

The Charismatic Charlie Wade Chapter 2776

Chapter 2776

In reality, Charlie doesn't think this type of blood-saving, the heart-saving pill is worth mentioning.

It's just a matter of hooking your thumbs, whether you owe the He family fifty or one hundred dollars a year.

However, he wants to restrict the number to five per year in order to impress upon the He family the importance of this item.

Charlie also understands that, in terms of the Blood-saving Pill's usefulness for martial arts practitioners, giving two pills a year is enough to make the whole He family work for him.

The He family deserves five stars because it will enable them to concentrate on training three or five talented warriors in a systematic manner each year.

Roma was well aware of the importance of this pill and recognised that it represented a significant growth opportunity for the He family; she didn't have time to ask her father for instructions, so she decided on behalf of the entire He family.

She was certain that her father would not say no! He and his family could not refuse!

"From now on, at the end of the twelfth lunar month of the lunar calendar, I will make a year-end evaluation based on the performance of the He family in one year,"

I would naturally offer He's a few extra pills at the end of the year if the family is really committed to Do its best and work hard for me."

Roma's heart swelled with joy as she learned of this. "Then I'd like to thank Master for the more than a hundred people from the He family!" she said without hesitation.

"Master, in your view, is it appropriate for the He family to move from Mocheng to Aurous Hill?" Roma asked again.

"The movement of the family is too much, it is needless," Charlie said after a moment's thinking. You should talk to the Patriarch of the He family first after your return. Tell him first if he has no objections.

Ten generations of the He family's strongest descendants will travel to Aurous Hill. Ms. He will be in charge of these ten. I'll find you a suitable house to settle down in Aurous Hill ahead of time."

"As for Ruoli, she will stay with me for the time being," Charlie said, looking at Ruoli.

"No problem," Roma hurriedly replied. "I'll return to Mocheng the next day and tell my father about the situation."

I am certain that my father will not object, and I will obey Master's instructions for the rest!"

"If you do anything, obey Master's orders!" said Ruoli, bowing after her mother.

"Ms. He, these two tablets, please take them back and give them a tasting, lest you have nothing to say,"

Charlie said as he nodded and pulled out two more blood-dissipating heart-saving pills. He isn't a fair judge."

"Master, one should be enough..." Roma said, a little pleased but also a little nervous.

"One of the two pills can be tried by your father, and the other can be divided into several parts, placed in water, and tried by the younger generation of the He family," Charlie said with a smile.

It is, in reality, beneficial to the younger generation. People do not take more than one at a time because at least 30-40% of the medicinal power is not absorbed by the body at once, resulting in waste.

All of the therapeutic effects can be best used with this step-by-step approach.”

“Oh, I knew I wouldn’t take the whole pill...” Roma said abruptly, regretfully.

“It won’t matter,” Charlie said with a smile, “there will be opportunities in the future.”

“You take these two pills first, then the remaining three pills,” Charlie said again. When you confirm and the individual arrives in Aurous Hill, I will give you all at once.”

“Master, you have just sent us four in a row,” Roma exclaimed, surprised. There should be one left based on five in a year!”

“The two previously given to you and Ruoli are not counted,”

Charlie said calmly. That’s a little gesture of concern for you mother and daughter. In the future, I will give you two extras per year. These two are unrelated to the He family.”

Chapter 2777

Roma became anxious and unsure of what to say, so she shouted, shocked and delighted, “This...this is too costly, how can we...”

“I and Ruoli are both destined, not to mention the long-term cooperation in the future,” Charlie said with a wave of his hand. Ms. He doesn’t have to think about it anymore because a small pill isn’t important.”

“You mother and daughter have finally met again,” Charlie continued, “There must be a lot to say, I won’t bother you too much.”

Roma saw that Charlie had already agreed to end the discussion and realized she didn’t have to worry any longer, so she said politely, “Please follow Master’s arrangements!”

“Young Master, then I will take my mother back to my home,” Ruoli said from the side, taking a step forward and bowing. Please let us know if you have anything to do with us.”

“Go ahead, contact the staff directly if you have any needs,” Charlie said with a nod.

Thanking Charlie the mother and daughter, Roma and Ruoli were able to return to their hotel room.

