

A Life Upside Down Chapter 491 – 493

Chapter 491

As soon as Ning Yuning spoke, the whole audience immediately calmed down. Everyone stopped their movements and enjoyed Ning Yuning's singing wholeheartedly.

I have to admit that Ning Yuning's voice is so good, she is a natural singer, and the melody of this song is very good, and the lyrics are very beautiful, especially the expression on Ning Yuning's face now, affectionate, longing, Sweetness, sadness, and emotions are all perfectly interpreted on her face.

She didn't pretend it deliberately, but completely from her heart. A man's voice appeared in her mind, flashing scenes and scenes that men have experienced.

She expressed all her emotions, everything she wanted to say to that man in this song.

Everyone present was deeply immersed in her music world, feeling her emotions at the moment, and the love and admiration for that man, and even a hint of heartbreaking humbleness!

This made everyone present involuntarily jealous of the man. What kind of man is it to get Ning Yuning's infatuation?

When singing to the climax part, Ning Yuning's emotions reached an explosive point. She remembered those profound images, the huge identity gap between her and men, and the indifference of men towards her. She was extremely lost and lost. Humble, tears fell completely uncontrollably and silently...

As for her tears, she immediately provokes the heartstrings of the audience, was deeply moved, and became sad and humble together.

Finally, after singing a song, Ning Yuning's face was already covered with tears, she said with shame and shame: "Sorry, I made everyone laugh."

No one spoke, they stared at her blankly. After a few seconds, someone began to applaud. Then, thunderous applause rang out on the scene, and they did not hesitate to give praise to Ning Yuning. Just now Ning Yu Ning's interpretation is perfect! The singing is better than the cd version. Today they came to the Alice Western Restaurant. It was great value.

However, many sensitive people realize that Ning Yuning must have a sweetheart. The new song just now was written for her sweetheart. Moreover, Ning Yuning was still in a secret love state, and her sweetheart didn't seem to accept her.

This can't help but make them think about it...

Alma Chu saw it too, and she said in surprise: "That song just now...Ning Yuning has a sweetheart!"

Lu Guyun also nodded, agreeing, "I can see it too. Just now Ning Yuning performed a new song, which obviously moved her true feelings!"

Chang Yuqin said: "This is big news. Since her debut, Ning Yuning has always been the image of a jade girl. She has never had any scandals, nor has she filmed sex scenes or kiss scenes. How many people are the perfect goddess, and now she has a sweetheart. Now, if this spreads out, I don't know how many fans will be heartbroken for it!"

Zhu Xinghai frowned and said, "I shouldn't? Ning Yuning has been so clean and jealous, how could she have a sweetheart? And she said that her new song was written for a friend, but she didn't say it was for her sweetheart. ."

He said this sentence quite sour, obviously a little unhappy, he is also a loyal fan of Ning Yuning, and once fantasized about Ning Yuning many times, but at his level, he couldn't catch up with Ning Yuning at all.

Another male friend also refuted, not willing to accept the fact that the goddess in his heart has a sweetheart.

Lu Guyun said immediately: "So you guys are so rough and don't understand women's minds at all. Just Ning Yuning's performance of singing that new song just now must be a sweetheart. The kind of affection in her eyes can't deceive people. "

Chang Yuqin also agreed, nodding her head vigorously, and then she curiously said, “I don’t know who is Ning Yuning’s sweetheart?”

Lu Guyun said, “That’s enough to make big stars like Ning Yuning have a crush

, Also reveals some humble people, they must be super big people! “

“This is also…”

At this moment, Zhu Xinghai’s eyes rolled, he noticed that Wayne Lin hadn’t spoken all the time, and he looked left and right, with a vacant look, he smiled slyly, and brought the topic to Wayne Lin, smiling and said: “Mr. Lin, you are not Say you are the chairman of Ziqiong Media, and you can be considered a person in the entertainment circle. You must know who Ning Yuning’s sweetheart is?”

Wayne Lin suddenly felt a throb in his heart, his expression froze, a little vacant, and the eyes of other people were all on his face.

Seeing his guilty conscience, everyone began to sneer, watching his jokes.

As everyone knows, they all misunderstood Wayne Lin’s guilty conscience. It was not because of the status of the chairman of Ziqiong Media, but Ning Yuning’s performance just now. He also saw that, in all likelihood, this sweetheart is him!

Now he regrets a little bit. He had known this way, he shouldn’t have come. If this was discovered by Alma Chu, it would be a bad thing…

Alma Chu also looked over, and she also saw Wayne Lin’s guilty conscience, but she didn’t think deeply.

Fortunately, Wayne Lin’s psychological quality is not the same, and he quickly returned to nature. “Ning Yuning is not an artist of Ziqiong Media. How do I understand these gossips.”

There is nothing wrong with the logic of what he said, but Zhu Xinghai sneered, “Really? Since you are the chairman of Ziqiong Media, then Ning Yuning should know you? I wonder if you can call her over. Shall we sign?”

