

# The Charismatic Charlie Wade Chapter 2666

## Chapter 2666

Charlie smiled slightly: “Miss Watt, you have too many questions, but I can tell you clearly that I am not from the armed opposition. I received your father’s entrustment a few hours ago, so I hurried over from China just for you.”

At this time, a yellow male spoke in shock and said, “This...how is this possible...from the time we were caught until now, but it has only been not more than half a day, in such a short time, You can’t catch up from China at all!”

Charlie smiled and said, “What you think is impossible may not really be impossible.”

After speaking, he looked at Melba and said lightly: “Time is running out. I will prepare an opposition suit for you in a moment. After you put it on, follow me.”

Melba blurted out and asked him: “Then...what about my friends?”

Charlie shrugged his shoulders and said, “I don’t have a particularly good way to rescue all eight of you at the moment, so you come with me first, and I will send you to a safe place first. If conditions permit, I can consider coming back again to save others.”

At this time, a blond man blurted out: “I think you are a liar! There are one or two thousand opposition forces stationed here, how can you rescue us?”

Charlie nodded and said, “What you said is right, I can’t save you, so just stay here honestly.”

When the blond man heard this, he coldly snorted, and said angrily: “I don’t need you to save me! There are so many guards outside. If I go out with you, I will be beaten into a hornet’s nest by a machine gun! I’d rather stay, calm down and wait for my forces from

my country to rescue me! Maybe they will immediately agree to the opposition's request, or send a SEAL team to rescue us!"

"Yes!" Another blonde girl said: "Our US Navy SEALs are the top special forces in the world. They perform the most difficult tasks all over the world, including killing terrorists at any point on Earth. This force is not too much, I believe they will come to save us!"

Charlie smiled and said, "How do you know that the United States will send a Navy SEAL to rescue you? Who gave you the confidence?"

An American boy with a dark panel next to him said without hesitation: "We in the United States have always been strong and will not allow any foreign armed forces to harm our citizens!"

"Also, don't forget that we have a large number of military bases around the world, and there are several in the Middle East alone!"

"Turkey, a neighboring country in northern Syria, has several of our military bases;"

"In Saudi Arabia near southern Syria also has our military base!"

"So, they are

likely to send Navy SEALs from these two countries to rescue us!"

When Charlie heard this, he couldn't help but exclaimed: "I found that you are all very good at it. You can speak Chinese as well, have you studied it specifically?"

Another Indian-American boy said proudly: "To tell you the truth, we are all top students in the United States. Everyone has several master's and doctoral degrees. Everyone is proficient in several languages, and we can speak Chinese. What's up? Japanese, French, German, all of them!"

Charlie couldn't help but gave him a thumbs-up, and asked him with a smile: "It's awesome, it's really awesome."

After he finished speaking, he suddenly changed his conversation and sighed: “Oh, I really don’t understand. How can you learn so many languages for a person who has no brains? Do people who lack the heart and eyes have the talent to learn languages?”

The man blurted out, “You...what did you say!?”

Charlie sneered: “You said you have military bases in several countries around you, so why have I been here all the way from China? Your SEALs are so close, but they haven’t yet arrived to take you. What about a ghost?”

## Chapter 2667

Hearing Charlie’s question, the boy blurted out and retorted: “First of all! I don’t believe you came from China at all! Because this is simply unrealistic!”

After speaking, he looked at everyone and said very seriously: “Everyone has studied the world geography and Chinese Geography as well. You must all know the distance between China and this place!”

“If you fly over from the central part of China, the straight-line distance is at least 6,000 kilometers, right?”

“If you fly over from the western region of China, the straight-line distance will not be less than 5,000 kilometers.”

Charlie gave a thumbs up and said with a smile: “You are so fu\*king clever! You know everything!”

After speaking, Charlie turned around and said jokingly, “But you guessed it wrong, Big Smart man, I’m not from Central China or West China, I’m from East China.”

