

A Life Upside Down Chapter 711 – 720

Chapter 711

“Yo, listen to what you mean, you are still a human being.” The other party’s tone jokingly, “Okay, you are not awesome, I will give you 20 minutes to find my position. However, if you exceed 20, Minutes, don’t blame me for not giving you face, throwing these wastes into the river to feed the fish.”

After saying this, he just hung up, without giving Wayne Lin a chance to speak.

“What?! 20 minutes! Hwadrid Fortress is so big, it is impossible for even a god to find someone in 20 minutes!”

“What should I do now? Listening to the other party’s tone, I really want to attack Shane Chu and others.”

“Wayne, you are the best at our place, think of a way...”

Now that the entire Chu family has six gods and no masters, they can only pin their hopes on Wayne Lin.

Wayne Lin also frowned slightly. In the phone call just now, he could have heard that the other party had a lot of origin, and he didn’t put him in his eyes at all.

In 20 minutes, it is really difficult to find a person in Hwadrid City. If it is to find someone by manpower, it is obviously impossible to find.

“Don’t worry, I will find a way.” Wayne Lin said in a deep voice, first to stabilize their emotions.

Soon he called Sun Liang, reported the call just now, and asked Sun Liang to help him find it.

As a large domestic institution, Xuanyuan 3 is not a difficult task to locate domestic mobile phones. Now in the era of big data, it does not take long. Wayne Lin wasn't worried about not being able to locate it. What he was worried about was the opponent's location, which was relatively far away, so even if he knew the location, it would be difficult for him to rush to it right away.

Sun Liang didn't disappoint him, it only took a minute to locate it.

When Wayne Lin heard it, he snorted in his heart. Sure enough, what he was worried about still happened. The other party's location is not close to here. If you drive normally, you will definitely not be able to make it within 20 minutes, at least an hour.

In this way, he can only pass by himself.

"I found the location, it's a bit far from here, on the east side of the bridge." Wayne Lin said in a deep voice.

Immediately, Candice Liu's face turned pale, and she said sadly: "That's it, it's at least an hour's drive to get to Qiaodong here, 20 minutes, it's impossible to rush over!"

"Yeah, what should we do now? How about we call the police and let the police handle it!"

"Yes, call the police, we can't just watch Shane Chu and Chu Xing have an accident!"

They seemed to have panicked, even Alma Chu was a little bit arrogant at this time, but she didn't mess around herself. She believed that Wayne Lin could definitely save people. After coming down so many times, she already had an instinctive belief in Wayne Lin.

Wayne Lin shook his head and said, "It's useless to call the police. They are the dignitaries of Yandu. Calling the police will only be a bad thing. Let me go there in person. You will wait for my news here."

Thompson Chu asked immediately: "But it's far from here to the east of the bridge. We didn't prepare the helicopter in advance. We can't make it in 20 minutes!"

This is also something the other Chu family worry about.

Wayne Lin smiled and said, "This problem is not a big deal. I have a way to get over it. Okay, no time is wasted. I'll get over there. Just wait for my good news."

Alma Chu nodded, and she deeply said to Wayne Lin: "Okay, then do as you said and pay attention to safety."

"Well, I will."

After Wayne Lin finished speaking, he left directly.

Now 3 minutes have passed, and he has to rush to Qiaodong within 17 minutes. This is an unimaginable thing for ordinary people. It is too difficult to do. You know, the straight-line distance to Qiaodong is nearly 50 kilometers!

But for Wayne Lin, it is not difficult.

At his current speed, he can actually arrive in less than 17 minutes.

Just kidding, the Dzogchen of Innate Realm, is it a joke?

He went straight to the top of the building, and then started running mode.

To put it in new fashion is parkour, which can only be done by young people with good physical fitness and courage.

But Wayne Lin's this is almost the same as Qinggong. His body dived forward, the distance of the jump was hundreds of meters, the speed was extremely fast, the speed was already close to the speed of sound.

Such a speed, even if people see it, it will only pass by in a flash, and it is invisible at all.

When Wayne Lin was still in the fourth stage of the Innate Realm, he rushed through like this, but now, his cultivation base has greatly improved compared to before, and he has reached the terrifying Innate Realm Dzogchen, and when he runs, he is even more swift.

Wayne Lin ran like this, with a rushing wind blowing from his ears on both sides, and there was an altitude of hundreds of meters below his feet, it really seemed to be flying.

He couldn't help feeling surging. In the past two years, his martial arts has advanced by leaps and bounds, and he has already reached the peak of mankind. Looking back, he is still quite proud.

Just ask hundreds of millions of people in the world, who can achieve such an achievement?

Moreover, his achievements definitely go beyond this, waiting for him to break through to the legendary realm of the gods.

How happy is it again?

That day, the shocking battle between Cary and BRAGRUN, the military god, left a huge impression on him. This is no longer a battle he can understand. He can imagine that once he reaches the realm of the gods, it will definitely usher in transformation.

Time passed by, Wayne Lin ran so quickly without expending too much physical strength. It took him fifteen minutes to reach the position.

His thoughts stretched out, and he felt the happiness in the room.

Shane Chu and Chu Xing had already been beaten up and wounded all over their bodies. They were now kneeling on the ground. In the room, there were more than a dozen people, eight of whom were ordinary people with average aura. The other six are masters, and two of them are masters of innate realm!

Although it was far from his realm, it was actually the third stage of the Innate Realm, which surprised Wayne Lin. How come there are innate realm masters everywhere now, if two years ago, innate realm masters still existed very rarely.

“Shao Qin, 20 minutes have passed. This kid's rescuer hasn't come yet. It seems that he is just an ant. Let's just get rid of these short-eyed garbage.”

A young man with arrogance and domineering said that after he finished speaking, he kicked Shane Chu hard, kicking Shane Chu screaming.

“You can’t kill us! Our brother-in-law is Wayne Lin, he is very powerful! He is on his way now, if you dare to attack us, my brother-in-law will definitely not let you go!” Shane Chu He gritted his teeth and said, his face is now swollen into a pig’s head, especially embarrassed.

Chu Xing also said quickly: “Yes, our brother-in-law is the number one master in G province and the chairman of Ziqiong Media. You’d better let us go, otherwise you will be dead when our brother-in-law comes! “

They said so, but their bodies were shaking so badly that they were obviously frightened, and now they were just struggling.

Chapter 712

Sure enough, after they finished speaking, they were beaten again, “Death is approaching, and they dare to be hard-headed. I don’t know how to write death words!”

These young people in the middle, at first glance, know that they are the second generation who are used to being arrogant. The whole person is very arrogant, watching everything. It seems that in this land of China, they are the overlords and can walk sideways. No need to put anyone in the eye.

They took Shane Chu and the others, just a fat beating, and they were particularly enjoyable, especially when they heard the screams and begging for mercy from Shane Chu and the others, it was particularly refreshing.

For a while, they came to G Province to play, all the way arrogant and domineering, with two congenital realm masters by their side, they could almost walk sideways, and they just happened to fall in love with a new girlfriend Shane Chu talked about, who used to be a gangster. Naturally, Shane Chu couldn’t give up. He slapped the opponent on the spot, but this caused trouble and was directly crushed by this group of people.

Shane Chu had been taught the most miserable right now. He was bruised and trembling, but he still did not beg for mercy and endured it hard.

“You rubbish, Lao Tzu, who is attracted to your woman, is giving you face and your blessing, so you dare to fight back? Lao Tzu gave you a face, right?” This second

generation stepped directly on Shane Chu's face, heartily Humiliated him, "Quickly apologize, otherwise I will cut you off now."