“This...” Wayne Lin hesitated. It’s not that he can’t, but he doesn’t dare. If Ning Yuning arrives and shows a little horse’s feet and is discovered by Alma Chu, then he will be finished.

Zhu Xinghai kept staring at him, seeing his expression, immediately became happy, and asked even more vigorously, “Why, President Lin, you don’t even have the face to call her over? Haha.”

The three of Lu Guyun snickered when they heard it. They didn’t think Wayne Lin was the big boss from the beginning to the end, but just an ordinary person who likes to brag. They didn’t have the ability, how could they have such a big face, and invited Ning Yuning Come here?

Wayne Lin was rather helpless now, so he had to say, “I don’t know Ning Yuning well.”

“Hahaha, are you not familiar with it, or don’t you know it at all?” Zhu Xinghai couldn’t help but laughed aloud, the others also looked at him jokingly.

Alma Chu couldn’t stand it anymore, she frowned and said, “What’s so funny? Zhu Xinghai, as if you could call Ning Yuning over.”

Zhu Xinghai said triumphantly: “Sorry, let you be right, I can really call Ning Yuning over.”

Lu Guyun and Chang Yuqin immediately brightened their eyes, gave Zhu Xinghai a thumbs up, and said admiringly, “Mr. Zhu is awesome!”

Alma Chu was very upset. She hadn’t been so aggrieved for a long time since she became the president of Centec Lighting. At the same time, she didn’t understand Wayne Lin, why did she suddenly become so swallowed? This is not Wayne Lin’s character.

Zhu Xinghai snapped his fingers at the manager, and the manager walked over. He said proudly: “Manager Tan, can you help me pass a message to Miss Ning Yuning, saying that Zhu Xinghai from Star Crown Group invited her to come and eat together. A meal.”

Manager Tan showed some embarrassment on his face and said: “Mr. Zhu, Miss Ning Yuning is very popular now. Many big bosses are lining up to invite her. If I go to spread the word, it may not be enough.”

What Manager Tan said was very obvious. Zhu Xinghai couldn't understand it. He thought for a while and said, "Well, I will personally go over and invite Miss Ning Yuning."

After speaking, he stood up and walked in Ning Yuning's direction with Manager Tan.

Chapter 492

Wayne Lin saw that Zhu Xinghai really invited Ning Yuning, his wry smile worsened, and he secretly looked at Alma Chu and found that Alma Chu's eyes were full of expectation. He had to hold back the words in his heart and prayed that Zhu Xinghai did not have this. The ability to invite Ning Yuning over, or after Ning Yuning over, won't show her feet.

Speaking of Zhu Xinghai, he held his head high and walked towards Ning Yuning ambitiously. He walked with wind and was particularly proud. He had met with Ning Yuning before. With his identity, he was confident that Successfully invited Ning Yuning over.

At this moment, several people were already around Ning Yuning, inviting Ning Yuning over to eat, but Ning Yuning did not agree and declined with a smile.

After Zhu Xinghai approached, the amazing color in his eyes couldn't be concealed, his heartbeat accelerated a lot, and his breathing began to rush. He wanted to look natural and natural, but he found it difficult to do it. In fact, Ning Yuning is too beautiful, and the aura is very big, more charming than when he saw Ning Yuning last time.

"Well, Miss Ning, how are you." Zhu Xinghai walked up to Ning Yuning and greeted with a smile, looking a little nervous.

Ning Yuning nodded to him politely and replied hello with a smile.

Then Ning Yuning looked at other places and ignored him.

Zhu Xinghai was a little embarrassed, but he did not give up. Instead, he cleared his throat and continued: "Miss Ning, I am Zhu Xinghai, the general manager of Star Crown Group. I want to invite you to my place and have a meal with my friends. Sign a name, I don't know, can Miss Ning show her face?"

Ning Yuning shook her head and said apologetically: “Mr. Zhu, I’m sorry, I still have something to do. Forgive me for not being able to eat with you. As for signing, you can ask your friend to come over and I will sign on the spot.”

After hearing this, Zhu Xinghai frowned slightly. He was full of what he said just now. He must be able to invite Ning Yuning over, but now that Ning Yuning refuses him, it makes his face a little uncontrollable.

If the other party was a small star, he would have been rude long ago, but this is Ning Yuning, a super star, and he can’t afford to offend him, so he lowered his posture and said, “Miss Ning, it won’t take you much time. , My seat is over there, just a few steps away. Besides, my friends are all your ardent fans, and I promised them to invite you over, hoping that Miss Ning can give me a face. Zhu is grateful!”

But Ning Yuning’s expression remained unmoved, she showed an apologetic smile, “Mr. Zhu, it is true that there are too many people who have invited me, and I am not too favoritism. I hope Mr. Zhu understands that you can make your friends. Come here.”

