

# A Life Upside Down Chapter 541 – 550

## Chapter 541

Man Lisa was pushed away by him, especially Wayne Lin's indifference that refused to take her at all, which made her very angry. At any rate, she is a daughter of a large European consortium. She is wealthy and wealthy. , Besides, she is still beautiful, even the female model of Victoria's Secret is far inferior to her. I don't know how many men are obsessed with her and bow down under her pomegranate skirt.

And the Chinese in front of her was actually indifferent to her, and her attitude was so bad that it stimulated the arrogance deep in her heart. She suddenly became unhappy and said angrily: "Hey, Chinese, are you a man? I apologized to you, and you still refuse to forgive me!"

Wayne Lin smiled when she saw her savage appearance, and said, "I forgive you, can you pay for the lives of my two comrades in arms?"

Man Lisa said loudly: "I have explained to you, I did not mean it, and I have already apologized, what do you want me! I did not ask them to protect me, they can leave just now what."

What this said, Wayne Lin was really angry, and at the same time he regretted a little bit, why would he quarrel with such a stubborn and unreasonable foreigner.

Wayne Lin simply turned around and ignored her.

But she was energized, her eyes were red, and she looked aggrieved, "Are you having nothing to say? You Chinese are so savage, you don't speak any truth!"

Wayne Lin frowned and endured it, anyway, the people from the third place of Xuanyuan were also there soon. When that time comes, he will leave directly, and don't bother to wrestle with this savage woman.

Man Lisa's next sentence directly lit Wayne Lin's explosive barrel, "I haven't said you yet, why did my team and I stayed in other countries and did not ambush the killer, but arrived in your country. , There are assassins? I think it is your Hua Guo, who deliberately put these assassins in, so as to show your..."

boom!

When Wayne Lin heard this, he couldn't help it. With a strong kick with his right foot, he directly kicked off a big tree with a diameter of half a meter beside Manlisha. The whole tree fell down suddenly. Lifting a large dust on the ground, Wayne Lin stared at her coldly, "What did you say, say it again."

Man Lisa was immediately frightened by him, her body trembled fiercely, her face lost blood, and her heart trembled with fear.

"I...I'm just skeptical, what are you doing so fiercely."

Wayne Lin gritted her teeth, glared at Manlisha, and said, "Apologize!"

Man Lisa shook her head and said: "Why do I have to apologize, so I don't apologize, what I said is the truth."

"I count to three, you don't apologize, but don't blame me for being rude to you." Wayne Lin said coldly. He exuded some aura and covered Manlisha, which immediately made her tremble.

But she still clenched her teeth and refused to give in. The stubbornness in her bones also came out, and she snorted heavily and said, "I didn't say anything wrong. Why do I have to apologize? I won't apologize! Why, I don't Apologies, you still want to kill me?"

Wayne Lin took a deep breath and stared at her firmly and said: "I will not kill you, but I will teach you, don't think you are Barbosa's daughter, I dare not beat you."

When Man Lisa saw Wayne Lin's fierce appearance, she didn't seem to be joking, she was also a little frightened, but besides the fear, she actually had an indescribable expectation and excitement.

If it can be abused by a 4s-level superpower, it seems to be a good thing.

Wayne Lin didn't know Man Lisa's thoughts, he would definitely think Man Lisa was insane.

"One, two..." Wayne Lin began to count, and at the same time, the aura he radiated became stronger and stronger. Manlisha was just an ordinary person, unable to withstand his pressure at all, and her face paled with fright.

trembling.

But she didn't have too much fear, and even had a perverted expectation, because she knew that Wayne Lin, as an agent of Hua Guo, would definitely not really hurt her.

"Chinese people, don't want to scare me, I will not be intimidated by you, Man Lisa!" Man Lisa straightened her waist, perfectly outlined her plump lines.

"three."

When Wayne Lin finished the countdown, seeing Man Lisha still refused to apologize, he sneered, "You forced me."

After speaking, he directly hugged Man Lisa up in his waist and walked over to the chair on the side. Man Lisa screamed in panic, struggling desperately, "Hey, Chinese people, what do you want to do, let me go! I am Man Lisa, your distinguished guests of China, you can't be rude to me!"

How could Wayne Lin be threatened by her? Now he is determined and must teach Man Lisa a good lesson, otherwise Xie Heng and Yu Gaolang will die in vain!

Wayne Lin rudely took Man Lisa into a chair and sat down, then put Man Lisa on his lap, and said threateningly: "I will give you one last chance and apologize."

Man Lisa became a little panicked now. She is a daughter of the European consortium. She grew up holding a golden key and was pampered. She has never been treated so rudely, especially in this posture. This kind of shame has never been seen before.

"Hey! Chinese! I'm Man Lisa, you can't be so rude to me, otherwise I will tell your boss and let them punish...Ah!!!"

Before she could finish her words, she slapped her body, slapped her, and slapped her very loudly. She didn't expect that Wayne Lin would really dare to attack her. This was too rude, too Too much! !

The slap was not light, and the pain made her muscles tense.

Wayne Lin's slap was slapped, and there was a ripple in his heart. He didn't expect that Man Lisa had such a good figure.

On the surface, he still kept his face straight and continued to threaten Man Lisa, "Apologize?!"

Man Lisa tried to struggle, but her strength was too weak, and she couldn't struggle at all. At this moment, Wayne Lin slapped her again, and the pain shocked her whole body, but she was more angry. A lot of grievances.

"Damn Chinese, you really dare to beat me! I must tell my father when I go back, let the high-level officials of China punish you!" Manlisha scolded angrily.

Wayne Lin shook his head, and his anger came. This Man Lisa was too stubborn and didn't put him in his eyes at all. Where did he suffer from this kind of anger, he slapped him twice and snapped twice. The sound is very loud.

Man Lisa screamed twice in pain, and her scolding became even worse.

"Apologize?"

"Don't apologize, you will kill me if you have the ability!"

Bang bang .....

"Apologize?"

"It hurts... I made no mistake, why should I apologize..."

Papa Papa, Wayne Lin slapped a few more slaps, just about to talk, he suddenly felt a pain in his thigh, it turned out that Manlisha bit him, so angry that he hit a few more vigorously.

At this moment, Manlisha could not bite anymore, and she was crying, “I apologize, I apologize... Please stop hitting, it hurts...”

Wayne Lin apologized when he saw that Manlisha had given up. He was also relieved. He was about to let go of Manlisha. Suddenly, he felt something. Looking back, he saw Sun Liang and Zhao Xia. And a few high-level officials in Xuanyuan 3rd place stood there, looking at him with wide eyes.

## Chapter 542

“Uh.....”

Wayne Lin was embarrassed right now.

Seeing the look in their eyes, Wayne Lin knew that he must have been misunderstood by them, and quickly said: “You have misunderstood, things are not what you imagined.”

However, as soon as his words fell, Man Lisa, who was lying on his lap, let out a sound, and said: “Can you hit me again, it’s a bit comfortable...”

Hearing this, Sun Liang and Zhao Xia’s expressions became even more weird. Looking at Wayne Lin, they were looking at a beast.

Wayne Lin also has some scalp numbness, hey, things are not like this!

He never thought that Man Lisa would say such a thing, what the hell is this? Could it be that there is a tendency to be abused? Although his slap just now didn’t work hard, it hurts for ordinary people.

After Man Lisa finished saying this, she also froze for a while, and then blushed immediately, too ashamed, how did she say what she was in her heart.

Man Lisa has never been treated so rudely. It is not only a physical blasphemy, but also an experience that she has never had before, which deeply imprints Wayne Lin.

Even, there was a complex emotion towards Wayne Lin.

“Ahem!” Wayne Lin quickly coughed twice, then helped Man Lisa up, and said: “If you apologize, forget it. You remember, my Huaguo is honest and honest, and will never be as mean as you imagined. Shameless, you know?”

Man Lisa’s face is flushed now, where is the coldness and dignity she had before, now she has become a shy little girl in front of Wayne Lin, nodded gently, and said in a low voice: “I know Up.”

She was conquered by Wayne Lin.

Wayne Lin also had a headache seeing her like this. Now that the people from the third place of Xuanyuan have arrived, there is nothing to do with him, and the task is considered complete. It is time for him to go home.

However, as soon as Man Lisa stood up, she moaned. Then, a painful expression appeared on her face, and she fell into Wayne Lin’s arms.

She didn’t do this deliberately this time, but Wayne Lin just hit her buttocks so much pain. Now she stood up, and she was in pain. In addition, she didn’t have much strength in her legs. In Wayne Lin’s arms.

