

A Life Upside Down Chapter 461 – 463

Chapter 461

As Wayne Lin's words fell, the audience suddenly fell silent, and everyone looked at Wayne Lin.

Including Sun Liang, they were all taken aback by Wayne Lin's words. He knew that Wayne Lin was a master of the Innate Realm. However, in a small circle, singled out more than one hundred people, he still received professional training. Bing, it's impossible, right?

The more than one hundred people on the scene also opened their eyes wide, thinking that Wayne Lin was too arrogant! No, it can no longer be described as arrogant, but absolutely arrogant, defiant, and contempt for them to the extreme.

Even if they were the last instructor, a veritable master of the Innate Realm, they would not dare to speak so loudly, single-handedly against so many of them, and the way to paint the ground as a prison!

Tan Qiuya's eyes lit up a lot. She looked at Wayne Lin closely, and she had an intuition that Wayne Lin seemed to be able to do it...

And Chang Hongshen, who was in the building not far away, froze for a moment, then laughed, thinking that Wayne Lin was looking for death, and the level of half a bucket of water began to swell.

He didn't think Wayne Lin really had this ability.

At this moment, Wayne Lin added, "By the way, you can use and, in addition to guns, you can use any cold weapons that are easy to use. As long as you can force me out of this circle, you will win."

What is arrogance, arrogance, and rampant?

Wayne Lin is now.

However, he didn't mean to be half arrogant, he just told the truth.

Suddenly, the scene exploded, and the hundreds of soldiers began to boil.

"Damn! It's crazy, I can't help it!"

"I've seen someone who is arrogant. I've seen him for the first time if he is so arrogant! This doesn't teach him a lesson, where can we put the face of our hundred-odd people!!"

"It's too much. This is a naked humiliation. I want to see if he really has three heads and six arms, so he can single out more than a hundred of us!!"

"What are you doing so much with him? Let's let this guy feel our anger well."

"Show him the color!!"

They surrounded Wayne Lin all of a sudden, and began to stare at Wayne Lin with anger, their expressions were more ferocious than one, and they were full of anger and murderousness towards Wayne Lin. I have to say that the momentum they brought was quite big, if it were ordinary The master of the Innate Realm would really be jealous and restrained, but for Wayne Lin, it didn't affect him at all.

The atmosphere suddenly rose with swords and crossbows. More than a hundred soldiers surrounded Wayne Lin with three layers inside and outside. This scene seemed extremely shocking, and one person could drown Wayne Lin with one spit.

Sun Liang's expression suddenly changed, and he had to stand up and scolded: "Hey! What are you guys doing? Rebellion!"

"Chu Sun! It's not that we are going to rebel, but that this new instructor is too much."

"Yes, Chief Sun, you heard what this guy said just now. It was he who uttered wild words first to provoke us. Anyway, we are also the elites of Xuanyuan 3rd place. We were mocked by a businessman like this. Where do we put our faces? what!!"

"Chu Sun, we can't stand this kind of anger."

“We admit that this new instructor is a bit capable. We are not his opponents single-to-one, but he said that we are going together and we can’t get him out of the circle. This is clearly an insult to us!!!”

The emotions of these soldiers were more agitated than one, and Sun Liang had a headache when he saw it. He expected that Wayne Lin would be troubled by these soldiers when he first arrived. He also believed that with Wayne Lin’s strength, he could easily deal with it. However, what he didn’t expect was that Wayne Lin was so arrogant that he wanted to single out more than a hundred Trumpeters with his own power.

This is too arrogant, even if Wayne Lin is a master of the innate realm, it is impossible to do it. From the bottom of his heart, Sun Liang didn’t believe that Wayne Lin could defeat the more than one hundred soldiers.

According to what Wayne Lin said just now, once he failed, he would kowtow and apologize, and the instructor would not have to do it... Sun Liang couldn’t help but feel a headache when he thought of this kind of thing.

He put down his identity and personally invited Wayne Lin to come over. He didn’t expect that something like this would happen and he would fall short in the end, and he was particularly distressed.

Even with that, I complained a little about Wayne Lin, thinking that Wayne Lin looked calm and introverted, but he didn’t expect his personality to be so arrogant and unpretentious. Now he has to play off himself.

Sun Liang said in a deep voice: “Naughty! Instructor Lin,

This is joking with you, okay, the farce ends here, you return to the team, from now on, you must obey Instructor Lin’s orders. “

These over a hundred buglers dare not reconciled, but for them, obeying orders is their bounden duty, even if they are unhappy, there is no way.

But at this moment, Wayne Lin smiled and said, “Chu Sun, I’m not joking.”

Sun Liang’s expression suddenly froze, “Instructor Lin, you...this hundred soldiers are not simple in strength. They have a special set of total skills, which are not so easy to deal with.”

Sun Liang thought that he was enough to give Wayne Lin face, and tried every means to get Wayne Lin down the steps. If Wayne Lin didn't appreciate this, he would be disappointed.

Sure enough, Wayne Lin smiled and shook his head, and said, "It doesn't matter, I can deal with it. Besides, if I don't convince them, I believe they will not be willing to listen to my orders."

Sun Liang sighed and was disappointed again with Wayne Lin. He gave Wayne Lin a meaningful look. He didn't speak any more and stepped aside. Everyone could see that Sun Liang was a little angry. Wayne Lin was really too I can't be a man anymore.

