

The Protector Novel Levi Garrison Chapter 1877 – 1878

Chapter 1877

Isn't that the case with the East Island forces?

This is totally wrong!

I thought the biggest enemy was eliminated.

As a result, he escaped again?

how can that be?

That is the strongest ancient martial arts institution in Morendam!

Levi was locked with a dragon chain again.

How did he escape?

Levi's escape had too much influence on them!

Maybe it will bring terrible disasters to them!

"It shouldn't be. According to Levi's strength, he won't be able to unlock the dragon chain anyway!"

"What's the matter? Is someone helping Levi?"

...

Richard and the others fell into deep contemplation.

After thinking about it for a long time, Richard immediately said: “Now Levi’s first thing is definitely to find Sarah! We can work on Sarah’s body! The faster the better!”

“Okay, we understand!”

...

News release.

Let Tiance Mansion become a shame!

The whole world is full of infamy!

The dignified Tiance Mansion has become a laughing stock!

Especially the legendary lock dragon chain, which can never be opened after being locked, has become a joke...

Looking back at the power of the evil gods, everyone applauded!

Tiance Mansion couldn’t hold Levi!

Their future is very good.

Lin Tianlong and the others looked depressed, and began to think about Tiance Mansion.

Fu Jia and Ning were still relieved when they heard the news.

Levi is fine.

They don’t even know why they are so worried about Levi.

After Levi fled, Tiance Mansion didn’t know what measures to take.

There is no solution yet.

It was a fluke to catch Levi last time.

What about this time?

I don't even know where Levi is.

How to catch it?

What do you rely on?

Could it be that Tiance Mansion and Baolong clan show all their hole cards?

Doesn't this allow those overseas countries to succeed?

The eyes of the world are focused on this.

No one dared to show his cards!

The point is that I don't know who hurt Levi!

So everyone deposited their only hope on the commoner killing god alone.

Besides, Levi ran all the way.

Finally ran into the seven evil gods in a villa outside the capital.

"Little Lord, is your injury okay?"

The seven evil gods were all worried when they saw Levi's body covered in blood.

Levi waved his hand: "It's okay, it's just a small injury! I left it when I broke free of the dragon chain!"

“The little Lord is really a genius who has never met in a thousand years! The three friends of the old Lord were trapped by the chain of dragons and never came out again. I still don’t know whether it is death or life!”

“Yes, the old Lord who said that the dragon chain is useless to him was the old Lord! The little Lord realized it directly!”

...

The seven evil gods did not hesitate to praise Levi.

Levi was anxiously looking for the whereabouts of Sarah.

“Little Lord, Miss Logan is inside! Let’s take you there!”

The seven evil gods lead the way.

“Little Lord, it’s there!”

Everyone ran into it in the villa.

Levi was stunned when he saw Sarah, who was also stunned when he saw him.

It was too late for Wen Lei to stop it.

The two sides met directly.

It can’t be avoided.

“Sarah, how are you doing?”

Seeing Sarah returned to normal, Levi couldn’t help but utter a surprise.

But Sarah was stunned.

Watching Levi speak out.

In the next moment, Sarah broke out with a terrible murderous intent.

Coming across across the sky and covering the villa.

The seven evil gods are all frightened!

The last person with such a terrifying murderous aura was their old Lord-Huoyun Cthulhu!

Sarah's eyes gradually turned red, revealing bloodthirsty killing intent.

“Levi, you must die!”

The plum blossoms with spring thunder.

“Run! She doesn't recognize you anymore! She will only treat you as an enemy!”

Wen Lei shouted quickly.

It's just too late.

The plum is dyed.

Thunder's ultimate move, take Levi straight.

Don't give him any chance to escape.

Chapter 1878

Levi had no choice but to fight!

“boom!”

With a punch, Sarah directly tore the villa in half, splitting a deep gully in the middle.

This shocked the seven evil gods.

Is this woman too exaggerated?

Looking at the gentle and virtuous in front, now is so violent and terrifying?

“I didn’t tell you, in fact, it was her who defeated your Lord!”

Wen Lei said by the side.

“hiss!”

Everyone sucked in cold air.

No wonder the Common Killer came forward to prove that he was not defeated by himself.

It turned out to be her!

“Maybe your Lord has kept your hands! But no one can subdue the other!”

