

Nothing to Give but My Heart Chapter 181-186

Chapter 181

Walter stared at her dangerously, his eyes fierce like a beast.

Ana shrank her neck, biting her lip and said, "I won't change it!"

"Do you want to dress like this tonight?"

Ana straightened her waist, raised her chin slightly, revealing a long and white neck, "Everyone wears this way, why do you say that I have been swaggering? Just because in your eyes I am the kind of watery woman, so what do I wear? I am not pleasing to your eyes. In that case, why should I take your thoughts into consideration?"

Walter frowned.

After saying these words, Ana deliberately lowered the shawl in front of him for a while, exposing the white and tender shoulders, then turned around and left.

Phillip: "... The young lady is going to play with fire and set herself on fire!

The aura on Walter's body suddenly became cold, and his hands on both sides clenched into fists.

Looking at the slender figure, Walter's eyes were sharp, and he heard Phillip stammering behind him asking: "Ye, Mr. Walter...Should you chase the second grandma back?"

“Who allowed you to call her that?”

Phillip swallowed nervously, “Am I wrong?”

Obviously once before, he had called second grandma in front of Walter. He was not angry at that time, why now...

“She’s not the second grandmother, she’s just a flamboyant, shameless woman.” At this point, Walter’s thin lips raised evilly: “Since she wants to show, let her show enough!”

Phillip: “...”

I’m afraid that everyone will take care of the second grandmother later, she is going to gouge their eyes!

But he only dared to say this sentence in his heart, and he didn’t say it so that Walter could hear it.

Ana Shen returned to her seat and sat down, Jessica approached.

“Why have you been there for so long? And you won’t listen to me calling you on your cell phone.”

Cell phone? Ana hurriedly took out the mobile phone from her bag and pressed it to find that the mobile phone had turned off.

bad!

She seems to have forgotten a very important thing!

Victor Han asked Su Jiu to send her a dress today, but if her mobile phone keeps not working, isn’t Su Jiu...

Thinking of this, Ana quickly asked. “Anyone here has brought the power bank and data cable, my mobile phone is powered off and turned off.”

Jessica blinked her eyes: “Today is a banquet, who would bring this kind of thing with him...”

“I brought it.” Karla Han put her bag on the table, took out the data cable and power bank inside, “Here you are.”

“Karla, thank you.” Ana hurriedly plugged in the cable and charged it for a while before she turned it on.

Fortunately, her mobile phone has a flash charging function. After turning on the phone, Ana Shen discovered that there were many missed calls and unread text messages.

Except for the one from Jessica, all the other calls were from Su Jiu.

Karla Han sat next to her, glanced casually, saw a familiar name, froze for a moment, and then asked: “Su Jiu? Isn’t that my elder brother’s secretary?”

Hearing, Ana was taken aback and nodded: “Yes.”

Karla Han’s heart sighed: “What did Secretary Su do with you? Ana made so many calls.”

Ana remembered that Victor Han asked her to give herself a dress. After thinking about it, she decided not to tell Karla Han about this, so she explained: “Maybe it’s the last time you want to tell me about the work.”

“Oh.” When Karla Han heard that it was about work, Karla Han also remembered their previous cooperation, and then heaved a sigh of relief: “It turned out to be like this.”

“Well, I’ll go call her back.”

Ana Shen got up and took the power bank and walked out together, and then called Su Jiu back.

“Miss Shen.”

“Secretary Su, I’m sorry... my cell phone was dead and turned off.”

Secretary Su’s laughter came from the phone: “It’s okay, I wanted to send you to the company, but then I saw that you seemed to be wearing a dress, so I didn’t contact you again.”

“Thank you for your kindness, Mr. Victor.”

“You’re welcome.”

“If it’s okay, I’ll hang up.”

After Ana hung up the phone, Karla Han came over: “Thank you for my brother’s kindness, what kind of intention?”

She suddenly appeared behind, and Ana was taken aback by her, covering her chest.

“Karla, you are going to scare me to death.”

Although Karla Han is smiling on her face, her smile is not pretty, “I’m asking you, why did you thank Secretary Su for my brother’s kindness? Ana, are you...talking to my brother without telling me? what?”

Hearing, Ana frowned slightly.

What to discuss? In fact, she didn't want to tell Karla Han about this because she didn't think it was appropriate.

Because she did not receive the dress, since this incident did not happen, there is no need to say it again, but Karla Han is her good friend, and Victor Han is her brother. If Ana doesn't tell the other party now, is it right? Kindness?

While thinking about it, Jessica came to find her.

“What are you two doing here? Tonight is the anniversary banquet. Stop whispering here. Let's go. I'll take you to the swimming pool.”

