

A Life Upside Down Chapter 681 – 690

Chapter 681

Experts know if there is any.

Strictly speaking, this is the first time he has played against a master of Innate Realm Dzogchen. Before on Lion Mountain, he and Jian Rushuang were not due to each other, because Jian Rushuang did not exert his due strength at all. Wayne Lin didn't pay attention.

But now, Wayne Lin has grown up. He and Fan Zhengping are in the middle of nowhere. Naturally, Fan Zhengping will not underestimate the enemy, as soon as he strikes it is the momentum of thunder.

Fortunately, Wayne Lin is not a vegetarian. He started to move almost when Fan Zhengping was moving, so no matter how fast Fan Zhengping was, he could dodge it.

Fan Zhengping's failure in one move was not unexpected. If Wayne Lin couldn't even stop this move, he would not be worthy of the Great Perfection of the Innate Realm.

He didn't stop, and after the bow and arrow shot out, there was no saying to stop.

His fist was like an arrow, and he could hit hundreds of punches in one second. It was very terrifying. He immediately surrounded Wayne Lin's body. Every punch was full of explosive power. The sound of bang bang bang rang through the audience. , Every punch bursts the air, just like setting off firecrackers.

Wayne Lin kept retreating and was already in a disadvantage. It seemed that he could only parry. If this goes on, defeat will only happen sooner or later!

Everyone present felt their scalp numb. Is this the strength of the Innate Realm Dzogchen? They simply couldn't resist it.

Everyone in Xuanyuan 3 raised their hearts, worried that Wayne Lin would not be able to catch Fan Zhengping's fist. In fact, deep in their hearts, they didn't think Wayne Lin would be An Zhengping's opponent.

"No, Fan Zhengping is here for real, he wants to kill Wayne Lin!" After seeing Peng Zhuo, his face changed drastically, and he became worried.

Zhao Xia also contracted his pupils, awe and amazement appeared on his face, and he sighed from the bottom of his heart. Is this the strength of Dzogchen in the Innate Realm? It is really terrifying!

This Fan Zhengping, so many men come, they are all hidden!

Xiao Cangmang also frowned, and said worriedly: "It's not good, instructor Lin, I am afraid it is not Fan Zhengping's opponent."

Sun Liang said, "What should we do, should we stop it?"

Peng Zhuo shook his head and said, "I can't stop it. Fan Zhengping didn't come alone. We dare to move. Zhong Tao and the others will definitely take action. We will suffer by then."

The people in the other three places of Xuanyuan became silent after hearing this. Peng Zhuo was right. If they do, Zhong Tao and others will definitely do it.

On Zhong Tao's side, they were another scene, and they all cheered up.

"Hahaha, Director Fan is indeed invincible, so he suppressed Wayne Lin's mate without fighting back in a single encounter." A congenital realm master at Xuanyuan said flatly.

"Of course, we at Fan Chu is an innate realm Dzogchen strong, and under the undamaged King Kong, it is an invincible existence! Thinking that back then, Fan Chu, with his own power, wiped out a legion in the East, you think it is. Are you kidding me?"

"That is, if we have Fan, the little one, Wayne Lin, is nothing, it's just a matter of getting caught."

"Chief Fan is mighty, this time Wayne Lin is hard to fly with wings!"

Zhong Tao looked straight forward, extremely enthusiastic and excited. His hatred of Wayne Lin had reached a terrifying level. He wanted to kill Wayne Lin in his dreams. It can be said that the hatred between him and Wayne Lin is no longer just as simple as Wayne Lin killing his brother-in-law.

&nbs;

Chapter 682

When he was about to retreat, Wayne Lin's fist had already reached him.

There is no sign, as if it appeared out of thin air, and there was no sonic boom, but it was approaching an outrageous state.

At this moment, Fan Zhengping felt the extreme crisis. He had a hunch that if he received this punch, he would definitely be seriously injured, so he must not be hit by Wayne Lin!

Between the sparks of light, he had no time to think about why Wayne Lin's strength would increase so much at once, and the moves were so subtle, but Wayne Lin caught the flaws that he flashed past. This is completely It is unscientific!

Wayne Lin's speed is too fast. Even if Fan Zhengping has reacted, he does not have the conditions to dodge. In a hurry, he made the most correct response, that is, to fight Wayne Lin head-on. With this punch, he killed one thousand enemies and hurt himself eight hundred.

Otherwise, he will fall directly into the wind, and once it falls, it will be difficult to get it back.

He is the chief of Xuanyuan No.2, with a high position and authority. If he loses to a junior, then he will be embarrassed.

So in any case, he can't lose!

He let out a monstrous roar, a huge sound wave burst out of his mouth, covering Wayne Lin.

This sound wave is very big, even if you are a master of the innate realm, your eardrums will burst if you don't take care of it.

Wayne Lin is a master of Dzogchen in the congenital realm. He is not deaf, but he also has tinnitus and temporarily loses his hearing. Once he loses his hearing, Wayne Lin's strength will be greatly reduced!

His abacus was very good, but he still underestimated Wayne Lin's fighting instinct. Almost at the same time, Wayne Lin reacted. His two ears were directly closed, and they were tightly pressed against the ear holes, as if A pair of invisible hands, like covering their ears.

In this way, it greatly reduced the damage of sound waves to his eardrums.

