

The Charismatic Charlie Wade Chapter 21 – 25

Chapter 21

In everyone's incredible eyes, Charlie slowly stood up.

The eyes of the entire banquet hall focused on him in an instant.

"Charlie, what are you doing! Sit down!" Elaine quickly reminded him in fright.

He didn't look at what occasion it was! There are so many big men present, none of them dared to stand up, you Charlie are a wasteful son-in-law, what makes you think the limelight at this time is for you?

Fred and Gerald also glanced at each other, secretly saying in their hearts, d*mn, the chairman of the Emgrand Group would really be him, right?

But then, the two shook their heads again.

Impossible, if he is really the chairman of Emgrand, how could he be scolded by Elaine?

"What are you rubbish! sit down in your place!" Harold shouted from the stage with a dark face.

Charlie glanced at him coldly, then walked straight to Doris Young, completely ignoring everyone's horrified gaze, and whispered a few words in her ear.

While listening, Doris Young nodded slightly.

This scene made everyone's heart tighten instantly.

Doris Young! The vice-chairman of Emgrand Group, the famous beauty of Aurous Hill City! Charlie, a wasteful son-in-law, how could he know her? And looking like this, the relationship between the two seems pretty good.

After speaking, Charlie stepped out of the hall regardless of everyone's gaze, focused on him, he went out to chase Claire.

But Doris Young stood up, stepped onto the stage, took the microphone, and said in the blank eyes of everyone: "Hello everyone, this is Doris Young. Mr. Charlie was outside the venue before and met our chairman. He brought me a world."

When everyone heard that Charlie was not the chairman of Emgrand, they were relieved.

Fred White breathed a sigh of relief and whispered disdainfully: "It's just that he met someone once, so he tried desperately to cheat on the assistant. It's really rubbish."

Gerald White shrugged and said with a smile: "This is how the little guy is."

At this time, Doris Young on the stage glanced at Mrs. Willson, her face turned cold: "The chairman asked me to inform you."

"From now on, Emgrand Group terminates its cooperation with Willson's, and the signed contract is declared invalid!"

"boom!"

The crowd exploded in an instant, and no one expected that Doris Young would say such a thing.

This sudden change made everyone stunned.

Old Mrs. Willson paled instantly and asked eagerly: "Dear vice-chair, what is this? Is there anything in our Willson family that is wrong?"

Today, she invited all the people in Aurora Hill with good repute, hoping to take this opportunity to become famous in Aurous Hill.

If under all the eyes of everyone, the Willson family would be stepped on the soles of their feet if they cooperated.

Doris Young said: "This project was originally our chairman's approval of Ms. Claire before cooperating with you, but you made your own claim and asked an inexplicable person to take charge of this project. Sorry, we don't accept it!"

After speaking, Doris Young put down the microphone and walked out the door without looking back.

Old Mrs. Willson's face was pale, and she slumped on the stage for an instant.

She never dreamed that her momentary cleverness would have ruined this golden opportunity for good!

Had she known this situation a long time ago, she would not have allow Harold to replace Claire's directorship.

Harold was also very at a loss this time, what's the matter? It seems that Doris Young deliberately targeted him, and he did not even offend her!

Harold couldn't help asking the Old Mrs. Willson: "Grandma, the director's appointment has been announced, you won't regret it?"

Old Mrs. Willson struggled to stand up, raised her hand and slapped him, angrily scolded: "b*stard stuff, you still don't want to miss the directorship, even at such a time!"

Chapter 22

After Charlie went out, he realized that Claire hadn't gone far, just squatting in an unmanned corner next to the hotel, crying aggrievedly.

He slowly approached, took off his coat, put on Claire, and said: "My wife, don't be sad, the director of the Willson family is not a treasure, no matter it's inappropriate for your family to treat you like that."

"You don't understand, if I become the director, my parents will be able to raise their eyes in the Willson family, how can grandma turn back," Claire whimpered.

Charlie continued to persuade: "Maybe they will have to come and beg you to be the director. You are crying like this now, and you won't look pretty after a while on stage."

Claire choked and said, "How is it possible? Grandma has said everything, and there will be no chance of turning back. Leave me, let me be alone."

At this moment, Mrs. Willson and Harold also ran out of the banquet hall.

