

The Return of the God of War [The Protector]

Chapter 1636 - 1640

CHAPTER 1636

It turns out that the robot Jefferson is the younger brother of the man in the windbreaker...

"Who told him to go? Let him come back quickly! It's dangerous!"

Shouted the man in the trench coat.

"Master, Mr. Jefferson has been away for a long time, and no one dares to stop the things he decides!"

Several people knelt on the ground and shivered.

The man in the windbreaker sighed and said, "Hu Hong, it's just nonsense! He went to Erudia, not to mention that it might be dangerous!"

"Then what does the master do now? He should have arrived in Erudia!"

"Should we send a master to pick him up?"

The man in the windbreaker immediately shook his head: "No! Once we have a big action, Erudia will definitely be vigilant, and our alliance army's

plan will fall to nowhere!"

"I can only pray that he will come back safely!"

"It's okay if you get caught. Then, in the name of War Eagle Nation, you can put pressure on Erudia to send it back!" ..

"Understood! Let's contact the senior officials of the War Eagle Nation!"

...

On the other side, Levi Garrison returned to Jiangbei from Wushuang City.

On the outskirts of Jiangbei, he happened to ran into Jefferson, who had just come to Erudia.

“Gentile? Supreme powerhouse?”

A smile appeared at the corner of Levi Garrison’s mouth.

Sneaky.

There is absolutely no good thing.

After returning home.

Levi Garrison immediately contacted Xiao Feng and others.

“Come to Jiangbei quickly and stare at someone!”

After Levi Garrison gave the order.

Xiao Feng brought several people to Jiangbei and stared at Jefferson.

In the evening, Jefferson swaggered to Jiangbei Museum.

He glanced around and said with a smile: “Soon, it’s all ours here!”

“You Erudia is going to fall, and both women and men will become our slaves!”

While talking and laughing, Jefferson entered the museum.

In a cabinet of a booth, there was a huge meteorite iron!

This is 13 years ago, the meteorite fell to Jiangbei.

Later, it was discovered that this outer meteorite iron was very valuable and huge.

So put it in the museum.

“???.....”

Jefferson’s mechanical arm made a sound, fists clenched.

“boom!”

“?!”

The bulletproof glass cabinet was blasted open by him with a punch.

You must know that this is specially reinforced bullet-proof glass, even the artillery can not be broken.

He punched...

“Dididi...”

His punch triggered the siren, and the sirens rang loudly.

But Jefferson picked up the meteorite iron and left without hurriedly.

What if the alarm is triggered?

Can these ants stop him?

What surprised Jefferson was that there was no one to stop him.

The entire museum is empty.

“A bunch of rubbish! It really deserves its reputation!”

“Born to be a slave!”

Jefferson said angrily when someone came to stop him.

When he came to the door holding the meteorite iron from the outer world, he was stunned.

Because of the door, Xiao Feng and several people were waiting.

“Good, you thief, dare to come to Erudia to steal things!”

Xiao Feng scolded.

“Ho ho? Steal things? Can I take them? Erudia will be ours soon. These things are ours! Even your mother, wife, and daughter are ours!”

“You men can only be slaves and grab food from a group of wild dogs!”

Jefferson laughed loudly, not paying attention to everyone.

After Xiao Feng heard this, everyone was furious.

But Levi Garrison at the end was thoughtful.

“Leave me aside, or I will kill you all!”

Jefferson said angrily.

“Really? You want to kill us all?”

Xiao Fengji’s popularity came out.

Jefferson’s face changed drastically.

“They are all supreme?”

Chapter 1637

CHAPTER 1637

This is what Jefferson hadn't thought of anyway.

Five supreme-level powerhouses will appear all at once!

There are many pseudo-extreme powerhouses behind him!

"Take it!!!"

With an order from Levi Garrison, Xiao Feng's group immediately moved.

Although Jefferson was very strong, he was still caught in the face of so many masters.

"Dare to go to Erudia to steal something? You are brave!"

Levi Garrison sneered.

"Bah, a bunch of slaves! Quickly let me go! Otherwise you will all die!"

Jefferson scolded.

"Pop!" m.bg.

Levi Garrison slapped Jefferson's face fiercely.

"boom!"

Jefferson's skin was ripped apart from this slap, almost dying.

Jefferson was dumbfounded.

He had just detected it with an instrument, and Levi Garrison was undoubtedly an ordinary person.