Zhu Xinghai frowned. He looked back and saw that Lu Guyun and Chang Yuqin were all looking at him, especially Alma Chu’s gaze, which made him unable to erase his face. He gritted his teeth and continued: “Miss Ning To be honest, I have made a promise to a few friends that I will definitely invite you over. If you don’t want to, I really don’t have a place to save my face, so I also ask Miss Ning to help.”

Ning Yuning still shook her head, “That’s really embarrassing, I really can’t walk away. Mr. Zhu, why don’t I sign some names, and you show them to your friends?”

“This one…….”

Zhu Xinghai became a little irritable. He forced them to pretend to be out. If Ning Yuning could not be invited, he would definitely be laughed at by Wayne Lin!

Nearby, there are several bosses who also came to invite Ning Yuning, but Ning Yuning rejected them. They all looked at Zhu Xinghai mockingly now, thinking that Zhu Xinghai was overbearing.

force.

Zhu Xinghai felt even more uncomfortable when he saw the eyes of these people. He gritted his teeth and said: "Miss Ning, alas, that's it. I have a friend who has a terminal illness. This time he came to the Alice restaurant just to see you. On the one hand, it's not convenient for her to come over now, so I asked Miss Ning to look at the face of my friend and move her jade feet!"

After Ning Yuning listened, she hesitated again and asked, "Where is your seat?"

When Zhu Xinghai saw Ning Yuning's intention of letting go, he was immediately overjoyed, and hurriedly pointed towards the seat, "It's right there, not far away, just two steps away."

Ning Yuning followed Zhu Xinghai's fingers and looked over, saw a familiar figure, her eyes straightened suddenly! The body trembled, and the breathing stopped!

At this moment, the voice of the audience suddenly disappeared. In her world, all the voices, all others, disappeared at this moment, only the man in her eyes! !

Wayne Lin, Randal Lin!

It's him!

Ning Yuning's eyes widened suddenly, her expression was completely incredible, and her whole body was taken aback.

Zhu Xinghai was stunned when he saw her expression. He didn't understand why Ning Yuning showed such an expression.

Could it be that something went wrong?

When he was about to question his gains and losses, when Ning Yuning was about to ask questions, Ning Yuning regained her consciousness. She took her gaze back from Wayne Lin, and a bright smile suddenly appeared on her face. She lost her color, all women were lost in her smile.

Quite a little bit of looking back and smiling Bai Meisheng, the meaning of the sixth palace pink and black colorless.

Zhu Xinghai was stunned at the moment, looking at Ning Yuning completely demented. Not only him, but everyone around him was deeply shocked by Ning Yuning's blooming smile, and his heart seemed to stop beating.

"Okay, I'll go with you and meet your friends." Ning Yuning said with a smile. Her joy of the moon could hardly be concealed. She couldn't see her teeth, as if she was alive in an instant. Come here, to match her dress tonight, she is the goddess among the goddesses.

Zhu Xinghai finally came back to his senses. He was very excited, and nodded quickly: "Good, good! It would be great if Miss Ning can go over and sign for us, my friend will know it, I will definitely be very happy!!"

The bosses around, they are dumbfounded now, they don't understand why Ning Yuning is willing to accept Zhu Xinghai's invitation, they are envious now! At the same time, I regretted that they had said that a friend who had a terminal illness was cured. They didn't expect this trick to work. It seems that the rumors on the Internet are good. Ning Yuning is a kind-hearted person who especially sympathizes with the weak.

Zhu Xinghai also thought that Ning Yuning was because of this. He was particularly excited and happy now. He glanced at the bosses in contempt, puffed up his chest, and took a victorious rooster alive and led Ning Yuning away. past.

As he walked, he still chatted with Ning Yuning, but unfortunately found that Ning Yuning was not very enthusiastic in speaking, and he was also indifferent to him. He was a little embarrassed and did not speak any more. But he immediately thought that he would be very excited by inviting Ning Yuning over.

On Wayne Lin's side, his gaze had always been on Ning Yuning, and seeing that Ning Yuning had actually come over, the bitterness in his heart became even heavier.

Chapter 493

Contrary to Wayne Lin's bitterness and anxiety, the other four people's emotions were extremely high, and their faces couldn't hide their excitement. Even Alma Chu was no exception. They became more excited and excited as they watched Ning Yuning get closer and closer. Happy.

Finally, a jeweled and radiant Ning Yuning followed Zhu Xinghai. Zhu Xinghai cleared his throat and proudly introduced: "Miss Ning, these are my friends. They are all your loyal fans. Tonight it is also because of Miss Ning that came to Alice Western Restaurant specially!"

Lu Guyun stood up quickly and said in a hurry, "Miss Ning, hello, hello, I am Lu Guyun, your loyal fan girl! It's your little raindrop!"

Fans of Ning Yuning have a special name, called Xiao Yudi. After Ning Yuning heard it, she smiled slightly. Her gaze was taken back from Wayne Lin, and she smiled at Lu Guyun and said, "Miss Lu, hello, very Thank you for always liking me."

