

Chapter 2121

"Alright then!" Darryl nodded. He looked serious, but he secretly found the situation funny.

Darryl continued to say, "Let's get started."

"Alright!" Jasmine replied.

Under Darryl's vision, she turned her body around and removed her long dress slowly.

Darryl swallowed a mouthful of his saliva. A few seconds later, he walked over and started treating Jasmine.

In the beginning, Jasmine was really nervous, especially when she felt the warmth coming from Darryl's hand. She bit her lips hard as her body trembled. Soon, Jasmine started to smile as the pain from her body gradually disappeared.

Half an hour passed in no time.

"Great!" Darryl removed his hand and looked at her with a smile. "I've treated the irregular energy condition in your body."

Sigh!

Jasmine sighed in relief and could not help but feel grateful.

"Thank you, Mister Derby. You are an excellent doctor; I feel much better now," she said gently.

Bang! Bang! Bang!

Just at that moment, they could hear someone knocking on the door from outside. It stunned Darryl and Jasmine.

'Sh*t! Who is looking for me in the middle of the night again? Is it Snowy asking me to teach her about elixir production again?' Darryl grumbled as he furrowed his

brows slightly.

Darryl spoke in a calm tone, "Who's there?"

"Open the door," a cold voice replied from the other side of the door. They sounded cold and direct.

The past two days, Darryl had been really careful and tried not to cause trouble with Jackie. However, in Jackie's heart, she felt that something must not be right about Darryl. No matter what, a person that is so skilled in medicine but no one has ever heard of is really suspicious!

As such, Jacky had asked someone to investigate Darryl's medical family background secretly. Her disciples returned after investigating for two days with news that no such medical family existed.

After she received the news, Jackie was even more suspicious of Darryl's identity. Hence, she came in the middle of the night planning to question Darryl.

Darryl and the Sect Master's faces changed when they heard Jackie's voice. Sect Master's face looked especially worried and panicked.

'This is bad, I'm not properly dressed, and I'm alone with Mister Derby in a room in the middle of the night. If Jackie finds us, she would definitely misunderstand the situation,' Jasmine thought.

Darryl understood the Sect Master's feelings naturally.

"Oh it's you Elder Master. I'm already going to bed. If there's anything that you want, please come back tomorrow," he said.

At that time, Jackie looked frustrated. "Darren! If you are asleep, then get up and put on some clothes. Open the door for me; I have something to ask you."

Although she was not allowed inside, her voice was stern and showed no room for negotiation.

'Sh*t.' Darryl was annoyed in his heart when he heard her tone. 'This Jackie really thinks that I am her servant? That I must do what she asks me to do like get out of bed and open the door?'

Darryl said coldly, "Elder Master, I am going to bed. My clothes are too dirty and can't be worn again. It is really not convenient now."

Chapter 2122

"Stop speaking rubbish. I will barge in if you don't open the door." Jackie was too lazy to speak further.

The more Darryl refused to open the door; the more suspicious Jackie was of him.

Sigh!

Darryl was at his wit's end as he turned his head and said to the Sect Master, "Sect Master, what shall we do?"

"Shush!"

At that moment, Jasmine put her finger to her mouth, motioning for him to be silent. "Shush!"

She was nervous and full of mixed emotions. "Don't let her know I'm here. She will definitely misunderstand as it's really late at night."

Jasmine turned her body and climbed up the bed. She then pulled the blanket and covered herself.

Seeing that, Darryl was not sure whether to cry or laugh. 'This Sect Master really cares about her reputation. She climbed into my bed just to avoid being misunderstood by Jackie.'

Bang!

Just as Darryl was in deep thought, the room door was suddenly kicked open. Then, Jackie walked in with an ice-cold expression.

"Darren!" she shouted as she walked in.

Jackie checked out Darryl and tried to suppress her anger as she said coldly, "Didn't you say you were resting? You said you weren't dressed. So why are you still dressed so tidily; what is your explanation?"

As she said that, Jackie's exquisite face looked extremely cold.

'How dare Darren lie to me, this is terrible!'

