

# A Life Upside Down Chapter 561 – 570

## Chapter 561

“Hey, Alma, I’m out of the gate. Are you at home? I’ll go back now.” Wayne Lin showed a happy smile.

There was no Alma Chu’s voice from the horse, but fell into silence, and could only hear a slightly rapid breathing.

Immediately, the smile on Wayne Lin’s face solidified, because he heard clearly that this breathing sound was not from Alma Chu, but...

Soon, an older voice came through the phone, “Wayne, it’s me.”

“Dad! Where is Alma? How is he!” Wayne Lin asked nervously immediately.

The person who listened to the phone was not Alma Chu, but Berry Chu, his father-in-law, and when he heard Berry Chu’s voice, he immediately realized that something had happened to Alma Chu!

Berry Chu sighed and said, “I can’t tell you, you can come here directly.”

Wayne Lin’s heart fell deeper when he heard this, and he quickly said, “Okay, where are you, I’ll pass right away!”

On the phone, Berry Chu mentioned a location, which was the central hospital of Huarvell. After Wayne Lin hung up the phone, he hurried over as quickly as possible without saying anything.

He was a little panicked, but also a little puzzled. Before the retreat, he checked Alma Chu's body and found that although Alma Chu's life origin has been lost a lot, he can still last for a month, while the heaven and earth spirit fruit only needs half. Yue can mature, and he still has enough time to rescue Alma Chu.

Could it be that Alma Chu suddenly became ill, speeding up the loss of life origin? !

Wayne Lin didn't dare to think about it any longer, he could only speed up and rush to the central hospital with the shortest amount of time.

Now his speed is faster than before, because through this retreat, his cultivation base has been more diligent, although he hasn't fully reached the point of innate realm of great perfection, but it is almost the same.

He is now the culmination of the fourth stage of the Innate Realm, and can be called the Dzogchen Invincible!

Especially through this retreat, he wiped out his own demons, became stronger mentally, and was free of dirt. Even if the real congenital realm Dzogchen is strong, he has the confidence to fight!

In this way, he was more sure about the power of the spirit fruit.

Hurry, hurry, hurry!

Wayne Lin did not choose to drive, but hurried over on foot. He drove on a high-rise building in the city. After a while, he was already on the floor of the inpatient department of the Central Hospital. His appearance also brought a few cigarettes on the roof. A family member was shocked and thought he had hit a ghost.

Wayne Lin ignored their horror and quickly found Alma Chu's ward. He took a deep breath, opened the door, and walked in.

The ward was very quiet. Wayne Lin immediately saw Alma Chu lying on the bed. She was very quiet, as if she had fallen asleep.

Just taking a look, his heart pierced fiercely, because Alma Chu's hair was half white, and the vitality of his body was weaker.

Looking at it now, if it wasn't for Alma Chu's face, Wayne Lin thought it was a woman in her fifties.

In just eleven days, Alma Chu's vitality was lost so much, and she became so old.

In the ward, Berry Chu and Candice Liu were also there. When they heard the door opening, they immediately turned their heads and looked over.

Both of them had red eyes and bloodshot eyes, and their faces were tired. They knew they hadn't rested for a long time.

"Dad, mom..."

Wayne Lin shouted and walked over.

"Wayne, you are here." Berry Chu's face showed a reluctant smile. Candice Liu wanted to laugh, but she couldn't laugh. On the contrary, after seeing Wayne Lin, her eyes became even more red.

Seeing the state of the two elders, Wayne Lin became more and more sad, but he did not show it. Instead, he smiled brightly and said, "Mom and dad, I'm here. Go back and rest."

The more at this time, the more Wayne Lin must show his composure and stabilize his military spirit.

Both of them shook their heads, showing that they could handle it.

Wayne Lin sighed inwardly, and did not speak any more.

He walked up to Alma Chu and saw Alma Chu's appearance clearly. He couldn't help feeling a pain. He had never seen Alma Chu so haggard and weak. For a long time, Alma Chu was in a very beautiful and healthy state.

"Wayne, Alma..."

As soon as Candice Liu spoke, she couldn't help crying. She had only one daughter, Alma Chu, and said without exaggeration that Alma Chu is her heaven, everything to her.

Wayne Lin turned her head and smiled and said to her: “Mom, don’t worry, there will be nothing wrong with Alma with me!”

“Really?” Candice Liu had hope in her desperate eyes, “but the doctor said, Alma is terminally ill...”

Berry Chu’s face also lowered, very sad.

Wayne Lin said very seriously: “Even if it is terminally ill, I can cure Alma, I promise you!”

Candice Liu was stunned. She stared at Wayne Lin blankly and nodded, as if she had chosen to believe it.

But Berry Chu sighed heavily. He just talked to the attending doctor and knew that Alma Chu was suffering from a terminal illness. There is no way to cure it at the current medical level, and Wayne Lin is just an ordinary person. Can you cure Alma Chu?

But he didn’t say it, so as not to disappoint.

Wayne Lin couldn’t see Berry Chu’s thoughts, and he didn’t explain anything. After all, this kind of thing is too bizarre. Even if he said it, Berry Chu would not believe it, and would think he was crazy.

Anyway, the spiritual fruit of heaven and earth will be mature tomorrow, and you will be able to see the difference.

At this moment, Alma Chu on the bed moved suddenly, then her eyelashes flicked slightly, and then slowly opened her eyes.

Her sight slowly changed from blurry to clear, and she saw a familiar face that appeared in front of her, smiling, looking at her affectionately and tenderly.

“Wayne, is that you?”

She whispered softly and stretched out her trembling hand to touch Wayne Lin’s face.

But she was really too weak, reaching half of her hand in the air, she had no strength and wanted to fall down.

Just as she was letting go, Wayne Lin gently followed her hand, placed it on her face, and said softly, "It's me, I'm back."

When Alma Chu heard this, she felt Wayne Lin's tenderness. Her eyes were red, and her eyes were soon filled with tears. She kept saying: "Wayne, I'm sorry, I'm sorry..."

Wayne Lin gently wiped the tears from the corners of her eyes, and said with a smile: "Silly girl, you are so honest, and I'm sorry, what do you do?"

Alma Chu saw Wayne Lin's affectionate eyes. Suddenly, she realized something. She hurriedly covered her face and turned aside to prevent Wayne Lin from seeing her, and said, "Don't look at me. , I don't want you to see me like this!"

## Chapter 562

Alma Chu finally realized that she was very old now, her hair was half white, and her face became pale and sallow. She was no longer the beautiful wife before, but became an old, yellow-faced woman!

She had prepared everything and went to die frankly, but she just couldn't accept it. Wayne Lin saw her ugly!

In her thoughts, she wanted to leave a lifelong beautiful impression on Wayne Lin, not as she is now, with pale hair and yellow old beads.

She can accept the spurs of the whole world, the only thing she can't accept Wayne Lin's slight disgust.

Even if Wayne Lin didn't hate it, but it would destroy her imagination in Wayne Lin's mind, then she would not like it.

There is a saying called "Women's capacity to please oneself", which means that a woman will dress up for the person she likes, and similarly, a woman doesn't want to be seen by the person she likes, which is worse than killing her.

Alma Chu is thinking this way now.

She was already like this. Wayne Lin couldn't see her look like an old man. She would rather not see Wayne Lin before she died than she did.

Wayne Lin felt her emotions, and his heart became even more uncomfortable, and his eyes became red a lot. He took a deep breath, unable to express his sadness. He held Alma Chu's hand, very gentle and affectionate. He said: "Silly girl, what are you hiding? In my eyes, you are always the most beautiful. I fall in love with you, not your skin."

Alma Chu put her face in the pillow, her shoulder twitched, and sobbed, "I don't want it, I'm so ugly now, I don't want you to see me like this!"

When Berry Chu and Candice Liu on the side heard this, their eyes were also red, and they couldn't help crying.

Wayne Lin hugged Alma Chu directly, and said with a smile: "It's useless for you to hide now, I have seen it just now."

Alma Chu's sigh made him more painful, and she cried even louder.

"Why are you coming over now, I just want to go quietly, why are you coming here? I don't want you to see my old and yellowish look... God, why are you doing this to me like this..." Alma Chu Crying, I can see that she is really sad. Sometimes a woman's thoughts are so strange. She would rather die than be seen by her beloved.

Wayne Lin's nose was sour. He hugged Alma Chu vigorously, very firm, full of majesty and seriousness, and said: "Tomorrow, you will be able to restore your beautiful appearance, Alma, you only need to wait for another day. something's up."

