

A Life Upside Down Chapter 401 – 403

Chapter 401

Gu Hanxing was shocked, afraid, and quickly flattered and said: “Yes, yes, the uncle taught it right, with the uncle here, what does the young Wayne Lin count for?”

Wu Meizi glared at him, then set her eyes on Wayne Lin, making no secret of her murderous intentions towards Wayne Lin.

Of the thousands of people present, none of them did not feel the creeps.

“There is a good show to watch now!”

“Yeah, Wu Meizi and Wayne Lin are about to collide. Both are super masters of the Innate Realm. Their life-and-death struggle will definitely be unparalleled!”

“This birthday party is really not in vain.”

“I have to admire Wayne Lin’s courage. It’s this time, and I dare to take the initiative to come to Wu Meizi to kick the field. This is a personal thing!”

“Huh, courageous? I think he has no brains. Who is Wu Meizi, but she is a famous female devil who wiped out her enemies more than ten years ago. Now more than ten years have passed. Knowing what terrifying realm he has reached, and Wayne Lin is just a newly promoted innate master, how could he be Wu Meizi’s opponent?”

“That’s not necessarily true. Wayne Lin also defeated Brian Gu somehow. Brian Gu is also a veteran innate master.”

“Cut, what is Brian Gu? Wu Meizi is many times stronger than Brian Gu. Even if Brian Gu and Wayne Lin add up, they may not be Wu Meizi’s opponent. There is only one Wayne Lin who wants to defeat Wu Meizi. It’s so idiotic to talk in sleep!”

“Damn, is it true? Wu Meizi is so good?”

“Nonsense, a genius who came out every 30 years is kidding you?”

Everyone present began to discuss enthusiastically, very excited.

Ouyang Yanran heard these comments and asked worriedly, “Dad, is Wayne Lin really Wu Meizi’s opponent?”

Ouyang Xuehai sighed and said, “The two of them are not at the same level, what do you think?”

Upon hearing these words, Ouyang Yanran bit her lips tightly.

On Luo Zifeng’s side, he also knew about it now, and he was particularly excited. He thought that Wayne Lin was dead this time.

Similarly, I don’t know how many people are watching Wayne Lin’s jokes.

Everyone thought that Wu Meizi’s character would immediately give Wayne Lin a thunderous blow, but Wu Meizi did not do so. She took her gaze away from Wayne Lin and continued on Gu Hanxing’s birthday.

Wayne Lin also closed his gaze, and the corners of his mouth rose slightly, showing a little smile.

The birthday party tonight has changed because of Wayne Lin’s appearance. The atmosphere is very weird. The big scene of thousands of people is surprisingly quiet, and everyone dare not make any noise.

Gu Hanxing has a place in Wumeizi Town, and now he is not afraid of Wayne Lin at all, but feels very excited. He feels that Wayne Lin is purely looking for death this time. When Wu Meizi takes action, he will kill Wayne Lin, then from then on, His status is even more unshakable!

Thinking of this, he was very happy, the smile on his face couldn’t hide it.

He said loudly to everyone: “Today is my 32nd birthday of Gu Hanxing. Thank you for your participation. I toast everyone!”

As he said, he raised his glass and toasted everyone.

The four thousand people in the audience stood up to show respect to Gu Hanxing. Even Ouyang Feng's family, Yuntian Pavilion and other high-ranking officials all stood up and toasted to Gu Hanxing.

Only Wayne Lin and Tao Sanniang were still sitting there, unmoved.

Tao Sanniang felt tremendous pressure at this moment.

There are people in the world, but this situation still makes her breathless.

The more she was like this, the more Wayne Lin admired her, because Wayne Lin was very calm, drinking and eating food in his own way without any influence.

Just when Gu Hanxing was about to drink boldly, Wayne Lin made a move. He violently threw the jug at Gu Hanxing's body.

The speed is extremely fast, and the sight of ordinary people can hardly see the traces, and can only hear the sharp sound of breaking through the air, as if the air has been cut, particularly harsh.

At a distance of tens of meters, in less than a second, he arrived in front of Gu Hanxing, and saw that he was about to hit Gu Hanxing in the face! It is conceivable that if it is hit, Gu Hanxing will be fainted on the spot, and his face will be broken.

Gu Hanxing was also a master at the acquired peak anyway, he immediately felt the power of this hip flask, and his scalp was numb with fright and his face was pale.

At this moment, Wu Meizi, who was next to her, took a shot, her expression was cold, she brazenly shot, and steadily caught the hip flask flying through the air.

But even if she had caught the jug, the wine in the jug was still spilled out due to huge inertia, and more than half of it was poured onto Gu Hanxing's connection, especially embarrassed.

Gu Hanxing was frightened, panting heavily, a layer of cold sweat on his forehead.

This scene shocked everyone, and no one thought that Wayne Lin would shoot Gu Hanxing like this.

After reacting, Gu Hanxing became furious and pointed at Wayne Lin's nose and cursed: "Wayne Lin, are you looking for death..."

Gu Hanxing's face was distorted, and the strength of the wine poured just now was not small, and some of it hit his eyes, making him feel pain in the position.

Wayne Lin ignored him, drinking and eating food on his own.

The audience fell silent for a while.

Wu Meizi snorted and shook her hand, and the flask flew over to Wayne Lin at a faster speed.

Wayne Lin didn't even look at it. He flashed his head lightly and escaped, but the people behind him were not unlucky. He was hit hard by the hip flask on the chest, and a mouthful of blood spurted out, sending out a miserable misery call.

The people around all walked away one by one, frightened and pale.

"Wu Meizi, no matter how overbearing you are, you don't have to attack the guests?" Wayne Lin said with a smile, full of playfulness on his face.

Wu Meizi's face was extremely gloomy, Wayne Lin was provoking her majesty!

Gu Hanxing was also gnashing his teeth with anger. Wayne Lin is really disgusting, grass!

"Wayne Lin, you are looking for death." Wu Meizi narrowed his eyes, and burst out with infinite coldness and murder.

Even Gu Hanxing, who was next to him, couldn't help feeling terrified.

Wayne Lin did not answer her, but directly said to Gu Hanxing: "Today is your 32nd birthday. As an old friend, I will give you a present."

As he said, he snapped his fingers, and several people came in carrying a huge object with a white cloth draped on it. Wayne Lin uncovered it, and it was a half-human bronze bell!