Shane Chu was in great pain. He had never suffered such a miserable humiliation when he grew up. If he changed his character, he would have been begging for mercy with tears in his nose and tears. But now, he became stubborn inexplicably, feeling angry in his heart, and felt that he could not shame his brother-in-law Wayne Lin!

So no matter how painful he was, he didn't say anything.

Chu Xing and the others were shocked when they saw that Shane Chu was so hard. This is not Shane Chu they knew. Chu Xing said softly, "Brother Tian, you should lower your head, or you will really be beaten to death. They are all lunatics."

"Yes, brother, we are in Qiaodong. No matter how good the brother-in-law is, it is impossible to come over within 20 minutes. The hero doesn't suffer from immediate losses."

"My god, apologize, you can't lose a piece of meat."

They all began to persuade Shane Chu, but Shane Chu was still very hard. He spit out a mouthful of blood and said stiffly: "Bah! I won't beg them for mercy! If they can, they kill me!"

His stubbornness directly annoyed them, "You are hard enough, I will see how hard you are! Give him a break first!"

Immediately, two people forcibly held Shane Chu's leg, and then the second generation held a long iron rod in his hand, weighed it in his hands, and looked cruel, "You tough guy, right? , Lao Tzu keeps on doing this, but see if you can bear it!"

When Shane Chu saw this scene, his scalp was numb and his face lost blood.

He swallowed fiercely, but he still closed his mouth tightly and refused to give in. He had an inexplicable obsession in his heart, thinking that Wayne Lin would definitely be able to come and rescue him in time. Because in his mind, brother-in-law is omnipotent.

“If you don’t see the coffin, you won’t shed tears, then you will die to Lao Tzu!” The second generation’s expression became savage, he suddenly raised the iron rod with both hands, and slammed it down on Shane Chu’s leg!

At this moment, Chu Xing and the others were shocked.

I can imagine that Shane’s legs will definitely be useless

, They couldn’t bear to look again and closed their eyes.

However, at this moment, only a loud bang of ‘Dang’ was heard, which resounded through the audience. Almost at the same time, the iron rod in the hands of the second generation was hit by a sudden flying stone. Fly away.

The powerful force took him back a few steps and fell to the ground.

This sudden change surprised everyone present.

Among them, the two innate realm masters reacted the fastest. They became serious for the first time and entered a state of fighting, looking around, looking for Wayne Lin’s position.

Then, Wayne Lin’s voice came: “Who gave you the courage to bully my family.”

When Shane Chu heard this voice, he was stunned for a moment, and then cried with joy, exclaiming excitedly: “Brother-in-law is here! Brother-in-law is here! Great!!!”

Chu Xing and the others finally reacted, and they were all too excited, cheering and cheering, “Great, it’s the brother-in-law who is here, now we can be saved!”

Everyone in the room frowned when they saw Shane Chu’s reaction, their expressions gloomy.

“Who is it, get out for Laozi!”

“Get out, pretend to be a ghost there!”

There were a few second generations who were clamoring, and the words that came out were hard to hear, but they couldn’t say a few words, so they knelt down and

screamed. Suddenly, Wayne Lin shot again, the coin popped out and hit them directly. On his knees, they all knelt down, howling ghosts.

Just kidding, with Wayne Lin's current strength, it is not a matter of grasping that he has to teach these little crickets. Including the two Innate Realm masters in it, they are also ants, and he doesn't even look at them.

The person who was called 'Qin Shao' just now seems to be the person with the highest status here. He frowned and stood up, with a powerful aura exuding from his body. He is just an ordinary person, but because of his extraordinary background, he has been in a high position for a long time. He has a strong aura that ordinary people don't have.

"Wayne Lin, right? It seems that you have two brushes and came here within 20 minutes. Since you are here, don't pretend to be a fool and come out." Qin Shao said in a deep voice, squinting his eyes, his face Not the slightest panic, it is also the second generation, but it is much worse than others. He obviously has the kind of calmness and city government of a superior.

But his voice fell. Wayne Lin still didn't appear. He couldn't help but sneered twice, and said, "Why, it's all here, I dare not show up yet? Just listened to these scraps and said that you are the number one in province g. Master, very famous, I think it's just that."

Others also started to laugh, thinking that Wayne Lin was nothing more than a reckless man. Such a mud-legged man, no matter how strong he was in martial arts, would still be a mud-legged man.

However, Wayne Lin spoke soon, "I have been behind you all the time, none of you have noticed it, it is too weak."

When Qin Shao heard this, Qin Shao's heart suddenly jumped, and his brow jumped fiercely. He was frightened, because Wayne Lin's voice sounded from behind him, as if it was in his ears, making him instantly Get nervous!

He reflexively looked back, and suddenly saw a smiley face, just three meters behind him.

Chapter 713

But isn't it? They searched for a circle, but did not find Wayne Lin, but now Wayne Lin suddenly appeared behind him, and still so close to him, normal people would be frightened.

Soon, when Qin Shao saw the playful expression on Wayne Lin's face, he suddenly became irritated and cursed: "Hiding behind me and pretending to be a ghost, I think you are impatient! Get it on me, take this wicked pen! "

Qin Shao directly waved his hand and attacked Wayne Lin. He was a master of Yandu and came to a small place like Huarvell. It can be said that he walked sideways. Someone dared to act in front of him. Now Wayne Lin hurts others. I won't say anything, but even dared to scare him and cause him to lose face. This is something he cannot tolerate!

It can be seen that his status is very high, and the thugs immediately attacked Wayne Lin after hearing his order.

However, the two Innate Realm masters did not act rashly. Generally speaking, with their identities, high above them, this kind of low-level battle does not require them to take action.

They had scanned Wayne Lin a while ago, and found that Wayne Lin was just an ordinary practitioner. The aura on his body was not strong, and they didn't take it seriously. If they knew that Wayne Lin was a master of Innate Realm Dzogchen, they would definitely tremble with fear.

Faced with this situation, Wayne Lin didn't even look at it. He swiped his right hand directly. Each of these menacing thugs, all of them hitting a bullet, flew out at a very fast speed and fell heavily to the ground. , He puffed up blood.

"This....."

Suddenly, everyone in the audience was dumbfounded, especially the second generations like Qin Shao. They were all dumbfounded and dumbfounded. They had never seen this kind of battle before, just like conjure, Wayne Lin never encountered these thugs. , Why did these thugs fly out? Actor?

But soon, Shane Chu and Chu Xing shouted in excitement.

“Hahaha, brother-in-law is invincible!”

“Brother-in-law is strong, just slap all the rubbish!”

“Brother-in-law is mighty and domineering!”

They have strong confidence in Wayne Lin, and now that Wayne Lin appears, they have completely relaxed, especially Shane Chu, his face is full of tears now, and he just feels that his patience just now is worth it, he has not shamed his brother-in-law!

“This, what’s the situation!” Qin Shao couldn’t help being rough, and he looked at the two Innate Realm masters.

Don’t mention them, even the two Innate Realm masters were surprised by Wayne Lin’s hand, because even they didn’t see clearly how Wayne Lin made the move, and his expression became serious. They are not stupid, and soon I also realized that Wayne Lin is not an ordinary person, but an innate realm master like them!

They looked at each other and saw the solemnity in each other’s eyes. One of them stood up and said: “It seems that we have missed it. You are still a master of innate realm. No wonder you are so arrogant.”

After Qin Shao heard this, he was stunned for a moment and was very surprised. Looking at such a young man, Wayne Lin was actually a master of the innate realm?

Humph, but, even if Wayne Lin is a master of the innate realm, what about it, in front of him, it is also an ant!

He knows that the two masters of his own side are powerful, even in the innate realm, they are considered to be the existence of the upper level, and

There are two more. But Wayne Lin was the only one himself, still so young, and he knew where he was not as good at a glance.

