

Chapter 601 Gao Chi Had Created Trouble

Li Jinbo was furious; he was utterly infuriated.

Today was a big day for his immediate superior, Jiang Liqun, and it was a very grand and stately affair. He was the person in charge of the banquet tonight, so there couldn't be any missteps.

For the sake of the banquet tonight, he had made preparations eons ago and spent untold efforts just so that it would go smoothly and successfully. Then, Jiang Liqun would hopefully further promote him.

Unbelievably, an ordinary person had slipped in. If this came to Jiang Liqun's knowledge or ruined his mood, it would be a very grave matter indeed.

Having received their orders, the security personnel geared up to kick Lin Wenjing out.

However, Gao Chi immediately stopped them. "Wait! You can't kick him out!"

Li Jinbo frowned and glared at him in displeasure. "Gao Chi, what is the meaning of this? Are you defying me?"

Gao Chi quickly shook his head. "No, no, Director Li. That wasn't my intention. You've misunderstood me. The thing is..."

Gao Chi then whispered a few words in Li Jinbo's ears. After hearing that, Li Jinbo fell into deep contemplation, thereupon he looked at Lin Wenjing then back at Gao Chi before he snapped, "Ridiculous! President Jiang is such a venerable

Chapter 601 Gao Chi Had Created Trouble

person. Why would he know an ant like him? Gao Chi, how audacious of you to bring such an ant here! If this angers President Jiang, could you bear the responsibility? Huh?”

When Gao Chi was being lectured by Li Jinbo, it instantly hit him like a bucket of cold water. A shiver ran through him, and he was petrified. Li Jinbo was right; why didn't he think of that?

Today was an important day for President Jiang. If Lin Wenjing spouted nonsense before President Jiang later, he would surely be incensed. Moreover, it was him who brought Lin Wenjing here, hence he'd surely be dragged into the mess as well.

Indeed, he hadn't thought about it well enough. He only saw things from one perspective but he forgot to consider the flip side of things. When he finally understood the potential consequences, he broke out in a cold sweat and was scared witless. Quickly, he apologized to Li Jinbo. “Director Li, I've made a mistake. I failed to consider this from all angles. I'll kick this fella out now!”

However, when he turned around, there was no sign of Lin Wenjing; he was gone.

He was momentarily stunned. Immediately, a shiver coursed through him, chilling him to the bone.

Li Jinbo noticed this as well and barked, “Where is he?! Where did he go?”

“Er...” Gao Chi became even more flustered when

Chapter 601 Gao Chi Had Created Trouble

he was questioned by him and he replied hesitantly, “I-I don’t know either...”

Li Jinbo was a smart person, thus he naturally understood what was happening. At once, his face darkened and he stabbed a finger at Gao Chi’s forehead unceremoniously before lambasting him through gritted teeth, “Gao Chi, if that guy stirs up trouble and ruins President Jiang’s mood, death awaits you!”

When Gao Chi heard this, he paled. He was so terrified that his legs were trembling; the fear was so great that he was shivering and was on the verge of crying. Gao Chi then begged, “Director Li, t-this is not my fault. My intentions were good. I wanted to provide some entertainment for President Jiang. I thought it was a good plan at the start—”

Before he could finish speaking, Li Jinbo slapped him hard and castigated, “Your intentions were good, my foot! Son of a b*tch, if he truly angers President Jiang, you’re dead! Damn you!”

There was now a palm print on Gao Chi’s face and his lips were bleeding from the slap. He looked so pathetic that many of the nearby guests were laughing at him. However, he dared not talk back or even show his anger on his face. Instead, he nodded fervently and took responsibility for it. “Director Li, please don’t be angry. Please calm down, Director Li. I’ll find this fella and kick him out. He definitely won’t ruin President Jiang’s mood.”

Chapter 601 Gao Chi Had Created Trouble

Li Jinbo gnashed his teeth. “You better fulfill your promise. Otherwise, you’re toast.”

After saying that, he turned and left. Letting an ordinary person—one who was delusional at that—slip into the banquet was not a small matter. If he truly ran up to President Jiang and spouted nonsense, then he’d be implicated as well since he was the person in charge.

Therefore, that fella must be found as soon as possible and kicked out to ensure that tonight’s banquet would go smoothly.

On the other hand, Lin Wenjing had indeed left, not at all in the mood to deal with those two idiots. As he was in Jiang Liquan’s territory, he could just go and look for him. Thus, he extended his consciousness to envelop the entire manor; everyone’s aura couldn’t escape his consciousness.

