

Chapter 545 – 546 of Punished by His Love Novel

Chapter 545

After getting off the plane, when he turned on the Internet for the first time, the reports on Suzi on the Internet were already like snow in the sky, and they were all insulting to Suzi.

Moreover, the wave after wave is like a series, but it is 10,000 times more exciting than the series.

Seeing such reports, Arron, who was sitting in the car at the time, pulled off his tie.

Christopher, the driver driving ahead, didn't even dare to breathe.

Since taking charge of the Fu Group, Arron has rarely become angry, and rarely has he been so calm. The fourth master of his own family has always been deserted, yet calm and relaxed.

Although he was a real murderous, he was coldhearted.

But Master never showed his anger outside.

However, seeing the hot search about Suzi sweeping the entire network with overwhelming momentum, Master was really not calm.

They did not come to this hotel the first time, but went home first.

When he got home, Christopher realized that the fourth master was going home to get his weapon.

Master with a weapon?

You know, Master never dealt with anyone by himself.

To what extent did he get angry today?

No one knew, Christopher couldn't guess how angry Master was.

Coming to the scene, as expected, the Fourth Master had solved several problems in his emotions and anger.

At this time, these reporters who made all the netizens of the whole network see Suzi, how will Master deal with them?

Even Christopher didn't know whether the Fourth Master would take a gun and give him all a dozen or twenty people in one pot in the next second.

However, Arron calmly looked at the reporters present, and said unhurriedly: "Continue to follow up the report." The reporters: "..."

Christopher: "..."

Seeing that no one dared to answer him.

Arron's face became cold: "Are they all dumb?"

One of the bold reporters asked tremblingly: "Four...Four Lord, you...what do you want us to report...what?"

“Do you have eyeballs?” Arron asked.

“Long...Long.”

“What did you see!”

Reporter: “...”

“If you don’t see it, it means that you have eyeballs but they didn’t work. Since it’s useless, then dig out your eyeballs.” Arron said in a flat tone.

“I...I, I saw it.” The reporter could only answer truthfully.

“Hmm!”

“I...I saw you let go of the four... the men who were good to your wife, and the women...” The reporter didn’t understand, as Men, shouldn’t they hate their rivals?

Especially for a king like Fu Siye who killed him for only a moment, shouldn’t he be more cruel when facing his same s3x?

However, Master did not.

Is it really like what Fu Siye’s assistant said, Siye...Fear?

The reporter was still thinking, and Arron had already walked away with his arms around Suzi.

The reporter looked at Christopher with a bitter expression: “Yan Yeer...”

“Yes, Siye is afraid of the inside, you report truthfully.” Christopher dropped this sentence and went out.

Chapter 546

Seeing Arron's arms around his wife and the assistant behind him, the three of them had already left the hotel. These reporters all looked at me and I looked at you.

Just escaped like this?

If it weren't for a wailing man in the small banquet hall, the reporters would really think this was a dream.

"Help, help me, take me to the hospital..." The man lying in a pool of blood raised his hand and begged the reporters.

The reporters split one after another.

Someone fell into the pit: "You deserve it! I just saw you call Suzi one by one and Suzi one by one. People who didn't know really thought you were related to Suzi, you should have died long ago!"

Journalists are accustomed to speaking about the faults of others.

They never thought that they were among those who harmed Suzi.

They were obviously brought by Siu to corrupt Suzi, but at this moment, they forgot their own evil.

"Master asked us to report truthfully, then let's report." Someone reminded.

These reporters have faithfully distributed what they saw to their work units.

The shock at that end can be imagined.

Send it out?

There have been waves before, and the result is such a flipped ending?

Didn't it slap yourself in the face severely?

Don't send it?

Each of these entertainment companies smelled of danger.

No one dares not post.

They bite the bullet and sent out.

Those netizens waiting to eat melons, at this time, are already waiting eagerly on the other end of the network, and the comments underneath are stacked like a dozen or so.

And they were all words that attacked Suzi.

“Follow-up report, hurry up! Aw! I want to see how such a lowly but invincible woman was hacked to death!”

“Anyway, it was definitely not drowning with saliva. This woman is shameless, and saliva will only nourish her. A fisherwoman who dared to take her concubine to the scene and tear up a large number of main rooms was definitely nourished and strengthened by saliva. The identification is complete!”

“Fu Siye is here! Fu Siye is here! Fu Siye is here! I shout important things three times, and I hope Siye Fu will come and strip this shameless woman alive!”