“East China?!” The Indian boy who Charlie said was smart said disdainfully: “East China is even more impossible! East China to here is, not less than 7,000 kilometers, how did you fly over in such a short time? On a rocket?”

As he said, he sneered again: “Furthermore, as everyone knows, Syria has not resumed navigation due to the war. If you want to get from China to Syria, you must first

fly to neighboring countries, and then transfer to land transportation. Even if you use the shortest route and don't delay for a minute, according to my estimation, you will have at least twenty hours to arrive, but we haven't been captured for twenty-four hours until now. Do you have the ability of an unknown prophet? So, if you want me to say, you are lying!"

Charlie shook his head helplessly, looked at Melba, and asked, "Is this guy always like this?"

Melba's expression was a little embarrassed at once, but also a little hesitant.

In fact, she was not sure about Charlie's identity, and she couldn't believe what Charlie said.

Moreover, listening to his voice face-to-face is somewhat different from what she and he talked through their mobile phones in the WeChat communication.

In addition, Charlie didn't reveal his identity, so she was a little unpredictable at once.

After all, the speculation made by her partner just now is not unreasonable. Charlie's statement is somewhat contrary to logic, both in terms of time and space.

At this time, the clever guy continued: "Tell you, our SEAL team strives to be 100% successful every time it performs a mission, so they will definitely formulate a comprehensive rescue plan first, and then perform the scalpel. The rescue operation! I believe they will rescue us after some time!"

Charlie sneered and said: "Okay, stop this nonsense, you can pull a calf when you open your mouth, right?"

"I tell you the truth, the news that you guys were captured is not reported by the European and American media at all!"

## **Chapter 2668**

“Do you know what it means not to report? It means that your fellow Americans don’t even know that you are captured!”

“So your army will not bother to send troops to rescue you, let alone send troops to rescue you so much. The opposition went to your embassy and demanded 80 million ransom but they were rejected. You still expect them to send troops to rescue you. Do you think your father is Buffett and Bill Gates?”

“I don’t believe it!” Several of them retorted in unison: “You must be lying!”

Just now, the Indian boy looked at Melba and said loudly: “Melba, you must be careful of this person. I seriously suspect that this person is a member of the opposition! Otherwise, even if he has great abilities, he cannot be so short. Arrive here within the time limit, and don’t forget, there are still one or two thousand opposition soldiers guarding here. If he were not one of them, he would never come in alive! Look at him, wearing opposition costumes and holding The weapon of the opposition, this person must be a member of the opposition!”

Immediately, he stared at Charlie and said coldly: “This guy is running here now to act with you and slander us all. I don’t know what his intention is! Maybe it’s because the opposition knows you are a Chinese American, so they found him from the team to come and set up the game with you. I think he must have been arranged by the opposition to instigate you! You must not believe him!”

Charlie was so angry that he wanted to laugh at the silly bird, and asked him, “Since you are so determined that I am a member of the opposition, then you pretend to be so coercive in front of me so suddenly?”

The Indian boy was obviously a little nervous, but he still pretended to be tough and said, “I don’t believe you dare to attack me! Your opposition took such a great effort to capture us, isn’t it just to negotiate conditions with our country? Is it? If you kill me, what else would you use to negotiate terms with our country? Moreover, if our country wants to retaliate against you, it will be your end! Only a few missiles will be able to razor this place to the ground!”

Charlie sarcastically said: “Of the eight of you, one of you counts as one. It’s nothing more than a schoolmaster with better academic performance. In terms of family background, are your parents rich? In terms of background, any one of your parents can become the United States’s State councilor?”

“If you want money, no money, no power, no power, and lick your face and wait for the SEALs to save you? You want people to use missiles to avenge you. It’s not that I despise you. Any small and medium conventional missile costs a lot. Millions of dollars and surface-to-surface missiles start at tens of millions of dollars. Do you deserve revenge with such an expensive weapon?”