Alma Chu stiffened, but she still didn't dare to show her head, but her voice was trembling, with a faint hope, "Wayne, is what you said is true? I am really, can I recover?"

Wayne Lin smiled brilliantly, put his right hand through the quilt, and clasped Alma Chu's fingers tightly, and said, "Of course it is true. You don't know how good I am."

Alma Chu was silent for a while and said, "However, I have searched for many famous doctors, and they are powerless. I am a rare and strange disease that cannot be cured."

Wayne Lin said: “You are not sick, but there is a small problem temporarily in your body. There is a miraculous fruit between heaven and earth that can restore your health. It will not only restore your health, but also make you more radiant and add dozens of Years of life.”

In the ward, there were also doctors and nurses. Hearing Wayne Lin’s words, they all shook their heads, showing pity and sympathy, thinking that Wayne Lin was comforting Alma Chu, even telling such lies.

&nb

; And Berry Chu and Candice Liu, both of them also cried silently, thinking that Wayne Lin also learned of Alma Chu’s life soon and began to coax Alma Chu.

Alma Chu seemed to believe it. She showed a bright smile and said: “Okay! Wayne, I believe you!”

Wayne Lin smiled and nodded.

Next, Wayne Lin accompanied Alma Chu for two more hours, after which he left the central hospital.

During these two hours, Alma Chu kept hiding herself, not daring to show it to Wayne Lin. It was not until Alma Chu left the ward that she showed her face, sighed a long, and a smile appeared on her face. Seems to be satisfied, calm.

.....

After Wayne Lin left the central hospital, he immediately called Xuanyuan three places.

When Sun Liang received his call, the whole person jumped up and said sharply: “Instructor Lin, thank goodness, you finally called me!!!”

His voice was loud and excited. Wayne Lin was shocked. He thought he had caused something. He quickly asked, “Chu Sun, what’s the matter? During my retreat, what happened? ?”

“Yeah! Something happened! Something big!!!” Sun Liang said loudly.

When Wayne Lin heard this, he gave a heavy thump in his heart, thinking of a bad premonition, he hurriedly said: "Could it be the colorful origin fruit, matured in advance?!"

Wayne Lin's eyes were as wide as a copper bell, and his breathing was rapid. If the original fruit of the wizard has matured and is picked, then his efforts will fall short, and all hope will be lost! This is not something he can accept!

Sun Liang was stunned. He didn't expect Wayne Lin's reaction to be so big, and he still said this sentence.

He hurriedly said: "No, no, the Colorful Origin Fruit hasn't matured in advance."

After Wayne Lin listened, his tight nerves suddenly relaxed!

Fortunately, Qi Cai Yuan Guo did not mature in advance, otherwise he would really collapse.

"That's good, that's good..." Wayne Lin said.

Sun Liang said: "No, something happened, something happened to you!"

Wayne Lin was a little surprised by these words. He was so okay, what happened?

Wait.....

Suddenly, Wayne Lin's inspiration flashed. Thinking of something, he said, "Is it because Zhong Tao came to trouble me?"

Wayne Lin's reaction was not unpleasant. He just turned around for a while, and just wanted to understand, there is only one possibility that the colorful origin fruit did not mature in advance, and it can make Sun Liang so nervous. Zhong Tao at Xuanyuan 2 has already determined. His identity specially went to three places in Xuanyuan to seek revenge.

Sure enough, Sun Liang said on the phone: "You know too! I said instructor Lin, you are also a smart man, how did you kill Zhong Tao's brother-in-law? Now Zhong Tao wants you to pay for it, even Xuanyuan San You can't be saved! Zhong Tao is an extremely

strong person in the fourth stage of the Innate Realm, and he is on the same level as Chief Peng, and he has so many apprentices that it consumes you!”

Wayne Lin was not afraid, but instead laughed and said, “Is that the only thing? I thought it was a big deal.”

When Sun Liang heard that Wayne Lin could still laugh, he was speechless.

Next, Wayne Lin didn’t chat with Sun Liang for too long, and went straight back to Xuanyuan three places first.

## Chapter 563

Sun Liang just hung up the phone. Not long after, someone walked into his office and said, “Old Sun, why are you still here? It’s time to set off.”

The visitor was Zhao Xia, with some resentment on his face, he said, “This Zhong Tao at Xuanyuan 2 is too arrogant. Isn’t it the fourth stage of the Innate Realm? What’s the point!”

Sun Liang was taken aback when he heard what Zhao Xia said, and said, “Old Zhao, is Zhong Tao here again?”

Zhao Xia nodded and said, “Isn’t it? I will show off as soon as I arrive. By the way, old grandson, did you contact Instructor Lin? Tomorrow the colorful origin fruit will mature. If he doesn’t show up, he won’t be able to participate in the mission. , You may be blamed by the above.”

“Not good!” Sun Liang slapped his thigh, then he quickly picked up the phone and pressed the number to dial. Zhao Xia was puzzled when he saw him like this, “Old Sun, who are you calling?”

Sun Liang said worriedly: “Instructor Lin is on his way back. It would be no good for him to meet Zhong Tao. I have to remind him!”

Zhao Xia was also surprised when he heard, “What? Instructor Lin has returned? Where has he gone in the past half month.”

“I’ve gone to retreat, but I’ve already left, and I’m rushing over now.” Sun Liang replied casually, and found that the phone could not be reached, “Oops, instructor Lin’s phone cannot be reached.”

At this moment, Sun Liang’s cell phone rang, and it was Peng Zhuo who let him go. He had to put down the phone. He could only pray that Wayne Lin would be low-key when he came back this time and would not meet Zhong Tao.

Otherwise, with Zhong Tao’s strength, he really doesn’t think Wayne Lin can beat Zhong Tao.

After he went out, he saw that Zhong Tao and others had arrived. Zhong Tao looked around, obviously looking for Wayne Lin.

Because the three bases of Xuanyuan were closest to the mountain where Colorful Origin Fruit was born, Xuanyuan 1 and Xuanyuan 2 both came to Xuanyuan 3 a day in advance to settle down.

Over the past half month, the senior officials of the three organizations have discussed many times, formulated various plans, and set up the scenes, waiting for the colorful origin fruit to mature tomorrow.

Sun Liang came over, and after seeing Zhong Tao, he was obviously a little nervous, because he knew that Wayne Lin would be back soon, and Zhong Tao would definitely be in trouble when he met Zhong Tao.

In addition to Zhong Tao, there are also many masters from Xuanyuan 1 and Xuanyuan 2 who also gathered here.

Among them, there are actually three masters of the fourth stage of the Innate Realm, their aura is extremely powerful, and the entire three places of Xuanyuan are pressed into shortness of breath, which is very uncomfortable.

“Zhong Tao, I heard that your brother-in-law was beaten to death by a new instructor at Xuanyuan No. 3?”

At this moment, a person suddenly teased Zhong Tao that he was one of the fourth stage masters of the Innate Realm in Xuanyuan. When these words were said, the atmosphere of the audience immediately changed.

Zhong Tao's face changed suddenly, he snorted and said, "Yes."

Another master of the fourth stage of the Innate Realm also smiled and said: "There are seeds in the three places of Xuanyuan, you dare to move your family. But with your personality, I'm afraid this guy died terribly, right?"

As they said this, they didn't care about the people in the three places of Xuanyuan, they were joking casually, with a high posture.

The fourth stage master of the first innate realm said with a smirk, "Hehe, then you guessed wrong, people are living well, Zhong Tao hasn't seen anyone yet."

"No, Zhong Tao, this is not your character? Zhong Tao, can't you not beat the opponent?"

Others looked at Zhong Tao, surprised, ridiculed, and gloating.

Zhong Tao was already full of fire, but now this situation makes him even more uncomfortable. He directly said coldly, "Huh, the third place of Xuanyuan is hiding this beast, otherwise, Lao Tzu's first day Screwed his neck down!!"

After he finished speaking, he stomped his feet vigorously, and the floor under his feet immediately split like spider silk, spreading to the feet of the people in three places on the left Xuanyuan.

Peng Zhuo's expression was also ugly. They didn't put Xuanyuan in their eyes at all, nor did they look at him, Peng Zhuo!

If it had been changed five years ago, the third place of Xuanyuan had not erupted that battle, and no talents had died. How would you dare to stand on the head of the third place of Xuanyuan like this?

Peng Zhuo took a deep breath, he decided to bear it down, and waited tomorrow, the colorful origin fruit matured, if he can successfully pick, then he will make a great contribution, then the above will not treat Xuanyuan three places badly, and poured more resources over. There is still hope for the rise of the three places of Xuanyuan!

