

# The Protector Novel Levi Garrison Chapter 1985 – 1986

## Chapter 1985

Jianying Liu Sheng really wanted to curse: I fucking!

Damn it!

Really hell!

In the process of fighting just now, Liu Sheng Jianying and others already saw the Common Killer God standing at the door.

I have recognized him!

But in any case, I never expected that the disciple of Commoner Killing God turned out to be Levi!!!

Isn't he dead?

Hasn't his body been dissolved?

Didn't he repeatedly confirm that he died?

How can he live?

Also appeared in front of him!

The young Lords of Dongdao present were all shocked.

Liu Sheng Jianying was slightly better.

“Since you are alive, then I will kill you!”

Jianying Liu Sheng wanted to compete with Levi a long time ago.

Now the opportunity is here.

He got excited instead.

Levi sneered: "Then you have to stand up first!"

One sentence stimulated Liu Sheng Jianying.

Let his anger reach the highest value!

He has never suffered such humiliation!

No way!

He must stand up!

He must defeat Levi!

He has never been defeated!

He must not be defeated!

This defeat is death!

He wants to live!

"what!!!"

Sword Shadow Liu Sheng awakens like a dragon that has been sleeping for a hundred years, with a terrifying aura that shakes the earth and earth!

Unparalleled power burst out of his body!

Skyrocket!

Skyrocket!

...

The terrible momentum has been skyrocketing!

He wants to stand up!!!

The young and old on the East Island were frightened and had never seen such a terrifying side of Jianying Liu Sheng...

He is like a demon!

Sweep everything!

The mighty power of the magic, like a sky covered!

Jianying Liu Sheng was very angry and excited!

How many years have it been!

Who can understand the invincible loneliness?

Since he came out of the mountain, he has been invincible on the East Island, and no one can stop him!

There is no opponent at all!

There is no one who can hold two tricks under his hands at all!

At the highest peak, it's always cold!

When he is not spending time and wine, he feels very empty.

I really want to meet an opponent!

But never!

Today, I finally met Levi, the enemy of his life.

His strength allowed Liu Sheng Jianying to give full play to it!

He is very excited!

He is looking forward to a battle with Levi!

“I finally waited for you, you are my opponent!”

Liu Sheng Jianying’s hair was flying, and the magical mighty mighty.

Levi snorted coldly, “Just rely on you? You are also worthy of being my opponent!”

As soon as the voice fell, Levi slammed a punch.

A seemingly ordinary punch.

But after falling, it was like the overturning of Tianhe, unstoppable.

Jian Ying’s complexion changed drastically.

This...

terrible!

Horrible!

“puff!”

Liu Sheng Jianying threw up blood, and he stood up again and failed.

Not only that, the sofa under him was completely shattered.

He knelt to the ground with a thud.

The floor also burst open.

Incredible.

Jianying Liu Sheng was dumbfounded.

He is so vulnerable!

“what!!!”

He wanted to struggle again.

“boom!”

But Levi punched again.

“Crack!”

At this moment, the bones of Liu Sheng Jianying’s body began to burst.

This punch completely abolished him!

With this punch, Jianying Liu Sheng was hit into the floor, her body sunken in it, only one head was exposed.

“Snapped!”

Levi kicked him on the head.

“Come on, jump? Let me jump again!”

Levi sneered.

“what!!!”

Jianying Liu Sheng yelled with anger.

But it can only be an incompetent roar, which is of no use at all.

In front of the powerful Levi, he was nothing.

“Die!”

Not to mention that the members of the Black Sun Organization must be killed, but if Liu Sheng Jianying has an idea about Sarah, he must kill!

Not only that, but all the big and young were killed.

They are also participants.

It was they who proposed to dye a few people with plums.

Levi heard it really.

“Go, next one, the Yanagyu family!”

Levi dragged Liu Sheng Jianying’s corpse, and went straight to Liu Sheng’s family with Common Killer God.

## Chapter 1986

The Yanagyu family is located in an empty area on the outskirts of Edo Castle.

Due to the prestige of the Yanagyu family, the Yanagyu family is desolate and uninhabited, and even animals cannot be seen.

The exaggerated statement is that the Yanagi family is surrounded by terrible sword energy, and no creature can survive.

In the Yanagyu family hall.

The Lords of the Yagyu clan are all there.

Because of the recent move by Commoner Killing God, they gathered together.

Even though they did not join the Black Sun organization, the Liu Sheng clan still joined.

Sitting on it was Liu Sheng Tianfeng, the head of the Yanagi family, who was also the father of Liu Sheng Jianying.