After speaking, regardless of whether the two agreed or not, they pulled up and left.

Being dragged by her, the conversation between Ana Shen and Karla Han stopped. Karla Han felt a little unhappy, probably because of a guilty conscience, so she always had a very bad feeling that Ana Shen was doing bad things behind her back!

The huge swimming pool was sparkling under the light, the water was clean and bright, and there was a piano not far away. A girl in a white fairy dress was sitting there playing, and men and women in dresses were talking and laughing.

The atmosphere is very good.

Jessica said when she reached the swimming pool, “Let's stay here and don't go anywhere, there will be good shows in the future.”

Nice show? Ana Shen and Karla Han both showed incomprehensibility.

“One of you is not from our company, and the other is a newcomer. It’s normal if you don’t know. The company has a banquet every year, and the night vice president and other lads will have a swimming competition.”

Ana listened a little dumbly, “Is this a good show?”

“Of course!” Jessica grabbed her hand excitedly: “The night vice-master is in great shape! And not only he, but also many wealthy children of group companies, who are beautiful and good-looking. Is it a visual feast for you?”

Ana: “...”

Karla Han: “...”

After a while, Karla Han raised her chin and asked, “Will Walter also come?”

“What?” Jessica couldn’t help widening her eyes, and rolled her eyes towards Karla Han: “Your question was on purpose, right?”

“what?”

“Everyone knows that we don’t sit in wheelchairs at night here, how does he come?”

Karla Han reacted abruptly, and that was right, Walter was disabled.

Probably the breath he usually gave her was too much, so Karla Han would often forget the fact that he was disabled.

Speaking of Walter, Ana remembered the previous quarrel in the bathroom corridor.

Originally the relationship between the two was poor, after tonight... he should hate himself even more, right?

Chapter 182

Thinking of this, Ana lowered her eyes and looked at the sparkling water without saying a word.

“I’m sorry, I didn’t think so much...” Karla Han smiled awkwardly, but Jessica made a cut and muttered that she was not at ease, then turned to look at Ana, and began to start all kinds of idiots again.

“Hurry up and fully charge your phone. We can take pictures when everyone is playing late.”

Karla Han suddenly thought of something, and then asked: “Will everyone be there during the game?”

Jessica nodded: “That’s natural, everyone will come by then, and a referee will be needed.”

“Can only men participate in the competition?”

Jessica glanced at Karla Han: “What do you mean?”

“I mean, their boys can compete, and so can our girls.”

Jessica’s eyes lit up: “It seems that it’s okay to say that, but... the organizer didn’t make such arrangements, and we couldn’t participate.”

“Isn’t it easy?” Karla Han smiled, walked to Ana Shen’s side, took her arm, and waved to Curtis Ye not far away: “Big Brother Ye!”

Karla Han's cry immediately attracted other eyes, but Curtis's eyes actually kept falling here.

Since Ana appeared, her eyes were attracted by the bright red, and then she couldn't move away.

I originally thought that the elegant temperament of her body should complement the blue and green clothes, but I didn't expect to wear red to be so stunning, like the cinnabar between the foreheads.

When Karla Han waved at him, Curtis saw it all at once, and then also saw Ana's face that changed suddenly.

Ana pulled down her hand and asked in a low voice, "Why did you ask him to come over?"

Karla Han smiled and said, "What are you doing? He is not one of the people in charge here. I want to hold a women's swimming competition and ask him to help you add it."

Ana : "...then you don't need to find him, what do you want to do?" Ana said to her in a low voice, "Don't mess around."

"Don't worry, I won't tell him at this time, I must ask for your consent."

"The night vice president is here!"

Curtis walked up to a few people, his handsome face with a faint smile. "what happened?"

"Big Brother Ye!" Karla Han said excitedly: "I heard that you will have a men's swimming competition later, right?"

“Yeah.” Curtis nodded gently.

“In previous years, it was your men’s competition. Can you add a woman this year?”

Hearing, Curtis Ye was taken aback for a moment, but he didn’t expect Karla Han to make this request to him. Seeing a look of sorrow appeared on his face, Karla Han hurriedly took Ana’s hand and pushed her out: “This is what Ana hopes. Brother Ye shouldn’t refuse Ana’s small request, right?”

“I...” Ana just wanted to defend herself, but Karla Han hugged her tightly and whispered in her ear: “If you don’t want me to tell him, you can help me with this small favor.”

If Walter will come by then, then she...must find a chance to show her figure in front of Walter.

Although Jessica was a little unhappy that Karla Han launched Ana like this, she was still looking forward to adding this project in her heart, but...in the end she still said: “Night Vice President, if it’s too difficult, don’t add it, like in previous years. The same is also good.”