Darryl smiled bitterly as he opened his mouth to explain, "Elder Master, I was really resting, but didn't you force me to open the door? I just put my clothes back on!"

Darryl pretended to be curious, "Elder Master, why are you looking for me so late at night? Are you not feeling well?"

'What is going on today? First, the Sect Master came to look for me on her own, now Jackie is here. It couldn't be because she is having her period too right?'

Jackie did not want to speak further as she looked closely at Darryl and asked, saying each word clearly, "Darren, who are you really? Tell me honestly!"

Her tone was strong and undeniable.

When he heard that, Darryl was shocked, and then he smiled. "Didn't I tell you who I am before? My ancestors were from a medical family, and their reputation declined later—"

"How dare you lie to me, Darren!" Jackie interrupted before he could finish speaking. "I sent someone to investigate. There is no medical family with the last name Derby from the Yellow Sea Continent."

Her eyes were filled with doubt and coldness. "Tell, who you really are?!"

Darryl was shocked and became nervous at that instant.

'Jackie is really careful. She even got someone to investigate my background secretly.'

At the same time, Darryl felt funny in his heart.

'Ha-ha...I said I am from a medical family but it does not exist at all. Of course, you won't be able to find anything.'

Darryl replied seriously, "Elder Master, South Cloud World is my hometown. Besides, my ancestor family had disappeared a hundred years ago, so naturally you will not find anything on the Yellow Sea Continent."

When he said that, Darryl carefully observed Jackie's reaction.

In order not to let Jackie be suspicious of his real identity, Darryl did not mention the fact that he came from World Universe, but he said his hometown was at South Cloud World instead.

Jackie was stunned for a while as she glared at Darryl. She asked. "What are you talking about? You are not from the Yellow Sea Continent? Then why did you come here from so far away? Did you trespass into the forbidden land of Sun Set Sect intentionally? What is your motive; tell me now!"

Jackie was becoming more and more impatient as anger burned inside of her.

'Darren's words are getting more and more ridiculous!' she thought.

Chapter 2123

Sigh!

Darryl did not panic at all when he felt Jackie's anger. He sighed lightly and said slowly, "Elder Master should have heard a few days ago that Yang Jian from the North Moana Continent led his grand army to attack South Cloud World, causing all the people to suffer. I could not stay any longer in my hometown, so I came to seek refuge at Yellow Sea Continent. I trespassed the forbidden land of Sun Set Sect by mistake."

When he said that, Darryl looked frustrated, as if he was really there to seek refuge.

When she heard that Jackie took a deep breath and was doubtful when she asked, "Really? You didn't lie to me?"

Darryl's speculation was right. Jackie would not have sent anyone to South Cloud World to investigate his background. However, she was not fully convinced by Darryl's words.

When she thought about it thoroughly, the North Moana Continent did attack the South Cloud World, and she heard that many people lost their homes. People had left South Cloud World to seek refuge elsewhere.

"Everything I said is true. Besides, I have no vengeance with you; why would I lie to you?" Darryl smiled bitterly as he replied.

Seeing Darryl's sincere expression, Jackie nodded. "I'll believe you for the time being, but, you must be honest in the future as long as you are at Sun Set Sect."

Darryl nodded his head immediately. He looked sincere, but he was smiling in his heart.

'Ha-ha! Even though Jackie is strong and powerful, she

doesn't have much life experience. I just need to say a few sentences and she is fully deceived,' he thought.

Jackie did not want to speak further. She turned around and was about to leave.

Sigh.

However, right at that moment, the Sect Master who was hiding under the blanket sighed gently. She was too nervous before, so when she realized Jackie was about to leave, the pressure in her heart dropped, and she sighed in relief discreetly.

What she did not know was that Jackie was still not too far away.

Hearing the sound of a sigh, Jackie turned back around and looked directly at the bed.

The next second, Jackie stared angrily at Darryl and shouted, "How dare you, you despicable person. Are you hiding a Sun Set Sect female disciple in your bed? Hand her over now!"

In the entire Sun Set Sect, there were no other outsiders apart from Darryl. The sound of someone sighing just came from his bed, and it was obvious something was not right there.