This punch has reached the front of Fan Zhengping...

Speaking of it is too late and then it is fast. Speaking of it, they have experienced a lot, but in fact it is just an instant.

Bang!

Fan Zhengping arrived later and bumped into Wayne Lin's punch without reservation, completely head-on.

With two bangs, their punches collided, causing a huge movement. Three places of the huge Xuanyuan quaked violently, and, under their feet, a few cracks appeared. The strong staying power made the earth Torn apart.

At the same time, their bodies retreated quickly, and with each step they left, they left a footprint of more than ten centimeters on the ground!

In the end, their extremely tough shoes made of special materials broke apart and became barefoot immortals.

Wayne Lin retreated ten steps, more than twenty meters away.

Fan Zhengping was even more unbearable. He stepped back at least fifteen steps, close to forty meters!

Moreover, his face was extremely ugly, blue and white, and there was obviously blood rolling.

The right hand was also shaking slightly.

Moreover, his fist began to ooze blood, dropping drop by drop to the ground.

In comparison, Wayne Lin is much more calm, his vitality is also a little tumbling, but he is quickly pressed down, there is still a faint smile on his face, and his right fist, there is no bleeding, let alone Trembling.

Obviously, Wayne Lin won the boxing this time.

Chapter 683

what's the situation? Hearing Wayne Lin's voice, everyone was stunned.

Next, they saw a shocking scene.

I saw the dust slowly dissipating, showing the scene in it. I saw Wayne Lin standing with his hands on his hands. Although he was injured, he didn't look embarrassed. Fan Zhengping got up from the ground, his clothes in rags, and he already had Many injuries, a decline and unwillingness.

Obviously, Fan Zhengping was defeated and lost to Wayne Lin!

This result stunned all of them, and couldn't believe it was true!

“This.....”

Peng Zhuo's eyes widened, and his eyes couldn't hide the shock, although he knew that Wayne Lin was also in the congenital realm of Dzogchen, at the same realm as Fan Zhengping. However, Fan Zhengping is a well-known living king. In the past two decades, how many earth-shattering things Fan Zhengping has done, and now he is actually defeated by Wayne Lin!

Wayne Lin only broke through to the congenital realm of Dzogchen some time ago.

Subversion, really subverted.

Even Peng Zhuo had a numb scalp, let alone other people, especially for Zhong Tao and others, it was an extremely strong blow!

“Fan, he actually lost?”

“No, it’s impossible, how could this be possible, Fan Chu is an absolute king, how could he lose to the young man Wayne Lin...”

Fan Zhengping stared at Wayne Lin fiercely. The shock in his heart was the greatest. Just now in the fight against Wayne Lin, he used all his best to do everything possible, and he still lost to Wayne Lin.

Wayne Lin’s strength is too strong, especially the ability to learn. The farther behind, Wayne Lin’s moves are more sophisticated. He loses step by step, and when he reacts, he has no strength to fight back!

“You, what kind of evildoer are you!” Fan Zhengping now has no calmness, but is full of shock and disbelief.

Now he began to believe that Wayne Lin had seen the military god, because Wayne Lin was too enchanting. He had such strength before he was thirty years old. How could the country be willing to obliterate such a talent!

No wonder Wayne Lin was so calm from beginning to end!

“Damn it!” Fan Zhengping yelled, not Wayne Lin, but Zhong Tao and Luo Hongyang. If it weren’t for these two idiots, he wouldn’t come to Xuanyuan to arrest people. If it succeeds, it’s okay. Anyway, the order from the peak didn’t come down. Wayne Lin is indeed a sinner, but now he has lost, his face is scandalized, and if it spreads out, he becomes a laughingstock!

Wayne Lin seemed to be smiling but not smiling, apparently seeing his thoughts clearly, “You, the chief of Xuanyuan No. 2 Office, was urged by two subordinates. I really admire you. Do you think I don’t know that I am responsible for the crime? Come back, just waiting for your jumping clown to appear. However, I still have to thank you for helping me complete the test.”

Fan Zhengping is a wise man. He immediately wanted to understand when he heard this. He was immediately angry again. His feelings were deceived by him. He became a tool for the military god to test Wayne Lin!

In an instant, even with his xinxing, he couldn't help but get angry, gritted his teeth and almost ran away.

Thinking of him, Fan Zhengping was in the hands of Wayne Lin for half his life, so damn it!

But he didn't dare to do anything anymore, snorted heavily and was about to leave.

Wayne Lin stopped him and said, "Fan Zhengping, where are you going?"

Fan Zhengping stared at him and said: "Wayne Lin, I admit that you have two brushes. This time I underestimated the enemy. I will spare you for the time being. However, Shangfeng's temper is not as good as mine. Order down,

You are doomed! "

"Hahahaha." Wayne Lin laughed loudly as if he heard a big joke, "Fan Zhengping, at this point, you have to give me this set. I really thought I was young and I was a soft persimmon. People knead?"

At this moment, Wayne Lin's momentum was released, covering the audience, completely overwhelming Fan Zhengping.

Fan Zhengping frowned, he had a bad feeling in his heart, if Wayne Lin really wanted to embarrass him, he really had nothing to do.

Now that he was injured, his combat power was less than half, but Wayne Lin only consumed some physical strength, really tore his face, and he would still suffer by then.

