

The Return of the God of War [The Protector]

Chapter 1621 - 1625

CHAPTER 1621

How fast is Levi Garrison?

As soon as the Black God Sect master who had captured Levilia arrived at the Black God Sect lair, Levi Garrison arrived on his back foot.

Of course, it was also the time for Levilia's distress signal.

When threatened, the first time a distress signal is issued.

The Black God Sect is eerie and terrifying.

The floor is full of skeletons, humans and animals.

The whole area was shrouded in a gloomy atmosphere.

The Lair of the Black God Sect is deep in the mountains, and it looks like hell from a distance.

Black God in the lair.

Hundreds of people stood.

There was a person sitting on it, wearing a black robe, surrounded by black mist. m.bg.

A pair of eyes are blue and quiet...

He is the leader of the Black God Sect-Black God.

The Supreme Level Five Heavens, no, it should be a Supreme Grade powerhouse close to the Six Heavens!

It is also the existence that casts a shadow on Fu Qiufeng.

Compared with the prosperity of Wushuang City, Black God Sect appears very calm.

There are about 800 people in total.

Although it is a wicked way, the Black God Sect's cultivation methods and magic techniques are extremely harsh.

Not everyone can practice.

There are many who blew themselves up during the cultivation process.

But all the elites are left behind.

Each is brutal and terrifying.

There are two Supreme Level Fifth Heavenly Powers, and there are 17 Supreme Supreme Level Four Heavenly Powers...

This is unmatched by Wushuang City.

It is also the reason why others are afraid.

Maybe one hundred thousand warriors dare not provoke these hundreds of people.

After Levilia was robbed, everyone in the Black God Sect gathered.

Even the leader Hei Shen also came.

He looked up and down Levilia carefully, and his mouth made an uncomfortable voice that was hoarse like a blade across the glass: "That kid did

not lie to me, it really is a unique talent! It is the strongest talent I have ever seen!"

Everyone began to cheer.

“Master, what are you going to do?”

“Cultivated with such a high talent, he is definitely an invincible powerhouse!”

“The future can impact the Supreme Grade Seventh Heaven...”

Someone asked.

Black God shook his head: “No, no, no.”

“First, training is too time-consuming.”

“Second, we can’t control her after she is strong.”

The black god greedily glanced at Levilia: “Only being strong is the most important thing! If I dig out her martial veins, and then eat her flesh and

blood! I can become a supreme level six heaven powerhouse in one fell swoop, It is not impossible to win the Supreme Seventh Heaven!”

Black God Sect began to look forward to it.

If the Black God really breaks through to the Supreme Level Sixth Heaven, then the Black God Sect will really be rampant.

Because the supreme grade six-fold naive is really too rare.

Even before the covenant of the gods, there were very few, and they existed in legends.

The black god stroked Xia Levilia’s head: “Go to sleep with peace of mind, there is no pain!”

He wants to practice evil arts through Levilia to make him stronger.

“Master, do you think there should be trouble in Wushuang City? This child is a future that Wushuang City has devoted all its resources to nurturing!”

It's just being eaten by you, isn't it..."

Some people are worried that Wushuang City will rob people.

The black god snorted coldly: "I gave Fu Qiufeng a hundred courage, and he dare not come! He is defeated!"

"That's true! How many people come from Wushuang City, then we will kill as many people! If Fu Qiufeng dares to come, we will kill Fu Qiufeng!"

"Don't worry, there is no one to save this child! My promotion to the Supreme Sixth Heaven is finalized!"

Just at the moment when the black mythical voice just fell.

A sound like the roar of the Thunder God blasted around the Black God Sect.

Buzzing...

"Who said no one would come to save?"

The Return of the God of War [The Protector]

Chapter 1622

CHAPTER 1622

With this sound of thunder rolling.

Let the Black God Sect's Lair sway around, flying sand and rocks.

The Eight Hundred Church members of the Black God Sect were all scared.

“Boom!”

Even more frightening was the huge stone gate of the Black God Sect that was ten meters high was smashed with one foot.

A figure supporting the blue sky appeared.

The Black God Religion Eight Hundred Cultists looked stupidly.

“Is it Fu Qiufeng?”

“Did Wushuang City attacked?”

Everyone thought that the Wushuang City army had arrived.

Just watched for a long time, there was only one person.

“No, it’s not Fu Qiufeng!”

When I see this figure clearly.

Everyone is puzzled.

Strange faces.

But the hostility in him is overwhelming.

It is even more terrifying than all of them Black God teaches everyone!

This man seems to be from hell.

“Where is my daughter?”

Levi Garrison walked step by step with a cold face.