However, at this time, Curtis smiled slightly, “I think your proposal is also good.”

There seemed to be light blooming in the gentle eyes, but the light was soft, without any offensiveness, and everyone was taken aback.

“In previous years, it was our boys’ competition. This year you mentioned that I only thought of adding girls. It should add fun to this banquet.”

Ana: “...”

Add the fun of ghosts.

This is an anniversary party, not a swimming competition...

But Karla Han and Jessica were both eager to try, and she couldn't say anything.

"Big Brother Ye agreed? Then can we sign up later?"

"Of course, I will go to the person in charge to talk about this. I will let him call for registration later. All three of you will participate? The quota is limited. If all three of you will participate, I will ask the person in charge to reserve a place for you. "

"You want it!" Jessica and Karla Han nodded involuntarily.

Only Ana didn't, so the two looked at her.

"Ana, won't you participate?"

"Uh..." Ana paused and pulled her lips awkwardly: "I can't swim."

Of course she can't participate.

Jessica was a little surprised: "You don't know how to swim? My God, in this society, even if you don't know how to swim, you have to learn, okay? Otherwise, how boring."

"It's okay, Na Ana, cheer for us on the shore. Brother Ye, can you please reserve two places for us."

"Okay." Curtis Ye smiled slightly and nodded in response.

Not long after he left, the person in charge notified the matter, and then Karla Han ran to sign up with excitement, but Jessica asked her to go first and stayed.

“The night vice president looks at your eyes, have you noticed it?”

Ana Shen froze for a moment: “What?”

“That’s obviously full of love. Ye Mate is not always chasing you, but you don’t agree?”

Ana: “...You read it wrong, right? I don’t have that kind of relationship with the vice president.”

Curtis Ye chasing her? This is totally impossible!

She is Walter’s wife. Although it is not true, Curtis Ye knows that it is impossible for him to do such a thing.

“I know you are not in that kind of relationship, but it doesn’t prevent people from liking you. That kind of look... makes people feel possessive, and you know? Last time...”

Jessica told Ana what happened last time at the mall.

“So I think the vice president must be chasing you. Although you had an affair with him before, but if the vice president does not mind, I think you can...”

“Jessica!” Ana suddenly interrupted her forcefully: “You are not allowed to talk about this in the future!”

Even if she was not with Walter, she would not be with Curtis Ye!

Otherwise... Isn't that incest? His younger siblings and elder brother mingled together, what would others think of the Shen family and her?

Jessica was frightened by her stern expression, and after staying for a long time, she nodded, "I see."

Ana fell into her thoughts.

Originally, her heart was upset, but after being said by Jessica, she couldn't calm down even more.

Curtis can't really like her, right?

But why did he treat her so well? He didn't hesitate to give out 300,000 yuan to help her mother, and later... also gave away a dress that was auctioned for more than one million yuan.

Coupled with the expression in his eyes and smile just now, Ana suddenly felt... an unknown premonition was circulating.

Chapter 183

Time passed by minute by minute, and the game soon kicked off.

The girls at the scene heard that there are girls who can also sign up for the competition, and there are unexpected awards for winning the first place, so many girls enthusiastically signed up.

Gao Yun and Cui Minli are also included.

After the two of them signed up, they came back and saw Ana sitting there, so they couldn't help but sneer.

“Isn’t this new to our department? Why are you sitting here in a daze?”

“That’s right, why don’t you go to participate in competitions? Shouldn’t people like you be the most popular?”

Jessica glared at them: “What do you want to do?”

“Don’t do anything, just come and see her.”

“Newcomer, are you really not attending?” Gao Yun asked Ana, staring at him.

Ana glanced at him lightly, “Is there a rule that I must participate?”

“You!” Gao Yun was so angry that he thought that finding an opportunity could harm her, who knows...she didn’t want to participate.

“What does it matter whether Ana participate or not? If you want to participate, please participate by yourself. Why do you care about others?” Jessica guarded Ana behind her like a hen and her cub, staring fiercely. Gao Yun two people.

“Gao Yun, I don’t think she dared to participate at all, for fear of losing to us. Since she is so incompetent, we will ignore her.”

“go!”

After the two left, Jessica said angrily: “Did these two people bully you like this?”

“Nothing, it’s just verbal, don’t bother.” Ana shook her head and motioned her not to get angry.

At the beginning of the game, Walter appeared. Although he was in a wheelchair, when Phillip pushed him to appear, the cold and powerful aura on his body and the handsome face still caused a great moment. sensation.

Many girls talk in private.