But the people at Xuanyuan No. 1 and Xuanyuan No. 2 saw him being bullied to the door of his house so much, they didn't dare to speak, and despised him even more.

Among them, another master of the fourth stage of the Innate Realm at Xuanyuan 2 stood up and said to Peng Zhuo: "Peng Zhuo, I heard that you have a master at Xuanyuan 3, where is the person?"

Peng Zhuo said with a cold face: "Instructor Lin went to retreat."

"Retreat? I think I was afraid of Zhong Tao before the tortoise shrank up? Yes, this is also in line with your Xuanyuan three styles. When something happens, hide like a tortoise, hahaha.

His words aroused a lot of people's ridicule. He mocked the three Xuanyuan places on the three places of Xuanyuan. It could be said that he didn't give Xuanyuan three places any face.

All the people in Xuanyuan 3 gritted their teeth and were very angry, but they couldn't help it. The gap was too big. In the Xuanyuan competitions in recent years, they were all abused by Xuanyuan 1 and Xuanyuan 2. , There is already a psychological shadow.

Zhong Tao sneered disdainfully, and said to Peng Zhuo: "Peng Zhuo, you don't need to be hard-headed, because I'm afraid that I will kill your new instructor because I shot too hard, so you hide him and pretend to be closed. I tell you, I have investigated his identity. Wayne Lin, right? A businessman in Hwadrid who killed Brian Gu and Wu Meizi. He was also known as the number one master in Province G. I don't know the so-called. !"

Peng Zhuo's face was ugly, he clenched his fists, he was very angry, but there was no way. Who wouldn't let his fists be beaten by Zhong Tao? Even if he and Zhong Tao are singled out, they may not be Zhong Tao's opponent, let alone Said that, behind Zhong Tao, there are three masters of the fourth stage of the innate realm.

So he still had to endure and not talk back to Zhong Tao.

Zhong Tao sneered and scorned Peng Zhuo even more. His gaze flicked across all three of Xuanyuan's eyes. The contempt and disdain seemed to be just looking at a group of ants.

All the people in the three places of Xuanyuan were very angry, but there was no way. Many people were looking forward to it. Wayne Lin came back quickly to teach Zhong Tao a good meal and fight for the three places of Xuanyuan!

At this moment, a loud voice came from behind everyone, “Who said I was hiding?”

This voice sounded very loud, but also very ethereal. It came from far, far away.

The people in the third place of Xuanyuan heard this sound and immediately became excited, because they recognized who this sound belongs to.

But the high-level officials such as Peng Zhuo and Sun Liang changed their expressions and became nervous.

The next moment, everyone looked back, and suddenly saw a tall man in the distance, walking over leisurely.

Isn't Wayne Lin who else?

## Chapter 564

“Oops! Why did instructor Lin come back at this time?!”

Peng Zhuo's heart suddenly jumped.

The other senior officials in Xuanyuan 3 were also worried. They didn't expect that Wayne Lin would come back at this critical juncture. Didn't he just hit the gunpoint!

And many people in Xuanyuan three places started to get excited when they saw Wayne Lin's figure, and many people started cheering, especially those in the fourth group, the most excited.

“Great, instructor Lin is back!”

“Let me just say, instructor Lin is such a powerful person, he is not afraid of heaven and earth, how could he be afraid of an instructor at Xuanyuan 2nd place!”

“It's great that instructor Lin is back, and I will teach that surname Zhong a lesson! I just see if he is not pleasing to the eye and drag him.”

They were ridiculed by the people at Xuanyuan 1 and Xuanyuan 2 and they had already suffocated in their hearts. Because of the difference in strength, they could only endure

it and did not dare to show it. They pin their hopes on Wayne Lin. Now they see Lin Zi. When Ming came back, they were all too excited and excited.

However, the other people in Xuanyuan No. 1 and Xuanyuan No. 2 heard what they said and realized that Wayne Lin had killed Brother Zhong Tao's enemy. Immediately, their expressions became exciting, and their eyes fell on Wayne Lin. Look at what Wayne Lin has three heads and six arms, dare to fight against Zhong Tao.

When Zhong Tao saw Wayne Lin, his eyes widened suddenly, and his breathing swiftly rose. His eyes were as big as a copper bell, and he stared at Wayne Lin!

He clenched his fists and made a clicking sound, anyone could feel his anger and killing intent.

"This is the new instructor at Xuanyuan No. 3? It looks nothing special."

"Yeah, looking ordinary, it's a little bit taller, and you dare to offend instructor Zhong. This is the hanging of the birthday star. Is it too long?"

"Look, with the character of Instructor Zhong, this guy dared to show up in front of Instructor Zhong. Instructor Zhong will definitely not let him go."

"Instructor Zhong is going to kill him, right?"

"Hey, this is hard to say, instructor Zhong is notoriously hot."

Because of Wayne Lin's arrival, the atmosphere on the scene suddenly boiled, and everyone's eyes were on Wayne Lin.

There were three other super masters in the fourth stage of the Innate Realm, who also stared at Wayne Lin closely. They wanted to see what Wayne Lin's cultivation was.

But no matter how they looked at it, they still couldn't clearly estimate Wayne Lin's strength. They just felt that Wayne Lin was mysterious, seemed very powerful, and seemed to be vain.

Wayne Lin had just arrived, and when he heard Zhong Tao's threatening words, he did not hesitate to dedicate himself.

This was the first time he saw Zhong Tao. Without introducing him, he recognized Zhong Tao immediately. I have to say that this Zhong Tao is indeed quite strong, and his strength has surpassed Ye Xingchen.

In addition, there were three other people in the fourth stage of the Innate Realm, which he also observed.

“interesting.”

Feeling the contempt and hostility of these people, the corners of Wayne Lin’s mouth rose slightly, and some fighting spirit rose in his heart.

He just came out of retreat and eliminated the demons. He was completely reborn and his strength increased a lot. He was about to find a master to experiment with his strength. Zhong Tao and these three innate stage 4 masters appeared. It can be said to be very timely.

“Lin! Zi! Ming!” Zhong Tao saw Wayne Lin, his eyes burst out with terrifying hatred, his whole body’s momentum reached a peak, his hair stood up one by one, like a hedgehog, which looked special. terror!

He did not hide his murderous intentions towards Wayne Lin at all, everyone present felt it

When he reached his terrifying killing intent, he couldn’t help but shudder and began to sympathize with Wayne Lin.

“No, this Zhong Tao is going to kill Instructor Lin!” Someone exclaimed in Xuanyuan’s three places, and they also realized this.

Peng Zhuo immediately walked out, stood in front of Zhong Tao, and said in a deep voice: “Zhong Tao! Don’t mess around, the colorful origin fruit will mature soon. The task is important, you can’t move Wayne Lin!”

Zhong Tao stepped forward, staring at Peng Zhuo, and said coldly: “Get out of here!”

He didn’t make a move, but the momentum he brought was incredibly powerful, even Peng Zhuo, who was also in the fourth stage of Innate Realm, couldn’t bear to be frightened.

Peng Zhuo did not back down. He resisted Zhong Tao's pressure and continued to say in a deep voice: "Zhong Tao! You have already figured out how important this task is. You will do it for your own personal grievances! By then the mission will fail. Can you afford this responsibility?!"

Peng Zhuo's words were so loud and full of majesty that it was deafening to hear.

Sure enough, after Zhong Tao finished listening, his brows were slightly frowned, and some hesitations flashed. Peng Zhuo was right. This task is very important. It is inevitable to win the colorful origin fruit. If it is because of him His personal grievances delayed the task, so he couldn't bear the blame.

However, just as he hesitated, a voice came from next to him, "Zhong Tao, are you awkward? The task is important. With so many of our masters working together, are you afraid that it will not be completed? Besides, once the task is completed , It's a great achievement. You killed an instructor at Xuanyuan 3rd place in a mere trivial area. What is it?"

It was an instructor in Xuanyuan, with a faint smile on his face, for fear that the world would not be chaotic.

After Zhong Tao listened, his eyes brightened, and he suddenly became clear, "Yes, as long as the task is finally completed, the rewards above are too late. Where can I blame?"

In such a short time, Wayne Lin was already very close. He still had a faint smile on his face. He was not afraid at all. He clearly did not see Zhong Tao in his eyes, which made Zhong Tao see him. , More angry.

"Peng Zhuo, let me say one last thing, if you don't get out, don't blame me for shooting you!" Zhong Tao tore his face and said coldly to Peng Zhuo.