Roma couldn't stop crying as soon as she walked into the room.

“Mom, why are you crying again?” Ruoli rushed forward and questioned.

“I am so relieved...” Roma sighed as she brushed away her tears. Mom has uncontrollably considered countless possibilities since your crash, both good and bad,

But still, it's the best possible I've ever considered, and it's less than one-tenth of what it is now... Mom had not expected your life to take such a dramatic turn...”

“Mom, I'm sorry, this time has made you worry...” Ruoli said, her eyes red.

“With today's situation, Mom's previous worries are all worth it...” Roma grinned, relieved.

“By the way, Ruoli, what is the origin of that Master?” she inquired, curiously. She can't believe she has ever heard of such a strong Wade family junior! “Can you tell me his name?”

“Master's name is Charlie Wade,” Ruoli hurriedly said.

“I have an impression of this generation of men from the Wade family, there appears to be no one called Charlie...” said Roma, frowning.

“Mom, do you know Changying Wade?” Ruoli inquired.

“Changying Wade?” exclaims the narrator. “Of course I know,” Roma exclaimed, “that was the Wade family back then, one of the most illustrious in the world, your father...”

Roma inadvertently mentioned Zynn, but she was afraid that her daughter would be upset if she talked about what the Su family had done, so she quickly said, "I don't want to talk about your father." Why, did you suddenly bring up Wade Changying? Many years ago, he died suddenly."

"Mom, Master Wade is Changying's son," Ruoli said quickly. He moved to Aurous Hill with his parents when he was eight years old. His parents died suddenly not long after.

Master Wade hasn't stopped since then. He's been in the orphanage since he was a child. He has not, in truth, returned to the Wade family. Despite the fact that his surname is Wade, he now runs his own business."

"I didn't expect him to turn out to be Wade Changying's son..." muttered Roma, all surprised.

Chapter 2778

Roma can't help but think of Zynn when she thinks of Changying.

She has known Zynn since she was a child, so she is very familiar with his youth.

She is aware of how good Changying was at the time, as well as the fact that Zynn has always existed in the shadow of him.

She was struck by a sense of irony.

Zynn was crushed by Changying in every way at the time, but he was not convinced in his heart.

He didn't finally breathe a sigh of relief until Changying's death.

Who would have guessed that Changying's son has progressed to such a high level?

Despite the fact that Roma saw Charlie for the first time today, he was able to quietly rescue her daughter from the Japanese Self-Defense Forces, and he continued to hide her from the sky so that no one would notice.

Charlie's strength was far from ordinary, if not frightening, as revealed by her daughter's knowledge.

Ruoli's life may have been saved, but he also caused the Japanese Self-Defense Force to lose face in front of him!

The leopard can be seen in the tube.

This incident alone demonstrates Charlie's extraordinary abilities.

What surprised her, even more, was Charlie's ability to easily transport her daughter's Ren Vessel to the realm of Dacheng!

In the eyes of martial artists, this is nothing short of a miracle.

It is an understatement to conclude that it is a miracle.

After all, martial arts training is frequently the best effort for the majority of your life.

Even a great master has no exception when it comes to martial arts instruction.

Every martial artist aspires to be the ultimate Dacheng, but no one knows what that entails.

In their lifespan, they can only do their best. If they try their hardest but still don't achieve great success, they should allow their children and grandchildren to pursue great success on their own terms.

He is gone, and he has descendants, and there are countless descendants, much like her forefather who made considerable strides.

What exactly did Charlie's conduct imply?

Chapter 2779

To use an apt example, Charlie removed all the massive earth boulders that grandfather should have dug at least 20 years before his fingers!

This type of skill is referred to as supernatural strength.

There's also Charlie's pill, which is so magical it's impossible to put into sentences.

Even if the world's martial arts family is bankrupt, Roma believes that if this kind of magical medicine is sold, they will compete desperately.

How about a billion dollars? How about two billion dollars?

Even if one billion is used, relying solely on cultivation and the help of certain medicinal materials may not be enough to achieve the effect of this pill.

Nothing is more important than enhancing one's cultivation level for those who practice martial arts.

As a result of these factors, Roma assumes that Charlie will most likely make moves on the Su and Wade families and even the country's top families on his own in the future.

