Chapter 1049

So at this moment, she couldn't find any reason to blame him.

Dalia suddenly felt very ridiculous.

Just last week, when the three of Suzi's family came back from Gasing Island, Shen Only brought back the Explosive Beast doll for her. In fact, the moral is to let her have a baby.

She also really had such a plan in her heart.

She originally wanted to summon up the courage to say to Kraig: "Kraig, we have been together for so many years. Seeing you are getting old, I'm getting old too, shall we have a baby?"

She really wanted to summon the courage to say to Kraig once.

However, in the past two days, it happened that Mr. Shu asked for Suzi's kidney, which caused Dalia to shelve it.

Fortunately, she didn't say this.

Otherwise, it really doesn't even have a little face.

"It doesn't matter Kraig, you...you don't owe me anything." Dalia still smiled gently.

She handed over ten million to Kraig: "For so many years, you have paid monthly wages. Those with more wages are equivalent to being a senior white-collar worker!"

Kraig: "..."

He gave her money every month. It was for her pocket money to buy clothes. He never thought that she would save the money.

Did not expect her to save money.

She smiled and said, "I have saved a lot of my salary over the years, so Kraig, you don't need to give me extra money."

Kraig didn't know what to say.

She is very good.

Having been with him for so many years, I have never made him worry about it.

If you compare her to a small animal or a flower, she is the best one to feed.

No matter the wind or rain, no matter the weather is cold, no matter whether he remembers her or not, he can see her there gently and gracefully when he comes home every day.

You can almost ignore her presence.

However, when you are tired or upset, she can help you.

Knead your feet and back, very well.

Even more, she can move his posture the most, let him vent his man's things to the fullest.

She is the most perfect maid in the world.

Yes, it's just a maid.

What Kraig wants is a wife.

The woman he had been worrying about for ten years, finally came back.

Thinking of that woman, Kraig's heart was filled with uncontrollable excitement, love and hatred.

It was the kind of impulse that just grabbed the little hoof like a fairy and planned to crush her and hit her A55 again.

That little fairy!

Just pretend as soon as I come back!

Also international express!

Also wore an olive green overalls!

Look at her!

Ouch!

Kraig's heart was instantly occupied by that woman.

Had it not been for the urgent discussion with Arron how to deal with Father Shu in the past two days, he would have flown back to Kyoto to capture that woman!

Although love and hate are intertwined.

But it really caused infinite waves in Kraig's heart.

Therefore, he couldn't let Dalia stay by his side for a moment.

However, the woman who has been with him for so many years will take care of his aftermath.

"If you give it to you, just take it. You are not too young to find it when you go out to work. You can ask me for..."

"No!" Dalia flatly refused: "No, Kraig, I...I'll go now, I... Actually, I have nothing to clean up. All the clothes you bought for me. I didn't walk through it very much, and the house I will live in will not be so big. I don't want it anymore. I...I'm leaving.

As he speaks, Dalia turned around and walked out.

Just stepping out of them, she met a woman.

"Hello, what a coincidence. See you again." The woman delivering the courier stood in front of Dalia, speaking contemptuously.

Chapter 1050

Dalia: "..."

The woman asked again: "The maid that Kraig got?"

Dalia bit his lip without answering.

Her fist was clenched tightly.

She wanted to tear the face of the woman in front of her!

But she had never beaten anyone, she didn't know what to do, she just turned sideways, walked around the woman in embarrassment, and ran away.

Run out of Kraig's villa in one breath.

This is the top of the mountain.

The scenery outside the villa is beautiful.

Dalia's eyes were gloomy.

She felt like she was dreaming.

Is this true?

I pinched myself, it hurts, it's true.

Since then, she has nothing to do with Kraig.

Is it okay?

What about her?

A 35-year-old woman is homeless, has no relatives, and has no relatives. Suzi, a good friend whom she has just made recently, is still at stake.

Where should she go?

In this life, can you see Kraig again?

That is her man.

She is like a man of fate.

It's okay to say that, it's okay?

Dalia looked back at the villa with hollow eyes. She did not leave. She hid beside a dense tree, hid herself, and looked into Kraig's villa.

At this moment, Kraig was full of aggression, looking at the woman in front of him with punishing eyes.

This is his childhood sweetheart's girlfriend, Elma.

Elma looked at Kraig with a smug smile.

She is still the olive-green overalls of yesterday, and she looks rusty and demon when worn on her.

"Smelly man! It's been ten years, and you don't want me!" Elma scolded Kraig.

Kraig ordered: "Come here!"

The woman raised her leg and took a step in front of Kraig, just a little bit before Kraig. She raised her toe and tapped on Kraig's leg.

Her strength is very light.

Her eyes looked at Kraig enchantingly.

The man grabbed her ankle.

“Aw...” Elma instantly fell back on her back.