Lu Guyun flushed with excitement, and became even more frantic, "No, Miss Ning, you are so beautiful, even more beautiful than on TV! It is an honor to be able to see you in person once!"

Ning Yuning has been used to this kind of scene, she did not feel embarrassed, but said generously: "Miss Lu, you are also very beautiful. Mr. Zhu just said you want my signature?"

"Yes, yes, yes!" Lu Guyun immediately took out a notebook from her bag and handed it to Ning Yuning with both hands. The excitement on her face became more intense, and she was so excited that there was abnormal flushing on her face.

Ning Yuning smiled and signed her name on the notebook. It was very beautiful and the words were just like her own. Under the signature, she also wrote a paragraph: I wish Miss Lu a speedy recovery.

Miss Lu saw this sentence and was stunned, and asked: "Miss Ning? What do you mean by this sentence?"

Ning Yuning said: "Just now, Mr. Zhu told me that a fan has a terminal illness and would like to see me once, Miss Lu, isn't it you?"

"Huh?" Miss Lu gave a dazed expression on her face and shook her head. "I don't have one. I'm fine, there is no terminal illness."

Ning Yuning flushed immediately and apologized embarrassedly: "I'm sorry, I made a mistake, Miss Lu, I apologize to you."

“It’s all right.” Lu Guyun also shook her head quickly, saying that Zhu Xinghai was not to blame.

Then Ning Yuning said to Zhu Xinghai: “Mr. Zhu, I don’t know which friend has a terminal illness?”

Others also looked at Zhu Xinghai. Now it was Zhu Xinghai’s turn to be embarrassed. He coughed twice, pointed at Wayne Lin, and said, “It’s him, it’s him who has a terminal illness! Yes, it is him!”

Wayne Lin: “...”

Ning Yuning: “...”

Alma Chu: “...”

The other three people were also dumbfounded. Wayne Lin took it seriously. Why did he get terminally ill?

Zhu Xinghai is proud of his wit, he thinks his reaction speed is very fast, not only to relieve himself, but also to curse Wayne Lin.

Alma Chu immediately frowned, and said dissatisfied: “Zhu Xinghai, what are you talking nonsense, Wayne is good, how can there be any terminal illness?!”

Zhu Xinghai had already said the words anyway, and he said directly: “Really? Wayne Lin himself told me just now. He said he was terminally ill and was about to die. Before he died, he wanted to see Miss Ning once.”

Wayne Lin really convinced Zhu Xinghai, and he could say this.

Everyone realized that Zhu Xinghai must have made up this, and Wayne Lin was deliberately disgusting. To be honest, Zhu Xinghai’s approach was a bit too much.

But Zhu Xinghai hadn’t realized this yet. He smiled and said, “By the way, Miss Ning, you are a big star.

Believe that you also know the chairman of Ziqiong Media? “

As he said this, immediately the expressions of the other three people began to become weird, knowing that Zhu Xinghai was about to slap her face!

Alma Chu frowned. She didn't know that Ning Yuning and Wayne Lin knew each other.

Wayne Lin coughed twice, but he was actually quite helpless.

Ning Yuning is a smart person. Seeing this situation, she quickly wanted to understand the reason, with a sly smile on her face, and said, "I know, what's the matter?"

Zhu Xinghai didn't know what Ning Yuning's smile meant. He smiled and said, "Haha, it's great that you know Miss Ning. It just so happens that I have someone here who says he is the chairman of Ziqiong Media!"

"Oh? Who is it?"

"Far away in the horizon, is the terminally ill Mr. Wayne Lin. I wonder if Miss Ning knows him?" Zhu Xinghai said with a smile, full of ridicule and playfulness, just waiting to see Wayne Lin. Smile, waiting for a face!

Wayne Lin couldn't pretend, he coughed twice again, and said to Ning Yuning, "Miss Ning, long time no see."

When he said this, Alma Chu immediately looked at him, her eyes flashed with some splendor, feelings, Wayne Lin knew Ning Yuning!

When Wayne Lin observed this expression on Alma Chu, he felt bitter and helpless.

And Zhu Xinghai laughed out loud, thinking that Wayne Lin was still pretending, "Hahaha, I'm so ridiculous, Wayne Lin, you guy, you say you are fat, are you really breathing? You know the director of Ziqiong Media Is there someone like you, dare to pretend to be rubbish like you?"

However, as soon as his voice fell, Ning Yuning spoke. She looked at Wayne Lin closely and said in a complicated tone: "Randal Lin, long time no see."

Suddenly, the expression on Zhu Xinghai's face stiffened, and what he said in his throat was also directly stuck, as if he was a duck whose neck had been pinched, and his voice stopped abruptly, which was quite funny.

Not only him, but the other three people also opened their eyes wide now with incredible expressions. They had no idea that Wayne Lin actually knew Ning Yuning!