As he said, Zhong Tao's eyes became extremely cold, and they were already moving. Peng Zhuo snorted inwardly when he saw him like this, but he still did not back down and said to Zhong Tao: " Zhong Tao! As the chief of Xuanyuan 3rd Division, I am one level higher than you. If you count as half your boss, you still dare not do anything to me?!"

At this time, Peng Zhuo could only use his position to suppress Zhong Tao.

According to the position, Peng Zhuo is the chief division, and Zhong Tao can be regarded as the deputy division, and he is indeed a higher level.

Zhong Tao laughed loudly, as if he heard a huge smile, “Peng Zhuo, because of you, the chief of Xuanyuan 3rd place, so you dare to use your position to suppress me? It seems that you are toasting and not eating fine wine. , I want to attack you and see if the above will favor you!”

After speaking, he shot Peng Zhuo directly.

Peng Zhuo was also annoyed, he was also a director anyway, Zhong Tao didn't give him face like this.

“You're looking for death!” Peng Zhuo didn't step back and met Zhong Tao.

This touch made a huge noise, the movement was extremely quiet, and the ground trembled fiercely, showing how profound their skills are.

Thump thump...

Peng Zhuo backed away continuously, with some blushes on his face. Just now, he fought Zhong Tao's palm, and he actually fell into a disadvantage.

When he immediately lowered his qi and blood pressure and was about to take another shot, one hand grabbed him from the side and said with a smile: “Chief Peng, there is only Zhong Tao, you can't do it yourself, let me come.”

## Chapter 565

Peng Zhuo had already accumulated his energy and was about to launch a counterattack against Zhong Tao, but Wayne Lin grabbed his wrist like this and he couldn't move!

And Wayne Lin still had a faint smile on his face, and he looked very relaxed. He couldn't help but be surprised, and sighed that Wayne Lin was so powerful? !

When the others saw Wayne Lin's arrival, they all looked over. Zhong Tao's eyes were electric, staring at Wayne Lin, sneered, and said: "The surname Lin, you can be regarded as showing up! Who gave you the courage, Who dare to kill me?!"

Wayne Lin walked over from Peng Zhuo and looked at Zhong Tao faintly. There was no trace of jealousy or fear, and he clearly did not put Zhong Tao in his eyes.

"What kind of stuff your brother-in-law is, you know yourself, no matter how much rubbish like him, I will punch him to death." Wayne Lin said lightly, with some disdain from the corner of his mouth.

Zhong Tao watched thunderously, and roared: "You are looking for death!"

Then he stopped staying, and rushed directly towards Wayne Lin. Once he shot, it was a thunder attack, and he wanted to slap Wayne Lin to death.

I have to say that Zhong Tao is still very fierce and powerful. At a distance of more than ten meters, he has already walked two steps before arriving in front of Wayne Lin, and brought a lot of mental pressure. In everyone's feelings, Zhong Tao is not a person, but an ape god with a figure of hundreds of feet, holding an iron rod that can pierce the earth in his hand, and passing towards Wayne Lin!

In their opinion, Wayne Lin was about to be stabbed to the core and died.

"Oops! Instructor Lin is in danger! This Zhong Tao is terrifying!"

Everyone in Xuanyuan 3 on the scene began to numb their scalp. In their opinion, Wayne Lin was not Zhong Tao's opponent at all, and he was about to be punched through by Zhong Tao.

As for Wayne Lin, what he saw in his spiritual world was not a hundred-foot ape god, but only a two-meter-high ape. The aura was indeed quite big, but he was far from stabbing him to death.

When Zhong Tao's punch came in front of him, he moved.

Chuck!

He did not choose to hard-wire, but moved to the right. The speed was extremely fast, almost like a teleport. On his ground, there was a 20 cm deep crack. This was because his speed was too fast and his strength spread to the ground. , As strong as a knife, cut a crack on the ground.

It was also because of such an astonishing speed that caused him to get Zhong Tao's punch in time.

“Huh?” Zhong Tao yelled, looking a little surprised, as if he didn't expect that Wayne Lin would still be able to escape his fist in this situation, because he was a bit sneaky just now.

Zhong Tao didn't stop when he missed a punch, he immediately launched a series of attacks on Wayne Lin.

One punch after another, one punch is faster than one punch, and one punch is stronger than one punch. All of a sudden, it covers Wayne Lin's whole body, mainly towards Wayne Lin's face, as long as he takes a punch casually, Wayne Lin will also be seriously injured!

With fists like a cannon, Zhong Tao didn't believe that Wayne Lin was able to dodge under his intensive and fast attack!

When they fought like this, they brought great power. After a while, they whipped up a strong wind out of thin air and blew it all around, especially on the hard ground. They were also trampled by their feet like being crushed by a bulldozer. Terrifying!

Except for the remaining three masters of the fourth stage of the Innate Realm, as well as those masters before Peng Zhuo, including Zhao Xia, did not dare to get too close, and dodge quickly for fear of harm to the pond fish!

There is no way, this level of high

Hand fights are not something they can mix.

Wayne Lin faced Zhong Tao's attack, his eyes brightened a lot, and his mood became a lot more excited.

“Good come!” He yelled and let out two long and cheerful howls.

This time he came out of retreat and reborn, just wanting to find a master to play a good game!

He kept hiding like this. No matter how fast Zhong Tao was, he couldn't hit him. After a long time, Zhong Tao couldn't help but get angry. He cursed loudly: "The surname is Lin! You can only hide! There is a kind of Head to head with me!"

Head-on?

The arc of Wayne Lin's mouth rose even more, "Okay, as you wish."

"Yin..."

Suddenly, Wayne Lin's temperament suddenly changed. It was no longer the gentle and plain temperament that was just now, but changed, like a different person, becoming fierce, aggressive, and domineering!

Wayne Lin's original form of retreating rapidly stopped abruptly. His eyes were no longer as calm as before, but suddenly became much colder, like two suns emitting dazzling light!

He said: "Zhong Tao, take my punch!"

It seemed that the Fa came out at random. By the time he finished speaking the last word, his fist had already reached Zhong Tao, and there was not much movement, nor did he imagine the sonic boom. It gave people the feeling that his punch did not spread through the air, but came out of the void, silently, but full of power and mystery.

Zhong Tao felt the horror of this punch. In an instant, his pupils were suddenly enlarged, he screamed in his heart, and yelled bad!

But he did not choose to retreat, because he also had incomparable confidence in himself, strength, and always his good at, he did not believe that Wayne Lin's fist could be as heavy as him!

Therefore, instead of backing up, he sank his right foot back, exerting force on his waist, and wanted to fight Wayne Lin's punch!

'I want to see, what are you capable of! A sneer appeared on Zhong Tao's face. However, he hadn't laughed long before, and immediately, his smile stiffened, because he felt the terrifying force of Wayne Lin's punch!

He felt as if he had collided with a high-speed train. This powerful force could not be blocked by humans, even if he was a master of the fourth stage of the Innate Realm!

"boom!"

A loud noise that could pierce the eardrums erupted from between the two of them. The next moment, Zhong Tao's huge body flew backwards!

But Wayne Lin remained motionless, the scene, as if Zhong Tao had been hit by a train, gave everyone the feeling that they were especially against.

puff.....

Zhong Tao was in the air and couldn't help but spout a mouthful of blood!

But in comparison, the shock in his heart was even stronger.

He actually fisted and lost to Wayne Lin, how could this be possible!

Not only him, but all the people at Xuanyuan No. 1 and Xuanyuan No. 2 were also dumbfounded, feeling that this scene was too shocking and incredible.

They all knew who Zhong Tao was, and how strong Zhong Tao was. Now that Wayne Lin was spitting blood with one punch?

Wayne Lin didn't take advantage of the victory, but stood still, smiling faintly, looking at Zhong Tao, and said: "Your strength is too small, so you are embarrassed to face hard with me?"

## **Chapter 566**

"you!!!"

When Zhong Tao heard this, another burst of anger attacked his heart, and he spouted blood again.

As the instructor of Xuanyuan No.2, he has a high position and countless high disciples under him. He is also the ultimate master of the fourth stage of the Innate Realm, standing almost at the top of the pyramid of all mankind. Where has he suffered such humiliation? The key opponent is his enemy, this feeling is even more uncomfortable than killing him!

Especially for the many agents in Xuanyuan No.2, it was a very strange thing, they even suspected that they had hallucinations!

This is Zhong Tao, looking at the entire country of China, the existence of the top ranking, actually lost to the new instructor at Xuanyuan Third?