Chang Hongshen, who was in the building not far away, almost laughed, shook his head, folded his hands on his chest, and waited to see Wayne Lin's joke.

In fact, Wayne Lin saw everyone's reaction in his eyes. He knew and understood all of them, but he did it anyway. Firstly, he had absolute confidence in himself. Secondly, he showed it well. For his own opportunity, especially in the third place of Xuanyuan, many people questioned him. He simply took advantage of this opportunity to open up these people!

In this way, his position in the three places of Xuanyuan will also be improved abruptly. Anyway, he has joined the three places of Xuanyuan, so naturally he will shine.

When he reached the level of Wayne Lin, he had to consider everything he did, and every sentence and every decision had his intention.

"What I said just now is still valid. Let's go together and use all your strength." Wayne Lin said lightly.

A soldier from the acquired peak came out, squinted his eyes, looked at Wayne Lin with a smile, and said, "New instructor, no eyes, just in case something happens..."

Without waiting for him to continue, Wayne Lin said directly: "You are arrogant in life and death. You can beat me to death, it is your skill."

With Wayne Lin's words, they were relieved. They looked back at Sun Liang and found that Sun Liang had no objections. They were even more relieved. At the same time, they clenched their fists, and their fighting spirit continued to rise. .

I have to say that Wayne Lin stood among them, feeling their fighting spirit and anger, the pressure was still a little bit, but it was quickly erased by him.

“Instructor Lin, be careful!”

When the voice fell, three people immediately went up together, rushing towards Wayne Lin from three directions at the same time. Their speed was very fast and their cooperation was very subtle.

They have absolute confidence that they can win Wayne Lin.

However, what happened next shocked all of them.

I saw Wayne Lin understatement, kicking the three kicks separately, not to say that the line of sight can be caught, but the angle is very tricky, almost at the same time, kicking these three people away.

And when he fell to the ground, he screamed and couldn't stand up anymore.

“Don't waste time, let's go together.” Wayne Lin said calmly.

“Arrogant!!”

Immediately there were five more people on the go, two of them were still masters at the pinnacle of the day after tomorrow, and their total skills were even more sophisticated.

However, Wayne Lin also didn't touch Wayne Lin, so he was beaten out by Wayne Lin with three punches and two kicks. He fell to the ground and couldn't get up.

At this time, the rest of the people no longer looked down on Wayne Lin, their expressions began to become solemn, and then ten of them came out together, three of whom were still holding a baton in their hands.

Facing their attack, Wayne Lin was still very relaxed this time, but it took a little longer for two or three seconds. Bang, bang, bang, a few critical strikes, and beat these ten people to the ground, but Wayne Lin still No injuries.

“You won’t have a chance if you don’t go together.” Wayne Lin hooked his fingers at them, with a bright smile on his face, looking very friendly.

There were about a hundred people left. They looked at each other, gritted their teeth, and decided to go together. They couldn’t do it. So many people couldn’t force Wayne Lin into a small circle of less than one meter! ! !

Chapter 462

“Let’s go together! I don’t believe it anymore. With so many of us, we still cannot beat him.”

“Since he has said so, let’s go together, we can drown him with one spit!”

“I have to admit, this guy is a bit capable, but so many of us can’t beat him together, then we will pee and drown ourselves!!”

“Go together.....”

The remaining No. 100 people looked at each other, and their eyes started to turn red. They now regarded Wayne Lin as an opponent, and their chests were full of fighting spirit! To break out, each of them is a bloody person, usually very competitive and eager. Now being forced into this way by a young man, it really makes them angry.

For a while, they no longer hesitate, breathing quickly, and their fighting spirit rises, every cell is boiling, and then they roar, which can shake mountains and rivers, very surging, let alone a person, even if A mountain must be removed by them.

This situation is too scary. In an instant, Wayne Lin also felt a little pressure, but it was far from the pressure he faced on the cliff for a few days, and he didn’t need to pay attention to it now.

Instead, the corners of his mouth raised, showing a satisfied smile.

Finally got together, this is what he wants.

Now his realm has stabilized in the third stage of the innate realm, only half a step away, he will be able to enter the fourth stage, and at that time, he will be in the same realm as Ye Xingchen and Nishang.

“Good coming!!”

Suddenly, his eyes widened suddenly, and his original unremarkable aura suddenly improved at this moment, like a skyscraper erected out of thin air.

Almost in the blink of an eye, a dozen people rushed in front of him, appeared in all directions, with fists and feet covering his whole body, in all directions that could dodge.

From an ordinary person’s point of view, Wayne Lin was definitely going to be injured, because all directions and all angles were blocked.

However, Wayne Lin did something that ordinary people could not understand. From an absolutely tricky angle, his body was in a weird posture, and he just escaped the attack of a dozen people without touching his clothes. Then, the next moment, he began to fight back.

The fist is like a cannonball, it hits quickly, bang bang bang bang, every time a punch is punched, one person will inevitably fly out, and it is powerful enough to knock everyone behind.

At the same time, there were seven or eight other people who were kicked out by him. So the picture Sun Liang saw was centered on Wayne Lin, like a repulsive magnet, and bounced all of them away.

Especially Chang Hongshen, who was standing upstairs, saw it more clearly, and his eyes became round suddenly.

His breathing stagnated, and he didn’t even see how Wayne Lin made the move. In the blink of an eye, Wayne Lin broke the game?

However, Wayne Lin repelled the dozen or so people who were at the brunt of it, and did not relieve the crisis. More than 80 people came in and wanted to launch a fierce attack on Wayne Lin.

