

# The Protector Novel Levi Garrison Chapter 1919 – 1920

## Chapter 1919

“Come on, we are not wrong! Burn us to death!”

But the more they say this, the more irritated everyone is present!

They are well-known and righteous, but the best children in the family try their best to justify an evil spirit outside. How can they not be angry?

“Wrong, you guys?”

The crowd yelled angrily.

Fu Jia held his head high, and shouted in front of many people: “I’m right!”

“Yes, all of you were just deceived! Levi is definitely not a descendant of an evil god! How else would we come back alive?”

Ning still echoed the road.

“It’s stubborn, it’s useless to say more! Burn them to death!”

The principal gave an order.

Someone is going to set fire immediately!

“boom!”

The flame suddenly rises...

“They have been assimilated by Levi, and only flames can burn their sins!”

Lin Tianlong said lowly.

“I think you are outside the evil spirits, right?”

Suddenly, a sound came from a distance.

“boom!”

At the same time, a gust of wind swept in, blowing out the blazing flame.

An eternal figure fell from a distance.

Levi!

When they saw Levi, Fu Jia and Ning still showed ecstasy, almost screaming in excitement.

At the same time, the girl's ignorant sentiment is mixed in it!

The hero in their minds is here to save them!

“What? Levi!!!”

This title alone is enough to make everyone present fall into fear!

Levi, who was helpless even in Tiance Mansion, what could they do.

For a time, thousands of people looked at Levi in horror.

Although Lin Tianlong was angry, he was more afraid!

How powerful Levi is, he knows!

Levi came to Fu Jianing and still in front of the two of them: “Get up, who dares to make you kneel!”

The two listened to Levi and stood up.

This behavior angered their family again!

“Okay, you two scum! I’m so angry with this evil demon!”

“From now on, you have been expelled from the family division! You two are our greatest shame!”

...

Levi laughed: “You keep talking about evil spirits, I think you are the biggest evil spirits, right?”

“If you don’t figure out the situation, you want to punish your own people! And burn the criminal law with cruel fire! Is the right that gave you that allowed you to do this?”

“we...”

A few people just wanted to get angry, but they were shocked by Shang Levi’s fierce gaze.

“This is our family affair, and it is beyond the turn of others to take care of it! You can’t take care of how we treat them!”

An old woman angered.

“Hehe, I can’t control it?”

Levi sneered: “It’s your family affairs! But you are in Morendam, and you are all from Morendam! Can you still surpass Morendam?”

“You treat your family members so cruelly, can you imagine how cruel it would be to treat outsiders?”

“you!!!”

Everyone was very angry by Levi.

“But what does Levi have to do with Morendam? You are the opposite of Morendam! You are the evil god! What qualifications do you have to say?”

“Say that we are cruel? Don’t obey Morendam’s rules? What about you? Heirs, you and your subordinates don’t know how to do too many cruel things! Do you have the face to talk about us?”

“Yes, Levi, you are the least qualified to say this! Do you think you are the king of the word side by side?”

...

Lin Tianlong and everyone shouted immediately.

This posture is about to swallow Levi!

“Levi, we admit that everyone on the scene can’t beat you together! But don’t want us to give in! You big monster!”

Levi smiled at the corner of his mouth, not at all angry about it.

Ning still and Fu Jia are very anxious, wanting to rectify Levi’s name!

At this moment, a huge movement came from outside the villa...

## Chapter 1920

“Who said my teacher is the devil?”

A sweet voice came, and a fairy-like figure descended.

Valkyrie Zhongqiu!

That cold temperament topped the audience!

Fu Jia and Ning still saw Zhong Qiu, and they looked envious!

This is their most envious peer!

“Who said our teacher?”

Two tall figures came.

The strongest Gemini!

Subsequently, the sixth, seventh, and eighth rankings appeared one by one.

Hundreds of people stepped into the arena one by one.

Hundreds of Morendam’s strongest Tianjiao are here!

“This is the first and second Gemini? This is the third Zhongqiu? This is the fifth...”

Ning is still well-informed with the people behind Fu Jia, and they all know the famous Tianjiao on the list.

Especially Lin Tianlong knew all about it.

After all, Morendam’s Tianjiao are his competitors!

He is more familiar than anyone else!

“What are they doing here?”

