

The Charismatic Charlie Wade Chapter 2449

Chapter 2449

Stuart almost collapsed.

He didn't expect Charlie to be so ruthless. He wanted to use this matter to directly blow up the reputation of Old Su and the entire Su family.

He can already foresee how infamous the Su family will be once this incident is exposed!

This may be a huge catastrophe that the Su family has not encountered in decades!

He subconsciously said, "You...you can't reverse right and wrong like this..."

Charlie sneered and said, "Are you still worrying about your master now? Don't worry, I will delete the content you just used to excuse Chengfeng old dog, and then publish the video. Then, the reputation of the Su family will be in the cesspool, you also have a contribution to this."

Stuart was ashamed.

Charlie ignored him and said to Issac, "Send these four guys secretly to Orvel's kennel for strict supervision."

Issac nodded immediately: "Okay, Master, I will urgently call two more helicopters and they will be there soon."

Charlie said, "Also tell Orvel, I will pay him 30 million in cash later. This money will be reserved for him to transform the entire kennel. The scale of the kennel will be expanded, the internal facilities will be strengthened and upgraded, and more importantly, a complete set of underground kennels should be built in the ground of the kennel. His kennel should also be expanded in scale and become an industry. It needs urgent upgrade now!"

Issac couldn't help laughing out loud.

He understood what Charlie meant. He said it was to upgrade the kennel. In fact, the main reason was that Charlie was sending too many people.

If it is not upgraded, there will be more people on the kennel than dogs.

So he immediately said, "OK young master, I know, I will explain it to Orvel later."

At this time, another eight men in black with live ammunition rushed in and came to Issac's face and said respectfully, "Master!"

Issac nodded and hurriedly told them: "You guys, tie up these four dogs one by one, take them out, and send them to Orvel's kennel first!"

"OK, Master!"

Several people responded and immediately tied Stuart and other people like a grasshopper and led them out.

Except Issac, everyone else left the tunnel. Charlie had already arrived at the Rolls-Royce car at this time. Seeing Zhiyu and Liona who were in a coma due to serious injuries in the car, he sighed helplessly.

Issac sighed when he heard him, and hurriedly stepped forward and asked, "Master, are you sighing because the two of them could not be saved?"

Charlie shook his head: "I sigh because they still can be saved."

Issac asked puzzledly, "Master, since they can be saved, why do you still sigh?"

Charlie sighed, "Hey, I sigh because I wanted to save Zhiyu again. This is the second time I saved her life."

Charlie said again, "I saved her twice, saved her brother once, saved her half-sister once, Zynn that b@stard, there are three children in total, three children and mother saved four times, you say, what the h3ll is this?"

Issac also said helplessly: "Master, I believe you must also feel that the crime is not as good as your children. Although the older generation of the Su family is not a good thing, Zhiyu is indeed different from them."

Charlie shook his head: "I actually have no contact with her, and I don't know much about it. I don't have any idea whether she is the same as Chengfeng and Zynn."

Issac said earnestly: "Master, Zhiyu has a good reputation in the city, she is talented and extremely studious, and she is humble. She has never put on the airs of a rich second generation. As Su's parents' granddaughter's identity has bullied anyone, you can save her."

Charlie nodded: "I hope so."

As he said, he took out a rejuvenating pill from his pocket, divided it into two, and stuffed it into the mouths of the mother and daughter respectively.

The mother and daughter were already about to run out of oil, but as half of the rejuvenating pills were taken in, their bodies immediately began to recover quickly.

Charlie felt that the aura of the two became stronger and stronger, and he was also felt relieved.