Very quickly, he found Jiang Liquan’s position as there was only one cultivator of the Heavenly Realm present—Jiang Liquan. Other than him, most of the people here were just ordinary people.

“Jiang Liquan, you brat. A little over half a year has already passed but your cultivation remains at the lower-tier,” Lin Wenjing muttered with a tad of dissatisfaction after sensing Jiang Liquan’s current cultivation level for back then, he had broken through to the mid-tier of the Heavenly Realm very quickly.

In actual fact, he was being too hard on Jiang

Chapter 601 Gao Chi Had Created Trouble

Liqun. Most people needed at least five years to break through from the lower-tier of the Heavenly Realm to the mid-tier. People like Lin Wenjing who broke through in merely a handful of months were few and truly rare.

Lin Wenjing also checked all the guests present for Jiang Liqun but he didn't detect any hostility or threats. It seemed that the person who would cause trouble for him had yet to arrive.

However, just as he was about to go and look for Jiang Liqun, he suddenly detected a familiar aura coming in from the entrance.

"Why is she here?"

When Lin Wenjing looked in that direction, he immediately saw a graceful and elegant shapely woman walking in. She was dressed in a black evening gown and looked particularly beautiful.

Who could this woman be other than Yin Hong?

After Lin Wenjing had left with Gao Chi, Yin Hong could not relax due to her anxiety so she decided to personally come find him. She knew that tonight was an important banquet for Jiang Liqun and she couldn't come dressed simply like Lin Wenjing, so she changed into an evening gown and put on some makeup before coming.

When she arrived and saw all the luxurious cars that filled the courtyard in front of such a magnificent manor, she immediately felt intimidated. She was very nervous, afraid that

Chapter 601 Gao Chi Had Created Trouble

she'd be kicked out because she didn't have an invitation. After all, she didn't know Jiang Liqun at all.

When she walked in and the guards at the door didn't stop her, she breathed a sigh of relief, finally breathing easy.

Indeed, she was very beautiful. When she came in, she promptly attracted a lot of attention and many pairs of eyes turned to her.

The eyes of the highly eligible bachelors, in particular, lit up.

Since it was Yin Hong's first time attending such a lavish banquet, she was very nervous and her heart was hammering away. She looked around, trying to find Lin Wenjing so that they could leave quickly; if someone found out that she sneaked in, she'd be in deep trouble.

As an ordinary person who grew up in an ordinary family, Yin Hong felt great awe for big shots such as Jiang Liqun.

After looking around and there was still no sight of Lin Wenjing, she started to panic.

"Mr. Lin, where are you? Hurry up and show yourself. Please..."

Just as she said that, a voice echoed behind her. "Miss Yin, are you looking for me?"

"Huh?!"

Chapter 601 Gao Chi Had Created Trouble

The voice appeared too suddenly just when she was extremely focused, and so she jumped in fright and shrieked.

When she shrieked, more gazes went to her, staring at her strangely.

Lin Wenjing was also slightly taken aback, not expecting her to have such a huge reaction.

When Yin Hong saw Lin Wenjing upon turning around, she was stunned and dumbfounded. She never thought that he'd appear behind her back.

Upon seeing her expression, Lin Wenjing was bemused. He then tapped his nose and said, "Miss Yin, do you not recognize me?"

Chapter 602 Jiang Liqun Is Here

When Yin Hong came back to her senses, her gaze met Lin Wenjing's, causing her heartbeat to inexplicably accelerate and a faint blush to bloom on her face. She quickly shook her head and said, "No, no. I do."

Seemingly to have thought of something, she asked apprehensively, "Mr. Lin, you haven't met President Jiang, have you?"

Naturally, Lin Wenjing knew what she was implying. He shook his head, telling her without words that he hadn't seen him.

At once, Yin Hong breathed a sigh of relief and patted her chest. "Oh, really? That's quite a pity."

While her words were such, a happy smile bloomed on her face, and she was no longer tense and afraid.

Lin Wenjing had never expected an intelligent and beautiful woman like Yin Hong to have such a dainty side to her, and he found it quite adorable. "From your expression, you don't seem to think that it's a pity. Rather, you seem to be kind of relieved."