This is everyone’s question.

With so many arrogances, what are they doing all of a sudden?

Something?

Just as Lin Tianlong was about to ask, these hundreds of arrogances stood behind Levi, bowed together, and shouted respectfully: “Teacher Garrison!!!”

The sound was shaking, and the momentum was like a dragon and a tiger.

The whole villa is reverberating with sound, wave after wave...

Lin Tianlong and everyone present were dumbfounded.

Even Fu Jia and Ning are still dumbfounded!

When did Levi become their teacher?

The whole audience was silent!

It took a few minutes for Fu Jia and the others to react one by one.

Looking at Levi incredulously.

His face was full of doubts.

Want to know why?

Gemini stood at the forefront, scanning the audience: “Who said that my teacher is the devil?”

“Teacher? Did you make a mistake? This is a descendant of the Heretic God. How could it be your teacher?”

“Yes, are you crazy? Came here to find a teacher?”

...

Hearing this, Zhong Qiu sneered: “Keep saying that Teacher Garrison is a great demon, what has he done that hurts the world? Give me an example!”

“This one...”

In the face of questioning, everyone wanted to give examples of Levi’s various evil deeds.

But found that there is no way to start...

For a long time, I have heard that Levi is a descendant of the Heretic God, but I really don’t know the specifics.

Everyone has never thought about this issue.

Thinking about it now, I was shocked.

“It seems...it doesn’t seem to...”

“Yes, it doesn’t seem to be!”

...

Everyone was shocked in a cold sweat.

The big devil has never done anything evil?

Zhong Qiu sneered: “Next, let me tell you what Garrison Teacher did...”

Zhong Qiu told everyone the truth one by one.

“What? It turned out to be him? Is he saving Morendam again from the fire?”

“Which other peerless heavenly doctor is also him!”

“Even the Cthulhu forces have changed the evil and the good? The Blood Cthulhu does not consume human blood anymore? The Poison Cthulhu does not use people to test poison?”

...

One by one is going crazy!

It turns out that Ning still and Fu Jia were right!

Levi is really such a person!

“Lin Tianlong, ask yourself, if Teacher Garrison is really a big monster who kills people without blinking, do you think you can survive?”

Zhong Qiu looked at Lin Tianlong again.

“I...”

Lin Tianlong’s face changed, and he faltered for a long time, unable to say anything.

This is indeed the case!

Levi is really a demon, he’s such a small person, it’s not enough to die hundreds of times.

Can you come back alive?

Wishful thinking!

At this moment, everyone knows the truth!

Especially Ning and Fu Jia and their families are proud of their daughter.

It is a blessing to be able to make friends with such a big person!

After handling the matter here, Levi decided to leave.

“Teacher Garrison wait a moment, I have something important to tell you!”

### Chapter 1921

The strongest Gemini caught up.

“Huh? Are you okay?”

Levi asked.

“Teacher Garrison, we probably know a little bit about the situation of Madam!  
You must be very troubled by this, right?”

Levi nodded.

“Lord, we know a little information and may help you!”

“what?”

“As far as we know, Golden Harbor Island has always been a gathering place for  
magic Lords! Kyushu Xuanzun, the strongest magic Lord on the sky list, is on  
Golden Harbor Island!

Where are many Lords of magic arts not only can look at Feng Shui to change  
Lloyd Luck! Some evil things can also manipulate people’s minds, kill people  
thousands of miles away, etc...”

“We happen to know a Lord of magic arts, his methods are amazing, maybe it  
can help Lord’s illness how much!”

Hearing this, Levi was shocked.

Now as long as there is a little hope, he will not let it go.

“But this magic Lord has a weird temper, it’s hard for anyone to ask for it.

This is the address and information of the magic Lord. Our parents have a little friendship with him. When the teacher takes out this letter, he might help! Of course not necessarily! He has a weird temper! Teacher, give it a try! “

Gemini handed Levi the letter and information.

“Okay, thank you two boys! I’m going to take a trip to Golden Harbor Island!”

Levi hurried to Golden Harbor Island.

Even if there is only a glimmer of hope, Levi has to give it a try.

Levi left, but his eyes still looked at his back.

Especially Ning still and Fu Jia.