Every time he took a step, the Black God Sect had to tremble.

“It turned out to be the father of this girl! Killed!”

“Then I will eat your daughter again, and even strip out her martial arts for my use!”

The black god made a hoarse voice.

Black God gave an order.

More than a dozen black gods masters came to Levi Garrison’s side.

“From the moment you hit my daughter’s idea, you all have to die!!!”

“kill!!!”

Looking at the black god cultists coming oncoming.

Levi Garrison moved to kill.

Today, he wants to flatten the Black God Sect.

“Puff!”

“Puff!”

“Puff!”

...

When more than a dozen members of the Black God Sect were torn to pieces, the audience fell silent.

“Go! This person is unusual!”

Everyone found something wrong.

Hundreds of people rushed up immediately.

Among them, there is no lack of supreme-level powerhouses, and they have also begun to rush to come.

Levi Garrison walked step by step.

Relying on his double fists, he smashed a powerful person of the supreme level.

In an instant, blood was gurgling all over the floor.

Broken meat, broken bones are splashing everywhere...

“Kill kill kill!”

Levi Garrison roared, like death descending, harvesting life.

The Black God Cult is cruel and ruthless, but Levi Garrison is more cruel and devil than them.

Ripped their bodies and blasted their heads...

With a breathing exercise, all six hundred people taught by the Black God fell to the ground.

No one is alive!

“kill him!”

“kill him!”

...

Next, the powerhouses of the Supreme Grade Double Heaven and Supreme Grade Triple Heaven began to punish Levi Garrison.

But in Levi Garrison’s hands, there was no difference between them and the weaker in front.

Soon hundreds of people fell to the ground.

Most people were broken into pieces by Levi Garrison.

“on!”

Seventeen four-day supreme-level powerhouses all came.

Everyone has the level of the four elders of Wushuang City.

Seventeen people showed off their most powerful killer moves.

It was all flattened here.

The bombing has been constant.

This is absolutely comparable to the scene where hundreds of thousands of soldiers go to war.

But Levi Garrison is too strong!

“boom!”

“boom!”

...

He definitely blows up someone’s body when he shoots.

The four heavenly supreme powerhouses fell one by one.

“boom!”

With Levi Garrison’s punch, one person was beaten into blood mist.

The seventeen four-day supreme-level powerhouses have all fallen.

More than 800 people of the huge Black God Sect were killed.

There are only two people left.

The leader and deputy leader.

Two five heavenly supreme level powerhouses!

The two were dumbfounded.

With just a few blinks of an eye, did the black god teach everyone else to die?

What's the origin of this person?

How can it be so strong?

"You... who are you?"

Neither the black god nor the deputy leader could sit still.

"I am the father of the child, you shouldn't take her idea!"

Levi Garrison's voice was cold and gloomy.

The Return of the God of War [The Protector] Chapter 1623

CHAPTER 1623

"You two must die to!!!"

Levi Garrison didn't talk nonsense and directly killed the two of them.

Sure enough, the powerhouse of the Supreme Level Fifth Heaven is strong enough!

The two leaders of the Black God Church shot together.

It can be called earth-shattering.

Soon the mountain where the Black God Sect was located was battered and flattened.

It is an effect that can only be achieved by cruise missiles.

These two actually did it!

This is the terrible thing about the Supreme Power...

However, the two men's exercises and spells did not apply to Levi Garrison.

Levi Garrison took all this abruptly. ..

And unscathed.

"boom!"

With a punch, he smashed the deputy leader into blood mist...

Immediately afterwards, he flew the Black God away with a punch.

The black god began to crack apart, with blood stains.

Just now Levi Garrison used another force, he definitely wanted to explode.

He kowtowed on the ground and begged for mercy: "It's not me, Master, I didn't do it!"

"It's the message revealed by Fu Qiufeng's big apprentice Jiang Haozhe, let me arrest your daughter!"

"Please forgive me! I will listen to you in everything!"

...

Levi Garrison didn't even think that Fu Qiufeng's great apprentice planned all this.

"okay, I get it."

“But you have to die too!”

After speaking, Levi Garrison blasted the Black God with a punch.

At this point, the entire Black God Sect has been wiped out!

The Black God Sect, who was full of evil in the martial arts world, was so scared that Shifang Dashan did not dare to breathe, and was destroyed

by one person.

If it spreads out, who will believe it?

The most important thing is that the Black God Sect leader is close to the existence of the Supreme Sixth Heaven.

Even this kind of character can be destroyed.

too strong!

Just because Levi Garrison's daughter was moved, she was instantly wiped out.