Hearing Wen Lei’s words, the seven evil gods felt shocked.

too frightening!

Sarah is in a big way, every move is ruining the world.

Levi found that Sarah seemed more terrifying than last time!

What’s going on here?

“Everyone, let’s control Sarah first!”

Wen Lei also joined the battle.

During this time, she has become more adept at controlling her superpowers, and her potential development has also grown.

The seven evil gods also joined together!

Sarah's attack was immediately blocked!

Sarah, like a crazy demon, roared: "He is my enemy! What are you doing to stop me? Get out of me!"

"boom!"

Sarah gave a punch, and the blood evil god flew out.

"boom!"

With another punch, the evil spirit flew out.

...

Although Wen Lei was blown away with a punch, she only retreated a few hundred meters, but did not fall.

"You guys hold on for a while! I'll see if there is a way to deal with her!"

Facing Sarah, Levi still couldn't bear to use taboo tricks.

What if you hurt her or even kill her?

Levi is now going to check from the ancient books his Lord left him. Is there any way or medical technique to control Sarah?

Although it is very slim, you can give it a try.

Levi immediately flipped through the ancient books.

...

The seven evil gods and Wen Lei are responsible for restraining Sarah.

But Sarah is too horrible.

Fighting power is getting stronger and stronger with anger!

The seven evil gods were just blocking them, and they didn't dare to really attack.

Soon most people were injured!

Sarah has a crushing momentum!

Wen Lei was beaten out again and again!

...

They may not last long!

No one noticed, a pair of eyes were staring here in secret.

Oni samurai sent by the East Island forces!!!

He had been looking for Levi's whereabouts.

The sound of fighting here just attracted him.

He hid and kept observing.

Levi read the ancient books with all his heart, but didn't find it directly.

"Huh? There seems to be someone?"

But he still noticed a little energy fluctuation.

There is no time to do other things at this time.

Levi is still reading ancient books!

He finally saw a needle method in a set of ancient medical techniques, as long as he pierced the corresponding acupuncture point, he could temporarily control the person.

Control his mind and use it for yourself!

This is a poisonous needle method recorded!

It is a vicious method used by crooked ways to control people's minds and turn them into their own puppets.

But what Levi needs now is to temporarily control Sarah.

So this wicked needle technique can come in handy.

“Little poison, give me a set of silver needles!”

The evil god of poison is good at using poison, but from another perspective, he is also a doctor.

Therefore, it is not a problem to carry the silver needle poisonous needle with you.

The evil god of poison handed the silver needle to Levi.

Levi immediately began to act.

While the chaos turned into a flash of lightning and appeared in front of Sarah, a silver needle was already pierced at the acupuncture point.

“laugh!”

Another transposition, a silver needle stabbed again.

After continuous transformation, seven silver needles are pierced.

With two more silver needles, Levi can control the plum dyeing.

At that very moment, the Oni Samurai suddenly shot.

He didn't want to see Sarah under control.

The Protector Novel Levi Garrison Chapter 1879 – 1880

Chapter 1879

The command given to him by the leader of the East Island forces was to inspire Sarah as much as possible and make her a disaster.

How can he let go of such a good opportunity now?

Seeing that Levi was about to control the plum dye.

Oni Samurai is ready!

“boom!!!”

A black shadow appeared behind Levi out of thin air, a ghost like a demon.

Even the evil spirits who are good at ghostly body techniques were taken aback.

“Can it be like this?”

The black shadow appeared behind Levi and immediately attacked Levi.

Attempt to disrupt his actions.

“I have been waiting for you for a long time!!!”

A voice rang out loudly.

It turned out that Levi had been waiting for someone in the dark to take action.

It seems that he is using acupuncture to control Sarah, and he is also guarding against people in the dark.

Actually waited until he shot!

Levi suddenly passed behind him and blasted a majestic punch from an incredible angle.

A punch directly hits an air current vortex.

“boom!”

In an instant, this dark shadow was shattered.

“Huh? It turned out to be a ghost ghost?”

Levi was surprised.

He and the evil spirits saw the clues at the same time.

Just now, it was not the real body of the Oni Samurai, but a ghostly ghost.

It's almost the same as Levi's ghost clone.

The speed is so fast that it can deceive people.

But it is estimated that the ghost warrior cultivates a body technique, and can have a ghost shadow.

