

Chapter 236 You Broke In To My Area?

“You refused a toast only to drink a forfeit! Who do you think you are?”

With a slam, Ma Long slammed on the table and took up a glass of wine before splashing it onto the face of Ning Xiaohan, who shuddered. She was wearing a thin piece of clothing, which became translucent after the wine soaked through, showing off her body.

Ning Xiaohan’s eyes reddened instantly. Ever since she got famous, she had never been treated like this.

She had a nice figure, and with her clothes wet, she looked seductive, making the males in the room whistle. Their eyes were stuck on her, and they refused to look away. All those unbearable words that rang in her ears and the extreme grievance made her cry.

“Wow, she cried. How weak! Hahaha.”

“That’s where the fun begins. I love seeing women cry, especially those beautiful ones. It’s so satisfying to bully them.”

“Haha, you really are a freak! You actually like watching women cry. Your hobby is just the same as mine!”

“She is a famous celebrity and has millions of

fans. I never imagined her to be crying so badly. Tsk tsk, then isn't she going to cry even more in bed?"

"Of course. Looking at Ma Long's size, the celebrity will definitely suffer under his plunder."

Ning Xiaohan couldn't take it anymore, and she felt as if she was surrounded by a pack of wolves. Now that she was wet, those men's glare made her nervous and scared to the extreme. She had never experienced a situation like this, and she felt as if she would be devoured by these men anytime!

She had no doubt that they would do it. Right now, she was regretting^{TK} her decision. If she knew earlier, she would rather have embarrassed herself in the private room just now. It would've been a hundred times better!

If she was raped by these people, she wouldn't be able to live.

She tried to run away, but Ma Long grabbed her just as she stood up. "Are you trying to escape? Let me tell you this—no one can escape from me!"

At that, Ma Long reached out and touched Ning Xiaohan, planning to do it right away.

Chapter 236 You Broke In To My Area?

All the men in the private room started cheering for Ma Long.

“Let go of me! Let go of me!” Ning Xiaohan was panicking completely and kept struggling, but she couldn’t get him off her. She was so panicked that she cried.

She was giving up and hoped desperately that some hero would appear and save her. But she knew that it was impossible. This wasn’t a movie; this was reality. In real life, there were no heroes unless there was a miracle.

Just then, the door of the private room that was closed shut was pushed open, and a group of people walked in. They^{TK} were Lin Wenjing, Ye Piaoyang, Yang Xiaomi, and some other celebrities.

They were all surprised to see this when they walked in.

Everyone in the private room was alerted when they walked in, and they all looked over. Even Ma Long, who had managed to capture Ning Xiaohan and was planning to molest her, startled and loosened his grip. Ning Xiaohan grabbed the opportunity to quickly break free and escape.

She was in fear and was like a headless

chicken. Lin Wenjing and Ye Piaoyang's appearance was like a beam of light in the dark, which was her lifesaver. She quickly ran over to them.

However, as she was too panicked and was running too fast, she tripped forward. Her speed was fast, and she was in her high heels, so if she fell, it would be a pretty bad fall, and her face would be injured.

She screamed out of panic, and just as she was about to hit the ground, she saw something flashing in front of her eyes—it was Lin Wenjing. His movements were quick, and in a blink of an eye, he arrived before Ning Xiaohan and held her, and then they spinned a little to buffer out the momentum. He held Ning Xiaohan firmly in his arms and saved her from falling.

But Ning Xiaohan struggled from being panicked, and her position slightly changed, and so Lin Wenjing's arms touched her breasts, forming an awkward scene.

Lin Wenjing's heart swayed!

Ning Xiaohan felt it too. Her face that was pale due to shock instantly blushed red, and her heart raced.

She was a huge celebrity and had acted in a lot

Chapter 236 You Broke In To My Area?

of movies, but she used angles and substitutes for all her kissing scenes. In fact, she had never been so close to men and was a shy person, so she was blushing and bashing right now.

But the weird part was, she didn't detest or dislike it, and all she felt was a sense of security. She could feel the strong muscles on Lin Wenjing's arms, and this was a feeling she never picked up from any other men.

Yang Xiaomi and the other female celebrities looked unhappy when they saw this. Their faces were filled with envy and jealousy, as if they would die to be in Ning Xiaohan's position.

"*Cough!*" Lin Wenjing didn't take it to his advantage and quickly helped Ning Xiaohan up. He then let go of her and glanced at her. Realizing that she was wet, he didn't take another glance and just took off his coat and put it on Ning Xiaohan, like a gentleman. He then asked in a low voice, "What happened?"

Ning Xiaohan finally got back to her senses when she felt the warmth from Lin Wenjing's coat. Lin Wenjing's gentleness made her somehow shy but satisfied.

But before she could speak, someone in the room slammed on the table and stood up before scolding, "Who are you? Do you have a

Chapter 236 You Broke In To My Area?

death wish? How dare you break into our private room?”

Everyone got back to their senses. They wore a scary look as they glared at Lin Wenjing.

Ma Long stretched his neck before he stood up and asked, “How dare you break into my territory?”

Ye Piaoyang’s face darkened when he heard Ma Long’s name. He took a step forward and spoke. “Are you Ma Long, from Kun Lun Group?”

Ma Long stretched his neck again and put on a mocking smile. “Wow, you know me. Seems like you're someone as well.”

Instantly, Ye Piaoyang panicked and stepped forward as he uttered in a flattering tone, “You really are Mr. Ma Long, from Kun Lun Group! What a pleasure to meet you! I’m the CEO of Black Rock Studios, Ye Piaoyang.”

“Black Rock Studios. I see, you are the boss of the famous star, Ning Xiaohan. Since you’re here, you should know that your celebrity just provoked me, so I want to have her tonight. Are you agreeing to it?”

“This...” Ye Piaoyang’s lips twitched. Ma Long was disrespecting him.

However, he really did have the capability to do so. Kun Lun Group was one of the top companies nationwide with a market value of tens of billions. It wasn’t someone the CEO of Black Rock Studios could afford to provoke.

As for Ma Long, he was famous for being a playboy and was extremely arrogant. He played with lots of women.

Ye Piaoyang had heard a lot about Ma Long and understood that a playboy like him wasn’t someone he could provoke. Nevertheless, for a moment, he was troubled. If it were any other celebrities, he would have agreed right away.

But Ning Xiaohan was different. She was the most popular celebrity of Black Rock Studios; she was even more popular than Wu Fanyi, judging from statistics. She was a moneymaker of Black Rock Studios, so if she slept with Ma Long, her future would be ruined.

The most important thing was that Ning Xiaohan was different compared to other celebrities. She had been in the entertainment world for so long, yet she kept her innocence and purity, and she definitely would not want to be defiled by Ma Long. If he forced her,

something bad might happen.

But he wouldn't dare provoke Ma Long, so he was troubled for a moment.

Hearing Ma Long's words, Ning Xiaohan's face turned pale, and she quickly said, "Chairman, I'd rather die than sleep with him!"

Yang Xiaomi and the others were gloating, for they had been affected by Ning Xiaohan's fame for the past two years. The company had been investing more in Ning Xiaohan, so they had always been competitors, not just tonight.

They were here to please Lin Wenjing tonight, and thus they had greater hostility against Ning Xiaohan. If she really went to sleep with Ma Long, she wouldn't stand a chance before Lin Wenjing anymore.

Lin Wenjing slightly frowned. He didn't expect to get into such a situation during dinner. He knew about Kun Lun Group, a well-known logistics company in the country with a market value of 30 billion and growing. Their market value would definitely continue to grow in the near future.

As for the name Ma Long, he never heard of it, but judging from Ye Piaoyang's reaction of fear, he should be the CEO of Kun Lun Group or a

typical rich kid of someone from Kun Lun Group.

But that wasn't too big a deal. Based on Lin Wenjing's capabilities, he didn't have to be afraid of Kun Lun Group. He wouldn't have to be afraid even if the CEO of Kun Lun Group himself came, let alone Ma Long.