“Mr. Walter is so handsome, if he is not in a wheelchair, he is definitely the perfect lover.”

“Yeah, those eyes are so deep, if you want to look at me... I guess I’ll be drunk.”

“Do you think you are drinking? You are still drunk, don’t think about it... Although this man is sitting in a wheelchair, his aura has overwhelmed all the men present. It can be seen that he is not an ordinary person, and it is not something we can think of.”

“Sister, you’re right. Mr. Walter was overwhelmed in a wheelchair. If he stands up...”

Everyone sighed and didn’t say anything further.

Walter was the master and was naturally pushed to the most important position. With the black crowd, Curtis saw the red and charming figure at a glance, and he stood out in the crowd.

Humph, this damn woman.

Asked her to change her skirt, but she didn’t change it, and she wore it next to the swimming pool.

How many eyes of those damn men were glued to her, did she know it or did she know it and showed it to others?

When Ana came out of Walter, her gaze subconsciously looked at him.

When the two eyes met, Ana was stunned for a moment. Before she could react, Walter's gaze passed lightly, and then settled on Karla Han beside her.

Karla Han met Walter's gaze and couldn't help blinking at him, revealing a smile like a flower.

Standing behind Walter, Phillip couldn't help rolling his eyes in the air.

"Where did Mr. Walter look just now? It seems to be that direction, right?"

"Isn't that Assistant Shen who was demoted before? Is it possible that Ye Shaocheng is still watching her?"

"Think about it too much, right? She has been demoted, and what will she do?"

"Don't you see who is standing next to them? The eldest lady of the Han family, Han Wenqing's younger sister! That's an incomparably noble status. If our Mr. Walter's legs are not crippled, we'll really be the same. It's a pair of wall men."

"What you said doesn't sound very good, although our Young Master Ye is disabled, he is still excellent. Miss Stella's family is also quite right with him, and his family looks match each other."

These words fell into the ears of the three without a word.

Karla Han felt that the headset was a little hot, and her heart was sweet.

Jessica snorted, as if disdain.

Ana also felt a little uncomfortable, she sneaked a glance at Karla Han from the corner of her eye.

She stood there wearing a white dress, like a white angel in the light of the light, and she was as white as snow, and she had the title of Miss Stella, a halo that no one could ask for.

In Beich, the Han family is indeed worthy of the Ye family.

Miss Stella, Young Master Ye Er, really matched.

Ana Shen lowered her eyes, looking straight at her toes.

She is like her... No. She is the daughter of the Shen family, but she is the unloved daughter of the Shen family. Not only is she divorced, she is also pregnant with other man's children, women like her...

Whoever gets married will feel unlucky and disgusted.

"Don't think too much." Jessica's voice suddenly came from the side of her ears. Ana raised her head in astonishment and saw the smile on Jessica's lips: "You are better than many people present, and I just noticed. Young Master Ye is watching you."

Ana: "..."

She was right, Walter did look at her, but... later his eyes fell on Karla Han.

She is now worried that Walter will deliberately have something with Karla Han because he wants to irritate her.

Thinking of this, Ana pursed her lips: "I was just thinking about who will win the game."

Jessica was taken aback, and after a moment, her lips curled up: "Of course it's me. I used to be a swimmer."

When Karla Han on the side heard her words, she said: "Then you have to be careful, I am also very good at swimming, and I am the champion of this evening."

Hearing, Jessica sneered and met her eyes: "You are not an employee of our company, what are you winning?"

"If you can participate, you can win. You don't think I'm not an employee of your company, so I'm going to let you?" Karla Han deliberately agitated her.

Jessica's expression changed all of a sudden: "Who wants you to let it go? Will I lose to this white lotus like you?"

"Whom are you calling White Lotus?"

"You chant."

Ana hurriedly stopped the two of them: "It's just one game, stop arguing, their boys are about to start."

There were many people in the boys competition. A group of noble children put on swimming trunks and stood by the swimming pool. As soon as they appeared, the girls shouted frantically, and many directly took out their mobile phones to shoot at them.

The place where Zhao Yu stood was just closer to Ana's place. He turned his head and saw Ana, and suddenly approached with a smile.

"Um... If I win the game, can you give me your phone number?"

Ana was stunned for a while, looking at the boy with a dreadful smile in front of her, who looked very young.

Jessica blinked, thinking of something, and said to her: “Who are you? What’s the matter about our family Ana when you won?”

Chapter 184

Zhao Yu touched his head embarrassedly and sincerely explained to Ana.

“My name is Zhao Yu. I am the only child of the Zhao Group. My hobby is playing basketball and racing. I want to make friends with you.”