I have to say that although these soldiers in Xuanyuan 3 are not high in their realm, their fighting ability is still good. They can fight better than masters of the same realm. They are especially courageous and will not be afraid. When Wayne Lin was so mighty, they were just shocked, not intimidated. On the contrary, they were even more fierce, and their fighting spirit was even more boiling.

Standing in this circle, Wayne Lin never stepped forward. Facing the rest of the crowd, he made continuous shots. The speed was not very fast, but every move was extremely subtle, like an unknown prophet, always predicting in advance. To the opponent's action, then break.

So, outsiders

In his eyes, he saw the shocking scene. Wayne Lin stood in the circle and never came out, and he always kept a smile on his face, which seemed so relaxed and calm, and the people who threw at him almost He couldn't make the second move, and he was shot flying, like a basketball, hit the wall, and bounced back.

In less than two minutes, there was no one standing except Wayne Lin.

The over a hundred buglers all lay down.

No, there is the last one. It was the first bull who challenged Wayne Lin. He now rushed to Wayne Lin three meters before stopping. Looking at the colleague lying on the ground, his face suddenly became pale!

Wayne Lin smiled and said to him: "You are left, do it."

Guru! !

Daniel swallowed heavily, his scalp numb, especially when Wayne Lin looked at him like this, he was really terrified, and his feet began to swing.

It wasn't that he was not brave enough or afraid of death, but that Wayne Lin was shocking him too much now! He couldn't think of killing him. Wayne Lin could really bring down so many people. He still had no injuries at all in such a crushing situation.

Is this really still a human?

It's a monster! ! !

Daniel's face was full of fear, and he couldn't help asking Wayne Lin, "Are you a human or a ghost?"

Wayne Lin was amused. He deliberately made a threatening action to Daniel, "What do you think?"

Suddenly, Daniel became even more frightened.

He backed quickly now, tripped his back feet and fell to the ground. All his fighting spirit faded at this moment. Even when performing dangerous tasks, he had never been so gaffe.

In fact, Wayne Lin's toughness greatly exceeded his imagination.

In fact, not only him, but everyone present was shocked by Wayne Lin. The eyes looking at Wayne Lin were full of shock, incredible, and hell.

Sun Liang was dumbfounded and stared at Wayne Lin motionlessly. He couldn't recover for a long time. He knew that Wayne Lin was amazing, but he didn't expect Wayne Lin to be so amazing!

In his impression, there seems to be no such abnormal character in the three places of Xuanyuan?

As for Chang Hongshen, who was upstairs in the building, he also had a numb scalp now. He stared at the square in disbelief. Looking at the shameless Wayne Lin, he was completely stupid.

He has lived for so long and has never encountered such a thing. Even with his will, he is shocked at this moment.

At this moment, Wayne Lin suddenly turned around, raised his head and looked at him, showing him an intriguing smile, his eyes clearly saying, 'Is my performance satisfying you? 'Chang Hongshen's scalp became more numb. Obviously, from the beginning, Wayne Lin knew that he was peeping here.

At this moment, he completely lost the contempt and doubt of Wayne Lin before, but invisibly, he felt a sense of awe for Wayne Lin.

Wayne Lin can stop, he stands with his hands behind him, smiling and saying, "How about it, is there anyone who is not convinced? I can wait."

No one spoke, they were all impressed by Wayne Lin.

Finally, someone stood up one after another, walked to Wayne Lin, bowed deeply, and said convincingly: "Instructor Lin, I take it. From now on, you will be my instructor. You let us go east. We will never west!"

With the first one taking the lead, soon there will be a second and a third, until everyone bows deeply to Wayne Lin, showing their respect and conviction.

Chapter 463

When Wayne Lin saw this scene, he couldn't help but smile, and his goal was achieved.

He knew very well that being an instructor in Xuanyuan three places was not so easy to do. The best way was to convince them, and now he has done it.

The next thing is much easier, Wayne Lin has successfully become the new fighting instructor of Xuanyuan 3rd place.

Moreover, the attitude of these soldiers towards him had undergone a 180-degree change. No one dared to despise him anymore. They were all in awe of them, and they couldn't hide their worship of Wayne Lin.

This time Wayne Lin really completely convinced them. Originally in Xuanyuan three places, he was respected by strength, and whoever had the ability was respected.

After Sun Liang came back to his senses, he was so excited that Wayne Lin really gave him a great surprise this time!

Originally, he thought Wayne Lin was just a more powerful master of the innate realm, but he didn't expect that Wayne Lin's strength was already terrifying to this realm. There was no problem at all as a fighting instructor!

Then, he saw that Wayne Lin's coaching ability was particularly strong, not only able to play, but also to teach, it was perfect. You should know that many people are powerful, but their ability to teach others is not strong. Just a scientist who has a lot of knowledge himself, but if he wants him to teach others, then it is not necessarily good.

And Wayne Lin is now very strong, and his ability to teach others is perfect.

As for Chang Hongshen, he soon came over to apologize to Wayne Lin, and his attitude was quite sincere, which made Wayne Lin's impression of him much better, and there was no hostility towards him.

For the next three days, Wayne Lin stayed in the three places of Xuanyuan, specially coaching these hundred soldiers.

It was not until the next day that he realized that the hundred-lai troopers he was coaching were not the entire force of Xuanyuan III, but only two of them, namely the third and fourth teams.

In addition, there are four groups.

