

# A Life Upside Down Chapter 701 – 710

## Chapter 701

It was Wayne Lin. After he finished speaking, he suddenly fell into a disadvantage, and he had already seen that he was about to lose, but suddenly his aura ushered in an earth-shaking change.

To say that he was just a scarred lion, then now he has transformed into a powerful lion king who can swallow the sky and obscure the sun, completely ushering in a two-level reversal!

He didn't retreat anymore, but attacked the Thunder!

Moreover, his offense was extremely fierce, like a huge wheel, rolling forward at high speed, and Lei Zhen was just a cockroach in front of the wheel. This picture was even more exaggerated than a man's arm blocking a car.

Lei Zhen felt his change, his pupils shrank instantly, his scalp began to numb, and he screamed, "This is impossible!"

He was indeed shocked in his heart. You know, he had already crushed Wayne Lin. Although Wayne Lin was very tenacious in the middle, it took him a lot of energy to overwhelm Wayne Lin. It was only a final blow. Defeated Wayne Lin.

But now, Wayne Lin swept away his decay, his whole aura rose by a few points, and instantly turned from a disadvantage to an advantage? This is too unscientific!

Even if he is the Great Perfection of the Innate Realm, he can't understand it for a while, why Wayne Lin can reverse under this situation, this is completely impossible!

Could it be that Wayne Lin had been hiding his strength just now, was he playing with him?

Do not! He can't accept such a thing at all. You must know that he has been an absolute genius since he was a child, and he has been like a monster. He is only thirty-five years old this year, and he has already cultivated to the innate realm of Dzogchen. The body, only the last step, can completely stand on the pinnacle of mankind!

But now, a person suddenly came out and completely suppressed him. With his arrogance and arrogance, he couldn't accept such a thing at all.

So at this moment, his mind had a huge change, which caused his speed to drop a lot, and people became panicked, revealing flaws.

And in front of an opponent like Wayne Lin, revealing such a big flaw means losing, and the result of losing is death!

Wayne Lin caught this flashing flaw, his hands, at the speed of his lightning, seemed to have turned into a Thousand-Hand Guanyin, and in an instant, his fists and hand knives enveloped Lei Zhen's body. In such an attack Underneath, except that King Kong is not bad, no one can catch Wayne Lin's attack!

Not even a master like Lei Zhen!

With a bang, Wayne Lin's punch hit Lei Zhen's chest. In the line of sight that everyone could see, Wayne Lin's thousand arms enveloped Lei Zhen, and finally turned into one and hit Lei Ting hard. .

The power of this punch is extremely powerful. Even if Lei Zhen is the Great Perfection of the Innate Realm and his physical body is already strong enough to be almost invincible, he can't hold Wayne Lin's punch, and he was beaten and flew out.

People with good hearing can faintly hear a click, his chest is collapsed by Wayne Lin's punch, and several ribs are broken.

Wayne Lin didn't let Lei Zhen go in this way. His figure was almost parallel to the body that Lei Zhen flew out, and he chased him quickly. Before Lei Zhen landed, he stretched out his hand and grabbed the thunder Zhen in the air. , And then hit the ground hard.

With this smash, the strength was greater, and there was a loud bang!

The entire Junlin Mountain could be heard clearly, and Lei Zhen's figure was directly smashed into the ground.

all of a sudden

, The whole Junlin Mountain became quiet, everyone was dumbfounded, watching this scene inconceivably!

You know, Lei Zhen is not an ant, but an absolute boss, with the title of a godslayer. Many people think that Wayne Lin will lose this time.

From the beginning to just five seconds ago, Lei Zhen had indeed pressed Wayne Lin and beat Wayne Lin with no power to fight back.

But what about Wayne Lin's comeback all at once? What the hell is this? The speed is so fast that they can't react, thinking they have hallucinations!

"This....."

Many people have stunned expressions, including Zhong Tao and Fang Xingping. Now they can't accept this fact. Why is it like this? Did Lei Zhen release the water, or did Wayne Lin use a hidden weapon to plot Lei Zhen? But even if it is a hidden weapon, it shouldn't be solved in such a fast time!

Only Fan Zhengping was normal, his eyes were deep, and he looked at Wayne Lin tightly, which evoked a memory he couldn't bear to look back. At the third place of Xuanyuan, Wayne Lin also reversed this way! He thought he had already gained the upper hand and crushed Wayne Lin, but in fact it was not. Wayne Lin just didn't use his full strength.

When he was defeated at the time, he was depressed for a long time. Now, someone finally realized this. He still had a perverted pleasure in his heart. Anyway, he was not the one who was treated like this by Wayne Lin, and his mentality was suddenly balanced. A lot.

It took a full ten seconds before King's Landing was under the mountain before someone recovered and made an uproar.

"I'm not mistaken, did Lei Zhen lose to Wayne Lin?"

“But, isn’t Wayne Lin always at a disadvantage? Why did he counterattack so quickly? This is totally unscientific? Did Lei Zhen release the water!”

“Neurotic, Lei Zhen is not an idiot. Isn’t releasing water in a battle of this level to kill him? Besides, he hates Wayne Lin deeply. What is the need to release the water!”

“That is, Wayne Lin didn’t use all his strength from the beginning? He used all his strength just now, and Lei Zhen is no longer an opponent... Then, how strong is Wayne Lin!”

“It’s over, no one can really hold Wayne Lin anymore, it’s terrifying, it’s terrifying!”

“This Lei Zhen, isn’t it dead?”

“It’s hard to say...”

The entire Junlin Mountain is now boiling, and the discussion has never stopped.

The hand that Wayne Lin showed just now really shocked them all.

Guru!

On this side, Luo Hongyang swallowed heavily, his entire scalp was numb, he looked up at the top of the mountain, that looks small but extremely stalwart figure, now he is truly terrified, Fearing from the bottom of my heart, I no longer have any ideas against Wayne Lin!

He now understands that Wayne Lin has grown up completely, and has opened a huge gap with them. Now they are no opponents at all...

He has a feeling that if he dares to fight Wayne Lin, then death is waiting for him! !

He was not the only one who had the same idea, everyone in the room thought so, no way, this scene really made a deep impression on them! I’m afraid I won’t forget it in this life...

Especially the dozen or so college students, now in a completely dumbfounded state, muttered, “God, really is a god...”

# Chapter 702

On the other side, there was a fiery red figure, and the expression on her face was also very exciting.

She is not someone else, she is Nishang. She can see the process of Lei Zhen and Wayne Lin's battle clearly.

At the beginning, Wayne Lin fell into a disadvantage. She was beaten with no strength to fight back. She was defeated steadily. She had already seen that she was going to be defeated. The defeated end was to be tortured. She was anxious, planning, she couldn't remain indifferent. , No matter what, she must stop Lei Zhen.

But...in just one breath, earth-shaking changes have taken place in the battle situation. Wayne Lin's aura ushered in a huge change. In less than five seconds, he turned defeat into victory and killed Lei Zhen!

Especially, the stalwart power that Wayne Lin showed just now, even if she was so far away, she could feel the huge lethality in it, and she felt suffocated.

She was sure that if she was in it, she would be beaten to dust by Wayne Lin.

As a result, even a master like Lei Zhen couldn't stop Wayne Lin's counterattack. He was beaten with a punch, and was still in the air. Wayne Lin pulled his feet and smashed into the ground. Invisible!

Even with her temperament, it has been a long time to calm down.

Wayne Lin won, and still in this brutal way.

Just then, Wayne Lin looked at her, squeezed a bright smile at her, and blinked his eyes, as if to say: Look, I didn't lie to you, right?

When Nishang saw his smile, her face flushed and she felt very shy. She remembered what she said to Wayne Lin just now at the foot of the mountain, and now she only felt her face hot. .

It turned out that he had misunderstood Wayne Lin, and Wayne Lin was absolutely sure!

And she just scolded Wayne Lin so much, and even scolded Wayne Lin for being swollen. I don't know what it is, there is a dead end...

