

The Return of the God of War [The Protector]

Chapter 1376

CHAPTER 1376

Here, Songkui happened to meet Levi Garrison in a wheelchair.

“Levi Garrison, do you dare to come? Don’t even think about leaving tonight.”

Songkui threatened several people.

Several people wanted to shout, but they received a call from the family.

Let them go to find the little gentleman quickly.

“This.....”

Songkui was directly confused.

What’s wrong with everyone?

What kind of gentleman are you looking for?

Look for Levi Garrison!

Finally, Levi came and took advantage of this opportunity to get rid of him.

Why did such a change happen?

Forget it.

Let’s find the little gentleman first!

Everyone could only watch Levi Garrison leave, and then they all went to look for the little gentleman.

On the way, they met Linda who was running crazy.

“Have you seen someone passing by just now?”

Linda asked excitedly.

“There is no one, no one has passed here!”

Songkui was humane.

Levi Garrison did pass by this road just now.

But they ignored him at all.

Besides, Levi Garrison can't be a little gentleman...

“Well, I just clearly saw him passing this road! Maybe he is unpredictable! I'll look elsewhere!”

Linda turned and left.

“Miss Tang, let's find it with you! There are so many people and powerful!”

Songkui immediately chased after him.

In this way, the entire villa is looking for people.

At this moment, Zoey was playing with Levilia in the hall.

Suddenly Levilia saw Levi Garrison and ran over immediately: “Dad, Dad!”

“You... why are you here?”

Zoey looked a little nervous when he saw Levi Garrison.

Although she was very angry at what Levi Garrison had done before.

For the time being, there is no choice to forgive him!

But after all, he was worried about Levi Garrison's safety.

After all, the emperor of Western Shu said in person...

If it is seen by other people, it may be dangerous.

"I have an invitation letter!"

Levi Garrison shook the invitation letter in his hand.

"Invitation letter? Who gave it to you?"

Zoey looked at the invitation letter.

It stands to reason that Levi Garrison would never have it.

"It should be Songkui and the others!"

"No! They want to harm you! You go quickly!"

Zoey urged.

Although everyone is looking for a little gentleman.

But if he comes back suddenly, Levi Garrison will be caught upright.

That would be dangerous!

"You saw Levilia and me, it's time to leave!"

Zoey urged.

Levi Garrison smiled helplessly: "Well, Levilia, Dad will come to see you later!"

Then Levi Garrison was pushed out of the hall by the Northern Heavenly King and went straight to the door.

At this time, the Emperor Xishu and Linda had turned the entire Tianhai Villa upside down.

There is no fall in any corner.

But there is always no shadow of Levi Garrison...

He is the same as disappearing...

Everyone came to the door to search again.

Still no.

Disappointed, everyone entered the villa from the door, ready to go to the lobby.

"Don't be disappointed, grandpa, I can meet the little man once, and the second time."

Linda comforted.

The Emperor Xi Shu nodded; "That's right, it's normal for the little gentleman to encounter a godlike man! You need to find out his identity as soon as possible! Don't be preempted by the other three gates!"

"We don't know such a character either. There seems to be no such character in the entire South!"

"Yeah, it seems I have never heard of it."

Meredith and Robert said.

Franklin, who was walking in the front, thought to himself that this person really seemed to be Levi Garrison.

But he is like this now...

On the other side, the Northern Heavenly King pushed Levi Garrison towards the door.

CHAPTER 1377

Two groups of people will meet soon.

Songkui here has already figured out how to make Levi Garrison meet the Emperor Xishu.

If you encounter it directly, the picture will be interesting.

Levi Garrison didn't even have a chance to cry.

"By the way, do you think it is possible that the little gentleman is in the lobby? Because the entire villa is not found in the lobby!"

Suddenly someone suggested.

"Yes, it is really possible!"

Everyone patted their foreheads.

Meredith immediately ordered: "Franklin, run to the lobby as fast as you can to see, hurry!"

Franklin, who was ordered, rushed out in a flash of lightning and ran towards the hall.

Others also quickened their pace to catch up. mi. c

Franklin ran fast, but just happened to run into Levi Garrison halfway.

“Brother-in-law , why are you here?”