Why does he have such terrifying power?

“What should Master do?”

Xiao Feng asked for instructions.

“Catch it back, lock it up and talk about it! Stealing things from the museum is a big crime!”

Levi Garrison approached.

Jefferson immediately panicked when he heard it.

“You can’t catch me! I’m not stealing things! Besides, this was originally mine, and soon Erudia will also be ours!”

Jefferson shouted.

“Snapped!”

Levi Garrison slapped his face again.

Jefferson still yelled: “Do you know who I am? Let me go immediately. I am from the Warhawk Nation. You will all die if you offend me!”

“Do you have any evidence that I stole something?”

Jefferson laughed wildly.

“Are you mentally disabled? Surveillance everywhere!”

Levi Garrison patted him on the face.

“you.....”

Jefferson stared at Levi Garrison angrily.

“boom!”

Seeing this kid staring at him, Levi Garrison slammed his face with a fist, splashing blood.

“Try staring at me again?”

“boom!”

“Still staring at me?”

“boom!”

...

After Levi Garrison’s punches in a row, Jefferson was completely unrecognizable.

People are also honest.

He looked at Levi Garrison in horror.

I was horrified.

According to rumors, Erudia is a group of waste.

Erudia is a coward and coward.

If you are bullied, you can only swallow your breath, don’t you dare to put a fart?

How did he meet all horizontal!

Even an ordinary person is so horizontal?

Punched and kicked him a supreme powerhouse!

This is also terrible!

“Okay, you can get me up. But you have to release me soon!”

Jefferson smiled.

He knew that Erudia did not dare to cause trouble.

Once his people knew, they would definitely put pressure on Erudia through the War Eagle Nation.

In order to calm things down, Erudia would definitely let him go.

It’s always the case!

Erudia doesn’t want to cause trouble every time, so he will make big things small and small ones.

So Jefferson was not worried at all.

There was even a smile on the corner of his mouth.

Looking at Levi Garrison rather arrogantly.

“So much nonsense!”

“boom!”

“Snapped!”

“Cracking...”

Levi Garrison punched and kicked Jefferson.

“I surrender, I surrender! I served, I served...”

Jefferson’s face was not made mechanically, it was real flesh and blood.

Under Levi Garrison’s heavy blow, he was bloody.

He can't stand it either.

"Bring back!"

Finally, Xiao Feng and the others took Jefferson to Levi Garrison's residence.

Use a big iron cage to lock him up.

"You...you shut me up like a dog! You..."

Just as Jefferson was about to say something cruel, he immediately closed his mouth when he saw Levi Garrison's eyes.

"Without my order, no one can let him go!"

Levi Garrison gave the order.

CHAPTER 1638

War eagle country.

Everyone soon learned that Jefferson was arrested.

The man in the windbreaker smashed the table: "I said, don't be foolish! Is this all right? Almost lost his life!"

"Master, things have happened, we have to save Mr. Jefferson!"

Several servants said.

“Hurry up and notify War Eagle Nation, let them bring people back with Erudia!”

Windbreaker manly.

“Understand, do it now!”

...

“The master found out that Mr. Jefferson is currently imprisoned in Jiangbei by Erudia’s Levi Garrison!”

Soon, they found the location of Jefferson.

The man in the windbreaker stood up immediately: “What? Levi Garrison? He is an ordinary person now, and he doesn’t have any position! Why does

he imprison my brother?”

Immediately, the man in the windbreaker smiled: “It’s easier to do this!”

“If Messiah was detained, it might be a little troublesome! But if an ordinary person imprisoned and injured my brother in private.

Not only do people have to pick them up, we can also take a bite back and ask them to compensate and apologize! “

“Yes! Let’s do it quickly!”

...

Jefferson, who was locked in the iron cage, kept staring at the villa.

He vowed to go out once.

Levi Garrison must be revenge fiercely.

His family is going to be finished.

Especially women...

At this time, Levi Garrison was feeding the dog in the next cage.

This made Jefferson even more angry.

Is he better than a dog?

He wanted to yell at him, but he didn't dare.

He could only clenched his fists and looked at Levi Garrison.

"Da da da....."

A rush of footsteps sounded.

Several people from Xiao Feng came.

Their faces are a bit ugly.

"Master, I..."

Xiao Feng hesitated.

"Say!"

Levi Garrison continued to feed the dog without raising his head.