At Gu Hanxing's birthday party, the bronze bell was presented, which meant to send the end to Gu Hanxing!

When the audience saw this scene, they were all aghast, Wayne Lin was going to tear his face with Wu Meizi, and he would never die!

Gu Hanxing was so angry that he screamed at Wayne Lin.

Wayne Lin smiled and saw that he was holding the hundreds of catties bronze bell in his hand. Gu Hanxing and Wu Meizi walked over step by step. They were magnificent, like a god of war, who would stand in front of him and disperse them for fear of avoiding it. .

Chapter 402

Every time Wayne Lin took a step, his aura increased by one more point. The huge gymnasium was all quiet, so quiet that the needle drop could be heard, everyone held their breath and stared at Wayne Lin closely.

Not everyone has this courage to challenge the entire Gu family with one person.

Tao Sanniang was behind, looking at him tightly, holding her fist, extremely nervous, and unable to breathe smoothly.

Wayne Lin asked his back generously at this moment, leaving an indelible impression in her heart!

In fact, it was not just her, but many, many people present, looking at Wayne Lin's back, were also deeply shocked.

Ouyang Yanran opened her eyes wide and she was short of breath. Now that Wayne Lin looked so attractive from the back, she thought she would never forget it in her lifetime!

“Wayne Lin, this son is really a person. No wonder he has cultivated to this level at such a young age. There are thousands of people present, and they have been overwhelmed by ordinary people, let alone dare to challenge Wu Meizi. “

“Yeah, Wayne Lin is really a genius. It’s a pity that he is still too young and too impulsive. He shouldn’t be head-on with Wu Meizi at this time.”

“It’s a pity, Wayne Lin is going to fall here...”

Fan Lao, Ouyang Feng, Ouyang Xuehai and others all shook their heads, expressing regret. They honestly did not think that Wayne Lin could defeat Wu Meizi.

There are also many people who are watching Wayne Lin’s jokes. At this moment, Wayne Lin is carrying a lot of pressure on his back, pushing forward.

The pressure was great, unprecedented, and Wayne Lin had never experienced such a scene before.

The pressure was almost overwhelming, pressing against him without any gaps. His muscles and bones were all under tremendous pressure.

This is a very strange feeling, just like an autistic person who has to give a speech in front of thousands of people. That kind of pressure can really overwhelm a person.

But Wayne Lin’s pressure at this time was much greater than that in that situation.

Because he was going to be the enemy of the entire Gu family, and Wu Meizi, just one Wu Meizi was enough to make him jealous.

With just a glance, Wayne Lin could tell that Wu Meizi’s strength is far above Brian Gu!

No wonder he claims to be a rare genius in thirty years, but it is precisely because of this that he is more excited and more challenging.

As he walked over, hundreds of masters surrounded him and surrounded him. Among them, there were more than a dozen masters at the peak of the day after tomorrow, all of them staring at him, trying to swallow Wayne Lin into his stomach.

Boom!

Wayne Lin walked five meters before Gu Hanxing and Wu Meizi, he stopped, put down the huge bronze bell, and made a dull sound.

“Wayne Lin, there is a way to heaven, you don’t go, there is no way to hell, you break in! Very good, today is your death day!” Gu Hanxing gritted his teeth and looked at Wayne Lin with a grim expression.

Wayne Lin laughed. He slapped the bronze bell and made a loud bang. He sneered and said, “Gu Hanxing, you shouldn’t do it, go find trouble with my family!” Today, you only have, death! Way! One! One!”

After saying this, Wayne Lin suddenly threw the bronze bell out.

Hum!

The force was so great that it directly caused the thick bronze bell to resonate and slammed into Gu Hanxing’s.

Feeling this tremendous force, Wu Meizi has not wavered from the ancient well, like a face that has been frozen for thousands of years, but finally changed. She can’t take care of it anymore. At the moment of her death, she grabbed Gu Hanxing’s arm abruptly. , Violently pulled over, allowing Gu Hanxing to withstand the impact of the bronze bell.

But Gu Hanxing hid, the Gu family behind him didn’t

With such good luck, I was hit like a bowling ball. When the court flew upside down, I was seriously injured and screamed again and again.

More than 3,000 people on the scene saw this scene, their scalps were numb, and they sucked in cold air. They did not expect that Wayne Lin would be so sturdy, a bronze bell of hundreds of catties, like a basketball in his hand. Yes, so many people were seriously injured all at once.

Wu Meizi was finally annoyed, her eyes widened suddenly, and she shouted, “Wayne Lin, you are looking for death!”

Then she couldn’t help it anymore, and shot Wayne Lin directly.

I have to say that Wu Meizi's cultivation is really incredible. With her shot, Wayne Lin felt that her eyes were dark, as if the sky was torn and collapsed.

If Wayne Lin had changed before he defeated Brian Gu, he would have been unable to bear this move, his spirit would be affected and he would instantly lose.

Wu Meizi's cultivation base is so high that it can cause mental interference to the masters of the innate realm. It can be described as appalling!

Fortunately, after the first battle with Brian Gu, Wayne Lin's strength was greatly increased, otherwise he would be killed by Wu Meizi now.

Almost in an instant, Wayne Lin was back to normal. Faced with the palm Wu Meizi slapped, Wayne Lin did not choose to take it hard. First, he stepped back two steps to avoid his sharp edge, and waited until Wu Meizi's momentum was half weak, He shot again and punched Wu Meizi in the ribs.

Wu Meizi snorted coldly, her eyes seemed to have turned black now, very terrifying, she suddenly kicked Wayne Lin to death from an unexpected angle.

And Wayne Lin didn't let her succeed. He immediately changed his moves. Within a second, he collided with Wu Meizi three moves. The speed was so fast that it could be said to be reaching the extreme, and it was overwhelming.

And all the furnishings around them, tables and chairs, were shaken to fly around, as if they had explosives on their bodies, and some of them burst apart.

"Fight up, fight up!"

"It's wonderful! Is this in the hands of a master of Innate Realm? This is no longer a human being!"

"Ask about the innate realm, also known as an extraordinary master, I'm kidding you! I think people in this realm are called superhumans in the West, just like the superheroes in the movies."

"This is too fierce. It's worth seeing the life and death of two masters of the innate realm in this life!"

“If I had this state too, that would be great...”

“You? Wake up...”