And still in a very ambiguous posture.

Wayne Lin was stunned on the spot. He didn’t expect that Man Lisa would fall in his arms. Wasn’t he eating tofu for nothing?

As for the people behind Sun Liang, Zhao Xia and others, their eyes widened, the ambiguity and envy on their faces obviously had a deep misunderstanding!

“Hey, what are you doing?!” Wayne Lin hurriedly stood up, pushed Manlisha away, and shouted coldly.

Man Lisa was scolded by him, and she didn’t resist just now. On the contrary, she took it for granted. She felt that Wayne Lin was very masculine. She lowered her head and said weakly, “My hip hurts and my legs are not stable. It’s...”

Wayne Lin: “...”

He was speechless and scratched his head, feeling quite a headache.

Fortunately, Sun Liang and Zhao Xia had already arrived. He was also liberated. He coughed twice. After Man Lisa stood firm, let her go and walked towards them.

After saluting each other, Wayne Lin said in a deep voice: "I just encountered

The killer, except me, both Xie Heng and Yu Gaolang sacrificed. "

Then, Wayne Lin told them about what happened just now.

After they listened, they suddenly no longer thought of molesting Wayne Lin, and their expressions suddenly became serious and solemn.

Soon, they saw the corpses all over the floor, there were assassins, Manlisha's bodyguards, and Xie Heng and Yu Gaolang whose bodies were already cold, their eyes turned red all at once.

Wayne Lin looked at this scene and felt uncomfortable. He has always been a free and sloppy person. Although he had a very embarrassed life before, he has not experienced the grief of his parents leaving when he was young. I have seen people around me and died in front of me, and still in this way.

He felt very uncomfortable.

From this moment on, he also understood the meaning of country, nation, mission, and glory!

Finally, he saluted Xie Heng and Yu Gaolang, said, and went all the way well.

Man Lisha, who was on the side, felt his emotion, and her face was a little bit more guilty and regretful.

At this moment, Zhao Xia came over, opened his eyes wide, and said to Wayne Lin: "This is the Fool, Satan, and the red-haired witch. They are all internationally famous killers. They all died in your hands, Instructor Lin!"

Wayne Lin looked at the corpses of the fool, Satan and the red-haired witch on the ground, nodded lightly, and acquiesced.

Then Sun Liang went to inspect the bodies of The Fool, Satan and the Red-haired Witch and found that they were all killed by a single move. For a while, all of them looked at Wayne Lin's eyes, and they were more shocked and awed.

As the old fried dough sticks of Xuanyuan three places, they all know how famous these three killers are in the world, and the bounty on everyone is particularly high, especially the Fool, who is also the top master of the third stage of the Innate Realm. I don't know how many celebrities and dignitaries died in his hands.

Many countries are helpless against him.

But now, they just died in Wayne Lin's hands, and they were still kicked to death. The shock to them was still great, even if they knew in advance, Wayne Lin's strength was very powerful.

Another deputy director, Chang Hongshen, gave Wayne Lin a thumbs up and said, "Instructor Lin, you are really amazing! The Fool, Satan, and Red-haired Witch, the three innate masters, are all dead in your hands. If it spreads out, you will become famous internationally!"

Then he said to Sun Liang, "Old Sun, you are still good, and as soon as you shot, you found such a powerful talent as Instructor Lin."

Sun Liang laughed, "Of course, don't look at who I am."

The smug on his face could not be suppressed.

Wayne Lin smiled slightly. He didn't mean anything to be proud of. He just wanted to go home early, so he said, "I'll leave the rest to you. I believe there will be no killer coming to trouble Man Lisa."

Sun Liang nodded, and he could also see that the deaths of Xie Heng and Yu Gaolang had a little impact on Wayne Lin, and said, "Okay, then you go home first and take a holiday. This The second time you made a great contribution, I will take credit for you."

Wayne Lin nodded, then prepared to leave.

When Man Lisa saw that he was leaving, she was immediately anxious.

“Chinese, where are you going?” Man Lisha ran over immediately, stopping Wayne Lin, her face full of tension.

## Chapter 543

Wayne Lin looked at her faintly and said, “My task has been completed, so naturally I want to go home.”

Man Lisa said quickly: “You are not responsible for protecting my safety. Now that I am not out of danger, you cannot abandon me.”

Sun Liang, Zhao Xia and others on the side saw Man Lisa’s anxious look, and they realized that Man Lisa’s personality was completely inconsistent. There were ambiguous expressions on their faces, thinking that Wayne Lin and Man Lisa were the best. During this time, there must be some hidden secret.

Wayne Lin said directly: “Next, there will be agents to protect your safety.”

When Man Lisa saw Wayne Lin leaving again, she became even more flustered. She had never had this kind of emotion before. It was not that she was timid, but that she was in a foreign country. The whole army of bodyguards around her was wiped out. Even Horton, whom she had most high hopes for, lost combat effectiveness. In addition to Wayne Lin’s performance just now, she was more of Wayne Lin. An emotion of strong dependence, now that she heard Wayne Lin was leaving, she suddenly panicked.

After all, she is just a weak woman, and she still needs someone to take care of her deep in her heart.

“No!” Man Lisha shook her head vigorously, and she also grabbed Wayne Lin’s hand and said: “I don’t want other agents to protect me, I only want you to protect me!”

This was too ambiguous, and Wayne Lin couldn’t help frowning.

Zhao Xia said meaningfully from the side: “Instructor Lin, since Miss Manlisa has said so, or you are responsible for the safety of Miss Manlisa, you can comfort Miss Manlisa.”

After he said this, he winked his eyes at Wayne Lin, the expression on his face tacitly, as ambiguous as it was, Sun Liang also said: "Yes, instructor Lin, Manlisha only trusts you. Why not let you be responsible for the safety of Miss Manlisha, which can promote the relationship between our Chinese and European consortium by the way."

As a man, Wayne Lin couldn't understand the words of the two of them. It was nothing more than to let him take the opportunity to take Man Lisa, and it would be best to fool Man Lisa to invest in China.

Wayne Lin expressed contempt for their sloppy thoughts. How could Wayne Lin, the super powerhouse in the fourth stage of the dignified Innate Realm, do such a thing.

He refused without thinking, "I'm afraid I'm not the right person, my wife is still waiting for me at home."

Then he shook off Man Lisa and turned to leave. Man Lisa panicked again. She blurted out in a hurry, "Chinese, if you are willing to protect me, I promise to invest in China, the amount is no less than 300 billion. !!!"

When she said this, everyone in the audience was stunned. Three hundred billion yuan. If Man Lisa invests and builds a factory in China, how much investment must be brought to the local area and how many jobs will be provided for the Chinese people!

For a while, Sun Liang and the others at the top of the team opened their eyes wide and their breathing became much faster.

Wayne Lin was also a little surprised. Through this time of getting along, he learned that Man Lisa is not the kind of high-spirited woman. She is quite rational in her work. How could she spend 300 billion to invest and build a factory for him?

Soon, Wayne Lin could see clearly from Man Lisa's eyes, that Man Lisa was playing tricks on him. In fact, during this period of investigation, Man Lisa has seen the value of China, and she is sure that as long as she is in China Investment will definitely make a lot of money, so even if Wayne Lin does not protect her, she will still choose to invest.

I have to say that Man Lisa's acting skills are very good. Even a master like Zhao Xia was deceived by her, but she still couldn't deceive Wayne Lin and couldn't hide Wayne Lin's golden eyes.

Sun Liang said immediately: "Instructor Lin, I think Miss Manlisa has already said this. You should agree to her. Once Miss Manlisa promises to invest and build a factory in China, this is a great achievement. !"

Other senior officials also persuaded Wayne Lin one after another,

Afraid that Wayne Lin would refuse.

When Man Lisa saw this scene, the corners of her mouth rose slightly, showing a triumphant smile, Chinese, even if you are a 4s-level superpower, so what? I still use it obediently.

Wayne Lin sneered and said, "You were cheated by her. She has already determined that she will come to China to invest and build a factory. Even if I don't protect her, she will not change her mind."

Because they were speaking Mandarin, Man Lisha didn't understand, and she looked at Wayne Lin with eager eyes.

Sun Liang and the others were stunned immediately. Just about to speak, Wayne Lin said again: "Okay, it's so decided. There will be no assassins next. You can send some special agents to protect her. I will go first. Up."