Franklin was surprised.

Thinking of the Emperor Xi Shu and others behind him, Franklin was about to burst out in cold sweat.

If you see this, Levi Garrison is definitely in danger.

“Brother-in-law come with me first, and you will leave after ten minutes!”

Involuntarily speaking, Franklin pushed Levi Garrison and hid in the garden next to him.

Levi Garrison understood what Franklin meant and did not stop him.

After hiding, Franklin ran to the hall.

Soon after, hundreds of people came on Manor Avenue and they rushed to the hall.

After everyone left, the Northern Heavenly King pushed Levi Garrison away.

In the hall.

Franklin came, only to see Zoey and Levilia.

“Don’t see anyone else?”

Franklin asked.

“Uncle, Levilia saw Dad...”

Levilia’s subconscious way.

Franklin immediately said: “Levilia, someone will ask later, don’t say that Dad is here, you know?”

"Uncle, Levilia knows."

Levilia little head obediently.

Franklin asked Zoey again and saw no one else...

Soon, the Western Shu Emperor and his party came to the hall.

"Are there any?"

The Emperor Xi Shu asked disappointedly.

Franklin shook his head.

"Zoey just had someone come?"

Hundreds of people in the field stared at Zoey and Levilia.

Levilia was shocked by the battle.

Zoey was afraid of Levilia's leak, so he hugged Levilia in his arms.

"There is no... no one came just now..."

Zoey pretended to be unaware.

Franklin also breathed a sigh of relief.

"Hey, I'm really disappointed! I thought I could see the little man!"

The Western Shu Emperor was disappointed.

"The banquet goes on!"

Linda waved, and the banquet continued.

Songkui quietly came to the corner and discussed how to target Levi Garrison.

"Look at me..."

Concubine Jennie stepped forward and said: "Old Tang, I want to report someone to you!"

"Who?"

The Western Shu Emperor and others looked over.

"I want to report Levi Garrison!"

"I just saw Levi Garrison in Tianhai Mountain Villa! Most of him came to see his wife and daughter secretly!"

"This kind of behavior doesn't put you and the Western Shu family in your eyes at all! You have clearly imposed a ban to prevent them from seeing each other! Levi Garrison provokes you so much!"

Jenniefei sneered.

"Hey!"

Zoey and Franklin's hearts sank.

Levi Garrison was discovered?

The two then prayed that Levi Garrison would leave. If they stay here, they will definitely die.

"There is still such a thing? Impudent!"

The Western Shu emperor was angry.

The old lady was also angry: "Hurry up and find Levi Garrison for me! If I dare to provoke my eldest brother so, I won't let him go!"

"Understand!"

Everyone set off together.

CHAPTER 1378

"I immediately arranged the guards to block the villa and not let him leave!"

Songkui showed a triumphant smile.

Concubine Jennie's smiles were even brighter.

Levi Garrison will wait to die next!

Zoey and Franklin were panicked.

If Levi Garrison did not leave, the trouble would be great.

Next, the people from the Western Shu family went to Levi Garrison personally.

Dare to provoke the master of the Western Shu family, it is a big crime!

Ten lives are not enough!

Songkui also promptly asked the door guard to stop Levi Garrison.

Only the guard replied, and he didn't even see Levi Garrison at all. ...

There is no him in the villa...

“Ah? How come? How could Levi Garrison leave? Impossible!”

Songkui couldn't figure this out.

How could Levi Garrison leave the villa for no reason?

Others are also very confused.

Franklin and Zoey breathed a sigh of relief when they heard the news.

At least Levi Garrison ran away.

“You continue to find me around, as long as it is within a few kilometers, it proves that he has been here! See it and bring it back to me!”

The old lady continued to order.

All the masters of the Western Shumen Clan were dispatched to search around the Tianhai Villa.

Just searching for a long time is unpopular.

Finally a message came from a team, and everyone rushed up together.

A car was stopped.

“People, come down to me!”

The master of the Western Shu family scolded.

The door opens.

The two walked down.

“Something wrong?”

The Northern Heavenly King said coldly.

"You are....."

When the masters of the Western Shu family saw Levi Garrison's familiar and terrifying face, their words were stuck in their throats and couldn't come out.