Zhong Tao got Fan Zhengping's wink. He immediately stood up and shouted loudly: "Wayne Lin, you are young and ambitious, and you need to be an inch! Fan is broad-minded, just click and stop, let you take one step, you think you have won I tell you, you committed a heinous crime, when Shangfeng orders it, you will only have a dead end!"

Wayne Lin glared at him and said a noise, then his body moved and rushed towards Zhong Tao.

This time, it was Thunder Wanjun, almost instantly in front of Zhong Tao.

Suddenly, Zhong Tao felt that the sky was about to collapse, and an unprecedented sense of crisis emerged in his heart. He immediately panicked and shouted, "Wayne Lin, do you dare to..."

However, before he could finish his words, he snapped, Wayne Lin slapped him on the face, slapped him in the face, knocked him out, flipped a few somersaults in the air, and when he fell down, half Zhang's face was swollen, and one tooth was broken.

"What kind of ant are you, dare you yell at me?" Wayne Lin said coldly.

The audience was silent again.

Wayne Lin's shot this time deeply shocked them again.

Too overbearing and too powerful.

You know, Zhong Tao is not a small fish or shrimp, but a super master of the fourth stage of the Innate Realm. How many people have to rely on him, but now, Wayne Lin slapped him in the face, and has no power to fight back. .

Even the people in the third place of Xuanyuan, looking at Wayne Lin now, are a little more afraid, this instructor Lin is too terrifying.

Zhong Tao only felt that half of his face was gone. It was no longer a hot pain, but a heart-wrenching pain!

Especially, half of his teeth were knocked out, and a mouthful of blood.

He raised his head to look at Wayne Lin, and when he came into contact with Wayne Lin's cold and mocking eyes, he persuaded him, and had a deep fear of Wayne Lin.

Wayne Lin looked at Luo Hongyang and the others, without exception, when they touched Wayne Lin's gaze, they couldn't help shaking and lowered their heads in a panic.

Fan Zhengping saw this situation, he was also very big now. Wayne Lin was out of his formidable and domineering, but now he lost his wife and broke down, making it difficult to ride a tiger.

“I let you go?” However, just after he took two steps, Wayne Lin’s voice came from behind him, his tone full of majesty and teasing.

Fan Zhengping stopped, staring at Wayne Lin, and said, “Wayne Lin, I warn you not to play with fire!”

“Playing with fire?” Wayne Lin smiled contemptuously, “I want to play with it, and see what you can do.”

With that, Wayne Lin walked towards Fan Zhengping, his eyes locked on Fan Zhengping.

Fan Zhengping panicked, he immediately said in a deep voice, “Wayne Lin, what do you want to do!”

“Apologize, to all the people in Xuanyuan Third Place.”

Chapter 684

Ten minutes later, Fan Zhengping left in a desperate manner.

A group of people in the three places of Xuanyuan were left in a trance, unbelievable.

An apology is almost impossible for people like Fan Zhengping, and it is even more uncomfortable than killing him.

But just now, Fan Zhengping apologized, succumbing to Wayne Lin’s lustful might, this was an incredible thing for them.

This is especially true for people like Peng Zhuo who know Fan Zhengping, because they have known Fan Zhengping for many years and have never seen Fan Zhengping apologize.

But Wayne Lin did it today.

The eyes they looked at Wayne Lin were no longer admiration, but absolute awe. They could imagine how great Wayne Lin's future achievements would be, and his identity would become more and more detached. Even the small temple at Xuanyuan Three Can not tolerate Wayne Lin.

Not long after, Yandu compound.

"This kid is arrogant enough. Even if he defeated Fan Zhengping, he actually made Fan Zhengping apologize."

Shangguan Wei An settled down, shook his head and said, but there was a little more appreciation in his eyes.

Military god Cary said with a smile: "He is not arrogant, but deliberately made for others. Once such an image is erected, it will be more convenient for him to act in the future. This Wayne Lin is a great talent."

Shangguan Wei'an nodded and agreed with Cary Dao's statement. He said: "Hua Guo can cultivate a talent like Wayne Lin, which means that the national fortune is still there. Maybe he can delegate that task to Wayne Lin."

Cary Dao shook his head and said: "Don't worry, observe again."

"Well, then observe again."

After this incident, Xuanyuan went up and down in three places, but treated Wayne Lin like a god.

Even when Peng Zhuo spoke to him, his tone of voice did not consciously respect him, let alone other people.

Wayne Lin didn't have much feeling for this change, he smiled, and before he knew it, he was used to this kind of treatment, and he was not surprised.

The next day, Wayne Lin left three places in Xuanyuan and returned to Huarvell.

During this time, Alma Chu was busy again. The Chu family, under her leadership, became more and more prosperous. Centec Lighting Co., Ltd. has also raised several rounds of financing, and even began to hit the level of listing.

And Wayne Lin's three major companies, under the operation of Damon Wang and Jeff Han, are also thriving, and he does not need to operate at all. Now he has become the most idle person.

His personal wealth is getting higher and higher, and his assets have exceeded 300 billion, which is terrifying.

But when the money reaches a certain level, it has lost its meaning. It is just a bunch of numbers. Wayne Lin took the money and did a lot of charity.