After Ning Yuning finished speaking, her gaze did not look away from Wayne Lin, but continued: “Randal, do you like the new song I sang just now?”

Wayne Lin’s scal

A Life Upside Down Chapter 494 – 496

Chapter 494

Zhu Xinghai realized that Wayne Lin is really the chairman of Ziqiong Media, not an ordinary person!

And he, who threatened Wayne Lin like this just now, and he was so humiliated, thinking of this, his face immediately paled, and he was so scared that his legs were swaying!

If he was just the chairman of Ziqiong Media, he would not be so scared. What really scared him was that Wayne Lin’s other identity, a master of the innate realm, had killed the Beitianhui with his own power. Brian Gu, the devil Wu Meizi, is known as the number one in G province! !

In front of Wayne Lin, he was at the pinnacle of the acquired day, and he was simply an ant, not enough to look at.

For a moment, he was extremely frightened, he was hurriedly crying without tears, and said to Wayne Lin: “Randal, I just didn’t know Taishan, I offended Randal...I damn it! I hope Randal Lin will not be with me. General knowledge...”

Zhu Xinghai’s reaction immediately stunned Lu Guyun and the others. They opened their eyes wide and looked at Zhu Xinghai in shock. They couldn’t understand why Zhu Xinghai was so afraid of Wayne Lin? Anyway, Zhu Xinghai is also the general manager

of a large group. In terms of net worth, he is not as good as the chairman of Ziqiong Media, but he is not afraid to this level, right?

Besides, the market value of Star Crown Group itself is not lower than that of Zi Qiong Media.

It's just that they don't know that Wayne Lin's horror is far more than the chairman of Ziqiong Media!

Wayne Lin saw Zhu Xinghai's reaction and immediately understood that Zhu Xinghai knew that he was a master of innate realm, so he was afraid of this.

He said with a smile but a smile: "Mr. Zhu, what you said, how dare I care about you? You are the general manager of the Star Crown Group, and you are also a master at the peak of the day after tomorrow. You are young and promising."

When Zhu Xinghai heard this, his feelings of fear became even stronger. He didn't care about being embarrassed. He slapped himself quickly, crying in mourning, and said, "Randal, I was wrong. I don't recognize Taishan. Randal Lin, you come! Offended Randal Lin, all of my mistakes are my fault, and I hope Master Lin has a lot of things, don't be as knowledgeable as my dog, let me go, please..."

While begging for mercy, he slapped himself in the face. This look was terrible, and he slapped loudly. He didn't dare to be a little lazy, slapped, and immediately attracted the attention of the audience.

When Ning Yuning saw this scene, some light flashed in her eyes, and her feelings for Wayne Lin became more profound.

She still couldn't tell. Wayne Lin really frightened Zhu Xinghai not only because of his identity as chairman of Ziqiong Media, but his astounding kung fu. She had the honor to see that in the octagonal cage, no professional boxer like Connor was Wayne Lin's opponent.

Lu Guyun and Chang Yuqin were directly dumbfounded, and they never thought that Zhu Xinghai, who was always arrogant, would have such a scary side! Is this totally unscientific? They have known Zhu Xinghai for a long time, and they are very clear about Zhu Xinghai's strength... But now... they also quickly realized that this is not Zhu

Xinghai's young urchin, but Wayne Lin's identity is too strong, Zhu Xinghai is not one at all. The level!

For this kind of young man, Wayne Lin didn't want to be familiar with him, and said directly, "Go away."

Zhu Xinghai was relieved, really just holding his head in his hands, turning himself into a ball, and rolled out.

gas

The atmosphere suddenly became strange, and there was a strange silence on the scene.

Everyone's eyes were on Wayne Lin. The others were fine. Wayne Lin didn't care, but Ning Yuning and Alma Chu's things really made him sit on pins and needles!

Especially Alma Chu's meaningful expression made his back feel cold. When he was about to explain, Alma Chu smiled and said, "Husband, why haven't you told me that you know Miss Ning? Not interesting enough."

And the call from her husband reached Ning Yuning's ears, making Ning Yuning feel sour.

"This..." Wayne Lin had some cold sweat on his forehead, and his heartbeat was frightening. Even in the face of Ye Xingchen, when he was alive and dead, he was not nervous now, his mind was running wildly, he had to think of a reason to explain!

"Which one?" Alma Chu touched it, and touched Wayne Lin's leg with her right hand. The smile on her face was full of threats, making Wayne Lin's heart cold, and the goose bumps all over her body stood up!

Wait!

Wayne Lin's inspiration suddenly flashed. It's not right. Why should he have a guilty conscience? He and Ning Yuning are innocent, like tofu mixed with shallots. Speaking of Tao Sanniang, he really has a guilty conscience, but Ning Yuning, he has never touched it at all.

After thinking about it, Wayne Lin immediately became upright and said: "I have met with Miss Ning several times. They are ordinary friends."

He deliberately bit the four words of ordinary friend harder, and now he is completely relaxed and not guilty.

