

The Charismatic Charlie Wade Chapter 3256

Chapter 3256

The next day, early morning.

Charlie and Claire got up one after another, washed up, and went downstairs for breakfast.

According to the process of these days, Charlie after breakfast, drives Claire to work, but the workplace may be uncertain, maybe to the company, may also be to the construction site of the Emgrand Group, or to Liona's old mansion.

However, Claire said excitedly to Charlie after a busy work on the phone during the meal: "Honey! Miss Warnia of the Song family asked me to go to the Song Group to talk about project cooperation!"

Charlie did not feel surprised, because Warnia had already expressed this intention very clearly yesterday.

In his opinion, the reason why Warnia did this was definitely that she wanted to help Claire start her own business to repay him for his help.

So, he didn't think much about it and asked her, "Then I'll send you to Song's Group after breakfast later, or should we go somewhere else?"

"To Song's Group!" Claire said without hesitation,

"Miss Song is now the chairman of Song Group, and she should be able to directly shoot this aspect of the project cooperation, so I have to hurry up and chat with her to see if we can land the cooperation as soon as possible."

Elaine at the side couldn't help but exclaim: "Claire, you're going to cooperate with the Song Group now? Gosh! This is too powerful!"

Claire said, "Mom, I'm just going to talk to Miss Song to see if there's any possibility of cooperation."

Elaine laughed: "If the president of such a big group takes the initiative to invite you to talk about cooperation, what else do you need to think about? It will definitely be a success! In this way, your company will go up another level."

Claire said, "We will only know this after talking with Miss Song."

Elaine said without hesitation, "Don't worry, Claire, this will definitely work. Don't forget, Charlie has shown the Song family feng shui, and Warnia came to our house personally to give a gift before! For the sake of Charlie, how will she let you make a trip for nothing?"

When Elaine's words came out, Claire's mood was a bit dark, she knew that Warnia wanted to cooperate with her because of her husband's face, even the cooperation of the Emgrand Group before, it was Doris who gave it to her because of her husband's face, which made her heart's entrepreneurial enthusiasm more or less suffer a blow.

Charlie saw that Claire was not right, smiled and comforted: "Wife, in fact, many businesses, are relying on others to help match the bridge to get, however, whether the business can do well and make the other party satisfied, or rely on own strength, I believe that in this regard, my wife's ability is the top."

Claire smiled gratefully and said seriously, "Thank you, husband"

After eating, Charlie drove and sent Claire to Song Group.

He, on the other hand, because he had an appointment with Zhiyu and Melba to have a meeting at the Emgrand Group, drove off alone and went there.

Claire was treated extremely well at Song's Group.

Just after she mentioned her name to the receptionist, Warnia received the news and personally came down from her office to greet her, which made Claire a bit flattered.

After inviting Claire to her office, Warnia opened the door and took out the plans of several construction projects of the Song Group, and said to Claire:

“Mrs. Wade, these are the projects that we are preparing and will start soon, and the design plans for the civil construction stage have all been released, but the subsequent decoration design plans are still being tendered.”

“If Mrs. Wade is interested, these projects can be given to your company.”

Claire was shocked speechless because the total investment of these projects that Warnia brought out even exceeded fifteen billion.

According to the standard of the construction industry, the design cost of the overall architectural design generally accounts for about 3% of the total project cost, while the cost of the interior decoration design generally accounts for 1.5% or less of the total project cost.

If this ratio is followed, the design fee for the interior decoration of these projects alone is more than 200 million.

If you get the construction also, the profit doubled more than that!