Even he was even more excited, there is nothing like humiliating an innate realm master, and there is a sense of accomplishment.

“Oh, I’m still a master of the innate realm. I said I dare to be so arrogant. Tsk tsk.” Qin Shao said with a smile. He put his hands on his chest and looked at Wayne Lin with scornful eyes, as if he was looking at a prey. .

The other second generations understood what Qin Shao meant, and now they are also excited, with smirks all over their faces. They were originally arrogant and domineering second generation ancestors, relying on themselves as Yandu nobles and no one in their eyes. They do not know how many bad things they have done, and they deserve it. Demon King.

There are countless people planted on them, but they really haven’t humiliated the masters of the innate realm. They didn’t expect to have this opportunity today.

What a character Wayne Lin is, how could he not see the thoughts of these second generation ancestors, he shook his head, his heart was already angry, he knew, like this kind of thing, they must have done nothing less, and today he will act for heaven. Give these second generation ancestors a lesson!

“You second generation ancestors, it seems that your parents did not educate you well, which caused you to become arrogant and do a lot of bad things. Today I will teach you a good lesson for your parents.” Wayne Lin carried his hands on his back. He said coldly, his aura is very strong, and the next year is not much bigger than Qin Shao and others, but there is a feeling of elders, Qin Shao and the others feel an invisible pressure. For a moment, they almost thought that they were in front of them. Wayne Lin is their elder.

Shao Qin was even more embarrassed. Who is he? Even in Yandu, he is a ranked person. How many people rely on his breath, but in a small place like Huarvell, some people say they want to Discipling him for the elders, this has already touched his negative scales. The corners of his mouth twitched fiercely, his expression was a bit savage, and he said fiercely: “Who do you think you are? You dare to be arrogant in front of Lao Tzu. , Lao Tzu is impatient to see you live!”

The other second generations were also furious and furious at Wayne Lin. As the second generation ancestors, each of them had a different family background. They had been arrogant and domineering and walked sideways. They considered themselves superior, except for their circle. The people in here are all mud-legs and lowly species, even if they are masters of the innate realm, they are just running dogs for them.

And Wayne Lin now dares to humiliate them like this, he is looking for death!

“Your kid is dead!”

“Lao Tzu’s arrogant people have seen it, but this is the first time I have seen someone like you, and today you can hardly fly!”

“Huh, what to do with him so much, just let Fu Bo and Uncle Chen take action, take him down, I want to piss him!”

“I still feed him shit!”

They were clamoring one by one, especially angry.

At this moment, Shane Chu, Chu Xing and others have ran behind Wayne Lin and relaxed. Chu Xing said: “Brother-in-law, we must not let them go. They are too much. Not only are they playing hooligans against Brother Tian’s girlfriend, they also put us You beat so badly, we exploded your name, they didn’t put you in their eyes!”

“Yes, brother-in-law, they are too damn...”

They said what you just said briefly, and Wayne Lin understood it, and his eyes became colder and colder.

Chapter 714

Before he came, he was still worried about whether Shane Chu and Chu Xing were backed by him and they drifted away, causing them to provoke the dignitaries of the swarms of Yandu. If this is the case, it would be a loss, and he would not be able to take revenge. .

But now, after he heard it, he knew the truth of the matter. It was not Shane Chu and Chu Xing who took the initiative to cause trouble, but the group of second generation ancestors in front of him were looking for trouble, and the methods were still very dark.

If you change someone else and know their identities, you still dare not take revenge, you can only suffer a dumb loss. But Wayne Lin definitely wouldn’t be so counseled, and with his identity as the Great Perfection of Innate Realm, he didn’t need to counsel him at all.

“I see, I will give you an explanation.” Wayne Lin nodded and said to Shane Chu and Chu Xing.

Shao Qin and the others are impatient. They directly said to the two masters of the Innate Realm in a commanding manner: “Uncle Fu, Uncle Chen, it’s time for you to take action. Take down this kid, I will use all the methods to let them Life is better than death!”

Uncle Fu and Uncle Chen nodded, and then Fubo said in a deep voice: “My friend, it seems that you are also breaking up in the congenital realm. You can catch it by yourself. Otherwise, if we make the move, you will have to suffer a lot of flesh and blood.”

Uncle Chen also said: “My friend, you have kicked the iron plate this time. These young masters are not something you can offend. Even if you are a master of the innate realm, you are also a small person.”

With their lofty attitude, Wayne Lin didn’t pay attention to them at all.

Indeed, they also have this confidence. They are all powerhouses in the third stage of the Innate Realm. They have served the rich and powerful for so many years, and Wayne Lin, looking at his early 30s, no matter how talented he is, he will die. It is also the first stage of the Innate Realm, and their strength is not at the same level.

Wayne Lin’s expression turned weird. According to reason, he is now very famous, especially after the first battle with Thunder on Junlin Mountain. Anyone in the domestic circle knows him. Why don’t these two Innate Realm masters actually know him?

“You don’t know who I am?” Wayne Lin asked curiously, “My name is Wayne Lin, haven’t you heard of it?”

Indeed, Wayne Lin was quite curious.

However, after the two of them heard it, there was no response, and they frowned, thinking that Wayne Lin was playing mystery. They were already unhappy, thinking that Wayne Lin didn’t take them seriously.

“We don’t have much patience, don’t be shameless, wait for us to act, you will not be as simple as being humiliated!” Fubo said coldly, and as his voice fell, it suddenly radiated

from him. The powerful aura swept over like a tide, and it had no effect on Wayne Lin, but for ordinary people such as Shane Chu and Chu Xing, they were terribly scared, each of them pale and trembling.

Uncle Chen also said: "I count to three. If you don't hold your hands, don't blame us for being rude."

Wayne Lin sighed, he was sure now, these two guys really didn't know him.

"I originally wanted to give you a chance to save you from suffering, but I didn't expect that you didn't know who I am. If this is the case, then no wonder I asked." Wayne Lin shook his head and said.

His words directly angered both Fu Bo and Uncle Chen. Fu Bo was obviously more irritable. He snorted coldly, toasted without eating and fine wine, and then started his hand. There was an eagle claw on Wayne Lin's neck. Come over, directly in a rough way

, Capture Wayne Lin.

In his eyes, the master of the first stage of the innate realm is no different from the ants.

However, he had just rushed in front of Wayne Lin and hadn't even touched Wayne Lin. Suddenly, he felt an unprecedentedly powerful aura, which burst out of Wayne Lin, causing his heartbeat to speed up suddenly, and he was severely beaten. Shocked. At this moment, he felt that his vision was dark, and reflexively looked up, only to see a palm that fell from the sky. At this moment, he felt that he was a grandson, facing the Buddha's palm, and he couldn't escape anywhere.

He roared, trying to escape as hard as he could, but found that the sky was so big that there was nowhere to go, and even he couldn't even resist, so he could only watch the slap fall and slap him heavily on the shoulder. On the ground, the powerful force, like Taishan's top pressure, was completely beyond his ability to resist. When he was beaten, he knelt down and hit the floor heavily. The powerful force directly smashed the floor and made a click.

Even his knees sank into the ground.

Then Wayne Lin kicked him out, kicked him hard, hitting the wall behind, knocking out a hole in the wall.

But Fu Bo directly lost his combat effectiveness, vomiting blood, his pupils contracted, and his eyes burst into panic and disbelief.

Wayne Lin didn't pay any more attention, just a beat and kick just now, which had already wiped out Fu Bo's combat effectiveness.

He looked at Uncle Chen and said lightly: "It's you."

From Fubo's shot to Wayne Lin's smashing defeat, it only took a second to add up. It can be said that it was almost to the extreme. Now Uncle Chen was stared at by Wayne Lin's eyes, and his face was pale with fright in an instant. Swallowing, "you you you..."