After Alma Chu listened, her face looked better, but to Ning Yuning, her face became paler.

She bit her lip, then smiled, regained her demeanor and took the initiative to say to Alma Chu: "It seems that this is Mrs. Lin? It really looks like a beautiful country and a beautiful country, no wonder Randal Lin treats you. So infatuated, even in the face of temptations from the outside world.

Alma Chu heard what Ning Yuning said, looked over, and became a little nervous. Anyway, she is a fan of Ning Yuning, and quickly said: "Ms. Ning, you are kidding. In front of you, how dare I talk about China? It's beautiful, you are the real beauty, and I am your number one fan."

Ning Yuning was taken aback for a moment. Obviously, she didn't expect that Wayne Lin's wife would be her fan. This feeling was weird. However, knowing that Alma Chu is her fan, she is not so sad now, and said with a smile: "Mrs. Lin is humble. You are really beautiful. It is Randal Lin's blessing that Randal Lin can marry you."

Wayne Lin proudly said, "Of course."

But immediately, Ning Yuning also added: "Mrs. Lin, I envy you from the bottom of my heart. You can find a good man like Randal Lin. Unlike me, who is old and single, nobody wants him."

People around me cried out in their hearts when they heard what she said. How could no one want your condition? It's obviously that your own vision is too high!

Alma Chu also said meaningfully: "Miss Ning, with such good terms as you, I believe that as long as you take the initiative, there is no man in the world that you can't take down."

Ning Yu's gaze deliberately swept across Wayne Lin's face, shook his head, smiled bitterly and said bitterly, "Mrs. Lin, you are the one I like, even if I take the initiative, He wouldn't even look at me, oh..."

Chapter 495

When she said these words, the pity and pity made people feel distressed involuntarily.

There is only one person who doesn't feel distressed, and that is Wayne Lin. On the contrary, let alone his distress, he has a creepy and numb scalp. He quickly buried his head on the dinner table and sullen his head to eat. He didn't dare to raise his head at all, and was very nervous.

He only hoped that he was invisible and would not be noticed by Alma Chu.

Of course, his thoughts were unrealistic. Alma Chu immediately flew her gaze and put her hand on Wayne Lin's shoulder and said, "Wayne, you and Miss Ning are friends, and you must know Miss Ning too. My sweetheart, as a friend, would you like to help make the match?"

Hearing this, Wayne Lin became even more terrified. He felt a huge smile, and it was obvious that Alma Chu could see it!

Now he is so bitter. If I knew it, he shouldn't have come tonight. Now Alma Chu must have misunderstood him, and she couldn't wash it out even after she jumped into the Yellow River.

He had to bite the bullet and said: "Well, I will try."

Alma Chu glared at him immediately, and did not continue to dismantle his platform. She closed it as soon as she saw it. At this point, Alma Chu still had a good grasp of it, and did not really embarrass Wayne Lin and took the initiative to transfer others. topic.

Wayne Lin had to breathe a sigh of relief, and was somewhat grateful to Alma Chu. If Alma Chu really wanted to make trouble, he would have nothing to do. Who made Ning Yuning behave so clearly just now, as long as anyone who is not blind can see it.

Therefore, Wayne Lin couldn't help but cast a blank look at Ning Yuning, but immediately saw the loss and resentment of Ning Yuning. It looked pitiful, and he couldn't get angry.

Forget it, when I go back this time, explain to Alma Chu, because he and Ning Yuning are innocent anyway.

As for the other people around, Ning Yuning was also interesting to Wayne Lin. Suddenly, their expressions became exceptionally wonderful, especially the men, who were so sour, envy and jealous.

After chatting for a few more words, Ning Yuning did not stay cheekily. She is a public figure after all, and she still maintains the image of a beautiful lady. She can't be too obvious. If it is passed out, she will be very famous for her. She cares about fame, the key is that she is an artist under Black Rock Media, which is not good for Black Rock Media.

She can't harm Heiyan Media because of her children's personal affair. She still has this professional ethics.

After she left, Alma Chu immediately said with a smile but not a smile: "Awesome Randal Lin, you are so majestic, even the big stars will never forget you."

Again.....

Wayne Lin quickly explained: "Absolutely nothing! Ning Yuning and I are all scallions mixed with tofu, very innocent, absolutely nothing like you think!"

"Really?" Alma Chu put her hand on Wayne Lin's waist, making pinch movements at any time, making Wayne Lin's muscles tight at the moment, "Then tell me, what do I think?"

"Uh..." Wayne Lin was stunned at the moment, and then wanted to slap herself, Alma Chu hadn't said yet, what did she do with such a guilty conscience? Isn't this a guilty conscience!

"My wife, don't make things difficult for me, I swear to you, Ning Yuning and I are really innocent, lie to you and me..." Wayne Lin was about to swear solemnly, and soon his

mouth was blocked by Alma Chu , Alma Chu smiled, and said: “Looking at making you nervous, I don’t want to blame you.”

