

The Protector Novel Levi Garrison Chapter 1991 – 1992

Chapter 1991

Then the end must be the same as myself, or even worse.

“kill!!!”

Liu Sheng roared wildly with a sword.

The Sword of God Slashing out!

A breath of horror that engulfed the world came out!

Wherever he went, horrible killing and destructive aura spread!

This sword, to be precise, is a samurai sword.

Obviously it is an ordinary material, which can be tempered for decades in the hot magma.

It is already a peerless sword!

More terrible than the sky of the Excalibur!

Commoner Shashen's face changed.

This Yagyū sword is terrifying...

Is there such an ancient figure in Dongdao?

He could feel Liu Shengyijian's aura like a dragon like a tiger, his blood surging like a sea, and the sound of thunder bursting faintly.

He has reached another level.

Is his next goal!

No wonder Levi came personally and didn't let him make a move.

“boom!”

The divine light in Liu Shengyijian's eyes was like thunder and lightning.

The terrible aura of destruction shrouded like a volcanic eruption.

His breath obliterated all beings, and his majesty dared to shake the world...

“Is this the ancestor? Isn't it terrifying?”

...

Everyone in the Liusheng clan was excited.

They showed an unprecedented look.

The Liusheng clan will not die, and they will do what the entire Black Sun cannot do.

The ancestors are too scary!

A big battle has begun!

“laugh!”

The sun, the moon and the stars reversed within Liu Sheng's eyes, and the true energy of his body was like a river and sea rushing for thousands of miles, out of control.

His sword represents destruction!

“boom!”

Levi blasted out with a punch.

“boom!”

The fist and the God Slashing Sword slammed together.

The whole world seemed to explode, and all the backgrounds became black and white.

This is a doomsday scene.

In an instant.

The ancestral home of the Liusheng clan was destroyed.

Even a small volcanic eruption not far away was forcibly suppressed!

The whole mountain was shaking and even collapsed.

This is the power of the two superpowers...

“Da da da da da...”

What shocked everyone was that Levi stood still there.

There was a huge movement, and Liu Shengyijian took five steps.

Every step back shakes the ground.

“Ok?”

There was an incredible look in Liu Sheng Yijian’s eyes.

This young man actually used his fist to force him back?

The Commoner Killing God and others not far away were even more horrified.

What's going on here?

Will Liu Sheng be defeated with a sword?

“No! I underestimated you!”

“Tianjin slashed!!!”

Liu Sheng roared with a sword.

The sword of God Slayer in his hand burst out with terrible light, dazzling like a scorching sun.

“Uh!!!”

Many people present were burned by the terrible sword light.

A terrifying aura of killing and killing even permeated the whole world.

Liu Sheng held the sword of God Slayer in both hands with a sword, raised it above his head, and slashed with a sword.

Although it is the simplest action, even the basic skills in Higashishima Kendo, even children can do it.

But Liu Sheng Yijian displayed it like this, as if every step, even every movement, contained the mystery of heaven and earth.

He has reached an unprecedented state!

Often the simplest moves are the most terrifying!

Just like Levi's fist!

No matter what you do, I will break it with one punch.

The truth is very close!

It shows that Liu Sheng Yijian is terrifying and terrifying...

“boom!”

With this move, Liu Sheng Yijian gathered all his power on the God Slayer.

A breath of silence from hell came.

“Swipe...”

Obviously it was an extremely simple and slow move. At this moment, it seemed as if thousands of swords were swiping down.

Wave after wave.

Waves are fierce.

In the end thousands of swords converged into one sword!

It's called God Slash!

This sword made the Common Killer look silly.

This is the realm he wants to pursue.

The Liusheng clan is about to cry with joy...

Looking at this sword, Levi sighed, “Everything should be over!”

“Remember, the one who killed you was called Levi!”

Chapter 1992

Levi's voice echoed throughout the Liusheng clan.

Hearing in everyone's ears, it was like thunder billowing.

Levi? ? ? ?

The name of the person, the shadow of the tree!

The Yagyu clan who regard him as a great enemy naturally know who this is?

he!

Isn't he dead?

How can he live?

He even appeared in the Liusheng clan!

wrong!

Levi?

In addition to him, who else has this strength?

Can easily destroy the four major forces, can easily kill Liu Sheng Jianying, and can force the ancestors to the strongest move!

He is Levi!!!

They affirm their identity.

But I didn't want to think about why Levi was still alive!

Liu Sheng Yijian naturally knew Levi's identity!