“Wow, I really want to have a look. If Fourth Master Fu is here, would this woman be so calm, would she kneel and lick?”

“Looking forward to +1”

“Expect +2”

“Expect +3”

With so many people who eat melon before the Internet, most of them want to see Suzi's fate.

Most of them hope that Suzi's fate will be extremely tragic.

At the moment when the follow-up report is updated, so many people who eat melon are still excited and forget to breathe.

“Come here, and finally the picture is on!”

“How exciting is this!”

“Isn't it, naked, right?”

“It's estimated to be back!”

“I'll click on it first, and then save the picture immediately, lest I won't be able to see it in a while, I rely on...”

“This...what's the situation?”

“Oh my God! How could this be...”

Chapter 547 – 548 of Punished by His Love Novel

Chapter 547

“I’m dumbfounded...”

“My brain is drained.”

“This shameless fisherwoman turned out to be...”

“What is it? Just tell me, I can’t see it. The internet speed here is slow. Don’t tell me that she has gotten ill. You are incurable and infected...”

“She is Fu Siye’s wife!”

“ ... ”

“ ... ”

“ ... ”

For a time, the entire network was almost paralyzed.

Everyone was stunned at the end of the screen.

All the people who eat melon = the masses, never thought it would end like this.

The woman who was the worst scolded by the entire network, who had always looked calm and regarded death as home, turned out to be Arron's wife.

Arron has been an official non-staple food group for six years.

In the past six years, it has never been reported that there are women around him. According to rumors, even the secretaries around him are male secretaries. Although Arron is rich, powerful, and powerful, he never plays with women.

The only woman he has been recognized by everyone is his fiancée Lanita.

In Nancheng, I never heard that Arron actually had a wife.

On the screen, in the animation, Arron had one arm around the little woman in his arms, and the little woman's expression remained unchanged.

Half an hour ago, melon-eating people on the entire network felt that this woman's face was like a dead pig and was not afraid of boiling water.

However, when they looked at Suzi again at this time, they suddenly understood what it means to not be humiliated, what it means to be outside, and what it means to be neither humble nor overbearing. Only then did they Yanran discover what a proud woman Suzi was.

When she was weak, she knew that she could not fight the menacing framers, and knew that any explanation would be futile and would make herself more humiliated, so she was fighting silently.

At this time, in the arms of her husband, she was saved, but she was not rampant when she gained power.

She is very quiet.

Quiet enough to make people admire.

After a long time, someone made the first comment.

[Eat melon and eat to support]: I finally understand what it means to kill people by public opinion. From then on, I no longer believe in online transmissions. Sometimes it really kills an innocent life. Fortunately, Mrs. Fu has a strong heart and can do it. Don't be surprised, if you change to a fragile heart, you may have succumbed to death long ago, I'm sorry, I apologize.

[The most beautiful small public act]: Cyber violence! Whose fault is it? I am not the most beautiful little official, I am the executioner! Sincere apologies.

[Heartbroken batch]: You people, I have watched here for more than an hour, and I haven't spoken once. I think something is wrong. How can there be such a woman in this world? Find a reporter for yourself. Bring the savage man outside of yourself and tear up the mistress? Just kidding! Isn't this unpleasant to find yourself? You still followed up with a boo, and it's a blessing that you haven't wronged people! Stop booing and go to sleep!

[Popular Heart]: Those ladies who look noble in gold and silver are extremely dirty in their hearts.

[The last nobleman]: There are no real noblemen in this world. They are all shrews, but they still have to use the name of noblemen to commit violence to a girl who can't fight back in a high-sounding manner. Those fake ladies, Really D*mn it!

[Little Mengmeng Li]: I feel so distressed that Mrs. Fu is so distressed to cry.

[Unruly Young Master]: Fourth Master Fu! Kill all those ugly ladies who maliciously attacked Mrs. Fu, they don't deserve to live!

[Freedom]: Mrs. Fu does not cry, I will always be your fan.

Suddenly, the comments below fell to Suzi's side as if it were one-sided.

At this moment, sitting in Arron's car, Suzi, who was scanning these comments one by one on his phone, did not change his face.

She is going to the kindergarten to pick up the only one with her husband.

At the entrance of the kindergarten, the car stopped, Suzi got out of the car, and four or five female colleagues surrounded him.

"That... Mrs. Fu..." Susan's mother was the first to talk.