More than 3,000 people at the scene began to get excited, and many people even took out their mobile phones to record videos.

It's a pity that Wayne Lin and Wu Meizi's speed is too fast. Many of their actions are beyond the level that the naked eye can catch, and their mobile phones are not professional equipment, so they can't be seen clearly when recorded.

Wayne Lin finally felt the horror of Wu Meizi. The two Brian Gu together were not as good as one Wu Meizi. No wonder so many people were afraid of Wu Meizi, and a single phone call allowed them to draw a line.

“Wayne Lin, your strength is indeed beyond my expectation. Given time, I really may not be your opponent. But today, you will definitely die!” Wu Meizi stopped and pulled away with Wayne Lin more than ten meters Distance, the two looked at each other.

Wayne Lin smiled and said, “Wu Meizi, as a master of the innate realm, you actually attacked a bunch of ordinary people. No matter how high your cultivation is, it is just a rubbish! I can kill your old friend Brian Gu. , Can also kill you.”

Speaking of Brian Gu, Wu Meizi was very angry, “Wayne Lin, you killed my brother, you have a capital crime!”

“Want my life? Okay, come get it if you have the ability! Hahahaha...”

Wayne Lin laughed loudly. At this moment, he was free and unrestrained and heroic, as if he was a generation of sword fairy in ancient times, and he was extremely charming.

Chapter 403

Many women present were deeply shocked by Wayne Lin's heroic look!

Especially Tao Sanniang and Ouyang Yanran, their heartbeat speeded up a lot, and they jumped continuously.

His eyes have fallen on Wayne Lin, nothing else, Wayne Lin at this moment is too chic, too bold, and too charming.

Tao Sanniang bit her lip tightly and squeezed her fist. She knew that she would never forget Wayne Lin in her life. If Wayne Lin really died in Wu Meizi's hands, then she would not live anymore. Follow Wayne away.

It stands to reason that she has seen too many false feelings like this, and for a woman who is in love, she will not like a man so easily. Especially she and this man, there is no unforgettable experience yet.

But in fact, she fell in love with Wayne Lin so hopelessly, like a moth to a fire, something that was destined in this life.

Ouyang Yanran was not so strong, but Wayne Lin's heroic soaring at this moment also left an indelible impression in her heart.

But for Wu Meizi, it was a big provocation and a big offense. The anger in her heart was poured into a bucket of gasoline and burned with a bang.

"You! Find! Die!" She popped these three words from the gap between her teeth, and then she no longer kept it, letting out all her momentum at this moment.

There was no wind and waves, her tsunami-like momentum swept the entire stadium. More than 3,000 people present felt her terrifying aura, and they shivered and shivered, as if they were frozen.

Old Fan said in amazement: "This Wu Meizi is really terrifying. Is this the cultivation level of the high level of Innate Realm! Just the momentum has brought us such a shock, I can't imagine how much Wayne Lin has to bear. Coercion."

"Wu Meizi, she is so strong. I didn't know that she was so strong before. Many people thought that Brian Gu's cultivation was superior to her. Now it seems that it is the opposite, just the opposite!"

"Horrible..."

"Now Wayne Lin is dead, dead!"

Ouyang Feng also has a faster heartbeat. He is just an ordinary person. Now Wu Meizi's terrifying aura has brought a huge load to his heart. His face is pale, sitting on a stool, breathing heavily, and he has to take medicine to stay calm. Up.

Ouyang Feng is not the only person in this situation. Many elderly people are also overwhelmed.

As the person involved, Wayne Lin did feel the unprecedented pressure, which made his breathing a little bit faster.

In his spiritual world, Wu Meizi is no longer alone, but a dark female devil with three wings on her back. The wings are made of black iron and are extremely hard!

When it was said that it was too late, Wu Meizi was already moving. This time, she shot even harder, and her consciousness immediately enveloped Wayne Lin's body.

Wayne Lin could clearly feel that the air around him seemed to become viscous at this moment, not gas, but liquid. Of course, this is an illusion, because Wu Meizi's aura is too domineering and fierce, which directly affects him.

It is conceivable that Wu Meizi's strength has reached the realm!

boom!

Wayne Lin faced Wu Meizi's punch, and instead of dodge, he chose to head-on.

At this point, he had no need to back down, only to move forward.

Advance is life, retreat is death!

An invisible sound wave radiated from their center, producing a huge movement, causing people who were close to cover their ears. It was too loud, and it was beyond their ability to bear.

"Good job!"

Wayne Lin roared loudly, then began to fight back, fighting Wu Meizi unreservedly.

Their moves are extremely sophisticated and fast, many times more sophisticated than those in martial arts movies.

Bang bang bang...

As they moved, jumped, and collided with various fists and feet, all kinds of shocking fist-to-flesh sounds occurred in the audience, which made people burst into blood.

Some ordinary people with insufficient eyesight cannot follow in their footsteps at all.

Boom!

Wu Meizi moved her right palm up to the top of her head, and then turned down again. With such a simple action, it seemed that the heaven and the earth had been subverted. The sky was below and the ground was above. Then she took this piece of China's land and moved towards Wayne Lin's body was pressed down, much more domineering than the myth that the Tathagata Buddha Five Finger Mountain pressed Sun Wukong, Wu Meizi is now using the entire continent to suppress Wayne Lin.

Facing this trick, Wayne Lin felt an unprecedented sense of crisis. He subconsciously wanted to retreat, and had the idea that he couldn't bear it.

But between the sparks of light, he has no room to retreat, because he knows that once he retreats, then he will fall into the wind, and in front of a super master like Wu Meizi, falling into the wind means defeat. And the end of defeat is death!

So Wayne Lin made the quickest and most correct decision at the moment of his death, and that was to punch Wu Meizi's mainland China with a punch from his chest.

Now he is the God of War Xingtian. Facing the suppression of the heavens and the earth, he is unyielding and unwilling, and roars out his own resistance. Even if it is heaven, I will poke a hole for you, and I will destroy the earth!

boom!

Almost instantly, Wayne Lin's punch hit Wu Meizi's palm, and it seemed that he was taking advantage of it.

But he still suffers, because Wu Meizi's momentum has been brewing for a long time, and he brought the earth-shaking, a piece of earth to suppress Wayne Lin's smell, and Wayne Lin fought back in haste, naturally not as powerful as Wu Meizi. .

puff!