Thinking of what she said herself, she couldn't do it awkwardly.

However, in general, she was also relieved that Wayne Lin was not dead, which was great.

She looked at Wayne Lin's tall figure, which seemed to be able to plunge into the sky and swallow mountains and rivers with anger. That kind of stalwart shore was deeply imprinted in her heart, making her unforgettable. Moreover, the feeling towards Wayne Lin is even stronger!

If Wayne Lin is not his aunt's son, how good would it be?

Then she can...

Stop it!

Neon clothes, what are you thinking about!

Wayne Lin didn't know what Nishang thought at this time, otherwise he would definitely be scared.

Now he started to stand, swaying in the wind, and his mind suddenly aroused.

Lei Zhen was the strongest opponent he encountered, and he defeated Lei Zhen head-on. Now that Lei Zhen is seriously injured, it is impossible to recover.

He lowered his head and saw the people under King's Landing Mountain, the group of Wuyang Wuyang, all raised their heads and looked at him with awe and fear. At this moment, he feels that he is the king, on the Junlin Mountain, and the world is over, and the following are his subjects.

After defeating Lei Zhen, he could clearly feel that the connection between Junlinshan and Lei Zhen was severed by him, and then connected with him. He felt the aura of Junlinshan, which was really heroic and agitated.

When he closed his eyes, he could feel the flowers and trees on Junlin Mountain. This feeling was so strange that he couldn't describe it in words.

Then for a moment, he felt that he was Junlinshan, and Junlinshan was him, and he had been completely integrated.

And at the moment he closed his eyes, all the animals on Junlin Mountain stopped, raised their heads, and turned towards him.

Looking towards him, it seemed that he was worshipping his own king.

It's a pity that this scene was not discovered by anyone, otherwise, it would definitely cause an uproar, because Wayne Lin is really the ruler of Junlin Mountain.

Only the military god Cary Road on the other mountain spotted him. He looked at Wayne Lin's straight figure and expressed sincere emotion, "It's really the back waves of the Yangtze River pushing the front waves, and the waves are stronger than each. This Wayne Lin is really Absolutely!"

Shangguan Wei An on the side heard his sigh, and was stunned. When he looked at Wayne Lin again, his eyes became different.

He has already seen a new star, rising in the land of China, unstoppable!

However, it is hard to say whether this is a good thing or a bad thing for China.

"Cough cough cough..."

In the pit, Lei Zhen let out a painful cough.

To say that he is the most shocked now. He can't say what feelings now. Fear, unwillingness, unbelievable, regret, anger, annoyance, and helplessness all rushed to his heart.

He can now clearly feel that his internal organs have been smashed by Wayne Lin, and he will feel extremely painful when he takes a breath.

And Wayne Lin's punch just now knocked his chest down.

He couldn't believe this was true, and he didn't want to believe that he actually lost to Wayne Lin, and he still did it this way!

With his arrogant and arrogant character, this is something that is totally unacceptable.

He looked up and saw Wayne Lin above, with that indifferent face looking at him with contempt.

Contemptuously, to the extreme, and full of murderous intent.

He knew that if he lost, Wayne Lin would not let him go.

But he is really unwilling. This is unreasonable and unscientific. He is a peerless evildoer. At the age of thirty, he successfully broke through to the congenital realm of Dzogchen. At thirty-five years old this year, he has already made half his foot in the King Kong not bad. Body. However, he would actually lose to Wayne Lin! ! !

Why does this world have such an enchanting existence as his, but also Wayne Lin's abnormal appearance? !

Since Shengyu He Shengliang, he was not satisfied, unwilling, and unhappy!

"Lei Zhen, you are defeated." Wayne Lin's emotionless voice came from above.

Lei Zhen wanted to talk, but he couldn't say it anymore. As soon as he was agitated, his breathing was short of breath, his internal organs were painful and he kept coughing.

He has grown up so much and has never been so embarrassed, like a bereaved dog.

"No, it's impossible! How could I lose to you bastard!" Lei Zhen made an unwilling voice, and the whole person seemed to be startled.

Wayne Lin ignored his emotions. He stamped his foot vigorously and tried his best to pass through the ground and rush to Lei Zhen. Lei Zhen seemed to be blown out by a bomb.

Wayne Lin easily grabbed his neck and took control of his life. As long as Wayne Lin relaxed and exerted force, Lei Zhen's life would be ended by him.

Lei Zhen felt his killing intent, and finally panicked, ignoring the severe physical pain. He screamed: "Wayne Lin, you can't kill me, I am the king of the BRAGRUN organization in the southern region! You killed I will be killed by the Holy King!"

"Really?" Wayne Lin smiled brightly, but the killing intent in his eyes was indeed stronger.

Just when Wayne Lin was about to make a move, suddenly, from the east, a clear voice came, "Wayne Lin, be merciful."

Wayne Lin squinted his eyes and looked at the young man in white who was stepping on the leaves, and said meaningfully: "Sword Rushuang, you are finally willing to appear."

## Chapter 703

That's right, this person who seemed to be riding on the branches of the tree to take advantage of the fictitious wind and the light effort was the young man in white with the sword Rushuang.

He doesn't look like a super master at all, but like a high school student, wearing white sportswear, watching the sunshine day and night, if he is walking on the road, he is a teenager, if he is almost sixty years old. , No one believes it at all.

In fact, Wayne Lin didn't understand why Jian Rushuang looked so young...No, it could even be called a young age, which is completely unscientific.

At this time, other people also discovered Jian Rushuang. Most people didn't know Jian Rushuang, and they had never heard of Jian Rushuang's name. But for real masters, they will shake three times when they hear the three words Jian Rushuang!

Because they all know that Jian Rushuang is a real big man, the number one master under the Holy King BRAGRUNzu, is also the strongest existence under the King Kong is not bad, even this is already recognized, even if Lei Zhen is against Jian Rushuang again Not convinced, but in front of Jian Rushuang, he still has to maintain the respect he deserves.

“Hi... Sword Rushuang, unexpectedly came! This BRAGRUN organization, is this going to see the sun again?!”

Luo Hongyang’s pupils contracted, and he said this sentence in horror. His reputation for Jian Rushuang is like thunder, even more famous than Lei Zhen!

Moreover, the most important thing is that Jian Rushuang is almost an outsider. He hasn’t appeared in the rivers and lakes for many years. He has always lived in the BRAGRUN organization, so that many people do not know Jian Rushuang, but for Luo Hongyang For those veteran masters like Fang Xingping, he still remembers it all!

The expression in Zhong Tao’s distressed eyes suddenly lighted up. Originally, he had completely lost his temper with Wayne Lin and did not dare to have any thoughts of confrontation. But now, the appearance of Jian Rushuang has ignited a glimmer of hope. If Jian Rushuang shot Wayne Lin, then Wayne Lin would still be killed!

Although he didn’t dare to fight Wayne Lin, he would still be very excited if someone avenged him.

When Fan Zhengping saw Jian Rushuang appear, he squinted his eyes. There was not much surprise. In fact, he had already felt the breath of Jian Rushuang not long ago and knew that Jian Rushuang had come.

In fact, he has always been jealous of Jian Rushuang, because Jian Rushuang was from his time, much earlier than Lei Zhen. The sword of that meeting was Rushuang, full of spirits, and invincible. So many geniuses were defeated by Jian Rushuang, including Fan Zhengping.

He is hostile to Jian Rushuang, but it is undeniable that deep down in his heart, he respects Jian Rushuang.

Now he is a little expectant that Jian Rushuang can take action and kill Wayne Lin. In this way, he can at least restore some face for the people of his time.

Nishang’s original expression of relief, instantly tightened, and his heartbeat also accelerated a lot!

Her pupils shrank violently, and a look of fear appeared on her face. To talk about the entire BRAGRUN organization, who is the one she most fears, then it must be the sword!

She clearly knows that when there is a sword like frost, Lei Zhen is always the second in a thousand years, and it is impossible to surpass the sword like frost.