Not to mention them, everyone at Xuanyuan 3rd place was also very surprised. They knew that Wayne Lin was very strong, but they had never thought that Wayne Lin was already so strong. Even a man like Zhong Tao could not stop Lin Zi. Ming punched.

The eyes of the other three innate stage fourth stage masters suddenly became round, their pupils shrunk, and they stared at Wayne Lin. They felt Wayne Lin's powerful aura just now, and even they didn't have the confidence to accept it. Stay Wayne Lin's punch without getting hurt.

After being quiet for a full five seconds, the scene began to explode in exclamation.

"Instructor Lin won!"

"Great!"

"Long live instructor Lin!"

"Hahahaha..."

All the people in the three places of Xuanyuan were excited now, even the people in the Fang Fang and Dragon Blood Team, now admired Wayne Lin with a strong admiration.

As for the people at Xuanyuan One and Xuanyuan Two, they had completely different expressions.

“How could this happen? Instructor Zhong actually lost?”

“Oh my god, am I right?”

“No, this must be an illusion, how could such a powerful instructor appear in the three places of Xuanyuan, so weak?!”

Wayne Lin stood with his hand in his hand, looking at Zhong Tao with cold eyes, “Jiang Wei, I did kill him. You want to avenge me and be with you at any time. However, this time I read that everyone is a Chinese instructor. Forget your life, and the next time, it won’t be the result.”

After finishing speaking, Wayne Lin stopped looking at him, but walked over to Peng Zhuo, clasped his fist and said, “Director Peng, I’m sorry, I haven’t said hello to you in the past half a month, which makes you worried.”

Peng Zhuo looked at Wayne Lin, his lips moved. Originally, Wayne Lin had violated Xuanyuan’s three regulations and was to be punished. But now he looked at Wayne Lin’s indifferent appearance, his aura was completely absent from him. Next, he even pressed him, he couldn’t show the majesty of his superiors to press Wayne Lin.

He waved his hand and said, “It’s fine if you are alright.”

“Ok.”

Feeling that Sun Liang and others were looking at him in surprise, Peng Zhuo coughed twice and added: “Let’s not take this as an example.”

Wayne Lin smiled and nodded, and said, “Let’s not take it as an example.”

Peng Zhuo breathed a sigh of relief, but fortunately, Wayne Lin knew how to do it, so he didn’t lose face.

Zhong Tao gritted his teeth with anger. For the past half month, he has been thinking about how to avenge Wayne Lin and how to torture Wayne Lin. He never thought that he would lose, and he was defeated so thoroughly!

He has never been so embarrassed, it is difficult to accept this fact!

He stared at Wayne Lin fiercely, and wanted to fight Wayne Lin for another three hundred rounds, but he no longer had the courage. In fact, Wayne Lin's punch just now showed

The power that came was too strong, and it was obvious that the strength was above him, even if he pits against Wayne Lin again, he will be humiliated.

He completely couldn't understand why Wayne Lin was so young and his cultivation level was so high. This is totally unrealistic! !

Because of Zhong Tao's defeat, he was a great encouragement to the three places of Xuanyuan, his momentum rose a lot, and he was no longer as sluggish as before. On the contrary, for Xuanyuan 1 and Xuanyuan 2, it was a huge blow, and their arrogance suddenly weakened a lot.

"Zhong Tao, what kind of cultivation is this surnamed Lin, you can't even catch his punch?"

Immediately, Luo Hongyang, another instructor of the fourth stage of Innate Realm at Xuanyuan 2 asked in a deep voice.

At this time, the two instructors Lu Qisi and Fang Xingping of the fourth stage of the innate realm in Xuanyuan also came over, and the expressions on their faces were also very solemn.

Zhong Tao's face was ugly. He looked at Wayne Lin in the distance with hatred and fear, and said four words: "Unfathomable!"

Luo Hongyang raised his brows heavily, and said, "Could he have reached the Dzogchen Realm of Innate Realm!"

Lv Qisi and Fang Xingping were also taken aback. If Wayne Lin was in the Dzogchen realm, it would be a terrible thing. The key point is that Wayne Lin is so young. Given time, it is possible to break through to the point that King Kong is not bad. Ah!

Zhong Tao let out a long breath and said: "I'm not sure, but the punch he just now was too domineering. I fought with him, like hitting a train, unstoppable! In my opinion, he is not Dzogchen. , At least it is the culmination of the fourth stage of the Innate Realm."

Fang Xingping frowned, "Unexpectedly, the three places in Xuanyuan, after the battle five years ago, would be able to cultivate such a perverted master!"

Lu Qisi said meaningfully: "Zhong Tao, I don't think you can get revenge for this grudge."

Zhong Tao snorted heavily, and said grimly: "Why is it bad to report, I have some ways to kill him!"

There was a terrifying light in his two pupils, like two groups of ghost fire, which made people shudder at a glance.

On Wayne Lin's side, he returned to the three places in Xuanyuan, briefly held a meeting, learned about tomorrow's task, changed a new set of clothes, and set off with the large army.

Counting the time, it has been less than 20 hours since the colorful origin fruit matured. At this moment, there must be many forces lurking down, waiting for the colorful origin fruit to mature, and then take it in one fell swoop.

After calculation by top scientists, it is calculated that this colorful original fruit will mature in Lion Rock.

Lion Mountain is a high mountain between Hwadrid Fortress and Fengcheng Fortress. It is high in altitude and stretches for hundreds of kilometers. It is covered by snow and ice all year round, and it is very cold.

According to the previous ripening locations of the colorful origin fruit, they were all grown in extremely cold places, either in the South Pole or the North Pole, but this time, they matured in Lion Mountain and some deviations appeared.

When Wayne Lin followed most of the Lion Rock, he discovered many powerful auras, hidden in them, among them, there were more than 30 masters of the innate realm, which can be said to be very exaggerated!

You know, the innate realm masters, no matter where they are, are very rare existences, this time there are more than 30 more, and the destructive power brought by them is comparable to a medium-sized country!

In addition, Wayne Lin and others, the innate realm masters gathered on the Lion Mountain, directly broke through forty.

Many of them are extremely strong in the fourth stage of Innate Realm.

Wayne Lin felt so much powerful aura, he frowned, even his cultivation level, also produced tremendous pressure.

## Chapter 567

Fortunately, Wayne Lin hasn't felt the aura of the Great Perfection powerhouse in the Innate Realm, otherwise, his chances of winning the Colorful Origin Fruit would be even lower!

But in any case, he is bound to win the seven-color source fruit, no matter how difficult it is, he must overcome it!

"There are a lot of demons coming this time!"

Not only him, but other people also felt so much power, and Peng Zhuo frowned.

Zhao Xia, Sun Liang and others were also worried, and they also felt that there was a lot of powerful aura on the Lion Mountain, which surpassed them.

Chang Hong said in a deep voice, "I am afraid that this task will not be completed."

Another senior from Xuanyuan 3rd Office also said, "I don't think it is easy to complete it. Maybe, many people will be sacrificed!"

As soon as their voices fell, someone sneered and said: "I just came to Lion Mountain now, and the Colorful Origin Fruit is not yet mature. Are you sighing like this?"

"Hahaha, isn't this the normal performance of Xuanyuan three places, otherwise you really expect them to have the courage?"

The words of these two people immediately aroused the ridicule of Xuanyuan No.1 and Xuanyuan No.2.

A master of the third stage of the Innate Realm said with a disdainful face: "If you are afraid of the three places of Xuanyuan, you can hide away. Anyway, I don't expect you to be able to help this time."

"Yeah, just the strength of your Xuanyuan third place, that is, the one who came to make soy sauce. This task mainly depends on our Xuanyuan First and Xuanyuan Second."

"Why don't you go back now, don't wait for tomorrow to fight together, you will be so scared to pee your pants, hahaha..."

They laughed at you like this, and immediately caused the expressions of Xuanyuan to be pulled down, and the expressions of Peng Zhuo and other high-level officials were not good.

Xuanyuan No. 1 and Xuanyuan No. 2 were too much, and they never stopped mocking Xuanyuan No. 3!

Peng Zhuo snorted heavily and said, "I think you should take care of yourself! This task is important. Don't let us pick the colorful origin fruit at Xuanyuan three places then!"

Luo Hongyang laughed and said, "Just rely on your mobs in the three places of Xuanyuan? Peng Zhuo, are you dreaming?"

The second place of Xuanyuan sneered, and he was very disdainful of the third place of Xuanyuan.

At this time, Fang Xingping from Xuanyuan stood up, and the peacemaker said, "Okay, okay, don't make a noise. Our task this time is to pick the colorful original fruit. This is a top priority."