Despite the retreat, he naturally knew the newly promoted No. 1 in the summer.

After all, the only person he lost before was the number one on the list the day before yesterday-Nandi.

“kill!”

But it didn't touch him much!

No matter who it is, he will die by this sword.

“boom!”

Levi blasted an overbearing punch!

Fist strength seems to tear the world!

It's like a punch from the gods!

“Rumble...”

Levi's fist blasted out, and thunder and explosion sounded in the sky.

The clouds and mist in mid-air were dissipated abruptly.

It seems that even the sky is taking this terrible punch!

Eight times the speed of sound!!!

The speed of this punch Levi reached the extreme!

Power is even more terrifying!

Rao is a mountain that can be shattered!

“laugh!”

This fist carried the power of invincibility, and directly tore the sword energy.

“boom!”

Levi blasted the Divine Sword with a terrifying punch.

At this moment, the loud sound made everyone’s ears deaf.

A mushroom cloud is rising.

This level of power is like a super weapon exploded.

“Kakka...”

There was a burst of fragmentation, and the sword of God Slashing seemed to be drawn from the soul.

At this moment, it became an ordinary sword, and it broke into pieces!

“puff!”

This punch directly defeated Liu Sheng Yijian’s comprehension to the extreme.

Liu Sheng Yijian was penetrated into his body by a terrible fist, and various organs shattered...

With one punch, Liu Shengyijian’s dignity was completely wiped out.

Liu Sheng Yijian did not die on the spot, but lay on the ground like a dog.

He can’t move.

I can only watch...

He lost!

It was a complete defeat.

Worse than the last failure!

This time I failed and lost my life.

“Puff puff...”

He kept spitting blood out of his mouth.

Looking at Levi incredulously.

“hiss!”

The crowd let out a chilling sound.

Is Levi alive?

He is so powerful!

Even the ancestors are not opponents!

revenge!

He is here for revenge!

Why are they finally being targeted by the Black Sun organization!

It was previously called Commoner Killing God to avenge Levi!

But everyone always feels that something is wrong. This reason seems to be insufficient!

Now I get it.

Because it was Levi who came to revenge himself!

“Unbearable!”

Levi glanced at everyone indifferently.

Finally, Liu Sheng died with a sword.

All the Liusheng clan perish!

No one is left!

“Next, Black Sun Headquarters!”

Levi and Common Killer dragged a corpse.

Naturally, it was Liu Sheng Yijian and Liu Sheng Jianying.

The two strongest people on Higashishima.

The Common Killer is already looking forward to the scene of throwing the two bodies into the Black Sun headquarters...

What would those people think?

In the Black Sun headquarters.

The Watanabe clan ordered people to look for the whereabouts of Levi.

On the other side, they continued to strengthen their defense to prevent Levi and Commoner Killing God from attacking.

“My lord seems something is wrong. We just found out which apprentice of the Common Killer God on Kyushu Island did not accept an apprentice! The identity of the person next to Commoner Killer is not clear!”

At this time, the intelligence team of the Watanabe clan found the news.

The Protector Novel Levi Garrison Chapter 1993 – 1994

Chapter 1993

“What? Fake?”

The senior Watanabe clan exclaimed immediately.

“Yes, that’s right, this person’s identity should be fake!”

At this time, everyone looked at Hao Yuxuan in unison.

Hao Yuxuan was also dumbfounded.

That personal identity is wrong?

The main reason is that everyone’s attention is focused on the commoner killing god, and the others are ignored.

Not to put a small role on him.

“Who can this person be?”

The Watanabe clan asked.

Hao Yuxuan thought for a while and said, “It’s possible that a Lord related to Levi came to avenge him, or it may be a certain apprentice of Common Killing God. After all, he has a lot of students!”

Watanabe, a member of the Watanabe clan, immediately called out a lot of information and materials.

“According to the on-the-spot battles where the four major forces were eliminated and various data, the commoner killer has always been shot! This one did not participate!”

“Then he is just a kid! It’s because we worry too much!”

“And do you think about any other Lords in Morendam? Or is it for Levi to avenge?”

...

Everyone thought about it again, it seemed to be too nervous.

“Well, go check the identity of this one! Also check me where they are? Hurry up!”

...

When Black Sun wanted to know where Levi was going.

The whole world also wants to know where these two people have gone.

The prestigious town of commoner kills the gods.

Especially in Morendam!

Everyone thinks that he is the next Levi!