They are the first group, the second group, as well as Fangs and Dragon Blood.

The strength of these four groups is stronger than that of the third and fourth groups, especially Fang Fang and Dragon Blood, which are even stronger.

If you really want to compare it, it's like the difference between an ordinary class and an elite class at an age, and the Olympic class.

And Wayne Lin is the head teacher of the ordinary class.

After these three days, he has a deeper understanding of the three places of Xuanyuan, knowing that the three places of Xuanyuan are mainly dealing with foreign forces and actions in China. If there are foreign forces, they have done bad things in the country, and ordinary police cannot solve them. It's up to them.

Over the years, because of the continuous improvement of China's international status and the strengthening of its comprehensive national strength, it has attracted many foreign companies to invest. This is a positive and a good thing. But at the same time, along with it, many evil foreign forces began to infiltrate the country.

Like the Connor and the boss behind him that Wayne Lin met before, the supernatural person is one of them.

Moreover, this category is relatively low-key, and the harm is not so great. Some of the more evil ones are more difficult to deal with.

The relationship is even more complicated.

Wayne Lin also learned that the three places of Xuanyuan were originally very powerful, and there were seven or eight masters in the innate realm.

However, five years ago, a relatively serious evil event occurred. The three places of Xuanyuan experienced a fierce battle, which lasted for a full eight months, and finally ended in victory at the three places of Xuanyuan, and this evil foreign force was wiped out. Up. But in the same way, the three places in Xuanyuan also paid a tragic price. Of the eight innate realm masters, five died, and only three were left!

And these three, two of them can't stand serious injuries either.

Fortunately, after these five years of recuperation, Xuanyuan's three places slowly recovered. Among them, the fangs and dragon blood have all appeared masters of the innate realm, and they can act independently.

After listening, Wayne Lin was quite interested in Fang Fang and Dragon Blood, especially their instructor, definitely a master.

On the fourth day, Wayne Lin left Xuanyuan No.3. This was an agreement between him and Sun Liang. It was just the outside personnel of Xuanyuan No.3, just like contract workers, not working in Xuanyuan No.3 with full diligence.

Back in Hwadrid, his feelings were completely different, it was a kind of home feeling.

Especially when he was with Alma Chu, he was even more peaceful.

Tao Sanniang has returned from Yuancheng. Wayne Lin picked her up. As soon as they met, Wayne Lin greeted her, and Tao Sanniang threw her breasts into his arms.

“You don't want more...”

“Wayne, I want to kill you!!”

Tao Sanniang’s arms were like cane, hooked Wayne Lin’s neck, and looked at him on tiptoes, winking like silk.

I don’t know if it was his illusion. He found that after not seeing it for a while, Tao Sanniang seemed to have become even more attractive, and her whole body exuded a scent of goblins, and she salivated when she smelled it! Can’t wait to eat her in one bite.

Isn’t it? It’s not just Wayne Lin who was tempted. The men around him couldn’t move one by one. They looked straight at Tao Sanniang, and many of them showed obsessive eyes, even more towards Wayne Lin. It is envy, jealousy and hatred.

If the eyes can kill, then Wayne Lin has been killed 10,000 times.

Even if he is a master of the innate realm now, Wayne Lin’s face is still very thin. In the crowd, being held by Tao Sanniang in such a close and intimate manner, Wayne Lin will still feel embarrassed, and his face will be a little red.

He quickly coughed twice, pushed Tao Sanniang away, and said, “What are you doing, it’s a big crowd, cuddling, you are not shy.”

With a happy smile on Tao Sanniang’s face, she raised her head and said: “What is it, you are my man, what happened to me holding you? I tell you, you ran away in Yuancheng last time, now I come back to Hwadrid, you are not allowed to run away!”

Wayne Lin’s body stiffened instantly. He was not a stupid pig, and naturally knew what Tao Sanniang meant.

“Cough, cough, cough!” Wayne Lin hurriedly coughed, his face turned a little red, Tao Sanniang, the fairy, spoke too boldly.

But why does he like it a little bit?

“What? I don’t understand. Okay, I won’t be arguing with you. It’s going to rain soon. Get in the car as soon as possible. Otherwise, you will get drenched.” Wayne Lin quickly changed the subject.

Tao Sanniang couldn't tell that Wayne Lin was shy. She was even more sly scared. She liked seeing Wayne Lin's shy look. It's so cute. She is already a super big figure, and she blushes so easily. , This kind of man, I am afraid that it has become extinct.

However, she was also very considerate. Knowing that Wayne Lin's face was thin, she didn't want to embarrass Wayne Lin anymore. Instead, she whispered a coward, and then intimately embraced Wayne Lin's arm and pushed the suitcase to Wayne Lin. Go, his face is full of sweetness.

She is the kind of beauty who is absolutely overwhelming, and harming the country and the people. To cooperate with her to cultivate to the top level of charm, it is extremely shocking to ordinary people, and many people can't move their eyes.

Wayne Lin is extremely envious.

However, at this moment, there was a gaze that looked over from the crowd, gritted his teeth, and was sad again.

"Hey, Yanran, why are your eyes red? Is anyone bullying you?"

"No....."

"I said no, you are going to cry!" Then, the man followed Yanran's gaze and saw Wayne Lin and Tao Sanniang. She became furious, "Damn, it's this scumbag who bullied you. I will teach him for you!"

A Life Upside Down Chapter 464 – 466

Chapter 464

"Hey, don't go..."

