

The Charismatic Charlie Wade Chapter 2061 – 2065

Chapter 2061

On the winding road in Nishitama County, western suburbs of Tokyo.

Several people in black were looking down at the place where Warnia had fallen from the cliff. From a distance, they saw a fire burning below. One of them whispered: “Now, the person in the car should be dead, right?”

Another person sneered and said, “Falling down so high, and adding a big fire to it, if she is not dead, I will chop off my head and give it to you.”

The man smiled and said, “In this case, you can return to Mr. Hashimoto.”

The people around nodded and said, “Hurry up and clean up the scene first. All the impact debris, glass slag, and tire friction marks on the ground must be removed to ensure that no one sees an accident here after dawn.”

“OK!”

Several people in black immediately began to clean the scene.

The leader took out his cell phone and called Hashimoto, and reported: “Mr. Hashimoto, things have basically been settled. We will withdraw after cleaning the scene.”

Hashimoto asked, “Is the person dead? Have you confirmed the body?”

The man smiled and said, “It’s impossible to confirm the corpse. This cliff is several hundred meters high. Even if the Amaterasu fell from here, he would probably be finished.”

Hashimoto slapped his lips: "I don't see the corpse with my own eyes, I'm still a little unsure."

The man said, "Mr. Hashimoto, people have already rolled down the cliff with the car, and I saw from above that the car has burned up. With this fire, Amaterasu must be turned into ashes inside. I can say this with ten thousand hearts."

Hashimoto couldn't help complaining: "Why do you always make fun of Amaterasu? Don't you have any sense of awe in your heart?"

The man curled his lips and smiled on the phone: "Fear a sh!t, I am a man who commits many crimes. If there is a great god, I am afraid that I would have been killed long ago. I can live and continue to commit crimes. There is no god in this world!"

Hashimoto said helplessly: "It's OK, I won't tell you, as long as you are sure that the person is dead, I will definitely trust you 100%."

The man hummed and said, "Okay, the balance will be sent to my house at that time. Remember, I want the old banknotes with or without serial numbers."

Hashimoto said quickly: "No problem, I'll deliver it to you early tomorrow morning!"

"Okay, then I'll hang up first!"

.....

In the valley at this time.

Warnia is still struggling to walk through.

She doesn't know where she is or where she can get out of the mountain, but she is thinking very simple now, she must go a little farther before climbing up the valley, otherwise, if she climbs up and is hit by the other party, then she is really doomed.

What made her feel very miraculous was that in the past ten minutes, her physical condition was getting better and better.

Not only did she lose all the pain from the injury, but her body didn't even seem to have been seriously injured.

And now she can feel that there is still very powerful energy in her body, which is constantly being transmitted to her body, making her feel better and better, and she even feels that her body is full of inexhaustible power.

Chapter 2062

She thought to herself: "This strength must be derived from the magical medicine that Master gave me... He gave me that medicine so that I could keep it with me at any time. In case of emergency, I didn't expect this medicine to really save my life at the critical moment!"

Thinking of Charlie, Warnia felt that her spiritual level was also inspired by unprecedented levels.

She kept encouraging herself in her heart: "Since Master gave me a chance to live, then I must live back to Aurous Hill!"

.....

Aurous Hill.

The ancient capital of the Six Dynasties.

Although it is not as prosperous as Eastcliff and Zhonghai, nor as affluent as the new first-tier cities in the south, it has its own charm and heritage after all.

People who live here love this land and this river.

Just when Warnia vowed to return to Aurous Hill alive, a private jet at Aurous Hill Airport had slowly reached the end of the runway.

This is the private jet of the Song family, which can accommodate more than twenty people and has a separate bedroom.

Honor at this time, lying on the bed in the separate bedroom, holding a glass of red wine, smiling at the corner of his mouth.

Hashimoto just called him and told him: “Mr. Song, the business car that Lingmei was riding in fell to the bottom of the valley from a cliff several hundred meters high in Nishitama County. The vehicle ignited spontaneously. One-tenth of it was turned into ashes!”

Honor smiled sullenly: “Okay! Great! I’ve waited for this day. I have been waiting for a long time. Today I can get what I want. Thanks to Mr. Hashimoto’s help.”

Hashimoto laughed: “Mr. Song, we will work together in the future, making more money is the most important thing!”

Honor said with a smile: “Mr. Hashimoto, please rest assured that we will work together in the future, and I will not be less of the money that should be given to you.”

Hashimoto said: “Then, when Mr. Song arrives in Japan, we will enjoy the wine and talk!”

Honor sighed and said, “Oh! This time I come to Japan mainly to behave for the old man. Although the old man is old, his mind is very clear. If I behave a little bit wrongly, he will definitely notice that, so I will come to Japan this time to avoid suspicion, it is better not to meet each other.”

Hashimoto asked first: “Mr. Song, when shall we sign the contract?”