“You said, can Commoner Kill God come to us?”

He said.

Everyone laughed as soon as the words came out.

“Haha, borrow him a hundred courage and dare not come to the Yanagyu family to provoke?”

“Unless he is crazy or wants to die!”

“Everyone knows that the fighting power of our Liusheng clan is stronger than that of the entire Black Sun! Provoking us? Sick!”

...

Everyone in the Liusheng family has enigmatic confidence in their strength.

They are invincible!

Not to mention which of the legendary ancestors is still alive!

The recognized sword sage of Dongdao!

Who dares to beat this?

“By the way, where is Jian Ying?”

Liu Sheng Tianfeng couldn't help asking.

“Didn't I tell him to come to the meeting? What about the others?”

He has a headache for his son.

Not to mention the strength, but also deeply loved by the ancestors.

Lawlessness in the family.

It's the same in East Island.

Even his father can't control it.

“The young Lord didn't come back, it seems to have gone to spend time and drink...”

The butler said.

“This bastard! This juncture is still spending time outside!”

Liu Sheng Tianfeng scolded.

He wasn't actually to blame.

But a little worried about the safety of his son.

The commoner killer showed a powerful side, which made people timid.

“Patriarch, you can rest assured!”

“Lord, he won't be in any danger! On the contrary, whoever meets him is unlucky!”

“If Commoner Killing God meets the young Lord, then there is no need for other people to take action, the young Lord can solve it.”

...

Everyone laughed.

When Liu Sheng Jianying was alone, they didn't have to worry at all.

Only worry about other people.

Hearing this, Liu Sheng Tianfeng smiled and touched Sanitary Austin.

He was extremely dissatisfied with his son's behavior and style.

But he was so satisfied with his strength that he was no longer satisfied.

That's the number one on the sun list!

He himself ranks second in the back!

Who dares to provoke his demon son?

His son can be in one country alone!

In a word, anyone in the Black Sun organization can provoke, his son can't provoke it!

At this moment, a voice suddenly came from outside.

“Morendam Logan Buyite is here to visit the Liusheng family!”

A word is like a sky thunder, penetrating everything, echoing in every corner of the Liusheng family.

“What? Logan Buyi? Morendam Buyi kills the gods?”

“He actually came, really bold!”

“It’s not the Black Sun headquarters, it’s coming to us!”

...

The Lords of the Yanagyu family were not angry, but all smiled.

“Patriarch, do you want to inform the Watanabe family of Black Sun? Has Common Killer come to us?”

Someone asked Tianfeng Liu Sheng.

Liu Sheng Tianfeng shook his head: “No need! When we kill the Common Killer God, we will notify them so that everyone in the Black Sun will know how powerful the Liu Sheng clan is, and there is no need to unite! Our clan is enough!”

“Go, everyone will follow me out to see!”

Liu Sheng Tianfeng rushed to the door with a large number of Lords.

“puff!”

“puff!”

...

Hundreds of guards at the door have all been beaten off.

The gate of the Yanagi clan was also overturned.

The Common Killing God is in front, as if the killing God is unstoppable, step by step towards the Liusheng clan.

Levi dragged Liu Sheng Jianying’s body behind...

# The Protector Novel Levi Garrison Chapter 1987 – 1988

## Chapter 1987

“Well, Logan Buyi, you dare to break into my Liusheng clan, you are afraid that you are living impatiently!”

Liu Sheng Tianfeng brought hundreds of Lords from the family hurriedly, blocking the way of the two commoner killing gods.

Seeing Commoner Killing God, everyone was amused.

“You can provoke any forces in the Black Sun organization, but you are the only one of the Liusheng clan, don’t provoke them. You are kicked on the iron plate!”

“Hahaha, there are people who came to die, it’s ridiculous...”

...

Everyone looked at Commoner Killing God with disdain, and suddenly everyone noticed Levi behind him.

How does he drag someone?

Is that person’s clothes a bit familiar?

This...

Could this be?

A bad idea spreads in my mind!

Even Liu Sheng Tianfeng noticed this.

This seems to be...

Is it their people?

But it's not decided by clothes alone.

This is what Commoner Killing God specifically asked someone to provoke, right?

"I'm telling you, we got the wrong person! We don't unite with the Black Sun organization, we just rely on one family!"

"No, we rely on Young Lord Liu Sheng Jianying, he is enough to kill you!"

...

The Liusheng clan clamored one after another.

"boom!"

At this moment, Levi kicked Liu Sheng Jianying's body forward.

"Is Liu Sheng Jianying you talking about him?"