So Wayne Lin spouted a mouthful of blood, Wu Meizi's palm hurt him, mainly because Wu Meizi's aura was too strong.

“Oh my God!”

“Wayne!!!”

In the crowd, Tao Sanniang and Ouyang Yanran yelled out loudly. They were extremely nervous when they saw Wayne Lin was injured. Tao Sanniang's eyes were red, almost crying.

As for Gu Hanxing, he was so excited that he couldn't hide the smile on his face. He kept yelling, “Uncle Shi killed him, killed him! Hahahaha...”

Some surprises flashed in Wu Meizi's eyes, but she did not expect that Wayne Lin would still be able to catch this palm of her. You must know that this palm is one of her killer features. Even if Brian Gu is here, she will be caught by her. Suppress it.

And once the scene of suppression, her brain was smashed.

“Wayne Lin, you are defeated.” Wu Meizi sneered, without stopping, and began to attack Wayne Lin more fiercely.

Wayne Lin's gaze was neither happy nor sad. At this moment, he seemed to have suddenly lost his soul and became a emotionless machine.

In the face of Wu Meizi's crazy attack, he can only parry.

Chapter 404

Wayne Lin did not respond to Wu Meizi. From everyone's point of view, Wayne Lin was already at the end of the battle, and would be beaten to death by Wu Meizi at any time.

However, they were still surprised that Wayne Lin was able to hold on to Wu Meizi's hand for so long. Originally, they thought that Wayne Lin was purely looking for death and was vulnerable and would soon be defeated.

As the two masters of the Innate Realm, the damage brought by the two of them is extremely huge!

You know, before Wayne Lin and Brian Gu were in the big forest, they caused such a big movement, and now in the steel city, the damage caused is even more appalling. Anything they touched will explode and fly directly around.

Fortunately, this is in the stadium, and there are no residents nearby, otherwise it will cause big news. But even so, people around the stadium attracted their attention, thinking that there was demolition inside.

There were so many people at the scene, densely packed, and many of them were accidentally injured, making them tremble and terrified.

“My God, is this really a human? It’s too scary!”

“This is a humanoid tyrannosaurus?!”

“No wonder it is said that Innate Realm is an extraordinary master, similar to the superheroes in the movie, now it seems that it is like this!”

“The two of them are afraid they will be able to carry bullets, perverted, really perverted.”

Everyone drew far away, for fear of being harmed by Chi Yu, joking, the damage Wayne Lin and Wu Meizi brought was far beyond their ability to bear.

Wayne Lin has now entered a wonderful stage. He has blocked his senses, smelling, hearing, sight, and touch are all inaccessible.

At this moment, between heaven and earth, it seemed that he was the only one left. More than 3,000 people on the scene disappeared. Everyone’s voice and all the pictures disappeared. Even Wu Meizi’s figure was blurred in his vision.

It was as if he had entered his own meditation, completely relying on his own consciousness to manipulate his body, in this way, he could shield Wu Meizi’s spiritual influence on him.

Immediately Wu Meizi felt his state, her face changed for the first time, “This son...”

Now Wu Meizi’s heart is particularly horrified, because she has never seen such a technique before, and can actually seal off her senses, relying on her own fighting instinct to fight her. Now she felt that Wayne Lin was dead, without a soul, just a robot.

She has never seen such a technique at such a young age! It completely exceeded her understanding of the innate realm. At a certain moment, she even doubted that Wayne Lin was already dead.

The key point is that Wayne Lin has closed off his senses and has become a 'body'. Instead of weakening his fighting ability, he has become even more powerful! Wu Meizi's pressure suddenly increased a lot, and she couldn't even suppress Wayne Lin.

You must know that the reason why she can stabilize Wayne Lin is mainly because her spiritual cultivation is much stronger than Wayne Lin, and she keeps invading Wayne Lin's spiritual world. In the end, Wayne Lin is restrained and unable to exert her peak strength. Lost to her.

But now, Wayne Lin is actually not affected by her spirit. In this way, her advantage over Wayne Lin disappears, so what else can she use to stabilize Wayne Lin?

Fortunately, her realm was there. Wayne Lin would not be her opponent just by relying on his fists.

Since this is the case, Wu Meizi put away her spiritual majesty towards Wayne Lin and focused her energy on her fists and feet.

Wayne Lin launched a stormy attack.

Don't think she is a woman, but her fists and feet are so strong that she is a mess, completely breaking the weak nature of women, not only fists and feet, but also endless physical strength.

If it were for other Innate Realm masters, facing such a fierce attack by Wu Meizi, he would have already felt jealous.

But Wayne Lin was not affected at all, because he was already a 'body'.

Moreover, his fighting instinct is surprisingly terrifying, and he still has the ability to learn, like a sophisticated computer, learning Wu Meizi's moves in a short period of time, and then perfecting himself, slowly turning from the disadvantage to a state of equal competition. .

Wu Meizi became more and more frightened. She once suspected that Wayne Lin was not a person, but a machine!

Suddenly, she yelled at Wayne Lin. A huge sound wave spread out from her mouth and rushed towards Wayne Lin. The sound resounded through the sky and was deafening. Even Gu Hanxing, who was hundreds of meters away, felt a little bit sick. No, I had to cover my ears, and the buzzing pain, as for other ordinary people, was even more unbearable.

This is comparable to the lion roar in the martial arts movie, and the power is amazing.

This is one of Wu Meizi's killer features. Even if he is a master of the Innate Realm, his eardrum will be ruptured and his strength will be greatly reduced, and he will be defeated.

But Wayne Lin seemed to be an unexplored prophet. When Wu Meizi issued the 'lion roar technique', he reacted in advance, and saw that his earlobes were spiritually like, and they were tightly attached to the ear holes and avoided Wu Meizi. The sound waves hit.

Almost at the same time, Wayne Lin also screamed at Wu Meizi, the loudness of the voice was not below Wu Meizi, and even louder, it fell in the ears of everyone, as if it was a dragon chant, which shocked the mind.

Wu Meizi's face changed drastically in an instant!

She didn't expect Wayne Lin to learn so fast, and she still meant that blue was better than blue. This sound made her hair and clothes float up, showing how strong and loud her voice was.

Boom!