The part that got Lin Wenjing interested was that Ma Long wasn't just any ordinary douchebag, but he was a martial artist as well. Also, Lin Wenjing could feel a strong aura from Ma Long and was confident that he wasn't just someone from Kun Lun Group. *This is getting interesting.*

TK

Lin Wenjing remained silent and just watched at the side. Ning Xiaohan belonged to Ye Piaoyang's company, and it wasn't up to him to deal with it.

"Why? Are you not agreeing?" Ma Long faked a smile, and he let out a scary aura. Ye Piaoyang panicked immediately and broke out into cold sweat while he quickly explained, "You misunderstood, Mr. Ma. That's not what I meant... I'm not quite sure how Ning Xiaohan provoked you, but I apologize on her behalf. Mr. Ma, is it possible for you to let this go, for my sake?"

Chapter 237 Chairman Lin, Please Help Me

At that, Ye Piaoyang bent his body and let go of his ego before pouring Ma Long a cup of wine. He then raised his glass and apologized to Ma Long.

But Ma Long ignored him and didn't even flinch. He stretched his neck and put on a creepy smile. "Well, it seems like you do not respect me."

After he said that, the men in the room stood up and surrounded Ye Piaoyang instantly.

At that instant, Ye Piaoyang experienced unprecedented pressure as his sweat rolled down and his face turned pale; even the fat on his face was shaking. ^{TK}

Ye Piaoyang was quite a big shot as he was the CEO of the Black Rock Studios and had a net worth of at least a few billions. He'd been through quite a lot, so technically, he should be quite strong psychologically. But the pressure he was getting right now was exceeding his endurance limit, and he was starting to panic and fear.

Because he realized that aside from Ma Long, the rest of the men here were from wealthy families as well, and they were all people he couldn't mess up with. With their power added up, it would be more than what a mere CEO of

Black Rocks Studios could deal with.

Gulp!

He gulped loudly and said, "Mr. Ma, you misunderstood. That's not what I meant. You are somebody great, so how dare I not respect you? It's just that Ning Xiaohan is on her period these few days..."

Before he could finish his sentence, Ma Long gave him a slap, and then he fell onto the ground.

He was the CEO of Black Rock Studios and was a boss of dozens of celebrities. No matter what, he was considered a successful businessman, yet Ma Long just slapped him in the face in front of everyone else. That was too much!

The other celebrities were startled. They had never seen their CEO so lowly and embarrassed.

Lin Wenjing squinted his eyes. He wasn't surprised, because he felt Ma Long's swollen ego and realized that he never took Ye Piaoyang seriously. Otherwise, he wouldn't have said that he wanted to sleep with Ning Xiaohan so blatantly before him.

That made Lin Wenjing even more curious about the person backing Ma Long.

Ye Piaoyang was outraged from being slapped. *Ma Long is such a big bully! No matter what, I'm a CEO of a listed company, yet how dare he just slap me!*

"Ma, how dare you hit me? I'll..."

Ye Piaoyang, who was slumped on the ground, was boiling in rage. He wanted to get up and call someone to avenge him. *I was hit by Ma Long. If I don't fight back, what will others think when they hear about this?*

However, just as he was^{TK} about to get up, Ma Long came over, kicked him, and stepped on his chest, rendering him immobile. Ma Long just stared at him from the top and smirked, "You fat *ss, I asked because I was showing you some respect. You really think I care about you? I can make you go bankrupt anytime I want!"

Ma Long's face was filled with arrogance and disdain when he said those words. Deep down within his bones, he looked down on Ye Piaoyang.

Ye Piaoyang was scared. He could feel the disdain in Ma Long's eyes, and he knew he wasn't kidding.

Chapter 237 Chairman Lin, Please Help Me

Ye Piaoyang's lips twitched, and he was about to say something, but he swallowed his words in the end. He just lowered his head and surrendered.

"A piece of garbage," Ma Long spat in disdain. He then let go of Ye Piaoyang and walked toward Ning Xiaohan.

Ning Xiaohan was shuddering in fear. She immediately hid behind Lin Wenjing and grabbed his hands as she pleaded helplessly, "Chairman Lin, please help me..."

At that moment, Lin Wenjing was Ning Xiaohan's only hope.

She wasn't dumb. She could tell that Ma Long was someone she couldn't provoke, judging from his arrogance and Ye Piaoyang's fear toward him.

Although she was a popular celebrity and was regarded highly in others' eyes, she was clear that there were tons of people greater than her in this world. In the eyes of those capitalists and bigshots, she was a toy that was not even worth mentioning.

She had witnessed many celebrities flattering and pleasing those bosses and bigshots. They had no place at all.

If it weren't for the fact that she was talented enough and had always kept a low profile, she would've been played by countless people, based on her fame and her looks.

But she never wanted a life like this!

Just the thought of being tortured by those fat and old guys with huge beer bellies disgusted her, and she couldn't bear thinking about it.

Although Ma Long was a young man, the perverted gangster look he had frightened her.

Chapter 238 Lin Wenjing Took Action and Kicked Ma Long

Besides, she was clear that if she fell into Ma Long' hands, she probably would not be tortured by Ma Long alone!

She would rather die then.

Under such circumstances, the only hope she had left was Lin Wenjing. If she really had to sleep with someone, she would rather the person be him. At least he was a gentleman, and she didn't dislike him.

But she was also clear that Lin Wenjing had no need to provoke someone like Ma Long just for her sake.

Ma Long took a glance^{TK} at Lin Wenjing and looked away. He didn't even look at him properly. From his perspective, Lin Wenjing was just a henchman, a nobody.

He smiled at Ning Xiaohan evilly and said, "Hey, popular girl, I mentioned that I'm a fan of yours. I will be gentle with you. I haven't gotten your signature yet! Give me your signature when we arrive at the hotel later. In return, I'll sign on your body too. Heh."

At that, he walked over and was about to grab Ning Xiaohan.

Ning Xiaohan was frightened, and she grabbed

Chapter 238 Lin Wenjing Took Action and Kicked Ma Long

onto Lin Wenjing tightly, like a drowning person holding onto a floating wood. She wouldn't let go.

Just then, Lin Wenjing took action. He grabbed Ma Long's arms and smiled. "Buddy, don't you think you've crossed a line?"

His action made Ma Long startle for a while. He never expected him to have the courage to stop him.

To him, Lin Wenjing was a nobody, a statue. Yet now, the statue moved and grabbed his arms, so he was surprised.

Ning Xiaohan was stunned as well. A second later, she felt touched. Her nose had a tingling sensation, and her tears rolled down.

She really was thankful toward Lin Wenjing at this moment!

"F*ck!" Lin Wenjing grabbed Ma Long on his wrist. Ma Long's face darkened immediately, and he cursed loudly. He then kicked toward Lin Wenjing!

He was fast and strong. He kicked toward the direction of Lin Wenjing's private parts, trying to make him handicapped.

Chapter 238 Lin Wenjing Took Action and Kicked Ma Long

He was ruthless and cruel. Lin Wenjing didn't even do anything to him, yet he was playing dirty. It was clear how used to it he was, and he must have done it many times.

A chilliness flashed past Lin Wenjing's eyes as he scorned loudly.

He didn't have much hostility toward Ma Long in the beginning and merely disliked him, but now, his heart turned cold instantly as Ma Long tried to kick him.

Yang Xiaomi and the others saw Ma Long's action, and their eyes widened before they screamed their heads off. From their view, Lin Wenjing would definitely be handicapped with this kick!

Ma Long sneered as well, feeling satisfied. There was nothing more satisfying than destroying a man's private parts.

However, his smile froze the next moment, and a huge and painful impact made him fall backward. If it weren't for someone holding him, he would've fallen onto the ground!

It was Lin Wenjing who took action in the split second. He raised his left leg and launched a kick at lightning speed onto Ma Long's stomach. He was strong, and his strength fell

on Ma Long's stomach mercilessly!

Ma Long felt as if his intestines were breaking. The huge impact jumped around in his stomach, as if there was a knife cutting around in it, and the excruciating pain was killing him.

That kick was no joke. Lin Wenjing's martial arts was really good, and even someone like Master Grim would not be able to take his punch, let alone Ma Long, who was just a spoiled rich kid.