The inquisitive boy’s expression is very ugly, he wants to say something, but suddenly he can’t find any words to refute.

At this time, another boy of Chinese descent said, “You don’t confuse people here anymore. As we all know, the United States always values the safety of citizens most. All eight of us are social pillars. The country will certainly rescue us at all costs. Yes, you are running over to brainwash us now, don’t you just want us to cooperate with you to criticize our country? I know your tricks, as long as we scold the United States, you will be so excited that you can’t sleep, and you want to send the video to all make it go viral in the world!”

Charlie put away the joking smile just now, looked at the young man with a face of wonder, and asked seriously: “I ask you, are you American or Chinese?”

“Of course I am an American!” The boy blurted out without hesitation: “My passport was taken away by you. If you go to see my passport now, you can see clearly that I am a citizen of the United States of America!”

Charlie nodded, deeply disappointed in this group of people, especially this boy of Chinese descent. Although what he said was not wrong, it made Charlie feel very uncomfortable.

So, he became light and cold and said: “Well, in this case, then you also wait for your country to save you.”

After speaking, he looked at Melba again and said seriously: “Miss Watt, I don’t want to ask you the same question anymore. I am entrusted by your father to save you, so no matter which country you think you are from, as long as you are willing to follow me, I will rescue you and take you back to China.”

“But! If you really don’t want to go with me, I will never do things in which I have to force others. Could you please record a video to explain that you don’t want to go, I will take the video back to your dad to give him an explanation!”

## Chapter 2669

“Who are you and what is your name?” asked Melba.

“My name is Charlie Wade and your father sent me here to rescue you as I mentioned earlier,” Charlie replied earnestly.

When Charlie said his name, Melba was struck by lightning, leaving her face full of shock.

She and Charlie have never met, but only had a voice chat on WeChat. Since she didn't talk much and didn't have a lot of content, she didn't have a deep impression of Charlie's voice, so she never mentioned the one in front of her was the man, she connected with on WeChat.

But now, after hearing the name, Melba immediately matched the two of them!

At this moment, she blurted out excitedly and asked: “Mr. Wade, why are you here?”

Charlie shrugged and sighed helplessly. Said: “I told you already that this place is not safe, right? You don't believe me, do you know that your father is worried about you?”

Melba couldn't stop her tears when she heard this.

The Indian boy on the side subconsciously said: “Melba, you must not be fooled by him! This guy is not a good person at first sight!” The Chinese boy also took the conversation and said in agreement: “Yes, you know Melba, don't believe it. Hey! You must firmly believe that our army will definitely save us!”

As he said, he was a little excited and said excitedly: “I believe that as long as we persist, after we are saved, in the eyes of the media, one is a hero who swears to the death in front of the opposition forces, so when we return to the United States, we will definitely become a hero in everyone's eyes! If you are cheated by him now and instigated by him, then you will not only be able to become a hero. A hero, you might even become a street mouse that everyone shouts at and beat.”

Charlie saw that this guy's brain circuit was so strange that he couldn't understand it, so he sneered and asked him: "Man, you should have been born and raised in the United States since childhood. Right?" The Chinese boy nodded gently.

Charlie said with a smile on his face: "No wonder the person hurriedly asked: "No wonder?"

Charlie smiled and said: "No wonder you are so talented. We really can't cultivate a talent like you back in the country.

Seeing that everyone was still questioning Charlie's identity, Melba hurriedly said, "You're all misunderstood. Mr. Wade is definitely not a member of the opposition. He is the chairman of China Emgrand Group, he is the one that I told you about before!

"How is it possible!" The other seven people blurted out almost at the same time!

One of the girls said, "Melba! Your brain must be broken. Think about it, how could it be possible for a big boss with a net worth of over 100 billion? So young?"

She said, without waiting for Melba's answer, she immediately added: "It's nothing more than being so young, but have you ever thought about how could a big boss with a worth of over 100 billion come to Syria to do this kind of thing in person?"