But now that Jian Rushuang has actually appeared, then Wayne Lin is going to be more fierce...

It is too late to say that it is fast, Jian Rushuang has already fallen in front of Wayne Lin, his appearance, in line with his identity, seems really against him, especially the voice he said is full of magnetism. Young people's voice, "Lin Zi

Ming, no one has surprised me for many years. You are the first one. "

He is not tall and tall, only 1.7 meters tall, with a baby face, but his words are very magnetic.

He looked at Wayne Lin with a somewhat complicated expression, surprised, doubtful, and admired. At the beginning, on the Lion Mountain, he personally took the spirit fruit of heaven and earth. It was originally a foolproof thing, but he did not expect that Wayne Lin would be the first to board. Even escaped in his hands, which was the first time for him.

At the beginning, he really didn't put Wayne Lin in his eyes, because he was not at the same level as him.

But in the past two months, the former ant has grown into a big figure who can protest with the Chamber. This kind of strong contrast is really very emotional.

Jian Rushuang did arrive a long time ago, and he saw the battle between Lei Zhen and Wayne Lin just now.

Even he had been deceived by Wayne Lin, and he didn't see clearly that Wayne Lin had hidden his strength and could kill Lei Zhen in the end.

Now that Lei Zhen was about to be killed, he had to come out.

As for Wayne Lin, he actually sensed the existence of Jian Rushuang a long time ago, but he didn't make a sound.

It was not that he was arrogant and looked down upon Jian Rushuang, but he believed that the military god Cary Dao would not stand idly by on such important occasions. Although he did not perceive the existence of the military god Cary Dao, he can be sure that Cary Dao must be present, so even if he knew that Jian Rushuang was hidden in the dark, he did not worry about being attacked.

Now that he is already a talent from China, how could Cary Road put him in danger?

However, now that he sees Jian Rushuang, he is indeed very emotional. Two months ago, he was still an ant in front of Jian Rushuang. Now he has grown into a peerless powerhouse at the same level as Jian Rushuang. .

Seeing Jian Rushuang's appearance, Lei Zhen immediately cheered up and hurriedly shouted: "Brother Jian, it's great that you are here! Hurry up and kill Wayne Lin, a wild species!!"

He was pinched by Wayne Lin's neck and hung up like a chicken. It was as funny as it was.

Jian Rushuang looked at him faintly, disappointed and disgusted in his eyes, "Lei Zhen, you are really the shame of BRAGRUN."

Lei Zhen's expression of excitement stiffened on his face, annoyed into anger, "Brother, what do you know! Do you think I am not Wayne Lin's opponent? He used a hidden weapon to trick me! Otherwise I would have killed him!"

He wanted to scold again, but right away, he couldn't speak, because Wayne Lin's right hand was a little harder, and Lei Zhen was like a chicken caught in the neck, unable to call out. That's right, he is just a chicken now in Wayne Lin's hands.

"Jian Rushuang is right, you are indeed BRAGRUN's shame." Wayne Lin said disdainfully.

Lei Zhen's face was blue and white, which was very ugly, but he couldn't struggle, he could only kick his feet in the air, and now he has completely lost the ability to fight.

Jian Rushuang stared directly at Wayne Lin and said, "Wayne Lin, you have won, let him go. Your grievance with BRAGRUN can be wiped out."

This condition sounds tempting. After hearing this, the neon clothes who rushed over from a distance immediately lit up and wanted to agree to Wayne Lin.

However, Wayne Lin laughed, "What if I refuse?"

## Chapter 704

As Wayne Lin said this, the atmosphere of the scene suddenly changed subtly. Many people present felt nervous inexplicably, and their heartbeat accelerated a lot.

The neon clothes who were rushing over suddenly stopped and stared at Wayne Lin in surprise, with a look of hatred for iron and steel, wondering if Wayne Lin's brain was burnt out, and he would say such words.

As long as Lei Zhen is released, the grievances with BRAGRUNen can be written off. What a good deal this is!

Anyone who is a normal person knows what choice to make, but Wayne Lin actually refused? This is the brain flooded!

As a senior of the BRAGRUN organization, Nishang deeply knows how powerful the BRAGRUN organization is, especially the high-ranking saint king, who is a godlike existence. If Wayne Lin really doesn't know good or bad, he will anger the saint. Wang, then even if Wayne Lin had ten lives, he wouldn't be enough to die!

Jian Rushuang squinted his eyes and said meaningfully: "Young man, your achievements are indeed extraordinary, but this world is huge, and there are still many existences worthy of your awe. I am not saving thunderstorms, but saving you. ,do you understand?"

Wayne Lin still kept a smile on his face. He retracted his gaze from Jian Rushuang, looked at Lei Zhen, and said with a smile: "Do you think I should let you go?"

He seemed to be talking to an old friend. At this moment, he couldn't see any murderous intentions on his face. It was precisely because of his posture that Lei Zhen

relaxed a lot, snorted, and said threateningly:” You dare not kill me, you know very well, once you kill me, then you are dead, and you will be killed by BRAGRUN’s full force! At that time, even if you escape to the end of the world, you will have to die!”

Now Lei Ting seemed to have regained his composure, and decided that Wayne Lin would not dare to kill him, because Wayne Lin didn’t look like a fool, as long as he was not a fool, he knew what to do.

So he was quite proud, even if Wayne Lin defeated him, so what? Behind him is the entire BRAGRUN organization, even if it is China, it must be afraid of the existence of three points!

He is no longer afraid, and his thinking is slowly working. The moment Jian Rushuang appeared, he knew that his life was saved. Needless to say, Lord Saint King was also watching this decisive battle. And the appearance of Jian Rushuang must be the meaning of Lord Saint King!

“Really? So it seems that I can only let go of your path.” The smile on Wayne Lin’s face has become more intense. From outsiders, it seems that he has succumbed to the prostitution of BRAGRUN organization. Dare to kill Lei Zhen.

Lei Zhen snorted and said, “You are not afraid of death, so just give it a try.”

Wayne Lin was lost in thought, he seemed to be struggling.

However, Jian Rushuang’s brows did not loosen, instead they wrinkled even tighter. Because, he did not feel Wayne Lin’s killing intent relax, on the contrary, the killing intent that Wayne Lin condensed was getting more and more vigorous!

Wayne Lin, this is killing Lei Shock!

But most people didn’t see it. They all thought that Wayne Lin was persuaded. Many people were still gloating and discussing in a low voice.

“Cut, it seems that Wayne Lin is persuaded, he dare not kill Lei Zhen. This is the shortcoming of no background, even if Wayne Lin defeats Lei Zhen, what about it? Behind Lei Zhen is the BRAGRUN organization that exists in the Big Mac , Wayne Lin is not so obedient to let go.”

“Yes, Wayne Lin has already counseled. He won and lost. Moreover, when he beat Lei Zhen like this, he had a grievance with BRAGRUN organization. By then, his fate will definitely not be much better.”

“In other words, what is the origin of the BRAGRUN organization you are talking about? Why have I never heard of it?”

? “

“Of course, the BRAGRUN organization is a mysterious organization that has existed for more than a hundred years. It is impossible to know if it is not a person at that level. This BRAGRUN organization is so powerful that it can be called a small country, especially that one. The legendary saint king is even a god-like character. I heard that even the army god is very afraid of this saint king, otherwise, the Chinese nation will not let the BRAGRUN organization exist for so long...”

“Damn, is this BRAGRUN organization so awesome? I haven’t heard of it. It seems that I am ignorant.”

They talked about it, and for a while, they also became enthusiastic, thinking that Wayne Lin would not dare to kill Lei Zhen.

On the other side, Shangguan Wei’an used military-grade sight glasses to observe this side. He frowned and said, “Why does this sword Rushuang also appear? Does Wayne Lin really want to release Lei Zhen?”

As the peak of the Chinese nation, Shangguan Wei’an has always held a hostile attitude towards the BRAGRUN organization. It is just that the BRAGRUN organization is too strong to act rashly. If Wayne Lin really released Lei Zhen, then he would be quite disappointed.

