

The Charismatic Charlie Wade Chapter 2433

Chapter 2433

As he got closer to the scheduled tunnel, Shred's heart became more and more nervous.

For him, victory or defeat is only one move.

Therefore, he kept praying in his heart: "God, I, Shred, never begged anyone in my life, now I beg you to show your spirits, and bless me everything goes smoothly today!"

"If it goes well, after I finish solving this bunch of mother and daughter, God, you only need to save me an hour to escape!"

"One hour is enough for the Su family to arrange my escape!"

"At this time tomorrow, I will have changed my identity and start a new life abroad!"

Thinking of this, Shred was also excited and intolerable deep in his heart.

At this moment, Liona and Zhiyu were sitting in the back row of Rolls-Royce, and the mother and daughter were a little nervous deep in their hearts.

Zhiyu's heart has been highly tense. Seeing the vehicle driving into the mountain, she felt a kind of inexplicable panic. It seemed that something was wrong, but she couldn't think of what was wrong.

Liona realized that Zhiyu next to her was a little uneasy. In order to prevent her daughter from being overly frightened, Liona held her hand tightly and gave her a look of encouragement from time to time to let her relax as much as possible.

Zhiyu found it hard to relax. She couldn't help but ask, "Where are you taking us?"

Shred didn't look back, and said coldly, "Don't worry about where you go, just sit in the car!"

Zhiyu continued to ask, "Then when will you let us go?"

Shred held the steering wheel in one hand and dangling around with the gun in the other. He said impatiently, "When will I let you go, or if I want to let you go? It all depends on my mood. If you are honest Just sit and don't talk so much nonsense, I may still keep you alive, but you keep asking questions, and I will have to kill you now!"

Liona knew that Shred didn't blink at killing, so she immediately scolded Zhiyu and said, "Zhiyu! Shut your mouth and stop talking!"

Zhiyu had to be obedient and closed her mouth.

However, she became more worried, and the premonition of something wrong became stronger and stronger.

She carefully searched all the details in her brain, hoping to find clues that she had overlooked.

A few minutes later, a detail suddenly appeared in her mind.

She thought of Shred's cell phone answering a call when she was in Treasures Pavilion!

Moreover, it seems that he took out his cell phone and sent information to someone.

This detail made her nervous!

"A wanted criminal who has fled all over the country for a long time. When he was rounded up alone, why did he still have the energy to call and send information to others, and his call took a long time?"

"Even if the people who were calling him and sending messages were his family members, it is difficult to explain the past, because normal people will use the fastest way to tell their family members that they are busy, and then hang up quickly. It's impossible to talk directly on the phone at length."

"Because, since he has a mobile phone and can communicate with his family at any time, he can communicate anytime and anywhere. If it is not important, there is no need to distract from communicating with family members at such a critical moment. It is easy to be distracted. One's attention, influence business affairs, especially important matters related to his life safety."

"It's like a doctor. When focusing on performing surgery on patients, it is absolutely impossible for him to bring his mobile phone to call or send text messages to his family. This will cause great interference to his work, and a little carelessness will cause serious problems, as a result of."

"It would be understandable if Shred had just embarked on the road of crime and had insufficient experience, but he is a wanted criminal who has fled for a long time and evaded the law enforcement. He should have strong anti-reconnaissance awareness. Such people should not make such low-level mistakes. "

"So, whether the person calling or texting with him is his family member or not, the other party communicating with him must be a very important thing!"