He knew how powerful Uncle Fu was. As a master of the third stage of the Innate Realm, no matter how bad he was, he wouldn't be crushed like this.

There is only one possibility, and that is that Wayne Lin's cultivation is far above them.

As for Qin Shao and the others, they were even more dumbfounded now, they couldn't react at all. They couldn't figure out why Wayne Lin was so good, it was totally unscientific.

"You, who are you!" Uncle Chen is now trembling with his lips, and he realizes that Wayne Lin definitely can't be an unknown person. Just the strength that Wayne Lin showed just now is at least the fourth stage of the Innate Realm. Up, even higher!

And such a big hand, definitely can't be an ordinary person, nor can they offend!

"I said, I'm Wayne Lin. I thought you would retreat when you heard my name. I didn't expect that you didn't know me, so I can't blame me." Wayne Lin said with a smile, but he The smile made Uncle Chen even more scared.

"What realm are you, and why do you have such a terrifying combat power!" Uncle Chen asked incredulously. How he looked at him, he also felt that Wayne Lin was very young, how could he have such a powerful strength at such a young age!

"It's just the Great Perfection of the Innate Realm." Wayne Lin said lightly.

However, when Uncle Chen heard this, his legs became weak and his body trembled fiercely. He almost couldn't stand still, "Greatly big, Dzogchen..."

His brain was blank, and now he realized how stupid he was just now, and he dared to threaten a supremely strong man with the Dzogchen Congenital Realm! !

Chapter 715

As a master of the Innate Realm, Uncle Chen knows very well what the Dzogchen in the Innate Realm represents, this is definitely an existence standing at the pinnacle of mankind! Don't even think that he is also a master of the Innate Realm, but in the face of Dzogchen in the Innate Realm, it is just a bigger ant.

Now that he saw Wayne Lin's playful expression, he only felt that his scalp was numb, and he was extremely scared and regretful. He has provoked a monster.

"I heard that you are going to be rude to me?" Wayne Lin said.

Under his pressure, Uncle Chen couldn't bear it at all. He shook his head and waved his hand and said, "No no, senior, I was joking just now! Don't take it to your heart, if I know senior you are born The realm of great perfection, give me a hundred courage, and dare not offend seniors!"

Uncle Chen bowed his head deeply.

Wayne Lin didn't have the same knowledge as him, he was just a bunch of second-generation running dogs, and he didn't have much sin.

So Wayne Lin put his gaze on these second generation ancestors, "What about you."

Those second generation ancestors now know that they have kicked the iron plate, and they seem to have lost their arrogance, and their arrogance has been reduced a lot, especially the aura on Wayne Lin, which made them invisibly afraid.

"I don't see it, you are still a master, so I underestimated you!" Qin Shao snorted heavily, and he straightened his waist again and said: "I will save you face for today's matter, so I won't be held accountable. ,let's go."

He turned and left as he said, his posture was still high, as if he just didn't care about Wayne Lin, he was the winner.

But how could Wayne Lin let him leave in vain? Not to mention, his current status does not need to be afraid of these second generation ancestors. They bullied Shane Chu, Chu Xing and others in this way. As a brother-in-law, Wayne Lin cannot sit back and watch. ignore.

"Huh!" Wayne Lin stomped, and the ground trembled suddenly, as if there was an electric current spreading from the ground to their feet, and a crack appeared around them.

"You want to go, have you asked my opinion!" Wayne Lin said in a deep voice, full of majesty, turned into an air bomb, and exploded in their ears, causing them to buzz and make their faces pale. a lot of.

Regardless of whether they are second generation ancestors, they have a deep family background and have been used to being arrogant since childhood, but in essence, they are still ordinary people. Facing a powerful person like Wayne Lin, they are instinctively suppressed, like a mouse sees. Cat.

Those second generation ancestors suddenly changed color on their faces, showing fear and panic. They had never seen someone as powerful as Wayne Lin.

Even Shao Qin had a numb scalp now, and couldn't help swallowing.

"Shao Qin, what should we do, this guy seems to be very powerful."

"Shao Qin, this is a reckless man, we can't deal with it..."

These second generation ancestors all began to have no masters at this time.

"Don't panic, we are from Yandu. Could we still be afraid that the mud legs won't work? No matter how high his martial arts is, he will only be mud legs!" Qin Shao pretended to say calmly. Calm down slowly.

He turned around and said: "The surname is Lin, I admit that I missed it this time. You win, but don't know what it is! We

But the nobles from Yandu, even in Yandu, our family can call the wind and rain. In a small place like your Huarvell, let alone stomping your feet, you can make your Huarvell upside down! This matter is a bit misunderstood. I don't know each other. I remember you Wayne Lin. If you are free when you come to Yandu, I can entertain you personally. Now we are going back. You are a smart man and know what to do. . “

What he said was very strong, and in his tone he dared to threaten Wayne Lin, and did not put Wayne Lin in his eyes at all.

After Wayne Lin listened, he smiled and said, “It seems that you have not realized your current situation. Since this is the case, I have to make you sober.”

When Wayne Lin's words fell, he moved, stepping forward, and striding towards the group of second generation ancestors.

This group of Second Generation Ancestors was shocked when they saw it, and quickly backed away. Although they had several people, they didn't have the ability to fight back in front of Wayne Lin.

“Hey! I warn you not to mess around, but my dad...”

One of the second generation ancestors scolded loudly, but before he could finish his words, Wayne Lin slapped him and slapped him on his face, knocking him upside down and flying out, half of his face was swollen.

Others were also shocked by Wayne Lin's actions. I didn't expect that Wayne Lin was so stubborn that he really dared to beat people. You know, they are the nobles in Yandu. They have always been the only ones who bullied people, where they were beaten. Passed, and now, Wayne Lin actually started this.

“You! You are dead, do you know who we are? You have to move our fingers...”

“Noisy.” Wayne Lin snorted impatiently, then shot again, and slapped it again. The second generation ancestor was beaten twice and fell to the ground in embarrassment, already embarrassed.

Bang bang

Next, Wayne Lin made consecutive shots, slapped a second generation ancestor with one slap, and after a while, he slapped these second generation ancestors on the ground, even their elders had never taught them this way.

Especially Qin Shao. In the end, he was beaten with two teeth knocked out. The intense anger occupied his brain and made him lose control. He shouted loudly: "I want to kill you!!"

He got up and rushed towards Wayne Lin in stride, shaking the Wang Ba fist in his hand, he had lost his senses. For such a second generation ancestor, Wayne Lin was more relaxed than swiping flies, facing Qin Shao's other face, again. It was a slap in the face, louder than before, and it directly flew Qin Shao upside down and fell heavily to the ground.

Wayne Lin has never had a good impression of this kind of evil second generation ancestor. He can expect that this group of guys, definitely don't know how many people have been bullied, and his beating is entirely for heaven.

"You, you, you are dead! You are dead, I will tell you! I am already angry, wait for you to die, I will let you copy the whole door after a phone call!!" Qin Shao has no more Demeanor, hideous face, red and swollen face, how embarrassed and embarrassed.

Wayne Lin shook his head and said, "I never repent, you disappoint me."

When the voice fell, Wayne Lin went over again. He lifted Qin Shaodan up his hand, opened his bow left and right, slapped his face, and slapped his face. The loud slap slapped the audience, making the second generation ancestors who were present tingled their scalp. Without the arrogance just now, looking at Wayne Lin as if looking at the devil, completely afraid.

Chapter 716

Isn't it right? They have never seen such a tiger. They are strong and have a bad temper. They don't persuade them to be the rich and powerful in Yandu at all, and they just teach them relentlessly.