Honor said: “When I bring my sister’s body or ashes back to Aurous Hill and finish her funeral, I will choose an opportunity to sign with Mr. Hashimoto!”

Hashimoto smiled wryly and said, “Haha, this is no problem. Mr. Song must be very painful to lose his loved one, so let’s wait for the sake of drinking and talking!”

Honor also smiled and said, “Yeah, my agile and capable sister died so miserably. I really feel pain in my heart, hahahaha!”

Having said that, he said with some regret: “If that old thing didn’t pass on the position of the head of the house to my sister and let her be at ease by my side to assist me, I would not have killed her today.”

Speaking of this, Honor flashed a sullen look in his eyes, and said coldly: “To blame, I blame the old thing for standing her on my way! Anyone who stands in my way must die!”

Hashimoto said first: “Mr. Song, what if the old guy wants to regain his position as the head of the house? Or, when we sign the contract, he doesn’t agree to the cooperation terms we have set, what should we do?”

Honor smiled sullenly and said faintly: “Don’t worry, Mr. Hashimoto, none of this you worry about will happen. I will find an opportunity to let him reunite with his beloved granddaughter. No one can stop me from becoming Patriarch of the Song Family!”

Chapter 2063

The strength of the Ito family in Tokyo is now basically unmatched.

In addition, this was the first time Charlie spoke and asked Nanako for help, so she attached great importance to this and almost sent out the entire Ito family.

Tens of thousands of people searched intensively in Tokyo, and they soon followed the vines and traced Warnia’s trajectory to the mountain crossing in Nishitama County.

As Warnia’s road up the mountain usually has very little traffic, there is no surveillance video on this road.

After learning that the clue was interrupted at the foot of Nishitama County, the smart and astute Nanako almost immediately realized that Warnia’s accident must be on the mountain road in Nishitama County.

Not only is it sparsely populated, but the road is also very high. If someone deliberately harms Warnia, doing it here is indeed a perfect choice.

Therefore, Nanako Ito immediately halted the large-scale search and announced that a heavy prize of 100 million yen would be awarded to the first team to find a clue in Nishitama County.

After that, she immediately arranged for the ninjas of the Ito family to go to the deep mountains of Nishitama County and let them sneak among them to find clues.

At the same time, Charlie, who was in Aurous Hill, couldn't sit still.

At this time, he was pacing back and forth in the living room, thinking to himself: "From Warnia's voice, she must have encountered an unusual danger, and it is very likely that someone is deliberately harming her, even, It is very likely that she has encountered an accident now..."

"After all, she is just a weak woman. Even facing an adult male alone, she can't have any chance of winning. What's more, she is in a foreign country at the moment. Apart from a few assistants, she has no one to rely on. , I'm afraid for such a situation she is more ill-prepared..."

Thinking of this, Charlie felt a throb in his heart.

For Warnia, he naturally has a strong affection in his heart.

This is not because Charlie is half-hearted, but because a girl like Warnia is really too rare, so as long as he is a normal man, after getting along with her, he will have a good impression of her.

She is beautiful, gentle, intellectual, generous, and more importantly, she is sincere to others. Even from the perspective of ordinary friends, she will worry about them when someone is in danger.

What's more, Charlie was lucky enough to get her heart and first kiss, so he was even more worried when she was in danger.

It's a pity that she is in Tokyo, and even if he has the ability to reach the sky, it is impossible to rush to her to rescue her immediately.

Therefore, he can only pray in his heart for Warnia's good life, and at the same time pray in his heart: "Warnia, I hope you will always listen to me and carry the pill that I gave you close to your body. If you have it. Maybe, it can save your life..."

Half an hour passed.

Nanako called Charlie back, and said: "Master, the people I sent out chased all the way to Nishitama County in the western suburbs of Tokyo. The car that Miss Song was riding on went up the mountain there. The surveillance video is no longer visible. , So I suspect that Miss Song should have something wrong in the mountains. I have now sent the best ninjas to search the mountains. If there is any news, I will notify you as soon as possible!"

Charlie was even more worried when he heard Nanako said that.

In the voice just now, there was a sound of impact and friction. He thought it was just a car accident, but as soon as he heard that it was in the mountains, he immediately felt that Warnia's chances of surviving were a little bit smaller!

Chapter 2064

No matter which country you are in, mountain roads are much more dangerous than ordinary roads.

In a car accident on a mountain road, the most feared thing is falling off a cliff. Once you roll and fall from a 100-meter-high cliff, the chance of surviving is very small.

In the rally race, the car running on the mountain must be equipped with a very strong roll cage. Only in this way can it be ensured that the cab will not be deformed when the car rolls or falls at high speed, thereby protecting the safety of the driver.

However, ordinary civilian cars, even a Rolls-Royce of 10 million, do not have such a thing as a roll cage, so once they fall from a cliff, the Rolls-Royce will fall into a pile of scrap iron!