“Brother Cary, what do you think?” He couldn’t help looking at the military god.

Cary said, “Wayne Lin will not let Lei Zhen go.”

“Oh? From this point of view, this kid is bold enough to fight the BRAGRUN organization head-on.” Shangguan Wei An said with admiration.

However, Cary Dao shook his head and said, "It's not the case. In all likelihood, I guessed that I was here, so I won't stand by."

Shangguan Wei'an frowned upon hearing it, and said, "This kid has such a high IQ?"

"Only higher."

"Then do you feel BRAGRUN's breath?" Shangguan Wei'an asked in a deep voice, he looked around, a little jealous.

Cary narrowed his eyes, shook his head and said, "Not yet."

He used 'return', Shangguan Wei'an immediately knew what was going on, and BRAGRUN would appear in any case, but Cary Road hadn't sensed it yet. But in this way, he is even more worried, because if BRAGRUN is already here, but Cary Road can't feel its aura, then it means that Cary Road is not strong enough for BRAGRUN!

"Wayne Lin!"

On this side, Jian Rushuang said in a deep voice: "Don't let yourself be fooled. Lei Zhen is the heavenly king of the BRAGRUN organization. If you kill him, you will declare war with the BRAGRUN organization. The consequences are not yours!"

His words sounded a bit inexplicable to everyone, isn't Wayne Lin already persuaded? Why do you still say this.

"Really? Why don't I have an exchange with you. As long as you let your mother go, I will let Lei Zhen go, how about it?" Wayne Lin said with a smile.

Jian Rushuang's expression became colder, and said, "Wayne Lin, you are provoking BRAGRUN's majesty, and the consequences will be serious."

Wayne Lin shrugged and said, "So there is nothing to talk about?"

"I don't have much patience. You will release Lei Zhen now. I am not discussing with you, but giving an order!" Jian Rushuang said coldly, his aura rising steadily, and the chief Wayne Lin dared to kill Lei Zhen. Then what awaits him is Jian Rushuang's anger.

When Lei Zhen saw this scene, he was even more proud, and provoke Wayne Lin, “Wayne Lin, let me go if you know you, there is still a way to survive, otherwise...”

However, before he said these words, he heard a click, his neck was broken, and his pupils were instantly enlarged, revealing incredible...

## Chapter 705

Lei Zhen couldn't say his last words, because his neck was broken by Wayne Lin, but he didn't die immediately. Instead, he opened his eyes and looked at Wayne Lin in fear and despair, with a ho ho ho ho sound in his mouth. , Like a chicken with its neck cut off, struggling to death.

The whole audience was silent and deadly quiet. Everyone looked at Wayne Lin with incredible eyes. It was absolutely unexpected that Wayne Lin was so courageous. Faced with the threat of BRAGRUN organization, he dared to break the neck of Thunder Zhen. It was declared war with BRAGRUN organization!

Even Jian Rushuang's pupils shrank in an emergency. The next moment, he let out a monstrous roar: “Wayne Lin!!!”

He was furious, and Wayne Lin actually killed Lei Zhen in front of him. This is totally unforgivable!

You know, Lei Zhen is not an ant, but the king of the BRAGRUN organization in the Southern Territory. He has a noble status. He sits on the side and made great contributions to the BRAGRUN organization. The effect is huge. Now he was killed by Wayne Lin. For BRAGRUN organization , Is a huge loss!

The others were also stunned. They didn't expect that Wayne Lin actually dared to kill Lei Zhen. This was a lunatic behavior. They all felt that Wayne Lin must have gone mad, and it was no different from seeking death.

Nishang only felt that his scalp was numb, and his body couldn't help but tremble, “This lunatic, really, really killed Lei Zhen, this time will be over...”

Her face became pale.

However, Zhong Tao, Luo Hongyang and others laughed loudly, unabashedly gloating. Wayne Lin was swollen. He actually dared to kill Thunder Zhen in front of Jian Rushuang, which is equivalent to offending the entire BRAGRUN organization, especially that. A holy king who has lived in seclusion for many years, once he makes a move, then Wayne Lin has only one dead end!

On the other side of the mountain, Shangguan Wei'an said in astonishment: "This Wayne Linbiao actually killed Lei Zhen, now he is going to cause trouble."

Cary showed appreciation in his eyes, and said, "Wayne Lin is very bold, not bad, not bad."

Lei Zhen, as a master of Innate Realm Dzogchen, was particularly tenacious in life. Even if he was broken his neck, he still hadn't died for a while now, but his vitality was dissipating at an extremely fast speed, and he couldn't live by sight.

He couldn't think that Wayne Lin was so courageous, he really killed him.

Now he is an unprecedented regret. He knew that Wayne Lin was such a lunatic, and he would not have written a battle with Wayne Lin if he killed him. Now he took his own life into it!

As a rare peerless genius in the world, he has to cherish his life more than anyone else. He can expect that in time, he can definitely break through to the point where King Kong is not bad. At that time, he will be an invincible existence, the sky and the earth are big, he will roam freely.

But now, everything is gone...

Wayne Lin threw him aside like trash, and smiled at Jian Rushuang and said: "I'm sorry, I am the person who hates threats by nature. If you talk to me well, I can still thunder and shake a dog's life."

Jian Rushuang stared at Wayne Lin stubbornly, his eyes raging to the sky, his aura constantly rising, like a demon god descending on the heavens and the earth, to destroy everything in the world.

"Zhuzi! You are looking for death!" Jian Rushuang's voice fell, and he had already reached Wayne Lin and started to attack Wayne Lin.

In an instant, Wayne Lin felt the overwhelming pressure, even breathing

Some hurried up, Jian Rushuang is too powerful, and Lei Zhen are not at the same level, completely beyond Wayne Lin's expectation.

Facing Jian Rushuang's troubles, Wayne Lin did not dare to neglect the slightest bit. He knew that when fighting against a master like Jian Rushuang, as long as he made a slight mistake, he was caught by Jian Rushuang and waiting for him. The disaster is over.

So he can't relax a bit.

Although Jian Rushuang was very powerful, he was not afraid at all, but rather excited and full of fighting spirit. Two months ago, he was just an ant in front of Jian Rushuang, but now, he has the ability to fight Jian Rushuang.

Jian Rushuang's style is completely different from Lei Zhen. Jian Rushuang is a sharp and magnanimous sword fairy. His every punch and every kick carries endless sword intent and sharpness. Wayne Lin simply confronted him, and his body was scratched and bleeds by his sword intent, and the sword aura would still adhere to his wounds, constantly tearing his wounds.

This is the second time Wayne Lin has confronted Jian Rushuang. This time, he can truly feel Jian Rushuang's strength, how terrifying it is.

He now finally knows why Jian Rushuang is called Jian Rushuang, because the sword intent of Jian Rushuang, like frost, penetrates, cold and destroys.

He thought that after he had digested all the life origins in his body, he already had the strength to fight Jian Rushuang, and now it seemed that he was still a little worse.

But it doesn't mean he will be afraid, even if Jian Rushuang is strong, it will not affect his fighting spirit at all.

Jian Rushuang was also very frightened. He had no mercy anymore. He had over 90% of the power he gave out, but Wayne Lin was able to carry it down. You know, two months ago, Wayne Lin was only one person. Only ants, such a growth rate, had to shock him.

No matter how talented Wayne Lin is, now that Wayne Lin has killed Lei Zhen, then Wayne Lin will only have a dead end, Jian Rushuang's eyes become even colder.

Hearing a tick, a faint blood-stained sword appeared on his brow. It looked like a sword, and it continued to turn red until there was blood dripping, and with a click, it fell to the ground.

"Wayne Lin, there is no denying that your talent is very high. It is not an exaggeration to claim that you are a rare genius in the past century. I originally wanted to keep you, but unfortunately, you are still dead. In that case, I will let you see. Look, the real King Kong is the strongest if it is not broken, what level is it!"

Jian Rushuang's mouth did not move, but his words spread throughout Junlin Mountain and exploded in Wayne Lin's ears.