Chapter 548

Susan's mother met Suzi for the first time. She looked down on Suzi at first, but she was threatened by Arron once, and she restrained a lot. Later, Susan's mother also took the initiative to show that she was better than Suzi, but Suzi was really not good at communicating with people, not to mention that Susan's mother was still a type that Suzi didn't like.

In the past, forcing myself to fit into a crowd like Susan's mother was all because of the only one.

My child only needs a stable nursery, a stable environment, and stable friends.

However, Suzi found that no matter how much she wanted to integrate into that group, she was still out of place. She was still of two types, and those people were accustomed to worshipping high and low.

Simply, she won't be integrated anymore.

She can only be friends with people she gets along with.

So at this moment, Susan's mother took the initiative to come up to curry Suzi, and when she showed her kindness to Suzi, Suzi's expression was also extremely alienated. She didn't even look at Susan's mother, but calmly said, "Please leave me. Go further."

Susan's mother was very embarrassed: "Um...Lilly's mother, please don't blame me, you know me, I used to... how good I was to you, the kindergarten When her mother ignored you, I took the initiative to be with you. Later...I was also for the good of my daughter. I had troubles, and only mother Shen, you...can you understand me? ?"

"No." Suzi said briefly.

Susan's mother: "Well... just because I squeezed you out like them? I... can't I make it to you?"

Susan's mother at this moment is just surviving the rhythm of sticking up.

She doesn't care about her.

She always believed that in this kindergarten, she had the best relationship with Shen Only's mother.

"Mother Shen, you... don't be angry. If you are not angry with me, you will let me kneel for you, and I will go to your house in person the other day, pinch your feet, beat your back, etc. OK. How about it, Shen Sole's mother?" At this moment, Susan's mother's face was like a woman licking a dog in the eyes of her mother who came to pick up the child.

Such a person is truly disregarding his own face and shameless.

This is exactly the same as Suzi's performance when he was scolded as shameless in the middle of the afternoon.

In this way, everyone who has watched Suzi's video for half the afternoon can see that Suzi's attitude when confronting so many noble ladies who attacked her alone is simply extremely arrogant.

But they said it was shameless. In this kindergarten, a large part of mothers sympathize with Suzi.

At this moment, they all poke Susan's mother in twos and threes: "You are really shameless for a talent like you! I knew today, why bother in the first place!"

Susan's mother only accompanies the smiley face in a jealousy, she doesn't even dare to let the fart loudly.

At this time, the children came out of the classroom. From all the way, they saw two children, Lilly and Susan, coming out holding hands. Seeing this scene, Susan's mother was even more frightened. Dare to breathe.

I stood in the wrong team, originally thinking about not letting my daughter Susan and Shen only play.

But Susan was crying, she just didn't want to cut off contact with Lilly. What else to say, the children in the class like to play with Lilly.

Just this morning, Susan's mother repeatedly warned Susan not to play with Shen Only.

And now, seeing her daughter and Lilly holding hands, Susan's mother sweated embarrassingly, she was even afraid, the next second, will Suzi take revenge and tear Susan in half?

Or insult her and Susan in front of so many people.

However, what Susan's mother saw surprised her.

Suzi squatted down and looked at her daughter Lilly with gentleness and Susan at the same time.

“Only, did you play with Susan today?” Suzi asked.

Before Lilly’s answer, Susan rushed to answer: “Aunt Shen, I want to play with You, I want to be the only girlfriend, do you agree with Auntie?”

Suzi nodded gently: “Of course Auntie agreed! You are so beautiful and so kind, and Auntie likes you very much.”

Suzi has no obstacles in communicating with children.

Chapter 549 – 550 of Punished by His Love Novel

Chapter 549

She loves children, even if the child’s mother dislikes her.

“Then...Auntie, when Lilly’s birthday, can I celebrate her birthday?” Susan asked again.

Suzi nodded affirmatively: “Of course, when Lilly’s birthday, Lilly wants to invite a few good friends, all of them are Kuoyi, and the aunts agree!”

“Thank you Auntie! Yeah! Auntie, you are much better than my mother. You are a hundred times more beautiful than my mother. Aunt Shen, I like you!” Susan did not hide her love for Suzi.

Beside, Susan’s mother who was extremely embarrassed: “...”

At this moment, Susan’s mother was very embarrassed.

When Suzi led Lilly, and Lilly led Susan to Susan’s mother, Susan’s mother dropped her head very low.

After a while, she said: “Lilly’s mother, I...I know that I am not worthy to be your friend. Thank you for allowing your daughter to make friends with my daughter. Thank you.”