"We must let him go!"

Xiao Feng glanced at Jefferson in the iron cage.

Jefferson smiled immediately when he heard that he was about to let go.

"Hahaha, I said earlier, you have to let me out! When I go out, you will feel better!"

Jefferson immediately became arrogant.

“To shut up!!!”

Levi Garrison’s icy voice sounded.

Jefferson shut his mouth obediently.

It’s better to bear it, it’s not worth the beating.

“I didn’t say let him go again!”

Levi Garrison said coldly.

Xiao Feng looked embarrassed: “But Messiah gave the order, so we can let him go!”

“Say that you are just an ordinary person now, and you don’t have the right and qualification to imprison him! By doing so, you even violated the

regulations!”

“Now the Eagle Nation is very angry, and even wants to use this matter to force Erudia! Messiah ordered us to release the people quickly!”

...

Hearing what Xiao Feng said, Jefferson looked smug.

Erudia is really a bunch of waste.

Obviously he stole something and was arrested.

Also obediently send him away.

It’s so cool.

“Master, if you have any opinion, I will let him go!”

Seeing Levi Garrison’s silence, Xiao Feng couldn’t help but say.

At the same time waved.

The men were about to open the iron cage and release Jefferson.

“Wait!”

“Who dare I see?”

Levi Garrison’s roar scared everyone.

Everyone looked at him dumbfounded.

“Master, I also act according to the procedure...you...you really have no right and reason to imprison him!”

Xiao Feng said.

Levi Garrison stood up suddenly and said angrily: “You ask me what qualifications and rights do you have?”

“I tell you, I am an ordinary citizen of Erudia! Anything that threatens Erudia is related to me! This is right, and this is qualification!”

Chapter 1639

CHAPTER 1639

Levi Garrison shouted at Xiao Feng and others: “You ask me the reason?”

“He stole things in Erudia’s museum and violated Erudia rules. That’s the reason!”

“The evidence is conclusive! He must be shut down!”

...

Hearing Levi Garrison’s roar, Xiao Feng and others were all frightened.

No one dares to move anymore!

“Hurry up!”

Levi Garrison shouted impatiently.

Seeing Xiao Feng and a few people about to leave, Jefferson immediately became anxious.

“Hey, you can’t go, let me out quickly, I’m still inside!”

“Boom boom boom...”

Jefferson smashed the iron cage vigorously.

The huge movement caused Xiao Feng and his party to stop.

Levi Garrison, who was feeding the dog, suddenly got up and opened the iron cage.

“boom!”

Jefferson knocked to the ground with a punch.

“Boom boom boom...”

Levi Garrison pushed him to the ground and beat him hard.

With blood spattering, Jefferson screamed frantically.

Not to mention that he dared not fight back.

Now his strength is sealed, and he can’t use it at all.

Can only be beaten.

“Try another sentence?”

Levi Garrison beat Jefferson to death.

“I... I beg for mercy! I beg for mercy!”

Jefferson lay on the ground begging for mercy, with blood gurgling from his mouth...

Jefferson could not imagine how fierce an ordinary person was.

“Let me hear your voice again, I will remove your iron shell for you!”

Levi Garrison glared at Jefferson.

Jefferson trembled with fright.

The machinery on his body is fused with flesh and blood.

If the machinery is removed, can he live?

“What are you looking at? Aren't you leaving?”

Levi Garrison glared at Xiao Feng.

Xiao Feng and the others ran away in fright.

Jefferson's tears came out.

Never thought that one day, it would be so miserable.

Still being abused by an ordinary person.

He couldn't even imagine, why an ordinary person is so arrogant that even a group of supreme powerhouses listen to him?

He can only pray in his heart, hurry up and save him.

“What? Levi Garrison won’t let anyone go?”

After Messiah learned the information, he was also very surprised.

“Yes, logically speaking, this person can’t be let go!”

“But there is no loss in the first place. In the second, the war Eagle Nation requested that we have to let go in order to calm things down!”

“What does Levi Garrison mean?”

...

“Go, let’s go and release the people ourselves!”

Messiah’s Wang Qian and Yifan hurried to Jiangbei.

The two saw Jefferson being locked up in a cage and were frightened.

If this matter spreads out, it will be very troublesome.

“Levi Garrison, what are you doing? Quickly let the people go!”

“Do you know who he is? An important figure in the War Eagle Nation! He must be released. This is Messiah’s order!”