As for the old classmate Deng Kai, he was assigned to work under Jeff Han. When Deng Kai knew Wayne Lin's identity, he was shocked. It took a full minute before he recovered, and then shouted excitedly. Damn it.

He knew that Wayne Lin was not ordinary, but he never expected that Wayne Lin's industry was so big that some big companies he usually heard of were actually related to Wayne Lin.

In comparison, Han Ruxin is nothing but an ant!

He is very fortunate now that he is not like Dai Xinghuai's group of guys, the dog looks down on others, otherwise, how could he have such a good opportunity!

Now he followed Wayne Lin and attacked directly.

And this

The news spread quickly, and within a few days, the old classmates all knew the identity of Wayne Lin, the bosses of several giant groups, and even the lord of the city, were respectful of Wayne Lin!

When they heard the news, they reacted completely in shock, and then slapped themselves twice, regretting it to the extreme.

I had known that Wayne Lin's background was so big, and gave them a hundred courage, and they didn't dare to go against Wayne Lin, let alone mock Wayne Lin!

Especially Dai Xinghuai and others were even more frightened and worried all day long, for fear that Wayne Lin would make trouble for them. Within a week, Dai Xinghuai fell ill and almost died.

They learned that Deng Kai is now following Wayne Lin, taking off directly, and is too jealous. Those who originally looked down on Deng Kai began to flatter Deng Kai, especially a few female classmates who are still decent, and use beautiful colors. Come to seduce Deng Kai.

For a while, Deng Kai also felt the taste of being a master.

However, he didn't lose himself. He knew that Wayne Lin hated this group of classmates. If he was adept at putting these old classmates in, then Wayne Lin would definitely be unhappy.

Deng Kai, as a person who has been in despair for so many years, cherishes this kind of opportunity especially. Just like a drowning person, he will not let go of life even after he has grasped the straw.

As Banhua's Han Ruxin, she has had a bad time recently and has had insomnia for a few days.

After she learned about Wayne Lin's background, she had countless ideas, but they couldn't implement them because she couldn't reach Wayne Lin at all.

To say regret, she is the one who regrets the most.

She was able to take Wayne Lin down by taking the initiative with her appearance, but she wasted this opportunity!

When people are unlucky, everything will happen. She feels that her luck is beginning to go bad, her career is declining, several projects have lost money, and now there is a shortage of funds.

It's all because she has developed too much in the past few years, which has made her mentality swell up, and she has not laid a good foundation. It was not revealed when the market was good before, but now the market is not good, it immediately reveals the truth.

If this continues, it won't take long before she will go bankrupt.

She wanted to ask Wayne Lin for help, but Wayne Lin didn't pay attention to her at all. She couldn't even see her. There was no way. She had no choice but to go to other bigwigs in the industry to raise a financing and tide over the difficulties.

Tonight is in the hotel. She is drinking with more than a dozen customers. She has drunk a lot, and has vomited several times.

"Mr. Chen, I really can't drink anymore, I want to drink more, it won't work..." Han Ruxin said pleadingly.

Mr. Chen said with a smile, "The last one, I won't drink after the last one."

Han Ruxin looked at the full glass in front of him, at least two or two, she would definitely get drunk if she drank it again.

She knew very well that Mr. Chen's purpose was to get her drunk and then assault her.

In her mind, a man appeared, Wayne Lin, if she didn't mock Wayne Lin that night at the classmate meeting, Wayne Lin would definitely help her?

But she did not turn her head back when she opened the bow. She had already done this, and there was no possibility of redemption, even if she regretted it now that her bowels were blue.

"President Chen, would you like to sign a contract if I drink this glass of wine?" Han Ruxin gritted her teeth and said.

Mr. Chen looked at her frantically, nodded and said: "Yes, as long as you drink, I will sign the contract, hehe."

Chapter 685

Han Ruxin was struggling. If she drank this glass of wine, she would definitely be drunk, but if she didn't drink it, then she would not be able to get through this difficult time!

After careful weighing, she decided to drink it.

“Okay! I drink! I hope Mr. Chen will not break his promise.”

“What a joke, who is Chen Liqiang? If I say something, how can I break my promise with the spilled water! Today I put my words here, as long as you drink this glass of wine, I will sign the contract!” Said grandiosely.

Han Ruxin was moved, she was so eager for this financing, and finally she gritted her teeth, picked up the wine glass, and lost her mouth!

This is a foreign wine of dozens of degrees. The stamina is very big, almost two or two. After she drank it, the whole person was swayed, her face was red, she was about to bleed, and her eyes were blurred a lot, and she slapped the wine heavily. Hiccup, said: “Chen, I, I have already drunk the wine, you can sign the contract now.”

Mr. Chen was no longer awake when he saw her swaying appearance, his eyes made no secret of the heat and wretchedness, especially when he saw Han Ruxin’s protruding body, he salivated and swallowed constantly.

“Don’t worry, I’ll have some food first, and I’ll sign it right away when I have dinner.”

Han Ruxin immediately changed her expression and said anxiously, “Mr. Chen, sign it now. We have read the contract and both ways. It’s no problem. You only need to sign it.”

Manager Chen laughed happily: “Don’t worry, don’t worry, I’ll sign it right after I have dinner. Manager Han, you look so beautiful, I heard that you are not married yet, is it a virginity?”