Wu Meizi's brain exploded. She didn't have the ability of Wayne Lin's earlobe to stick to her pierced ears. At this moment, her eardrums were about to rupture, blood was bleeding from both ears, and her mind was extremely shocked! As a result, her movements were a few minutes slower, although it was only a flash, but in front of the top masters like Wayne Lin, any flaws that appeared were fatal.

Wayne Lin immediately caught this opportunity and punched out, silently, as if from the void, a fist appeared, sealing all Wu Meizi's retreat, causing Wu Meizi to be unable to hide anymore. Watching the punch helplessly, it hit her chest.

With a bang, a dull and loud noise, Wu Meizi spurted blood in response, and with great strength, she directly broke up her bottom plate, and the whole person flew out like a fate.

Then he fell heavily to the ground, his face was full of pain, and then he was seriously injured!

The audience was silent.

Everyone was dumbfounded, and couldn't believe that the scene before him was true. Wu Meizi was actually defeated by Wayne Lin? This is too... subverted!

This punch broke Wu Meizi's ribs several times and also broke all her confidence.

She lost, actually lost to the junior Wayne Lin!

Gu Hanxing's pupils contracted, his face was full of fear and disbelief, he was so pale that there was no trace of blood, his legs were swinging, and he kept saying: "Impossible, impossible...How could Shishu not be Wayne Lin's opponent..."

Chapter 405

Isn't it right, Wu Meizi is a super master of the upper class of the Innate Realm, and she is so famous in the circle, so many people are afraid to avoid her. As for Wayne Lin, he was just a newcomer who had just been promoted to the congenital realm, less than half a year old.

Besides, just a few months ago, Wayne Lin was only an acquired pinnacle master, and he was in the same realm. How long has it passed before that he has become an unattainable existence?

He is really unwilling, nor convinced!

Why, why is there such a person against the sky in this world, and how does this make other people live? ?

In the same way, Wu Meizi was the one who frightened the most. In the life and death struggle with Wayne Lin just now, she could clearly feel that Wayne Lin was constantly improving, and her learning ability was abnormal. She had never seen such a person. !

Why is this happening? It's not scientific.

In particular, Wayne Lin's last punch was too subtle, and until now, she hasn't figured out how Wayne Lin made that punch, with such a powerful force, it was so powerful that it directly wounded her seriously!

The over 3,000 people present all looked at Wayne Lin with awe and shock. At this moment, no one dared to look down on Wayne Lin, no one dared to look down on him anymore.

Especially some of the people who slandered him, now all have a numb scalp, and start to panic and fear. They can't wait to give themselves a big slap, what did they just do!

As for Tao Sanniang, her eyes are now bursting with tears, and she is extremely excited. Wayne Lin won and did not disappoint her! Proving that her choice was correct, a bright light appeared in her originally gloomy life, driving away all the gloom.

Wayne Lin, under the gaze of so many people in the audience, he started to move and walked towards Wu Meizi. His eyes were cold, but there was still no emotion.

This means that he is still in the state of a 'body' now, without emotions and consciousness, just a state entirely from his fighting instinct.

Soon he walked in front of Wu Meizi. Wu Meizi saw his cold eyes and could not see a trace of 'person'. Even if it was her psychological quality, she couldn't help but tighten her heart and felt scared. .

"Wayne Lin, I really underestimated you, I lost, from now on..."

Wu Meizi was softened and gave up. With her current state, it is impossible to be Wayne Lin's opponent. If she still fights Wayne Lin, there is only one dead end.

She lowered her head, and a bit of cold flashed in her eyes. With her personality, how could she give up? When she recovered, she would kill all the people around Wayne Lin, and then Wayne Lin would die!

It was this trace of her murderous intent that was caught by Wayne Lin. Before she could finish her words, she was kicked by Wayne Lin with a whip. The speed was extremely fast, close to the speed of sound, and the air exploded. With a bang, Wu Meizi realized that it was not good and wanted to dodge, but because she was seriously injured, her speed was greatly affected, and she couldn't dodge. She was kicked heavily by Wayne Lin's whip leg, screamed, and another blood spurted out. , Was kicked by Wayne Lin and flew more than ten meters away.

This kick is too heavy, it will break her waist!

Originally, Wayne Lin's punch was enough to hurt her vitality, but Wayne Lin's kick made her lose the ability to resist.

She gritted her teeth and shivered with anger. When did Wu Meizi get hurt like this? Or in front of so many people, she was going crazy!

"Wayne Lin, you dare to attack me sneakily, you are looking for death!"

Wu Meizi threatened Wayne Lin coldly.

But as soon as she finished speaking, her pupils shrank suddenly. In her sight, Wayne Lin had already walked in front of her again, with black and white eyes, without any emotion, just a cold machine. Wayne Lin at this time, Just

The devil who crawled out of hell will devour her!

She immediately felt Wayne Lin's killing intent, no, or it can't be called killing intent. It just didn't treat her as a human being. Now Wayne Lin only has the instinct to fight, he wants to treat her as a pig and dog. End life in the same way.

Scared, Wu Meizi was really scared, and she began to tremble from the depths of her soul!

"Wayne Lin, you can't kill me..."

Bang!

Wayne Lin ignored her and kicked it again. Wu Meizi was a super master at the upper level of the Innate Realm anyway, and now she was prepared, even if she was seriously injured, she could still temporarily resist Wayne Lin's kick.

But she could block this foot, not Wayne Lin's foot.

Bang bang bang...

Wayne Lin's legs were like iron whips, constantly beating Wu Meizi's body, Wu Meizi stepped back, and after a while, he was kicked and lost the ability to stand.

Everyone looked at this scene, feeling terrified, and had unprecedented fear of Wayne Lin!

Wu Meizi now looks too miserable. She has no strength to fight back. She fell to the ground and was dying. She was dying of fear and despair in her always cold eyes. She began to beg for mercy, "Wayne Lin, I was wrong, no I should be against you, please let me go, please..."

Wu Meizi's begging for mercy now deeply irritates everyone, especially Gu Hanxing. He is now plunged into the abyss, biting cold!

Uncle Shi was defeated, and he was still defeated so simply.

Wayne Lin stepped on Wu Meizi's chest and looked at her condescendingly. His eyes were as dark as ever, without emotion. Because of this, it is the most frightening.

Click!

Wayne Lin pressed her feet and stomped Wu Meizi's chest directly. Wu Meizi's body straightened for a while, and expressions of despair, regret, fear, unwillingness and reluctance appeared on her face. She froze, and then she froze. , Dying.