The Lady Willson was too old and out of breath when she ran. A large group of people behind her came out to watch the scene in excitement.

After Harold came out, he saw Charlie and Claire.

He ran forward quickly, looked down at Claire with dim eyes, and blurted out: "Claire, hurry up and chase Miss Doris, let her not terminate cooperation with us!"

Claire looked blank: "Terminate cooperation? Why?"

Harold said angrily: "You are here pretending to be innocent. You must have instructed Miss Doris to embarrass me publicly. If you don't settle this matter for me, I can't spare you!"

Snapped!

The Old Mrs. Willson who was on the side slapped Harold angrily again and said "You b@stard, how can you talk to your sister like that! She is the director of our Willson Group!"

Harold was anxious: "Didn't grandma chose me as the director?"

The Old Mrs. Willson said angrily: "If you hadn't given me Ecstasy, how could I change my mind temporarily? If you continue to be reluctant, get out of the Willson family!"

After being smoked twice by the Lady Willson, Harold was extremely angry, but he dared not speak, so he could only swallow his anger temporarily.

The Old Mrs. Willson said to Claire again at this time: "Claire, grandma begs you, you are now the director of the Willson family, hurry up and explain to Miss Doris, otherwise, our Willson family will be in ruins!"

Claire looked at Charlie blankly with doubts.

Charlie shrugged and said, "I told you, they have to come and beg you to be the director in a while, you didn't believe me, look, your face is all messed up."

Claire blushed, wiped her tears, and said, "Then I will try to contact Emgrand."

After speaking, she dialed Doris Young's phone.

Everyone's eyes focused on her.

After a while, the phone was connected, and Claire said: "Hello, Miss Doris, grandma asked me to explain to you, I will be promoted to the director of the Willson family, responsible for the cooperation with Emgrand, can you give us another chance?"

Doris Young chuckled and said, "If you are the director and can take the charge then there is no problem. The cooperation can continue, but if it is someone else, everything stays at the current status."

"Miss Doris thank you so much!"

Claire was always puzzled about this matter in her heart. From beginning to end, the Emgrand Group seemed to be here entirely to help her, which was too abnormal.

Doris Young said with a smile: "This is what our chairman meant. If there is a chance in the future, the chairman will explain it to you personally."

Claire was even more puzzled. Who was the chairman of the other party, and she had never seen him. Why did the other party help him everywhere?

"Then, can you please return to the banquet hall again?" Claire asked nervously.

The other party had left with anger, obviously irritated by the Willson family. At this time, asking the other party to come back is a bit difficult.

But she didn't expect that Doris Young agreed resolutely.

Soon everyone saw that Doris Young's car had returned to the door of the hotel.

At this moment, everyone looked at Claire's gaze, all filled with horror and awe.

Chapter 23

When everyone returned to the banquet hall, the Lady Willson took Claire's hand on the stage.

With an intimate gesture, she said, "I'm really sorry for just now, it was me who made a mistake, in fact, thanks to Claire this time, she is the outstanding descendant of our Willson family. This time the cooperation between the Willson family and the Emgrand resulted from the efforts of Claire. She really made great efforts."

Doris Young stood by her side, glanced at her disdainfully, waved her hand to stop her from speaking further, and said: "I will correct it. In this cooperation, Miss Claire has not only made great efforts, but completely it is made possible by her power, and has nothing to do with other people."

This is extremely rude, but everyone is accustomed to it. With the status of an emperor, even if Doris Young slaps the Lady Willson in public, she dare not say anything.

The Old Mrs. Willson nodded quickly and said: "Vice-chair Doris is right. For everything, the credit goes to Claire. From now on, Claire will be the director of the Willson family's business! Fully responsible for the cooperation between the Willson family and the Emgrand Group!"

Doris Young showed a slight smile and shook hands with Claire and said, "I hope we can cooperate happily in the future."

Claire was still a little at loss, and could only nod her confused head.

The audience burst into thunderous applause, and everyone looked at Claire's eyes, also full of enthusiasm.

This woman, who is on the list! The Emgrand Group treats her so seriously!

Claire herself was also confused. She turned her head to look at Charlie. The situation at this time was exactly the same as what Charlie had just said. Old Mrs. Willson returned the position of director that should belong to her.