Levi asked with a smile.

"This..."

When everyone saw Liu Sheng Jianying's body, everyone was stunned.

"boom!!!"

Everyone seemed to have suffered five thunders!

They are going crazy.

One after another crazy!

“This, this, this... is this young Lord?”

Someone exclaimed.

They repeatedly confirmed that this was Liu Sheng Jianying.

It's just completely different from Jianying Liu who went out in the morning.

Jumping alive in the morning, now it is a stiff corpse.

“This...”

One by one dumbfounded.

“Puff!”

...

Some people even couldn't accept it and fell directly to the ground.

“Sword Shadow?”

“Lord!”

...

The crowd roared hysterically.

“My son! My son!”

Liu Sheng Tianfeng couldn't control it anymore, holding Liu Sheng Jianying's body in his arms and crying bitterly.

This is an unprecedented blow to the Yanagyu family!

Because of the existence of Liu Sheng Jianying, their dominance on the East Island can be extended to the next hundred years.

This is the hope of their family.

But no one thought he would die!

This this this...

Can not accept!

The reality is terrible!

wrong!

How could Liu Sheng Jianying die?

He is so powerful!

Number one on the sun list!

He is the Little Sword Saint!

Who can kill him?

Is it fake?

Everyone had doubts.

But this is indeed the case.

Liu Sheng Jianying was dead, and the corpse stood in front of him alive.

Believe it if you don't believe it!

Everyone's gazes were all looking at one person-Commoner Killing God!

Now it seems that Commoner Killing God killed Liu Sheng Jianying!

He is more terrifying than he thought!

“Kill him! Kill him at all costs!”

Liu Sheng Tianfeng shouted.

The Lords of the Yanagyu family attacked the commoner killer like crazy.

Levi smiled: “Now is the time to test you, I won’t make a move!”

Levi used means to isolate this place from the outside world, together with the wind wall, blocking everything.

Outsiders don’t know what happened.

He wanted to increase the strength of Common Killer God, so he had to face all the Lords of the Liusheng clan.

The Lords of the Yanagyu clan attacked the Common Killer God like crazy, and fought with him.

The commoner killer is also more and more courageous...

Among Liu Sheng’s clan, Liu Sheng Jianying might be more strenuous to deal with, but everything else is fine.

At this time, there were Lords from the Liusheng clan, and they saw Levi watching the battle like the okay person.

“kill him!”

They killed Levi one after another.

Levi sighed, “Hey, you found the wrong opponent!”

## Chapter 1988

“boom!”

“boom!”

...

More than a dozen Lords who killed Levi suddenly exploded into blood mist when they were less than five meters away.

Another batch of Lords who killed Levi exploded into blood mist out of thin air.

Levi just attracted everyone’s attention.

He is not ordinary!

It turned out that everyone’s focus was on the Common Killer, and no one took Levi seriously.

Now it seems that he is not ordinary!

Now no one took the initiative to trouble Levi.

Their goal is to kill the commoner to kill the gods first!

It’s not too late to get rid of Levi!

The Common Killer is entangled with many Lords.

Soon, even Liu Sheng Tianfeng, who was second in the sun list, joined the battle!

...

The other side.

In the headquarters of the Black Sun organization, tens of thousands of Lords have gathered.

And many modern technologies have also been installed.

They also set various traps and ambushes.

Looking at the impeccable headquarters, the counsellors of the Watanabe clan smiled with satisfaction.

Now they were waiting for the Common Killer God to come and die.

“By the way, where are the whereabouts of Common Killer God? Where are they now? Should they come directly at us?”

The Watanabe clan began to inquire about the trail of the two commoners.

Neither of them thought about whether the two people would go to the Yagyu clan.

Because this is not a problem at all.

Even a fool would not choose the strongest Yanagyu clan first.

Then it can only be directed at them.

“I found them here two hours ago! They came for us!”

“But they disappeared. I don’t know where they went. We searched all the time, but we didn’t find them!”

...

“Huh? There is still this thing?”

The counsellors of the Watanabe family quickly sat together to discuss and discuss.

They discussed a result: All the remaining forces of the Black Sun Organization are now united, making Commoner Killing God feel timid.

Therefore, the commoner killer will not take revenge on a swagger.

He must be sneak attack.

“When the order is passed on, everyone will be more vigilant and prepared to prevent the commoner from sneaking on!”

...

Everyone thought that the Common Killer was going to attack.

How did they know that the Common Killer God was fighting with the Liusheng clan at the moment.

They didn't think about it, and didn't check it.

So I don't know.