At this moment, Wayne Lin felt an unprecedented sense of crisis. He had an intuition that he could not stop Jian Rushuang's blow!

But he did not sit still, he made the most correct response at the moment of the moment, and began to accumulate his strength to block the next blow from Jian Rushuang.

Almost in an instant, Jian Rushuang shot his hand. His punch came out, cutting the air into pieces, and struck Wayne Lin unreservedly. Wayne Lin kept backing away, dissolving the sword like frost. At the same time, he kept waving his arms and quickly created a whirlpool in front of him to suck the sword intent like frost.

However, Jian Rushuang's sword intent was still too strong. Wayne Lin's whirlpool couldn't bear it at all. It was cut to pieces by Jian Rushuang's sword intent. In the end, the punch of Jian Rushuang broke Wayne Lin's defenses. When he hit Wayne Lin's arms, Wayne Lin only felt the tremendous destructive power, and his whole body couldn't bear the power, and he flew upside down.

## Chapter 706

Wayne Lin was defeated.

Compared with Jian Rushuang, his strength is still a bit worse.

However, his reaction was very quick and his defense was formed very quickly. His arms could bear the punch of Jian Rushuang. Otherwise, if he was hit by Jian Rushuang, he would be seriously injured and would completely lose his fighting ability. Taken as a mermaid.

Jian Rushuang was also shocked. The move just now was regarded as his assassin. He thought it would definitely hurt Wayne Lin, but Wayne Lin was able to prevent it.

As a result, he had more hostility in his eyes, and even more murderous intentions towards Wayne Lin.

People like Wayne Lin are a huge threat to the BRAGRUN organization. Now Wayne Lin is less than 30 years old, and he has already achieved such an achievement. Give Wayne Lin a few more years, it is very likely that Wayne Lin will be able to break through to the question. King Kong is not bad, when the time comes, BRAGRUN organization will be threatened.

Therefore, he must be here to kill Wayne Lin!

He didn't stop, and immediately rushed towards Wayne Lin. The speed was so fast that he could only see an afterimage. One could not breathe, so he came to Wayne Lin again and attacked again.

Wayne Lin's pupils shrank deeply, and that strong sense of crisis reappeared. He knew that Jian Rushuang had already murdered him. If he didn't fight well, then it was very likely that his life would fall here.

He is still very curious, isn't the army god here, why hasn't he made a move to save him?

In any case, he now has to deal with Jian Rushuang wholeheartedly, no matter what, he can't die.

He quickly calmed down and fought Jian Rushuang.

Jian Rushuang's sword intent was too overbearing, it was almost pervasive, and constantly infiltrated. After a while, there were already many scars on his body, and it looked like he was covered with bruises.

However, slowly, he also began to adapt to Jian Rushuang's attack, not as embarrassed as before.

Jian Rushuang is now completely pressing against him, without the slightest strength to fight back.

If this continues, he will lose sooner or later.

Sure enough, when Jian Rushuang used that move again, he was no longer able to resist. He was about to be seriously injured. Wayne Lin was nervous. Could it be that he made a mistake in his estimation, and the god of war was not there?

If this is the case, then he is threatening.

However, as soon as his thought came up, he heard a sigh, "The sword is like frost, and your hand is stretched too long. Wayne Lin is from China, so it is not your turn to intervene."

It is the voice of the military god Cary Road.

Wayne Lin heaved a sigh of relief when he heard this voice. Fortunately, he was right, and the military god would not let it go.

Jian Rushuang heard this voice, his expression also changed rapidly, the cloudy and sunny changed, he gritted his teeth, his speed has not weakened, but surged a lot, he wanted to solve Wayne Lin before the military god arrived. !

"Sword Rushuang, do you dare?!" The military god suddenly furious.

Wayne Lin also felt tremendous pressure in an instant. He roared, facing Jian Rushuang's mortal blow, he released his full potential.

In the strongest state, welcome this move of Jian Rushuang.

With a loud bang, the two collided together. As a result, Wayne Lin was defeated and flew out hard, spitting out a large mouthful of blood.

Jian Rushuang was not happy either, but instead expressed disappointment and anger, because he knew that he could not kill Lin.

Wayne just injured Wayne Lin.

At the same time, the military god Cary Dao has arrived, and his face is cold, "The sword is like frost, you are so bold!!"

He was angry, it seemed that the gods were really angry, the heavens and the earth were discolored, and the creatures of Junlin Mountain were trembling. As for those onlookers, they were now fearful and pale in mind. They could not think of anything. Looking at the figure on the top of the mountain, it was like looking at a god, with a strong thought of surrender in his heart, and many of them knelt down directly.

Even Jian Rushuang's face is pale now. Even if he is the strongest King Kong, he will still feel terrified and awe in the face of Cary Dao. After all, Cary Dao is the true King Kong is not bad, and he is known as the Chinese military god. That's no joke!

The moment he saw Cary Road, if his mind was shaking, he didn't expect that the army god would actually appear here. He didn't hesitate to turn around and ran.

As a person who has accompanied the Holy King for many years, he knows how terrifying it is that King Kong is not bad! It is not what he can match. It is no exaggeration to say that he is just a bigger ant in front of Whampoa Road.

However, no matter how fast he was, he still couldn't reach Whampoa Road. I saw Cary Road and didn't make any moves. He just waved his hand, an invisible inner strength hit the sword Rushuang's body. Suddenly, the sword Rushuang seemed to have suffered a huge blow, the bones creaked, and the whole person flew out and fell heavily to the ground!

He vomited blood and his face was as white as paper.

This change made everyone stunned, their scalp numb, and an invincible figure like Sword Rushuang was seriously injured by a slap in the face. It was too terrifying.

Even Wayne Lin was frightened. He knew that Cary Dao was very strong, as the god of war, guardian, and powerhouse of King Kong. However, he still didn't expect that Whampoa Road would be so strong, just a wave of Whampoa Road just now, hitting people in the air, the sword was severely damaged!

At the foot of Junlin Mountain, Zhong Tao, Luo Hongyang, and Fan Zhengping saw the emergence of Cary Road. They all showed enthusiasm and awe. They knelt down and shouted loudly, "Subordinates, see the army god!"

"See the military god!"

"See the military god!"

As their voices came out, others realized that this middle-aged man who looked elegant and easy-going was actually the myth of the Chinese nation, silently guarding the military god of the nation!

Soon, they knelt down and shouted to see the god of war.

This scene is very shocking. At this moment, Cary Road is the only true god in the entire Junlin Mountain, and it is admired by thousands of people.

Cary Road seemed to be used to such a scene, he waved his hand to motion them to stand up.

But Wayne Lin stood up at this moment, he saw this scene, the detached status of Cary Dao in China, he was still very envious and yearning.

Men should be like Cary Road.

As a man, standing on the top of China, this is the only way to forget this life.

Once upon a time, Wayne Lin also longed to be a person admired by thousands of people. How happy is that to respond to a hundred responses?

Cary looked back at Wayne Lin, saw that Wayne Lin was fine, nodded slightly, and then he was about to grab the sword like frost.

Although Jian Rushuang was very strong, he was nothing more than an ant.

However, at this moment, there was another misty voice, which seemed to be transmitted from the sky, "Whampoa Road, you are too much."

# Chapter 707

Whampoa Road suddenly narrowed his eyes when he heard this voice, and flashed with surprise and fear, because he heard it, who is the owner of this voice!

But the already desperate sword Rushuang, after hearing this voice, his pupils suddenly widened, glowing with hope and ecstasy, he directly knelt down, bowed his head towards the sky and shouted, "Guardian, sword is like frost, see Holy King Your Highness!!!"

Suffering like a sword like frost, he bowed down at this moment, his eyes were full of worship and fanaticism, and looking at the whole world, only Saint King BRAGRUN could make a sword like frost.

Wayne Lin also squinted his eyes, and his heartbeat speeded up a lot. I don't know if it was his illusion. When he heard this voice, he felt an indescribable sense of familiarity. He seemed to have heard it somewhere.