Thinking of this, Charlie hurriedly said to Nanako: "Nanako, I beg you for one thing. You must let your ninja find Warnia's whereabouts as soon as possible. As long as she still

has a trace of breath, she will also be brought out of the mountain. Take her to the hospital, wait for me to come!”

Nanako hurriedly asked, “Master, are you coming to Japan?”

“Yes!” Charlie said decisively: “I will pass now!”

Nanako jumped for joy!

“Master is coming to Japan! Then I can see Master again!”

But after a while, Nanako felt jealous again in her heart: “Master is coming to Japan for that Miss Song, not for me... Why is he so nervous about that Miss Song? Is she his confidante?”

Although Nanako’s heart is a little sour, she has a very strong view of the overall situation. She quickly put all these thoughts behind her mind and blurted out: “Master, I will arrange for a helicopter to wait for you at Tokyo Narita Airport now!”

“If I find Miss Song’s whereabouts while Master coming to Japan, then I will send her to the best hospital immediately, and after you land, I will take you to the hospital by helicopter to see her.”

“If you arrives in Japan, and I haven’t found Miss Song’s whereabouts, then I will let the helicopter take you to Nishidamo County, and I will accompany you to search!”

Seeing Nanako arranged things so thoughtfully, Charlie said gratefully: “OK, Nanako! Thank you so much!”

Nanako hurriedly said: “Master and Nanako don’t have to be so polite. My life was saved by you. What a trivial matter this is.”

Charlie felt a little more relieved, and said: “Nanako, first arrange a helicopter to wait for me at Narita Airport, and I will fly straight over there!”

“Okay Master!”

Charlie hung up the phone, and he immediately called Issac. Upon the call, Charlie immediately ordered: “Mr. Craven, arrange the plane to prepare for take-off, and then send a helicopter to pick me up. I have to go to Tokyo as soon as possible!”

Issac was shocked and said: “Master, it’s so late, why are you going to Tokyo suddenly?”

Charlie blurted out: “Warnia had an accident in Tokyo, life or death is uncertain, I must rush over as soon as possible!”

“Miss Song’s accident?!” When Issac heard this, he knew that Charlie must be very anxious at the moment, so he immediately said, “Master, I will make arrangements immediately. It is 11 o’clock in the evening. When I get to you, I will pick you up and fly to the airport for almost 20 minutes. Counting up and down time, I will arrive at the airport at about 11:40!”

“I let the plane wait for you at the end of the runway. You get off the helicopter and board the plane immediately and take off immediately. At the same time, you fly to Tokyo at maximum speed. It is expected to arrive at 2 o’clock in the morning at Eastcliff time, which is 3 o’clock in the morning Tokyo time!

Chapter 2065

Deep in the mountains of Nishitama County.

Warnia was still carefully walking through the valley slowly.

Although it is winter, the valley is dense with evergreen plants such as pines and cypresses.

Moreover, in this gloomy, cold valley, there is no trace of human visits at all, so there is not even a small intestine path.

So walking in such a place is extremely difficult.

Not to mention female streamers like Warnia, even experts who are good at expedition crossing can hardly increase their speed.

Fortunately, it's the cold winter season. Warnia's clothes are thicker, her upper body is a thick cashmere windbreaker, her body is a black mid-skirt with black corset leggings, and a pair of black leather boots, so she won't be exposed to dense pine needles and dryness. The branches and leaves are hurt.

At this moment she has adapted to the darkness at the bottom of the valley. She could have used a mobile phone with a broken screen to illuminate the surrounding environment, and walking like that would save some effort.

However, she was afraid that the people who wanted to murder her would not give up, and they might still be searching for her whereabouts, so she did not dare to turn the mobile flash on.

Occasionally, she wants to see if the phone has a signal. She also hides the phone in a windbreaker and completely wraps her head and mobile phone in the windbreaker for fear of leaking light.

After groping for two or three hours in the valley, Warnia was still very physically strong, but her hands and face were repeatedly scratched by the branches and leaves of the trees. It was already covered with tiny red marks, and some even had bloodshot eyes.

But at this time Warnia could not care about the pain at all. Her only thought was to grit her teeth and walk out of the mountain to live.

.....

At this time, Honor's special plane landed at Tokyo Airport first.

As soon as he landed, he went straight to the TMPD without hesitation.

He had already thought about it, this time coming to Tokyo is nothing more than to behave for the old man.

When he finds Warnia's body, he first will express some grief, and then hand the matter to the TMPD for investigation, and he could bring Warnia's body or ashes back to Aurous Hill for a funeral.

On the way to the TMPD, Honor received a call from the United States.

He pressed the answer button and heard the voice of his father Tianming Song from the other end of the phone.

“Hey, honor, is it convenient for you to speak now?”

Honor gave a hum, and said lightly: “My confidants are all around me, dad, don’t worry.”

Tianming asked, “Are you in Tokyo?”

“Yes Dad, I’m here.”