Don't look at their arrogant arrogance and the appearance that they are not afraid of the sky. It is based on their profound background. When they really meet a ruthless person like Wayne Lin, they are instantly stunned.

Fu Bo and Chen Shu, the two masters of the innate realm, now feel that their scalp is numb, and are even more in awe of Wayne Lin. Although they are the bodyguards of these second generation ancestors, they dare not say anything.

As for Shane Chu and Chu Xing, they didn't know how excited they were. They kept shouting that brother-in-law is invincible and brother-in-law is mighty.

They were really excited. Just now, the second generation ancestors treated them as beasts and insulted them. Their hatred for the second generation ancestor was so great that they don't know how happy they are now.

Qin Shao suffered more than a dozen slaps. At this moment, he was already numb from the pain, and his head became dizzy. He completely lost his arrogance. He completely gave in, and begged for mercy with tears and nose. Hit me, don't hit me, I know I was wrong, oooooo..."

He was really afraid of Wayne Lin now, he had never seen such a tiger in his life, it was terrifying. He had a feeling that if he didn't beg for mercy, the lunatic in front of him would really kill him.

He cherishes his life more than anyone else.

Wayne Lin saw that he had succumbed, and didn't embarrass him any more, let go of him, and said coldly, "Yes?"

"I have taken it, I have taken it." Qin Shao nodded quickly, now he has no arrogance, like a scared child, dare not have any dissatisfaction.

Wayne Lin snorted and said, "You think you are from Yandu, so you don't put the people of the world in your eyes. You think that all the people in your circle are mud legs?"

These second generation ancestors didn't dare to refute, one by one they lowered their heads, and they couldn't help.

Wayne Lin continued: "I know what you are thinking. You don't admit defeat. I want to call your family as soon as possible and come to me for revenge. Yes, if Wayne Lin sits and changes my name, I can't change my surname. You have any dissatisfaction. You can come to me for revenge. But, here is what I said, if you dare to move my family, I will care that you are the king of heaven and I will kill you!"

After saying this, Wayne Lin directly grabbed the railing next to him, pulled it hard, and became Ma Hua directly, and threw it in front of Shao Qin and the others, making them tremble uncontrollably.

"Get off." Wayne Lin waved his last big hand, letting them go.

They didn't dare to stay anymore and left in a desperate manner.

After he came out, Qin Shao went to the hospital the first time. He was beaten the most severely. His teeth were broken, and the pain was so painful for him.

"You are not allowed to say anything just now, you know, whoever said it, I can't spare him!" Qin Shao gritted his teeth.

Those second generation ancestors and bodyguards all nodded quickly, indicating that they didn't remember anything.

The incident just now was a great shame to them, and if it were to spread to Yandu, their face would be lost.

However, when they thought of Wayne Lin's horrible performance just now, they couldn't help but tremble. Even if it came out now, they couldn't even think of revenge.

Back to Wayne Lin's side, Shane Chu and Chu Xing were so excited, and they were going to practice martial arts with Wayne Lin one after another. If they want to learn Wayne Lin's skills, they can be so prestigious and don't have to be afraid of being bullied.

Regarding this, Wayne Lin only smiled. He knew that these guys did not have the talent for martial arts, and most importantly, they did not have the willpower to persist.

About half an hour later, Alma Chu, Thompson Chu and others finally rushed over by car. Their faces were full of worry and panic, and they were all afraid that something might happen to Shane. If there really is something wrong, then That's bad!

When they rushed over, they were relieved to see that Shane Chu and Chu Xing were all right.

"Parents, you guys came too late, didn't you see how majestic brother-in-law was just now!"

"Yes, my brother-in-law is super handsome. Those guys who came from Yandu didn't dare to put a fart after being taught by my brother-in-law, especially their boss, who was beaten into a pig by my brother-in-law!"

"Hahaha, super cool, I want to give birth to a monkey for my brother-in-law!"

After hearing the experience just now, everyone in the Chu family became more grateful and admired for Wayne Lin.

And Alma Chu held his hand, very affectionate, and said: "Wayne, thank you very much, we are fortunate to have you in the Chu family."

"Fool, what are you talking about? We are a family, and we should help each other as a family." Wayne Lin squeezed Alma Chu's Qiong nose gently, full of petting.

Suddenly, Wayne Lin's prestige in the Chu family became even greater, especially the little guys Shane Chu and Chu Xing, who were clamoring to learn martial arts with Wayne Lin, one by one, as if they were beaten up. But soon, when they heard Wayne Lin say that they have to get up at six o'clock every day, run 20 kilometers, and have basic training such as standing stances, they instantly withered.

According to Chu Xing's words, fortunately, they have a brother-in-law, so they don't need to practice martial arts by themselves and will not be bullied. When other people hear this, think about it, it is indeed the same thing, anyway, there is a brother-in-law, they don't need to be so hard.

The next day, Wayne Lin went to Yuancheng to meet Tao Sanniang.

Speaking of it, he hadn't seen Tao Sanniang for a while, and it was quite guilty to speak of it.

Although he and Tao Sanniang have established a relationship, this time, because he has always been busy with things, Tao Sanniang did not worry about Tao Sanniang and left Tao Sanniang in the source city for a long time.

However, when Wayne Lin went to Yuancheng this time, he did not directly tell Tao Sanniang over the phone, intending to surprise Tao Sanniang.

He didn't even say that Jiang Liqun, he ran over by himself, very low-key.

Because he knew that once he told Jiang Liqun, with Jiang Liqun's character, he would definitely make a grand and exaggerated welcome. Even though Wayne Lin is now the number one in Province G, his character is still very low-key and doesn't like to be so public.

After arriving in Yuancheng, he did not go to Tao Sanniang directly, but was outside the company, waiting for Tao Sanniang to leave work.

He knows that Tao Sanniang will leave work here every day when it arrives.

However, when he waited almost to the point, suddenly a red sports car drove over at high speed. The speed in the city exceeded eighty yards without slowing down, so it rushed straight over.

There was a roar from the engine, and Wayne Lin frowned immediately.

He has always been displeased with this behavior, but he was too lazy to take care of it, but suddenly, he found something was wrong. A little girl came out from the corner and was shocked by the sports car that suddenly rushed over. Stay in place and won't move anymore.

Wayne Lin gave a squeak, then screamed badly.

Chapter 717

At the speed of this sports car, within such a short distance, the car would definitely not be able to stop, and the little girl would be knocked into flight.

At this time, Wayne Lin couldn't take care of that much. He shot directly and sprinted out. Before the sports car hit the little girl, he quickly hugged the little girl, and then turned around to avoid the sports car.

With his cultivation skills, it is easy to hide from the sports car. Even if he is hit by the sports car, there is nothing wrong with the sports car.

Wayne Lin was very angry at the bad behavior of the sports car owner. He snorted and then shot. When the sports car staggered, he shot directly, kicking the stones on the ground and shooting towards the front wheel of the sports car at high speed.

He shot with anger, how terrifying his power, let alone sports car tires, even if it is a copper wall and iron wall, a hole must be punched.

So there was a bang, the tire punctured directly, and the sports car was at such a high speed, the car body began to lose balance, hit the tree next to it, and the front of the car was sunken in.

This sudden change dazzled everyone present, and none of them thought that the little girl was so fateful that when she saw that she was about to be hit, someone suddenly appeared and hugged her away.

And the sports car suddenly punctured and hit a tree, which was a coincidence.

Yes, none of them saw how Wayne Lin made the move.

The little girl was in a state of despair. What happened just now made her unable to react for a while. After a while, she came back to her senses and cried out wow.

Wayne Lin quickly comforted: "Little sister won't cry, it's okay, it's okay."

