

The Charismatic Charlie Wade Chapter 2447

Chapter 2447

As soon as Charlie said this, Stuart and others trembled almost immediately!

They didn't understand why the man in front of them was so vicious and wanted to torture them with African hyenas. Is he still a human being, how can he be so cruel?

As a result, one of them couldn't bear it immediately, and cried and said, "I'll say! I'll say all!"

It didn't matter what he said, the other two people around him also hurriedly expressed their opinions: "I'll speak too!"

Charlie nodded in satisfaction: "Okay, the three of you have this attitude. I will give you time later to explain in detail a little bit."

After speaking, he looked at Stuart and sneered, "It seems that your bones are very hard. I wonder if the African hyena can chew it?"

As soon as the voice fell, Charlie laughed self-deprecatingly: "Look at my memory. I forgot that African hyenas don't like to chew bones. They like to find a weak spot from their prey, and then use their teeth to attack that spot. It depends on whether you can hold it."

Stuart's face was as pale as paper, and he was frightened, he also hurriedly cried and said, "I'll say it! I'll say it all! Please be merciful..."

Charlie sneered, clicked on the phone's video recording, re-recorded a new video, and said, "Come on, let's introduce yourself first, and then elaborate on who is directing you to do this?"

Stuart endured the pain all over his body, and said: "I...My name is Stuart...I am from the Su family, the captain of Chengfeng's personal bodyguard, and I have been acting for him. For nearly twenty years, this time, I came to this city to assassinate Chengfeng Su's eldest daughter-in-law, Zynn Su's wife, Ms. Liona..."

Charlie asked again, "Why did the old dog Chengfeng assassinate Liona?"

Stuart's frightened eyelids throbbed wildly, and he thought to himself: "This guy...where the hell does this guy come from...at all, he doesn't put the aloof Old Man Su in his eyes at all, and he said openly about him. It's an old dog, this...Is this guy really not afraid of death?"

However, doubts turned to doubts, Stuart now dare not disobey Charlie in any way.

Therefore, he could only vainly say, "This...this is because...Chengfeng is very dissatisfied with Liona. He feels that Liona is going to divorce Zynn at this time when the Su family fell into the pit..."

"What makes him even more unacceptable is that Liona actually came here at this time to cherish the memory of Mr. Changying Wade of the Wade family, and even participated in public auctions to bid for the old house where that man lived..."

"Chengfeng felt that Liona had seriously damaged the reputation of the Su family, leaving the family dull and shamed, so he had the idea of cleaning the door..."

Charlie asked again, "So how did Chengfeng plan the whole thing?"

Stuart said hurriedly: “Chengfeng wanted to follow the European royal family’s method of assassinating the well-known princesses by creating a car accident and killing Liona. So he found Shred and asked Shred to play a scene of being hunted down. Then he took the opportunity to hold Liona and let me in planning a car accident in the tunnel and killing Shred and Liona directly...”

Charlie sneered, “Oh? So, in order to kill Liona, this old dog, Chengfeng, deliberately ordered Shred to tie up explosives on his body and took hundreds of people hostage?!”