The woman named Yanran stood up quickly and tried to hold the girlfriend in front of her, but she was already a step slower, and the girlfriend strode towards Wayne Lin and Tao Sanniang.

She is no one but Ouyang Xuehai's daughter, Ouyang Yanran.

During this period of time, she was in a very bad mood. She followed her best friend to travel abroad, visited a few places, and ate a lot of local delicacies. Her mood was a little more happy. Finally, she just flew back to Hwadrid City and was at the airport. Just saw such a scene, Wayne Lin and another woman Qingqing, I and I are clearly a relationship.

I don't know why, when she saw this scene, she felt very uncomfortable, and she even felt aggrieved, her nose was sour, her eyes were red, and there was an urge to cry!

She didn't understand why she had such a reaction. It was obvious that she and Wayne Lin weren't even friends, they just met a few times, but she just couldn't forget Wayne Lin, especially when she saw Wayne Lin being close to other women. It is extremely difficult.

What's bad is that her good friend discovered her anomaly and had to go to trouble Wayne Lin, which really scared her!

She knows her best friend's character, savage and hot, and will definitely be rude to Wayne Lin. The point is, she and Wayne Lin are not like that at all, aren't they doing a disservice.

"Guiying, come back soon, things are not what you think!!" Ouyang Yanran hurriedly overtook her to stop her best friend Yang Guiying, but Yang Guiying was very fast. At this moment, she was already in front of Wayne Lin.

And shouted loudly: "Hey, scumbag, you stop me!"

She yelled loudly and with anger, and suddenly everyone around her was startled and looked over.

Wayne Lin had long discovered her anger towards him and felt inexplicable, but he didn't look back, pretended not to hear, and continued to move forward.

Instead, Tao Sanniang turned her head and looked at Yang Guiying strangely. She frowned and was very angry, but Wayne Lin didn't say anything. If she continued to move forward, she couldn't say anything. After all, she was outside, a virtuous man. Women still have to give face to men all the time. Tao Sanniang still has this bit of wisdom for women.

Yang Guiying became even more annoyed. She stepped up to the ground and grabbed Wayne Lin's shoulder directly, "Hey! I'm talking to you, are you deaf?"

Her speed is quite fast, she has the realm of a master.

If it was an ordinary person, she would have to be captured by her and fell to the ground. Her eyes flashed a little bit fiercely, intending to teach Wayne Lin this scumbag a lesson.

However, her three-legged cat kung fu is too pediatric for Wayne Lin. Wayne Lin just casually took one side of her body and avoided her grabbing.

Tao Sanniang suddenly became annoyed. She patted Yang Guiying with a palm and cursed, "Where is the mad woman from? She is sick!"

Tao Sanniang is also a master in the realm of masters. She rarely makes shots, which does not mean that she is a weak female class.

Yang Guiying was not wary of Tao Sanniang. She was accidentally slapped by Tao Sanniang, her face changed, and she stepped back several steps in a row. She became even more angry, shouted for death, and then got anxious and started to face Tao San. Mother attacked.

Fortunately, at this moment, Ouyang Yanran had already ran over, and she quickly stopped Yang Guiying, "Guiying stop!"

Yang Guiying was grabbed by Ouyang Yanran. She was very angry and said: "Yanran, don't stop me, let me go, let me teach this couple!"

With that, she was about to push Ouyang Yanran away.

Tao Sanniang is also on fire now. She was in a good mood when she came back this time, but was destroyed by Yang Guiying, a crazy woman.

So she also has to do something to teach Yang Guiying a lesson.

At this moment, Wayne Lin spoke and said in a deep voice, "Enough!"

He frowned, stared at Ouyang Yanran, and said, "Ouyang Yanran, what are you doing?"

Ouyang Yanran was so scolded by Wayne Lin, especially the impatient expression, which blocked her heart, and she felt an unprecedented grievance. She opened her mouth and wanted to talk, but she found that she couldn't say anything. My nose became sour instantly, and tears flowed out unsuspectingly!

Even if he witnessed Laibinbai's derailment in the first place, he was far less sad than now.

Wayne Lin had never cared about her, even in Wayne Lin's eyes, she was just a savage woman.

She didn't know why she was like this. It was obvious that she had a noble background, thousands of pursuers, and a lot of excellent people. It happened that she had a love for Wayne Lin, which was very abnormal to her!

But in fact, she can't change it. Wayne Lin is indeed the most attractive and powerful man she has ever met.

I feel that this kind of thing cannot be controlled or manipulated.

Wayne Lin was shocked when he saw her crying.

What the hell is this? He didn't scold anyone either. Besides, he was obviously the victim.

As a woman, Tao Sanniang had outstanding observation skills, and she could tell at a glance that there was nothing so simple between Ouyang Yanran and Wayne Lin, she showed a meaningful expression.

As for Yang Guiying, she became even more angry, thinking that it was Wayne Lin's scumbag who had done something to hurt Ouyang Yanran!

She yelled a scumbag and began to attack Wayne Lin again.

Tao Sanniang naturally wouldn't let Wayne Lin take action, she stood in front of Wayne Lin and fought Yang Guiying.

For a time it was even harder to match.

Wayne Lin immediately got a headache when he saw it.

Many people in the airport stopped and began to watch this good show.

Many people still need to take out their mobile phones to take pictures. After all, this situation is not always visible.