Wang Qian shouted loudly.

“I can finally go out! I can finally get revenge!”

Jefferson immediately became excited when he saw the person who could take the lead.

Sitting there, Levi Garrison said faintly: “Where is the key to the iron cage!”

Levi Garrison pointed to the key not far away.

“call!”

Jefferson was relieved.

Sure enough, this kid still obeyed orders.

Wang Qian and Any Fan also smiled.

It seems that Levi Garrison is not as tough as Xiao Feng and the others said?

Even Xiao Feng and others behind were surprised.

Master just let people go like this? ? ?

Either fan rushed to get the key, but when they first touched the key, a thunder-like voice sounded: "Who would dare to move?"

"Ok?"

Everyone was stunned.

"The key is there, but who would dare to move it?"

The Return of the God of War [The Protector] Chapter 1640

CHAPTER 1640

Levi Garrison suddenly raised his tone, making everyone present abruptly.

Especially for Wang Qian and Any Fan, the calves were shaking.

Either Fan even retracted the hand that had touched the key.

Obviously the key is right in front of them, but Wang Qian and Any Fan can only watch them, but they don't even dare to stretch out their hands.

This is Levi Garrison's aura.

He didn't dare to move with a word.

Even in everyone's cognition, he is an ordinary person.

"Ye...what do you mean by Levi Garrison? Do you want to intervene in Messiah's affairs?"

Wang Qian asked tremblingly.

"Is this just Messiah's business? This is Erudia's business, and this is a matter for every Erudia citizen!"

"You hurry up, it's impossible to let him go with me here! You don't speak for Erudia, I will speak for Erudia!"..

"I Erudia is not afraid of anyone! If a foreigner commits a crime in Erudia, I have to bear the consequences!"

Levi Garrison expressed his attitude.

"Levi Garrison, you are crazy!"

"Today I really don't believe in this evil, so I just want to open the iron cage and let him go!"

"What can I do with you?"

Wang Qian resolutely picked up the key and walked to the iron cage.

"You can try!"

Levi Garrison smiled.

"??"

Wang Qian opened the iron cage.

Jefferson was released.

“Mr. Jefferson, you are free and safe now!”

Wang Qian smiled.

Jefferson was almost crying with excitement.

Free at last.

But at this moment, he saw Levi Garrison walking toward this side quickly.

“Hey!”

Jefferson’s heart sank and his face changed drastically.

“You...what are you going to do?”

Wang Qian felt the murderous Levi Garrison approaching, and asked subconsciously.

“boom!”

Levi Garrison ignored him and kicked Jefferson directly.

“boom!”

Kick him directly seven or eight meters away.

Levi Garrison deceived him, and pressed Jefferson with another blast.

Jefferson screamed...

Both Yifan and Wang Qian were frightened.

“Do you dare to leave without my consent?”

“Do you think I dare not remove your iron shell?”

Levi Garrison's eyes opened wide, staring at Jefferson.

"Believe! I believe it!"

Jefferson nodded quickly.

"Go back by yourself!"

Levi Garrison cursed.

Jefferson returned to the iron cage in a desperate manner and closed the door himself.

"This....."

Wang Qian and Yifan were completely stunned.

Why was Jefferson so scared by Levi Garrison?

He is an ordinary person!

Jefferson is a supreme powerhouse...

Of course, Levi Garrison was really ruthless!

I can see that they are stunned.

"Levi Garrison, you are presumptuous! How dare you hit Mr. Jefferson? You are deliberately trying to make things worse!"

"Yes, now Messiah has ordered him to be released! You can't control it!"

"Yes, Levi Garrison is here as an ordinary person, how can he interfere with Messiah's affairs! Don't be foolish! People must be taken away today!"

...

Wang Qian and Any Fan also expressed their attitude.

Levi Garrison returned to his seat and sat down and waved his hand: "Whatever, the people are there, you can take them away!"

Wang Qian and Yifan came back to the cage and opened it.

"Mr. Jefferson is gone, we will escort you away!"

The two smiled.

"No, no..."

It's just that Jefferson shook his head madly, and his body drew back vigorously.

Don't dare to come out at all.

At the same time, he looked at Levi Garrison in horror.

"This....."

Yifan and Wang Qian were completely dumbfounded.

"Come on, Mr. Jefferson, come out, what do I think he will do to you?"

The two do not believe in evil.