Even if Ma Long learned martial arts, he would just be an ordinary master, and he wouldn't compare with a genius like Lin Wenjing.

TK

Originally, Lin Wenjing didn't want to be too harsh, but Ma Long was a little too much of a bully and tried to handicap him. No men could tolerate that, especially a ruthless man like Lin Wenjing.

Everyone else was stunned. They didn't think that Lin Wenjing could fight back under such a situation and make Ma Long take a few steps back from just one kick.

"Ouch, it hurts! It's killing me... I'll kill you. I will kill you!" Ma Long covered his stomach as his face twitched in pain. He gasped as he kept scolding, and he even shed a few tears out of

pain.

Ma Long's followers never expected Lin Wenjing to actually fight back. *He really has the guts!*

Ning Xiaohan froze for a while and was soon excited. She felt a sense of security she had never felt before, and it was even more intense from the feeling she had when she was held by Lin Wenjing earlier!

Yang Xiaomi and the other celebrities were in awe as well, and they stared at Lin Wenjing as their eyes shone. They had no choice; Lin Wenjing was too hot when he launched that kick. He looked just like^{TK} a lead character in a movie!

“What are you waiting for? Get him! Kill him!” Ma Long bellowed angrily. He had never felt so aggrieved his entire life, especially since he got himself acquainted with a new kingpin who was a real somebody from a huge and mysterious group. Since then, he had been arrogant and doing as he pleased. No matter what he did, the kingpin would settle the aftermath for him.

Yet he was just beaten up, and by some nobody, no less! He was outraged!

TK

Following his instructions, his underlings immediately charged toward Lin Wenjing. A few of them were often involved in fights, so they were quite skilled. They didn't fight with bare hands; instead, they grabbed a few beer bottles on the table as their weapons.

It was quite a scene—fourteen adults were charging toward him fiercely. An average person would have been scared to death by now.

That was exactly what happened as well. Apart from Lin Wenjing, Ning Xiaohan and the others screamed when they saw this situation, terrified at what was happening in front of them. Even though they were celebrities, they were ordinary civilians who didn't know how to fight. Their circle of friends only consisted of civilized people, so they seldom quarrelled with other people, let alone deal with such violence.

Ye Piaoyang looked terrible as he panicked and regretted his actions. In his opinion, Lin Wenjing was going to face a big trouble today. Moreover, he was the person who invited Lin Wenjing for a meal here, so if anything happened, he would have to bear the responsibility.

If he had known earlier, he wouldn't have invited Lin Wenjing over for dinner tonight, and such a

thing wouldn't have happened.

He greatly regretted this decision as he could not afford to offend either Ma Long or Lin Wenjing.

Ma Long stood up and sneered happily and decisively, as if he was looking at a scene where Lin Wenjing was beaten up by everyone and was kneeling on the ground, begging for mercy!

However, Ma Long soon saw that Lin Wenjing faced his current predicament without a trace of fear. Instead, he showed a disdainful expression.

TK

Lin Wenjing was quite arrogant, indeed. If the dozen scums could hurt him, then he would not be worthy to be the most outstanding descendant of the Lin family.

When his opponents charged, Lin Wenjing moved and wrapped his arm around Ning Xiaohan. He then asked her to close her eyes in a low voice before starting to retaliate.

Initially, Ning Xiaohan was quite frightened and nervous. Then when she was suddenly embraced by a strong arm, she was stunned and forgot to close her eyes. That was when she saw a shocking scene.

She saw Lin Wenjing embracing her with one arm while facing a group of people. He retaliated confidently without a trace of panic, as if he was just taking a stroll around the garden. He constantly sent kicks to his opponents, and each of his kicks were able to send the attackers flying back. Even though he looked relaxed, his speed was very fast. Ning Xiaohan felt her entire body rotating around Lin Wenjing's arms, and her feet had left the ground several times, making her feel as if she was flying.

Bam! Bam! Bam!

Lin Wenjing quickly defeated his attackers without a single scratch^{TK} on himself. His actions were extremely elegant and precise, and one could even describe the violence as beautiful.

The parlor quietened down immediately as everyone opened their eyes wide and looked at Lin Wenjing incredulously, especially the female celebrities such as Yang Xiaomi and the rest. They were completely dumbfounded that their jaws touched the floor! After all, they didn't expect that Lin Wenjing was such a good fighter that he could defeat a dozen people while holding one person in his arms. He looked like the martial arts master who only appeared in movies!

Needless to say, Ning Xiaohan's mouth was so agape that even an egg could fit inside. She looked at Lin Wenjing dazedly, full of shock and admiration. Just now, she was held by him and had experienced a flying sensation.

Ye Piaoyang had just got up. Seeing Lin Wenjing's fight scene earlier, he almost fell down, and his expression was priceless.

He suddenly remembered that Lin Wenjing had said that his fighting skills were quite good, so there was no need to hire a bodyguard. At the time, he thought that he was just joking, but now it seemed that that was not the case—he was serious when he said that!

TK

As for Ma Long, his pupils suddenly shrank, and he thought he was hallucinating. How could this nobody be able to fight like this?

Meanwhile, there wasn't any expression but calmness on Lin Wenjing's face—there was no trace of arrogance nor excitement, and he looked like he had just done something that was not even worth mentioning. He then let go of Ning Xiaohan and apologized. "Miss Ning, sorry about that. It was quite an emergency just now. I'm sorry for being rude to you."

When Ning Xiaohan left Lin Wenjing's arms, she actually felt a sense of disappointment.

She blushed and shook her head hurriedly. "No, it's okay. I'm the one who should thank you for saving me."

Lin Wenjing smiled slightly and uttered, "It's nothing."

When Yang Xiaomi and a few other female celebrities saw this scene, they immediately returned to their senses and felt incredibly jealous as they secretly called Ning Xiaohan a vixen who robbed them of their man. Indeed, all of them regarded Lin Wenjing as their man. Of course they would do that—he was rich, able to fight, polite, and had a good figure; he was the legendary Prince Charming!

TK

As for Lin Wenjing's appearance? His looks were not as good as Wu Fanyi's youthful face, but he was definitely handsome, the kind that got better the more you looked at it. Now that young, tender men were dominating the industry, a tough and strong man like himself was rare!

All the ladies were impressed by him right now.

But Lin Wenjing ignored them and walked to face Ma Long.

Ma Long was a little scared of him and took a step back, hitting the wall behind him. He

gulped and bellowed sternly, "What do you want? I warn you—don't mess around with me! My dad is the CEO of Kun Lun Group, Ma Kaiyu!"

Lin Wenjing ignored him and continued to walk toward Ma Long until he was right in front of him. Then Lin Wenjing looked into Ma Long's eyes coldly and asked, "Do you think it's glorious to bully a woman?"

Ma Long gritted his teeth as embarrassment flashed across his face, but he immediately snorted. "It's none of your business! You don't have a say in what I do!"

Lin Wenjing smiled before ^{TK}slapping Ma Long on the face. The slap was loud, and it even drew blood.

"You—"

Ma Long flared up and wanted to fight back. After all, he was not a person who would succumb to someone else. On top of that, he had never been hit by anyone throughout his life, so he was quite arrogant and aggressive. The slap given by Lin Wenjing right now had infuriated him, but before he had the time to fight back, Lin Wenjing slapped him again.

This slap was even harder than the one earlier.

Chapter 239 Do You Think It's Glorious To Bully a Woman

Ma Long began to fight back, but he was nothing compared to Lin Wenjing. After a few punches and kicks, he was stunned. Knowing that he had brought trouble to himself, he quickly begged for mercy "Stop hitting me! Please stop hitting me! I was wrong!"

His voice was laden with tears as he begged for Lin Wenjing to pardon him.

Everyone in the parlor was shocked by this scene. The arrogant Ma Long was being bullied by Lin Wenjing like a powerless child, unable to defend himself!

Especially for Ning Xiaohan—it left an indelible impression on her mind!

Chapter 240 I'll Do Everything That You Want

In the end, Lin Wenjing accepted his apology and did not go too far.