The people in Xuanyuan 3th place thought that Fang Xingping was speaking for them, and immediately heard Fang Xingping say: "However, you are right. There will indeed be a fight tomorrow, which is very dangerous. Why don't you go home first. We will not make a small report to the above. Don't worry about this, you can't help anyway."

When these words were spoken, the faces of the three people in Xuanyuan became blush.

Zhao Xia is a hot character. He can't stand it first. He stood up and said angrily: "Fang Zhiping! What are you talking about! When did the three Xuanyuan places be greedy for life and fear of death?!"

Fang Xing Ping was not afraid of Zhao Xia's anger. He didn't change his face. With a smile on his face, he said lightly: "Zhao Xia, you are not convinced, do you want to practice with me? I can give you a hand. ."

After that, he actually hid his left hand behind his back and hooked his finger at Zhao Xia.

Contemptuously, he didn't pay attention to Zhao Xia at all.

Zhao Xia is also a very hot and arrogant person. Fang Xingping does not give him face like this. He is already burning with anger. Stepping forward, he will fight Fang Xingping for three hundred rounds.

Even if he did not reach the fourth stage of the Innate Realm, he could not be humiliated by Fang Xingping!

But he was quickly stopped by Wayne Lin, "Old Zhao, the overall situation is important."

"Instructor Lin!" Zhao Xia stared at Wayne Lin, gritted his teeth and said, "It's not that I don't care about the overall situation, but that the surname Fang is deceiving too much!"

Wayne Lin looked at Fang Xingping and said, "Fang Xingping, do you feel proud of this kind of nest? How many foreign forces are watching our jokes, is this your style of Xuanyuan?"

After these words, Fang Xingping's expression immediately changed. Nothing else, Wayne Lin's hat was too heavy.

Immediately the people in the third place of Xuanyuan were also discussing.

"Instructor Lin is right. The enemy is right now, but you are in the den. You are so powerful, but you have your gun to the outside. Now, what is the ability to bully your compatriots?"

“I think he only has this ability, and he will only bully his compatriots. If he faces those foreign forces, he will immediately be counseled.”

“If this were during the war, this kind of person would be the first traitor.”

“Fortunately, he is still an instructor in Xuanyuan, and his character is no one.”

What you said and I said in three places in Xuanyuan reached Fang Xingping’s ears, making his complexion look ugly, and even the eyes of many people looking at him in Xuanyuan were a little strange.

They are also agents trained by the Chinese nation, and their own national plot is much stronger than ordinary people. Now Xuanyuan three places are right. At the time of the enemy, Fang Xingping is bullying his compatriots, which is a bit unreasonable.

Fang Xingping’s expression was ugly. He didn’t expect Wayne Lin to have such sharp teeth. The competition and suppression between the three Xuanyuan institutions was a normal thing. For so many years, he has not stopped. But now, on the Lion Rock, there are still many foreign forces watching. He embarrassed Zhao Xia just now, and it was indeed a bit wrong.

“Lin, don’t pin me your hat! I’m just joking with Zhao Xia.” Fang Xingping snorted and retorted.

Wayne Lin smiled faintly, his gaze crossed Fang Xingping and looked forward.

At this moment, from the front, a voice of applause came from the front. In Wayne Lin’s line of sight, eight people appeared, all innate realm masters, of which three were still at the fourth stage!

“Haha, is this how you Chinese people get along? Tsk tsk, it’s no wonder that your strength in China has been declining in recent years.”

This man speaks crappy Mandarin. The figure is not too tall, but the skeleton is very big, wearing a white and wide clothes, with a long sword around his waist, looks similar to the Chinese, and he is of the yellow race, but Between the outlines, there are differences. Obviously, this is the Sun Country.

Hearing this sound, Fang Xingping's eyes sharpened immediately, and he looked back suddenly, saw the other party, and uttered four words: "Miyazaki Dragon Well!"

Miyazaki Ryuui was walking on the snow, but there were no footprints under his feet, as if a person was floating on the snow, which shows his profound cultivation.

Wayne Lin also squinted his eyes when he saw this person. He was a very powerful expert, and his cultivation had reached the top level of the fourth stage of the Innate Realm.

## Chapter 568

When other people saw Miyazaki Ryujing, their eyes flashed with deep jealousy. Even a person as arrogant as Zhong Tao had his eyes wide at this moment, looking at Miyazaki Ryujing full of hostility and caution.

Especially Peng Zhuo, Sun Liang and others, after seeing Miyazaki Ryuui, their emotions have produced huge fluctuations. They gritted their teeth towards Miyazaki Ryuui, and their eyes burst out with strong hatred and hostility. They have always acted calmly. Boundless, at this moment, he clenched his fists and made a clicking sound, making no secret of his hatred and murderous intentions towards Miyazaki Ryukai.

Wayne Lin noticed this scene. He was extremely clever. He immediately wanted to understand that this Miyazaki Longjing must have killed many agents at Xuanyuan Three. It is very likely that the battle at Xuanyuan Three five years ago lost a lot of elites. , There is Miyazaki Ryuui's participation!

Except for Miyazaki Ryujing, the innate realm masters behind him should also not be underestimated.

To be honest, it is the first time since Wayne Lin stepped into the Innate Realm that he has encountered so many Innate Realm masters!

Originally, masters of the innate realm, looking at the world, are rare existences, and they have noble identities in any place, but now, there are so many gathered on the Lion Mountain.

Suddenly, Wayne Lin had a feeling that the innate realm master had become worthless.

But in fact it is not like this, because the temptation of the Heaven and Earth Spirit Fruit is too great this time, leading to the arrival of half of the Earth's Innate Realm masters!

This kind of scene can be described as spectacular.

However, Wayne Lin didn't expect that a small country of the sun and the land of bullets would be able to train the top masters of Miyazaki Ryukai's level, and there would still be three at once, not simple.

Facing the hostility of so many people, Miyazaki Ryuui didn't seem nervous at all, especially calm, with a faint smile on his face.

Xiao Cangmang came out, stared at Miyazaki Ryujing, gritted his teeth and said: "Miyazaki Ryujing! You dare to step into my Chinese territory, I think you don't want to live anymore!"

Miyazaki Ryui looked at Xiao Cangmang without being angry or afraid. Instead, he showed a polite smile, nodded to Xiao Cangmang, said hello, and said, "Cangmang-san, we have met again, and your cultivation level has improved. Quite a lot, congratulations."

He said tepidly, at first it sounded like it was polite, but in line with his tone and demeanor, it was clear that he was full of disdain for Xiao Cangmang, and was extremely arrogant.

Xiao Cangmang became even more angry. He stared at Miyazaki Longjing, almost bursting into flames.

Peng Zhuo also stood up and said: "Miyazaki Ryuui! You escaped cunningly in the battle five years ago. You dare to appear in China today. It seems that you are living impatiently!"

As his words fell, more than 20 people from the third place of Xuanyuan spread out, trying to surround the eight people from Miyazaki Longjing!

Then Peng Zhuo said to Zhong Tao and Fang Xingping, "Let's take action together and keep the Miyazaki Ryujing group here! Take revenge for the dead colleagues!"

His words were impassioned and blood boiled, but to Xuanyuan No. 1 and Xuanyuan No. 2 people, none of them cooperated with him, which made him look very embarrassed.

Seeing this scene, Miyazaki Ryui laughed, “Peng Zhuojun, it seems that your colleagues don’t listen to you, haha.”

Peng Zhuo’s face suddenly became more ugly, not just him, but all the people in Xuanyuan’s three places were ugly, and they were a little bit disappointed and sad. The attitude of Xuanyuan No. 1 and Xuanyuan No. 2 has nothing to do with themselves, which disappoints and angers them too much!

Wayne Lin’s brow furrowed deeply. As a Chinese, he has a strong ethnic plot and never worships foreigners. Once he encounters ethnic problems, he will stand up immediately.

“Zhong Tao, Fang Xingping, Luo Hongyang, Lv Qisi, what are you guys doing in a daze? Go up together and take down the Miyazaki Longjing group!” Sun Liang roared loudly, his face flushed.

&n;

b However, Zhong Tao and the others did not respond at all, as if they could not hear it.

Xiao Cangmang gritted his teeth and said, “Are you still not Chinese?!”

Zhong Tao snorted coldly, “Why are we not Chinese anymore, Xiao Cangmang, you better keep your mouth clean!”

Xiao Cangmang was so angry that his eyes were staring out, his chest was up and down, and he was breathing heavily. If he had this ability, he would have already taken action and screwed off the heads of people like Miyazaki Ryujing!