When the voice fell, he flashed directly and disappeared from the spot, as if teleporting, disappearing into the woods.

Man Lisa watched him leave, stomped her feet severely, very embarrassed.

.....

Wayne Lin was finally able to go home, and Wayne Lin was very happy.

Unknowingly, it has been half a month since he came out this time. This is the longest time he has left Alma Chu, and the yearning for Alma Chu in his heart is stronger than ever!

It is said that a long-term goodbye wins a newlywed, and he feels this way now.

In the past half month, although he had talked with Alma Chu on the phone every night, he did not meet. It was always different.

Back at Yulong Bay, Wayne Lin just came in and saw that there were two more people, a man and a woman, in the living room. They were chatting with Alma Chu happily. When they saw Wayne Lin coming in, they all looked at him.

When Alma Chu saw Wayne Lin, she was immediately surprised. She couldn't hide her joy in the slightest. She stood up and said, "Wayne, you are back!"

When Wayne Lin saw Alma Chu, he also smiled happily. He hadn't seen her for half a month. He really missed Alma Chu. After changing his shoes, he walked over to Alma Chu quickly and held Alma Chu in his hand. Hand, smiled and said, "Well, I'm back."

After approaching, he found that Alma Chu's face was a little pale, and the whole person's spirit was not particularly full. It was a little more haggard and weak, which made him feel a pain in his heart. He held her hand and said softly: "You didn't sleep well last night? Your face is so pale."

When Alma Chu heard what he said, some panic flashed in her eyes, lowered her head, and quickly shook her head and said, "No, I'm fine, it's just a bit of low blood sugar."

Wayne Lin looked distressed and just wanted to talk. At this moment, the men and women sitting on the sofa stood up, and the woman among them said, "Alma, this is your husband Wayne Lin? Sure enough, she is a talent."

Alma Chu nodded, then introduced to Wayne Lin, "Wayne, let me introduce you. This is Xu Jing, one of my elementary school classmates who also happens to live in Yulong Bay. We only met some time ago. Good fate. This is her husband, Qin Yuanqing."

Wayne Lin nodded, nodded to them, and said hello.

Xu Jing said: "Alma, since your lover is back, then we won't disturb you. Don't forget what I said to you just now."

Alma Chu smiled and nodded, and said, "I see, don't worry."

After they left, Wayne Lin asked curiously: "What did she just say? Such a mysterious look."

Alma Chu smiled and said, "It's nothing, but Xu Jing said that she held a party and asked me to go over to attend, saying it was very interesting."

"Really?" Wayne Lin frowned slightly, don't know why, when he heard these words, he had a bad premonition inexplicably.

## Chapter 544

"What kind of gathering is it?" Wayne Lin asked deeply.

Alma Chu said, "I don't know too well. Xu Jing didn't tell me very clearly, so she said it was very interesting. Let me come to participate tomorrow night."

"Are you familiar with Xu Jing?" Wayne Lin asked again.

Alma Chu smiled when he saw his serious appearance, and said, "Why are you so serious? Are you worried that Xu Jing will go wrong with me?"

Wayne Lin said, "I didn't mean that, after all, it's better to be careful."

Alma Chu held his hand, clasped her ten fingers, and said with a smile: "Don't worry, Xu Jing is a classmate of my elementary school, from a very good family background, and she is also a very inspirational type. Now she is driving with his husband. The company, people do serious business, and will not treat me wrong."

After Wayne Lin heard it, he nodded. Since Alma Chu has said so, he can't say anything anymore. When he is free, he will call Damon Wang and ask Damon Wang to briefly investigate the identities of Xu Jing and his wife. That's it.

At this point, he must be cautious about everything, especially when Alma Chu is involved, he must be more cautious, not to let Alma Chu have any danger. Although this is a partial violation of Alma Chu's privacy, it is better to be bold than Alma Chu's danger.

After going through the matter of Wu Meizi before, he is now very concerned about the safety of his family members and must not go wrong.

Later, after Damon Wang's investigation, it was found that Xu Jing and his wife had no problem, they were ordinary people doing legitimate business, so he dropped his vigilance.

They both said that a long-term goodbye would win the newlyweds. Wayne Lin and Alma Chu are like this now. They took advantage of the two old people not to come back, hurriedly went to the room, and had a good affection.

Now Wayne Lin's physique is so strong that it is terrifying, and Alma Chu's body is weaker than before, and it is even more unbearable, and soon she surrendered.

"Wayne, I'm sorry, it's like this again... I, it's so useless..." Alma Chu bit her lip and said with shame, hating iron for herself, and having been married for so long, never once could satisfy Lin Zi. Ming!

Wayne Lin saw Alma Chu's self-blaming look, he hugged Alma Chu quickly and said, "Silly girl, what are you talking about, what's so sorry! You have done a good job just now, I don't know. How satisfied!"

When Alma Chu saw Wayne Lin like this, she felt even more ashamed and blamed herself. She lowered her head and said, "Or, I will use other methods..."

Wayne Lin hurriedly stopped her, staring and said, "Hurt! What are you doing, in your eyes, dare I be the kind of man who thinks with his lower body?"

"But, every time you are not released, it must be very uncomfortable..."

"Fart, who said I'm uncomfortable, I don't know how happy it is." Wayne Lin hugged her, placed her Qiong nose, lightly clicked, and said with a smile: "Okay, let's not talk about it, let me see Dad Mom is almost back, so let's go downstairs and I will say hello to my parents."

Alma Chu lowered her head, took his hand, and did not let him go.

Wayne Lin immediately looked at her curiously: "Alma?"

Alma Chu continued to lower her head, her voice was very small, and said weakly, "Wayne, if one day, if I disappear from you, what will happen to you?"

When Wayne Lin heard this, he immediately frowned and said in a deep voice, “Fei Fei, what are you talking about! Well, why do you want to disappear from me? “

Suddenly, Wayne Lin realized that something was wrong, he sat up abruptly, grabbed Alma Chu’s shoulders, his eyes were like electricity, looked at Alma Chu directly, and said, “Alma, tell me, did something happen? , Has anyone threatened you?!”

At this moment, Wayne Lin exudes a strong aura, like a deep abyss, like a prison. Under one of his thoughts, the entire room seems to have become an asura field, very terrifying.

Alma Chu’s mind went blank at the moment, and she gasped for breath!

Wayne Lin quickly took back the terrifying aura. He hugged Alma Chu and said, “Alma, what happened? Did the BRAGRUN organization come to you!?”

Wayne Lin gritted his teeth. He is particularly annoyed now, and his expression is very hideous. He now thinks that someone from the BRAGRUN organization must have approached Alma Chu and threatened Alma Chu, so Alma Chu said just now!

As a couple who have been married for many years, Wayne Lin knows Alma Chu very well. He understands that Alma Chu is not a person with volatile emotions. The reason why she said something like that just now must be something bad!

And all he can think of, only BRAGRUN organization can, and dare to threaten Alma Chu like this!

Wayne Lin has never had a good impression of the BRAGRUN organization, and he is even full of hostility. Sooner or later, he will go to the BRAGRUN organization to seek justice for his mother and the Lin family!

He has been silent now, not because he was counseled, but because he knows that with his current strength, it is not enough. He is trying to retreat and bear the humiliation. Waiting for an opportunity, he will step on the BRAGRUN organization again. Shanmen!

Alma Chu felt the anger in Wayne Lin's heart, and the terrible emotions, she was immediately frightened, and shook her head quickly and said, "No no! No one threatened me. I just thought of it suddenly."

Wayne Lin definitely doesn't believe in Alma Chu. He said seriously: "Alma, don't be afraid, and boldly tell me who threatened you. Your husband and mine are far stronger than you think! Even if the other party is I can protect you too. Tell me, okay?"

Alma Chu was immersed in Wayne Lin's deep and serious eyes, her mouth opened, and she said softly, "No one really threatens me."

Wayne Lin stared directly at Alma Chu, trying to see through Alma Chu's eyes, through the depths of Alma Chu's soul.

He found that Alma Chu did not speak, and it seemed that no one was threatening. Wayne Lin couldn't help but stunned. Could it be that Alma Chu said it on a whim, and no one threatened Alma Chu?

"Really?"

"Hmm! Really!"

Alma Chu nodded vigorously. After Wayne Lin was sure, he also breathed a sigh of relief, rolled his eyes and said, "You scared me to death just now. I thought someone really threatened you."

Alma Chu stuck her tongue out and said, "I have bodyguards on and off to protect me. Where can anyone dare to threaten me."