Now Mr. Chen tore off his disguised side, and squinted at Han Ruxin, his eyes were like seeing through Han Ruxin’s clothes.

Han Ruxin is not an idiot. She doesn’t know where she is. Chen Liqiang is playing tricks on her. The other party didn’t plan to raise money. From the beginning to the end, they were teasing her, just greedy her body!

“Mr. Chen, you just promised me that as long as I drank, you would sign the contract, you, how can you break your promise now! What is the difference between your approach and the villain?!” Han Ruxin said embarrassedly .

Chen Liqiang frowned and said, “Mr. Han, please pay attention to your words! I just promised you to sign the contract after drinking, but didn’t say to sign the contract immediately. Now, you sit down and chat with me. When I feel better, I will consider signing a contract.”

“You!” Han Ruxin suddenly became angry. If she changed from before, like Chen Liqiang, she wouldn’t have to pay attention to it, but now, there is no way.

She has almost had a catty of wine after drinking, and now she feels very bad, her whole body is hot, her vision is blurred, and she can’t even stand too firmly. It’s damned!

None of the other people at the dinner table helped her speak either. They looked at her with a smile and seemed to be sure that she was a cooked duck and would be eaten by Chen Liqiang sooner or later.

Chen Liqiang said in a hurry, “Han Ruxin, I know your current situation, and you are short of my financing, otherwise your company will go bankrupt. At that time, your end will be even worse.” As far as I know, you asked the bank to borrow a lot of money, right?”

Han Ruxin gritted her teeth, and now her wine spirit is up, her whole body is dizzy, and her brain can’t work.

“Speaking of which, I won’t hide it anymore.” Chen Liqiang lit a cigarette and said:

Chapter 686

This change scared everyone in the box.

Wayne Lin frowned and looked at the scene in front of him. He was just coming to have a meal with his friends tonight, and he did not expect to encounter this kind of thing.

He could tell at a glance that this group of people were bad guys and wanted to be violent to Han Ruxin, and Han Ruxin’s face was flushed, obviously because he was drinking too much.

Although he saw Han Ruxin not pleasing to his eyes, Han Ruxin was his old classmate anyway, and he still had to help when encountering such a thing.

Han Ruxin took advantage of the two big men to let go of her, and rushed towards Wayne Lin and threw herself into Wayne Lin's arms. She was completely a panicked little girl, crying, "Wayne save me, they will rape. Me, woooo..."

Wayne Lin was embarrassed to be held by her like this. Han Ruxin was also a beautiful woman, and her figure was not bad. It was really indecent to hug him tightly like this.

He tried to push Han Ruxin away, but Han Ruxin hugged her too tightly and was panicked. He cried when he moved. He sighed inwardly and couldn't push away anymore.

"What happened?" Wayne Lin asked.

Han Ruxin was in a panic, and her mind was in a mess. Where to say it clearly, Wayne Lin didn't bother to ask again when she saw her like this. In fact, he probably guessed it too. It must be that Han Ruxin has lost her career during this period and was caught by this group. People fell into trouble.

Unexpectedly, he was met by him by such a coincidence.

"Who are you, dare to be nosy?!"

Someone immediately pointed to Wayne Lin's nose and cursed.

"What do you do so much with him, everything, kill him!"

"Dare to beat President Chen like this, he must die!"

A group of people rushed towards Wayne Lin, they all drank, all of them were brave.

When Han Ruxin saw this scene, she screamed with fear, and threw herself into Wayne Lin's chest, not daring to look.

Wayne Lin didn't even blink his eyes. How could he put these ants in his eyes? He stood still and didn't move. He beat these guys to the ground in two or two.

The remaining Chen Liqiang, who had just gotten up from the ground, was frightened as he saw this scene, shaking constantly, pointing at Wayne Lin, his face pale: "You, you, you...who are you?!"

“Wayne Lin.”

Hearing this name, Chen Liqiang trembled, with extreme fear in his eyes. He knelt before Wayne Lin with a thump, desperately begging for mercy and apologize, “Lin Linlin, Randal Lin, I don’t know Taishan. I don’t know Han Ruxin is. Your woman, me, damn...I damn!”

Chen Liqiang had heard of Wayne Lin’s name, and now he was shocked instantly, unprecedented fear, where is there any idea of revenge, while begging for mercy, while clapping his mouth, slapped, for fear that Wayne Lin will get angry and give him Went out.

He has heard the legend of Wayne Lin more than once. In fact, he has tried to indulge in Wayne Lin’s thigh countless times, but he has never had a chance. For people of his level, in the eyes of big men like Wayne Lin. , Is the little man.

But he never thought that this was the case when he met Wayne Lin for the first time. In an instant, he had the idea of death!

And Han Ruxin came back to her senses, put her face out of Wayne Lin’s chest, and saw the crowds of people in the box and Chen Liqiang’s frightened look, she was deeply shocked again.

Wayne Lin, really powerful, is the most powerful man she has ever seen, not one of them!

&nbs;

p;”Han Ruxin is my classmate, you are not allowed to trouble her in the future.”

“Understand!” Chen Liqiang nodded like a chicken pecking at rice.

Wayne Lin was too lazy to be familiar with such a small person. He withdrew from the box and said to Han Ruxin: “Okay, it’s okay, you can let me go.”

Where did Han Ruxin still have strength now, Jiujin came up completely, she was already drunk and unconscious.