Dragons have inverse scales, and they will die if they touch them.

Levilia is Levi Garrison's inverse scale, and also a taboo that the enemy can't touch...

The Black God Sect was destroyed, but Levilia was still asleep.

“Sleep, kid, it's a dream!”

Levi Garrison picked up Levilia and left Black God Sect step by step.

The other side.

All the help Wushuang City was looking for ran away because of fear of the Black God Sect.

Fu Qiufeng was also helpless.

Zoey was still begging.

Even people in Wushuang City told her the address of the Black God Sect, and she went to save it herself.

“By the way, City Lord, there is another way!”

The third elder suddenly thought of a way.

“what?”

Fu Qiufeng asked.

“I beg the Old City Lord to come out of the mountain!”

Said the three elders.

Fu Qiufeng’s expression immediately changed: “You are kidding! The old city lord has been dead for decades! You told me to ask him to come

out of the mountain?”

“No, isn’t it rumored that the old city lord is actually dead, but is practising a method of Nirvana rebirth?”

Said the three elders.

“Yes, I have also heard that, I feel that the Old City Lord is dead!”

“Yes, I feel that Old City Lord is definitely alive!”

...

The senior elder and the second elder all said.

Fu Qiufeng hesitated and sighed, “Well, you all have heard this secret!”

“Then tell you the truth, the old city lord is indeed dead! He is practicing a technique! I specifically asked me not to disturb him, he will naturally

come out when he leaves the customs!”

This is the greatest secret of Wushuang City.

Only Fu Qiufeng knew about it.

Others just heard it.

“But at this moment, the city lord still cares about so much? Levilia is my hope of Wushuang City!”

“Presumably the old city lord does not want the monarch to fall into the hands of the black gods, let’s go and ask the old city lord to come out of

the mountain!”

“it is good.”

Immediately, Fu Qiufeng led everyone to the grave buried by the old city lord and begged him to come out of the mountain.

“Levilia is back!”

At this moment, a good message came.

Fu Qiufeng was overjoyed: “Old City Lord made the shot! He definitely made the shot!”

The Return of the God of War [The Protector]

Chapter 1624

CHAPTER 1624

“Yeah, it is definitely the Old City Lord! Otherwise, who has the ability to save Levilia from the Black God Sect?”

“The Old City Lord made a move at a critical moment!”

“God bless me, Wushuangcheng!!!”

Everyone shouted.

Everyone looked at each other.

Everyone was ecstatic.

Originally, all of them knelt down and wanted to ask the old city lord to come out of the mountain.

Unexpectedly, the Old City Lord had taken the first step.

It turns out that the old city owner knows everything about Wushuang City!

They were worried for nothing.

“It’s great that Levilia is saved!” m.bg.

Everyone cried with joy.

Especially Zoey and Mia...

Everyone came to Levilia’s room.

Levilia was sleeping soundly, with a smile on the corners of his mouth, and whispered: “Dad! Daddy!”

Everyone smiled.

Zoey hugged Levilia even more.

“It’s great! Levilia has nothing to do!”

Fu Qiufeng laughed.

Wushuang City was full of joy from top to bottom.

The festive atmosphere began to overflow.

“Report!!!”

At this moment, the spies from Wushuang City ran to report the major incident.

“Something...something big!!!”

“The Black God Sect was destroyed!!!

More than 800 congregations and leaders and vice leaders were all killed! The Black God Mountain, where the Black God Sect is located, was

flattened! “

“Black God Sect has completely disappeared from the world!!!”

“what???”

After hearing this message, everyone was dumbfounded.

It turned out that it wasn’t just Levilia who saved him.

Together with the Black God Sect was also destroyed.

None of the more than 800 people were spared!

This... this is terrible too!

What kind of strength is it to destroy the notorious Black God Sect? ? ?

“It’s the Old City Lord!!!”

“Only the Old City Lord has this ability!”

“Back then, the Old City Lord was in retreat, and when the death message was falsely reported, he was infinitely close to the Supreme Sixth

Heaven. Now that so many years have passed, the Old City Lord is definitely the Supreme Sixth Heaven!”

Fu Qiufeng shouted excitedly.

“Yes! Only the supreme-level sixth-tier genius can destroy the entire Black God Sect!”

“Definitely the Old City Lord!!!”

“My Wushuang City is about to take off. A strong man of the Sixth Heaven is sitting in town. How many enemies does Erudia have?”

...

This is unprecedented good news for Wushuang City.

Levilia, the genius was rescued.

There is another old town owner in charge!

In the future, Wushuang City is definitely going to win Erudia!

