

The Charismatic Charlie Wade Chapter 2996

Chapter 2996

This clue made the police pay more attention to the whereabouts of Cary.

After all, the development route of this matter was that Cary drove to Phoenix Mountain, and the car was struck by lightning and burned to an empty shell, and then Cary disappeared.

They seriously doubt that he will die like the security guard at the cemetery before, so the top priority is to find his whereabouts.

Therefore, while organizing police forces to conduct a carpet search around Phoenix Mountain, they also follow the regular case-handling process and issue tracing notices to the outside world.

These are publicizing Cary's personal information, and at the same time soliciting valuable clues from the public.

After this clue solicitation order was issued, it did not arouse too much attention from society.

After all, to ordinary people, he is someone who they have never heard of, and everyone does not pay attention to his life and death.

However, this news was quickly noticed by the Su family's eyeliner.

At this time, Chengfeng was talking secretly with Moby in the study.

Moby is currently the strongest master of the Su family.

It is also Chengfeng's last trump card.

If Moby also folded, then Chengfeng would basically have nothing to rely on.

This time, Moby took the initiative to come over, just to talk to the boss about Cary.

He said to Chengfeng: "Master, are you planning to let him kill Luther after he kills the mysterious person?"

"Yes." Chengfeng didn't hide anything in front of him, and said: "Luther has now broken through to a four-star martial artist.

If he can't be used by me, it must be a big trouble in the future. I can't leave him as a hidden danger!"

Moby clasped his fist and said: "Master, I have something to ask next!"

Chengfeng nodded and said, "Say it, it's okay, don't be so polite."

Elder Moby said seriously:

"Since Luther can break through to the four-star martial artist, there must be some chance, maybe even he has mastered some new inner boxing technique.

Since Mr. Cary is good at using Gu, he must have mastered a lot of unusual means.

In my opinion, it might as well be possible for him to force Luther to hand over the cultivation method!"

Chapter 2997

For Moby, who is also a warrior, after hearing that Luther became a four-star warrior, he was very fascinated in his heart.

However, there are countless hardships and difficulties along the way of martial arts, and it is impossible for ordinary people to make any major achievements.

To become a two-star warrior, you need extremely high talents and huge resources.

As for the three-star warriors, there are only a few sporadic ones.

As for the four-star warrior, only Luther is known so far.

Therefore, Moby knew very well that Luther must have encountered some great opportunities.

The greatest possibility is to find a better inner boxing method.

Therefore, he is also very much looking forward to it.

However, he also knew very well that, let alone a better inner family boxing method, even if it is a broken mind method, it is a secret of many families, and it is impossible for him to spy on it.

But now there is a good opportunity. Elder Su found the Gu Master Cary. Although his strength is not strong, he has already played superbly in his first hand, completely killing people invisible.

It was precisely because of this that he asked Old Man Su to ask Cary to find a way to ask Luther about his cultivation method.

Chengfeng said with some worry at this time: "I don't know now, if Cary's Gu technique can kill a four-star warrior. After all, the strength of the four-star warrior is unfathomable. Maybe Cary really isn't an opponent."

Old Moby hurriedly said:

"Master, you don't know anything about Gu art. In our martial arts people's eyes, it is just like a submachine gun.

It belongs to the kind that doesn't speak morality at all. No matter how strong a martial artist is, he can't evade a shuttle bullet at close range, the Gu-Worm in Cary's use, if really used properly, the power is not less than a submachine gun!"

“Oh?” Chengfeng said in surprise: “According to you, Cary really has a chance to get Luther’s cultivation method.

At that time, can my Su family also use this set of cultivation methods to establish sects and directly create a martial arts sect?”

Moby excitedly said: “It’s totally possible!”

Chapter 2998

As he said, he continued with excitement:

“Nowadays, the martial arts family is imprisoned by blood, and their own practice methods will never be passed on to outsiders, which also limits the maximum scale that a martial arts family can achieve.”

“Furthermore, there are many scattered martial arts practitioners, hoping to obtain a sophisticated practice method to enhance their strength.

If the Su family has a better practice method, it can be used to attract disciples.

Dare to pack tickets, but it is very easy to accept thousands of disciples.”

Chengfeng smiled and nodded, and said seriously: “At that time, you will take care of this sect.

By then, all the disciples will be your disciples and under your command.

As for me, there is only one request, and that is this sect must serve for my Su family from generation to generation.”

Hearing this, Moby immediately backed up two steps, knelt on one knee, and solemnly promised:

“You can rest assured that I will be faithful to the Su family.

If I have the opportunity to establish a sect on behalf of the Su family in the future, I will definitely be this purpose of serving the Su family will be the sole purpose of the entire sect!”

Chengfeng was very satisfied with his statement.

This time, half of the He family hired for the price of blood loss has made him feel very upset.