"I'll hit you everytime I see you bullying women again in the future," Lin Wenjing warned in a mature tone. "Did you hear me?"

Ma Long was completely terrified of Lin Wenjing right now. Hearing Lin Wenjing's words, he shrank and cowered in front of him, looking like a primary student who was afraid of the discipline teacher. He nodded and exclaimed, "Yes, I heard you! I will never do this again!"

Lin Wenjing turned around and spoke to Ye Piaoyang and the others. "It's fine now. Let's go back to eat."^{TK}

Ye Piaoyang and the others hadn't returned to their senses. They still felt shocked and were in disbelief at what had just happened, especially Ye Piaoyang, who knew about the identity of Ma Long—he was the son of Kun Lun Group's CEO and was not one to be provoked.

Now that Lin Wenjing slapped Ma Long, it was equivalent to slapping Ma Kaiyu on the face. With Ma Kaiyu's temperament, he definitely wouldn't let the matter rest!

Ye Piaoyang's lips quivered as he tried to say something. But in the end, he didn't speak out

his thoughts.

He believed that someone like Lin Wenjing would know what he was doing and would not rely on his feelings. Since Lin Wenjing knew Ma Long's identity and dared to teach him a lesson, it showed that he was in a position to do so!

Gradually, Ye Piaoyang's mind cleared up. He remembered Lin Wenjing's background—since he was from the Lin family, he was not afraid of Ma Kaiyu, indeed.

After returning to the parlor, the atmosphere immediately became different. None of them spoke; instead, they all stared at Lin Wenjing with different expressions.

Before the fight, Lin Wenjing had only been drinking, so he hadn't eaten anything. After the 'workout', he was a little hungry, so he started gobbling up food without caring about others. It was more important to fill up his stomach first.

Soon, he discovered that something was wrong. He raised his head and asked, "Why aren't any of you eating? And why are you looking at me? Is there anything on my face?"

Ye Piaoyang quickly filled up Lin Wenjing's wine glass. He hesitated before asking, "Chairman Lin, you just beat Ma Long up. Aren't you afraid

that his father, Ma Kaiyu, would take revenge on you?"

Lin Wenjing smiled. "Do you think I should be afraid of Ma Kaiyu?"

Ye Piaoyang hurriedly shook his head and replied, "No, that's not what I meant! It's just that Ma Kaiyu is the CEO of Kun Lun Group, and he is quite petty. I am afraid that you will suffer in the future, Chairman Lin."

Lin Wenjing understood Ye Piaoyang's hesitation. Ma Kaiyu was the CEO of the Kun Lun Group, and he had quite a lot of power. However, to Lin Wenjing, he was nothing. Initially, he didn't plan to ^{TK}beat Ma Long up because he kept a low profile, but Ma Long had gone way too far. If he didn't fight back, he would be insulted by him, and based on his position right now, that would be unacceptable.

Since that was the case, then it was better for him to strike first. Once he attacked, he would have offended Ma Kaiyu, and since that was a done deal anyway, he might as well go a little further by beating the hell out of Ma Long first.

Apart from that, he also looked down on people like Ma Long, who took bullying women as his pleasure. He was simply a vermin among the worst of scums.

Chapter 240 I'll Do Everything That You Want

Lin Wenjing smiled and uttered, "Well, I can't just watch you and Miss Ning being bullied, right?"

Ye Piaoyang was a little touched, and he toasted him. "Chairman Lin, it's all my fault to have involved you in this mess!"

Lin Wenjing waved and said, "Chairman Ye, you're exaggerating; it's not really much of a mess, because Ma Kaiyu is just nothing to me."

Hearing this, Ye Piaoyang's eyes sparkled, and he became more determined to suck up to Lin Wenjing!

Ning Xiaohan bit her lips^{TK} and took the initiative to propose a toast to Lin Wenjing to thank him sincerely. "Chairman Lin, thank you for saving me just now! If you need any help from me in the future, just tell me, and I will do everything in my power to give you what you want!"

Seeing Ning Xiaohan's beautiful face and her touched expression, Lin Wenjing suddenly became a little bit mischievous and blurted out, "Everything I want?"

Ning Xiaohan froze. Upon seeing Lin Wenjing's expression, she suddenly thought of something else. She blushed and nodded after hesitating for a while, as if she had made an important

decision. "Yes! Your wish is my command!"

Lin Wenjing was just casually teasing her, and he didn't think that Ning Xiaohan would take it seriously. This made his heart speed up involuntarily, and he couldn't help glancing at Ning Xiaohan.

Ning Xiaohan was indeed a stunner. She was not only beautiful; her figure was particularly good as well. Apart from that, she was a famous celebrity who could be seen on the internet often, which was another plus. At that instant, Lin Wenjing actually had some dirty thoughts in his mind.

Fortunately, these thoughts were quickly suppressed by him, and then he smiled. "I'm just kidding, Miss Ning. Please don't take it seriously. Chairman Ye is my friend, and you are with him, so of course I wouldn't stand aside without doing anything."

Lin Wenjing was telling the truth. He didn't want anything from Ning Xiaohan at all. The reason why he rescued her was simply out of respect for Ye Piaoyang. Secondly, he was a person with a sense of justice, so he couldn't stay still when he saw the weak being bullied.

However, when his words reached Ning Xiaohan's ears, it was misunderstood by her.

Chapter 240 I'll Do Everything That You Want

She became anxious and quickly explained, "Chairman Lin, you misunderstood us! Chairman Ye and I have nothing to do with each other. We're definitely not involved in that kind of relationship!"

"Uh..." Lin Wenjing was a little surprised to hear that. He thought, *What's going on? I didn't say that you and Ye Piaoyang are involved in any underground relationships.*

Ye Piaoyang touched his nose awkwardly. Truth be told, as the Chairman of Black Rock Studios, he slept with a few female celebrities as per the unspoken rule of this industry. But he and Ning Xiaohan were really innocent.

TK

After clearing his throat, Ye Piaoyang also explained, "It's true. Ning Xiaohan and I only have a formal employer-employee relationship. So, Chairman Lin, you can be rest assured."

Lin Wenjing rolled his eyes. *What's going on? I don't care whether you guys have that kind of relationship. Besides, even if you don't say it out aloud, I could tell by myself. I have eyes, after all.*

But he didn't bother to explain this to them. He merely muttered in acknowledgment, and this conversation ended here.

Afterward, he continued eating. After filling his

stomach, he was ready to go back.

When Yang Xiaomi and other female celebrities saw that Lin Wenjing was about to leave, they hurriedly stood up and offered to send him home personally, unwilling to let this opportunity pass.

It was quite obvious what they actually meant to send Lin Wenjing home at such a late hour.

Lin Wenjing didn't want anything to do with them. The reason for him coming to dinner tonight was just to support Ye Piaoyang. Seeing how enthusiastic Yang Xiaomi and the others were, like a pack of wolves waiting to devour their prey, it was too much for him to handle.

In the end, he had no choice but to say casually, "In that case, Miss Ning, why don't you send me back?"

In comparison to Yang Xiaomi and the others' enthusiasm, Lin Wenjing would rather let Ning Xiaohan send him back. After all, she was more reserved, so he would be able to get away more easily when the time came.

When Ning Xiaohan heard this, she immediately froze. But in the next moment, her face turned red instantly!

Yang Xiaomi and others were stunned to hear that.

What's going on? We were obviously the ones who took the initiative, so why did Lin Wenjing still ask for Ning Xiaohan to send him back?

This is not fair! Is it because Ning Xiaohan is the prettiest among us?

*F*ck!*

Yang Xiaomi was especially bitter to hear that. She had expressed her intentions so explicitly, yet Lin Wenjing still asked for Ning Xiaohan.

Ye Piaoyang looked at Ning Xiaohan quite amorously and spoke meaningfully. "Xiaohan, since Chairman Lin asked for you to send him back, you must be on your best behavior. Don't let him down, alright?"

Ning Xiaohan felt that her heart was thumping so fast that it almost reached its limit. Her beautiful face was flushed red, looking as if she was about to explode while she nodded and replied shyly, "I know."