Fu Jia sighed and said, “Hey, I envy them. They can become his students, spend so long with him, and be guided by him!”

Fu Jia’s tone was full of envy.

Ning still shook his head and said, “You can’t say that! Even though they are his students, we are not! But think about it from another angle. If it is his student, then don’t think about other things!”

When Ning still mentioned this other matter, Fu Jia’s face immediately blushed.

If the teacher-student status is established, they will have no other possibility.

On the contrary, it is okay now, at least save a glimmer of hope.

“Still you said is it possible for us...”

When it comes to the back, Fu Jia dare not say anything.

“Where do I know, I want to too!”

...

Levi had already boarded the ferry to Golden Harbor Island at this moment. What he didn't know was that he had left an indelible mark on the hearts of the two girls.

In the cabin, Levi was looking at the Lord spell Lord's information.

In order to grow branches out of knots, Levi has changed his appearance into another appearance.

Suddenly there were loud noises.

A staff member knocked on the door and apologized: “Sir, I'm so sorry! Our ship was contracted just now. So we need you to disembark and use another mode of transportation! Don't worry, the ticket will be refunded!”

“Huh? Was it wrapped up?”

Levi asked.

“Yes, sir, please cooperate!”

Waiter Road.

“Why did you go early? We've all boarded! Tell me about this?”

Levi asked.

“Mr. We can’t help it. The boss says what it means! Besides, the people who charter the ship are not offended by ordinary people! Do you know who it is? That’s the gambling king of Golden Harbor Island and the son of the former richest men and women!”

“This time they are going to charter off the ship, what can we do?”

The waiter sighed.

This is the last boat to go to Golden Harbor Island today. Levi is eager to save people, how could he give up.

“Okay, how much do they pay? I’ll double cover this place!”

Levi approached.

“Ah? How can that work, sir, I advise you to hurry off the boat! Don’t cause trouble!”

Waiter Road.

Levi sneered: “Since I’m on board, don’t want me to get off!”

“Okay, let me see who is not disembarking?”

There was a groaning sound.

## Chapter 1922

There was a scolding, and dozens of people were walking in the corridor.

In front were a few young people, followed by a large number of guards.

There are Morendam people as well as foreigners.

They are all super warriors and terrifying super powers.

They are willing to serve as bodyguards for a few young people, which shows the origins of these young people.

The headed girl is tall, with a height of 1.75 meters, comparable to a model.

A face is only the size of a palm, and it is breathtakingly beautiful.

With a high ponytail, capable and chic.

But it is also full of aura, revealing a cold and hard-to-reach temperament!

He Qingxue, the jewel of the King of Gambling Family on Golden Harbor Island.

The remaining three young people are Ren Jia Ren Tianfeng, the second richest family on Golden Harbor Island, Fisher Peiqi, the third richest family, and Guo Yifei, the fourth richest family.

Everyone is extraordinary!

It's like a super family!

The Erick Group under Levi and Sarah is still developing, but in terms of financial resources, it is still a bit worse than the wealthy people on Jingang Island.

After these people arrived, they were menacing!

They chartered the ship, and everyone was driven off, except for Levi.

In their view, this is provoking them.

“!”

Levi sneered.

He Qingxue's face was cold, her eyes only stayed on Levi for a moment, and then she moved her head away.

The average man has no attraction to her at all.

Even the Golden Pot Island, which is known as the hometown of magic arts, has financial geniuses that have been rare in hundreds of years, magic magic geniuses that are unpredictable, martial arts geniuses, and super geniuses from abroad.

But these are not in the eyes of the gambling king family daughter.

He Qingxue's gaze is extremely high, the man who has never been fond of!

Until recently, the first Levi appeared on the top ranking list.

She threatened that her future husband would be the number one on the list, Levi...

As soon as she said this, all Jingang Island was shocked.

That young man can have that degree!

That's the number one on the top list!

What He Qingxue didn't expect was that Levi, the top ranking list she admired, was right in front of her!

It's just that she's not interested at a glance.

Fisher Peiqi looked at Levi a few more times.

Found that he was extremely calm, even if they were aggressive, Levi didn't blink his eyelids.

"You, get out of here!"

Guo Yifei looked impatient and couldn't help but scolded.

Instead of leaving, Levi asked, “Then why didn’t you roll down?”