Yang Guiying couldn't win Tao Sanniang for a while, she became even more anxious, and cursed at Wayne Lin: "Scumbag! You hide behind a woman, what a man, you don't want to be a turtle, and I Fight!"

Tao Sanniang also scolded: "Crazy woman, please clean your mouth. My man is not a scumbag!"

Yang Guiying cursed at Tao Sanniang: "You are a mad woman. You were deceived by this little white face. He is a scumbag and deceived my girlfriend. Now he is cheating with you again. You have to protect him with such a little white face. Your mind is flooded!"

Little white face?

When Wayne Lin heard these words, he became even more dazed. When did he become a little boy? It's so wrong.

Wayne Lin was really dumbfounded.

Ouyang Yanran wiped her tears. Seeing this situation, she became even more panicked, and rushed over to hold Yang Guiying, "Guiying, don't fight, things are not what you think, he...ah... "

Yang Guiying was furious. Wherever he cared about Ouyang Yanran, she pushed Ouyang Yanran out with a quick push. She was not weak. Ouyang Yanran was out of balance and was about to fall, and it happened that there was a half-meter high behind her. If it falls down, it's hard to fall.

In a hurry, Wayne Lin had to take action. He was very fast, and in the blink of an eye, he arrived in front of Ouyang Yanran and caught her, but Ouyang Yanran was panicked, completely in a conditioned reflex, and hooked tightly. Wayne Lin's neck, the two postures were quite ambiguous...

Chapter 465

The atmosphere became a little awkward for a while.

Wayne Lin hugged Ouyang Yanran's waist, while Ouyang Yanran hooked his neck. That posture was made between lovers. Ouyang Yanran's chest was still pressed against Wayne Lin's chest.

Ouyang Yanran smelled the male hormonal scent from Wayne Lin's body, her breathing accelerated a lot, her pretty face flushed involuntarily, even she was a little bit reluctant to leave Wayne Lin's embrace.

"Ahem, are you okay?" Wayne Lin coughed twice, he quickly corrected Ouyang Yanran, and then let go.

Yang Guiying and Tao Sanniang, who had been fighting on the side, stopped at the same time, Yang Guiying's face was full of expressions of 'it really is so', while Tao Sanniang squinted her eyes with some jealous and thought-provoking smiles.

Wayne Lin had a headache again, and he couldn't cleanse it after jumping into the Yellow River this time.

Ouyang Yanran left Wayne Lin's arms, still a little bit reluctant, she shook her head and said, "Thank you, otherwise I just fell down."

"Yeah." Wayne Lin nodded and said, "Since you are okay, explain to your friend to avoid being misunderstood."

"Oh..." Ouyang Yanran gave a frustrated reply, and then briefly explained to Yang Guiying. However, looking at her appearance, it was obviously not convincing. On the contrary, it seemed to people that there was a gap between her and Wayne Lin. The one with a leg was now abandoned by Wayne Lin.

Yang Guiying understood Ouyang Yanran's character, and she looked even more unpleasant to Wayne Lin.

Wayne Lin didn't bother to care about these insignificant details, and said, "Since there is nothing wrong, I will leave first."

"Wait a minute." Ouyang Yanran was inexplicably frustrated when she saw him leaving, she couldn't help but speak, and stopped Wayne Lin. Wayne Lin turned her head, "You still have something?"

"No, it's okay." Ouyang Yanran wanted to say something, but she couldn't say anything. She suddenly hated herself a little bit. Why did she suddenly become stupid? I can't even speak anymore!

Wayne Lin didn't know her psychological struggle, and he gave her a strange look, then walked to Tao Sanniang, took Tao Sanniang's hand, and left the airport.

"Hey, this scumbag dare to leave!" Yang Guiying wanted to catch up again. Ouyang Yanran quickly grabbed her and said: "Guiying! Stop making trouble, he is not my boyfriend, I and him... Friends are not even friends."

When she said this, Ouyang Yanran was quite sad. She once had a chance to get closer to Wayne Lin, but at that time she completely looked down on Wayne Lin and missed this opportunity. Now Wayne Lin has become an unattainable existence for their entire family.

Yang Guiying widened her eyes, and said more angrily: "What? Then he played with your feelings and didn't even give you a place? No, as your best friend, I must teach him! It's damned, this Dead man!!"

"Enough." Ouyang Yanran said angrily: "He is not a scumbag, and nothing has happened before me and him. From beginning to end, it was my passionate and unrequited love."

But when Yang Guiying heard this, her face was full of disbelief. She also reached out her hand to touch Ouyang Yanran's forehead, "I heard that right, you Ouyang Yanran would also be unrequited love? Besides, that guy, just looking at it. That's it! Did you get your head down?"

Ouyang Yanran rolled her eyes. The first time she saw Wayne Lin, she felt almost the same. She didn't put Wayne Lin in her eyes, but with more and more contact, she began to feel Wayne Lin's charm...

She sighed and said, "You haven't been in contact with him, you don't understand."

Yang Guiying was full of disdain, and said: "I think you are infatuated. Just now, the guy is not handsome at all, and he can't help but stand behind a woman. He has no masculinity at all!"

Ouyang Yanran immediately said, "You are mistaken, his martial arts are so strong

Very, a hundred of you are not his opponent. He didn't make a move just now, but he didn't want to be familiar with you. "

When Yang Guiying heard this, her face was disapproving, thinking that Ouyang Yanran was a beauty in the eyes of her lover, "Cut, you treat me as a fool, just like that scumbag, who is weak and weak. He is also strong in martial arts. You can beat him! Do you know what I am, Master! Many professional boxers are not necessarily my opponents."