God just took Levi away, and returned a terrible commoner to kill the god!

If the commoner kills the gods, it can sweep all the major forces on the East Island.

Then Morendam’s wound of losing Levi can heal!

Richard, who had clearly copied Wood Zhengjie's successful experiment, couldn't be happy.

The birth of Common Killer God turned out to be not very good news for him.

If it hadn't been for the newly successful Wood Zhengjie low-profile energy body that was still in the observation stage, Richard would want to take him straight to the East Island.

"Go, activate our forces on the East Island to help them! Find someone, or provide some force!"

Now Richard's full power is very large, and he can arbitrarily mobilize the power of the gods' laboratories all over the world.

He quietly arranged the forces in the East Island to help the Black Sun organization.

...

About half an hour later.

The news that shocked the world came.

Two people appeared...

They went to the Black Sun Organization again!

Although they don't know where they went, the Black Sun organization heaved a sigh of relief.

At least know where they are.

This is still news to them!

It's not that the prevention of a sneak attack will make everyone panic.

“They are coming! Get ready, everyone! Ready to meet the enemy!”

The leaders of the Black Sun organization began to give orders.

“Should we notify the Yanagyu family?”

Someone asked.

“No need! It’s useless to notify! They can’t come, join us, they disdain it!”

“Yeah, that’s right! The Liusheng clan always thinks that we are rubbish, we can’t! Even if Levi is killed, they think it is Richard’s credit, which has little to do with us!”

“They have ancestors sitting in town again! One by one is arrogant to death!”

“Never mind, let’s get rid of the cloth clothes and kill the gods, let the Liusheng family see, we are not waste!”

...

Shortly after.

Levi and Common Killer came to the Black Sun headquarters.

It is heavily guarded here.

As soon as the two arrived, all kinds of weapons and various Lords were ready to do it.

The heads of the black sun brought countless Lords to come.

“We have been waiting for you to die! You are finally here!”

Watanabe Wuzhong and others laughed.

Hao Yuxuan was also mixed in, with a complicated expression.

Levi smiled: "Really? I'll give you two gifts first!"

"boom!"

"boom!"

The two bodies were thrown in front of everyone.

Chapter 1994

"Ok?"

Levi's sudden move made everyone in the Black Sun organization stunned.

what is this?

Two bodies?

who?

Everyone looked over.

The white-haired old man didn't know him, but he seemed a little familiar, but he just couldn't remember.

Who is he?

I really don't know!

What about the other one?

look familiar?

Seems...

not good!

day!!!

Isn't that the peerless genius Liu Sheng Jianying of the Liu Sheng clan?

The little swordsman on the sun list!

Take another look!

it's him!!!

This corpse turned out to be Liu Sheng Jianying!

In a short period of time, complex ideas flashed in everyone's mind.

Going through the same complex transformation inside!

“hiss!”

“It's Liu Sheng Jianying!”

“He he he... why did he die?”

“Is it impossible?”

...

It was judged that the corpse was Liu Sheng Jianying, but no one believed it.

Who can kill him?

It's so funny!

Liu Sheng Jianying couldn't provoke him, let alone kill him!

It can't be him!

"It's not him! Impossible!"

Someone exclaimed again and again.

"No, look, the sword on his body! Ten punch sword!"

"Yes, this is Liu Sheng Jianying's Ten Fist Sword! Yes! Others can be copied, but the Ten Fist Sword is impossible! Do you feel its powerful murderous intent? The Ten Fist Sword will not deceive!"

"This is the corpse of Liu Sheng Jianying!"

...

"hiss!"

At this moment, everyone gasped, and the whole body was cold.

Jianying Liu Sheng died?

That's the strongest on the sun list!

died?

This this this...

After confirming that this was a fact, everyone was so shocked that their eyes flew out.

It's incredible!

What about the other one?

At this time, an old man in the Black Sun organization suddenly showed a terrified expression.

“He he he...”

His mouth trembled, and it took a long time to say a clear sentence: “I remember him! He is the ancestor of the Liusheng clan-the sword sage Liusheng Yijian!!!”

“what?”

The words are not shocking and endless, and as soon as this is said, everyone in the audience numbs their scalp, and their eyes are about to fly out.

The shock that Liu Sheng Jianying brought to everyone just now was strong enough.

Now here comes a more fierce, sword sage Liu Sheng Yijian’s corpse!

“You read that right? How could the ancestor of the Liusheng clan die?”

Some people questioned.