In Jackie's heart, Darryl was deviant when he peeped at her in her bath. As such, whoever was in his bed must be some female disciple he abducted with evil intentions.

'I am the Elder Master of the Sun Set Sect; how can I allow such a thing to happen?' she thought.

'Sh*t!' At that moment, Darryl could not cry or laugh. He glared at the bed from the corner of his eyes, feeling very frustrated.

'Couldn't the Sect Master just hold it a little longer?' he thought.

Darryl smiled and said to Jackie, "Elder Master, you have misunderstood. There is no one in my bed; you heard wrongly."

Darryl knew that the Sect Master did not want Jackie to see her and was worried that Jackie might misunderstand the situation. That is why he tried to help the Sect Master by covering for her.

However, the more Darryl did that, the more suspicious Jackie was.

'Heard wrongly?' Jackie was furious but laughed.

"Darren, you think I'm still a three-year-old child that you can lie to so easily?"

Jackie went directly towards the bed so fast that Darryl did not have time to react at all.

The next second, Jackie quickly lifted up the blanket.

Once she saw what was in front of her, Jackie's body trembled instantly. Her face had mixed emotions.

She saw the Sect Master curled up on the bed, blushing alluringly, after being trapped under the blanket for so long.

Chapter 2124

Finally, Jackie regained her thoughts as she locked her brows and looked at the Sect Master as she said, "Why are you here? Darren and you..."

Jackie had mixed emotions. Although Darryl was highly skilled in medicine, he was still only a doctor. There was nothing worth taking a second look at him.

At the same time, she firmly believed that the Sect Master had similar high standards too, so she would definitely not fall for a man so easily.

However, Jackie could not imagine that the Sect Master, who was like a sister to her, would fall for a man like Darren and go on a date with him in his room in the middle of the night. Besides, their relationship had developed to such an intimate stage.

Given the current situation, anyone would be suspicious. Sect Master was not properly dressed, and she was lying in Darryl's bed. Darryl had also repeatedly refused to open the door.

"It is obvious, both of them were having sex," she thought, blushing.

"Sister, since when did you and Darren get together? You can tell me if you really like him; you don't have to hide like this. Both of you aren't married; it's not right for you to be doing this," she asked.

She had a close relationship with the Sect Master, so they always addressed each other as sisters.

"I..." noticing Jackie's conflicted feelings, Sect Master bit her lips as she blushed. "Sister, you've misunderstood the situation. Mister Derby and I are not—"

At that moment, the Sect Master was panicking and

extremely worried. She was interrupted by Jackie before she could finish speaking.

Jackie squeezed a smile and waved her gentle hands. "Alright, you don't have to explain further. Sister, a man and a woman, falling in love of their own free will is the most ordinary thing in the world. You don't need to be shy about it. Besides, I am not a conservative person."

Jackie's stare landed on Darryl as she spoke coldly, "Darren, since you have an intimate relationship with my sister, I will not speak any more."

"Oh..." Darryl felt awkward as he squeezed a smile and scratched his head. "Elder Master, you really have misunderstood. There is nothing between the Sect Master and I."

At that moment, Darryl felt extremely embarrassed. 'Sh*t, she's got the wrong idea. We need to clear things up immediately.'

When she heard that, Jackie's face changed immediately. She stared at Darryl with a murderous gaze.

"How dare you, Darren! Are you asking for death by saying so?" Jackie said coldly, her anger boiling.

When she said that, Jackie was holding the Evolving Murder Machine in her gentle hands, and she looked as if she would attack at any time.

From what she saw, both of them must have had sex. Sect Master denied it because she was a woman and ashamed. However, Darryl, as a man, should not have denied it. Where was his sense of responsibility? How terrible was he?

Seeing the Evolving Murder Machine. Darryl furrowed his brows discreetly. 'Jackie thinks I had a sexual relationship with Sect Master. I'm in trouble.'

Darryl smiled bitterly as he said, "Please don't be angry,

Elder Master. The thing about Sect Master and I, is a long story. Why don't we let Sect Master explain it properly to you?"

