

# The Charismatic Charlie Wade Chapter 2495

## Chapter 2495

As the daughter of Zynn, Ruoli's heart is naturally thicker than water.

However, she couldn't help but murmured in her heart: "I owe Master Wade my life, and Master Wade gave me a great opportunity to grow my martial arts strength rapidly. I will be obedient to him in order to repay his kindness."

"If the father really bears the unshirkable responsibility for the death of Master Wade's parents, then if Master Wade wants to seek revenge from him, I will naturally have nothing to say..."

"So, I can only hope that the death of and Master's parents and my father is not directly related..."

"Fortunately, Young Master Wade is very upright and fair. Since he has said that as long as my father is not his father-killing enemy, he can spare his life. The rest depends on father's affairs. Come on, are you innocent?"

Thinking about this, she reverently said to Charlie: "Young Master Wade, you have my words, you can rest assured!"

Charlie nodded slightly and said to Orvel: "Okay, take this Shoude in, go to the private room prepared for him, and take this Steve by the way to meet his son."

When Steve heard that Charlie wanted him to meet his son, he immediately asked, "Where is Walt now?!"

Charlie smiled and said, "Your precious son, he is lying in the special room I prepared for him now."

Steve blurted out, "Lying down? Is he sick?!"

Charlie said indifferently, "Since your son's character is really that of sc\*mbag, so I invited him to come here and make a good bed restoring. As for why he is in bed, you will meet him later, let him personally tell you the details."

After speaking, Charlie stood up and told everyone around him: "Pick them up and take away!"

Orvel and Issac went up in person, each of them picked up one, dragged the two of them and walked out.

With the back of Charlie's hand behind him, he stepped forward to follow.

When they came to the kennel area again, Shoude and Steve trembled in shock when they saw the sight of an iron cage.

When they were dragged to continue walking, they found that there were many ferocious fighting dogs in the iron cages on both sides.

What made them even more stunned was that there were several iron cages inside, not dogs, but people!

Steve saw his son soon!

His son Walter, who was lying on a hospital bed at this time, looked very weak.

There was a young man with a yellow panel standing beside Walter. This man was holding a bowl of porridge and stuffed Walter's mouth with a spoon roughly.

This young man is Kobayashi Jiro who works as a contractor at the kennel.

Steve immediately struggled and shouted: "Walter! my son?!"