“I was fortunate enough to meet the Juggernaut before! I recognize him! It’s him! That’s him!”

“There is also the corpse of Liu Sheng Jianying!”

...

After the old man’s reminder, everyone quickly reviewed this matter in their minds.

The corpse of Liu Sheng Jianying must be!

Then the corpse of Liu Sheng Yijian will not be fake!

Oh my god!

The sky is falling!

The two strongest people in Dong Dao are dead?

Who did this?

The advisors of the Watanabe clan responded one by one.

Why did the two of Common Killing God disappear just now?

Where have they been so long?

They sent out so many people to find the whereabouts of the two.

Looked everywhere.

But I didn't find one place!

The Yanagis!

No matter in anyone's opinion, the Yanagyu clan is the safest place.

So there is no need to find it anywhere.

But no one thought it was the Liusheng clan that they had left behind!

understood!

Everything is understood!

During the period when these two disappeared, they definitely went to the Liusheng clan.

But their combat effectiveness is too strong, right?

Both Liu Sheng Jianying and Liu Sheng Yijian are dead?

Then all the Yanagyu clan is destroyed?

This is too scary, right?

Everyone looked at the Common Killer God not far away, and saw that he was covered in blood and had a weak breath. It was obvious that he was seriously injured.

Before Commoner Killing God disappeared, it was spotless.

It hurts like this now.

This is definitely to get rid of the Yanagyu family.

Although the Common Killer God was strong enough, even the Liusheng clan was killed.

But he was wounded like this now, and encountering the powerful Black Sun is also a dead end.

The Protector Novel Levi Garrison Chapter 1995 – 1996

Chapter 1995

“Report! Latest news! Something happened to the Liu Sheng clan! The Liu Sheng clan was annihilated! Together with the ancestor sword saint and the first in the sun list, Liu Sheng Jianying is dead!”

At this time, a spy finally found the news.

The Liusheng clan has been destroyed.

Hear the confirmed news.

Everyone's chest was like a big stone pressed.

It really is true!

But Commoner Killing God has been wounded like this!

It seems that he has paid a very heavy price to get rid of the Yanagyu family.

He is already at the end of the battle.

No wonder the corpses of Liu Shengyijian were brought here.

I'm afraid I want to take two corpses to restrain them, right?

ridiculous!

After thinking about everything, everyone also awoke from the shock.

The Common Killing God is unparalleled and powerful, beyond everyone's imagination.

The Liusheng clan was destroyed by him.

He is really super awesome!

But now he is injured like this, and he still troubles them?

Isn't this looking for death?

"Logan Buyi, we really did not expect that you are so powerful! Even the Liu Sheng clan was destroyed! If you had come to us before, no one could stop you!"

"It's a pity, you went to the Liusheng clan first, which caused you to be seriously injured now! What else are you fighting against us?"

“Come on, don’t let them live!”

The Watanabe clan gave an order.

Soon, tens of thousands of Lords appeared in the Black Sun headquarters and blocked the route here.

Various modern weapons are also activated.

“Then we can only avenge the Liusheng clan!”

Knowing that the injury of this degree of commoner killing god is bound to die.

Everyone smiled.

At this time Commoner Killing God suddenly smiled.

The laughter made everyone feel uneasy.

I feel something is wrong.

“why are you laughing?”

Someone asked.

“Haha, don’t you guys really think that I have the strength to get rid of the Liusheng clan?”

Commoner Killing God asked back.

“What... what do you mean?”

“Isn’t it you?”

...

Everyone gradually reacted.

It's true that Common Killer is strong, but the approximate combat power is still estimated by everyone.

Even if he is better than Liu Sheng Jianying, this is already the limit, right?

How could he kill Liu Sheng Yijian?

This is impossible!

He didn't do it, who would do it?

Everyone looked at Levi next to him in unison!

This role has been ignored by them all the time!

Just a moment ago, the intelligence department of the Watanabe clan also found out that there was an objection to his identity.

Now it seems to be him!

Tens of thousands of eyes fell on Levi's body.

"You...who are you?"

This is the question in everyone's mind.

Could this talent get rid of the Yanagyu clan?

Levi smiled and said, "When I kill them all, I'll tell you one more person!"

"kill him!"

Watanabe ordered immediately.

All Lords killed Xiang Levi two people.

“The black sun is out today!”

Levi let out a long sigh.

...

A unilateral massacre began.

Regardless of the large number of people in the Black Sun organization, the fighting power is not even comparable to that of the Liusheng clan.