Saying that again! Sanjay has given you just the right analysis, and if he really is the big boss, how likely he arrived here from China in such a short time? Do you think he's Iron Man ah? "

The Chinese-American boy blurted out: "Yes! Melba, if you think about it carefully, you have never seen Mr. Wade, so how do you judge that this guy is him? I suspect this guy might have hacked your phone. Password, checked your chat history, and found this flaw, so he pretends to be Mr. Wade to come and lie to you!

Melba shook her head and said firmly: "I can be sure that he is Mr. Wade! Just now I didn't tell him what he is in reality. The voice corresponds to his voice in the voice chat, but now I can be sure that the two of them are the same person!"

Others thought Melba must be crazy.

## Chapter 2670

Chinese-American boys, shaking his head on the side said:!! “Melba, I know you’re a girl who is certainly afraid of death, but you have to believe, in this world, there is no random killing of an American citizen. we would ultimately be rescued.”

Charlie was amused by him, and couldn’t help asking him: My dear, I’ll say something that’s not black, objective, and fair. There are various shootings in the United States all day long, and it will lead to several, even dozens of innocent people’s deaths. Civilians die, you still say that no one would dare to kill a U.S. citizen at will. Don’t you feel contradictory?

The Chinese boy blushed and retorted: “The situations you said all happened in China! No! What happened overseas! How can you count what happened here?”

Charlie smiled and asked, “What do you mean, what happened here is contradictions among the people?”

“That’s right!” The Chinese boy immediately agreed and said: “It’s the contradiction among the people!

Charlie nodded, looked at Melba, and said: “From my point of view, your dad must know that you get mixed up with these stupid things all day long, and I don’t know how sad it will be for him.”

Melba’s expression was extremely embarrassing.

She also feels that her friends are usually smarter than the others, all of them are academic bullies and elites, but now she doesn’t know why, all of them seem very anti-intellectual.

Charlie was not sure whether Melba really believed in his identity, so he took out his mobile phone and opened the dialog between him and Melba from WeChat, then turned the screen to her, pulled up the chat log, and said “This kind of chat record can’t be forged, so you believe my identity?” Melba said almost without hesitation: “I believe it!

Several other people saw this scene, and they were shocked to speak.

They are here. They attacked Charlie's every word for a long time, wasting so much tongue, just to prove that Charlie is a fake.

For this reason, they moved out various arguments and packed their views seamlessly from the inside to the outside.

But now, with only one mobile phone, Charlie completely overturned all the judgments made by these self-righteous top students, making these seven people dumbfounded for a while.

The Indian kid couldn't help exclaiming: "This is impossible! Even if you are really Chairman Wade, you cannot rush to Syria from Eastern China in such a short time!

" Yes! Ah!" The Chinese kid also said: "This is not logical! Even the fastest civil airliner can't do it!"

Charlie sneered and asked: "You two are the best, I ask you, you guys What is the fastest civil airliner known in the world? The Chinese boy blurted out with a proud face: "Of course I know! I have a deep research on aircraft! The fastest civil airliner currently is the Gulfstream G650 business jet! This aircraft is using the engine of Rolls-Royce in the United Kingdom. It is powerful. Its flying speed can reach Mach 0.95, which is 95% of the speed of sound! But it is also one of the most expensive business jets in the world. I can afford it!

Charlie applauded: "You really have damn good material for learning. It seems that you must be very good at memorizing the text. I used to see all kinds of keyboard car gods who didn't even have a driver's license on the Internet. Encountered a keyboard machine god." The Chinese kid said angrily: "Don't be sneered here! Even if you are really sitting on the Gulfstream G650, it is impossible to arrive in Syria in such a short time! So you must be hiding something. An unspeakable secret!

Charlie smiled: "I'm sorry, I really didn't come with a G650.

Having said that, Charlie put away his smile and said calmly: "I'm here on a Concorde airliner."