Therefore, he also desires to have a power that truly belongs to him.

In that case, not only can the cost be greatly saved, but also there is no need to be controlled by others.

Thinking of this, he picked up the phone and said with a smile: “I will call Cary now. If he can get Luther’s practice method, then I will add another 50 million to him.”

After that, he immediately shot Cary over.

However, the prompt on the other end of the phone is: “Sorry, the user you are dialing is not in the service area, please call again later!”

Chengfeng couldn’t help frowning, and said: “This man Cary is such a careless person, he is too comfortable. In the past few days when he went to Aurous Hill, he said that he is resting in the cemetery every day, and the phone could not be reached.”

Moby echoed from the side: “Master, this kind of people are generally withdrawn, and the natal Gu-Worm in his hands is said to live by eating human brains. It is very evil.

It is estimated that it can live healthier in the environment of the cemetery. Maybe that’s the reason.”

As he was talking, the butler Anson ran over panting, and said nervously, “Master, it’s not good!”

Chengfeng couldn’t help asking: “What happened? Why such a fuss.”

Chapter 2999

Anson handed the phone to Chengfeng and said, "Master, look at this missing person notice!"

Chengfeng glanced at it. The missing person notice contained Cary's photo and name. After he saw the contents, his eyes suddenly went black.

Anson hurriedly stepped forward to support him, pinching him hard to make him slow down a little.

Chengfeng said with a trembling voice: "Cary also disappeared?!"

"Yes..." Anson said with a gloomy expression: "The police found the car he rented, which had been damaged by lightning, but he was nowhere to be seen. Now the police are collecting clues everywhere!"

The Moby who was on the side thumped in his heart, and hurriedly leaned forward to take a closer look, and his heart was instantly cold.

"I just hoped that Cary could get rid of Luther and get his practice method, but before the dream is finished, Cary disappeared in Aurous Hill?!"

Chengfeng was already a little bit unbearable at this time, and he muttered to the utmost decadence: "Aurous Hill is not a city...it's a black hole! Even Cary can fold in. What is hidden in it..."

Anson helped him follow to his chair and said with concern: "Master, don't worry about it. No need to get angry.

Now Cary just can't get in touch. We don't know what the specific situation is. We will wait for more accurate information. What do you say?"

Chengfeng waved his hand and said dejectedly: "It doesn't make sense to wait any longer. We have been expecting miracles since my first son went there, but there is no clue until now.

Then, the other son disappeared as if he has evaporated from the world. Now change. Then it is Cary now...the one I sent to that city, now only Dan is left!"

Anson hurriedly said: "Master, why don't you call Dan and ask him to do some calculations to see what is going on? He is an old man with no offensive power. He can't happen to be one who can have an accident."

"Yes." Chengfeng nodded immediately and said: "Dan has never wanted to cause trouble. He always hopes to avoid all risks.

With his style of behavior, he will definitely not encounter any danger."

With that, he continued to call Dan with a trembling hand.

But what he didn't expect was that on the other end of the phone, the system prompt sounded:

"Sorry, the phone you dialed has been turned off, please call again later..."

Chapter 3000

Chengfeng almost collapsed to the ground in shock at the moment when he heard Dan's phone shut down.

Cary killed innocent people everywhere, so he disappeared. Who could have imagined that Dan, a 100-year-old man who never even killed a fly, would also disappear?

He couldn't help but trembled: "Could it be that...that guy even didn't let go the one-hundred-year-old man?!"

Anson wiped a cold sweat and blurted out: "Master, Cary's car was smashed into a ghostly look by lightning.

He himself certainly cannot be spared. As for Dan, I think he has two possibilities. Either dead or ran away."

“Running away?” Chengfeng frowned, and he shook his head for a moment, then nodded and said:

“This old guy can pinch, maybe he will be in danger, so it’s possible to run ahead of time...”

As he said, he sighed deeply, and said: “Whether this old guy is dead or alive, in my opinion, it is impossible for me to use him anymore.

Cary will probably be over too, and I have no more cards in my hand. ...”

Anson hurriedly asked, “Master, what shall we do next?”

Chengfeng shook his head and murmured: “I don’t know...”

...

At the same time, Zhiyu came to Shangri-La on the grounds of visiting Takehiko.

Ito’s younger sister, Emi Ito, came to the hotel lobby to greet her, and then took her to Ito’s room.

It’s just that at this time Ito Takehiko was enjoying a massage in the SPA center, and it was Charlie who was waiting to meet her in his room.

Emi rang the bell outside the door, and then pushed the door to come in. She respectfully said to Charlie: “Mr. Wade, Miss Su is here.”

Charlie nodded: “Thank you, Ms. Ito.”

Ito Emi hurriedly said: “Mr. Wade, you are polite! If there is nothing wrong, I will withdraw first, and you can talk to Miss Su.”