Ana: “...”

Jessica: “...”

Karla Han curled her lips and spoke mockingly: “Zhao Group? What are you saying? You still want to make friendship with us? Don’t see if we are worthy?”

Everyone changed their expressions, Zhao Yu’s face was blue and white, looking at Karla Han speechless.

Although Ana didn’t want to pay attention to the person in front of her, Karla Han’s remarks just now were a bit too heavy, and she couldn’t believe that those words actually came out of Karla Han’s mouth, so she gave her a surprised look.

Since Karla Han became the eldest of the Han family, there have been many people holding her. She is usually arrogant and domineering. Everyone dares not to do anything about her because of her identity. It’s just that she usually pretends to look like before in front of Ana. When she arrived at Zhao Yu, she suddenly forgot.

Thinking of this, Karla Han quickly showed kindness.

“Ana, I didn’t mean that... I just think...” She whispered in Ana’s ear, and then successfully changed Ana’s expression a bit.

“You go quickly.” Jessica urged that Zhao Yu: “It doesn’t matter to Ana whether we win the game or not. Don’t let us fall on our heads if you lose, we don’t bear this kind of pot.”

Zhao Yu knew that he had said the wrong thing and looked embarrassed: “Sorry, I didn’t mean that.”

He left after speaking.

Afterwards, the boys’ swimming competition kicked off with a whistle. Because they were standing before the game, Jessica was very excited and took a mobile phone to shoot them wildly. Later, she shouted: “Come on, night veteran! Night! Come on, Vice President!”

Curtis’s body is very good, Jessica even screamed and chased him with a mobile phone in the end, stepping on a long skirt with high heels, Ana squeezed cold sweat for her.

There is no doubt that the champion is Curtis.

Amid the screams of female voices, almost everyone saw Curtis Ye’s good figure emerging from the water, only...Ana noticed Walter not far behind her.

He was sitting in a wheelchair, although his face was expressionless and his eyes were cold, as if he didn’t care about it.

But Ana felt sorry for him.

If... if he is not disabled, then tonight... he can swim in the water like everyone else, but because his legs are not good, he can only sit in a wheelchair for the rest of his life. He can't do anything other people can do. .

Her gaze kept falling on Walter's body, Walter noticed it all at once, and his sharp eyes shot straight at her. Ana was startled and quickly moved her gaze away.

Walter's eyes became mocking.

The look in her eyes just now...is it pity?

Pity him?

Not long after Ana lowered her eyes, Jessica came back and asked her, "What are you thinking about? You don't even watch the exciting game just now. I took a lot of photos, all of them are from the night veteran. Pass it to you."

"Sent it to me?"

"Yeah, isn't the vice president chasing you? Let me show you his body first, I'm familiar with it."

Speaking of the word flesh, Ana remembered the rainy night before, when the man suppressed her on the leather seat, and the low breathing and the hot palm made people tremble.

She turned pale: "Don't talk nonsense!"

Then she turned around and returned to her seat and sat down, took a sip from the cup in her hand, completely unaware that the cup in her hand had been quietly replaced.

Not far away, Gao Yun and Cui Minli watched this scene, their lips curled up triumphantly.

“Gao Yun, let me just say, we will always have a chance to break her down.”

Gao Yun smiled triumphantly: “As long as she drinks that cup, she will be hot for a while... She will feel feverish and dizzy. Go and notify Director Xu and let him wait for someone from behind.”

“Good~”

Cui Minli hurriedly sent a text message to Xu Liao.

The girl's competition also started. Jessica and Karla Han both changed into swimsuits. When all the girls appeared on the stage, Ana was almost stunned, because almost all of them wore bikinis, none of them wore conjoined or conservative ones. Today is a gathering place for outstanding men in Jeonbuk City, many want to win a chance.

Because Karla and Jessica both went to participate, Jessica asked Ana to cheer for her before leaving. Ana agreed and promised to take many s**y and beautiful photos for her.

Jessica left happily.

Ana ate two bites of fruit, then took out the mobile phone Jessica gave to her, ready to take pictures of her.

She just didn't expect her head to be faint as soon as she stood up.

So she sat back, stretched out her hand and twisted her eyebrows, wondering why she suddenly felt weak? Could it be that she didn't sleep well last night? Thinking of this, Ana shook her head, but found that the dim sum wine on the table in front of her had become a ghost.

She is still taking photos of Jessica Karla Han.

Thinking of this, Ana stretched out her hand and pinched her thigh. The pain made her awake a lot in an instant, so Ana Shen stood up and walked towards the pool.

After walking a few steps, Ana found that her body was too soft and fell to the side.