Their scalp is numb and they are about to explode.

Several of them had followed the Western Shu Emperor, and they had met Levi Garrison.

He recognized it immediately.

"Yes Yes Yes....."

The leader stammered and couldn't say a word.

"Puff!"

"Puff!"

...

The people who reacted knelt to the ground one by one.

Everyone did not expect to encounter this existence...

Dare to stop him?

Are you looking for death?

Even the people who are so valued by the Western Shu Emperor, they provoked...

Levi Garrison frowned, "Are you doing anything? You want to rob me?"

"puff!"

"No, no no no, we dare not!"

Everyone is vomiting blood.

Where do you dare?

“Get out if you don’t have one!”

Levi Garrison said coldly.

He got into the car with the Northern Heavenly King.

“Sir, wait a minute... Our master wants to see you...”

One of them immediately said.

After finally finding Levi Garrison, how could he miss this opportunity?

“I’m empty, get out!”

“You dare to follow, I will kill it!”

Levi Garrison left a few words coldly.

The Northern Heavenly King drove away immediately.

The people of the Western Shu family were stunned and at a loss.

“What are you doing in a daze? Go back and report this to the master!”

The people who reacted went straight to the villa.

Come to the hall.

“Where is Levi Garrison? Did you find it?”

The old lady asked.

Everyone paid no attention, and everyone came to the Western Shu Emperor and said:
“Master, now Levi Garrison is not important! Because we just saw the little gentleman!”

“Yes, it seems that what the eldest lady saw was wrong. He did come to Tianhai Mountain Villa!”

The words are not surprising, and the audience is shocked as soon as this person says this.

Dead silence!

It took a long time for the Emperor Xi Shu to react.

“What? Did you see him?”

The Western Shu Emperor exclaimed.

Linda was even more excited.

“Yes, that’s true! We saw it!”

CHAPTER 1379

Everyone nodded together.

They couldn’t forget the scene just now.

The Emperor Xi Shu and Linda charged directly: “Where are you? Take us there!”

“He has already left, warn us not to follow, otherwise we will be killed without mercy!”

Several people looked ugly.

“This is...”

The Emperor Xishu instantly resembled a deflated balloon.

“Grandpa, but this is also a good thing! At least it proves that this gentleman is in North Hampton! This way we have a high chance of finding him!”

Linda said.

The Emperor Xi Shu clapped his hands and said, “It’s really like this!”

“Well, you guys have done meritorious service, and all have rewards!” m.bg.

The emperor of Xishu pointed to a few people.

Everyone was ecstatic.

Almost died, but it turned out to be a blessing in disguise.

At this time, no one else went to mention Levi.

No matter how sacred the little gentleman is, Zoey will be relieved as long as there is nothing wrong with Levi.

Songkui and the others were furious.

After finally finding Levi Garrison, something happened.

“Levi Garrison, are you too lucky? Can this make you go?”

Songkui showed incredible expressions.

Next, the Emperor Xishu and others stayed in Lopez’s house.

The Lopez family is in full swing.

Every day, big people from all over Erudia come to visit.

Levi Garrison has been investigating the Avengers.

However, there was a good message from the capital-the magic medicine mentioned before is ready.

Will be distributed to those who have contributed to Erudia.

Such magical medicine is needed even more for the important weapons of the country like Beishan (Benny Quinton).

If they ensure their health and worry-free life, it can benefit too many people.

Erudia is a great wealth!

In addition, Levi was here to kill the enemy on this battlefield, and he absolutely needed this medicine.

This is called the use of steel on the blade!

To play the greatest value of this magic medicine!

So when Erudia announced that he would reward these heroes, everyone had no objections.

Even if you give Levi Garrison a reward, everyone has no objection.

After all, this man once shed blood for Erudia's head...

How do they know that Levi Garrison is now silently making great dedication to Erudia!

Even said that his credit is the first!

He deserves this reward!

Because this time the rewards for the important ministers of the country are all open.

So everyone can see it.

The fact that Levi Garrison got the magic medicine was quickly found out by Lopez and Black's family.

"According to the gossip I received, the effect of this drug is absolutely exaggerated! It can help people live, let alone prolong life!"