But he thought about it, but he couldn't remember.

However, he is still very shocked now. He didn't expect that this time he and Lei Zhen's decisive battle would attract the Saint King BRAGRUN!

He radiated his consciousness and wanted to explore the position of the Saint King BRAGRUN, but he was just as empty as a basket of water, unable to explore at all, and even his thinking encountered a barrier, as if he was stabbed by a needle. He is in pain.

He was shocked that the strength of the Saint King BRAGRUN was far above his imagination.

As for the others in the audience, they were all shocked and exploded.

"I heard that right, did that voice just now belong to BRAGRUN's Holy King?"

"It must be. Look, even Jian Rushuang has bowed down, and asked the world, besides the holy king, who else can make Jian Rushuang kneel down."

“Sage King BRAGRUN, this is an existence standing at the pinnacle of mankind. I heard that even Lord Military God is not his opponent! I didn’t expect it to appear, it’s terrifying.”

“Yeah, and I didn’t even hear where his voice came from, and how did it feel like it was everywhere? This is too weird.”

“That’s necessary. People are the legendary King Kong is not bad master, also known as the realm of the gods. How can we ordinary people understand?”

The entire Junlin Mountain was boiling, and it was the shadow of the so-called famous tree of people, but anyone with status and strength had heard of the title of Saint King BRAGRUN, and knew that this was a real great man!

Especially for Fan Zhengping and Zhong Tao and others, now they have numbness of their scalp, as they are facing a big enemy, all of them look unsightly, they feel the tremendous pressure, and their faces become pale.

“Didn’t it mean that BRAGRUN is dead? How can he still appear here?”

“It seems to be a rumor. BRAGRUN is not dead yet. It seems that he is still at the peak.”

“This is too scary. Rumor has it that BRAGRUN has lived for nearly a hundred years.”

On the other side of the neon clothes, hearing BRAGRUN’s appearance, her face was even more ugly, biting her lips tightly, completely desperate and sad.

If Jian Rushuang appeared, Wayne Lin would still have a glimmer of life, but now that the Holy King appeared, then Wayne Lin would be dead, and even the military god Cary Road would not be able to keep Wayne Lin!

Cary raised his head and looked in a certain direction. It seemed that BRAGRUN was standing with his hands in the clouds in the sky, and said lightly: “BRAGRUN, you finally appeared.”

&n;

b Between heaven and earth, BRAGRUN’s voice came again. It was a slightly vicissitudes of life. It sounded like the voice of a god, which is unforgettable.

“Whampoa Road, you have been looking for this seat for these years. This seat is for your teacher’s sake and has not paid attention to you. Is it because you really think that this seat is afraid of you?” BRAGRUN’s voice did not have any emotional fluctuations. The upper voice was transmitted from all directions again, swept over like a tide, and it sounds like it is no longer human, as if it is the will of heaven, which is deafening and shocking!

Wayne Lin, as the supreme master of Dzogchen in the Innate Realm, was already very powerful. He stood at the top of the human pyramid, only under the condition of King Kong. However, facing BRAGRUN’s voice, he still felt Uncomfortable, unprecedented pressure, as if he and the whole world are enemies, and the world is pressing on him.

Even if he is like this, let alone other people, more than two-thirds of the people couldn’t bear BRAGRUN’s pressure, so they fell to their knees, surrendered to BRAGRUN, and did not dare to raise their heads.

You know, those who can appear here are all big figures in society with a reputation, worth over 100 million, and a powerful influence. Their status is not low. In society, they are sought after by thousands of people, but they are also kneeling down now. , It is completely kneeling down to worship the gods, not dare to have a trace of blasphemy.

When Wayne Lin saw this scene, his heart was shocked!

He originally thought that he had reached the Innate Realm Great Perfection, and the gap with the Saint King BRAGRUN was no longer big, but now it seems that the gap far exceeds his imagination!

Cary Dao frowned. He didn’t seem to have thought that BRAGRUN would be so strong, but he was not cowardly, instead he snorted heavily, as if there was a nuclear bomb exploding in the air, shocking everyone present. Everyone’s ears buzzed, “Pretend to be a god! BRAGRUN, you are a hundred-year-old old thing, half-footed into the coffin, still pretending to be in front of me? Today I will be in front of you, killing the sword. , I want to see what you can do!”

After saying this, he immediately shot, and the others did not move, just a few tens of meters away, just like this, the five fingers spread out, and he grabbed the sword Rushuang, as if he was about to grab the sword Rushuang over the air.

At this moment, Jian Rushuang immediately felt the unprecedented pressure, which made him horrified, and his heart was unexpectedly uncontrollable.

Obviously Cary Dao didn't catch him, but he felt tremendous pressure all over his body, as if an invisible big hand grabbed him and wanted to squeeze him directly!

He has never heard of this method.

"His Royal Highness, save me..."

Jian Rushuang called for help.

The holy king in the sky seemed to be furious, he roared loudly, "Presumptuous!"

It seems that there is really a thunder rolling, the whole world is angry, rumbling and rumbling, and then, a strong wind is rolled up out of thin air, blowing towards Jian Rushuang and Cary Road.

Saint King BRAGRUN took the shot, but no one could see how he appeared, even where he was not found.

Whampoa's brows constricted, his power to restrain the sword like frost was interrupted, but he did not give up, but snorted heavily and exploded again like a nuclear bomb. This time his figure disappeared in place, As the Saint King BRAGRUN chased after him, only a voice was left, "BRAGRUN, let me meet you and see if you are really that strong!!"

## Chapter 708

Cary Road took the initiative to attack BRAGRUN.

Wayne Lin's brows beat fiercely, his heart surging extremely, full of expectation, his eyes followed the past, but he couldn't catch the two of them.

They seem to have reached a dimension that ordinary people cannot see, which is very unscientific.

As for the others, they are even more confused. They don't even know why Cary Road disappeared so well.

In the sky, from all directions, there were fierce fighting sounds, but they could not be seen. This feeling was really weird. At that moment, even Wayne Lin had a question, Cary Road and BRAGRUN, has he escaped from the human category and has become a god?

But soon, he denied it. It was impossible. It was just that their strength was so strong that their mental power was extremely powerful, which interfered with their spirits, causing them to not see it.

But I have to say that it is really scary that King Kong is not bad, and it is no longer a concept with Innate Realm. The gap in this is even bigger than the Congenital Realm and ordinary people! No wonder if you look at the whole world, there are very few people who can achieve King Kong not bad.

"Whampoa Road, this seat admits that you are a rare genius in a century. Unfortunately, you still don't look enough in front of this seat. Even your master is not an opponent of this seat, so you should not humiliate yourself."

"BRAGRUN! You don't have to be silly, this is not your time anymore. You have lived for a hundred years, and now it's time for you to leave! Today you can hardly fly!"

"Hahaha, it's hard to fly with wings? Whampoa Road, don't you think you don't know your little movements? You think you can set up a net to help this seat? Young man, you underestimate this seat."

"Really, then I want to see your magical powers, do you have any good words!"

As their conversation fell, there was a fierce explosion in the sky again. The loudness of the sound was so deafening that many people couldn't help covering their ears, and their hearts were shocked.

Even people from far away heard this movement and looked over, thinking that something major had happened.

Wayne Lin was shocked. Isn't this how powerful King Kong is? Sure enough, it was too strong, but why, facing BRAGRUN, he always had an indescribable sense of familiarity?

When did you meet this mysterious holy king?

He recalled it carefully, but he didn't even remember. He shook his head and threw this bizarre idea out of his mind, because it was too impossible. What kind of character is the Saint King, how could he have seen him in private.

Originally in Junlin Mountain, the protagonists were Wayne Lin and Lei Zhen, but now, they have completely lost control, and the protagonists have become BRAGRUN and Cary Dao.

At this moment, Wayne Lin felt a familiar gaze. When he looked back, he saw a flaming dress coming over, biting his lip, his face full of complexity. After he walked over, he opened the door and said, "You are still doing it. What, run quickly!"