'Since Jackie has already misunderstood, there is no point for me to speak further. It will be better to calm her down first.'

As he spoke, Sect Master bit her lips and said to Jackie, "Yes, Sister, don't be emotional. Mister Derby was right; there is another reason for why I'm in his room. It was because my body was not feeling well; I asked Mister Derby to treat me. That is why—"

Jackie interrupted her before she could finish.

"He was treating your body in bed?" Jackie had to suppress her smile as she questioned.

The Sect Master's exquisite face was blushing, and she did not know what to say. How could she explain what happened?

At that moment, the Sect Master was distraught.

Jackie sighed lightly and said to the Sect Master, "Alright! Don't bother explaining further. I can already guess what actually happened. I always treated you as a sister. Since I came across this situation, it's my responsibility to make things right. Although the love of man and woman is the most natural thing in the world, you can't do this so casually."

Jackie turned to look at Darryl as she said coldly, "Darren, it seems like my sister likes you very much."

Jackie grew up together with Sect Master and knew her well. For many years, she had not seen the Sect Master care about a man so much. Furthermore, Sect Master was worried Jackie would kill Darren that day.

Under such circumstances, Jackie firmly believed that Sect Master and Darryl were having an intimate relationship.

Otherwise, the Sect Master would not have been so worried.

Darryl scratched his head and smiled bitterly.

o

Chapter 2125

Jackie looked at Darryl and continued to speak, "Since my sister loves you so much, I won't separate you on one condition that you must agree to something. Otherwise, I will kill you, even though my sister will blame me."

Darryl was shocked and squeezed his brows discreetly. 'What does Jackie want now? This has nothing to do with you even if Sect Master and I are in a relationship. Fine, let's see what she really wants.'

Darryl squeezed a smile and asked Jackie to continue to speak.

When she saw Darryl was not objecting to her condition, Jackie mellowed out her tone and said clearly, "My condition is simple. From today onwards, you will only love her wholeheartedly, and always stay by her side at Sun Set Sect forever."

When he heard that, Darryl was stunned and always jumped. 'I can't leave the Sun Set Sect for the rest of my life? Wouldn't that make me a live-in husband? There's nothing between Sect Master and I; why do I need to stay with her forever?'

At that moment, Sect Master blushed terribly. She stomped her feet in worry. "Sister, my relationship with Mister Derby is not like what you have imagined. Actually we—"

Sect Master knew what Jackie did was for her own good.

'However, this is a misunderstanding, Mister Derby and I cannot continue with this misunderstanding and act like this is real,' she thought.

Jackie waved her hands before waiting for her to finish speaking. "It's alright Sister, I know you're too shy to admit it as you need to uphold your reputation. You don't need to

explain further!"

Jackie looked at Darryl and continued to say, "However, if this is a complete misunderstanding, I shall kill Darren right here."

Jackie was a determined person; she would never let matters go unfinished.

'If this really is a misunderstanding, then Darren needs to die. No matter what, he had peeked at me in the bath. That itself was an executable offence. And, he looked at Sect Master's whole body tonight. How can I just forget about it and ignore this. What about my reputation?' she thought.

When she heard that, the Sect Master bit her lips and became silent.

'If she knew that this was a misunderstanding, given her character, she would not let Mister Derby go.'

Sect Master regretted everything at that moment. If she knew this earlier, she would not have hidden under the blanket, but she would have asked Mister Derby to open the door immediately instead.

Jackie did not speak further when she saw Sect Master's silence.

The next second, Jackie stared at Darryl closely and said, "Darryl, there is a limit to my patience. If you agree to my condition, I shall announce to everyone tomorrow about your position as the Lord Master of Sun Set Sect. Don't blame me for being cruel if you don't agree."

When he heard that, Darryl's mind was spinning. His mind went blank, and he stared blankly at the Sect Master. He was lost for words.

'If I agree, I'll become the Lord Master of the Sun Set Sect? I'll be at the same level as Jackie and Sect Master. On top of that, I'll become Sect Master's husband? This is a surprise.'