But Jiang Haozhe was completely dumbfounded.

They have done so much, aren’t they just trying to drive Levilia away?

Why are you back?

How is this going?

The Black God Sect has also been destroyed...

Fall short!

Several people turned pale.

Very ugly.

Zoey and Mia were also happy in their hearts.

The stronger the Wushuang City, the safer the Levilia.

Good for everyone.

“Go, come with me to thank the old town master!”

Fu Qiufeng led everyone to the tomb of the old city lord.

Everyone fell to their knees and shouted together: “Thank the old city lord for taking action and protecting the future of my Wushuang City!!!”

Fu Qiufeng even said: “I also hope that the old city lord can come out to meet us and guide us! Everyone misses you!”

However, there was no response from the forbidden area of the tomb.

Everyone knelt before the grave for half an hour.

There is still no reaction.

What they did not expect in any case was that the old city lord who destroyed the Black God Sect in their mouth was lying in the tomb at this

moment.

He has long since become a corpse.

Dead and transparent...

When he failed in martial arts training, he had already died tragically.

So you shouted for a long time without any response.

Even if you kneel for ten and a half days, the old city lord will not crawl out!

The Return of the God of War [The Protector]

Chapter 1625

CHAPTER 1625

“Let’s leave! It must be the Old City Lord who needs to be quiet!”

“Now we only need the Old City Lord to be alive and the cultivation base of the Supreme Grade Sixth Heaven!”

Fu Qiufeng laughed.

Full of confidence in the future development of Wushuang City.

Jiang Haozhe’s hearts were ashamed of death.

This time is completely over!

The status of Levilia cannot be shaken.

Even the Old City Lord has to protect it.

Levilia soon woke up.

Everyone, including Fu Qiufeng, surrounded the past.

This is the treasure of Wushuang City!

“Mom, where’s Dad?”

The little girl looked around, and the first person to find was Dad.

“Your father is at home! Not here!”

Zoey touched her little head.

Levilia shook his head: “No, Dad is here! I saw Dad before, and Dad rescued me!”

Although Levilia was in a daze.

But she knew in a daze that it was her father who had rescued her.

She also sent a distress signal to her father before.

“Hahahaha...”

As soon as Levilia said this, everyone laughed.

“This silly boy! When something happens, I think of her father!”

Zoey smiled awkwardly.

“Nothing, after all, the father is very tall in the child’s mind!”

Fu Qiufeng looked at Levilia and smiled and said, “Levilia, Master tells you that it was not your father who saved you, but the Old City Lord, that

is, the Master’s Master who rescued you!”

“Impossible! Dad rescued me! I know!”

Levilia shouted.

“Levilia, have you seen your father? Have you been sleeping all the time?”

Fu Qiufeng asked continuously.

“I.....”

Levilia pursed his lips and shook his head.

She only felt that it was Levi Garrison.

But I have not seen it with my own eyes.

“So, Levilia, don’t talk nonsense, it was the Old City Lord who saved you!”

“What’s more, your father is an ordinary person, how can he save people from the Black God Sect?”

“What’s more, the Black God Sect has been completely destroyed! How can an ordinary person do it?”

...

After Fu Qiufeng instilled ideas for Levilia.

Levilia can only listen to them.

But the clever Levilia still maintains his opinion.

It was Dad who saved her.

In the dark, Levi Garrison looked at everything.

In particular, I watched Jiang Haozhe a few more times.

Let a few people feel chilly.

A little scalp tingling.

Levilia was rescued.

Zoey is the happiest.

“Nan Yan, don’t you tell your brother about this, right?”

Mia shook his head.

“Look, Levilia is saved now? There is no need to tell your brother, it will only cause trouble!”

...

The next day.

Fu Qiufeng called everyone together.

He wanted to find out who leaked Levilia’s talent.

He made this matter strictly confidential.

Secretly cultivates the king.

The Black God Sect actually knew.

That means someone must have leaked the secret.

He must find this person out.

“If you admit it now, I will be punished lightly! If you let me find out, it will be a big trouble!”

Fu Qiufeng directed at all people in Wushuang City.

All of Jiang Haozhe was terrified.

Of course they dare not admit it at all.

After standing for a long time, no one admits it.

“Master, I think it was revealed by the Xishu clan and the Li Zhao family!”

“Yes, they are the most likely!”

Jiang Haozhe succeeded in diverting attention.

Fu Qiufeng immediately led everyone to Jiangbei.

He wants to find out who the spy who revealed the information is.

Bring everyone together.

Fu Qiufeng began to speak.

At this time, Levi Garrison stood up.

“The spies are your apprentices!”