Wayne Lin said, "What am I running?"

"Whampoa Road cannot be the opponent of the Holy King. When the Holy King cleans up the Cary Road, you can't run away. You killed Lei Zhen. With the temper of the Holy King, he will definitely slap you to death!" Nishang said with concern.

Wayne Lin was very moved.

He looked at the neon clothes and said, "You are from the BRAGRUN organization, so you are not afraid of being punished by the Holy King?"

Nishang shifted his gaze away and said, "I grew up in the organization, and the Holy King would not kill me. But you are different. You are the son of the previous saint, which is a shame to the Holy King in a sense. He was meant to kill you. So you should run quickly!"

Wayne Lin said: "Nishang, why do you care about me so much?"

Nishang paused, her face flashed unnaturally, she snorted heavily, moved her face aside, and said duplicity: "Hmph, don't get me wrong, I just look at it for the sake of my aunt. That's why I reminded you. What are you doing in a daze? Run quickly, I really want to die!"

Wayne Lin shook his head and said, "I won't go."

Nishang was so angry that he hated iron and said: "Why are you so stupid? Because you have defeated Lei Zhen, you can fight the Holy King! You don't know how strong the Holy King is! He shot, there is no one in the world that he can't kill, including Cary Road!"

Wayne Lin didn't doubt the words of Nishang. Through the dialogue between Cary Dao and BRAGRUNsheng Wang, he actually guessed that Cary Dao is not BRAGRUN's opponent, but he still can't escape, otherwise, what will he become? People?

The key is that there is always an intuition deep in his heart that Saint King should not kill him.

Moreover, most importantly, if the Saint King really wants him to fight, where can he escape? It is better to stay, and would rather stand to die than kneel to live.

Seeing Wayne Lin's arrogance, Nishang was really annoyed. If she hadn't been able to beat Wayne Lin, she would like to slap Wayne Lin to wake up!

She sighed in her heart, and said to herself: No matter, the auntie gave Wayne Lin to her at the beginning, and she couldn't just watch Wayne Lin's death, to die, to die together.

If Wayne Lin knew her thoughts, she would have shouted strangely, but Wayne Lin didn't know.

Not long after, in the sky, from all directions, there was a violent voice, a bang, as if something was hitting the ground hard, and then there was an indifferent voice, "Whampoa Road, you lose Up."

Wayne Lin looked over, and he saw it. Cary jumped out of the pit, bleeding from the corners of his mouth, and injuries appeared on his body. His clothes were ragged, and there was an extra five-fingerprint on his chest.

Cary raised his head, looking in a certain direction, his eyes were full of unwillingness and jealousy, but he didn't make a move, "BRAGRUN, your life is not much, I see how long you can last!"

BRAGRUN didn't respond, but rolled his sword like frost and disappeared.

From the beginning to the end, he didn't attack Wayne Lin, nor did he say anything to threaten Wayne Lin, as if he didn't pay attention to Wayne Lin at all.

Wayne Lin breathed a sigh of relief. It seemed that there was Cary Dao, and BRAGRUN would not attack him, or that he was too small to enter BRAGRUN's eyes.

However, just when he was just relaxing, BRAGRUN's vicissitudes of life sounded in his ears, "Wayne Lin, you are good, practice hard, this seat is watching you."

Hearing this voice, Wayne Lin was stunned, his expression solidified in an instant, and his heartbeat suddenly accelerated a lot. I don't know if it was his hallucinations. In BRAGRUN's downturned voice, he actually felt a sense of affinity!

## Chapter 709

This matter was considered settled, Wayne Lin defeated Lei Zhen, and also killed Lei Zhen, and settled with BRAGRUN organization.

Originally, Wayne Lin was supposed to show the limelight, but in fact, his limelight was robbed by military god Cary and BRAGRUN.

It was a single stone that caused a thousand waves of waves. BRAGRUN was back out of the rivers and lakes. He also fought against Cary Road, the god of war, and wounded Cary Road in the end. This is absolutely breaking news!

It has been a week, and this matter is still being discussed in circles.

In this week, Wayne Lin has heard a lot. Although most of the topics are focused on the shocking battle between BRAGRUN and Cary Road, he has also been deeply impressed by the three words Wayne Lin. Remember, from now on, no one dares to despise him anymore.

Even Fan Zhengping, Zhong Tao and others in Xuanyuan No. 2 are now keeping a low profile, regardless of their dissatisfaction.

Ordinary people just focus on BRAGRUN and Cary Road in a terrifying battle. At most they know that Wayne Lin is an absolutely terrifying existence, but for them, more, they know a piece of news. , Wayne Lin is now a person valued by the military god, and

regardless of Wayne Lin's strength has surpassed them, it is just this that prevents them from being an enemy of Wayne Lin anymore.

Instead, they are praying now, and Wayne Lin should not trouble them.

In this week, Wayne Lin mainly rested and rested. He often remembered what BRAGRUN said to him at the end, wondering what it meant, BRAGRUN and other big figures, everything they said, everything they did. , It must be of interest.

Are you beating him? Or do you have ulterior motives?

Especially, BRAGRUN's voice sounded very familiar, so what happened?

Wayne Lin spent a week thinking about it, but he didn't understand. Originally, he wanted to ask Cary Dao, but after thinking about it carefully, he thought it was inappropriate.

In any case, he has no need to worry, just let the flow go. If BRAGRUN is really looking for trouble, then with his current strength, he is absolutely irresistible. It's better to relax and just let the life go. Over.

Alma Chu knew that Wayne Lin had won, she was relieved, and the heart she had been holding finally relaxed.

Wayne Lin accompanied Alma Chu back to the Chu family and had a meal. Now the Chu family's attitude towards him has changed drastically from the beginning. Even the patron Thompson Chu, when talking to him, has Involuntarily brought a bit of respect!

As for the other Chu family members, it goes without saying that Sean Chu, who humiliated him the most back then, is now even more flattering towards him, and he dare not neglect it again.

“Wayne, come, I will toast you a glass, my cousin had no eyes to know Taishan, so offended a lot, and please forgive me.”

As soon as Wayne Lin sat down, a man voluntarily stood up, toasted to Wayne Lin, and drank it all.

This cousin, Wayne Lin, is a little bit impressed. When Wayne Lin was still working as a wasteful son-in-law, he was often bullied by him. He had forgotten it a long time ago. He smiled and drank his glass of wine. He smiled and said, "I don't remember the past, so cousin, don't worry about it."

The cousin showed a grateful look and said: "Wayne still understands righteousness!"

Then, other people toasted Wayne Lin one after another, even the elders. Now Wayne Lin has become the backbone of the Chu family. As the head of the Chu family, Thompson Chu did not have any dissatisfaction. Instead, he was full of smiles. I'm very lucky now, fortunately, Wayne Lin didn't prevent Wayne Lin from entering the family, otherwise their Chu family would have ended.

This is the blessing of the Chu family.

"Hey, you almost got it, take turns drinking Wayne one by one, what do you do when Wayne gets drunk?" Mother-in-law Candice Liu immediately said with dissatisfaction. She now regards Wayne Lin as a treasure. Since Wayne Lin succeeded, She doesn't know how moist her life is now, she is the most beautiful existence in her circle, and this honor is brought to her by Wayne Lin.

Wayne Lin smiled and said, "It's okay. I have a good drinker and I won't get drunk."

Indeed, with his current cultivation base of the Great Perfection of the Innate Realm, this bit of wine is simply trivial and does not cause any influence on him.

Alma Chu on the side saw this scene with a particularly happy smile.

The family is really happy.

Suddenly, someone curiously said: "By the way, how about Shane Chu and Chu Xing? Where did they go, why haven't they been there yet."

When everyone heard this, they reacted, yes, Shane Chu and Chu Xing, the young people, were not here.

"Sean Chu, didn't you tell Shane Chu and Chu Xing that they were going to be there? Wayne was here today, and they were late! It was impolite! Speed call them back!"