'Sect Master is beautiful and it would be amazing to be with a woman like her, but I need to look for Debra. There are also a lot of matters in the World Universe that I need to deal with. How can I stay here forever?' he thought.

Sect Master trembled and blushed, feeling frustrated.

Jackie lost her patience when she saw Darryl was silent. "Darren, have you considered it properly?"

Darryl gathered his thoughts and smiled bitterly as he said, "Since the Elder Master has decided, it would be silly of me to object. Alright, I agree to your terms."

Darryl gave a signal with his eyes towards the Sect Master.

He did not want to reply, but if he objected, he would have to fight Jackie. His power would then be exposed, and his identity revealed.

Jackie nodded in satisfaction when she saw Darryl had agreed. Then, she smiled at Sect Master, "Alright, I won't disturb you both anymore. I'm going to rest."

Chapter 2126

After she spoke, Jackie turned her body and left the room. Jackie turned and left the room.

Sigh!

At that moment, Darryl sighed in relief discreetly. 'Sh*t, Jackie finally left.'

At that moment, the Sect Master was upset as she looked at Darryl. "Mister Derby, why did you agree?"

'Although Mister Derby's is highly skilled in medicine, I don't like him. How can I be his woman? This is ridiculous,' she thought.

Darryl laughed bitterly and explained, "Sect Master, I'm just going with the flow. You should have seen the situation earlier. The Elder Master will definitely kill me if I object."

Then, he suddenly remembered something and said, "Elder Master already misunderstood the situation. If I stay, it would only make the misunderstanding worse. Why don't you just let me leave, then you can properly explain it to her."

He looked serious as he said that as he was filled with anticipation. 'She cares so much about her reputation, she definitely won't ask me to stay.'

As he expected, Sect Master nodded and said, "That's the only way. I'll make the arrangements now and I'll let you leave before dawn."

She was reluctant to let him go as his medical skills were amazing. However, she had no choice. If she let him stay, he would have to be her husband. Although she did not have a bad impression of Darryl, she did not want to settle with this relationship.

She left after she spoke.

Darryl could not hide his excitement as he saw her leave. 'Finally I can leave.'

Soon, the Sect Master returned, and she had changed her clothes intentionally. "Let's go. I will send you out.'

Under normal circumstances, Darryl could leave with just Sect Master's orders. However, this situation was a little different. At that moment, she did not want Jackie to misunderstand Darryl and herself further. If she were to give the order to let Darryl leave, Jackie would know about it easily.

Just to be careful, Sect Master decided to send Darryl away from the Sun Set Sect on her own.

Darryl nodded his head and walked out with Sect Master,

At that moment, the Sun Set Sect was completely silent and the night breeze was blowing gently, making it cool.

When they were about to arrive at the main entrance, the Sect Master hesitated slightly as she said softly to Darryl, "Mister Derby, if the misunderstanding has been cleared, will you return to the Sun Set Sect in the future?"

Although the Sect Master was not really fond of Darryl, she felt reluctant in her heart suddenly when she thought about the fact that Darryl was about to leave.

Darryl scratched his head and smiled as he said, "Sect Master, you are kind to me. I will definitely return if there is a chance in the future."

As he spoke, both of them walked out of the main entrance.

At that moment, Darryl took a deep breath and smiled at the Sect Master as he said, "Thank you, Sect Master, for sending me here. We shall meet again."

Darryl was about to leave when Sect Master replied softly with mixed emotions, "Fine."

Suddenly, a few female disciples were carrying a body from the direction of the Holy Lake and were walking over quickly.

Sect Master lifted her brows gently and walked over slowly as she asked, "What is going on?"

She looked at the woman they were carrying, and she was stunned instantly.

What a beautiful woman.

At that moment, Darryl, who was about to leave, saw the situation beside him. His body trembled at that instant; he was shocked but delighted.

He saw the woman that the Sun Set Sect disciples were carrying was indeed Debra.

The only thing was Debra's condition was not too good. Her face was pale, her eyes shut tightly, and she was unconscious.