Wu Meizi is dead.

More than 3,000 people present had received this message and died in the hands of Wayne Lin, and still under the eyes of everyone, this kind of impact is great for everyone!

You must know that Wu Meizi is not a cat or a dog, but a leader in the innate realm. Now she is dead like this.

When everyone looked at Wayne Lin, they could only feel biting fear and cold.

Wayne Lin still didn't wake up. After he trampled Wu Meizi to death, he seemed to have done a trivial thing. Then he turned around and looked at Gu Hanxing.

Seeing this look in his eyes, Gu Hanxing suddenly shook his whole body and shook fiercely. He wanted to turn around and run, but his feet seemed to be rooted, completely unable to move.

“Lin Lin Lin...”

Before he could speak out, Wayne Lin had already arrived in front of him.

He pinched Gu Hanxing's neck with one hand and lifted him up. Gu Hanxing kicked his feet in the air, feeling helpless and fearful.

As Wayne Lin's hands continued to tighten, Gu Hanxing felt a huge pain, his neck was about to be pinched, he couldn't breathe, his sight began to disappear, and he would die.

At this moment, a shout came from behind, “Wayne!”

It was Tao Sanniang, this shout made Wayne Lin's cold eyes, some fluctuations appeared, slowly, his eyes turned and began to regain consciousness.

He turned around and saw Tao Sanniang looking at him in fear and worry.

Chapter 406

Wayne Lin regained his consciousness, and his face changed a little. As soon as he loosened his right hand, Gu Hanxing fell to the ground. There was a smell of urine in the air. Gu Hanxing was actually so scared that he peed his pants.

Tao Sanniang walked over cautiously and stared at Wayne Lin, "Wayne Lin, are you okay?"

Wayne Lin shook his head and said, "I'm fine, did you scare you just now?"

Tao Sanniang nodded first, and then shook her head. Then she was sure that Wayne Lin had recovered her mind, and she threw herself into Wayne Lin's arms like a swallow.

She was worried to death just now, and now Wayne Lin defeated Wu Meizi, she wept with joy, and hugged Wayne Lin tightly, her tears couldn't stop.

Wayne Lin felt her emotions and was very distressed and moved. He put his arms around her backhand, patted her on the back, and said softly, "It's all right, it's all right."

"Hmm..." Under Wayne Lin's comfort, Tao Sanniang slowly relaxed, nodded vigorously, and took courage to kiss Wayne Lin's lips, and said: "From now on, I will be you. You can't abandon me."

Wayne Lin stiffened, showing a wry smile.

At this moment, Gu Hanxing wanted to escape, Wayne Lin didn't look back, kicked a stone beside his foot, and slammed it heavily on Gu Hanxing's back. Gu Hanxing fell to the ground and screamed.

Wayne Lin walked over with a cold face, stepped on Gu Hanxing's chest and looked down at him, "Gu Hanxing, I originally killed Brian Gu and planned to spare you a dog's life, but you didn't appreciate it and dared to call Wu Meizi to find him. Am I in trouble?"

Gu Hanxing was so scared that he was about to break his courage, and he trembled and begged for mercy, "Master Lin, Master Lin! You have a lot, let me go this time, I beg you, I really don't want to die, oh oh... ..."

Today is Gu Hanxing's birthday, and the scene is unprecedented. Almost all the famous officials and nobles in G Province came to cheer. It was originally Gu Hanxing's day, but

because of Wayne Lin's appearance, the situation was completely reversed. Gu Hanxing's face was embarrassing. Up!

He can't take care of these anymore, and now he is really scared, even Wu Meizi is not Wayne Lin's opponent, then he has no chance of revenge. Now he just wants to live, he is still young and doesn't want to die!

Wayne Lin squinted his eyes, looked at him coldly, and said, "Gu Hanxing, you should never do anything, you should attack the people around me and beat the Chu family so badly! You have already offended me. Bottom line."

When Gu Hanxing heard this heartbroken, he quickly begged for mercy and explained, "Lin Ye, that was not what I meant, it was the idea of a crazy woman like Wu Meizi, and it has nothing to do with me!"

Now he betrayed Wu Meizi unscrupulously.

More than three thousand people present, hearing his words, he now looks like he has no dignity and begs for mercy, they are very disdainful and contemptuous.

Wayne Lin sneered. Naturally, he would not believe Gu Hanxing's nonsense, and it was even more unlikely that he would let Gu Hanxing go.

With one foot, Gu Hanxing ended his life in despair.

So far, the audience is silent!

Everyone's eyes were horrified and demented, looking at Wayne Lin, looking at a god, a demon coming from hell.

Wayne Lin killed people in front of so many people. According to the law, he was going to die.

But everyone knows that Wayne Lin will not die, his future is unlimited!

Moreover, the forces of province G have completely shuffled from this moment.

The name Wayne Lin, born out of nowhere, became the strongest in Province G, without a doubt.

As for those because of Wu Mei

Zi's warning, and those who chose to draw a clear line with Wayne Lin now regret that their intestines are green!

No, they are the wrong treasure. Who would have thought that Wayne Lin, who had just been promoted to the Innate Realm, would be so terrifying, even cutting Brian Gu and Wu Meizi.

Wayne Lin's gaze crossed all of them. Everyone he saw had a heartbeat that was almost at the extreme, nervous and frightened, and quickly lowered their heads, not daring to look at Wayne Lin, for fear of making Wayne Lin angry. .

Now at Ouyang's house, Yuntian Pavilion's mood is extremely complicated. Ouyang Feng and Fan Lao's mouth are bitter. They really hit their own feet by moving a rock this time!

Wayne Lin felt the heart movements of these people, and the corners of his mouth rose slightly, revealing an intriguing sneer.

"Let's go." Wayne Lin said to Tao Sanniang, and then began to leave.

Tao Sanniang Xiaoniao leaned back in Wayne Lin's arms, nodded docilely, and left with Wayne Lin.

Wayne Lin walked slowly and came out of the ruins. When passing the crowd, everyone who stood in front of him stepped back and gave him a five-meter-wide road for Wayne Lin to leave for fear of hindering Lin Zi. Ming.

"Wayne, what happened just now was a misunderstanding. In fact, Yuntian Pavilion has always been on your side!"