Wayne Lin made a deliberately angry look, scratched Alma Chu, and said: "Oh, Alma Chu, you dare to play with me and see if I won't clean up you."

"Don't...itchy, giggle..."

After a fight, it ended with Alma Chu panting and surrendering. In the end, when Wayne Lin went to take a bath, Alma Chu's eyes dimmed, and two lines of faint tears shed in her bright eyes.

# Chapter 545

Wayne Lin didn't know all of this. When he took a bath and came out of the bathroom, Alma Chu was already back to normal, and after she also took a bath, she washed away all traces, as sharp as Wayne Lin. Can't see Alma Chu's strangeness.

Not long after, Berry Chu and Candice Liu had already returned. They were also very happy to see Wayne Lin coming back. They held Wayne Lin and talked for a long time.

Now they have no prejudice against Wayne Lin and treat Wayne Lin as a baby son-in-law. Sometimes they treat Wayne Lin better than Alma Chu, and several times they make Alma Chu jealous.

Knowing that Wayne Lin was back this time, the two old men went to the vegetable market specially, bought a lot of food that Wayne Lin liked to eat, and made a sumptuous dinner.

Wayne Lin especially likes this warm feeling. The whole person is filled, making him forget all his troubles, and forget that he is a super power in the congenital realm, only immersed in this warm and sweet atmosphere.

On the second day, Wayne Lin wanted to go shopping with Alma Chu, but Alma Chu received a call, saying that it was Shengke Lighting that she needed to deal with affairs. There was no way, so she had to give up the company. Wayne Lin rushed to Shengke Lighting.

Fortunately, Wayne Lin will stay at home for a long time this time. She will have time to get along with Wayne Lin in the future.

But, is there really a lot of time? Thinking of this in Alma Chu's heart, she felt a terrible pain, extremely lost and painful.

She has no choice, this is her destiny, she can only accept it.

It's not that she has never resisted, it's not that she has never fought, but the facts have proved that it is useless, and even her struggle and resistance will only accelerate her demise.

She confessed her fate and was relieved. She only asked, in her last period of time, to be able to do everything she could do well, and not to leave regrets in her life.

She didn't tell Wayne Lin about this, nor did she plan to tell Wayne Lin, because she was like this, once Wayne Lin knew about it, she would become restless for a while.

This is not the result she wants, what she wants is just to walk quietly and enjoy it, the last afterglow of life, and every piece of Wayne Lin's life.

That's enough...

Today is the last day she will serve as the chairman of Shengke Lighting. After she has handed over her work, she can accompany Wayne Lin wholeheartedly for the rest of the time.

This should be great.

Moreover, she still has a very important task, which is to help Wayne Lin find a new woman to take her place and take care of Wayne Lin on her behalf.

Wayne Lin didn't know these things. He originally wanted to accompany Alma Chu to Shengke Lighting, but Alma Chu refused his request, so he had to go for activities by himself. It happened that the clown called him. Let him go there, he thought about it, and agreed.

Speaking of it, he hasn't seen a clown for a while. The clown now is a bit older and has more silver hair on his head. Obviously, the last time Ye Xingchen caused him too much damage. It hurts his life origin, even if Nishang swallows the Yulu vitality pill for him, it will not be able to restore his life origin.

When Wayne Lin saw him, he could find that the lifespan of the clown had been reduced by at least 20 years. Originally, with the physique of a clown, others could live to 90 years old, but now they can only live to 70 years old.

Even if the clown was not sick or painful when he was 70, he would die.

This is the source of life is exhausted.

Every human body has a source of life,

And this source of life cannot be detected with today's technology, and it can only be sensed by an extremely strong person in the realm of Wayne Lin.

In addition to the improvement of combat power and intelligence quotient, a person's practice is also very important, which is the increase of the origin of life. Because the origin of life is more, all practitioners will live longer.

Take Wayne Lin as an example, his life origin is many times stronger than ordinary people! With his current life origin, at least he can maintain his healthy life to one hundred and fifty years old, or even longer!

If it weren't for the huge consumption of life origin after a person is old, according to ordinary people's specifications, the life origin in his body can at least provide him with a thousand years of life.

Of course this is impossible. If a person lives a thousand years old, it is not a person, but a monster.

As for why, after a certain age, the source of life will consume more and more, Wayne Lin has not yet figured it out. If he really understands it and cracks it, then he might really live a few hundred years and become an old monster.

Wayne Lin shook his head, threw this unrealistic thought behind his head, walked up to the clown, and said with a smile: "Your kid is really big enough, and such a serious injury has allowed you to survive."

The clown also showed a little smile, and said: "It's all thanks to the Yulu vitality pill of Master Nishang, and I changed my fate for me."

Wayne Lin was interested in the Yulu vitality pill. He said: "What is this Yulu vitality pill that actually has such an effect?"

Speaking of it, Wayne Lin is a half-doctor. For a period of time, he specialized in researching medicine, including Chinese medicine and modern western medicine. With his current cultivation base, his true medical skills are probably not worse than some medical professors.

But he also couldn't understand why there was such an effective pill that caused a dying person to immediately pass the dangerous period and survive.

Because according to the injuries of the clown that day, generally speaking, it is dying.

When the clown heard this, his eyes immediately showed worship and enthusiasm, and said: “Yulu vitality pill! That is the magical pill of BRAGRUN organization, it is worth a thousand dollars, and it has the effect of flesh and bones. A pill, any one can sell for more than one billion price!”

After hearing this, Wayne Lin frowned and asked, “What formula is this Yulu vitality pill made of? It is actually so effective?”

The clown shook his head and said: “The formula of the Yulu vitality pellet is top secret in the BRAGRUN organization, and I naturally don’t know it. I am afraid that even Master Nishang will not be able to get the complete formula of the Yulu vitality pellet. Besides, the Yulu vitality pellet is extremely difficult to quench. Refining is not a superb alchemist, even if you know the formula, you can’t temper it.”

Wayne Lin asked, “Even contemporary technology can’t be tempered?”

“Contemporary technology?” Hearing this, the clown smiled disdainfully, seemingly disdainful of contemporary technology, and said: “Contemporary technology is naturally impossible to refine the Yulu vitality pill. Otherwise, the Yulu vitality pill would not be so precious.”

Wayne Lin agrees with this statement. He has cultivated to his level, and others know that many things cannot be compared with contemporary technology.

After a pause, Wayne Lin said again: “According to you, in the BRAGRUN organization, the most precious and effective medicine is this Yulu vitality pill?”

The clown shook his head and said, “Of course not! Although Yulu Vitality Pill is very domineering and can cure 99% of the world’s diseases, it is still far behind compared to having a baby.”

Wayne Lin frowned upon hearing it, and became interested, and asked, “What baby is it?”

The clown immediately looked serious and enthusiastic...

# Chapter 546

In Wayne Lin's view, Yulu vitality pill is already a very unreasonable pill. Even the clown's fatal injuries at the time can recover in a short time. Now the clown says that there is another kind of treasure in this world. The value is far more than Yulu vitality pill, he has no way to be uninterested.

The clown took a deep breath and said, "I don't know the exact name of this kind of baby. Some hundreds of years ago, some people called it the "fruit of the gods." The "Colorful Origin Fruit" is called "Earth Tears" in the West, and in our BRAGRUN organization, it is called the "Life Spirit Fruit". Its preciousness is not comparable to that of the mere jade dew vitality pill!"

Fruit of God, Fruit of Colorful Origin, Tears of Earth, Spirit Fruit of Life?

Wayne Lin was immediately stunned when he heard these names. Why did it sound so mysterious?

"What mess, what is it?" Wayne Lin frowned and asked.

The clown smiled bitterly and said: "I don't know what exactly it is, because I haven't seen it either. I just heard that when I was still in the BRAGRUN organization, it was a mysterious fruit that took more than a hundred years to bear. One-time fruit, and it cannot be planted. It only grows on the cold snow. It has the effect of increasing the source of human life. It can be said to be the most precious treasure in the world. Every result will cause countless people to fight."

Hearing this, Wayne Lin showed a weird expression on his face, looked at the clown and said, "Clown, you are kidding me, right?"

Isn't it? Wayne Lin asked himself that his experience and vision are not low, but he has never heard of such a treasure in this world, which completely subverts earth science.

If there are treasures, why are there no records on the Internet or in books? Now in the 21st century, in the era of highly developed information, nothing can be completely concealed.