One sentence caught everyone’s attention, and everyone looked over.

Even He Qingxue looked over.

What an arrogant person!

This is everyone’s unanimous idea!

“Because we have chartered this ship! You have to get off!”

Guo Yifei said every word.

Levi laughed after listening, “I’m sorry, I bought this ship at double the price, and it belongs to me now! You guys get me off!”

“OK?”

When this word came out, everyone was taken aback.

Even the crew and waiter were stunned. When did he double the price?

“No? Why didn’t we inform us of the news under the charter of this ship?”

Guo Yifei looked at the person in charge of the ship.

“No, nothing...”

The person in charge of the ship quickly explained.

“Then you didn’t give me notice, so I just want to pack this ship! What’s more, come first and arrive later, I’ll arrive before you!”

Levi approached.

“You...you fool us!!!”

Guo Yifei roared angrily.

“Come on, throw him down to me!”

Guo Yifei gave an order and immediately had his subordinates to move forward.

“Wait!”

“It is better to do more than to do less, forget it! Just keep him!”

He Qingxue spoke with a sound like a natural sound.

“Okay, Qingxue has spoken, boy, you are very lucky!”

Guo Yifei will no longer be held accountable.

But before he left, he sneered at Levi: “When I get to Golden Pot Island, I will let you know what cruelty is!”

## The Protector Novel Levi Garrison Chapter 1923 – 1924

### Chapter 1923

Several people looked at Levi indifferently and left.

This is a kind of supreme god, contempt for mortals!

At the level of the jewel of the gambling king family, ordinary people are no different from ants.

Levi never cared about the threat of such a kid.

Are there few people threatening him over the years?

But is it possible?

not a single one!

Even the Eagle Nation and the likes of Richard have nothing to do with him!

Not to mention other people!

He Qingxue left soon.

She didn't want to worry about it, so she took Levi on the boat.

At that time, Levi is dead or alive, and has nothing to do with her.

No matter what Guo Yifei did to Levi, she would not stop it.

Levi continues to read the information of the Lord of magic!

This is also a legend!

He has had physical defects since he was a child, his left hand and right foot are absent, his right eye is blind, and his left deafness!

Legend has it that he is a man of heaven, so he was born disabled!

The following are some of his extraordinary deeds.

...

The more I look at it, the more I feel that this person is magical, and Levi has more confidence.

At least Sarah is more promising!

This is a good thing!

In the luxurious cabin, He Qingxue gathered together.

“Qingxue will go back this time, and your wedding will be booked! This time, you can’t hide it anyway!”

Fisher Peiqi said.

He Qingxue looked calmly: “Forget it, this is my destiny! I can only accept it!”

Ren Tianfeng smiled and said: “Qingxue, don’t you be sad, I’ve seen your fiancé! That’s the young Lord of the Blackwater Group of the Warhawk Nation super consortium! No matter what you are, you have nothing to say about your background! It is definitely the dragon among the people!”

“Do you know the most important thing?”

Ren Tianfeng suddenly lowered his voice, lowered his head, and asked everyone to come closer.

“what?”

Several people looked at him curiously.

“Heishui Group, do you know who to rely on?”

“Who?”

“It’s the most mysterious and terrifying laboratory in the legend of the Warhawk Kingdom, the laboratory of the gods! You should have heard of this more or less in the family?”

Ren Tianfeng said in horror.

Everyone nodded in unison.

There was horror in everyone's eyes.

That's right.

The laboratory behind Richard is called the Laboratory of the Gods.

Just listen to this name to know how terrible!

This laboratory has implied itself as the gods above human beings.

“Of course I have heard of this! We even bought the secret products of the Gods Lab! Didn't expect the Black Gold Group to rely on them?”

He Qingxue looked surprised.

“It should be said that Heishui Group is the Lab of the Gods at all! As the most advanced laboratory in the world, it requires a lot of funds and resources! Heishui Company is the best choice! It is their own at all!”

Ren Tianfengdao.

Fisher Peiqi gasped, “Is it so terrible? But that's fine! Qingxue married the right person! My grandfather said that he can touch the edge of the laboratory of the gods, even if he is standing at the top of the world! Not to mention joining them. Qingxue married, and may not be able to enter the laboratory!”