Chapter 2127

'Debra!' Darryl thought, feeling emotional and that his heart was aching.

Debra lost her memories and was venturing into the world on her own. She must have suffered a lot. He did not expect to see Debra there!

At that moment, the leader among the female disciples replied to the Sect Master respectfully, "Here's a report, Sect Master! We were patrolling around Holly Lake earlier, and saw this woman fall from a cliff. From the looks of it, she was being chased by someone, so we brought her back with us."

When she heard that, the Sect Master nodded silently. She looked at Darryl, who still had not left. She was stunned at that moment and asked curiously, "Mister Derby, why aren't you leaving?"

However, Darryl did not reply as he looked at Debra deeply, feeling extremely guilty and sad.

Feeling something not right about Darryl, the Sect Master could not help but ask, "Mister Derby, do you know this woman?"

This time, Darryl came to his senses and replied with a smile, "I know her; she's my friend."

When he said that, Darryl's heart felt extremely conflicted.

Debra lost her memory and had completely forgotten about him. He could only say they were friends. At the same time, he felt extremely excited.

'Today is my lucky day. Not only can I leave the Sun Set Sect, but I found Debra too,' he thought.

"If that is the case..." Sect Master hesitated as she bit her lips. "Then, you can leave together with her."

'Although the woman's condition is not good, Mister Derby's medical skill is really great, and she is his friend. He will definitely be able to cure her,' she thought.

At that moment, the few female disciples were stunned.

'Didn't Sect Master let Mister Derby stay to help treat the chill poison in her body? Besides, Elder Master needs him to cure her injury too. Why is she letting Mister Derby leave all of a sudden?' the female disciples thought to themselves.

They had a lot of doubts, but they dared not ask questions.

"Yes, thank you Sect Master," Darryl nodded and replied gratefully. He was about to walk over to carry Debra.

"What is going on here?" a clear voice coming from the main door said.

Then, Jackie walks towards them slowly.

Jackie was wearing a long, dark dress and looked beautiful under the moonlight. However, her body was releasing an intimidating aura.

She was about to go to rest when she heard the disciples rescued a woman near Holly Lake. That is why she came to take a look.

Darryl's heart trembled when he saw Jackie. He was extremely frustrated.

'Sh*t, I will not be able to leave now,' Darryl thought.

At that moment, Darryl wanted just to carry Debra and leave immediately. However, by bringing someone, he would not be able to run very fast if he brought someone. Jackie would be able to catch up to them quickly.

Darryl dared not act recklessly in order to avoid getting Debra injured further.

At that moment, the Sect Master's face was filled with

frustration too.

'If Mister Derby had left just now, he would be long gone already. Now he is being delayed by this woman and looks like he will not be able to leave even if he wanted to.'

At that moment, Jackie walked in front of them and looked at Debra, who was still unconscious. She spoke calmly, "This is the woman you all rescued from Holly Lake?"

When she said that, Jackie's face looked calm, and there was no emotion on her face. However, her eyes were filled with envy.

'What a beautiful woman. She's just like a fairy.'

Jackie had always been confident in her own appearance. However, she became jealous when she saw Debra.

At that moment, Jackie still did not know that the woman in front of her was not only Darryl's woman, but she was also the Sect Master of the Artemis Sect of the Great East. She was a famous and talented woman.

Sect Master nodded her head and glanced at Darryl as she smiled, "This is the woman. Coincidentally, this woman is Mister Derby's friend?"

'Friend?' Jackie became curious.

She stared at Darryl and asked, "Is that true?"

Gulp!

Darryl was not sure why, but his heart became unsettled when Jackie stared at him in such a manner. He could not help but swallow his saliva as he smiled and nodded. "Yes, I haven't seen her in a very long time. I didn't expect to bump into her here."

"If that is the case, bring her back to the Sect then," Jackie said calmly and turned around to return to the main altar.

Darryl sighed discreetly and had no choice but to follow

behind.

Chapter 2128

Soon, they arrived at the main hall. Darryl started to treat Debra's injuries under everyone's watchful gaze.