Ouyang Yanran said: "I didn't lie to you, he is really good at fighting. Some time ago, he killed an innate realm master!"

"Hahaha, Yanran, why have you become so innocent? This is not your character. Do you know what an innate master is? That is a superhuman existence. You think that guy is my idol!" Yang Guiying Said disdainfully.

Ouyang Yanran became interested and asked: "Do you still have an idol? Who?"

Yang Guiying immediately straightened her back and said with a face full of admiration and yearning: "Of course, my idol is the number one strong in Province G, a truly peerless strong, even my master, when he mentioned idols, The face is full of admiration and shame, thinking that idols have the hope to impact the legendary realm of King Kong indestructible, and truly make the existence of the land immortal!"

When she mentioned the idol, her eyes were full of light, and her fists were clenched, as if she was talking about a god.

Ouyang Yanran was also stunned. She had known Yang Guiying since she was a child, a good girlfriend. She had never seen Yang Guiying admire a person so much. For a while, she was also curious and asked, "What is his name, male and female?"

"Listen!" Yang Guiying's momentum changed, and then she said with pride: "My idol is called Wayne Lin. He is only 28 years old this year and is already the number one player in G province! I am now. The goal is to meet the idol and ask him for an autograph! If I have the luck and can worship the idol, then my life will be complete!!"

After hearing this, Ouyang Yanran was instantly dumbfounded. She stared at Yang Guiying dumbfounded. She didn't expect that the idol of her good girlfriend was Wayne Lin? How does this feel so absurd!

And Yang Guiying didn't know that she had offended the idol just now. She was very proud and complacent and said, "How about, you are also scared by me? Haha! I learned that the idol is from Hwadrid. This time I came to Hwadrid. I came to the idol. When the time comes, I will hook up with the idol. I will introduce you to it, so that you can also see and see the breath of the No. 1 powerhouse in the province, and ensure that you forget the little white face just now!"

After speaking, Yang Guiying was still full of pride, thinking that what she said was right, she would definitely be able to get Ouyang Yanran out of the sea of suffering.

However, Ouyang Yanran's expression became even more weird. She stared at Yang Guiying and said, "Guiying, haven't you seen a picture of your idol?"

Some guilty conscience flashed in Yang Guiying's eyes, but she still nodded vigorously, and said: "Nonsense, that must have been seen before, otherwise why should I come to him."

As a good girlfriend for many years, Ouyang Yanran couldn't see that Yang Guiying was pretending, and said in a weird tone: "Then you know, who is the man who was scolded by you just now?"

Yang Guiying hadn't reacted yet, she blurted out, "You know, scumbag..."

Suddenly, she realized that something was wrong, and seeing Ouyang Yanran's weird expression that couldn't help but laugh, she suddenly felt a jump in her heart, thinking of a certain possibility, she shook her head quickly and said, "Impossible..."

Ouyang Yanran couldn't help it, and said, "Congratulations, you have already met your idol just now, and you were almost beaten by you."

Yang Guiying stiffened and forced a smile, saying: "Impossible, Yan Ran, you must be joking with me."

Ouyang Yanran shook her head, looked at her with some sympathy, and said, "It's really him, otherwise you think my eyesight is so bad, do you really see a little white face?"

Suddenly, Yang Guiying's expression changed, and then, she let out a wailing, "No!!!"

Chapter 466

Yang Guiying's mentality collapsed, and she had never thought that such a thing would happen.

She is an avid fan of martial arts. After hearing about Wayne Lin for a while, she became crazy about Wayne Lin and regarded Wayne Lin as an idol. She was even more obsessed than chasing stars. She dreamed of seeing him. Wayne Lin, the ultimate goal is to worship Wayne Lin's sect. This time she came to Huarvell, mainly rushing to Wayne Lin, but she never expected that she would actually see Wayne Lin, but this was the case.

When she realized that Ouyang Yanran was not joking, but the fact, she hurriedly chased Wayne Lin in the direction where Wayne Lin disappeared...

However, it was still too late. Wayne Lin and Tao Sanniang left the airport and took the car back.

Yang Guiying really wanted to cry without tears, all her thoughts were grayed out for a while, and she felt that her life was gloomy.

She actually called her idol a scumbag, a little white face, and she had to teach the idol just now. Now the idol must be extremely disgusted with her.

"My life, why is it so bitter..." Yang Guiying sat next to the flower pond with a face full of love.

When Ouyang Yanran saw her like this, she wanted to laugh a little, but she didn't expect Yang Guiying to be such a stubborn and hot person would have such a sad side.

"Are you okay?" Ouyang Yanran patted her on the shoulder and asked concerned.

Yang Guiying immediately grabbed Ouyang Yanran's hand and said excitedly: "Yanran, chase the idol! When you are with the idol, blow the pillow wind to the idol and let the idol accept me as a disciple!!"

With a fiery face, she stared at Ouyang Yanran straightly.

The more I think about it, the more I feel that this method works, and then he said: "Yan Ran, on your terms, if you look so beautiful and have such a good figure, the idol will definitely like you! When you become an idol, then the idol will definitely not I will hate me. With my martial arts talent, idols are definitely willing to accept me as a disciple...Oh no, won't you become my wife by then?"