Until the banquet was over, Claire was still in a daze after returning home.

Recalling what Charlie had said before, she couldn't help but feel a little puzzled. In the past few days, Charlie seemed to have become a little different.

There seemed to be many things on his body that she didn't understand, like it was covered by layers of mist.

This night, Claire became famous in Aurous Hill!

Everyone knows that there is an outstanding junior from the Willson family, and the Emgrand Group is on her back!

It seems that with her, the revitalization of the Willson family is just around the corner

The next morning, Claire woke up early and hurried to the company refreshed.

Today is her first day as a director. She hopes that she can go all out to do this thing well.

After Charlie got up, he started to do housework as always.

When Charlie finished his housework and was about to go to the vegetable market to buy vegetables for lunch, he suddenly received a call from his mother-in-law Elaine.

After answering the call, the mother-in-law's extremely anxious voice came from over there: "Charlie, within ten minutes, you must rush to the safe road for me, otherwise I won't spare you when I go home!"

After that, she hung up the phone.

Charlie was confused. The mother-in-law didn't say anything early in the morning. At this moment, she called suddenly, as if something urgent had happened.

Although Charlie was very disgusted with his mother-in-law, he did not dare to neglect her orders. After hurriedly cleaning up, he went out to take a taxi and rushed to Safe Road.

When he got out of the car, he saw a group of grandpas and aunts surrounded aggressively at the door of a closed insurance company.

And his mother-in-law stood at the forefront of the team, holding a banner in her hand, shouting angrily: “Rubbish Harley, Fake platform, We Want Our Rights, and pay back my hard-earned money!”

Charlie hurriedly stepped forward and asked: “Mom, you called me over, what’s the matter?”

As he was speaking, the condemning slogans sounded in his ear again, the grandfathers and aunts shouted hoarsely that rang the eardrums of the passerby’s.

Elaine pulled Charlie over, asked him to take her place, and then ordered: “Come on, shout this slogan for me, I have been yelling it all morning, and my voice has become hoars.”

Chapter 24

Charlie didn’t know why, but he could only protest with a few uncles and aunts. When shouting slogans, he inquired with an uncle next to him from time to time, and then he understood what was going on.

It turned out that this Harley Insurance Co., Ltd. offered insurance products with extremely high return rates.

And this elderly were attracted by the high rate of return. Everyone bought a lot of insurance products under the company’s name and became their customers.

This is the fixed time to pay dividends. Unexpectedly, when these elders and aunts came to withdraw cash, they discovered that the door of the company was closed, and only a few employees were at the door, using botched excuses to prevaricate everyone.

This gang of grandpas and aunts realized that they were deceived by the empty gloved white wolf.

No wonder the mother-in-law wanted to call him over in a hurry and asked him to participate with him.

Thinking of this, Charlie grew big and couldn’t help but ask his mother-in-law: “Mom, how much insurance did you buy?”

Elaine said anxiously: “They told me that buying the insurance products will bring me a lot of dividends, my head got dizzy and I bought all of their products with all the money from home.”

Charlie was taken aback, “What? All the money from home used to buy insurance?”

After hearing this sentence, Elaine immediately became irritated and cursed: “Just do you have a mouth? Do you think I am not embarrassed enough? Why speak so loudly?!”

As she spoke, she continued her carping and said, “If you had brought me some profit I would not have bought the products of this insurance company. With a wast son in law like you at the house, what else were my options for the money at home?”

This guy, it’s okay when he does not support the family. But now he is laughing at her, as if he’d made fortunes with that money.

Immediately, she said to Charlie: “I am telling you, keep chanting slogans here to help me, you can’t stop for a moment!”

Charlie couldn’t help but nodded and said, “Okay mom.”

At this moment, several aunts came over, looked up and down Charlie, then asked Elaine: “Sister Elaine, is this your son-in-law?”

As they spoke, they scanned Charlie’s clothes again, shook their head, and laughed: “Why does he look so poor? he does not look like a son-in-law material from any angle.”

“Yes, this dress is worn too many times! It can’t compare to that of Lady Willson!”

Some people are so good at disparaging, the ridicule in and out of the words is particularly harsh.