She remembered that her daughter seemed to have a clear sense of allegiance to Charlie, and that behind that allegiance was an obvious girl's mind, so she asked Ruoli,

"Ruoli, tell your mother the truth, do you feel that way towards Master Wade?"

"Mom, what are you talking about?" Ruoli asked, a little embarrassed.

"Master is not only my lifesaver, but also my mentor; my cultivation level is all thanks to successive breakthroughs, so I love and appreciate him in my heart..."

"You are born from me, can Mom still not understand you?" Roma asked, smiling slightly.

"You look at his eyes in a way, I have never seen it in your eyes, and I feel your true love for him."

"I don't..." Ruoli retorted flusteredly, then paused for a moment before sighing slightly:

"Hey... Really, I have to say something to my core. A man like Master really understands him. After that, how many women can be indifferent to him?"

Not only me, but even sister Zhiyu has been enamored of him for a long time...”

“What?! Zhiyu?! She likes Master Wade too?” exclaimed Roma.

“I think Sister Zhiyu likes Master, she almost likes the devil,” Ruoli said with a wry smile.

“Didn’t Zhiyu disappear with Liona? Have you seen her?” Roma hurriedly inquired.

“Sister Zhiyu and Aunt Liona also live in this hotel,” Ruoli said solemnly.

“What did you say?!?”

Roma became agitated and exclaimed, “The mother and daughter live here too?! Then they know I’m here?”

Liona has always had a special place in Roma’s heart.

After all, she had that kind of relationship with her husband when she was pregnant, and then she gave birth to Ruoli.

She was interested in other people’s relationships no matter what, including when she was pregnant. The third partner in the other party’s marriage.

As a result, she was terrified of seeing Liona again.

“It’s unlikely for the two of them to discover you’re here,” Ruoli said at the time. Master kept them here, after he rescued them.

He didn’t let them leave the room because he didn’t want the news to get out. I was also here.

After spending so many days in this hotel, it wasn’t until this morning that master’s men summoned them, and I noticed that the mother and daughter were also here.”

Chapter 2780

Roma was even more surprised, her mouth gaping open from ear to ear: “You said Master even rescued the mother and daughter?!”

“Of course!” says the voice. “They would have both been killed by Chengfeng if it hadn’t been for Master’s intervention!” Ruoli nodded.

“Why is Master Wade taking you to see them?” Roma asked, thoughtfully nodding.

“This...” Ruoli paused for a moment.

She was unsure about telling her mother about her father, Zynn.

She is also concerned that her mother will be upset;

Don’t say it, but she is worried about her mum.

“Ruoli, is there anything you want to say to mother?”

Roma asked hurriedly when she noticed Ruoli was reluctant to answer.

“Mom, I’m telling you something, don’t be anxious to get upset,” Ruoli said after a brief pause.

“Let’s talk about it,” Roma hurriedly said.

“Mom is not in a rush or getting mad, so you can stand in front of me without getting angry, even if the sky falls!”

“Dad was also caught by Master,” Ruoli said.

“What are you talking about?”

Roma was speechless in shock, opened her mouth and eyes wide, and stared at Ruoli for a long time before summoning the courage to ask, “Could it be that Master Wade...?” Is your father dead?”

“That’s not the case,” Ruoli said, shaking her head. “Dad is still alive...”

When she heard this, Roma exhaled a sigh of relief.

Zynn holds a special place in her heart.

After all, the best years of her life had been almost entirely dedicated to Zynn, and she had even dedicated her body to him.

Despite the fact that they haven’t seen each other in years, the feeling in her heart remains constant.

What she feared the most when she learned that Zynn had fallen into Charlie’s hands was that Charlie would kill Zynn on the spot.

After all, Zynn was easy to kill with Charlie’s strength.

She let go of her dangling heart when she learned that Zynn was still alive.

“Hey... Anyway, it’s fine to be alive,” she sighed softly afterward.

“Is your father also arranged to live here?” She inquired while speaking.

“No,” Ruoli admitted, blushing, “Master sent him away...”

“Where did he go?” Roma inquired hurriedly.

Ruoli’s mouth was pursed and she said one word: “Syria...”