The clown saw Wayne Lin's thoughts. He smiled bitterly and said, "Master, you just think I'm joking. I haven't seen it anyway. I just heard of it many years ago by chance. If it's the Neon Sovereign, maybe you know some."

Wayne Lin nodded, but he didn't take it too seriously, he didn't believe it was true.

However, as soon as their voices fell, Wayne Lin raised his brows and looked in one direction. Immediately, a fiery red figure appeared there.

When he talked about Cao Cao, Cao Cao would arrive. This red shadow is no one but neon clothes.

She still saw the dragon without seeing the end, and appeared there without a hint of warning. If it weren't for Wayne Lin to have reached the fourth stage of the Innate Realm, she would not have been spotted in advance.

Wayne Lin glanced at it and felt the terrifying energy on Nishang's body. The cultivation base was extremely advanced. It was also the fourth stage of the Innate Realm. After all, his strength was even more terrifying than before. Neon clothes!

It seems that the period of decay of the neon clothes has passed, and the strength has improved a lot more than before. It seems that the double repair, the person who benefited is not only him, the neon clothes is also the beneficiary.

This reminded Wayne Lin of that experience, which was very unforgettable. Looking at it this way, if they can continue to double repair, wouldn't they be able to break through to... ahem! What are you thinking about? That double repair is a last resort, you still want to double repair all the time, Wayne Lin, I despise you!

Nishang looked over and seemed to have felt Wayne Lin's thoughts. Some unnatural flashes flashed on his cold face, and there was an invisible blush, and he glared at Wayne Lin in shame.

Originally, during this period of time, she had worked hard to forget about this incident, but now seeing Wayne Lin, that shameful memory came back!

The high-level of her dazzling BRAGRUN organization, with a high level of cultivation, is regarded as the saint of the next generation. How can she be offended by men like this? Wayne Lin is the first and only one!

Wayne Lin was also taken aback when he saw Ni Chang's shameful eyes, and quickly lowered his head, suddenly feeling a little embarrassed.

&nb

The clown only saw the neon clothes, and immediately went forward and respectfully bowed his hands: "See Master Neon."

Nishang returned to her cold look in a second, just like a fairy in the sky, she can be seen from a distance but not to be played with, even if she is standing there, it is felt so unreal by others, as if she is going to drift in the wind at any time go with.

The clown is known as the underground emperor of Huarvell, and he is in charge of most of the gray world, but in front of neon clothes, he still has to be respectful and in awe from the heart.

Nishang nodded lightly, and then said: "There is another way to call it, "Hundred Years Longevity Fruit."

"Ok?"

The words she said were endless, making Wayne Lin stunned for a moment, and immediately, he reacted, and Nishang followed the clown's words.

And, according to the meaning of neon clothes, is there really such a fruit?

Wayne Lin immediately asked: "Does such a miraculous fruit really exist? What is the principle."

Nishang deliberately didn't look at Wayne Lin's eyes, and moved his face to the other side, saying faintly: "The principle is not clear. There is indeed such a fruit, and this year is the maturity period. Many forces are focusing on it. There will be a bloody storm."

Some enthusiasm flashed in the clown's eyes, and he repressed and said excitedly: "Master Nishang, this time BRAGRUN organization has sent you to pick heaven and earth spirit fruit?"

"And the sword of the Southern Territory, Rushuang." Ni Chang said lightly. When she mentioned the name, some fear flashed in her eyes.

The clown immediately contracted his pupils, took a breath, and said: “Even Master Sword Rushuang was alarmed? That time BRAGRUN organization is determined to seize the spirit fruit of heaven and earth!”

Nishang nodded gently and said: “Yes, I will definitely win.”

Hearing what they said, Wayne Lin was sure that this kind of fruit really existed. He was surprised, even unbelievable. He was not just a warrior, but also a master of study. He had learned a lot of scientific knowledge. Knowingly speaking, I can't imagine why the earth can produce such fruits, which can add to the origin of human life. This is also amazing.

“What's the principle? There are such fruits on the earth? This is completely unscientific.” Wayne Lin frowned.

Nishang glanced at him faintly, then immediately glanced to the other side, and said: “This kind of fruit only began to appear more than three hundred years ago, and it bears fruit once in 112 years. Every result is the coldest on earth. The principle is probably related to the change of the earth. More than five hundred years ago, the earth began to have an invisible aura. The heaven and earth spiritual fruit should be the result of gathering this aura.”

“Aura?” Wayne Lin listened more chuckling, and said with a smile: “Nishang, you have read too many novels about cultivation, even the aura comes out.”

Nishang stared at him disdainfully, seeming to laugh at his sitting in the well to watch the sky, “Fortunately, you are still a master of the fourth stage of the Innate Realm. If it weren't for the changes in the earth's environment and more 'spiritual energy', could you cultivate to the Innate Realm? What is innate, do you understand?”

When Wayne Lin heard this, his body shook slightly. Indeed, in his understanding, there was indeed no innate realm in existence more than 300 years ago.

It was also in the modern century that masters of the innate realm gradually appeared. Could it be that there is really aura?

For him, this is a bit subversive.

Nishang snorted and said: “I heard that the spirit fruit of heaven and earth is infinitely effective, comparable to the flesh of the gods. If an ordinary person eats it, it can not only wash away all karma, but also break through to the innate realm. I don’t know how many forces, how many The big guys are all on the idea of the spirit fruit of heaven and earth.”

Then, she sighed again, and said: “This time the Heaven and Earth Spirit Fruit will end up in China, I am afraid it will set off a bloody storm.”

Wayne Lin’s expression also became dignified. He imagined that if this kind of heaven and earth spirit fruit really existed, then, when it turned out, it would definitely be all kinds of fights and all kinds of blood flowed into rivers.

## Chapter 547

The arrival of neon clothes made the atmosphere a bit awkward. Wayne Lin didn’t choose to stay longer. After saying hello to the clown, he started to leave.

The Spirit Fruit of Heaven and Earth this time was very important and attractive, but Wayne Lin was not too interested because he was already a master of the Innate Realm.

In the middle, he thought about picking heaven and earth spirit fruit and swallowing it for Alma Chu, and this kind of heaven and earth spirit fruit can make ordinary people directly break through to the innate realm, and the lifespan can at least increase for several decades, and its value is not Know how much higher than Yulu vitality pill.

However, he quickly dispelled this idea, because there were too many people eyeing the Spirit Fruit of Heaven and Earth this time, and they were all forces. There will be many Innate Realm masters who will be dispatched at that time. The peerless powerhouse of Dzogchen, if he were to take it, he would definitely be in great danger, and the gain would outweigh the loss.

It’s just that he didn’t expect that in a short time, God would make such a big joke for him that he would have to participate in it!

.....

After finishing all the procedures in Shengke Lighting, Alma Chu personally transferred the position of chairman to her trained subordinate. She was completely relieved, as if she had let a heavy burden off.

Now that she has finished all the hand tails, she has become a free body, and she can accompany Wayne Lin wholeheartedly for the rest of the time.

In her little time, she wanted to see Wayne Lin every day when she opened her eyes, and every day before going to bed, she could put her arms around Wayne Lin to fall asleep, and she wanted to stay with Wayne Lin all day long.

Thinking of this, a sweet smile appeared on her face.

But immediately, she thought of such a time, and it could not last long, and her heart was lost, she sighed heavily, God is really unfair to her, the probability of one in a billion, let her touch it. Got it, alas.

Soon, she shook her head vigorously and pinched herself, "Alma Chu, what are you sighing for! You have such a good love, Wayne treats you so well, what else is not satisfied? I am happier than many women! In the days to come, I must ask happy people every day, don't make Wayne sad, you know?"

After speaking, she smiled again, and slammed her powder fist vigorously to cheer herself up, "Alma Chu, you can definitely do it! You are the best, hehe."

She hid the sorrow and pain deep in her heart and sealed it up. In other words, she had already looked away, relieved, and no longer felt sad and painful. The next day, she just needs Release the best aspect of yourself to Wayne Lin, and finish her last journey, that's enough.

Since she can't change the result, the only thing she can do is to leave no regrets in the last period of time!

Tonight, Xu Jing invited her to a party, saying that many old classmates would be there by then, and she agreed.

When she returned home, she found that Wayne Lin had not come back. She originally wanted to wait for Wayne Lin to come back to Xu Jing's place together, but Xu Jing was

urging very tightly, saying that many old classmates had already arrived, so she waited. To her.

The kindness is difficult, Alma Chu is less likely to refuse, so she agreed, called two bodyguards, and set off to the place Xu Jing said.