Lin Wenjing was speechless when he saw this. *Do I really look like a pervert?*

Finally, under the envious and jealous gazes of

Chapter 241 He Became Increasingly Attractive

Yang Xiaomi and other celebrities, Lin Wenjing and Ning Xiaohan left together.

Even though Ning Xiaohan wanted to send Lin Wenjing home, it was actually the other way around, as she didn't even have a driver's license. Of course, since both of them had some alcohol that night, it was impossible for them to drive.

"Miss Ning, where do you live? I'll send you home first," Lin Wenjing said after getting in the cab.

The blush on Ning Xiaohan's face had not disappeared. As she was still in a trance, she did not hear Lin Wenjing's words. Only after he repeated it again did she return to her senses and asked, "Chairman Lin, what did you say?"

Lin Wenjing rolled his eyes again and repeated his question. However, Ning Xiaohan misunderstood again, thinking that Lin Wenjing was planning to sleep with her at her house. The blush on her face became deeper as she bit her lip gently and told Lin Wenjing where she stayed.

Lin Wenjing knew that Ning Xiaohan had gotten the wrong idea, but he was too lazy to explain, so he directly asked the driver to go to Ning Xiaohan's house.

Chapter 241 He Became Increasingly Attractive

The journey was very quiet; there was no other sound except for the melodious music in the car.

Ning Xiaohan's heart palpitated quickly, and her thoughts were in a mess. She couldn't calm down at all and kept thinking about what would happen when she got home!

Although she had maintained her virginity in the entertainment industry, she was not an ignorant young girl—she knew about sex and everything.

At the thought of that, she blushed so much that the redness on her face couldn't fade away.

She couldn't help but ^{TK}secretly glance at Lin Wenjing, who was sitting next to her, and she noticed that he had closed his eyes and was resting quietly and motionlessly. She wondered if he was asleep.

She sneaked a peek at him from time to time. After a long time, she found that Lin Wenjing did not wake up and just lay there quietly, looking as if he was really asleep. So she plucked up her courage and stared at him intently.

After looking at him, she found that although Lin Wenjing was not very handsome, he had a special aura and looked pleasing, especially his

Chapter 241 He Became Increasingly Attractive

side profile. He appeared particularly determined and masculine. Men like him were rarely seen in the entertainment industry.

Especially his confidence and the ability to control the situation like what happened just now... With that, she felt that Lin Wenjing had become increasingly attractive!

Suddenly, an idea appeared in her thoughts.

It seemed like losing her virginity to the man in front of her right now was not a bad thing. After all, it was better than losing it to those fat men with huge beer bellies.

In fact, after entering the entertainment industry, Ning Xiaohan knew that it was difficult for herself to stay pure. Now that she had some talents to back her up, Ye Piaoyang would protect her. Nevertheless, her talents would be used up one day, and when that time came, some things would no longer be in her control anymore.

Looking at Lin Wenjing, Ning Xiaohan was dazzled.

At this moment, Lin Wenjing suddenly opened his eyes and looked at her peculiarly. "Why are you staring at me?"

"Ahh?"

Ning Xiaohan was taken aback and immediately backed away. However, with her sudden movements, she knocked her head. The pain caused her tears to flow out, and a bump was formed on her forehead.

Lin Wenjing was speechless to see that.

He didn't know what to say. *How come Ning Xiaohan is so clumsy? This doesn't match her indifferent and cold image on the internet.*

"Are you okay?" Lin Wenjing asked concernedly.

Ning Xiaohan was very ^{TK}embarrassed, and she couldn't wait to find a hole to hide herself. *What's wrong with me? I'm so stupid! I actually knocked my head and made a fool of myself in front of Chairman Lin!*

"No, it's okay." Even though she said so, she couldn't hide the pained expression on her face.

Lin Wenjing sighed and ordered exasperatedly, "Come here. Let me blow some air on it."

"What? There's no need for that!" Ning Xiaohan was shocked to hear that.

Lin Wenjing ignored her and moved over to her.

Chapter 241 He Became Increasingly Attractive

Holding her head, he blew some air at her wound gently, and the cold air immediately made her feel much better.

She raised her head and looked at Lin Wenjing—who was right in front of her—fixedly. At this moment, she felt as if the time had stopped.

"Alright. After you go back, just put some medicine on it. It should recover in two days," Lin Wenjing muttered after letting her go.

After being released by him, Ning Xiaohan felt a deep sense of loss in her heart.

Not long after, the car stopped and arrived at the place where Ning Xiaohan lived. "Okay, you've arrived. Go home and rest early. I'll go back first," Lin Wenjing uttered.

Ning Xiaohan was taken aback. "Chairman Lin, aren't you going to my house?"

"When have I ever said that I was going to your house?" Lin Wenjing asked her back.

"But... you asked me to send you home. Weren't you..." Ning Xiaohan was embarrassed to finish the sentence. After all, she was a shy person, so to say something like that out loud was too embarrassing for her.

Chapter 241 He Became Increasingly Attractive

Lin Wenjing chuckled. "You think too much. I simply wanted to go home. Alright, it's late now. Off you go."

Ning Xiaohan got out of the car in a daze. Now she was really confused. *Didn't Lin Wenjing want to sleep with me? Why is he leaving now? Is it because he looks down on me? Or is he not a superficial man like the rest?*

After returning home, Ning Xiaohan kept thinking about these questions, making her unable to sleep.

Lin Wenjing didn't think so much at all. After returning to his villa in Yulong Bay, he took a shower and immediately^{TK} began looking into Ma Long.

After meeting Ma Long tonight, his instincts told him that Ma Long's background was not simple.

He put in all his efforts to investigate Ma Long for more than an hour, but he found nothing. Ma Long's information was very simple—he was the son of Ma Kaiyu from Kun Lun Group; other than that, he had no other identities.

"Is it possible that I'm wrong?" Lin Wenjing frowned.

Chapter 241 He Became Increasingly Attractive

At the same time, in a high-end clubhouse, Ma Long, who had just been taught a lesson by Lin Wenjing, did not go home to find Ma Kaiyu immediately. Instead, he came to this place and found the man in front of him, who was enjoying a massage.

"Brother, you have to help me this time! I was beaten up!" Ma Long then reiterated what happened to him while adding some fabricated details to the story.

Chapter 242 Lin Wenjing Became Popular

The man was in his thirties. His muscles were extremely lean and full of strength, and his skin was quite firm as well, so it took a lot of effort for the masseuse to give him a massage. Someone who was observant could tell that he practised martial arts and was quite skilled as well.

After listening to Ma Long's words, the man flipped around and slapped him before cursing impolitely, "Useless piece of scum."

Ma Long was particularly angry and arrogant when Lin Wenjing slapped him earlier; but when he was slapped by this man, he did not dare to do anything. Instead, he panicked and became even more fearful. He even gave himself two more slaps. "You are right—I am trash! I am useless!"

If anyone who knew Ma Long saw this, they would be very surprised. They would never have thought that Ma Long, who was so arrogant and proud, would be so humble in front of someone else.

The man then waved his hands. "Okay, you don't have to act pitiful. Just tell me what the man's name is."

Ma Long immediately said, "Brother, I have investigated his background. That guy is Lin

Chapter 242 Lin Wenjing Became Popular

Wenjing, the Chairman of Purple Jade Studios, and he is quite rich. Even Ye Piaoyang had to bring a bunch of female celebrities to suck up to him. Of course, someone like him is nothing in front of you."

"Lin Wenjing?"

When the man heard the name, he frowned slightly. He muttered Lin Wenjing's name a few times and searched for this name in his thoughts, looking as if he had heard the name somewhere.

Ma Long's heart sank as he asked cautiously, "Brother, do you know this guy? Could he be a member of the organization as well?"

Ma Long was now afraid that Lin Wenjing was also a member of the organization. If that was the case, he couldn't take any revenge, and he probably would even need to apologize to Lin Wenjing!

"Lin Wenjing, Lin Wenjing..." Suddenly, the man suddenly sat up from his bed with his pupils dilated. "F*ck, it's him?" he exclaimed agitatedly.