The Yanagyu family, Commoner Killing God has already killed the red eye.

He was covered in blood, enemies, and his own.

On several occasions he was in danger.

But Levi never helped.

This is the experience of Commoner Killing God, even if he dies, it can't help.

Once he comes out of the blood and bone fight, he will reach another realm.

“Puff!”

“Puff!”

...

During the fight, several Lords of the Liusheng clan fell down again.

However, the Common Killer left several wounds on his body.

But he is stronger!

Obviously, he was seriously injured, but his fighting power and momentum became more and more fierce.

“kill!”

Tianfeng Liu Sheng is eager to avenge his son, and fights against the common killer.

...

Time passed by every minute and every second.

The Liusheng clan fell more and more.

They are all desperate!

The commoner kills the gods too fiercely.

The more the war is getting fiercer, what the hell is going on?

Every time I feel like I have to fall down, but he can always hold on.

One person killed the Yanagyu family in despair!

Until this moment, they did not know that the assessment of the combat power of Common Killer was completely wrong.

Everyone is gradually able to accept why Liu Sheng Jianying died.

But what they didn't know was that the real powerhouse was in Levi.

It was he who killed Liu Sheng Jianying.

Commoner Killing God vs. Liusheng Clan is a course he set up specifically for Logan Commoner, fearing that everyone will be crazy.

“puff!”

Liu Sheng Tianfeng was beaten out.

He was desperate.

He shouted: “Hurry up and ask the ancestors to do it! My Liusheng clan is going to die!”

## The Protector Novel Levi Garrison Chapter 1989 – 1990

### Chapter 1989

“My ancestor, please!”

“My ancestor, please!”

...

Everyone in the Liusheng clan shouted.

At this time, it had reached the stage of life and death for the Liu Sheng clan.

If the ancestors do not come out again, then the Liu Sheng clan will definitely perish.

“Buzzing...”

Suddenly there was a sound of swords in the air.

Everyone in the Liusheng clan was excited.

The ancestors are out of the mountain.

On the top of the mountain not far away, a volcano erupted suddenly.

The strong smoke obscured the sky and the hot lava fell.

Although the volcano not far from the Yanagyu family is a small one.

But it's still terrible to burst out.

From a distance, it's spectacular.

“The ancestor is here!”

“The rumors that the ancestors suppressed the volcanic eruption with their own power, it seems true!”

“I don't know what level of strength the ancestor has reached?”

“Anyway, it's definitely not something that the Common Killer God can look at. Maybe Levi can fight a battle before, but no one can save him!”

...

Manpower suppresses the eruption of the volcano!

What a ridiculous thing this sounds!

No matter how small the volcano is, manpower can suppress the eruption.

This suppression is not for a while. According to the Liu Sheng family, it may be decades.

This is terrible.

But Levi knew that the ancestors of the Liusheng clan used volcanoes to practice martial arts!

Come and improve yourself!

Soon after, a dead figure came to the court.

The old man looked younger than Liu Sheng Tianfeng, and he didn't even have a sharp aura on his body, but he was no different from ordinary people.

But in fact, this is the sword of Liu Sheng converging everything!

This is the most terrible!

He also held a sword in his hand, it was covered with dust, and even magma remained!

Everyone instantly understood.

This is a sword tempered in the magma by a sword Yanagyu!

“boom!”

The next moment, the sword body trembled, and all the dust residue on it flew away.

A peerless sword came out.

The sword body shone like fire, and the sword body contained a terrifying killing intent.

As soon as this sword came out, it shocked the world!

“Ancestor, Jianying is dead...”

“The ancestors, please help the Liusheng family, please avenge Jianying!”

“The ancestors beg you to take charge of the overall situation!”

...

All members of the Liusheng clan knelt to the ground, making a sound of grief.

“What? He is dead?”

Yijian Liu’s face changed drastically.

That was his favorite junior and the hope of the family’s future.

He gave Liu Sheng Jianying a lot of money, but he expected Liu Sheng Jianying to surpass himself in the future.

Unexpectedly, after his retreat, Liu Sheng Jianying died.

Looking at Liu Sheng Jianying’s body, Liu Sheng Yijian was completely angry.

“Who?”

Liu Sheng Yijian roared angrily.

“he!”

“Morendam Commoner Kills God Logan Commoner!”

...

Everyone looked at Logan Buyi, who was seriously injured.

“Morendam Buyi kills the gods? I know! Okay, I will sacrifice my sword with your blood!”

Liu Sheng drew a sword across the sword, and immediately opened the sword.