Thompson Chu said with a sullen face. As soon as he exited, Sean Chu became nervous. He quickly said, "Grandpa, it doesn't matter to me, I have already greeted them and told them that we can't be late for the party today. Yes, they also promised full, who knew it would be like this!"

Sean Chu looked aggrieved, and at the same time he was quite annoyed. On this occasion today, none of the juniors Shane Chu and Chu Xing were present. For him as a big brother, it was a bit slapped!

The most important thing is that Wayne Lin is here for this gathering, and they dare not come. This is disrespectful. If they are caught, they must be beaten up!

"It's unreasonable, these stinky boys are itchy, don't you dare to be late for such an important party today? I turned them back!" Thompson Chu cursed angrily, and then said in a deep voice, "I will give it now. These brats called and asked them to roll over as quickly as possible, otherwise they wouldn't have to come back."

It can be seen that Thompson Chu is angry.

Alma Chu frowned slightly, feeling that Thompson Chu had made a little fuss, and said, "Grandpa, Shane Chu and Chu Xing are still young. They may be out to play, just call them and let them know. There is no need to be so angry."

Thompson Chu looked at Wayne Lin. He mainly wanted to see what Wayne Lin meant. Now Wayne Lin is the boss of the Chu family. If Wayne Lin has any dissatisfaction with the Chu family, then the Chu family will be ruined.

Wayne Lin felt helpless in Thompson Chu's reaction. Ever since he became famous, the Chu family treated him like an emperor, which really made him unaccustomed. He is still used to the harmonious life before.

However, he thought about it for a moment, nodded and said, "Call them and see if something is wrong with them."

## Chapter 710

After Alma Chu heard it, she was shocked, "Something happened? Shouldn't they cause any trouble again!"

Wayne Lin nodded and said, "Perhaps it is possible."

Alma Chu suddenly became worried, but the other members of the Chu family were not worried. Sean Chu smiled and said, "If something happens, these guys are not stupid. If they really get into trouble, they will definitely explode Wayne in the first place. Your name, as long as the other party is not blind, dare not do anything to them."

Thompson Chu also nodded, his face relaxed and not worried at all, "Sean Chu is right, now looking at Huarvell, as long as it is not a person who wants to die, he dare not do anything to us. Wayne, Speaking of it, you are still worthy of you! Come, Grandpa also toasts you."

With that said, Thompson Chu stood up and made a toast to Wayne Lin, still putting his posture quite low.

Wayne Lin saw this scene, and to be honest, he was still quite helpless. It seemed that he would have to return to the Chu family less in the future, otherwise he would be too uncomfortable.

Fortunately, the Chu family didn't know Wayne Lin's thoughts, otherwise they would definitely regret it.

From here, Sean Chu called and went over. After a while, his face ran over in a panic, "It's not good, Shane Chu and Chu Xing, it's true, something happened!"

"What?!" Mother-in-law Candice Liu stood up immediately and said nervously: "Sean Chu, you have made it clear, what happened to them? Is it a car accident?!"

When other people heard this, they suddenly became nervous. Yeah, for the Chu family now, they are already a big family in Hwadrid, and their prestige directly surpasses the Lin family. As long as they are not blindfolded, yes Don't dare to offend their Chu family.

Moreover, even though Shane Chu and Chu Xing were tricky, they were still a little measured and would not be too troublesome.

So the first thing they thought of was whether Shane Chu and Chu Xing had a car accident!

Everyone looked at Sean Chu and became nervous.

Sean Chu swallowed his saliva and shook his head and said, “No, they didn’t have a car accident. They said yes, they offended a big man, and they are now detained!”

Thompson Chu immediately knocked on the crutches hard and cursed: “It is unreasonable, where is the person, who is so indifferent, and dare to detain someone from my Chu family!”

Sean Chu looked over and said weakly, “Grandpa, this time, Shane Chu and Chu Xing seem to have really kicked the iron plate. Just now on the phone, they seemed to be from Yandu, and they were distinguished... ..”

Hearing this, Thompson Chu’s face immediately paled, and his body trembled twice.

As for the others, they panic even more.

For them, they understand the meaning of Sean Chu’s words. People from Yandu have a distinguished status. They are obviously big shots. They are definitely not something that a business family like the Chu family can provoke!

When Wayne Lin heard this, he also frowned slightly. In Province G, as long as it wasn’t for murder and arson, committing crimes, or committing crimes, he could solve the big trouble. However, if it provokes the rich and powerful in Yandu, it is indeed a bit troublesome.

At this moment, Berry Chu was also a little panicked. He quickly asked, “So Shane Chu and Chu Xing, are they doing anything right now? Where are the people? Alas, this jerk, he just didn’t listen. I knew I shouldn’t have done it yesterday. Let him go out! Make trouble for the family all day long! This time is great, and it has provoke the big people in Yandu. Now, no matter how rich our Chu family is, we can’t afford to offend it!”

With that said, he also took a sneaky glance at Wayne Lin. At this moment, Wayne Lin, a big man, could help.

The mother-in-law Candice Liu also understands this principle, and she immediately echoed: “Yes! These little bunnies, if they fail to succeed and fail, they will all get into trouble! But we can’t help but save them. what.”

Wayne Lin is a human being. How can he not see the acting of his father-in-law. This is also a trouble for successful people. As the saying goes, one person has the right to ascend to heaven. Often after a person counterattacks, his status in the family and circle is greatly improved, but the people around him will also expand because of their own strength. Getting up will inevitably cause trouble, and he will still have to wipe his butt.

Wayne Lin also considered this matter before, but he didn't have the energy to make arrangements at that time. Now it seems that he has to make arrangements.

Otherwise, he wiped this butt, and there are other butts, which would be annoying.

So Wayne Lin said directly, "Where are Shane Chu and Chu Xing, I'll go directly."

Hearing what he said, everyone in the Chu family breathed a sigh of relief. As long as Wayne Lin is there, then all difficulties can be resolved.

Sean Chu shook his head and said, "I don't know, I didn't say on the phone just now..."

Wayne Lin said, "Call again and ask."

"It is good."

Sean Chu nodded and was just about to make a call. At this moment, his cell phone rang in advance.

He saw the caller ID and immediately said to Wayne Lin: "It was Shane's call!"

Wayne Lin nodded and said: "Pick it up, turn on the speaker."

Sean Chu obeyed Wayne Lin's words. After answering the call, he turned on the speaker. Immediately, a familiar voice came from the phone, "Brother Hao, save me! They are going to cut off our hands and feet, we don't want to be disabled, oh Woo..."

It was Shane Chu's voice, full of panic and helplessness, and his voice was trembling. When the Chu family heard this voice, his face changed drastically and his heart was agitated.

In addition to Shane Chu's voice, I could faintly hear the cry of several people next to him. They all seemed so helpless and panicked. It was obviously Chu Xing and others.

Candice Liu was immediately anxious. She walked over quickly and said, "Son, are you all right! Don't be afraid, your brother-in-law will save you right away!"

On the phone, Shane Chu heard the words brother-in-law and immediately raised hope and said excitedly: "Brother-in-law! Brother-in-law! Come and save me. They will chop off our hands and feet and throw us into the sea. Fish, we don't want to die, oooooo..."

He was crying with snot and tears, he looked particularly frightened, and he was obviously shocked.

And after he finished speaking, he was obviously kicked, screamed and screamed, and screamed, to get rid of a poor puppy.

Wayne Lin frowned when he heard this movement, his eyes flashed with anger!

He said directly: "Where are you, I will come and look for you."

But there was no response on the phone, only the murmur of Shane Chu and others could be heard vaguely.

Moreover, accompanied by the sound of fists, it was obvious that Shane Chu and Chu Xing were beaten again. As a result, the Chu family was even more worried, and Wayne Lin was also on fire.

"Hey, I am Wayne Lin. You should have heard my name. These are my younger brothers. Give me face and tell me where I am. I will redeem people in the past."

Now, finally there was a voice on the phone...