However, Kraig’s speed was faster. He turned and turned behind the woman. He raised his arm and hooked the woman’s soft waist, and the woman fell into Kraig’s arms.

“Little shameless! I finally caught you! For ten years, you have made me wait for you so hard, you know what my mood is now!” The man fiercely hoisted the woman in his arms.

The woman laughed incomparably arrogantly: “What’s your mood? Want to cut me off? Do you want to cook me up? Or do you want to...”

When the man turned over, he pressed the woman on the sofa: “I want to turn you into a puddle of water, I want to cook you, I want to beat your A55, I want to hold you in my arms, You can’t move for the rest of your life!”

The woman under her body raised her slender hand and pressed it to Kraig’s lips: “Frankly explain! Why look for a woman!”

Man: “...”

“Maid?” the woman asked again.

Man: “Well, maid!”

“Did she sleep?”

“Sleep!”

Woman: “You are honest!”

The man sneered: “Is it impossible, if you let me be a veteran for the past ten years, you are not afraid that I will always be a useless person!”

Woman: “Huh! I’ve been back for two days! I gave you two days to deal with that woman, but you haven’t moved until now! You just waited for me to come before you drove her away!”

Chapter 1051

Kraig said sternly: “It’s not that I won’t let her go! It’s because I have business affairs these past two days!”

Woman: “You just can’t bear her!”

“Yes!” Kraig answered bluntly.

The feminine pink face blushed: “You...”

Then, raising his hand to hit Kraig.

But Kraig grasped her delicate arm: “She has been with me for so many years. She has no credit and hard work. She is not a cat or dog. Even if she is a cat and dog pet, I can’t say that she has been with me for so many years. Throw it away!”

“You have to throw it away!” The woman shouted with two tears in her eyes, and Yuanzheng looked at Kraig angrily.

Kraig suddenly felt softened: “Isn’t this she has left!”

“Tonight, I will sleep with you!” the woman said domineering and enchanting.

Kraig: “Tonight, let’s see how Lao Tzu cleans up you!”

Woman: “I want to be pregnant with your seed!”

Kraig said viciously: “Ten years ago, if you didn’t want to leave me, now our children will be ten years old! Even if you don’t tell me, I have to get the children out as soon as possible. I can’t walk! A woman like you has to find something to hold you down!”

The woman suddenly softened. She held the man’s face and her voice was so soft that she could no longer be softer: “Kraig, I miss you so much for so many years.”

“Why don’t you come back!” Kraig asked.

The woman pouted: “I didn’t want to come back at first, but I always wanted to travel the world, and then come back to marry you.”

Man: “...”

“I don’t know, you stinky man! I have only left for a few years, so you look for a woman! You are with that b!tch woman, I always know that I am angry with you! I will not come back! I think you can support How long does that woman keep up!”

Man: “Your temper is still so stubborn, so headstrong, so arrogant, let me do what you do!”

Yubing, he wasn’t listening to what the woman said, but he went upstairs when he hugged her.

The woman pushed the man away: “I won’t go up!”

The man asked, "What's the matter?"

"It all smells like a wild woman, a stinky woman, a bad woman! You throw all her rags out for me, I look unlucky!"

Kraig said spoilingly: "Okay."

Also, wash yourself a hundred times!

Man: "I beat you!"

Woman: "Now let the domestic helper throw away that woman's things!"

Kraig immediately called the domestic helper.

Let them clean up all Dalia's things.

Dalia is actually nothing.

At most, some clothes.

She doesn't wear jewelry very much. Before, Kraig also bought Dalia, but Dalia didn't like to wear it. Later, Kraig didn't buy it for her.

When the domestic helper cleaned up Dalia's clothes and jewelry, there was only one suitcase.

"Sir, throw it away?" said the domestic helper.

Kraig looked at the domestic helper: "That's all in total?"

The woman he hugged also asked, "Isn't it possible! Why is she so little?"

The domestic helper said: “Husband...man, no, miss...no, that...that woman doesn’t have any possessions at first, just these clothes were shopping with Mrs. Fu a month ago. When I bought it, she... hardly uses cosmetics, and there is no jewelry in the jewelry box, just... that’s all.”

Kraig: “...”

For some reason, his heart was suddenly pricked by a needle, and it hurt.

Having been with him for so many years, he never even asked her how many deceitful clothes and valuable possessions did he have? How many jewelry are there?

He has not paid attention to these.

Now after a reminder from the domestic helper, Kraig discovered that even if Dalia left empty-handed, she had nothing left here.

“What’s the matter with you!” the woman asked domineeringly.

Kraig took out a cigar casually and started smoking, his brows frowned.

“You miss her!”

Kraig: “...”

“You mustn’t think of that ba5tard! Just a tool for venting, what do you want her to do!” the woman said very aggressively.