Liu Shengyijian yelled: “This sword has already opened up! I named Zhan Shane! The first one to kill you, Commoner Kill God!”

“boom!!!”

Under this powerful pressure, the Common Killer God began to tremble.

Judging from the momentum revealed by Liu Shengyijian, he was definitely not an opponent.

He didn't expect that there are such ancient characters in Dong Dao!

He should be at the same level as the number one Nandi in the summer, or even stronger.

Not to mention that he is injured, even if he is injured, he is not necessarily the opponent of this old guy.

“kill him!”

“kill him!”

...

The Liu Sheng clan shouted one after another.

The death of Liu Sheng Jianying brought them too great a blow.

The common killer must die.

“Come on! Let me see and see!”

Despite the injury, Commoner can't lose in aura.

“You retreat, I'll come!”

Suddenly Levi pushed away the commoner to kill the god, and he stood up.

## Chapter 1990

Commoner Killing God is not the opponent of Liu Sheng Yijian, let alone he is supported by a single breath, then don't be hard.

He will die if he insists!

Even if you don't die, you won't improve anymore!

He will do it himself!

“OK?”

Watching Levi push the Common Killer away, the latter stood aside obediently.

Everyone was stunned!

Although no one was able to get close to Levi's body just now, they were all leftovers from the Liu Sheng clan, and they were not Lords at all.

Everyone didn't treat Levi as the same thing.

It's just a disciple of Commoner Killing God.

But looking at this posture now, it seems something is wrong.

Is he the disciple of Common Killing God?

Seeing Levi stand up, Liu Sheng was taken aback.

“Who are you?”

He couldn't help asking.

When Liu Sheng Tianfeng and others just explained that Levi was the commoner who killed the god-disciple grandson, Levi's voice sounded: “I am the one who killed Liu Sheng Jianying!”

The words stirred up waves, and when Levi said this, everyone in the Liu Sheng clan was shocked.

Didn't Liu Sheng Jianying kill the commoner?

wrong!

Upon closer inspection, everyone noticed something was wrong.

Just now everyone fought with Commoner Killing God.

They admitted that Common Killer was strong enough, but not strong enough to crush the Lords of the Liusheng clan!

He also stumbled and was seriously injured when he met the Yanagyu family just now.

How can such strength kill Liu Sheng Jianying?

impossible!

Moreover, according to Liu Sheng Jianying's death method, he was completely crushed, and he seemed to have no ability to resist.

Commoner can't do this!

Even if the Common Killer could kill Liu Sheng Jianying, he would be injured seven or eighty eight.

But when he first came, the Common Killer was not hurt at all!

Therefore, Jianying Liu Sheng was not killed by the commoner!

It wasn't he killed, so it can only be...

Everyone looked at Levi!

It's him!

It turned out that he was the one who killed Liusheng Jianying!

wrong!

Everything is wrong!

The information of the Watanabe clan is simply wrong!

He is definitely not the disciple of Commoner Killing God!

Even the Common Killer God overwhelmed the East Island and broke the four major forces, I am afraid it is because of this young man!

Commoner Killing God is only an auxiliary!

The real powerhouse is him!

"You...you are not Logan Buyi's disciple at all! You are not from Dongdao, you are from Morendam!"

Liu Sheng Tianfeng exclaimed.

Other people also reacted.

Needless to say, Liu Sheng Yijian has already paid attention to Levi.

Facing Levi, he thought of someone.

A person who has brought him failure.

That was the only failure.

It just so happens that that person is also from Morendam!

Liu Sheng Yijian regarded that man as the enemy of his life, and since his defeat, he has retreated on the volcano behind the family.

Day after day, year after year.

While he tempered that sword, he was also tempering and sharpening himself!

Over the past few decades, it has been this belief-revenge! defeat him!

Now Levi killed his favorite offspring, plus Levi gave him a temperament that looked like the enemy of a lifetime.

Liu Sheng Yijian's whole body was about to boil.

He was full of fighting spirit, and his state reached the peak in an instant!

"Today is the day when I leave the customs, and it is also the moment when this sword breaks the front. I will sacrifice your sword! The sword of God Slayer is enough to give you glory!"

Liu Sheng shouted with a sword.

What he meant was very simple, it was also an honor for Levi to die under the Sword of God.

Levi looked at Liu Shengyijian blankly: "I used to be the most annoying with pointing a gun at me, now I'm bothering others with pointing a sword at me!"

Hearing this, Common Killer lowered his head in shame.

Wasn't he like that a while ago?

Levi was severely taught by Levi who was dangling with a sword.

Isn't it the same for Liu Sheng Yijian now?
