

The Charismatic Charlie Wade Chapter 2479

Chapter 2479

This woman is the most popular young actress, Zeena.

People in the entertainment industry know that there is a super powerful gold master behind Zeena, but most people don't know who this gold master is.

Since playing with Shoude, Zeena's resources in the entertainment industry are so good that all actors are envious to death.

Other actresses, with good resources, usually have the opportunity to appear in some larger movies and TV series every three to five.

Those actresses with good resources can make an annual drama by a well-known director every year.

Actresses like Zeena with extremely good resources generally don't have to do anything. The sponsor behind her will spend money to invite the best director, the hottest actor, and the hottest supporting role to play around her. A scene completely tailored for her alone.

Others can burn incense and worship Buddha in a drama with an investment of hundreds of millions, thanking God.

And she, it was Shoude who directly took several hundred million, and invited a bunch of big names in the entertainment industry to come and serve her.

Mixing in the entertainment industry in this way can be said to be earth-shattering.

It is precisely because of Shoude's energy in the entertainment circle that Zeena is obedient to him.

No matter where she is or what she is doing, as long as Shoude makes a call, she will fly to accompany him no matter how far away, and take care of this super gold master.

Shoude's assistant directly invited Zeena into the elevator, and then used the elevator administrator's key to adjust the elevator to the state of manual control, and directly let the elevator go to the top floor.

As long as the manual state is adjusted inside the elevator, it will be useless for anyone outside to press the elevator on any floor, and the elevator will not stop.

Within dozens of seconds, the elevator came to the top floor of the hotel.

As soon as the elevator door opened, the assistant could not wait to step forward and respectfully said, "Miss Zeena, please come with me!"

Zeena also hurriedly followed. While walking quickly, she raised her wrist and looked at the limited edition Richard Mille worth tens of millions on her wrist.

At this time, there are still about forty seconds before the ten-minute deadline Shoude gave.

Zeena breathed a sigh of relief, and forty seconds was enough to go to Shoude's room.

Although even if she is late for a few minutes, he might not be angry, but Zeena still did not dare to let him have any dissatisfaction with her.

She knew that serving Shoude well was the most important thing for her right now.

When she came to the entrance of the presidential suite, the assistant pressed the doorbell and whispered, "Boss, Miss is here."

There was no response from the room.

The assistant rang the doorbell again, but there was still no movement in the room.

He turned around and said to Zeena, "The boss may be taking a bath, wait a minute, I will press it again."

Zeena hurriedly said, "Let me call him!"

After speaking, she immediately took out her cell phone and called Shoude.

Soon, the phone ringing was faintly heard in the room, but not only did Shoude not answer the phone, there was no other sound in the room.

The assistant's expression froze for a while, and he blurted out nervously, "Sorry! It's probably something wrong!"

"Something happened?! What happened?!"

When Zeena heard this, she was shocked.

The assistant hurriedly said, "I don't know exactly what happened, please wait a moment!"

After that, he immediately took out his cell phone, made a call, and said in a low voice, "Here, you come soon, the boss may have something wrong!"

Five seconds later, the doors of several rooms near the elevator entrance opened almost at the same time.