“Get out!” Kraig suddenly growled coldly.

Chapter 1052

Elma's eyes suddenly filled with tears: "What did you say Kraig?"

Kraig looked at the woman in front of him.

He waited for her for ten years.

He has fallen in love with her since she was sixteen. She is more ambitious than Dalia, more courageous than Dalia, lively, lovely and versatile than Dalia. She is full of advantages, she has her own ideas, and no one in this world will do it. Got her master.

She is Kraig's favorite.

She is the woman Kraig spoils with her fate.

But at this moment, what did Kraig say? Let her go?

"I let that woman go." Kraig said.

Elma immediately turned her anger into joy: "It's almost the same!"

She glanced at Kraig charmingly, and she kicked Kraig with her foot: "Don't you hug me and go to your room?"

Kraig picked up Elma and went to her bedroom.

Just then, his cell phone rang.

Elma said viciously: "Who! The phone call is so untimely!"

However, Kraig put Elma down and turned on the phone to see that Arron was calling.

In the past two days, Arron's patience has been exhausted because of Father Shu's request for Suzi. At this time, there must be something urgent for Arron to call.

Kraig immediately connected: "Arron, what's the situation now? Is Suzi better?"

Hearing Kraig mentioning Suzi on the phone, Elma's eyes radiated an enchanting poisonous light!

Suzi!

Before she returned to China, she heard about the woman Suzi.

It is said that Suzi disturbed a pool of water in the upper class of Nancheng.

Not only that, but even Kraig, the symbol of the highest power in Kyoto, favors Suzi.

When Siu said this, Elma was furious on the spot.

Kraig belongs to Elma!

Even if she doesn't want Kraig from Elma anymore, even if she is at ease outside, Kraig can only love her Elma as a woman in her life!

Who would dare to occupy a place in Kraig's heart, Elma would definitely not let go of that woman!

Now, at this moment, when he heard Kraig greet Suzi on the phone, Elma's eyes radiated a poisonous light that could not be concealed.

However, what made Elma even more jealous was that it was not a male voice on the other end of the phone.

It was a female voice, the voice of that female voice was faint, but there was a kind of power: “Mr. Jun, I am Suzi.”

“Suzi?” Kraig was a little surprised.

Elma next to her also pricked her ears.

“Well, it’s my Mr. Jun. I have not answered Sister Shan’s phone number several times. What is Sister Shan doing?” Suzi asked on the other end of the phone.

Kraig: “...”

Suzi yelled at the other end of the phone: “Mr. Jun, Mr. Jun?”

“Yeah.” Kraig replied.

“Sister Shan hasn’t gotten up yet? Really think that Sister Shan is also lazy in bed.” Suzi said jokingly.

Kraig asked subconsciously: “Suzi, you were sick the day before yesterday. Are you feeling better now?”

“It’s much better. I’ve come to my senses from the collapse, Mr. Jun. I heard Arron say that Sister Shan, Galia and Rayna were working hard to help me during my illness. I’m so grateful that I called specially. Thank Sister Shan.”

Kraig: “...”

Suzi shouted one by one Sister Shan. At this moment, Kraig really didn’t know what to say to Suzi.

Chapter 1053

There, Suzi didn't wait for Kraig to say anything, and then continued: "Mr. Jun, I'm sober now. Don't worry, I will definitely not be overthrown by the Lin and Shu family."

Kraig said perfunctorily: "I am happy for you."

"I will go to work as usual and send the only one to kindergarten as usual. Even if there are a hundred reporters at the gate of my community, I am not afraid. I am not afraid of shadows! My kidney is in charge!"

Kraig: "..."

At that end, Suzi was still saying: "Sister Shan taking care of me these past two days is not tired, you let her sleep well and don't call her. By the way, Mr. Jun, you want a baby."

Suzi thought that yesterday, when facing reporters, the six-year-old Lilly's brave appearance made Suzi sad and heartwarming at the same time.

Suzi knew that Dalia actually wanted a child.

Kraig said nothing.

Elma behind him already had poisonous light in his eyes!

"Mr. Jun, I'm going to send the only one to kindergarten and work, so I won't talk more with you."

Suzi had such a big deal on his own.

Again, he didn't know much about Kraig's temperament.

So until he hung up the phone, Suzi didn't realize that something was wrong with Kraig.

After closing the line, when Suzi handed the phone to Arron, she also said to Arron: "Sister Shan rarely sleeps in. She is the kind of gentle woman who manages the house. There is a possibility that she may be pregnant. "

Seeing his wife so optimistic, Arron also sighed: "It's this time, do you still care about others?"

Suzi shrugged indifferently: "I almost died of anger two days ago, but what about the facts? I'm sick, have a high fever, and become unconscious. Wouldn't this make the Lin family and the surname more successful?"