Someone helped her: “Hey, are you okay?”

It was a woman’s voice, Ana shook her head, and thanked the person.

Even if she didn’t have the strength to shoot, she had to tell Jessica and Karla, otherwise...they were still waiting for her.

“Hey, are you uncomfortable? I will help you to rest for a while.” A familiar voice rang. Ana was very familiar, but she couldn’t remember who it was. She tried to see who the other party was. , But the front is too blurred.

Under the chaos of her mind, Ana nodded.

So she came to the back with the help of others, and Ana remembered something, and whispered: “Tell Jessica to help me...”

“what!”

Before she finished speaking, Ana was pushed hard, and then she rushed forward.

boom!

The door behind her was shut with a bang, and Ana thought she was about to fall, but was hugged by an arm.

“Enjoy it~”

“Finally here, I have been waiting for you for a long time.”

A familiar male voice sounded, Ana was confused, but subconsciously wanted to break away from that person’s arms. Perhaps that person felt that the door had been closed, and simply let her back.

Ana stared desperately to see the person in front of him.

The figure of the man was blurred and slowly became clear before her eyes.

“Supervisor?”

The person standing in front of her was Xu Liao!

Hearing her calling him, Xu Liao showed a wretched smile.

“Little Beauty~”

“Just... the one who helped me in was...”

“Gao Yun, she is a matchmaker between you and me. When things are done, we should thank her well.”

Ana’s expression changed, and the confusion just now was awakened a bit, she ran to the door and directly stretched out her hand.

Chapter 185

“You can’t run away.” Xu Liao came over and held her hand directly, and then held her slender wrist. The deliberately lowered voice seemed particularly wretched: “Everyone is participating in the banquet tonight, and the swimming competition is over. In the future, there will be more popular activities. Even if you escape, no one will come to rescue you. It’s better to rely on me, I can still be gentle with you.”

“Let go of me!” Ana shook her hand vigorously, and took a few steps back.

What’s the matter with her, why can’t she use her hands and feet at all?

Ana looked at his trembling fingers, and his white cheeks became more and more red.

A steady stream of heat rushed from the lower abdomen, this feeling...very familiar.

It was exactly the same as when she was taken away by Lu Zongchang and locked in the room last time!

Could it be... she was drugged again?

As soon as this thought came up, Ana felt extremely desperate.

“Little Shen, I persuaded you before and asked you to follow me, but if you disagree, then I have to use this trick. You know...Be in charge of me, I still like you very much, as long as you are obedient today, in the future I promise no one in the department dares to bully you, how about it?”

Ana leaned back against the cold wall, she pinched her thigh fiercely to make herself awake.

As a result, she saw Xu Liao actually walking towards her, unbuttoning his shirt while stretching out his hands. Those eyes were obscenely glowing, and they seemed to glow like wild beasts in the dim room.

No...

She can't lose herself here.

If she was really defiled by Xu Liao, then Walter would look at her even more disgusting, and he would think she was even dirtier!

No way!

Absolutely not!

Before Xu Liao approached, Ana used the force of her whole blood to push Xu Liao away.

"If you dare to touch one of my hair, I will not let you go as a ghost."

Xu Liao originally thought she had no strength. Who knew she fell to the floor when he pushed so hard.

"Huh? Isn't the effect of the drug effective yet? You still have such great energy?"

Ana: "...is that the medicine you gave me?"

"Little Shen, don't blame Brother Liao~ The main reason is that you are too stubborn, so I have to use some extraordinary methods."

"Despicable!" Ana bit her lower lip and said to Xu Liao with the only remaining consciousness: "Don't you know that I am a couple with Walter?"

“What are you talking about? Mr. Walter?”

“Do you really think I was demoted, but he didn’t want me?” Ana leaned against the wall, panting hard and staring at the other party: “If he really doesn’t want me anymore, how can she just be demoted? Instead of expelling me directly?”

Xu Liao was stunned by what she said, and did not respond for a long time.

“What do you mean, do you mean...you and Mr. Walter are really together?”

“Yes!”

In order to save herself, Ana also gave up. She bit her lower lip: “He is just mad at me. He is just using the demotion to block me. If he really doesn’t want to see me, then will not keep me. He demoted me so that one day I can be transferred back to him!”

Although Ana didn’t believe these words, what could she do now? In this kind of chaotic place, everyone was in front of the banquet, and she said that no one would come to rescue her.

“What you said is true?” Xu Liao was dumbfounded. If it was really what Ana Shen said, then he couldn’t touch her.

If he does, can he continue to work at Ye’s in the future?