Sleeping directly in Wayne Lin's arms, Wayne Lin frowned. This situation really made him feel difficult.

He didn't know where Han Ruxin's home was. After thinking about it, he temporarily sent Han Ruxin to the hotel to rest.

After sending Han Ruxin to the hotel, Wayne Lin was about to leave. Han Ruxin suddenly vomited out, making his clothes dirty, making him frown.

"I don't want to betray my body, I don't want to betray my dignity... Why are you bullying me..." Han Ruxin muttered in her sleep, her expression in pain.

Now Wayne Lin sighed when she saw her like this. To tell the truth, he didn't dislike Han Ruxin much, but felt pity and disappointment. Before, a simple little girl was polluted by society. .

However, Han Ruxin's performance tonight still made him feel a little bit more favorable. At least Han Ruxin did not betray him, and he was still saved.

He clicked acupuncture points on Han Ruxin to make Han Ruxin feel better.

And his clothes are soiled now, which is a bit troublesome.

Just when he was about to leave, Han Ruxin woke up and grabbed his clothes, "Wayne, is that you? Don't leave me."

Wayne Lin looked back and saw Han Ruxin's pitiful look, and still sympathized with her, "You drink too much, get a good night's sleep."

After Han Ruxin vomited, she felt better now, and her mind was sober, but her body was still so hot. Thinking of Wayne Lin's performance just now, her heartbeat was very fast, and her body was very sensitive and emotional.

"Wayne, what happened last time, I'm sorry, I'm too shameless." Han Ruxin bit her lip tightly, she stood up, bowed deeply to Wayne Lin, and apologized to Wayne Lin.

Her clothes were loose, two buttons were unbuttoned, and now she bowed, and the spring light on her chest was exposed, making Wayne Lin's heart beat faster as she looked away.

Han Ruxin was his former class flower, and the two of them had been in an ambiguity. Under these circumstances, it would be impossible for Wayne Lin to say that he didn't feel any.

"It's okay, I have forgotten it." Wayne Lin said.

Han Ruxin found Wayne Lin's strangeness, and some surprises flashed in her eyes. Wayne Lin's performance just now was obviously interested in her! If she takes the initiative and can take Wayne Lin down, then she won't have to worry for the rest of her life.

Once a powerful man like Wayne Lin is conquered, he will definitely have a sense of accomplishment.

Thinking of this, Han Ruxin's heart suddenly became enthusiastic.

She walked over to Wayne Lin and said in a sexy tone: "Wayne, fortunately for you to appear tonight, otherwise, I will be defiled by the brute Chen Liqiang, thank you very much!"

Wayne Lin took two steps back, kept a distance from her, smiled and said, "With a little effort, you don't have to take it too seriously."

"It's a simple effort for you, but for me, it's a great kindness!" Han Ruxin stared straight at Wayne Lin, blushing and said: "Wayne, I like you, you can stay tonight. , Let me repay you well, okay?"

Chapter 687

Wayne Lin is not stupid, he naturally knows what Han Ruxin means, nothing more than a promise by his body.

There is one thing to say, Han Ruxin is the best choice in terms of appearance and figure, with infinite charm and allure for men. Wayne Lin is a normal man, as instinct, he will definitely be touched, but it doesn't mean that he will be chaotic.

"You are drunk, take a good rest." Wayne Lin said lightly, refusing.

Han Ruxin said seriously: "I'm not drunk, I'm sober now! Wayne, I really like you, what happened last time, I was wrong, but you have to understand me. I want to get your attention if I don't let you down. I don't really want to humiliate you."

Han Ruxin tugged at her clothes with a shy expression. It would be a little tempting to be more attractive.

Wayne Lin's eyes are getting colder and colder. Who is he? Han Ruxin's pretense is not obvious. He originally had a good impression of Han Ruxin, but now, his good impression has disappeared again.

"Han Ruxin, you disappoint me."

"Wayne, I..." Han Ruxin caught the look in Wayne Lin's eyes, and immediately panicked. She didn't understand what she had done wrong. How did Wayne Lin feel unhappy? In her opinion, there is no cat in the world that does not steal fishy. She is so proactive, Wayne Lin will definitely follow her way.

Wayne Lin didn't pay attention to her anymore, just turned around and left.

Until Wayne Lin left, Han Ruxin couldn't figure out where she didn't do well, very upset.

Coming out of the hotel, Wayne Lin let out a sigh, shook his head helplessly, and went home.

The time flickered and another week passed. During this week, Shangfeng issued an order to get rid of Wayne Lin's charges, and personally admitted Wayne Lin's order to become the chief instructor of Xuanyuan Third Division, and his military rank went directly to the rank of captain.

As soon as this news came out, many people were immediately shocked!

You know, Wayne Lin disobeyed, and even swallowed the Colorful Origin Fruit. This is a serious crime!

Everyone thought that Wayne Lin was definitely dead this time, and that he would have to endure at least fifty years of jail, but as a result, Wayne Lin didn't have any punishment, so it passed? In addition, he was promoted and directly mentioned the school lieutenant!

In this way, no one dared to despise Wayne Lin anymore.

However, Zhong Tao and others shrank even more, shivering.