Ma Long was immediately taken aback by his reaction. In his impression, the kingpin before him had always been very steady and calm in

Chapter 242 Lin Wenjing Became Popular

everything he did and had never been so surprised before. This made Ma Long's foreboding premonition become real.

"I was wrong, Brother. I didn't know him, and I've offended a bigshot in the organization. Please help me!" Ma Long shuddered and kneeled down before the man. His behavior made the man extremely confused, and he asked, "Ma Long, what are you doing? Who said Lin Wenjing is a member of the organization?"

"Huh?" Ma Long was stunned and looked dumbfounded. *What's going on? If Lin Wenjing is not a member of the organization, why is he so surprised?*

TK

The man showed an intriguing expression. "Ma Long, get up. You have done good this time."

Ma Long was confused by this. "I-I don't quite understand. Do you know Lin Wenjing?"

The man lit a cigarette and waved, signalling the masseuse to leave before he spoke again. "Tell me everything again."

Ma Long didn't know what the man wanted, but he repeated what had happened honestly. After that, Ma Long repeated, "Brother, Lin Wenjing seemed to be a good fighter. I can't even beat him with the moves that you taught me."

Chapter 242 Lin Wenjing Became Popular

The kingpin laughed. "It is normal that you can't beat him. He is the best in the Lin family. The most important thing is that he is the son of the Saint, so his genes are much stronger than ordinary people."

"W-What?!" Ma Long's eyes widened in fright. "He is the son of the Saint of Sumeru Heaven?" he exclaimed.

"That's right." The man nodded. "But don't worry. His existence is a stain in our organization. I didn't expect that Lin Wenjing would dare to stay in Hua City. This is interesting..."

Looking at the kingpin's^{TK} sneer, Ma Long couldn't help shuddering. He felt that his hands and feet had turned cold, but he couldn't help but pity Lin Wenjing as well. This time, Lin Wenjing became the target of this kingpin, so his future must be miserable.

Thinking of this, he couldn't help laughing out loud.

...

Lin Wenjing suddenly became popular because he was photographed when he sent Ning Xiaohan back that night. After the picture was posted on the internet, it quickly appeared on

Chapter 242 Lin Wenjing Became Popular

the trending section.

Ning Xiaohan was the most popular celebrity in the entertainment industry who had several titles—‘goddess of the otaku’ and ‘the jade goddess’—and she had a lot of fans.

Many people treated Ning Xiaohan as their imaginary lover, and they even dreamed of meeting her. Until now, she had never had any scandals, so her fans were very loyal to her.

However, Ning Xiaohan had a date with a mysterious man!

This was big news in the entertainment industry, so it quickly went trending at a breakneck speed. On top of that, the search requests from the public almost broke the poor server down!

Fortunately, as it was quite late at the time, so the picture didn’t show Lin Wenjing’s appearance clearly. Only the outline of his face was captured.

Even so, it was not difficult for the people who knew Lin Wenjing to recognize him.

At that time, the internet was raging over the outrageous man who had a date with Ning Xiaohan.

Chapter 242 Lin Wenjing Became Popular

"Sis, bad news! Wenjing has hooked up with a big celebrity!"

In the Chu family's villa, Chu Zhe was on his cell phone. Suddenly, he yelled loudly and agitatedly, making everyone else jump.

It was the monthly gathering of the Chu family, so everyone from the Chu's gathered for a meal. Hence, everyone heard his yells.

Since Chu Ling became the Chairman of Sheng Ke Lighting Company, her status in the Chu family had upgraded a lot.

Of course, this was only on the surface. In reality, the entire Chu family didn't like her and rejected her. Initially, she didn't even want to come to this party, but her parents insisted on her participating.

Chu Ling frowned and scolded her brother rudely, "Chu Zhe, what are you doing? Why are you so surprised? We're having a meal here."

Chu Zhe hurried over and showed his phone to Chu Ling. "Sis, look at this yourself. Wenjing is on the trending page! It turned out that the mysterious man who had a date with Ning Xiaohan last night was him!"

His words exploded like a bomb right there.

Chapter 242 Lin Wenjing Became Popular

Ning Xiaohan is a famous star, whose annual income is tens of millions. She is actually dating Lin Wenjing? Is this a joke?

Chu Ling was stunned for a moment before she looked at the phone. Sure enough, she saw Lin Wenjing standing with Ning Xiaohan quite intimately in the photo. Even though the picture only showed his side profile, she could tell that the man was Lin Wenjing at a glance, having lived with him for four years.

At that instant, the corners of Chu Ling's mouth twitched as she felt quite uncomfortable.

The other people in the Chu family also returned to their senses^{TK} and quickly took out their cell phones to check if it was true.

Chapter 243 Being Ridiculed

"It really is Lin Wenjing!"

"What's going on? Why did Lin Wenjing manage to hook up with a famous celebrity? Isn't he just a nobody?"

"This must be fake! We know very well who Lin Wenjing is. How is it possible that a celebrity is interested in him? Besides, Lin Wenjing is the live-in son-in-law of our family."

"It definitely is fake! It's just that the figure looks like Lin Wenjing; it can't possibly be him."

Suddenly, everyone in the Chu family began to stir. Many people took out their cell phones to read the news and look^{TK} at the pictures.

In fact, many of them noticed that the man in the picture was Lin Wenjing, or at least he looked 90% similar to him. Even so, some still think he merely looked like Lin Wenjing, and it was impossible that it really was him. The younger generation, especially, were fans of Ning Xiaohan, so in their minds, she was a goddess to them. On the other hand, Lin Wenjing was just a poor bloke. The difference between both of them was not unlike the difference between a goddess and an ant. So how could they be acquainted, let alone hook up with each other?

Chapter 243 Being Ridiculed

Nevertheless, all of them looked at Chu Ling with ridicule and glee etched on their faces. Since Chu Ling became the Chairman, everyone else in the Chu family didn't dare to say anything in front of her. But behind her back, everyone hated Chu Ling even more. Now that they could see her being embarrassed, they were happy about that.

With great difficulty, Chu Ling shifted her gaze from the phone. At this moment, her brain was a little blank, but she had no idea why she felt very uncomfortable. She wanted to force a smile but found it difficult to do so.

"By the way, Chu Ling, where is Lin Wenjing? Is he not here this time?"^{TK}

"Yeah, in the past, he was always present at such family gatherings. After all, he could have a fancy meal here. Why didn't he come today?"

"Don't tell me that the news is true."

Many Chu family members who usually disliked Chu Ling were now taking advantage of this opportunity to ridicule her.

Chu Ling tried her best to calm herself and simply said, "He has something to do, so he went back to his hometown."

Chapter 243 Being Ridiculed

Liu Qiaozhen and Chu Zhenyao also saw the pictures on the internet. Right now, the two of them were in a particularly bad mood. Ever since they met Lin Wenjing at Yulong Bay the other day, their attitude toward him had taken a different turn. Knowing that he got lucky and made a lot of money now, they couldn't wait for him to remarry Chu Ling, but nothing happened, so they were quite anxious about it.

Now that they saw such news, they were even more anxious. This showed that Lin Wenjing was indeed rich—he could even hook up with famous celebrities!

"Chu Ling, the mysterious man on the news who had a date with Ning Xiaohan—was it really Lin Wenjing?" One of the members of the Chu family started the topic.

Chu Ling did not answer.

Liu Qiaozhen immediately stood up. "Of course it can't be our Wenjing. It's just another man who looks like him. Do you know how deeply in love he is with Chu Ling right now?"

When Chu Ling heard her mother's words, her lips quivered. She wanted to say something, but in the end she didn't manage to speak, and she just acquiesced silently.

Chapter 243 Being Ridiculed

At this moment, another voice rang. "I think it is probably true. Lin Wenjing has become rich now. Not long ago, he bought a big villa in Yulong Bay that cost around 38 million, and he paid for it in one go."

Upon hearing this, everyone suddenly gasped!

He paid for a large villa that cost 38 million in one go? That man is loaded!

As part of the Chu family, they were already considered rich. But even they couldn't imagine paying for a nearly 40-million villa in a lump sum.