"Yes, it is said that during the experiment, this drug directly saved ten dead people. It was sent to these people to save their lives!"

"It's wrong, it's wrong! This medicine is said to be invaluable! Foreign friends exchange for an island!"

...

Songkui and the others became more exaggerated and exaggerated, and they were about to exaggerate the medicine.

The effect of rapid recovery and longevity is wrong.

But coming back to life is absolutely exaggerated!

How can there be that effect?

how can that be.....

However, the outside world has spread the drug to the magic.

There are even rumors that many people are going to grab it...

"Levi Garrison has this medicine?"

Said the old lady.

"Yes, Levi Garrison got it too!"

Everyone said.

“Levi Garrison wasted holding this medicine. I’ll give you a task-get the medicine back and I will dedicate it to Big Brother! Big Brother will definitely be happy. Then the credit will be given to you!”

The old lady said.

When everyone heard it, their eyes lit up.

The Return of the God of War [The Protector]

Chapter 1380

CHAPTER 1380

If they offer this kind of medicine to the Emperor of Western Shu, the future is boundless!

Now it’s just relying on the old lady, by the name of the clan of Xishu.

But in fact it is not very relevant.

But if they offer this medicine, they will have a direct connection with the Western Shu gate clan.

No more borrowing the title!

The Lopez and Black families will become part of the Western Shu family!

Can guarantee two hundred years, even hundreds of years worry-free!

This is the lifelong dream of Harry and Meredith!

This is a substantial change!

“We must seize this opportunity!”

Everyone clenched their fists tightly. m.bg.

Everyone has an idea in their hearts.

“Old lady, I will wait for the guarantee, I will get the medicine!”

“Furthermore, Levi Garrison can’t use this medicine? What qualifications does he have?”

Everyone.

“Okay, then I can rest assured!”

“If you get the medicine, I believe the eldest brother will be very happy!”

The old lady said.

Everyone wanted to get this miraculous medicine.

Especially like the emperor of Xishu.

They are the most needed...

Here, Levi Garrison had just received the reward, and someone over there came to the door.

This time everyone was polite.

Everyone greeted Levi Garrison.

Ask how he is doing.

Even the previous Meredith and Harry had a big change in attitude.

This was impossible before.

“You are here for this?”

Levi Garrison sneered.

“It’s not just this! We mainly congratulate you on your supreme reward!”

Meredith laughed ho ho.

“Thank you!”

Meredith looked at each other, and then Meredith asked: “Levilia? What about medicine? Can we see it?”

Levi Garrison shook his head helplessly.

Sure enough, the fox’s tail appeared.

This group of people won’t come to him kindly.

“The medicine is sealed in a vacuum, you can’t see it!”

Levi Garrison refused directly.

Meredith’s face changed, and she continued to ask with a smile: “Levilia, how do you plan to use this medicine?”

“Or maybe you still don’t use this medicine?”

Levi Garrison gave her a glance and said: “I just got the reward, you are here, and I don’t have a chance to use it!”

“Levilia, that’s great! Give me this medicine! I’ll buy it with money! No matter how much it is!”

Meredith and a few people were free.

Get the medicine even if your family is bankrupt!

Becoming a member of the clan of Xishu, money can’t buy it.

“Yes, you can make a price! We are sincerely asking for it!”

Harry and Robert urged.

They are bound to get this medicine.

Everyone's eyes fell on Levi Garrison's body one after another.

"Not for sale!"

Levi Garrison refused.

I won't sell it for much money!

Everyone was taken aback.

Reacted quickly.

They are wrong.

Levi Garrison is not short of money!

Even if the body is like this, the lack of money will not be possible.

There was a goddess of war guarding him.

Life is absolutely worry-free!

Everyone looked at each other.

Meredith thought of something and said with a smile: "Then you can make a condition! Any condition will do!"

"Yes, as long as you can give us the medicine, we will agree to any conditions!"

Harry was already rubbing his hands with excitement.

Others are even more short of breath.

Especially the younger generation.

They are even more eager to have the identity tag of the Western Shu gate clan...

But Levi Garrison ignored it and didn't have a reply.

At this time, Robert said: "Let's do it, King's Landing. As long as you give us medicine, we will let your family meet."