After being discovered, the Oni Samurai also fled immediately.

He also didn't expect Levi to be prepared.

Once unsuccessful, he must evacuate!

Levi adds so many Lords, he might stay here.

"Count you running fast!"

Levi said coldly.

Everyone continued to deal with Sarah.

"laugh!"

"laugh!"

With Levi stabbing the last two silver needles, Sarah calmed down completely.

Her mind will be used by Levi.

If Levi is willing, she can be made a puppet.

Of course Levi will not.

He did this just to keep Sarah steady.

The current Sarah is too strong, and the brain consciousness is too strong and too strong, and ordinary methods are useless at all.

Unless you use this wicked stitch!

This place can't stay anymore.

Levi led everyone to find a place again and settled the plum dye.

Levi and Wen Lei came outside.

At this time, Levi finally had time to ask what happened.

He stood by and listened carefully to Wen Lei's account of what happened.

“So, now Sarah is still Sarah, but it is affected by Wood Zhengjie's consciousness! Treat me as an enemy?”

“It can even be understood as two personalities! The first is her normal! The second is her who treats me as an enemy!”

Levi probably understood.

“Yes! This situation is too rare! No one thought! The point is that these also stimulated Sarah's potential! See how strong she is now!”

Wen Lei sighed secretly.

“By the way, how did you survive? That energy explosion, I couldn't stand it! Don't talk about stimulating the potential and transforming it, it is impossible to leave the whole body!”

Levi asked his question.

“Yes, that's right! Logically speaking, we can't survive! We were rescued!”

“What? It was saved? Who?”

Levi couldn't imagine that he could still save people in that situation.

Is this a god?

If it's him, it's hard to protect himself.

Not to mention saving people!

What kind of existence is this that can save people in that situation?

“Who saved you?”

Wen Lei probably described the characteristics of the old man.

“Damn!!!!”

“Oh my God!!!”

After Levi listened, his eyes were about to fly out.

Isn't this his own cheap Lord?

Why didn't I think of it just now.

Who will save people besides him?

A question is in Levi's mind, how strong is the cheap Lord?

Is he still human? ? ?

Chapter 1880

Before, Levi had no idea about this mysterious old man.

A little bit now.

He is really strong!

“Do you know each other?”

Wen Lei couldn't help asking.

“He is my Lord!”

“What? Your Lord? Is it the Huoyun Evil God?”

The first thing Wen Lei thought of was Huoyun Cthulhu.

Levi shook his head: “I don’t know if he is, but I don’t think he is! He may be much better than Huoyun Cthulhu!”

According to Levi’s observations, feedback from Tiance Mansion and the seven evil gods.

Huoyun Evil God may be between him.

Who is strong is not necessarily weak.

So he concluded that Huoyun Cthulhu was not his Lord at all!

“Generally speaking, this time is good! Wood Zhengjie got rid of it! Otherwise, he is really not easy to kill! Secondly, you also get super powers!”

Levi smiled.

“Hey, it’s that Sarah’s condition is worrying! She has completely forgotten you now and treats you as an enemy!”

“As long as she sees you, she will immediately become another murderer! I checked with modern equipment! She is no different! This means that modern medicine can’t treat her condition at all!”

Wen Lei sighed.

“But, you can try Morendam’s genius doctor! Some Lords of ancient medical skills may solve it!”

“Another way is to slowly influence Sarah! Let her understand that you are not her enemy, you are her husband, let her accept you a little bit! But this method is currently unrealistic! It takes a very long time. time!”

“For the time being, you don’t want to meet with Sarah! There is absolutely something wrong when we meet! We all think about how to solve Sarah’s situation!”

Wen Lei gave Levi a move.

“Well, that’s the only way to do it!”

...

After the Oni Samurai returned, he passed the news to the boss.

The boss and Richard are having a video conference.

“Huh? Sarah is so powerful that Levi can control it?”

Richard was taken aback.

“But I conclude that Sarah has long regarded Levi as an enemy! This is a hidden danger, if we can take advantage of it, it will be fine!”

The leader of the East Island forces smiled: “Leave it to us, we are the best at this matter!”

After the video ended, Richard sat in a daze, tapping the table with his fingers.

“Mr. Richard! Good news!”

At this time, his subordinates suddenly ran over.