This little girl was only seven or eight years old, and she was very cute. If Wayne Lin happened to be here today, she would have been hit by a sports car just now. The young life fell. In this regard, Wayne Lin's heart is still a fire. In this big city, people come and go, this guy actually drives so fast, he clearly doesn't take other people's lives seriously!

At this moment, the door of the sports car was opened, and a man with a greasy face and a famous brand came out. He was injured on his forehead, bleeding out, and flowing to his face, making his already hideous expression even more so. Terrible.

After he came out, he was full of anger and cursed loudly: "You are looking for death!"

He pointed to Wayne Lin's nose and cursed.

Then he saw his sports car crashed like this, and the corners of his mouth were twitching. This collision was at least hundreds of thousands of people away from him!

Moreover, he dressed up so handsome specially today to chase beautiful women, but he was really annoyed when it came out.

He strode over and pointed to Wayne Lin's nose and cursed: "You are looking for death, who made you rush out just now! I crashed my car. This is McLaren. Millions, can you afford it, a poor ghost!"

He yelled at him, which was very indecent. He almost killed someone just now. Not only did he not feel ashamed, but the wicked complained first, and his behavior was particularly bad!

Wayne Lin said coldly: "You still have the face to say that when you drove so fast just now, you almost ran into the little girl. At the speed you just ran into, the little girl would be dead! Your broken sports car is more than is it worth a life!"

The other party has nothing at all

With a heart of repentance, he glanced at the little girl and found that the little girl was dressed very plainly, and her face was a little dirty. At first glance, she was a child from a poor family. He had no background. He cursed disdainfully: "Just a poor The broken child of the ghost family, how to drop it if he is killed, I can take insurance. But now I have a car crashed, and the maintenance costs are millions. Can you two poor ghosts afford this responsibility!"

He yelled and was aggressive. He was rich and he was superior to others, which made him uncomfortable.

Wayne Lin's eyes became even colder, and everyone who knew him knew that he was angry.

"You are a poor ghost. Seeing what you mean, you think you are rich, so you can ignore other people's lives?" Wayne Lin asked rhetorically.

The other party snorted and said, "The life of a poor ghost is a horrible life, so what if he is killed. This little guy knows that it is a poor ghost at first glance. If she is killed by me, the insurance will cover her family. If someone has a sum of money, maybe her parents are grateful to me!"

Wayne Lin was really angry when he heard these words. Even with his identity and position, he has never ignored the lives of others. In his opinion, everyone is equal and there is no distinction between high and low in life. Whoever is rich or poor, life is equally precious.

Now, when he heard this guy's words, he was already angry.

"According to you, your life is very precious?" Wayne Lin said without a smile.

The other party snorted, straightened his waist, and took it for granted, "Of course! I have a net worth of more than 100 million yuan, and the cost of a month is comparable to the income of you poor ghosts for ten years! I and you Doing so much nonsense about the poor ghosts, I can't afford to pay for your virtue. A poor ghost is a poor ghost, and you will be a poor ghost all your life."

After he finished speaking, he spit on Wayne Lin's feet, like that, as many as you owe you, you owe you too much.

However, at this moment, Wayne Lin made a move. He did not hit anyone. Instead, he picked up an iron rod on the ground and pointed it directly at the McLaren sports car. It was just a bang, bang, bang, and soon. Smashed the sports car beyond recognition.

It's not just a crash of the front of the car, but the whole car is broken. It is no longer a concept of maintenance, but a rebuild.

"You!!!" The guy's eyes were cracking, he pointed at Wayne Lin, his face was full of anger, and his body was shaking violently!

The crowd onlookers were also frightened by Wayne Lin's behavior, and they had never seen such a crazy person. You know, this is a McLaren sports car worth millions of dollars, not an ordinary car.

If you smash it like this, you have to pay for it!

The little girl was also stunned. She thought that the big brother Wayne Lin was so domineering.

Wayne Lin clapped his hands, as if only doing a trivial thing, and said: "Since you are so rich, smashing your car, I believe you will not have any impact."

The man exploded directly, and he roared angrily, "I want to kill you!!"

He ran over like crazy and wanted to teach Wayne Lin, but his embroidered pillows were nothing but silver gun wax heads. Even ordinary people were the bottom of the rubbish. How could it threaten Wayne Lin? Before he rushed to ask Wayne Lin, he was kicked easily by Wayne Lin.

Chapter 718

Wayne Lin's kick did not kill him, but he also felt uncomfortable. The other party only felt that his intestines had been kicked off. He had grown up so big and had never suffered such severe pain before, and cold sweat was dripping. Come down.

Moreover, where did he still have the prestige and handsomeness just now, he didn't know how embarrassed he was, and the famous brand suits were also dirty.

Wayne Lin should not be merciful to such rubbish and directly teach him a lesson.

Now Wayne Lin's temper can be said to be better or worse. He has a very good temper with the people around him, the kind people, like a spring breeze. But for enemies and people with bad behavior, he uses violence to control violence.

Everyone was shocked to see Wayne Lin being so tough and beating the handsome sports car like this. Some people thought that Wayne Lin was very domineering and relieved, but more people felt that Wayne Lin was young and did not consider the consequences. .

I can think of it. People who can drive millions of sports cars must have a lot of money at home and have a very complicated background. If ordinary people offend such people, they are looking for death, and they are likely to take the whole family in!

Wayne Lin wouldn't care about this, let alone the dude in front of him, even if it was the nobleman from Yandu, he would not miss it.

"Apologize." Wayne Lin walked to the handsome sports car guy, looked down at him condescendingly, and said coldly. From his body, a powerful pressure radiated from him, making the handsome sports car face pale and inexplicably fearful.

But he didn't give in either. His anger is greater than his fear now. He doesn't know who the person standing in front of him is, and thinks Wayne Lin is just an ordinary person.

"Lao Tzu Nyima!" He yelled, "You rush to the street, you are dead! Do you know who Lao Tzu is? You dare to call Lao Tzu! Lao Tzu can get a hundred people to kill you with just one phone call. !!!"

Wayne Lin shook his head and said, "I don't know how to repent."

He directly stomped on the opponent's face and ravaged vigorously.

This scene looked a bit cruel. The handsome man in the sports car had a swollen nose and swollen face, bleeding screaming like a pig.

This picture makes some people around feel a little uncomfortable.

The handsome guy in the sports car was dumbfounded. He didn't expect that there is still such a tiger in this world who would dare to insult him like this. Is it because he is living impatiently?

However, it's so f*cking painful, how could he have been treated like this before, and if this continues, his face will be broken.

He hurriedly asked for mercy, "Don't step on it, don't step on it, I surrender, my f*cking surrender!!"

Wayne Lin let go of him, and still said coldly, "Apologize."

He is now in a very embarrassed situation. He is so dirty that he doesn't even mention his brand name, especially his face, which is even more colorful. Ssangyong goes out to sea, and nosebleeds are streaming out.

His heart was extremely angry and murderous, but he did not dare to show it, so he had to hold it back firmly. He stared at Wayne Lin firmly, and wanted to remember Wayne Lin's appearance, he must take revenge. Return the pain and humiliation to Wayne Lin ten times a hundred times!

The hero doesn't suffer the immediate loss, he can see it now. The guy in front of him should have learned a little bit of kung fu, and his combat effectiveness is a bit strong. He is now single-handedly not an opponent. He regretted it a little bit. He knew that this would happen, so he would bring a few bodyguards!

Now he decided to go for a while, took a breath, and said: "I apologize, I was wrong just now..."

However, before he finished speaking, Wayne Lin slapped him in the face, making his ears buzzing, "No sincerity, speak louder, be sincere."

Kaka Kaka...