In this regard, Wayne Lin did not get overwhelmed, because he knew that there is no free lunch in the world, and Shangfeng didn't hold him accountable. He even directly confessed to him as a school lieutenant, so his place must be useful, and, definitely There is no small difficulty.

Now that China is taking off, it has encountered obstacles and even hostility from many foreign forces, and the difficulties it faces are also great.

Wayne Lin has been prepared for a long time. He doesn't have too many ideas. Anyway, as a Chinese, he will certainly not sit on the sidelines where his motherland can use him. As the saying goes, the greater the ability, the greater the responsibility, Wayne knew this truth early, so he can only advance now, not retreat.

After a week of practice, he is now stronger and stronger. He feels that he is closer to King Kong's not bad. Perhaps it will not take a year before he can successfully break through!

As for Alma Chu, she is now in the first stage of the Innate Realm. Under Wayne Lin's training, she has also advanced in strength.

Chapter 688

Jiang Liqun was very excited, as if he had returned to his school days and followed the boss to play games, and Wayne Lin was his boss.

"Randal, the ribbon-cutting ceremony of that guy is in front of him. That day, they directly sealed our new company and beat a lot of us! It was lawless and didn't put you in the eyes!" Jiang Liqun gritted his teeth. It can be seen that his grievance is great.

Wayne Lin nodded and strode over.

At just this time, they invited many people, as well as reporters and the media, which seemed very lively.

Of course, Wayne Lin would not go to the place stupidly by himself. He retaliated with a tooth and made a call directly, and called someone from the relevant department to come and seal it up.

Taking Wayne Lin's current place, there are more people who favor him. He made a phone call and within half an hour, someone from the relevant department came over immediately. Moreover, this is in Province G. His territory, no matter how fierce the other party is, it can't beat his local snake.

As soon as the people from the relevant departments arrived, they did not beep too much, and they were directly sealed up. The other party was furious, but there was no way.

"Hey, you are so courageous that you dare to seal this place, do you know who started this company! Do you dare to seal this place, are you impatient?"

Someone immediately jumped out to stop law enforcement officers.

"Hmph, I care who you ran it. If your company violates the regulations, you will have to seal it up. If you are not convinced, you will appeal! Get out of here. Be careful that I sue you for obstructing law enforcement officers from performing official duties. You can drink a pot! "The law enforcement officers of the relevant departments are particularly hard-hearted. He received the order from above and must seal up this new company.

The man wanted to speak, but was immediately stopped by the people around him, pointed in Wayne Lin's direction, and said in a deep voice: "No nonsense, these people were sent by Wayne Lin, he really did it, hum ."

He followed his gaze and saw Wayne Lin and Jiang Liqun with a sneer on his face. He said, "It's really Wayne Lin. Tell the master quickly."

After a while, he ran aside, dialed a call, and immediately said respectfully: "Master, it's me, as you expected, Wayne Lin, he really did."

On the other side of the phone, a lazy but powerful voice came, "Yes, he still can't help it."

The man asked respectfully again: "Master, what should we do now?"

A voice came from the phone again, and said intriguingly: "Wait."

"Wait?" This person was taken aback, not understanding what he meant by waiting, but he didn't dare to ask in detail, so he nodded in agreement, "The master is wise."

After hanging up the phone, the host raised a meaningful smile on his mouth and muttered to himself: "Wayne Lin, I hope you won't let me down. I haven't found an opponent for a long time."

On Wayne Lin's side, Jiang Liqun saw that the other party's company was seized and did not dare to resist. He immediately cheered up and said, "Randal, as soon as you come out, the other party is obviously confused. This is great, hahaha. "

Wayne Lin was drinking tea in a leisurely manner. It seemed that none of this had anything to do with him. He said lightly: "The struggle has just begun. The other party knows that I will take action, but it's just trying my means."

When Jiang Liqun heard his face tightened, he quickly said, "Randal, who is the other party? Why are you fighting against you?"

"I don't know yet, but it should be an interesting opponent." Wayne Lin said and drank the tea in one sip. You know, this

Chapter 689

Nishang saw him like this, but she felt a piercing coolness. She knew Lei Zhen's character very well. The more kind Lei Zhen smiled, the more murderous he had in his heart!

Moreover, she knew very well that Lei Zhen's strength was an absolute powerhouse. Looking at the entire BRAGRUN organization, he was ranked high. Except for the high-ranking Saint King, his strength was only under the sword. Even the neon clothes feel that after these years, Lei Zhen's temperament is becoming more and more incomprehensible. Once he gets closer, he will feel invisible pressure and very uncomfortable.

Lei Zhen, as one of the four heavenly kings under the Holy Throne, is in charge of the Southern Territory, and his status is transcendent. Especially Lei Zhen is not very old.

He is only less than thirty-five years old this year. He can be described as a wizard of heaven and a monster!

Nishang knows that if Lei Zhen really makes a move against Wayne Lin, then Wayne Lin has no chance of winning!

She gritted her teeth and said: "Lei Zhen, you just want me, you don't have to spend so much time, I can give it to you now, as long as you let Wayne Lin go."

Lei Zhen stopped, like Mu Chunfeng's face, the corners of his mouth twitched slightly, but his smile became even stronger and a bit perverted, "Oh, it seems that you are really moved by him. You are so cold. You will sell your temper to save him. Tsk tsk, it is really touching love."