“Yes, Qingxue is a great opportunity! I have also heard that the Lab of the Gods controls the most important things in the world! That is what truly stands on top of the world!”

...

Everyone looked at He Qingxue with envy.

Even He Qingxue's expression eased a lot.

Since it is a marriage of interests, the more promising development prospects, the better!

Under the influence of the big family's interests, He Qingxue naturally wants to be at the top.

The attraction of the Lab of the Gods to her is too much!

If Levi were to hear their conversation, he would probably be shocked.

What kind of terrible existence is in the laboratory of the gods?

The ship tossed around for a day and night, and finally reached Golden Harbor Island.

Before disembarking, Guo Yifei raised his mouth: "I almost forgot this kid, wait for him!"

## Chapter 1924

The three of He Qingxue left first.

They didn't care about Levi at all.

It's like an ant on the ground.

Guo Yifei was young and vigorous, and was ignored by Levi. He was naturally unhappy.

He was waiting for Levi with a group of guards.

"The family often tells me not to cause trouble in other places in Morendam! It's easy to trouble! But here is Golden Harbor Island, this is Lao Tzu's site! See how I killed you!"

Guo Yifei sneered.

After a while, he had already figured out many ways to deal with Levi.

He even laughed out loud himself.

“Lord, why isn’t this kid coming out yet?”

Only a few minutes passed, and Levi was never seen, and the guard couldn’t help asking.

“Wait! I guess this kid is in the too!”

Guo Yifei couldn’t help saying.

five minutes.

ten minutes.

...

Time passed by every minute.

A full twenty minutes.

Guo Yifei’s group of people never saw Levi.

“What’s going on? Did this kid get off the boat early?”

Even Guo Yifei himself was puzzled.

“Lord is absolutely impossible! We have been guarding here since we approached the port! No one disembarked at all! That kid is just an ordinary person, let alone disembarked early under our noses!”

The voice of the guards resolutely said.

They are all super strong, how could someone run away under their noses?

Impossible!

Guo Yifei has no doubt about this.

“Is this kid hiding on the boat deliberately for fear that I will trouble him?”

Guo Yifei thought of a possibility.

“It’s possible!”

Everyone’s eyes lit up.

“Then look for me quickly! You guys stay here!”

All dozens of guards from Guo Yifei boarded the ship and began to look for Levi.

It’s just that they turned the ship upside down, and there was no trace of Levi at all.

“Young Lord Guo, what are you looking for?”

The person in charge of the ship greeted him.

“Where is that kid?”

Guo Yifei asked.

“Oh, he, got off the boat early!”

Since there were not many people on board, they were still very concerned about Levi.

He saw Levi’s boat coming down with his own eyes!

“What? Disembarked early? When did it happen?”

Guo Yifei and the guards were extremely shocked.

“Just twenty minutes ago!”

“Impossible! All of us guarded below twenty minutes ago! He can’t leave!”

Guo Yifei vetoed it.

The person in charge of the ship smiled bitterly: “Guo Shao, I really looked at my watch at the time, the time is right!”

“Guo Shao is right, he is the ship that got off 20 minutes ago!”

The others also all affirmed.

Guo Yifei everyone looked at the person in charge of the ship and they didn’t look like a lie, and they were all dumbfounded.

“Huh? Damn it?”

How can people disappear for no reason?

They were guarding the exit, how could they slip under their noses?

This is impossible!

Could it be that Levi is...

They thought of a possibility that Levi was not an ordinary person, but a super strong, better than everyone present.

But this is impossible!

“Guo Shao, do you think this kid knew that we blocked him and jumped into the sea and escaped?”

Someone suggested a possibility.

“Yes, yes! It’s very possible!”

Others also felt that this possibility is very high.

Guo Yifei asked everyone to look for it again, and then left after not finding it.

But Guo Yifei always felt something was wrong.

If he jumped into the sea and escaped, his people would find it too.

This is no ordinary guard.

Either the martial artist is strong, or the superpower.

Someone flees from such a short distance, how can they not be found.

“It’s not normal! Find him for me!”

Guo Yifei sent people to look for Levi on Golden Harbor Island.

At this moment, Levi has arrived in the downtown area of Golden Harbor Island.

In order to avoid unnecessary trouble, Levi deliberately avoided Guo Yifei.