When Yin Hong was exposed by him, she immediately blushed since she was a fairly thin-skinned person. "Mr. Lin, don't misunderstand me. I'm not laughing at your expense. It's just that Jiang Liqun is the wealthiest man in Yuan City and he is very powerful. Plus, I also heard that he doesn't like people joking with him, so—"

Chapter 602 Jiang Liqun Is Here

“Wait, wait,” Lin Wenjing hastily interrupted her before commenting dryly, “Miss Yin, can’t you tell that I’m just teasing you? Look at how nervous you are now. Am I that scary?”

When Yin Hong heard him, she found it strange as well. *That’s right. What am I so nervous for? Is it because I’ve seen his domineering side, and so I’m in awe yet intimidated by him now?*

Lin Wenjing then chuckled and changed the topic. “Miss Yin, you look very beautiful today. You became the center of attention in no time.”

“Oh? R-Really?” Yin Hong blushed from his sudden compliment, and her heartbeat that had just slowed suddenly accelerated again, hammering wildly within her chest.

She was in a hurry to come so she didn’t really put much effort into doing her makeup, and her evening gown was also from last year. Thus, she didn’t have much confidence in herself. However, Lin Wenjing’s unexpected compliment brought her great joy, and she was so jubilant that she glowed.

She was naturally gorgeous, and not to mention that she had an air of elegance and intelligence about herself. Just in terms of allure, she outshone the many stunning socialites here and attracted a lot of male attention.

Lin Wenjing nodded and replied, “Of course it’s true. If you don’t believe me, look around you and you’ll know.”

Chapter 602 Jiang Liqun Is Here

Yin Hong knew that she was fairly pretty, having had plenty of pursuers in her life. She had also been complimented on her beauty by many people, but that feeling was completely different from what she was feeling at that moment.

Just then, an immaculately dressed man walked over from the side with a goblet in his hand. With a confident smile on his face, he swished the red wine within the goblet lightly, looking cool and handsome. It was a pity, however, that his looks were only average and his height didn't even reach five feet five. Hence, his presence wasn't as impactful.

"Haha, we're already in modern times, yet there are still people using such outdated tricks to flirt. Isn't it archaic?" The man glanced at Lin Wenjing contemptuously. Upon seeing his casual attire and lack of expensive accessories, he became even more disdainful.

The man's appearance caused Yin Hong to frown. She had an innate animosity toward men who thought themselves infallible like him; in her eyes, they were no different from flies.

Lin Wenjing was used to such a situation so he wasn't at all bothered. He merely said to Yin Hong, "Miss Yin, let's find a place to sit and talk."

Coincidentally, Yin Hong was thinking the same, so she nodded lightly in acquiescence.

Seeing that Lin Wenjing and Yin Hong were completely ignoring him, the man became upset

Chapter 602 Jiang Liqun Is Here

at once and felt humiliated. He stepped forward and blocked Yin Hong's path, showing off what he thought was a handsome and cool countenance. "Hi, beautiful. I'm the Chairman of Grand Royale Club. This is the first time that I'm meeting you, but it feels like we're old friends already. Will you do me the honor of joining me for a drink?"

"No," Yin Hong answered coldly, not giving him any face at all.

At that, the man's face darkened even further, but still he restrained himself. He didn't dare act rashly while he was in Jiang Liqun's territory. Walking over to Lin Wenjing, he glared at him threateningly and said in a lowered voice, "Kid, I'm interested in this woman. If you're smart, get lost. Otherwise, I have a hundred ways to ensure that you will never survive in Yuan City. Understand?"

His expression when he narrowed his eyes was indeed quite fierce. If it were an ordinary person, he or she would've been intimidated, but since the person before him was Lin Wenjing, he was just overestimating himself.

"Moron," Lin Wenjing scoffed and said.

"What did you say? I dare you to repeat that!" The man gnashed his teeth. If looks could kill, Lin Wenjing would be dead.

Yin Hong, who was standing at the side, could no longer hold in her laughter and burst out laughing. When her laughter floated into the man's ears, he was even more incensed. In his eyes, Lin Wenjing

Chapter 602 Jiang Liqun Is Here

was just a server; a nobody. How dare he call him a moron? That was an offense punishable by death!

However, Lin Wenjing, who was taller than him by a head, looked down at him. "Get lost."

For some inexplicable reason, when the man's gaze met Lin Wenjing's, his heart stopped for a second. Instantly, his fury took a nosedive for he was suddenly terrified.

If it weren't for Jiang Liqun's sake, Lin Wenjing would have already slapped the man a long time ago.