Wayne Lin breathed a sigh of relief, wait a minute, this is a bit weird, don’t blame me, I still suspect that Ning Yuning and I have a leg.

Just when Wayne Lin wanted to explain, Alma Chu spoke again, “Wayne, Ning Yuning is so beautiful and still a big star, haven’t you ever been moved by it?”

She looked serious, her eyes still full of doubts, and she couldn’t understand why Wayne Lin was not tempted.

Wayne Lin patted his chest and said, “Of course it’s not tempting. I have a beautiful wife like Alma. How can other women compare to you?”

“

Hate, when did you become so glib. “Alma Chu’s face rose with a blush, and Wayne Lin gave Wayne Lin a sullen look, with a variety of styles. Today, her dress is indeed compared to Ning Yuning, but the mature charm on her body is not Ning Yuning is comparable to an unmanned virgin.

Seeing her like this, Wayne Lin immediately became enthusiastic and couldn’t help holding Alma Chu’s small waist. He smiled and said, “Alma, you are so beautiful. I can marry you. It’s a virtue in my last life.”

Alma Chu was also excited when she heard it, but Wayne Lin’s hand was walking around her waist, which made her very shy. Although they were in the corner box and everyone else had left, her face was thin and she still felt very uncomfortable. I’m sorry, I quickly slapped Wayne Lin’s paws away, and scolded, “Put your hands honestly, it’s itchy.”

Wayne Lin chuckled twice and said, “I can’t help it.”

After what happened just now, the three of Lu Guyun are not embarrassed to stay any longer. They also said a lot of Wayne Lin’s bad things just now, for fear that Wayne Lin will settle the accounts with them. After Zhu Xinghai got out, they also left in a desperate manner. Now, in this box, Wayne Lin and Alma Chu are left alone. They are a small world of two.

They are only now enjoying the warmth of this dinner, when Alma Chu said: "In fact, Ning Yuning really likes you."

Wayne Lin's words that came out suddenly scared Wayne Lin and quickly said: "Alma, I swear, really..."

"Listen to me first." Alma Chu interrupted him angrily, "I didn't blame you, why are you so nervous all the time?"

"Really?" Wayne Lin asked with some uncertainty.

Alma Chu gave him a white look, and was too lazy to talk any longer, but said seriously: "Or, did you take Ning Yuning away?"

"what?"

Wayne Lin was stunned, but he couldn't react for a while to come to Alma Chu to say that he was serious, or was fishing.

"You understand, don't pretend to be less." Alma Chu gently pinched him and said.

Hearing this, Wayne Lin became even more daunted, "Alma, what do you want to say?"

Alma Chu took a deep breath, and then said seriously: "I mean, you might as well take Ning Yuning? I think Ning Yuning is pretty good."

Now Wayne Lin finally understood what Alma Chu meant, but after he understood, he couldn't help taking a breath, "Alma Chu, do you know what you are talking about?"

Alma Chu smiled, blinked and said, "Of course I know, I'm asking my husband to accept another woman."

Wayne Lin was even more daunted. Even if he and Alma Chu have been married for so long, he still can't understand why Alma Chu could only say this sentence, which is totally unreasonable.

Seeing Wayne Lin's stunned and unbelievable look, she held Wayne Lin's hand and said more seriously: "Wayne, I'm serious, if you are also interested in Ning Yuning, it is better to accept it. "

Wayne Lin finally understood that Alma Chu was not joking or fishing, but serious. Alma Chu was really suggesting that Ning Yu condensed!

He couldn't imagine why Alma Chu had such an idea. He even doubted whether Alma Chu had something wrong.

"No!" Wayne Lin said categorically.

To be honest, Wayne Lin accepted a Tao Sanniang, which is enough to be sorry for Alma Chu. If he accepts another Ning Yuning, he really can't do it.

Alma Chu opened her mouth to say more, and was immediately reprimanded by Wayne Lin solemnly, "Needless to say, this matter has not been discussed, I cannot accept Ning Yuning."

"Okay..." Seeing Wayne Lin's resolute attitude, Alma Chu had to hold back the next words.

Wayne Lin showed a smile now, but unfortunately he didn't see it. When Alma Chu was snuggling in his arms, when she lowered her head, a deep sadness flashed in her eyes, as well as reluctance...

Chapter 496

Time flickered and another month passed. During this month, Wayne Lin recovered his calm days. Except for occasional practice, he spent most of his time with Alma Chu.

After the incident at the Alice Western Restaurant that day, Alma Chu's behavior became a lot more abnormal, often blowing air in his ears to make him think more about Ning Yuning, making Wayne Lin very helpless.

Sometimes he didn't know what Alma Chu was thinking about. How could such a wife ask her husband to look for a mistress outside. If it weren't for the belief that Alma Chu's intelligence is normal, he would doubt Alma Chu. Is Fei brainwashed by Ning Yuning?