“You sent me out from here today, I can assume that nothing happened, and I will not expose you. We will be pure subordinates in the future, but if you touch me... I swear, even me I’m dead, I also want to pull you from that position. Director Xu, you won’t do this kind of thing that doesn’t pay off, right?”

Xu Liao suddenly became silent, his eyes lowered as if thinking.

“Xu Liao, don’t be fooled by her. How long has she been transferred to our department? If someone really reads her, will she be sent to you?” A voice rang from outside, yes Cui Minli’s, she was sent to stare here.

She heard everything inside.

For fear that Xu Liao would be fooled by Ana, hurry up to speak out.

Xu Liao was taken aback for a moment, “Yeah, if Mr. Walter really missed you, how could he not even look at you? You actually want to lie to me!”

“I didn’t lie to you!” Ana exclaimed: “Anyway, I’ll leave it here. Think about it yourself! Do you want your future or me?”

“Xu Liao, you don’t have to choose at all, you can get both. Don’t forget our sister Qiangwei, we will help you, the position will not be lost.”

“Who is Qiangwei?” Ana sneered: “Could it be that her power stays in Walter?”

Xu Liao struggled.

Ana couldn’t wait, because she felt that the heat coming up from her lower abdomen was continuously conquering her. If she dragged it down, she might not be able to control her consciousness.

Damn it!

Ana stretched out her hand and bit through two fingertips to keep herself awake.

She walked slowly towards the door, and said as she walked: "Depending on the position of Director Xu, what kind of woman do you want... Don't come over and open the door because of me."

"Xu Liao, don't listen to her! This is the only chance you have in your heart. If you miss this one, you won't have any chance next time you want to find it! Xu Liao!"

Xu Liao also reacted to what she said.

Yes, he thought about the woman in front of him for so long, and finally waited until this anniversary party had a chance to start, if he let her run away like this...

"Besides, if you put her to bed tonight, she would have broken shoes. Even if she had something to do with Mr. Walter before, Mr. Walter would never ask for a broken shoe, so you don't have to be afraid of her."

Ana's expression changed, and she walked quickly to the door to open the door, Xu Liao also reacted, rushed to hug her, and laughed lasciviously.

"That's right. If you dare to talk nonsense, I will say that you seduce me, and Mr. Walter won't do anything to me."

"Ah, let me go!" Ana raised her hand and pushed it back hard, Xu Liao snorted, directly buckled her shoulders, and tore off the gauze shawl from her, revealing her chest. Large tracts of snow white.

Suddenly, Xu Liao couldn't open his eyes because of this scene.

"Little Shen..." Xu Liao swallowed unconsciously, as if devilishly: "As long as you listen to me! I promise, I will give you what you want!"

The door couldn't be opened, and Ana could only run inside and walk around to the other side of the table: "Don't come here."

Cui Minli outside the door curled her lips triumphantly when she heard the noise in the room.

The outside activities are in full swing.

Jessica swam for a long time but found that she hadn't seen Ana's figure on the shore, so she was absent-minded, and the champion was taken away by Karla Han in a daze.

"Didn't you say that you will beat me? Why are you so slow all of a sudden? Is there not enough physical strength?"

Hearing, Jessica glanced at her and said coldly: "You don't have to be proud of it anymore, haven't you noticed that your good friend has disappeared?"

Karla stayed quietly and swept around, but she did not see Ana.

Chapter 186

"Strange, where did Ana go?" Karla Han wiped the drops of water on her face, and then asked.

The staff just came up to help her: "Congratulations to this lady for winning our women's swimming competition."

The light shone at her, shining the water drops on her body more dazzlingly, and almost everyone's eyes were on Karla Han.

Karla Han was excited for a while, forgetting everything about Ana, and facing the camera triumphantly.

Jessica got up from the water, took a towel while wiping her body, and then walked towards the place where Ana was just now, but she did not see Ana's figure in a circle, nor did she see the mobile phone she gave her.

Jessica was anxious, so where did she go?

She looked around, and suddenly saw Gao Yun who was smiling proudly beside her. Before these two people...

Jessica suddenly thought of something, so she searched for the figure of Vice President Ye, wanting to tell Curtis Ye about this.

Curtis was interested in Ana, and if she told him about this, she would definitely not sit idly by.

But after looking around, she didn't see Curtis Ye's figure at all, Jessica was as anxious as an ant on a hot pot.

She was worried and frightened, and the corner of her eye suddenly caught a glimpse of a person not far behind.

Walter in a wheelchair!

he!

Didn't Ana get out of his car before? There should be something about the past between the two of them. She went to ask Walter for help, he wouldn't care, right?

do not care! Now Curtis Ye can't find it, she can only go to Walter!