“what’s happenin?”

“Mr. Wood Zhengjie’s technology to transform the body into an energy body has basically been restored! The next step is the experiment! Once the experiment is successful, we can transform the energy body in batches! At that time we had a lot of powerhouses such as Wood Zhengjie! “

...

Hearing this, Richard also smiled excitedly.

When he returned from Morendam, he took away all the technical drawings and equipment left by Wood Zhengjie by the way.

The purpose is to restore Wood Zhengjie's experiment to transform a pure energy body.

In this way, they can continuously create Wood Zhengjie.

At that time, the Eagle Nation will stand at the top of this world!

Who can be the enemy?

Wood Zhengjie's power after becoming a pure energy body is terrifying!

Not even the three evil gods can join forces!

They won't die if the cannons won't be broken, the poison won't hurt, and the energy won't be exhausted.

This is too scary!

"Okay, hurry up and experiment! Don't hesitate to say what you need! The laboratory regards this as the number one event! We will fully support you!"

There was a cold flash in Richard's eyes.

Not far from the laboratory behind him, becoming the world's number one overlord.

Levi, who had just finished talking with Wen Lei, came outside and just assigned tasks to the seven evil gods.

But the next second, the seven evil gods received the news.

Suddenly, their subordinates were severely attacked and suffered heavy casualties.

“Go, I’ll go and see with you!”

The Protector Novel Levi Garrison Chapter 1881 – 1882

Chapter 1881

Levi didn’t want a tragedy to happen, and he didn’t want to fight around.

What good and evil?

Are you not from Morendam?

He wants to stop!

In addition, the hiding place of the Heretic God’s forces is extremely concealed, and it has not been discovered for so long.

Why did you find it at this time?

There must be a problem!

“The little Lord is not good, there are traitors among us! They exposed the whereabouts! It is our fault!”

On the way, the seven evil gods already knew the truth.

Speaking of betrayal, hasn't Levi ever experienced it?

Wushuang City is one of them.

They personally pushed the three of Jun Jun into the fire pit!

This account Levi remembers.

In the southern border of Morendam, somewhere deep in the mountains.

A fight is going on.

"Lord Lin, we rescued you, you have to testify for us! We are on your side and won't follow Levi!"

Someone rescued Lin Tianlong and his party.

It was they who had betrayed the seven evil gods and revealed the place where the evil gods were hiding.

The reason for their betrayal is simple!

Although the seven evil gods surrendered to Levi.

But many people under him were dissatisfied with Levi's rules and regulations, especially the rules of no murder, no free movement, etc., which made these people totally unbearable.

When he followed Huoyun Cthulhu in the past, his old man never restrained them!

Instead, it gives them a world of freedom and lets them do whatever they want.

Let them kill people!

Let them do anything that can deter others!

It is to teach them a truth: only the strong can survive.

In the era of Cthulhu, they did all evil and became the existence that everyone feared.

But Levi's idea was completely opposite to Huoyun Cthulhu.

Levi actually wanted these demons to change their hearts and become good people.

Constrain them in all aspects!

So even though Levi is very powerful now, the Tiance Mansion has been crippled.

But many people are dissatisfied with Levi!

They would rather live the life of licking blood, so much at ease.

Not willing to follow Levi!

Therefore, after a round of consultation, they rebelled.

They rescued Lin Tianlong and his party and revealed the location to ensure their safety in Morendam.

Finally, they will leave Morendam and go to the evil spirits overseas.

After the Evil God Fire Cloud disappeared, a group of people was forced to an area with harsh environment.

There is also the equivalent of a person fleeing overseas. They united with many high gestures overseas to form a huge organization.

Codenamed "Bible".

In the end, they all have to take refuge in the Bible.

This is their confidence to betray Levi...

“Don’t worry, you saved us, I know!”

Under the support of Lin Tianlong and several people.

These betrayers escaped safely one by one.

No one embarrassed them.

It is estimated that someone from the back will react, and they have all fled overseas.

Lin Tianlong waved at Fu Jia and the two again: “Let’s go, let’s leave! When I move in for reinforcements, I will come to Levi for revenge!”

It’s just that the two of Fu Jia didn’t move, but stood there hesitantly.

“What? Are you hesitating? Are you really Levi’s women?”

“He is the number one demon! What are you doing with him?”