Soon, someone returned to his senses and proclaimed, "This must be fake! Lin Wenjing is unemployed, so how could he get so much money? Chu Xuan, you must be joking."

"Yeah, if Lin Wenjing can afford such an expensive house, then I'm considered the richest man in the country."

"That's right. Chu Xuan, you can really joke."

When Chu Xuan's words sank in, they didn't believe it was true, and they thought Chu Xuan was joking.

However, Chu Xuan walked forward with a

Chapter 243 Being Ridiculed

smirk on her face. "Who said I was joking? It's real. If you don't believe me, you can ask Chu Ling."

Chu Ling frowned without answering her.

Liu Qiaozhen stood up instead. "Yes, Wenjing did buy a large villa in Yulong Bay. It's not that expensive—it only cost 38.99 million."

This was too shocking for the rest of the Chu family. To them, it was like hearing a beggar whom they had known for a long time suddenly become the richest man in the world. It was too ridiculous.

"Is this real? Has Lin Wenjing gone from rags to riches?"

"It looks like it's true. Didn't you hear Chu Xuan say that it's true? It's impossible that she will lie to us."

"Damn, it seems that Lin Wenjing has really become rich. God is really unfair—even such a loser can make a fortune! How come some of us who are talented haven't become ridiculously rich yet?"

Liu Qiaozhen felt happy to see everyone's envy and jealousy. Based on her temperament, she would have already shown off a long time ago,

Chapter 243 Being Ridiculed

but Lin Wenjing and Chu Ling were divorced, so the big villa had nothing to do with them. Apart from that, Chu Ling had specially warned her to not spill the beans, so she had been holding everything in this time, making her miserable.

Now that she finally had a chance to speak out, she released everything at once.

However, Chu Xuan continued, "Lin Wenjing must have made a fortune. He can afford a big villa and can even date a famous celebrity. Chu Ling, I really envy you for having such a good husband. Tsk, tsk! When you get home later, can you ask Wenjing to get a signature of Ning Xiaohan for me? Since they are so familiar with each other, I'm sure there's no problem getting one signature, right?"

With that, everyone suddenly became quiet.

Since Lin Wenjing had made a fortune, then the rumor that he and Ning Xiaohan met at night for a date must have been true!

Suddenly, everyone looked at Chu Ling in a different light.

Their gazes were filled with sneers and ridicule; it was obvious that Chu Ling had been cheated on.

Chapter 243 Being Ridiculed

Liu Qiaozhen was also dumbfounded to hear this. She didn't expect that Chu Xuan's actual purpose was this. She was fooled!

Hence, her expression suddenly became awkward and embarrassed.

When Chu Xuan saw Chu Ling looking like this, she felt victorious and happy. She continued, "Chu Ling, don't tell me that you would refuse to help me! I'm sure it's not a big deal for Wenjing. After all, he has gone on a date with Ning Xiaohan, so their relationship must be quite close. Hehe!"

Chu Ling finally understood what it meant by being defeated until she ^{TK} couldn't even retaliate by words.

She clenched her teeth, feeling extremely uncomfortable as tears rolled in her eyes.

Chapter 244 Chu Ling Flared Up

Only now did Chu Ling know what it meant to be kicked when one was down!

She bit her lip hard, trying not to let her tears fall.

But it was really hard to bear, because she had never experienced the embarrassment she was suffering right now.

At this time, Chu Guodong walked over with a long face and asked angrily, "Chu Ling, what's going on? Lin Wenjing is the son-in-law of the Chu family; why is he hooking up with other women? If the news spread out, the dignity of the Chu family will be ruined!"

TK

"Yeah, this is preposterous! The Chu family is also a prestigious family in Hua City. Now that Lin Wenjing actually has a fling with other women, not only your reputation is tarnished, but the reputation of the entire Chu family is ruined as well!"

"Chu Ling, how do you usually deal with Lin Wenjing? How come you can't even handle this well? This is too shameful!"

"That's right. Look at her! She couldn't even take charge of her husband, yet she wants to control the entire Sheng Ke Company. Is she even capable?"

Chapter 244 Chu Ling Flared Up

"In my opinion, she should give up the Chairman position!"

Suddenly, many people in the Chu family began to chime in to insult her.

Their words pierced Chu Ling's heart like thorns, making her extremely upset. In the end, tears finally rolled down her face.

She yelled loudly, "Enough! Lin Wenjing and I are already divorced. Him seeing other women outside has nothing to do with me. And I have no rights to control what he wants to do!"

She couldn't help it anymore and told them the truth.

TK

Everyone in the Chu family were all surprised when they heard this.

What? Chu Ling and Lin Wenjing are actually divorced? Did we hear her right?

"Are you serious? You and Lin Wenjing are divorced?" one of the members of the Chu family asked.

Chu Ling nodded. Now that she had gone all out, she replied, "Yes, I have divorced Lin Wenjing. Whoever he is dating right now has nothing to do with me or the Chu family. So you

Chapter 244 Chu Ling Flared Up

don't have to worry that your reputation will be tarnished!"

Liu Qiaozen and Chu Zhenyao sighed as they were quite disappointed. Fate seemed to have played a joke on them. Now that Lin Wenjing had finally made a fortune, he and Chu Ling were divorced.

Chu Xuan was happiest when she heard the news, and she couldn't help but laugh out loud. "Wow, Chu Ling! I can't believe it! You actually divorced Lin Wenjing? He's now a rich businessman—he can afford a big villa in Yulong Bay, and he is flirting with the famous celebrity, Ning Xiaohan. They are even on the trending page right now. Don't tell me that you were dumped by Lin Wenjing?"

Chu Ling pretended not to hear Chu Xuan's words. She clenched her fists under the table as tears filled her eyes.

The rest reacted to the news and joined in mocking Chu Ling. She had now become a joke to them.

"That's enough!"

Finally, Chu Ling couldn't help it. She slammed her fists on the table suddenly and flared up.

Chapter 244 Chu Ling Flared Up

Everyone was shocked by her.

At this moment, she couldn't hold back her tears anymore. Tears streamed down her face as she growled exasperatedly, "Yes, I divorced Lin Wenjing, and yes, he is rich now. To all of you, I've indeed embarrassed myself! But is it your turn to mock me? Are you my enemy or my family? I have done everything you've asked me to since I was young. Before marrying Lin Wenjing, I had never once brought shame to the Chu family! That aside, weren't you guys the one who asked me to marry him? In the end, you blamed me for that! Are you guys still humans?"

Someone whispered, "It's been so long. What do you expect to gain by mentioning it now?"

Hearing what was said, Chu Ling looked over immediately and yelled, "Fine! Let's put the past aside. I will just talk about the most recent things! Our family had a crisis twice, and during both times, I was the one who turned the entire situation around! If I didn't borrow 20 million from the Chairman of Purple Jade Studios during the first crisis, the Chu family would have been long gone! Fine, after borrowing 20 million to help the Chu family to get through the crisis, Chu Hao gambled all the money away instead, leaving us in another crisis again. It was me who got 100 million from Purple Jade

Chapter 244 Chu Ling Flared Up

Studios to save the Chu family! To be honest, if it weren't for me, all of you here would have nothing. Do you think you would still have a share of the dividends every month? But instead of being grateful to me, you mock me and ridicule me, as if I'm a joke to you. Is this how you should behave? Are you my family or my enemies?"

Chu Ling roared out her thoughts in one breath hysterically, with streaks of tears on her face.

She had never been so agitated all her life. Even when she married Lin Wenjing and suffered a lot, she still swallowed the hardships and acted as if it was nothing.

TK

However, at this instant, she really couldn't help it anymore as everyone in the Chu family had gone overboard! If other people mocked her this way, she could still accept it. But everyone here was her relatives—they were either her elders or her siblings. However, right now, they mocked her like she was their enemy. *What gave them the right? Am I not a part of the Chu family as well? Am I not human?*

At this moment, everyone was stunned. They looked at Chu Ling blankly, utterly shocked that her reaction would be so intense. They had never seen her behave in such a way before.

Chapter 244 Chu Ling Flared Up

After a while, a voice rang. "Come on, we were just kidding! Do you have to be so worked up?"