But other than that, Alma Chu became particularly enthusiastic. After changing her shy and reserved style, they had loved each other no less than a hundred times in the past

month. If you change to another man, it will definitely be a little overwhelming, but To Wayne Lin, it was just a trivial matter.

Now his realm is consolidated in the fourth stage of the innate realm, and his physique has reached an unimaginable level.

However, Alma Chu was a little overwhelmed. She was too tired every time, and she didn't have the strength to move.

Wayne Lin felt something was wrong with Alma Chu, but he couldn't tell what was wrong.

He vaguely felt that Alma Chu seemed to be trying to catch something, and it seemed to be burning.

Wayne Lin is a very sensitive person. Alma Chu's abnormal reaction will definitely arouse his suspicion. Therefore, he took Alma Chu's pulse several times, but he did not find that Alma Chu had any physical problems. He was on the side of his father-in-law and mother-in-law. , He also asked, Alma Chu is also good.

So afterwards, he didn't have any doubts, he thought that Alma Chu might have been married for a long time, and let her release her nature more and more.

As for the company, Wayne Lin also let go of his hands completely and handed it over to Damon Wang and Jeff Han to manage. They also hired a professional team to make it sound and colorful.

Especially with Wayne Lin, the super boss, the business of the three companies is getting better and better, and the deposits in Wayne Lin's account are also increasing.

Wayne Lin didn't care much about money, anyway, for him, no amount of money had become a bunch of numbers.

There was also Ning Yuning. She called Wayne Lin in the middle, invited Wayne Lin to dinner, and offered to give Wayne Lin tickets for the concert, but Wayne Lin didn't agree and refused with other excuses.

In any case, he still has to keep a good distance from Ning Yuning.

And Tao Sanniang returned to Yuntian Pavilion again, because of Wayne Lin's relationship, he was promoted directly, and his status was only under Fan Lao.

What concerns Wayne Lin most is the BRAGRUN organization!

It has been a month since he killed Ye Xingchen. During this period of time, he was on the surface very relaxed and comfortable, but in fact, he was always on guard.

After all, Ye Xingchen was not a small person like Lu Dongbin. He was beaten to death and the impact was quite large.

However, what surprised him was that there was no movement at all. The huge BRAGRUN organization seemed to have no idea about this. One month passed, and no one came to look for him.

He asked the clown halfway through, and the clown also expressed his surprise. Even the clown was ready, and he was ready to slip away at any time if there was a disturbance.

But as a result, there was no movement.

Wayne Lin soon realized that most of the neon clothes had suppressed this matter!

In this way, he owed Nishang another favor.

When he thought of neon clothes, he couldn't help but remembered that in the secret room that day, he had a spring breeze with neon clothes.

Alas, it seems that he is really a

Peach Blossom Life, unconsciously, there are many more women around him.

After so many things, Wayne Lin has become more and more stable. He never puts eggs in a basket. Even if there are neon clothes to help him, he must prepare for both. Taking advantage of this time, he did it again. Many charities have further consolidated his social status, and his popularity in the circle has slowly increased. In this way, when BRAGRUN organization really wants to move him, he will have to weigh it carefully.

Wayne Lin is now the fighting instructor of Xuanyuan 3rd place, and he has to coach at least twice a month.

Since that day, after he abused all the soldiers of a group with one enemy and one hundred, his reputation has risen in Xuanyuan three places. When many people saw him, they were very polite and called instructor Lin respectfully.

Especially those soldiers in the fourth group are now convinced by him, and in front of him, they no longer have a temper.

Of course, there are also people who disagree with him. It is the Fangs team at Xuanyuan No.3. They nodded at most when they saw Wayne Lin. Rationale.

Wayne Lin didn't care about this phenomenon. Anyway, he came to Xuanyuan 3 places just to be an instructor. Besides that, he didn't have any positions. As for the Fang team, he didn't have much interest.

Now that he has consolidated in the fourth stage of the Innate Realm, he slowly begins to explore the fifth stage, the realm of Dzogchen.

On this day, he finished teaching the last day of the month and was ready to pack his things and go home. At this time, there were a few hurried steps towards his dormitory.

"Instructor! Instructor! Nothing, something happened!"

"Instructor, something went wrong!"

"The people in the Fangs team are too much. They actually used such a heavy hand, it's damn..."

"Instructor..."

After a while, four people hurried into his dormitory. It was his soldiers. Their faces were full of anger, and they clenched their fists.

Wayne Lin was taken aback when seeing them like this, and asked, "What happened?"

One of the soldiers came out and said angrily: "Instructor, Daniel and the others were beaten by members of the Fang Team!"

The soldiers next to him also said: “Yes, they were too much, they beat Daniel and the others particularly badly.”

“This is nothing, the point is, they still curse, saying that our fourth group is all rubbish, and they say that the instructor is rubbish too! They are so deceptive!”

For a moment, the four