Nishang saw his smile, and her heart became even more hairy. He couldn't help but stepped back two steps before condensing his eyebrows: "You don't have to read too much, Wayne Lin is the only son of my aunt, and my aunt is so kind to me, I can't help it. Watching Wayne Lin have an accident."

"Really?" Lei Zhen lifted Nishang's chin with a smirk and joking, "Nishang, after so many years, your liar skills are still so bad, you can see through it at a glance."

Nishang's eyes flickered, and her heart suddenly panicked. Her natural cold temperament is indeed not very good at lying. With Lei Zhen's eyesight, she can see it with no effort.

At the same time, his anger became stronger and his eyesight became more murderous.

Neon clothing is the woman he has been fond of a long time ago. He has been nurturing it. He has always endured not moving the neon clothing because he is waiting, waiting for the extremely yin power in the neon clothing to reach the peak, and then he will take it away.

But this time when he came back, he found that the extremely yin power of neon clothes was weakened by more than half! The temperament has also changed, it turned out to be very cold and pure temperament, a little more charming and springy, Lei Zhen immediately realized that the neon clothes were broken!

When he heard the news, he was furious and almost couldn't help but kill the neon clothes!

At a critical moment, he still endured it, he wanted to see who was so courageous and daring to move him.

He cross-examined Nishang, but Nishang refused to say that he had no choice but to give up. Finally, through his investigation, he found Wayne Lin.

"How can you let Wayne Lin go?" Ni Chang raised his head and said in a nearly pleading tone.

Lei Zhen laughed loudly: "Leave Wayne Lin? Are you begging me? It seems that you are really in love with Wayne Lin. I'm more interested in seeing him. I want to see if it can make you fascinated. , A man who doesn't hesitate to sacrifice himself, what exactly has three heads and six arms."

Ni Shang gritted his teeth and said: "Now Wayne Lin is also a master of Innate Realm Dzogchen, you may not be his opponent, you have to think about it!"

Lei Zhen touched Nishang's face, and said jokingly: "You can also say such a naive stimulating method. It seems that you are really in love with him. Also, when I personally twist his head off, maybe you Only then will you understand whose woman you are."

Nishang panicked even more, she had no doubt that Lei Zhen could do what she said!

Chapter 690

When the clown returned to Hwadrid, it was already night.

He didn't dare to have any delay and went directly to Wayne Lin.

After getting through Wayne Lin's phone, the clown said straightforwardly: "Master, it's me, clown, I'm outside your house, please come out and meet you."

Wayne Lin was very surprised when he received the call from the clown. His consciousness immediately spread, and he realized that the clown was indeed outside.

“Okay, I’ll go over now.” He said in a deep voice, just about to hang up, but immediately, the voice of a clown came on the phone, “Master, I can’t hear what you say, please come out immediately, I am looking for you in a hurry.”

Wayne Lin frowned slightly, feeling a little strange. Could it be that the clown was forced to have an ambush outside?

But soon, Wayne Lin rejected this speculation again. First of all, the clown should not do this. Second, with his current strength, he can bring trouble to him, at least the innate realm of great perfection. , And since it is the Great Perfection of the Innate Realm, there is no need to fool him out, just kill him directly.

He put down the bowls and chopsticks, said hello to his family, and went out immediately.

Seeing his solemn expression, Alma Chu asked in a low voice, “Wayne, did something happen?”

Wayne Lin patted her hand, smiled and said, “No, it’s just an old friend who came to see me. It’s okay.”

“Well, that’s good, you must pay attention to safety!” Alma Chu exhorted.

“rest assured.”

After Wayne Lin came out of the villa, he soon saw the clown under the street lamp.

When he saw this, he was immediately surprised. The current clown looked embarrassed, he was sweating profusely, there was an obvious wound on his left leg, and the entire pants were wet with blood.

Moreover, the most important thing is that the current appearance of the clown is full of fear and tension. Wayne Lin has never seen a clown in such a panic.

“Clown, what happened?” Wayne Lin strode over and asked in a deep voice.

However, the clown didn’t seem to hear him. He was still looking around. It wasn’t until Wayne Lin walked over and appeared in his sight that he reacted and hurriedly grabbed

Wayne Lin's hand, "Master, no Now, Lei Zhen is watching you, and he is about to take action against you. Hurry up and hide first during this time!"

The clown said quickly, panting, the panic and haggard that could not be concealed on his face.

He came out of BRAGRUN's organization and rushed all the way. He was already exhausted. The main reason was that his left leg was injured. Every step he took was suffering.

"Who is Lei Zhen?" Wayne Lin asked in a deep voice.

The clown was already deaf, he couldn't hear Wayne Lin's words, and he said in a flustered manner: "Master, Lei Zhen is the congenital realm of Great Perfection. Now he has a murderous heart against you. With his character, he will definitely come and kill you. ! So you should hurry up and find a place to hide. This is no joke."

Wayne Lin discovered something was wrong, the clown completely answered the wrong question, as if he could not understand him?

"Joker, calm down, tell me who this Lei Zhen is, is it the holy king of BRAGRUN organization?"

"Master, I really didn't lie to you, this is what I heard with my own ears, he knows about you and Master Nishang, now he is coming to kill you!" Seeing Wayne Lin frowned, the clown thought Wayne Lin disapproved. , Said more anxiously.