At this moment, a few people walked out, all of them from the top of the Yuntian Pavilion. Among them, Mr. Fan nodded and bowed to apologize, with an unprecedented humility.

Several other senior members of the Yuntian Pavilion also quickly explained that they hoped to restore relations with Wayne Lin.

But will Wayne Lin restore relations with them?

Naturally it is impossible.

He sneered, only faintly said two words, "Go away."

The voice was very low, like a chat between friends, but everyone who fell in the Yuntian Pavilion was a thunderbolt from the blue sky, shaking their heads rumbling! His face became pale, especially fearful.

Even Fan Lao was frightened. His face was full of regret and panic. He had to ask Tao Sanniang for help and whispered: "Sanniang, can you help us speak? This is a misunderstanding between us."

Tao Sanniang said with a cold expression, and said lightly: "There is nothing to say. I know what Yuntian Pavilion has done during this period of time better than anyone else."

When Old Fan heard this, his face turned black, and the other people in Yuntian Pavilion were also very angry. Tao Sanniang, as a member of Yuntian Pavilion, did not speak for them, she was a traitor!

Even their eyes looked at Tao Sanniang with threats.

It's just that these little movements of them, how can they hide Wayne Lin? I saw Wayne Lin snorted coldly, stepped on his right foot, and his strength exploded. With a bang, the hard floor was cracked by his foot, and the cracks spread to the Yuntian Pavilion and others. Finally, there was a bang, that look threatening Tao. Sanniang's man, the tile under his feet exploded directly.

"From now on, Tao Sanniang is my person, whoever dares to move her is against me, and the end is just like a brick."

Feeling the murderous intent emanating from Wayne Lin, all the people in the Yuntian Pavilion slammed their heads and quickly lowered their heads, not daring to speak any more.

On the other side, Ouyang Feng and others, who originally wanted to reconcile with Wayne Lin, immediately dispelled this idea.

Ouyang Xuehai slapped himself heavily, regretting it to the extreme!

Finally, Wayne Lin and Tao Sanniang left the gymnasium under everyone's gaze.

Everyone will never forget what happened tonight, and they know that Wayne Lin's identity is completely different since tonight!

A Life Upside Down Chapter 404 – 406

Chapter 404

Wayne Lin did not respond to Wu Meizi. From everyone's point of view, Wayne Lin was already at the end of the battle, and would be beaten to death by Wu Meizi at any time.

However, they were still surprised that Wayne Lin was able to hold on to Wu Meizi's hand for so long. Originally, they thought that Wayne Lin was purely looking for death and was vulnerable and would soon be defeated.

As the two masters of the Innate Realm, the damage brought by the two of them is extremely huge!

You know, before Wayne Lin and Brian Gu were in the big forest, they caused such a big movement, and now in the steel city, the damage caused is even more appalling. Anything they touched will explode and fly directly around.

Fortunately, this is in the stadium, and there are no residents nearby, otherwise it will cause big news. But even so, people around the stadium attracted their attention, thinking that there was demolition inside.

There were so many people at the scene, densely packed, and many of them were accidentally injured, making them tremble and terrified.

"My God, is this really a human? It's too scary!"

“This is a humanoid tyrannosaurus?!”

“No wonder it is said that Innate Realm is an extraordinary master, similar to the superheroes in the movie, now it seems that it is like this!”

“The two of them are afraid they will be able to carry bullets, perverted, really perverted.”

Everyone drew far away, for fear of being harmed by Chi Yu, joking, the damage Wayne Lin and Wu Meizi brought was far beyond their ability to bear.

Wayne Lin has now entered a wonderful stage. He has blocked his senses, smelling, hearing, sight, and touch are all inaccessible.

At this moment, between heaven and earth, it seemed that he was the only one left. More than 3,000 people on the scene disappeared. Everyone’s voice and all the pictures disappeared. Even Wu Meizi’s figure was blurred in his vision.

It was as if he had entered his own meditation, completely relying on his own consciousness to manipulate his body, in this way, he could shield Wu Meizi’s spiritual influence on him.

Immediately Wu Meizi felt his state, her face changed for the first time, “This son...”

Now Wu Meizi’s heart is particularly horrified, because she has never seen such a technique before, and can actually seal off her senses, relying on her own fighting instinct to fight her. Now she felt that Wayne Lin was dead, without a soul, just a robot.

She has never seen such a technique at such a young age! It completely exceeded her understanding of the innate realm. At a certain moment, she even doubted that Wayne Lin was already dead.

The key point is that Wayne Lin has closed off his senses and has become a ‘body’. Instead of weakening his fighting ability, he has become even more powerful! Wu Meizi’s pressure suddenly increased a lot, and she couldn’t even suppress Wayne Lin.

You must know that the reason why she can stabilize Wayne Lin is mainly because her spiritual cultivation is much stronger than Wayne Lin, and she keeps invading Wayne

Lin's spiritual world. In the end, Wayne Lin is restrained and unable to exert her peak strength. Lost to her.

But now, Wayne Lin is actually not affected by her spirit. In this way, her advantage over Wayne Lin disappears, so what else can she use to stabilize Wayne Lin?

Fortunately, her realm was there. Wayne Lin would not be her opponent just by relying on his fists.

Since this is the case, Wu Meizi put away her spiritual majesty towards Wayne Lin and focused her energy on her fists and feet.

Wayne Lin launched a stormy attack.

Don't think she is a woman, but her fists and feet are so strong that she is a mess, completely breaking the weak nature of women, not only fists and feet, but also endless physical strength.

If it were for other Innate Realm masters, facing such a fierce attack by Wu Meizi, he would have already felt jealous.

But Wayne Lin was not affected at all, because he was already a 'body'.

Moreover, his fighting instinct is surprisingly terrifying, and he still has the ability to learn, like a sophisticated computer, learning Wu Meizi's moves in a short period of time, and then perfecting himself, slowly turning from the disadvantage to a state of equal competition. .

Wu Meizi became more and more frightened. She once suspected that Wayne Lin was not a person, but a machine!

Suddenly, she yelled at Wayne Lin. A huge sound wave spread out from her mouth and rushed towards Wayne Lin. The sound resounded through the sky and was deafening. Even Gu Hanxing, who was hundreds of meters away, felt a little bit sick. No, I had to cover my ears, and the buzzing pain, as for other ordinary people, was even more unbearable.