Handsome

Brother gritted his teeth and clenched his fist, he really hated Wayne Lin!

Especially now there are still so many passers-by watching. The most disgusting thing is that some people take out their mobile phones to record videos. Once they are posted on the Internet, his face will be lost.

But he didn't dare to offend Wayne Lin. He could see now that Wayne Lin was a lunatic and had a problem with his brain. He regrets it now, he knew it, he stopped driving so fast just now!

He took a deep breath again and said: "I was wrong, just now..."

He slapped again and slapped it on his face. This time, his mouth was bleeding.

“You...” He was angry, and subconsciously wanted to curse, but immediately, he looked up and saw Wayne Lin’s cold eyes, full of pressure. He had no doubt that if he talked more, he would definitely welcome another one. Beaten up.

“I’m wrong.....”

Still snapped.

“I.....”

Continue to slap again.

His face was beaten and swollen, and his temper was lost. Now his brain is humming and he even wants to nausea a little.

All his self-esteem and pride have been beaten up, and he is completely afraid of the lunatic Wayne Lin, crying with his nose and tears, “I’m sorry, I was wrong, I was wrong, don’t hit me again, woo Uh...”

His mentality jumped. He had grown up so old and had never met such a violent person.

Wayne Lin saw that he was more sincere and stopped hitting him. He pointed to the little girl beside him and said, “You should tell her that you almost hit her just now.”

“Little sister, I’m sorry, please forgive me, I will never drive that fast again...”

The little girl looked at him very pitiful, took out the tissue, threw it to him timidly, and said: “You are so pitiful, I forgive you, wipe it...”

When the handsome sports car guy heard this, his mentality collapsed even more.

All face is lost here.

“I’m done apologizing, can I go?” He said cautiously, full of awe for Wayne Lin.

Wayne Lin took it as soon as he saw it, and took a look at the time. Now it is almost time for Tao Sanniang to get off work. He waved his hand and said, “Go away.”

The handsome guy in the sports car is amnesty, so he turned around and ran. He just wants to go home now, and he doesn't want to face the lunatic Wayne Lin anymore. He is definitely a lunatic!

Just then, the little girl's parents showed up. They found the little girl, rushed over in relief, picked up the little girl, "Tuantuan, why did you come here? My parents didn't see you when they turned around, Dad. Mom is worried about it!"

The little girl said: "Dad, Mom, I'm sorry. However, this elder brother saved me just now, and the eldest brother is Tuantuan's lifesaver!"

The little girl's parents were puzzled. Then, they probably knew what happened from Tuantuan, and were so grateful to Wayne Lin that they almost knelt down for Wayne Lin. Ask them how hard they can imagine, if it hadn't been for Wayne Lin to save Tuantuan, Tuantuan really had an accident, how would they survive!

Wayne Lin waved his hand and said, "You don't need to be grateful. You will take good care of your daughter in the future. Now there are many cars on the road. If something goes wrong, you will not feel good."

"Yes Yes Yes."

In their many gratitudes, they originally wanted to thank Wayne Lin for the gold, but Wayne Lin did not accept it. They remembered Wayne Lin deeply.

Just then, Tao Sanniang got off work and walked out of the office building. Her beauty has surprised countless people.

Chapter 719

Ever since Tao Sanniang and Wayne Lin took that step and became real women, their whole bodies have been rejuvenated, especially the feminine amorousness, which has become more intense, and it is mouth-watering.

Originally Tao Sanniang was a naturally charming type, but now she has become a real woman, with the flattery between her brows, not to mention it, men and women kill each other, as long as they see her, they will have thoughts of crime.

Tao Sanniang was originally a very capable person. Now that she is responsible for managing Wayne Lin's business in Yuancheng, Wayne Lin is still very relieved. The facts have indeed proved this point. Tao Sanniang is very organized and creates a lot of value for Wayne Lin every day.

In fact, Wayne Lin felt a bit guilty for Tao Sanniang, because he knew that Tao Sanniang was too little with him, and he didn't have the right to be a man.

"Wow, who is this beauty, she is so beautiful, she is more beautiful than the stars on TV!"

"This look, this figure, is so perfect, I really love it."

"If you can marry such a woman, ten years of short life is worth it!"

"Hehe, you dream, don't take a piss and take pictures of yourself, just like you, let alone ten years, you can't find a beauty of this level with a short life of fifty years."

"Let's wash and sleep, even the president of the Lin Group doesn't even know that I am ashamed to say that I am a native of Yuancheng. They are the masters with a net worth of over 10 billion, and it is impossible to look at you even if you are blind."

Many people were silent when they heard the words Lin Group. As a native of Yuancheng, I have heard of the Lin Group. This is a huge consortium established within a short period of time, with assets of more than 100 billion yuan. Even the original richest man in Yuancheng, Jiang Liqun, is the boss of the Lin Group.

But who is the boss behind the Lin Group is a mystery to ordinary people.

Over the past few days, many people in Yuancheng have been discussing this mysterious boss. Some people have speculated that it is a big man from Yandu, and some people have guessed that it is a foreign capitalist. Without exception, they all think that this mysterious boss must be The old man is old, and he has such a high wealth after most of his life.

But they would never expect that this mysterious boss stood in front of them, dressed plainly and plainly.

After Tao Sanniang came out, she saw so many people standing at the door, and her eyes were full of covetousness. She frowned slightly and her charming face became cold.

Since becoming Wayne Lin's woman, she has put away her charm and became cold, not because she collided, but her charm only belongs to Wayne Lin from now on.

"President Tao, you still have a banquet to attend tonight, are you going to prepare now?" Tao Sanniang's secretary said respectfully after coming out of the building.

Tao Sanniang rubbed her temples, feeling a little tired, not physically but mentally, because she hadn't rested for a long time. Especially the miss of Wayne Lin has reached a strong point. She hasn't seen Wayne Lin for more than a month, and it is usually a video at most.

She didn't go to Huarvell to find Wayne Lin either, not because she didn't dare, but because she didn't want Wayne Lin to be embarrassed, she could only wait and wait all the time to be the woman behind Wayne Lin who gave silently. Just as she promised when she pursued Wayne Lin, perhaps in the eyes of outsiders, her approach is very

Stupid, on her terms, as long as she is casual, what kind of man can't be found? But she just wants to be Wayne Lin's woman, she doesn't like other men.

She sighed slightly in her heart and said, "Okay, go home first. I'll change into an evening dress. You go prepare the information and send it to my mailbox."

"Okay, President Tao."

The secretary thought for a while, and then said, "President Tao, one more thing, President Pei of Shengda Group has invited you to eat tomorrow..."

Before the secretary finished speaking, Tao Sanniang said directly: "Rejected and told him that I already have a boyfriend and will not go to dinner with him, so that he doesn't have to waste time."

"However, President Pei has invited many times. You always refuse, President Tao. Wouldn't it be bad? After all, our company and Shengda still have a relatively deep cooperation." The secretary said cautiously. She has been with Tao Sanniang for a while, but she has never seen who Tao Sanniang has been intimate with, so she does

not believe Tao Sanniang really has a boyfriend, but Tao Sanniang refuses to pursue her. That's it.

When Tao Sanniang heard this, she fell silent and frowned slightly. The secretary was right. Now the Lin Group, Yuancheng Branch and Shengda Group do have a relatively deep cooperation. If offended Mr. Pei, it's not very good.

"Okay, let's have a meal with him tomorrow." After careful consideration, Tao Sanniang chose to agree. Anyway, it was just a meal, and it happened that Mr. Pei could explain it.

However, at this moment, a voice rang from behind them, "You don't need to accommodate, if Shengda Group dared not cooperate, it would be his loss."