How can you fight Levi?

Let's kill one by one.

Come and kill one pair!

...

There was blood everywhere, corpses everywhere.

The entire Black Sun headquarters was flooded.

They became more and more frightened as they fought.

What kind of combat power is this?

so horrible!

A person pressed the black sun organization to fight.

one thousand.

five hundred.

three hundred.

...

two hundred.

hundred.

...

Gone.

Only a few big advisers from the Watanabe clan and Hao Yuxuan were left in the Black Sun organization.

They looked at Levi in horror.

Everyone was scared silly.

The scene of one person slaughtering tens of thousands of Lords actually exists.

They saw it with their own eyes.

“You, you...who are you?”

Hao Yuxuan is already going crazy.

Others too.

Levi, who was about to answer, suddenly smiled at the corner of his mouth:
“Huh? Someone came to die again?”

Chapter 1996

No one else is here!

It was Richard who sent to support the Lord of Black Sun.

“boom!”

The first to rush in was frightened by the sight of purgatory in front of him.

“boom!”

The second rushed in and hit the first person.

Then he was shocked by the scene before him.

“Boom boom...”

More and more people rushed in, and everyone was blocked at the gate.

Hundreds of people were dumbfounded.

“Wat...Mr. Watanabe, we were sent by Mr. Richard to help you!”

The visitor showed his identity.

“Huh? Richard?”

Isn't this hitting the muzzle?

Levi slowly picked up a dagger.

“Whoo!”

He tossed it casually, and the dagger turned into a flash of lightning and shot out.

Like a bullet.

“puff!”

Mark a distance of several hundred meters and directly penetrate the front one.

“puff!”

The second person was pierced again.

The dagger still penetrates the third person with unabated speed!

The fourth person!

The fifth person!

...

The dagger constantly shuttled in the crowd, bringing up blood lines.

Gorgeous and poignant!

Hao Yuxuan and the counsellors of the Watanabe clan are going crazy.

Can it be like this?

Levi invisibly manipulated a dagger hundreds of meters away, and even pierced hundreds of people, leaving no one behind.

What realm must this be?

Exist like a god!

“Puff!”

“Puff!”

...

All the people sent by Richard had fallen.

None of them survived.

miracle!

Even Commoner Killing God looked at it again!

Levi's act of manipulating a dagger to penetrate hundreds of people just now seemed simple, but it required too much control.

Hao Yuxuan and others were completely numb.

too strong.

“you you you...”

“Now I can tell you, I am Levi!”

With that, Levi's face changed and returned to his original appearance.

“what???”

“Levi, are you still alive?”

“Ghost!”

...

Seeing Levi's original face, everyone went crazy.

He turned out to be Levi!

He didn't even die?

How can it be?

Levi obviously planned to kill them with Richard?

They watched the corpse destroyed, albeit at the beginning.

It is certain that Levi is dying.

How did he come back to life?

impossible!

Richard repeatedly confirmed later that Levi was bound to die.

How can he live?

But the facts are here!

He is indeed alive!

“You are wondering why I live? It’s a long way from killing me if you want to kill me! The reason why I suspended my death is to get rid of you!”

Levi smiled.

“This, this...”

Everyone was dumbfounded.

Who could think he was still alive?

He really can’t kill!

It won’t die like this!

Hao Yuxuan fell to his knees with a thud.

He didn’t have a trace of strength all over his body.

All scared stupid.

“You clean up your portal!”

Levi kicked Hao Yuxuan at the feet of Common Killer.

“Lord, please forgive me!”

Hao Yuxuan began to kowtow to beg for mercy.

The Common Killer did not speak, and slapped Hao Yuxuan on the head.

Suddenly.

Blood flying sword.

Hao Yuxuan is so dead...

Levi looked at the counsellors of the Watanabe clan again.

“puff!”

“puff!”

He slapped two to death, and the rest screamed in fright.

Who is not afraid of death?

Especially seeing so many people die one by one.

“Now I only have one question, whoever answers me, I can spare him not to die!”

Levi said.

Hearing the hope of survival, everyone nodded hurriedly.

They all said that they could answer this question.

“Well, I ask you, who is the person who imitated my practice and set the blame on me in the black sun?”

Levi asked.

Everyone’s expressions changed when they heard this question.

Everyone looked at each other.

“Let’s talk! If you don’t say it all will die!”

“I said!”

Everyone shouted a name in unison.

Levi and Commoner Killing God changed their expressions when they heard...
