

The Charismatic Charlie Wade Chapter 2519

Chapter 2519

One thing that Elder Su is better than Zynn is that he used clues to construct a general framework in his brain, and in this framework, he calculated the existence of Charlie, a mysterious person.

In fact, Chengfeng has always been a very shrewd old fox, and there are almost no loopholes in many of his plans, but only a few times because he could not foresee a variable like Charlie, so he missed a little bit and went wrong.

This time, he speculated that Zhiyu was not dead, and speculated that she must be rescued by an expert, so he decided to try his best to restore Zynn's family and its faith in him.

The first breakthrough point was naturally Zynn, the head of the family.

The call just now not only calmed Zynn but also expressed his apologies to Zhifei in front of Zynn.

If the father and son believe his words, he would gain the confidence of at least half of the family of four.

Although it is impossible for Zynn to forgive Chengfeng so easily, at this moment, his heart is indeed relieved a bit because of Father Su's initiative to admit his mistake just now.

After all, Chengfeng never bowed his head to admit his mistakes in his entire life, and suddenly apologized in person, which really surprised him.

Moreover, Chengfeng couldn't count the existence of the mysterious factor Charlie, so he didn't know the real motive of the old man's softness.

In addition, he himself was sent to Australia. Even if the old man did something sorry for him, there was no need to bow his head to him. Even the old man could completely put him under house arrest. This is also the old man's consistent behavior style.

But the old man didn't choose this method. Instead, he actively bowed his head to admit his mistake and begged for forgiveness. This made Zynn feel that the old man might really have realized that he had the idea of reforming and making up for himself.

The old man is willing to make up for him and agree to let him return to China, which is equivalent to preparing to restore his heir status.

No one would have trouble with the trillions of fortunes, so in addition to surprise, Zynn's heart also had an uncontrollable excitement.

However, on the one hand, there was the grief and worry of the unidentified life and death of his own daughter. These completely different moods mixed together, which made Zynn a little ashamed.

The reason why he was ashamed was also that he found that he couldn't stop the excitement in his heart under such circumstances.

This also made him thoroughly understand the truth.

Why was there a series of battles for the throne and power between the flesh and blood of the closest relatives in ancient times?

The history of elder brother killing younger brother, younger brother killing elder brother, father killing son, son killing father, etc. is not uncommon.

The reason is that the benefits placed in front of them are so great that they can leave their blood and affection behind.

At the expense of one's loved ones, if only one hundred can be exchanged, not many people in this world will agree.

However, if you sacrifice your loved ones, what if you can get back ten billion, or even one trillion?

I am afraid that many people will be completely confused by this huge benefit.

Zynn is also a mortal, and he also has seven emotions and six desires.

After being sent to Australia, he felt the loss of power, and this sense of loss made him unforgettable.

Now that he finally saw the opportunity to turn against the wind, how could he not be excited deep in his heart?

So he called Zhifei and told him briefly about the situation, and then told him: “Zhifei, I think your grandpa really realized his mistake this time, so you shouldn’t be here either. This will resist him too much, you know?”