The truth was, Debra had sustained no injuries on her body and fainted due to over-exhaustion.

Darryl investigated Debra's condition and asked Snowy to bring a Healing Heart Pill. The Healing Heart Pill relieved exhaustion and restored energy. There were plenty of special flowers and herbs at Sun Set Sect that made it really easy to produce a Healing Heart Pill.

After consuming the Healing Heart Pill, Debra moaned softly and started to regain consciousness. She looked around and saw Darryl as well as everyone from the Sun Set Sect.

Her exquisite face was filled with doubt, and she became cautious. "Who are all of you? What is this place?"

At that moment, not only Jackie and the Sect Master, but the female disciples too, were completely stunned. They looked curiously at Darryl.

'Didn't Mister Derby say that this woman is his friend? But why could not recognize him?' they wondered.

At that moment, Darryl felt extremely awkward. He looked at Debra and could not cry or laugh.

'I almost forget that not only did Debra lose her memory, but I changed my appearance too. Of course, she wouldn't recognize me,' he thought.

Darryl said to Debra gently, "Debra, how are you feeling? Don't worry, this is the Sun Set Sect. Everyone here is kind and no one will harm you."

He looked at Debra full of compassion as his heart ached terribly.

She fainted from exhaustion; she must have suffered a lot during that period of time.

Debra lifted her brows slightly; she had not heard about the Sun Set Sect before. She looked at Darryl with caution. "Who are you? How do you know my name?"

Darryl had changed his appearance, so of course, Debra would not recognize him.

As she spoke, the entire main hall was in an uproar.

Jackie furrowed her brows and questioned Darryl, "Darren, what is this all about? Didn't you say she was your friend? Why can't she recognize you?"

Jackie could not help but glare at Sect Master, feeling this was unfair for her.

'Darren must have thought this woman was beautiful so he claimed she was his friend. I really don't know what my sister is thinking; how can she fall for a man who loves many women.'

At that instant, Sect Master and the female disciples stared at Darryl. Everyone was waiting for his reply, their eyes shining with mixed emotions.

Darryl said she was his friend, but the other party did not even recognize him. That was really suspicious.

Darryl scratched his head and explained as he smiled bitterly, "Elder Master, please don't misunderstand. This is my friend; her name is Debra Gable. She had an incident earlier that caused her to lose her memory. This is why she can't recognize me."

He had a bitter smile on his face, and his heart was filled with regret.

'Debra lost her memory. It was all my fault. I must compensate her properly.'

When they heard that, everyone looked at each other with mixed emotions. His reply sounded half-hearted.

At that moment, Selena stepped out from the crowd. Her vision was filled with contempt as she said to Darryl coldly, "Darren, stop talking rubbish here. This beautiful lady looks intelligent, and she does not look like someone who has lost her memory. In my opinion, you know her, but she doesn't know you."

Selena looked around, then continued to speak with a ridiculous tone, "You insist that she is your friend because you saw she is beautiful, and was unconscious. So you wanted to take advantage and had evil intentions, am I right?"

When she said the last sentence, Selena grinned coldly as she looked at Darryl with contempt.

Although she was the Sun Set Sect Senior Sister, she was a very calculative person. When Darryl first arrived at the Sun Set Sect, he was arrogant, and Selena was upset about that. During the production of the Yang pill, Darryl had beaten her in it. All those instances humiliated her. On top of that, the incident where Darryl peeked at Jackie during her shower was concluded as a misunderstanding, but Selena felt her hatred for Darryl grow.

For the past few days, she had been trying to find ways to cause trouble for Darryl. However, due to Darryl being busy curing Jackie and Sect Master's injuries, his identity became more special. Besides, there were disciples guarding Darryl, so Selena just could not find the opportunity.

Selena suspected Darryl had evil intentions, so naturally, she would not waste a perfect opportunity to reveal Darryl's real identity.

Hearing Selena's words, the few female disciples nodded their heads in agreement.

"Senior Sister is right. This ordeal is just too unusual; Mister Derby must have an intention behind it."

"This is unexpected. Mister Derby's medical skill is so great, but his character is..."