The voice belonged to Chu Xuan, who complained in a low voice with no guilt or regret on her face. Instead, she seemed indifferent and nonchalant.

Not just her, but many other members of the Chu family thought so as well. They had no sympathy for Chu Ling at all.

When Chu Ling saw this, she fell silent and felt extremely hopeless while her heart turned as cold as stone. At this moment, she finally saw how cold-blooded her relatives were. They were not worth her contribution to this family at all!

She walked to Chu Xuan and stared at her fixedly. "Just kidding?"

Chu Xuan raised her head. "It's just a joke. Do you have to be so—"

With a *clearsmack*, Chu Ling slapped Chu Xuan before she could finish her sentence. The sound was very crisp and clear.

Chu Xuan was taken aback for a moment, and then she became extremely furious and cursed, "Chu Ling! Are you f*cking out of your mind?"

Chapter 244 Chu Ling Flared Up

Chu Ling smiled and replied, "Why are you so worked up? I was just joking."

Chu Xuan immediately felt very upset. She did not expect that Chu Ling, who had always been so gentle, would actually slap her. When she wanted to fight back, she heard Chu Ling threaten, "If you dare to fight back, I promise from now on, you won't receive a cent from the company in the future!"

Hearing this, Chu Xuan backed down.

Chu Ling was the Chairman of Sheng Ke Lighting Company right now, and she had all the power. If Chu Ling really wanted to pick on Chu Xuan, she truly wouldn't get any money at all.

Thus she had to back off.

After Chu Ling settled the argument with Chu Xuan, she turned around and looked at the rest of them coldly. No one else dared to sneer at her anymore. Her breath came out in an angry huff before she strode away.

Chapter 245 Where Is Lin Wenjing

After Chu Ling left, the rest of the Chu family were left behind, looking embarrassed. Chu Xuan, especially, felt like she was having the worst day.

She gritted her teeth and looked at the direction Chu Ling left, her thoughts filled with bitterness.

Today, Chu Ling didn't show me any mercy at all. I hate her!

I must take revenge against the humiliation that I suffered today, otherwise I would forfeit my surname as Chu!

Many members of the Chu family were also complaining, thinking that Chu Ling had gone overboard this time. She didn't respect the elders and even dared to slap Chu Xuan. It was outrageous.

However, no matter how much they were upset at Chu Ling's actions, they couldn't do anything about it right now. After all, Chu Ling was now the Chairman of Sheng Ke Lighting Company and wielded the financial power of the family. Even if everyone was dissatisfied with her, they couldn't do anything about it.

At this moment, the shuffling of footsteps could be heard from the door. Right after that, a group of people rushed over to them.

"Hey, who are you? Get out! This is where the Chu family gathers for a meal!"

Upon seeing the group of people breaking in impolitely, Chu Hao immediately walked over and reprimanded them, trying to drive them out.

However, as soon as he finished speaking, he was pushed away by the man in front easily. He staggered back and fell heavily on the table, knocking the table over at the same time.

The sudden turn of events immediately aroused anger among the Chu's. Several young people from the Chu family walked over, flexing their hands while they shouted, "Who are you? How dare you make trouble here? Do you have a death wish?"

"How dare you touch Hao? I think they are tired of living!"

"Let's go and teach these idiots a lesson!"

Because of what happened with Chu Ling just now, the young people were already infuriated. They held back their rage, and there was nowhere to vent it. But now that this group of people rushed in and hit the people in the Chu family, their anger was immediately ignited. So they walked forward with an intent to teach this group of people a lesson.

However, even though they charged swiftly, they were also beaten quickly in just one round. It was quite humiliating.

This sudden change in events frightened everyone in the Chu family. Their family had been established in Hua City for a long time, and they were quite well-known. They had never encountered such events before; someone actually came to their doorsteps and attacked them.

Many of the Chu family members became scared when they saw the menacing appearances of the approaching party.

In the end, the head of the family, Chu Guodong, stood up and asked in a deep voice, "Who are you, and why did you break into the Chu family's gathering and hurt my family? If you don't explain yourselves, we will call the police!"

"Brother, it's the gathering of the Chu family today. It seems that we got it right," Ma Long said to the tall man next to him obsequiously.

The people who attacked were Ma Long and his leader, the kingpin. They actually broke in and attacked the Chu family directly in arrogance.

Ma Long's leader nodded and looked around, but he did not see Lin Wenjing, so he frowned

and asked, "Where is Lin Wenjing? Tell him to come out!"

Hearing his leader's domineering words, Ma Long was extremely excited because he couldn't wait to see him kneeling in front of him, begging for mercy!

Ma Long had utmost confidence in his leader, thinking that as long as he was there, Lin Wenjing could definitely be settled. After all, Ma Long had never been insulted like that throughout his life, and to him, it was a great humiliation. If he didn't get his revenge, he wouldn't be able to sleep soundly in the future!

Many of the Chu family^{TK} members frowned upon hearing this.

Ma Long walked forward and ordered, "Hurry up and ask Lin Wenjing to come out! If you dare to protect him, I will let your entire Chu family disappear in Hua City from now on!"

Right now, Ma Long was arrogant and aggressive. Born with a silver spoon in his mouth, he was already a rich person from a young age. He had such a strong aura with a decisive tone right now, and his words immediately incited fear and panic among the Chu family members.

Finally, Chu Guodong announced, "We have nothing to do with Lin Wenjing. You have found the wrong people."

Bam!

Ma Long slapped the table violently and smashed the table apart. He bellowed fiercely, "How dare you lie to me? I have investigated everything. Lin Wenjing is the son-in-law of this family, and today is the Chu family's gathering, so he must be here! If you know what's best for you, hand him over as soon as possible, otherwise I will obliterate the Chu family!"

One of the Chu family members who had a fierce temper stood up^{TK} and retorted, "Who are you, exactly? How dare you say something so outrageous? Obliterate the Chu family? Do you have this ability?"

Ma Long walked over and gave him two loud slaps. "I am Ma Long. The CEO of Kun Lun Group, Ma Kaiyu, is my father. And you say I have no ability to obliterate the Chu family? Since you guys want to protect Lin Wenjing, that scum, then be prepared to die with him!" he sneered.

Ma Long's words immediately frightened the Chu family.

Kun Lun Group!

That was a giant company with market value that was worth tens of billions. To Kun Lun Group, the Chu family was as puny as ants.

At this moment, they had completely panicked. Then one of the Chu family members quickly took out his cell phone to look up Ma Long's background. When they saw Ma Long's information, they found out that he was really the son of Kun Lun Group's CEO.

Chu Guodong was also very frightened, and he quickly uttered, "It's all a misunderstanding! Lin Wenjing is no longer the son-in-law of the Chu family. He has divorced^{TK} my granddaughter, Chu Ling! We don't know where he has gone either!"

"That's right! We have nothing to do with Lin Wenjing. You have to investigate everything properly! To be honest, we also hate him, and we wish he would die soon. How would we even protect him?"

"Lin Wenjing is the thorn of the Chu family."

"The point is, we don't know where Lin Wenjing has gone, and he didn't attend our family gathering this time. If you don't believe me, you can look at the surveillance tapes of the restaurant. Please don't harm the innocent."

Every single one of the Chu family members began to steer clear of their relationship with Lin Wenjing by saying a lot of bad things about him.

After hearing this, Ma Long frowned. He specifically asked people to come to the Chu family to find Lin Wenjing, and he initially thought that he would find him here, but he didn't expect the outcome to be like this.

"I don't care! Use your fastest speed and hand over Lin Wenjing immediately! Otherwise, I will take you as his scapegoat!"

Hearing this, all the Chu family members began cursing. They hated Lin Wenjing to their cores.

However, at this moment, a voice rang. "I know how to find Lin Wenjing!"

It was Chu Xuan. She walked out gracefully and kept her gaze on Ma Long. She was somewhat beautiful; although she was not as pretty as Chu Ling, she belonged to the category of gorgeous women.

Ma Long walked over and instructed, "Tell me right now how to find him!"

Chu Xuan answered with a smile, "It's simple. Just find his wife, Chu Ling, first, then he will