Sure enough, Susan’s mother took Susan so that Suzi could say goodbye.

Suzi doesn’t matter.

She has no feelings for adults, but she has a love for children.

She likes children, regardless of how adults are.

Seeing Susan’s mother leaving with Susan, Suzi also took the only car in Arron’s car.

Originally, when he walked to Arron’s car, Lilly was taken aback: “Mom, my dad is back?”

Suzi nodded: “...Hmm.”

“So fast!” In only three days, Dad came back from a business trip? Didn’t it mean one week? “Yeah.” Suzi agreed again in a short cut.

“Then... did my dad bring me a gift?” the little thing asked.

Suzi: “...”

After a long while, she hesitated: “You... ask your father yourself.”

“Okay!”

After getting in the car, Lilly looked at Arron: “Dad, why did you come back so early?”

“Yeah!” Arron grunted angrily.

Shen Only: “What’s wrong?”

“What do you mean?” Arron asked.

Lilly: “I ask you, why did you come back so early! Didn’t you say that you came back only a week? Why did you come back only three days? Three days, you agreed to buy me a truck of toys. Do you have time to buy gifts in three days?”

The only thing Shen cares about most is her gift.

Arron sneered and asked, “When I was leaving, did you complete your task?”

Lilly: “Are you talking about taking care of my mother? I take good care of my mother?”

Christopher driving ahead: “Puff...”

Coincidentally, at this time Suzi’s cell phone rang. She picked it up and saw that it was Jarod who was calling, and Suzi immediately connected it.

At that end, Jarod's extremely annoyed voice: "Niezha! Give me a visit to Lin's house immediately!"

Chapter 550

Nie barrier?

Here, Arron immediately took the call from Suzi and put the receiver to his ear.

On the other side, Jarod's extremely annoyed voice is still: "You wicked obstacle! Why don't you die! You should have died a long time ago! After so many years, I really don't know how you are so dead! It's really a good person that doesn't live long, but a bad person lives. Wannian! You are the stinky Wannian! Suzi! Listen to me, don't think that if you use this to instigate divorce, you will destroy the relationship between my wife and me.

Don't let you catch you, catch you! I stripped you alive! "

At that end, Jarod was almost furious.

He and his wife Moira quarreled all afternoon!

Even the main business in the company has not been completed!

Not only did the two quarrel, they fought together again when they got home.

Jarod originally thought he had beaten Moira outside, and Moira was honest, but as soon as he arrived home, Moira immediately picked up a steel pipe for drying clothes at home, whipped it up, and gave Jarod a meal. Punch hard.

Jarod, who was hitting straight, had nowhere to hide, and in the end he could only headshot and beg for mercy.

Even so, Moira still did not let him go.

While beating Jarod, he cursed: "You are a dead thing, what are you! When the old lady married you, you were a second marriage, a second marriage! And you were harmed by your ex-wife, and you were barren. , I followed you the same way! I'm sorry, Moira, why did you punch and kick me in the face of that little b!tch!

That woman, what is she doing to you?

She infected you with a whole body disease!

She's a silly bag, a lousy one!

You are still disconnected from her even now! Don't think I don't know what you think! You want to be with that woman now, want to dump me Moira, want to dump our mother and daughter?

Jarod, if you only dare to dump me, I will show you all those things back then!

What kind of stuff are you!

Dare to beat the old lady! "

After scolding, Moira was still puzzled.

Still taking turns to beat Jarod with steel rods.

Jarod, who was hitting straight, hugged his head, curled up in the corner, asking what to do.

In the end, let Jarod kneel on the washboard, Jarod dare not kneel on the washboard.

But in my heart, it's a fire!

I wish I could smash Moira's body into pieces now, but the steel pipe in Moira's hand might be able to kill Jarod in the next second.

Jarod waited until Moira completely extinguished the fire, and lazily and condescendingly said: "Jarod! Listen to me, this family is my final say, and I am your lifelong leader."

Jarod nodded and bowed: "Yes, my good wife!"

"Now, are you served!"

Jarod moved Kneeling Zi again, he knelt closer, and often said in a dog-like tone: "I take it, wife."

"Come here! Squeeze my elder mother!!" Queen Moira commanded.

"Hey, my good wife." Jarod nodded respectfully.

He really squeezed Moira's feet, and Moira was comfortable. After a while, she fell asleep and almost fell asleep. Moira did not forget to instruct Jarod: "Wash my old lady's feet."