This place is not a hotel, nor a clubhouse, but a private luxury villa.

When Alma Chu arrived, she saw that there were already many cars parked at the door. Obviously many people had already arrived. Xu Jing and his wife and several people were waiting at the door and saw Alma Chu getting off the car. , Greeted him immediately, with a very enthusiastic attitude.

“Alma, looking forward to the stars and looking forward to the moon, it can be regarded as looking forward to you, welcome!” Xu Jing saw Alma Chu, with an excited smile on her face, and came up to hold Alma Chu enthusiastically with a smile on her face.

Alma Chu was a bit startled by her enthusiasm, quite flattered.

Moreover, she saw that there were many people standing around, and they seemed to be waiting for her, which made her even more embarrassed.

“Xu Jing, you are all waiting for me, this is so embarrassing.” Alma Chu said embarrassedly.

Xu Jing waved her hand and said, “Hey, what’s the embarrassment, you are our great celebrity. We are hosting this party tonight for you.”

“Huh? For me?” Alma Chu was startled immediately, she felt a little weird.

Qin Yuanqing, who was on the side, gave Xu Jing a displeased look, and blamed Xu Jing for saying the wrong thing. He quickly stood up and said: “Miss Chu, Xu Jing, she said wrong. She meant that between your classmates, I haven’t seen you for so long, and many people want to see you.

After Alma Chu listened, she had a not-so-good premonition, but she couldn’t figure out what’s wrong. According to reason, Xu Jing would not harm her, nor did she have this motive.

Xu Jing said quickly: "Yeah, I made a mistake just now. In fact, that's what I meant. We haven't seen each other for so long, and many students want to see you."

Alma Chu smiled slightly. She heard that she was very happy to see many former elementary school students, so she didn't think much.

Anyway, Wayne Lin will come soon, and where Wayne Lin is, she feels extremely safe and not afraid at all.

Then, she saw a lot of familiar and unfamiliar faces, several elementary school classmates.

"Alma Chu, you are still so beautiful after so many years of absence."

"Nonsense, Alma Chu used to be a flower in our class, the most beautiful one."

"Hey, what are you talking about? Alma Chu is much more beautiful than before."

"I don't know who is so lucky to marry a beautiful woman like Alma Chu!"

"That's just enough to say, if you can marry Wayne Lin, that must be the big boss."

Those old classmates, whispering around Alma Chu, seemed very enthusiastic. There were two male classmates, with their eyes particularly shining, staring straight at Alma Chu, making Alma Chu a little uncomfortable.

Seeing Alma Chu frowned slightly, Xu Jing's expression was a little unhappy, she immediately pushed them away and said, "Hey, what are you doing? It scared our Banhua, our Banhua is now a big company. Chairman, you show me respect, you know?"

They seemed to be headed by Xu Jing. Hearing Xu Jing's words, they immediately put away their jokes.

Then Xu Jing said to Alma Chu: "By the way, Alma, how about your husband? Didn't you say to come together? Why haven't you come yet?"

Alma Chu said, "He, something went out today, and it's late."

Xu Jing and Qin Yuanqing looked at each other, showing some excitement between each other, and then immediately said, "Since this is the case, let's go in first and get up."

Seeing their enthusiasm, Alma Chu was not as frivolous as before, nodded and walked in together.

Soon, Xu Jing saw Alma Chu's two bodyguards coming in together, she said: "Alma, let your two bodyguards wait outside."

Alma Chu froze for a moment, and said, "They are my personal bodyguards. Let's go in together."

Xu Jing immediately pretended to be displeased and said, "The bodyguards we hired are also personal bodyguards. They are not waiting outside. Besides, this is our party. Finally, we have the opportunity to speak freely, and let the bodyguards get in the way. "

"but....."

"Stop it, can't you still believe me?" Xu Jing said calmly.

When Alma Chu heard her say this, she could not refuse, so she had to agree.

## Chapter 548

When Xu Jing saw Alma Chu agree, her face immediately showed surprise.

Alma Chu's two female bodyguards immediately said, "Madam, President Lin explained to us that we must protect you personally when he is away, especially not to keep you out of our sight."

"Yes, madam, I hope you don't make it difficult for us."

When she heard the words of the two female bodyguards, Alma Chu also hesitated, because Wayne Lin had indeed explained that.

Alma Chu said with some embarrassment: "Xu Jing, my husband did explain this way, or let them follow in. They are professional bodyguards and won't bother us."

Xu Jing's face sank immediately, and she said displeasedly: "Alma, I said what's wrong with you, and finally came to my place. With so many old classmates gathering, you have to bring bodyguards in. This is not to believe us. ?"

Alma Chu quickly explained: "Xu Jing, you misunderstood, I didn't mean that, I just..."

At this time, a female classmate next to her said in a weird manner: "Hey, Xu Jing, I don't think you should force Alma Chu. She is a female president and has a very expensive life. Naturally, we must be cautious. People are watching us. "

Another male classmate also said: "Xu Jing, next time you ask you to say hello to me. I knew our party and bodyguards were mixed, so I didn't rush over all the way, although my business is better than Not in Alma Chu's big company, but there are dozens of people who followed me for dinner."

The two of them made a mockery of Alma Chu, making Alma Chu feel very embarrassed, and her face blushed, "You are misunderstanding, I didn't mean that..."

Seeing Alma Chu's anxious appearance, Xu Jing took advantage of the victory, and immediately said: "Then what do you mean? Don't believe us? If you really don't believe us, you can let your professional bodyguard go in and check and see if we will It won't hurt you!"

"Yeah, you can let the bodyguards go in and check! You don't have to say that our old classmates are plotting against you!"

The more they talked, the more excited they were, as if they had been wronged. They insisted on being fair to Alma Chu. They were sure that Alma Chu was the kind of thin-skinned person. The more they were like this, the more embarrassed Alma Chu was.

Sure enough, Alma Chu said anxiously: "I really didn't mean that..."

After gritting her teeth, she said to the two female bodyguards: "You just wait outside. These are my old classmates. There will be no problem. Wayne will be here soon."

The two female bodyguards fought for them, but in the end they were persuaded by Alma Chu and had to obey Alma Chu's arrangement.

If they change other occasions, they will definitely not let Alma Chu leave the sight, but this is at the home of Alma Chu's old classmates, looking at ordinary people doing business seriously, they are not too worried, anyway, they are outside the house. , If there is something abnormal, they can rush in immediately. The most important thing is that Wayne Lin is coming over soon. With Wayne Lin's identity and ability, I believe these people will not dare to have any unruly thoughts about Alma Chu.

Seeing that Alma Chu was willing to go in by herself, Xu Jing raised her mouth slightly, her smile that could not be suppressed. The others were also excited. They hid so deeply. Alma Chu was not wary of them, so she didn't notice.

Then, Alma Chu followed Xu Jing and them into the villa together.

I have to say that Xu Jing's villa is quite big, and the decoration is also very luxurious. What surprised Alma Chu was that the doors and windows in the villa were closed tightly, and the air conditioner was very cold. Alma Chu When I first came in, it was still a bit cold.

Big

In the hall, many people have already arrived, most of them are fresh faces, and they are sitting together with men and women, their movements are very intimate, and even a little too much. After Alma Chu looked at it, she frowned. Somewhat disliked, she said to Xu Jing: "Xu Jing, didn't you say that the party tonight is mainly a party between our old classmates? Why are there so many new faces?"

Xu Jing took her hand and said with a smile: "These are my good friends. They are very interesting. Besides, the more people there are, the more interesting the party."

After Alma Chu came in, everyone's eyes were placed on her, and she was amazed to see her so beautiful and beautiful. Many men still made no secret of their passion and coveting for Alma Chu. The look in her eyes made Alma Chu feel Very uncomfortable.

She was no longer the ignorant girl who was as simple as white paper before. The atmosphere on the scene gave her a bad feeling, but out of politeness, she did not leave immediately.

A few people walked over immediately, three men and three women, one of whom was a young and handsome man who looked at Alma Chu unscrupulously, then blew a

whistle and said to Xu Jing, “Xu Jing, you can do it. , I found a newcomer with such high quality.”

With that said, this handsome man came over and touched Xu Jing’s waist directly. It was very awkward, and Xu Jing was not angry yet, even her husband Qin Yuanqing was still smiling. I didn’t care that my wife was molested by another man.

This scene made Alma Chu unbelievable!

Xu Jing giggled and said, “Mr. Jiang, you don’t have to do anything with me. I’m not yours this time.”