Jessica walked quickly towards Walter.

From a distance, Phillip saw Jessica walking towards them in a bikini with water drops all over her body, looking hurriedly, and then she took a look, isn't this the girl who often stays with Assistant Shen?

So he bowed his head and reminded him: "Young Master Ye, someone is here."

Walter sneered, "Let her go."

Tonight, many girls have come over to try to strike up a conversation with him, but Walter is too cold, and often a glance scares people so that they dare not step forward. Su Gedi left.

"Young Master Ye, she shouldn't be here for you."

Phillip's words made Walter frowned and glanced at the woman.

With just a glance, he withdrew his gaze, and did not take another look at the woman's body.

Instead, he thought of Ana wearing a sexy red dress.

Damn it!

That woman is really lingering.

Speaking of it-Walter suddenly noticed that the woman had left her sight, and she didn't know where to go.

"Mr. Walter, please save Ana!"

Walter frowned, his sharp gaze swept towards her face, his black eyes clenched her: "What did you say?"

Jessica walked over in a hurry, panting now: "Ana is missing."

"Missing?" Phillip narrowed his eyes: "What's the matter? How would you know that she is missing?"

Jessica organized the language and said clearly and simply: "She promised to take pictures of us before entering the water, but she did not show up after the game was over. I just went around the stadium and did not see her figure. Ana is not here. Such a person who left without saying goodbye, I suspect she must be facing something wrong."

Her words hit Walter's heart hard, and the hand lying flat on her leg tightened somehow, "Where was last time you saw her?"

Jessica thought for a moment, and said, "She hasn't run around because of wearing a skirt. She has been sitting there and drinking."

Walter raised his chin slightly, Phillip immediately reacted, and then asked a few people to ask.

In less than two minutes, Gao Yun was taken over by a group of people.

Because of struggling, she looked a little embarrassed.

"You, what are you doing? Let me go?" Gao Yun was originally high-spirited. After seeing Walter, he felt that his back was chilly, and he didn't dare to speak, even to meet Walter's eyes.

Jessica stood on one side, "Before the game started, she and her friend came over to provoke. They were two at the time. Why are you the only one now?"

Like a flash of inspiration and thinking of something, Jessica asked loudly, "Where is your friend? Did you guys do something bad together?"

Gao Yun didn't want to be identified, so he could only bite the bullet and defend himself.

"What nonsense are you talking about? What bad things can we do? Don't spit people!"

"I'm bloody, what about your friend? Can you tell me where she went?"

"She just went to the bathroom!"

Phillip interrupted the two impatiently: "Stop arguing, Gao Yun, someone has accused you of taking Ana away just now, and you are taking us to find her now."

Hearing, Gao Yun's face suddenly paled.

Jessica also reacted: "It turns out that you are harming her. When you were in the department, you bullied her and framed her in various ways. Now it's coming again! Where did you take her?"

Gao Yun bit his lower lip and denied it.

"I didn't harm her, she said she was uncomfortable, so I just helped her to rest behind!"

Walter's eyes were sharp like a knife, and it fell on Gao Yun's face. Gao Yun suddenly felt that his shoulders seemed to be pressing on two mountains, and he had to bend down.

"In a minute, I want to see her."

"If something happens to her, I will bury you."

A cold voice came from hell, Gao Yun's face turned pale in shock, and his whole body was trembling.

Phillip immediately shouted: "Hurry up and take us to find her!"

"Yes..." Gao Yun couldn't care about anything else anymore. Only Walter's words were in his mind. If something happens to Ana, then he will follow... he doesn't want to die!

"I'll take you there, hurry up!" Gao Yun remembered what happened later, and quickly got up and walked back.

"Keep up."

Phillip pushed Walter to follow quickly, Jessica was stunned for a while and quickly followed.

Others were enthusiastic, and very few people knew the situation here. After all, there were really many people at the scene. While Karla Han was surrounded by the halo, she looked excitedly towards Walter, but unexpectedly found Walter's face. He left gloomily, not looking at her at all.

The smile on Karla Han's face disappeared suddenly.

In order to win the championship, in order to win such an honor, in order to be the best and most dazzling woman tonight, she has been gritting her teeth from the beginning to the end.

But she didn't expect Walter didn't even look at her. Why?

"Go faster!" Jessica followed Walter behind, and when she saw Gao Yun's legs trembling, she scolded him.

Gao Yun had no choice but to speed up her pace, Jessica became nervous, and muttered, “Where did you take her? What do you want to do to her?”

Gao Yun almost cried out: “It’s not what I wanted to do, it was... Director Xu ordered... let me add medicine to her cup, and then put her...”