This is comparable to the lion roar in the martial arts movie, and the power is amazing.

This is one of Wu Meizi's killer features. Even if he is a master of the Innate Realm, his eardrum will be ruptured and his strength will be greatly reduced, and he will be defeated.

But Wayne Lin seemed to be an unexplored prophet. When Wu Meizi issued the 'lion roar technique', he reacted in advance, and saw that his earlobes were spiritually like, and they were tightly attached to the ear holes and avoided Wu Meizi. The sound waves hit.

Almost at the same time, Wayne Lin also screamed at Wu Meizi, the loudness of the voice was not below Wu Meizi, and even louder, it fell in the ears of everyone, as if it was a dragon chant, which shocked the mind.

Wu Meizi's face changed drastically in an instant!

She didn't expect Wayne Lin to learn so fast, and she still meant that blue was better than blue. This sound made her hair and clothes float up, showing how strong and loud her voice was.

Boom!

Wu Meizi's brain exploded. She didn't have the ability of Wayne Lin's earlobe to stick to her pierced ears. At this moment, her eardrums were about to rupture, blood was bleeding from both ears, and her mind was extremely shocked! As a result, her movements were a few minutes slower, although it was only a flash, but in front of the top masters like Wayne Lin, any flaws that appeared were fatal.

Wayne Lin immediately caught this opportunity and punched out, silently, as if from the void, a fist appeared, sealing all Wu Meizi's retreat, causing Wu Meizi to be unable to hide anymore. Watching the punch helplessly, it hit her chest.

With a bang, a dull and loud noise, Wu Meizi spurted blood in response, and with great strength, she directly broke up her bottom plate, and the whole person flew out like a fate.

Then he fell heavily to the ground, his face was full of pain, and then he was seriously injured!

The audience was silent.

Everyone was dumbfounded, and couldn't believe that the scene before him was true. Wu Meizi was actually defeated by Wayne Lin? This is too... subverted!

This punch broke Wu Meizi's ribs several times and also broke all her confidence.

She lost, actually lost to the junior Wayne Lin!

Gu Hanxing's pupils contracted, his face was full of fear and disbelief, he was so pale that there was no trace of blood, his legs were swinging, and he kept saying: "Impossible, impossible...How could Shishu not be Wayne Lin's opponent... "

Chapter 405

Isn't it right, Wu Meizi is a super master of the upper class of the Innate Realm, and she is so famous in the circle, so many people are afraid to avoid her. As for Wayne Lin, he was just a newcomer who had just been promoted to the congenital realm, less than half a year old.

Besides, just a few months ago, Wayne Lin was only an acquired pinnacle master, and he was in the same realm. How long has it passed before that he has become an unattainable existence?

He is really unwilling, nor convinced!

Why, why is there such a person against the sky in this world, and how does this make other people live? ?

In the same way, Wu Meizi was the one who frightened the most. In the life and death struggle with Wayne Lin just now, she could clearly feel that Wayne Lin was constantly improving, and her learning ability was abnormal. She had never seen such a person. !

Why is this happening? It's not scientific.

In particular, Wayne Lin's last punch was too subtle, and until now, she hasn't figured out how Wayne Lin made that punch, with such a powerful force, it was so powerful that it directly wounded her seriously!

The over 3,000 people present all looked at Wayne Lin with awe and shock. At this moment, no one dared to look down on Wayne Lin, no one dared to look down on him anymore.

Especially some of the people who slandered him, now all have a numb scalp, and start to panic and fear. They can't wait to give themselves a big slap, what did they just do!

As for Tao Sanniang, her eyes are now bursting with tears, and she is extremely excited. Wayne Lin won and did not disappoint her! Proving that her choice was correct, a bright light appeared in her originally gloomy life, driving away all the gloom.

Wayne Lin, under the gaze of so many people in the audience, he started to move and walked towards Wu Meizi. His eyes were cold, but there was still no emotion.

This means that he is still in the state of a 'body' now, without emotions and consciousness, just a state entirely from his fighting instinct.

Soon he walked in front of Wu Meizi. Wu Meizi saw his cold eyes and could not see a trace of 'person'. Even if it was her psychological quality, she couldn't help but tighten her heart and felt scared. .

"Wayne Lin, I really underestimated you, I lost, from now on..."

Wu Meizi was softened and gave up. With her current state, it is impossible to be Wayne Lin's opponent. If she still fights Wayne Lin, there is only one dead end.

She lowered her head, and a bit of cold flashed in her eyes. With her personality, how could she give up? When she recovered, she would kill all the people around Wayne Lin, and then Wayne Lin would die!

It was this trace of her murderous intent that was caught by Wayne Lin. Before she could finish her words, she was kicked by Wayne Lin with a whip. The speed was extremely fast, close to the speed of sound, and the air exploded. With a bang, Wu Meizi realized that it was not good and wanted to dodge, but because she was seriously injured, her speed was greatly affected, and she couldn't dodge. She was kicked heavily by Wayne Lin's whip leg, screamed, and another blood spurted out. , Was kicked by Wayne Lin and flew more than ten meters away.

This kick is too heavy, it will break her waist!

Originally, Wayne Lin's punch was enough to hurt her vitality, but Wayne Lin's kick made her lose the ability to resist.

She gritted her teeth and shivered with anger. When did Wu Meizi get hurt like this? Or in front of so many people, she was going crazy!

"Wayne Lin, you dare to attack me sneakily, you are looking for death!"

Wu Meizi threatened Wayne Lin coldly.

But as soon as she finished speaking, her pupils shrank suddenly. In her sight, Wayne Lin had already walked in front of her again, with black and white eyes, without any emotion, just a cold machine. Wayne Lin at this time, Just

The devil who crawled out of hell will devour her!

She immediately felt Wayne Lin's killing intent, no, or it can't be called killing intent. It just didn't treat her as a human being. Now Wayne Lin only has the instinct to fight, he wants to treat her as a pig and dog. End life in the same way.

Scared, Wu Meizi was really scared, and she began to tremble from the depths of her soul!

"Wayne Lin, you can't kill me..."

Bang!

Wayne Lin ignored her and kicked it again. Wu Meizi was a super master at the upper level of the Innate Realm anyway, and now she was prepared, even if she was seriously injured, she could still temporarily resist Wayne Lin's kick.

But she could block this foot, not Wayne Lin's foot.