Zhao Xia couldn’t help it. He stood up and condemned loudly: “You know how many Chinese compatriots Miyazaki Ryuui is the enemy of the Chinese nation. You still don’t do anything to suppress Miyazaki Ryuui together, and you still have the face to say yes. Chinese?!”

“Absurd!” Fang Xingping shouted out immediately, “Are we Chinese? It’s not you Zhao Xia has the final say, let alone you Xuanyuan three points!”

Luo Hongyang also said: “The task given to us this time is to pick the colorful original fruit, but not to be your thug in Xuanyuan three places! You know which is more important!”

“In my opinion, the three places in Xuanyuan are too selfish and defiant. For personal enmity, you threw the above orders aside!” Lu Qisi said.

Zhong Tao followed with a sneer: “If we fought Miyazaki Longjing ahead of time for your own desires in Xuanyuan Three, we lost our strength and the mission failed tomorrow, can you Xuanyuan Three bear this responsibility?!”

Each of the four of them yelled louder than one, and raked back, but instead filed a lawsuit against Xuanyuan Three, and everyone in Xuanyuan Three was trembling with anger.

Even people like Wayne Lin who have just joined Xuanyuan’s three places can’t listen. He originally thought that the three Xuanyuan places are usually competitive, but when facing foreign enemies, they must be consistent. After all, this is the principle and the consciousness that every Chinese should have.

But now, the attitude of the four of them really made Wayne Lin angry and contemptuous.

Of course, he hoped that this was just the personal behavior of Zhong Tao’s four, not the entire Xuanyuan 1 and Xuanyuan 2 places, otherwise it would really disappoint him and chill.

Faced with this situation, Wayne Lin had nothing to say, he was quick to speak, it was never his character, he saw what was uncomfortable, so he started directly.

Just like now, it makes him very upset.

Therefore, he snorted coldly and did not greet him, but directly violently attacked Miyazaki Ryui.

Shoo...boom!! !

Wayne Lin did not move, he was shocked. He had been hiding his breath just now, but Miyazaki Ryujing didn't put him in his eyes. Now he suddenly broke out with a strong aura, which shocked Miyazaki Ryujing.

In an instant, Miyazaki's pupils widened, his scalp was numb, and the goose bumps all over his body were erected, like a cat, which exploded his hair when in danger.

The others were also stunned. No one thought that Wayne Lin would attack Miyazaki Ryuui without saying hello.

Miyazaki Ryujing's reaction speed is very fast, but it is still not as fast as Wayne Lin. In the blink of an eye, Wayne Lin has already arrived in front of him, slapped it out, the situation changed, and the sound burst, as if to Miyazaki Longjing. The air on the forehead was crushed and exploded, booming.

Miyazaki Ryuui hurriedly, already unable to dodge, so he had to hold his arms on top of his head, to carry Wayne Lin's palm!

Wayne Lin made a sneer at the corner of his mouth when he saw this action. In the next instant, his shocking palm was already slapped on Miyazaki Ryujing's arms, making a click.

Next, there was a scene that shocked everyone. I saw that Miyazaki Ryuui's arms could not bear Wayne Lin's palm. He made a clicking sound, and the joints were about to be crushed. Wayne Lin's body was actually beaten two-thirds into the ground, and with the heavy snow of tens of centimeters, Miyazaki Ryujing only had one head in the air.

## Chapter 569

Until Wayne Lin took a palm of Miyazaki Longjing to the ground, only one head was left, and all the people present recovered.

In fact, they are not ordinary people. They have the lowest cultivation level. They are also in the half-step congenital realm. They are also people who have experienced strong winds and waves. They have never seen someone as rigid as Wayne Lin. He shot, and beat Miyazaki Ryuui into the ground with one palm.

I have to say that the visual impact caused by this scene is too strong!

Miyazaki Longjing was also dumbfounded. He had no idea that there was such a perverted person on the third place of Xuanyuan who would attack him without warning...no! This is a sneak attack, despicable Chinese!

“what!!!”

He roared, “Despicable Chinese, you dare to attack me! I will kill you!!”

Miyazaki Longjing was photographed by Wayne Lin into the ground with the palm of his hand. It can be said that he lost his face. How can he be humiliated in this way since his great accomplishments?

“Mentally handicapped.” Wayne Lin snorted contemptuously. Wayne Lin has never had a good impression of the Sun people, not to mention that this Miyazaki Longjing killed so many Chinese agents that he could not easily let it go.

After the words fell, Wayne Lin did not stop, and continued to attack Miyazaki Ryuui, kicking Miyazaki Ryuui’s head.

There was another sound burst. Before Wayne Lin kicked Miyazaki Ryujing’s foot, Miyazaki Ryuui felt a huge crisis. His heart suddenly rose to the highest point, and the goose bumps all over his body stood up. He put his hands again. To stand in front of him, he had to use his arms to carry Wayne Lin’s foot forcibly.

He had to do this because he knew that Wayne Lin’s kick could kill him, and if he didn’t resist it well, then his life would be explained here.

Wayne Lin let out a sneer, Miyazaki Ryuui’s reaction speed is indeed very fast, but what about it? This kick, even if he can’t kill Miyazaki Ryui, is enough for him to drink a pot!

With a bang, Wayne Lin kicked Miyazaki Ryujing’s arms heavily with another click. This time Miyazaki Ryujing’s expression showed pain, and he spouted a mouthful of blood, and the whole person flew out from the ground. Flew out heavily.

“Karma!!”

“Despicable Chinese!”

“Dare to attack the respected Miyazaki Longjing, the sin is unforgivable!”

“kill him!!!”

The remaining seven innate realms all reacted, furious, and immediately shot together, launching a fierce attack on Wayne Lin.

Two of them were still masters of the fourth stage of the Innate Realm. All of a sudden, Wayne Lin felt tremendous pressure.

This kind of pressure surpassed what he had before, and was ten times greater than when he was still in the third stage of the Innate Realm and faced Ye Xingchen.

However, he did not back down or fear at all. On the contrary, he was full of pride. He laughed loudly and said, “Just because of you trash, you dare to say anything to kill me? A joke!”

At this moment, Wayne Lin soared into the sky, like a god of war, fighting bravely in all directions, as if the world was infected by his pride, thundering, adding to his momentum.

“This son, there is such a cultivation base!”

“Could it be that the innate realm has reached the Great Perfection?!”

“Impossible, how old is he? Even if he starts practicing as a mother, he will not reach Dzogchen!”

“Take a photo of Miyazaki Ryuji with one palm, and fought bravely against seven masters of Innate Realm. This is not Dzogchen in Innate Realm. Who can do it?”

Zhong Tao, Luo Hongyang, Fang Xingping and Lu Qisi were all stunned at this moment, looking at Wayne Lin in astonishment, unbelievable.

Not only them, but Peng Zhuo, Zhao Xia and others also reacted in the same way. They knew that Wayne Lin was very powerful, but they didn't expect that Wayne Lin was already so tough!

When it was said that it was too late, after Wayne Lin kicked Miyazaki Longjing, he was already fighting fiercely with these seven innate realm masters.

He is one against seven, and he hasn't lost yet, which is really terrifying.

However, Wayne Lin's pressure is still extremely huge. The seven Innate Realm masters are really not a joke, especially there are two extremely strong in the fourth stage of the Innate Realm, which is the same level as him. It is too difficult. , No matter how powerful he is, it won't last long, and sooner or later he will lose.

After half a minute, he immediately fell into a disadvantage.

"This Chinese hasn't reached the Dzogchen realm yet, he fell into the wind and killed him!"

"The potential of this Chinese is limitless, he must not be allowed to develop, he must be killed!"

Those seven innate realm masters felt the power of Wayne Lin, especially the terrifying potential, which made them have a strong murderous intent against Wayne Lin! Because they know that people like Wayne Lin, given time, once they grow up and step into the realm of indestructible King Kong, then they are a great threat to the entire Sun Nation, so they must be eliminated!

On Peng Zhuo's side, he saw this situation and immediately reacted, without hesitation, he shouted and joined the battle.

With his joining, Wayne Lin eased the pressure a lot.

At the same time, Zhao Xia and Xiao Cangmang were not idle, and immediately joined in.

With the participation of the two of them, the situation has even been reversed. Wayne Lin has turned from a disadvantage to an advantage, and the seven innate realm masters are about to be unable to support it.

This change in the situation made everyone at Xuanyuan No. 1 and Xuanyuan No. 2 extremely surprised. They obviously did not expect that the strength of Xuanyuan No. 3 was so powerful.