Lin Tianlong sounded hoarse.

“Come here, take them away!”

Lin Tianlong ordered the Lord of the family to forcibly take Fu Jia away.

Shortly after.

Levi arrived with a few people.

Stopped this fight.

Minimize casualties...

“What about the traitors? What about those who betrayed us?”

Levi asked.

The seven evil gods looked at each other, showing embarrassed expressions.

“What’s wrong? Where did they go?”

Levi asked.

“They went overseas and turned to the Bible Organization!”

“Bible Organization? What is that?”

Levi was curious.

“That is an extremely terrifying existence!”

Chapter 1882

“In fact, there were a total of 13 Cthulhus under the Cthulhu God! The other six took away the strongest power of Cthulhu after the Cthulhu disappeared, and joined many powerful forces overseas to form a Bible organization!”

“Let’s put it this way, the Bible organization is listed as a taboo by the strongest institutions in overseas countries! Overseas countries dare not provoke!”

The seven evil gods explained.

“Among the seven of us, the Sword Evil God and the Black Evil God are the strongest! But among the other six, three are better than them! Especially the strongest one is terrifying!”

Speaking of which one came, the seven evil gods present became ugly.

Even sucked in cold air.

Levi immediately understood which one is so strong.

It is not easy to make the seven evil gods show such a timid look.

“Which one is infinitely close to the existence of the Fire Cloud Cthulhu! At least 80% of the strength is there! It can definitely be crushed against us!”

Sword Evil Shinto.

Levi shook his head helplessly: “Okay, just run away! There is no way!”

“These traitors can’t upset any storms. What we are afraid of is the Bible organization! I’m afraid the Bible organization will make trouble!

The seven evil gods showed deep worries.

“Afraid of what they do? What’s more, this is Morendam! Whoever dares to come, I will let whoever die!”

Levi didn’t take this matter to heart.

He is now devoting himself to the plum.

Of course there is also the issue of the East Island forces.

Their existence makes him still Morendam’s demon, and everyone is playing the role.

Levi came out of this bad breath!

Since Levi fled, the entire Tiance Mansion has been silent.

No one dared to speak!

As the strongest institution of Furutake!

How to bear such a shame?

They can't even lift their heads!

“What should I do now? Let Levi be so presumptuous?”

“But Levi is too strong, and I don't know if he has any helpers, who can shake him?”

...

Even Tiance Mansion was helpless.

The key, Levi, escaped from the chain of the dragon, bringing them shame.

The experts in Tiance Mansion had no face to trouble Levi.

Now all Morendam is looking forward to someone defeating Levi.

I look forward to the person who defeated Levi before to make another move!

But this is difficult!

Everyone knows it!

At this moment, the Common Killer God, who was the second highest in the ranking, uttered a voice.

He has written a statement to Levi.

The time and place Levi is coming.

Come to a life and death duel!

Levi had to wait for his disposal if he lost.

If he loses, he must kill Levi.

In an instant, the whole Morendam boiled.

People cheered.

Commoner Killing God can stand up at this time, worthy of a generation of Lords!

They hope that Commoner Killing God will defeat Levi in one fell swoop!

Levi smiled when he received the Zhanshu.

“The Common Killer is very strong! It is the wrong time! If you are in the same era with the Lord, you may not be able to compete with the Lord!”

The black evil god said such a sentence.

This is the biggest evaluation of Commoner Killing God!

He can compete with the Huoyun Evil God!

Powerful horror!

“Book of engagement!”

Levi smiled.

Afterwards, the news came out-Levi took over the battle book of Commoner Killing God.

It was agreed that three days later, a battle will be held at the site of the Eastern Frontier Battlefield.

This place was once the place where Morendam Warriors fought against the invaders who ruled the Alliance.

Levi's selection of the decisive battlefield here can be regarded as a reminder to the world!

News of the decisive battle between the two sides spread all over the world.

Everyone is looking forward to this battle.

Many places have opened gambling on which of the two will win?

For now, Commoner Killing God has a bigger win.

Morendam voices unanimously, hoping that Commoner Killing God will win!

Commoner Killing God was the second place in the previous rankings, and now so many years have passed, the strength is becoming more and more unfathomable.

Who knows what state he has reached?

This battle cannot be avoided.

Represents "good and evil".