Ouyang Yanran saw her talking more and more ridiculously, and couldn't listen anymore, she said quickly: "Hey, what nonsense are you talking about? It's messy! Didn't you see just now? Wayne Lin already has a confidant, besides, he already Married, where can I have any chance..."

Speaking of this, Ouyang Yanran is quite uncomfortable. She never thought that Ouyang Yanran, such a goddess with such a good condition, was always the only one pursued by others, and now that Feng Shui turns, she has become a crush on others.

Yang Guiying recalled the picture just now. It seemed that the idol really didn't have much interest in Ouyang Yanran, so she was extremely lost and couldn't help but sighed. For a while, the two of them were sitting next to the flower pond, lost in their souls, and they became a landscape in the airport.

.....

Speaking of Wayne Lin's side, after he and Tao Sanniang came out, they found that Tao Sanniang was looking at him with a smiling face, which made him feel very guilty.

He was embarrassed by the look, and asked: "What's the matter, keep looking at me like this."

Tao Sanniang did not speak, but still looked at him with a non-smiling expression. He couldn't bear it, and continued to explain: "Just now, that was Ouyang Yanran, Ouyang Feng's daughter. You saw it at Gu Hanxing's birthday party before. Yes. There is no relationship between me and her as you imagined."

Tao Sanniang said, "Huh? What kind of relationship do I imagine?"

"Uh..." Wayne Lin immediately lost his words, became even more anxious, and said, "I didn't lie to you, me and her..."

Tao Sanniang did not continue to tell Wayne Lin, she blocked Wayne Lin's mouth, and said with a smile: "Fool, I just teased you. It's not the first day I met you. What kind of person are you? I don't believe it."

Wayne Lin asked with some confusion, "Do you really believe me?"

On the contrary, he is a little unconfident.

Tao Sanniang held his hand and said softly: "Of course I believe you, if you were really the kind of man with a heart, you wouldn't have rejected me like that.

It was not at the beginning that I chose to stand by your side when you were betrayed by relatives. You promise now that you will not accept me. So, how about a "cowardly" man like you, would he just get in touch with flowers outside? "

Wayne Lin breathed a sigh of relief when he heard it, but after listening, there was something wrong with Tao Sanniang's mouth.

Tao Sanniang quickly realized this, her face turned red, and she continued: "Actually, you don't have to worry about me being jealous. I am also a third party. I am already very content to be with you. What qualifications do you have to be consistent?"

Wayne Lin opened his mouth and wanted to say something. Tao Sanniang blocked his mouth again and said, "You don't need to say, I know. You are a good man, and at the same time you are also an absolutely excellent man, a man like you. , Is destined to be extraordinary, and is destined to be loved by many women. I am mentally prepared. I believe similar things, your wife also told you."

Wayne Lin was silent.

It is true that Alma Chu said something similar to him more than once, but he felt ashamed when he heard it. Is a person like him really qualified to have three wives and four concubines?

Next, Tao Sanniang didn't say anything more about it. She held Wayne Lin's arm all the way, Xiaoniao Yiren, very sweet.

She put her identity very upright, and had never longed to monopolize Wayne Lin. This was her idea, and it was also a fact.

For her, as long as she can date Wayne Lin occasionally and have her place in Wayne Lin's heart, that is enough.

Today Tao Sanniang came back and Wayne Lin stayed with her for a day, but in the evening, she did not stay for the night. After having a supper with Tao Sanniang, she left.

Tao Sanniang is a bit disappointed, but she did not force Wayne Lin to stay. She knows how to measure and knows this kind of thing. The more you ask, the less you get. On the contrary, many times, she knows how to be considerate to men and stand more. Thinking from a man's perspective, on the contrary, men will pity even more.

This is a science, Tao Sanniang is already familiar with it.

After Wayne Lin returned to Yulong Bay, Alma Chu and the two old men were already asleep. He went back lightly, took a shower, changed a new set of clothes, and then returned to the room.

Seeing Alma Chu lying on the bed, breathing evenly, she seemed to be asleep.

He felt a little guilty in his heart. In his concept, he always felt that this was an immoral thing, even if he had obtained Alma Chu's acquiescence.

Alas, he sighed, he no longer thought about it, did not choose to go to bed, but simply meditated on the ground so as not to wake Alma Chu.

But as soon as he sat down, he heard Alma Chu's words, "Why don't you sleep in bed?"

Wayne Lin was startled and said, "Did you wake you up?"

“No.” Alma Chu shook her head. She turned on the bedside lamp, sat up from the bed, and said with a smile: “I didn’t fall asleep.”

Wayne Lin was even more embarrassed. He walked over, held Alma Chu’s hand, and said softly, “Is it because you are waiting for me?”

Alma Chu smiled and shook her head and said, “It’s so stinky, I didn’t wait for you. I just couldn’t sleep because I drank coffee today.”

Wayne Lin also laughed, he had found the answer in Alma Chu’s eyes.

Suddenly, he had an urge to confess and be lenient, “Alma, actually I...”

When the words came to his lips, he found that he couldn’t speak again.

However, Alma Chu became very smart at this moment. Her eyes were full of wisdom. She seemed to have seen through what Wayne Lin wanted to say. She smiled and said, “There is no need to have any psychological burden. When you think the time is right, take me Just meet her and get acquainted.”

“Huh?” Wayne Lin’s heartbeat accelerated a lot.

Alma Chu had turned off the light, lay down, and took his hand to make him lie down, and said, “Don’t talk, I’m sleepy, hug me...”