Soon they thought that the main thing was Wayne Lin.

“withdraw!”

“These Chinese people are too despicable, we can’t love war!”

These masters of the Sun Nation looked at each other, had already retreated, stopped fighting, and started to run away.

Peng Zhuo, Xiao Cangmang, and Zhao Xia wanted to chase them, but they were not fast enough to catch up.

Wayne Lin has this speed, but he didn’t chase it, because he felt that an unprecedentedly powerful aura appeared, and the other’s eyes locked on him!

In an instant, his scalp became numb, his heart beat fiercely, and even, deep in his heart, he felt fear!

This is a very abnormal thing. Since he entered the fourth stage of the Innate Realm, his psychological quality has been so strong that it is heinous! Especially in this retreat, he eliminated the demons, and his mood was pure and strong. Even in the face of great difficulties and obstacles, he would not be afraid.

But now, he did have thoughts of fear.

Then there is only one possibility, this person who is staring at him is an unprecedentedly powerful existence!

At least a peerless powerhouse of Dzogchen in the Innate Realm!

“This is the son of the saint of the previous generation? It really is extraordinary.”

On the top of a distant mountain, on the top of the snow, two people stood, one of them looked at the very young man, looked at Wayne Lin in the distance, and said with a slight smile.

## Chapter 570

This man looked only seventeen or eighteen years old, unusually young, like a high school student, but his eyes were incredibly deep, full of wisdom and vicissitudes, such a pair of eyes appeared in such a young body, it seemed Especially in violation.

He was dressed very plainly, with his long hair curled up, and looked like an ancient man, standing on the top of a snow-capped mountain, so elegant and extraordinary.

And beside him, stood a fiery red figure, no one, but neon clothes, she was still so bright and beautiful, all over the country, standing beside this man, her aura was crushed.

Nishang now heard the man's words, raised his brows lightly, and said, "Yes, his name is Wayne Lin."

"Wayne Lin, it's also a good name." The man smiled slightly, his eyes kept staring at Wayne Lin, his face showed a faint smile, which made people unable to understand what he was thinking.

Nishang stared at the man, frowned slightly, and asked in a low voice: "Master Jian Rushuang, do you want to attack Wayne Lin?"

When Jian Rushuang heard this, he withdrew his gaze from Wayne Lin and looked at the neon clothes, with a greater smile on his face, "Nishang, you have a feeling for this Wayne Lin."

Nishang's expression suddenly stiffened and became unnatural. He snorted, and said, "Master Jian Rushuang joked. I treat Wayne Lin only as a brother, and he has never thought of opposing the organization."

This time the BRAGRUN organization sent two of them to perform the task. Originally, the BRAGRUN organization sent three masters of the fourth stage of the innate realm, plus Jian Rushuang, to perform this task, but Jian Ru In the end, Shuang only wanted Nishang and came with him.

The cultivation base of the Great Perfection with the Sword Rushuang Innate Realm is indeed enough.

Originally, the fourth stage of the Innate Realm was also very rare in the world, and the Dzogchen in the Innate Realm was even rarer, and there were swords like frost.

“Really?” Jian Rushuang smiled slightly and did not go on. Instead, he looked at Wayne Lin again, only to find that Wayne Lin had spotted him and looked at him.

Immediately, he felt that Wayne Lin’s aura did not fear him at all.

“The son of the saint of the previous generation is interesting.” Jian Rushuang and Wayne Lin looked at each other in the air, and said with a smile.

Nishang saw Wayne Lin, and she dared to provoke Jian Rushuang, her scalp immediately became numb, and she secretly scolded Wayne Lin that she was looking for death. This is Sword Rushuang, the number one master under the Holy Throne, not Ye Xingchen and his ilk.

On Wayne Lin’s side, he felt Jian Rushuang’s gaze at him for the first time, stopped chasing those people in the Sun Country, turned his head, and looked at Jian Rushuang.

As soon as he met Jian Rushuang, he immediately pierced his eyes and felt Jian Rushuang’s sharp sword aura, which made his eyes hurt.

And in his spiritual world, the first thing he saw was not a seventeen or eighteen-year-old boy, but a sharp sword, even if it was nearly ten kilometers away, the sword spirit was still strong!

“Master of Innate Realm Dzogchen!” Wayne Lin said this sentence in a deep voice, and he immediately sensed that with such a strong aura, only the masters above the Dzogchen master of Innate Realm would stabilize him.

And beside this young man, there was a fiery red figure standing, even though he was ten kilometers away, he still recognized who the other party was, neon clothes.

Needless to say, this young man is like a sword, BRAGRUN organized the top master under the Holy Throne!

It was also the biggest obstacle for him to snatch the heaven and earth spirit fruit this time.

He and Jian Rushuang looked at each other for five seconds, and there were electric sparks flickering in the middle, ordinary people couldn't see much, but they had already fought mentally.

With a roar in Wayne Lin's mind, a mountain in his consciousness collapsed and was flattened by Jian Rushuang's kendo consciousness!

&

And his face turned pale instantly. If he had not defeated the inner demon and his spiritual level had become many times stronger, he would start to spit blood at this moment.

He closed his gaze, and no longer looked at Jian Rushuang, his heart was overwhelming, and a huge wave was set off.

"Is this the spiritual strength of the Innate Realm Dzogchen? It is really terrifying!" Wayne Lin muttered to himself, he was not afraid of this, but deep in his heart, he raised infinite fighting will and determination, he must Break through to the congenital realm of great perfection!

No, it's just that Dzogchen is not enough. He has to break through to the legendary realm of King Kong's indestructibility, standing on the pinnacle of mankind, and take a look at what it is like!

I heard that the saint king of the BRAGRUN organization is already an incorruptible body of King Kong. I don't know what kind of existence it is? Apart from nuclear weapons, there is no weapon in the world that can be dangerous, right?

This is equivalent to the state of absolute invincibility.

Jian Rushuang also put away his gaze. He said three good words in a row, and the smile on his face became even more mysterious.

Nishang saw this scene in her eyes, she was worried about Wayne Lin, but also felt that Wayne Lin was really bold, even Master Jian Rushuang, who was the Great Perfection of the Innate Realm, dared to provoke.

Wayne Lin's current physique is extremely strong, and he adjusted his state to the peak state in a single breath, and there was no mental damage, so people could not see that he had just fought against a powerful person in the Innate Realm.

"Damn it!"

Peng Zhuo, Xiao Cangmang and others watched Miyazaki Longjing and others flee, they all scolded angrily and gritted their teeth.

"Instructor Lin, why did you stop just now? If you make a move, you can keep them!" Zhao Xia said a little displeased.

Others also looked at him, and combined with Wayne Lin's performance just now, no one dared to look down upon him anymore, and they were also a little jealous of him.

Wayne Lin took a deep breath, then let out a long breath, and said, "Sword Rushuang has arrived."

Everyone was stunned when they heard what he said. Many of them had never heard of the name Jian Rushuang. Only Zhong Tao, Luo Hongyang, Peng Zhuo, Xiao Cangmang and other masters of the fourth stage of the Innate Realm knew each other, suddenly. Eyes widened.

"What? Jian Rushuang has come?!"

"where is it?!"

"Sword Rushuang, but a peerless expert at Dzogchen in the Innate Realm, it would be troublesome if he is there!"

"BRAGRUN organization, isn't there an agreement with the above, how can Jian Rushuang come to grab the colorful origin fruit?!"

"Could it be that the Saint King is here too?!"

They suddenly became nervous, obviously the name Jian Rushuang is too heavy, especially if the Holy King is also there, then they will have no chance of winning.

Wayne Lin said at this time: "It's just that the sword Rushuang and the neon clothes are here, but the Holy King is not here."

His words made Zhong Tao, Peng Zhuo and the others sigh of relief, but they immediately became worried. Even if the Saint King did not come, it was just a sword like frost, enough for them to drink a pot.

Immediately, Luo Hongyang frowned and asked Wayne Lin with a weird expression: "How do you know Jian Rushuang is here?"

His words immediately aroused other people's doubts, because they just watched around, spreading their consciousness, and did not feel the breath of swords like frost.

Wayne Lin said lightly: "Jian Rushuang is on the top of a snow-capped mountain ten kilometers away. I fought in the spiritual world with him."

"laugh!"

Zhong Tao immediately sneered with disdain, thinking that Wayne Lin was bragging and sensationalizing. Jian Rushuang was a master of Dzogchen in the congenital realm. How powerful is his spiritual level. Wayne Lin has fought with Jian Rushuang, how easy can he be? Long ago injured!