President Jiang laughed twice, and even said a few ambiguous words with Xu Jing. Not only was Xu Jing not angry, but also interacted with President Jiang very happily, making Alma Chu on the side look very ruined. Three Views!

I almost doubt if she has hallucinations, Xu Jing, who was so shy and honest when she was a child, actually has such a...dissolute side! You know, Xu Jing’s husband is still nearby. The key point is that Xu Jing’s husband is not angry yet. He is smiling and leaning back with President Jiang, which really subverts her cognition.

Soon, Mr. Jiang put his gaze on Alma Chu, and seeing Alma Chu’s mouth in a dumb and unbelievable manner, some light flashed in his eyes, staring directly at Alma Chu, and said, “Hey, Beauty, what is your name, when did you get married, and have you had children?”

Alma Chu stepped back two steps, her brows frowned very tightly. When Mr. Jiang looked at her like this, she only felt nauseated and said to Xu Jing, “Xu Jing, I still have something to do, so I won’t be with you.”

After that, she turned around and left.

She is very angry now, Xu Jingming knows that she is married, and brings her to such a place! No matter how stupid she was, she could see that none of these people in the room were serious people, including Xu Jing, who were inconsistent.

She is a very traditional and dedicated person. How could she accept these things? She didn’t turn her face on Xu Jing on the spot. She was already giving Xu Jing face!

However, as soon as she turned around, she was pulled by Xu Jing and said with a smile: “Hi Alma, where are you going? This is just here. The exciting session has not yet begun.”

Then she immediately yelled at Mr. Jiang: “Mr. Jiang, I blame you and scared Alma Chu! My old classmate is a serious person. Since I got married, I have never played outside or had children, so pure very.”

When President Jiang heard these words, he immediately opened his eyes, clapped and said, “Yes, good, good, Xu Jing, this time you have done a great job. Starting today, you will be our core member, hahaha .”

## Chapter 549

“Really, thank you, Mr. Jiang, thank you, Mr. Jiang!” Xu Jing cheered, and even though Qin Yuanqing was beside him, he directly hooked Mr. Jiang’s neck and gave her a sweet kiss.

And Qin Yuanqing was not angry, his face also flashed with excitement, it seemed that being a core member was a great thing.

Alma Chu was really ruined by this scene. From her perspective, she couldn’t accept this kind of thing!

“Xu Jing, you, how can you do this!” Alma Chu pointed at Xu Jing in disbelief.

Xu Jing chuckled and said to Alma Chu: “How am I doing?”

Qin Yuanqing also said: “Yes, how is Xu Jing, you can make it clear.”

The people around also came around, their faces full of joking, all kinds of teasing Alma Chu, including those old classmates before, the same, but Alma Chu was very angry!

She has figured it out now, what kind of party is the party tonight, and who is this group of people? Before, she just read this kind of joke on the Internet, but she did not expect that she would really meet it today. ! She only felt unprecedented nausea and nausea, and at the same time regretted it. Why did she come to such a gathering, obviously she had run out of time!

The more she thought about it, the more regret, the more she thought about it, the more aggrieved, and finally couldn't help, tears streaming down her eyes, "Xu Jing, I believe you so much, why did you bring me to this place, you know I'm married!"

Seeing her crying, Xu Jing didn't have any guilt or intolerance on her face. Instead, she frowned and said displeased: "Alma Chu, why are you crying? It seems like we bullied you. Let me tell you, many people want to join our group without a chance. We don't like everyone. Didn't you see that we are all handsome men and women?"

As for the others, seeing Alma Chu like this, they were even more excited, especially the men present who opened their eyes and stared at Alma Chu directly, full of coveting and enthusiasm. In their eyes, Alma Chu is the lamb to be slaughtered.

The more wronged and scared Alma Chu was, the more excited they were. For these people, there is nothing more satisfying than bringing a good family woman to the depravity, especially Alma Chu's kind of fairy looks.

"Yeah, Alma Chu, it's very fun. You are the protagonist tonight. With so many handsome guys present, they will do everything they can to please you. This is a treat for new talents!"

"Alma Chu, the first time you come in, it will inevitably be a little difficult to accept. This is a normal reaction, but you will soon experience the fun of it."

"Life is short. It's boring to guard a man for a lifetime, especially for a beautiful woman like you. Of course, you have to experience a few more men, and you have to be handsome, rich men, otherwise your life will be in vain. Up."

"Alma Chu, don't worry, as an old classmate, I will definitely satisfy you tonight, Jie Jie..."

Listening to these shameless words, Alma Chu's body was trembling with anger. She is an extremely traditional and dedicated person. After marriage, even if Wayne Lin is in such a humble state, she has always maintained a clean body and has never had sex with the opposite sex. Any close contact! And now that she and Wayne Lin are in love, it is even more impossible to accept such ridiculous and shameless things!

“You people, shameless!” Alma Chu finally couldn’t help it, yelling loudly, making her body tremble again with anger, then she gave Xu Jing a disgusted look and turned to leave.

Xu Jing sneered behind her, and said with her arms folded: “Want to go? It’s too late. You are here tonight, so I can’t help you go.”

When the voice fell, someone immediately blocked Alma Chu, joking and smirking all over her face.

Alma Chu immediately panicked and angry, “Xu Jing! What do you want to do?!”

Xu Jing took Mr. Jiang’s arm and walked up with a face full of evil intentions, and said, “I didn’t want to do anything, but as an old classmate, I just brought you into a new happy world. Alma Chu, you should not hate me. , I should be thankful, you will know soon, this is the happiest thing in the world.”

President Jiang never looked away from Alma Chu, his eyes flashed green, and said, “Alma Chu, the party tonight is for you. No one else

It is an honor to be the first to serve you at that time, and I will guarantee you an unforgettable memory. “

With that said, Mr. Jiang reached out his hand directly to go to Alma Chu’s chin, very frivolous, Alma Chu immediately dodged and cursed angrily: “You are presumptuous! I tell you, I can’t agree to a death. You better let me go, otherwise when my husband comes, you will all be finished!”

Before the critical moment, Alma Chu didn’t want to move Wayne Lin out, she always caused trouble for Wayne Lin.

Mr. Jiang frowned, and said with some trepidation, “What is her husband?”

Xu Jing immediately said with disdain: “Cut, there is a fart. I have already investigated it clearly. Her husband is just a door-to-door son-in-law, who came as a waste. I met once at her house that day. He was just an ordinary person. Don’t take it to heart. Besides, his husband is on the way too. I’ll be on the court in person later, and I won’t serve the door-to-door son-in-law to a good degree.”

After President Jiang heard this, his face reappeared with a smile, and he was more relieved.

Others also relaxed. Their group, the most feared, was to offend a big person who could not afford to be offended, and was caught in a pot. Therefore, every time they bring in a new person, they are very cautious. They have to investigate the background clearly, and have more than 90% confidence in the new person's character before making the move.

Alma Chu was panicked and angry. Seeing their unkindness, she forced herself to calm down. The more this kind of thing, the less she couldn't mess up Fang Cun: "Xu Jing! I didn't joke with you, my husband is The chairman of Ziqiong Media is not an ordinary person, and he is still a martial arts master, he can punch through the wall with one punch! Now he is on the way here, if you let him know, you are bullying me, he will Very angry, your end will be miserable! So you better let me go right away, I don't need to tell my husband about this."

Alma Chu finished speaking in one breath. The more she spoke, the calmer she became. She had absolute confidence in Wayne Lin, and she felt full of security when she thought of Wayne Lin.

However, after listening to these people, they didn't have any fear or jealousy. Anyway, every one of them showed weird and mocking smiles. Xu Jing was amused at all, and she laughed out loud, "Hahaha, The chairman of Michelle Media? It's so awesome, it scared us to death. Alma Chu, don't you think that you live in Yulong Bay, you really are married to a big boss, I've already given your details The investigation is clear, your husband is just a door-to-door son-in-law."

A female student next to me said: "The funniest, martial arts master, and punched through the wall with a punch, haha, I really laughed at me, really we are idiots."

A man said: "It's really scary to punch through the wall with a punch. I'm going to be scared to death, hahaha..."

Everyone around was laughing.

Mr. Jiang also laughed. He stared at Alma Chu closely, swallowed his saliva gurglingly, became impatient, and said directly: "Okay, let's not wrestle, let's tune this newcomer well! "

When the other men heard it, green light appeared in their eyes, and they swallowed continuously.