Charlie didn’t care. They were all old ladies who had fallen into the soil up to half of their bodies. Now they have lost their savings for a lifetime, so he doesn’t need to exchange words with them.

Elaine was also very angry at this time, and the more Charlie looked at it, the more unpleasant she was. She blurted out: "Look at him, I'll let my daughter divorce him in a few days! Change her future with a new son-in-law!"

Charlie sneered in his heart. If you add the rich second generations of Aurous Hill in, it can't be compare with his half finger.

Elaine was anxiously worried at this time, Charlie was a waste, and at most he could shout slogans for her.

If she wants to invest back, she still needs someone with real ability to come and help solve it.

It's a pity that Wendell Jones's family who has been pursuing her daughter has gone bankrupt. Otherwise, She could ask them to help!

correct!

Elaine suddenly remembered that Gerald's brother, Fred, whom she met at the family banquet yesterday is her hope.

Judging from his attitude towards her daughter at the time, it is estimated that he had some thoughts about Claire.

Although the White family is not as good as the previous Jones family, it is still a big family. If she calls him over, there should be a way.

It just so happened that Fred White left his Business card yesterday, so she took her phone out and dialed Fred's number.

Chapter 25

The call got connected soon.

Elaine said, "Hey, is it Fred? This is Clair's mother."

Ever since Fred White saw Claire at the banquet, he was shocked as a heavenly man and never forgot about her.

He was worried that he had no chance to get close to Claire, and it happened that Claire's mother called herself.

He speculated that Elaine was in trouble, and of course he would not let go of this opportunity for courtesy.

So, he immediately greeted politely: "Aunt Elaine, is everything Okay?"

"Well, there is something Auntie needs your help for."

Elaine hurriedly said: "Fred, a few old sisters and I bought some wealth management products from an insurance company called Harley, and the wealth of the family has been invested in it, but now this company does not allow withdrawals. Can you find a way to help Auntie get the money back?"

After listening, Fred was overjoyed. He felt that it was time to perform and said confidently: "Auntie, don't worry, I will come to you now and I will definitely help you solve this matter!"

Elaine was immediately excited, and hurriedly said, "Thank you so much!"

Hanging up the phone, she looked at Charlie again and said angrily: "Some people don't have any abilities, just can't count on them. Besides shouting two slogans, what are they for? Utterly useless."

Charlie sneered after listening, this mother-in-law was really snobbish and blind.

She called Fred for help?

This company has defrauded at least tens of millions or more of funds. Those who dare to swindle so much money must have a very strong backing. It is even possible that they are bigwigs in the underground world.. How could Fred White let scammers spit out the money?

The White family's strength is very average. After the Emgrand Group ceased cooperation, its strength has shrunk even more. With the White family's background, it is basically impossible to interfere in such a large financial fraud.

In fact, this little matter can be solved immediately by calling Issac Craven from Shangri-La.

After all, he is the spokesperson of the Wade family in Aurous Hill, and any Aurous Hill entrepreneur or big figure in black and white must give him enough face.

However, my mother-in-law is really hateful. Since she believes in Fred White, let Fred White help her. Let's see what he can do for her.

When someone saw Elaine made a phone call, they immediately smiled, and immediately surrounded her and asked her if she had found any important figure to help them out?

Elaine proudly said to a group of old ladies and men around her "Don't worry, I asked the eldest master of the White family to come and help. Hey will make some calls, and our hard-earned money will be returned hopefully."

Someone exclaimed, "The eldest young master of the White family? Or sister, you are great, you can find such a great personality."

"Yes, then Young Mr. White must have a lot of contacts. To solve our problem, isn't it just a matter of a few words?"

"Sister, since you have such good contacts, why didn't you marry your daughter to someone like him, instead of giving your daughter to such a sh!t?"

Elaine glanced at Charlie disdainfully, and snorted coldly: "This kind of waste will be swept out by our Willson family sooner or later!"

Charlie didn't say a word, planning to wait for Fred White to come to see how he hit the wall.

Soon, a black Porsche slowly stopped in front of everyone.

A young man in a suit and leather shoes, with seemingly talented looks came out of the car.

Fred White is here.

The old men and women all around were sighing: “Oh, look at people, this is a young talent! Such a good son-in-law, I don’t know who’s daughter will be lucky in the future to be his wife.”