After a pause, she sighed: "For myself, for the sake of being unique, I must also be strong and optimistic. It's no big deal! What's up to me? Someone wants my kidneys, it's the same as killing me. They don't think they are morally corrupt. What am I afraid of?"

Arron was very pleased to see his wife so optimistic.

In the past two days, he and Kraig have worked together in the company. He plans to abandon the promise and do it together with Mr. Shu!

Kraig disagreed, and Kraig persuaded him: "Don't you want your Fu Group anymore? You don't want everything in Nancheng? Do you plan to take Suzian away after you abolish Father Shu? Suzi With the only one who has been wandering for six years, how long do you want them to wander?"

Thinking of this, Arron hesitated.

But he couldn't see Suzi being tortured.

At this time, seeing Suzi like this, Arron was in a much better mood.

"Arron, let's send the only one to kindergarten." Suzi looked at Arron firmly.

"Good!" Arron said.

A family of three went downstairs frankly.

When we got downstairs, there were a few owners in the community who pointed behind them.

“It’s her, it’s her, who was blocked at home by reporters yesterday.”

“I think she is right. If someone wants your kidney in your relationship, you will give it?”

“Nonsense! Of course not! Whoever wants to give his own organs to others will make himself very weak, okay!”

“That is to say! What did they do wrong!”

“Eh, poor...”

Hearing such a discussion behind him, Suzi smiled in his heart. There are still many people in the world who are sensible.

Thinking about it this way, she was even more unafraid to face those reporters.

Originally thought that the doorway would be packed with reporters like yesterday, but Suzi did not expect that there would be no reporters at the door.

The car drove out slowly, and Suzi breathed a sigh of relief.

When the car was about to turn onto the main road, it was blocked in front.

Who is it again?

Suzi’s heart shook, and she asked her husband, “Who is stopping in front?”

Chapter 1054

Neither Arron nor Christopher knew the person in front.

It was a woman about fifty years old, dressed very plainly, and looked like a woman who lived in the countryside all year round.

“Auntie, is there anything wrong with you?” Even though Christopher had doubts in his heart in this troubled autumn, he could only ask kindly.

Master and his wife have had a lot of things these days, and Christopher doesn't want to cause trouble at this time.

The aunt who was rotten in the front did not answer Christopher's question. She covered and touched the car, from the front door to the back door.

Seeing her shivering appearance, Suzi couldn't help thinking of his mother.

Suzi immediately opened the car door: “Auntie, you...what do you want?”

“They... They said, is it you?” The aunt's muddy eyes glanced at Suzi, then just took a look, said this, then turned and left.

Suzi: “...”

Inexplicable.

She definitely didn't know this great god.

Never seen before.

Seeing Auntie walk away, Suzi and Christopher felt incredible.

Still sternly persuade Suzi: “Forget it, madam, don’t worry about it, let’s send the only one to kindergarten.”

Suzi nodded.

Sitting in the car again, Suzi saw Arron frowning.

“What’s wrong, Arron?” Suzi asked.

Arron shook his head lightly: “It’s okay.”

Then, he raised his arm around Lilly: “First send our little princess to kindergarten!”

Seeing Mom and Dad sitting on his left and right again, Lilly was happy with something.

“Mom and dad, will no one want mom’s kidney in the future?” Shen Weixing asked.

Suzi said to the only one: “Of course!”

“Then I can rest assured,” said the little bun in the same tone as an adult.

The only child with a strong self-healing ability, her heart is very strong, like things like yesterday, although she was very scared at the time, but afterwards, she no longer cared about it.

Just like today, she can still go to kindergarten alive and well.

This is where Suzi’s daughter is most assured.

Sending the only one to the kindergarten, Suzi went to work.

I didn't come to work for two days. When I arrived at the company, my colleagues were very concerned about her.

"Suzi, I heard that you have a fever. You have always been in good health. Why do you suddenly have such a severe fever? You have to pay attention. You can't work so hard in the future."

"Suzi, you have a fever for two days, and everyone has lost a lot of weight. Don't do anything today, just direct us."

Suzi smiled: "It's okay, I'm fine."

Seeing the company's colleagues talking and laughing to her, no one mentioned yesterday's events to her. Suzi knew that Arron did a lot of work on the interception of the video source. Arron didn't sleep all night. It is intercepting these things.

She just sat in the office and was about to start working.

Song Zhuoer, the youngest handsome boy in the office, the runner came in.

"Tell you a great news!" Song Zhuoer was extremely excited.

All the colleagues looked at the handsome boy: "What's the matter?"

"There is a cultural and entertainment company in Nancheng, which specializes in reporting to the rich and celebrity gossip company. This company has developed quite a bit in Nancheng. Many celebrities and celebrities have suffered from them. Many people complain about this cultural and entertainment company. Guess what. ?"