Seeing their expressions, Alma Chu was completely panicked. She didn't hesitate to twist her body and ran away, and started yelling for help, hoping to attract the attention of the two bodyguards outside!

However, no matter how she called, the sound couldn't be heard. The place was closed, and dynamic music was deliberately played outside. The two bodyguards couldn't even hear it.

The more panicked and struggling everyone present saw Alma Chu, the happier and excited they were, especially Mr. Jiang. His face was shining with a terrifying light, and it was very scary to look at.

He rubbed his hands and walked over to Alma Chu like a big bad wolf, saying, "Miss Chu, don't struggle anymore. If you can't get rid of it, you should cooperate obediently, Jie Jie..."

Alma Chu ran hard, but she was alone and weak, and she was weak now, no matter where she could run, she was caught by two women in a short while, unable to move, she was terrified and struggling desperately There is nothing that can be done.

"Let go of me, you let me go! I don't have much time. I just want to give my husband a complete self in the last time. Don't be like this. Please, please, please..." Alma Chu tears like rain, begging desperately, but these people have no humanity, the more she feels like this, the more excited she feels.

## Chapter 550

Alma Chu was already very weak, and her mood could not fluctuate too much. Under this situation, she immediately felt her heartbeat speed up, the strength of her whole body was gradually being pulled away, and the temperature of her body was constantly dropping.

She felt her change, her heart was shocked, and her legs began to weaken. She realized that she was sick!

A lot of vitality was lost in her body.

If this continues, she won't be able to last long!

The two women who grabbed her were frightened by how she looked now, "Why does her body become so cold?"

"His face is still so pale, shouldn't you have a heart attack!"

At this moment, other people also saw what was wrong with Alma Chu and frowned.

President Jiang turned his head and asked Xu Jing immediately, "What's the situation? Don't tell me, she has a heart attack!"

Xu Jing was stunned for a moment, and she didn't expect that Alma Chu would have such a situation. It looked quite scary.

Seeing Mr. Jiang's unkind eyes, she quickly said, "No, I asked her specifically yesterday. She has no disease, let alone a heart disease. This is pure pretense!"

In order for her to become a core member, she has completely abandoned her bottom line. In addition, she has indeed asked Alma Chu to confirm that Alma Chu does not have any major illnesses. At most, she has poor psychological quality and was intimidated. There will be no problems.

When she came in for the first time that year, she was also not very resistant. Later, for the first time, she immediately let go after she tried to taste it. Now Alma Chu is in this state. She doesn't believe that there are really loyal people in this world. The so-called loyalty is just that she hasn't tasted that taste.

She didn't think she was harming Alma Chu, but she was helping Alma Chu.

President Jiang was relieved when she heard her say this, mainly because he was too greedy for Alma Chu, and he didn't want to let such a superb stunner.

He smiled happily, and walked in front of Alma Chu, the green light in his eyes became more and more vigorous, including the men behind him, all salivating, wishing to swallow Alma Chu into his stomach!

Alma Chu saw this situation, she was already a little desperate at first, even the strength of resistance disappeared, and she collapsed on the ground, tears falling silently down her eyes...

“Oh, I actually cried. It’s very good. The harder you cry now, the more grateful you will be in the future, hehe.” Mr. Jiang smiled evilly on his face, and then he squatted down and began to reach out to Alma Chu You must eat Alma Chu’s things first!

At this moment, a deafening sound suddenly came from the door.

“boom!!!”

The locked door was kicked open with a violent kick, which contained infinite strength. He directly kicked the solid wood door and exploded. A lot of sawdust flew over and hit some of the people present, causing them to cry and howl. .

This sudden change shocked everyone. Many people trembled with fright and their faces were pale, and Mr. Jiang’s legs weakened and he fell to the ground.

Alma Chu raised her head, and she saw standing at the door with a calm face. In both eyes, a fire and a terrifying aura emanated from him, causing the entire villa to fall into ice. Cave in.

Behind him, lay a row of stumbling bodyguards, following Alma Chu’s two female bodyguards, bowing their heads in shame.

Not long after Wayne Lin arrived, the villa was closed. Even the pinnacle master of the day after tomorrow could not hear the movement inside, but for Wayne Lin, he could hear it clearly. When he heard Alma Chu’s The sound of crying made my whole body burn with anger!

Now, he saw Alma Chu collapsed on the ground, crying, her face pale, and her breath weak, and his whole person was even more ignited.

There was a thud in his head!

It exploded directly!

“Fifei!!!”

He let out a roar and disappeared instantly. There were more than twenty people present, no one could see his thing clearly. When he appeared again, he had already reached Alma Chu, knelt down and hugged Alma Chu.

In an instant

, He felt the coldness of Alma Chu's body, a lot of vitality, and pulled away from Alma Chu, Alma Chu was as weak as ever!

Panicked, Wayne Lin panicked completely, never panicked or even feared like today.

Because he has known Alma Chu for so long, and has never seen Alma Chu look so weak. The vitality of her body is constantly losing. He can't imagine why Alma Chu is like this. It is clear that Alma Chu's body is quite healthy. What bad habits.

He immediately checked Alma Chu's pulse and found that Alma Chu did not have any disease, but her body was inexplicably weak and her vitality was constantly being lost. He simply couldn't understand why this happened.

"Alma, Alma, how did you become like this? Don't scare me!" Wayne Lin held Alma Chu's hand tightly, and found that Alma Chu's hand was cold, he instilled Alma Chu directly without thinking. His anger passed, helping Alma Chu stay alive.

Fortunately, after he instilled true qi, Alma Chu's condition improved, her face returned to some ruddy, and her body was not so cold.

Alma Chu saw Wayne Lin's flustered and distressed look, her eyes reddened again, she was countless, but she didn't expect Wayne Lin to know her situation! She really regrets, annoys, and hates herself, why she has done everything, but at the last moment, she still fell short. In this way, the last good time between her and Wayne Lin will be ruined!

"Wayne, I'm sorry, I'm sorry..." She kept saying sorry, full of guilt for Wayne Lin. She felt guilty that she could not accompany Wayne Lin through the rest of her life, and let Wayne Lin stay alone in this world and accept the thoughts. Suffering.

Seeing her like this, Wayne Lin felt a pain in her heart, and said quickly: "Alma, don't say sorry to me, I am the one who should say sorry! It was me who came late and put you in danger again! "

Wayne Lin really blamed himself. He had known long ago that he shouldn't stay with Damon Wang, he should have rushed over as soon as possible. Then, nothing like this would happen.

He hates, he hates!

At this moment, President Jiang reacted. He was furious and pointed at Wayne Lin and cursed: "You are so brave, you dare to break in, I think you are impatient!"

Xu Jing also recovered. She looked at Wayne Lin and said sharply: "Mr. Jiang, he is Alma Chu's husband, the son-in-law!"

"It's him, that's just right. Just now I was so scared that I almost lost my soul. I want to die. I want to put his wife in front of him!" Mr. Jiang was very angry, and he kicked Wayne Lin. go with.

The speed is quite fast, it can be seen that he has the basic skills.

The corners of his mouth raised slightly, and a sneer appeared. He had absolute confidence that this kick could kick Alma Chu's husband into a howling ghost.

However, when he was full of confidence, Wayne Lin turned his head abruptly and stretched out his hand to catch his foot. Then he squeezed hard and heard a click, and then, Mr. Jiang was killing a pig. Scream.

Wayne Lin directly squeezed his calf bones violently, just like a Coke can was smashed.

The bones of adults are very hard, and it is almost impossible to smash it with the strength of the five fingers, but for a super strong person of Wayne Lin's level, smashing the bones of Mr. Jiang is no different from smashing a can of Coke.

President Jiang suddenly fell to the ground and hugged his right leg, crying and crying.

This scene was too shocking for everyone present, everyone was dumbfounded, never expected that such a thing would happen.

After Wayne Lin pinched President Jiang's calf, he only did a trivial thing. When he looked back at Alma Chu, his face was full of affection and tenderness. He picked up Alma Chu and put it on the sofa. And she kissed Alma Chu's lips lightly, helped Alma

Chu remove the green silks on her face, and said softly: “Alma, wait for me here for a while. I will help you with your grievances and get it back. .”

After speaking, he stood up. When his face looked at Xu Jing and the others, the affection and tenderness just now disappeared. What was left was only coldness and murderous intent, uttering words like a knife, “Who is it for you? Courage, hurt my beloved!!!”

When the last few words were spoken, it was as if the thunderbolt went down to the ground, and the thunder was rolling, which was shocking.