When Tao Sanniang heard this sound, she was stunned on the spot, and her body trembled slightly.

She was so familiar with this voice, she didn't know how many times she had heard it in her dream, it was Wayne Lin's voice!

But she couldn't believe it was true, and thought she had hallucinations, because it was not the first time that she had the same hallucinations.

The secretary turned around immediately. She saw a slender but ordinary man standing behind her. He didn't have any temperament at all, and she knew it was an ordinary person.

"Who are you, let's talk about things, is it your turn to give pointers here!" The secretary said proudly: "Bodyguard, kick this person out, lest it affect President Tao's mood."

The secretary didn't know Wayne Lin. She had just entered the job, and she would never have thought of killing her. The ordinary man in front of her was Wayne Lin, the boss behind the Lin Group, her immediate boss!

The two bodyguards immediately moved forward and strode forward to drive Wayne Lin out of the opponent.

At this moment, Tao Sanniang came back to her senses, she quickly looked back, and immediately saw Wayne Lin, who was standing behind her, showing her a petting smile.

When she came into contact with Wayne Lin's eyes, her eye sockets turned red, and her heart was filled, she couldn't help shouting, "Wayne!"

Immediately afterwards, she made a move that made everyone present's eyes fall sharply. She saw her breast swallow throw her arms at Wayne Lin, threw herself into Wayne Lin's arms, and hugged Wayne Lin tightly. , Breathing desperately from Wayne Lin's body, "Wayne, is it really you? I miss you so much..."

Chapter 720

Seeing Tao Sanniang leaping into Wayne Lin's arms, the secretary opened her eyes instantly, with a ghost-like expression, and her mouth was open enough to swallow an egg!

The two bodyguards who rushed over were also dumbfounded and unbelievable.

Although they don't want the secretary to follow Tao Sanniang all day long, they also know that Tao Sanniang is a jade-like woman, and they have never seen Tao Sanniang favor a man, not even more than one meter away.

But now, Tao Sanniang actually fell into another man's arms like this, which is really beyond their expectations!

They even wondered for a while whether they had hallucinations, otherwise, how could such things happen?

As for the onlookers around, they were all very surprised. Especially for many men, they were uncomfortable, very sour and jealous. For a beautiful woman like Tao Sanniang, who didn't want to take a bite. But now they watched Tao Sanniang plunge into another man's arms, their mentality collapsed.

Wayne Lin also froze for a moment. He knew Tao Sanniang would miss him very much, but he didn't expect Tao Sanniang's reaction to be so big, and she gave a little bit of crying.

Suddenly, his guilt deepened.

He gently stroked Tao Sanniang's hair, and said softly and softly: "It's me, I'm here."

A simple sentence made Tao Sanniang so touched. Sometimes, she is such a woman who is so easy to satisfy. She doesn't ask much. Just need Wayne Lin to have her in his heart. It's enough to come back and see her occasionally.

After all, she knew very well that she was not the original match, but a latecomer.

As a latecomer, she can't ask for too much.

Wayne Lin patted Tao Sanniang on the back and said with a smile: "Okay, let me go."

"I don't!" Tao Sanniang hugged Wayne Lin hard, her body twisted, she didn't care about her image at all, and she also gave up her cold coat as the president and restored her charming posture. I'm going to hold you, whoever told you not to come to me for so long, I almost miss you."

She didn't deliberately say this softly, but it spread to everyone's ears. Suddenly, Wayne Lin seemed to hear a lot of heartbreaking voices. The secretary and bodyguard, some employees who came out of the company, saw this scene. All of them opened their eyes wide and stunned, feeling very incredible.

Is this charming, charming, coquettish woman in the arms of a man, really the cold, resolute and vigorous president they know? !

Wayne Lin smiled bitterly. He said, "I'm all the president now, and I'm so irritable. You let your subordinates see you. How can your subordinates see you? How can you convince the public."

Tao Sanniang snorted and said: "I don't care, I just want to stick to you, who told you not to come to me for so long."

Wayne Lin sighed slightly, and did not stop Tao Sanniang.

Fortunately, Tao Sanniang is a woman who knows how to score. After taking a deep breath of Wayne Lin, she is satisfied. Then she let go of Wayne Lin, but she held Wayne Lin tightly with her fingers. Hands, the little bird nestled beside Wayne Lin.

It is strange that she felt very tired and sad a minute ago, but now, Wayne Lin's appearance has made her feel relieved, the whole person is relieved, and her mood is also in a state of cheering and joy.

This is the magic of love, she thought.

The secretary recovered, she swallowed, and asked cautiously: “President Tao, who is this?”

Tao Sanniang picked up her hair in her ears and introduced proudly and sweetly, “He is the chairman of the Lin Group and my immediate boss. The entire Lin Group belongs to him.”

The secretary was so scared that his mobile phones fell on the floor. Is this the chairman of the Lin Group? This, this is too young! Moreover, it is the man behind Mr. Tao!

Her first reaction was not to believe it, but soon, her reason told her that it was true, because Tao could never make a joke about it.

She couldn't help but get nervous now. This is the chairman of the Lin Group, and she just ordered the bodyguard to drive away. This is not offending the chairman.

She hastened to apologize: “The chairman is sorry, but I didn't recognize Taishan just now, and didn't recognize it as you. How offended, the chairman, please forgive me.”

She was terribly frightened and uneasy.

Naturally, Wayne Lin would not have the same knowledge as her, waved his hand and said, “He who doesn't know is not guilty.”

The secretary felt relieved when he heard this.

Next, the two bodyguards also quickly apologized, and some employees who walked out of the building passed on from one to another. Hearing the news, they came over one after another, greeted Wayne Lin, and tried to save themselves. impression.

When they saw that Wayne Lin was so young and in such a good figure, they all found it incredible.

Some female employees were even more thoughtful and looked at Wayne Lin secretly, but they immediately saw Tao Sanniang who was next to Xiao Niao Yiren, and they gave up their minds.

They still have self-knowledge, and there are evildoers like Tao Sanniang, they must have no chance at all.

Tao Sanniang really enjoyed being by Wayne Lin, watching Wayne Lin calmly face it, which made her feel proud and safe.

“You have a banquet tonight? Does it matter?” Wayne Lin said.

Tao Sanniang shook her head and said, “It’s not important. It’s just a normal business banquet. It’s meaningless. I didn’t want to go. Now that you are back, I will accompany you.”

Wayne Lin saw the frantic look in Tao Sanniang’s eyes, his heart was hot, and a stunner like Tao Sanniang, who was doing chai Liehuo, would be ready to go.

“Ahem.” He coughed twice, avoiding Tao Sanniang’s eyes. There are still people around now. Don’t show this kind of things between lovers. “Okay, let’s just push it away. Let’s go shopping together.”

Tao Sanniang nodded vigorously, revealing a bright smile, like a hundred flowers blooming, and amazed the audience for an instant, “Okay, I listen to you!”

The men around, all full of dog food, all kinds of envy, jealousy and hatred, completely looked down, and left lonely.

Soon Jiang Liqun also received the news. He knew that Wayne Lin had come to Yuancheng, so he immediately called and said he wanted to greet him. Wayne Lin refused. He never liked to engage in formalism, and everything was fine.

Next, he and Tao Sanniang walked around the night market in Yuancheng hand in hand.

Speaking of it, it’s really been a long time since he has lived so easily, living a normal life of ordinary people, I have to say, it really has a different taste.

Tao Sanniang was always happy during this period, and the smile on her face never stopped.

However, when they walked out of the night market, they encountered an unhappy thing...

In front of them, more than a dozen people appeared. The front of them was the handsome sports car guy who was taught by Wayne Lin today. He is now staring at Wayne Lin angrily.
