that they couldn't help themselves.

The two of them left and right, holding Philip's warm hand, so excited that they couldn't speak.

Although Philip has not undergone any medical tests, and they have not received any authoritative report on whether Philip has been cured, they believe in their own eyes, in their own judgment, and believe that he is now completely healed!

As a personal experience of the effects of rejuvenating pills, Philip knows his own situation well. He is now 10,000% sure that he is not only healed, but his body is back to the state he was in when he was forty years ago.

This made him ecstatic.

It took him a long time to recover from his uncontrollable emotions. Then, he raised his head to look at Charlie, his eyes filled with gratitude.

Immediately afterwards, he gently pushed away the wife and daughter beside him, bending his legs and knelt down in front of Charlie.

Charlie didn't expect that Philip would kneel to him and hurriedly reached out to support him, making him unable to kneel anyway.

But Philip has been working hard to push his hand away, and said solemnly and sincerely: "Charlie, you recreated Uncle, this worship, you can't stop me anyway!"

Charlie blurted out: "Uncle, you are my father's brother, that is equivalent to my uncle, how can I receive such a gift from you? Isn't this broken me..."

Philip shook his head and said: "Charlie, your kindness to me is as great as a mountain, even if I give most of my assets to you, it is no match for the kindness, so you will receive my worship anyway... ."

Before Charlie could speak, Lenan on the side had already knelt down, and Sara knelt on the ground without thinking.

Lenan choked up and said: "Charlie, you have a great kindness to our family. Auntie is unforgettable in this life..."

Sara on the side also nodded again and again: "Charlie, thank you so much..."

At this moment, Philip was still using his body to compete with Charlie, insisting on kneeling on the ground.

Seeing this, Charlie sighed, then let go of Philip, stood up straight, and said seriously: "If this is the case, I won't stop you, but after thanking me, let's stop talking about this. Now, I haven't had a mouthful of food yet, let's eat lunch first, okay?"

Philip immediately knelt on the ground, clasped his fists on top of his head, and said sincerely: "Charlie, uncle is not stupid. I can see that you must be someone with great

ability. Uncle thanks you for giving me such a great opportunity. Uncle will remember this life. ! If there is anything that needs uncle to do in the future, I don't dare to refuse to do it!"

Charlie smiled slightly, helped him up, and said, "Uncle, thank you too, can we eat?"

Philip hurriedly smiled and said, "Come here, let's continue eating!"

After speaking, he looked at Lenan excitedly and said with a smile: "Wife! Go to our storeroom and get a bottle of my treasured top Maotai. I have a good drink with Charlie today!, for more than a year! I have been greedy for a long time without a drop of wine!"

Lenan wiped away her tears, and smiled and said, "Okay! You guys sit and eat first, I'll get it now!"