"Just you wait!" The man glared at him menacingly. Having the final word, he turned and left.

When Yin Hong saw this, her eyes gleamed even brighter as she found Lin Wenjing to be all the more masculine.

"Oh right, Mr. Lin. Where's Gao Chi?" she suddenly asked when the thought came to her.

Lin Wenjing replied, "I'm not with him."

"Oh." Yin Hong gazed at the multitude of people in the manor; all of them were either wealthy or noble, and some of them were even celebrities whom she'd seen on magazine covers. Such a situation gave her much pressure, and when she thought of Jiang Liqun making an appearance later, she felt all the more apprehensive.

Chapter 602 Jiang Liqun Is Here

“Mr. Lin, why don’t we leave first? We don’t know anyone here anyway,” Yin Hong said in a hushed tone, trying to persuade Lin Wenjing.

Lin Wenjing smiled and said, “I do know someone.”

“Oh, really? Who is it?”

“Jiang Liqun.”

Yin Hong grew all the more worried upon hearing that. It wasn’t that she didn’t believe him, but their images were as different as day and night, thus they didn’t look at all acquainted.

“What is it? Don’t you believe that I know Jiang Liqun?” Lin Wenjing remarked, smiling.

Yin Hong didn’t quite know how to answer. First, she nodded, but in the next instance, she hastily shook her head. “That’s not what I meant. It’s just —”

Lin Wenjing interrupted her, “Jiang Liqun is here.” His gaze was fixed right ahead, and there was a distant look in his eyes.

Startled, Yin Hong’s eyes followed his gaze but she didn’t see Jiang Liqun. Just as she was wondering if he was teasing her, after a few seconds, Jiang Liqun appeared for real. Under the escort of a crowd of people, he walked out looking incredibly imposing and as dignified as an emperor. All at once, the atmosphere keyed up.

Lin Wenjing got a little emotional when he saw Jiang Liqun.

It wasn't because he hadn't met Jiang Liqun for a long time, but because Jiang Liqun was the first acquaintance he met after escaping death.

Finding the Spirit Fruit and escaping death just happened a while ago, but to him, it felt like meeting the Grim Reaper. He almost died then, and now, he felt just as if he was reborned.

He could instantly tell that Jiang Liqun's cultivation had improved, but it was limited and was still quite a distance away from the Heavenly Realm's mid-tier. However, for Jiang Liqun, that was enough.

"Look, President Jiang is here!"

"President Jiang is truly extraordinary. His steps are powerful, and he seems to be glowing. He would have definitely been a commander if he were born in the ancient times!"

"Of course. Who do you think President Jiang is? He is the wealthiest man in Yuan City. He is powerful, and even the mayor has to respect him. Most importantly, he managed to break through to the Heavenly Realm with a master's help a while ago. It truly is extraordinary, and he instantly grew stronger than ordinary people!"

"President Jiang is actually a Heavenly Realm master? That truly is unbelievable!"

Most people started flattering Jiang Liqun, and it

was obvious how high his status was.

Yin Hong looked at Jiang Liqun with great respect too. She thought that someone like him was no different from god, and an ordinary woman like her would never get to cozy up with him.

“President Jiang looks so young!” Yin Hong exclaimed. It was Jiang Liqun’s 50th birthday celebration, but he looked no different than a man in his thirties. He looked exceptionally young.

It was normal. Since Jiang Liqun broke through to the Heavenly Realm, his life span increased, and his vitality flourished as well. His body was growing in a reverse state, and his health improved a lot. Hence, he definitely looked younger than before.

Jiang Liqun was glowing and was extremely happy. He kept nodding when the crowd greeted him, and his smile never faded. It was obvious that he was having a great life, and his aura was also much stronger than when Lin Wenjing first met him.

However, Lin Wenjing realized that there was a lump of black smoke between Jiang Liqun’s eyebrows, haunting his head. It was an indication that bad luck was imminent.

If it weren’t that Lin Wenjing’s mental realm was strong enough, he wouldn’t have noticed it.

Looking at Jiang Liqun, Lin Wenjing was certain that he would be in trouble tonight; it could be

worse than a disaster.

Jiang Liqun soon walked on stage under everyone's attention. Realizing that he was about to speak, everyone quieted down; it showed how high Jiang Liqun's status was that everyone respected him.

But the higher your status, the greater you would fall.

"Good evening, ladies and gentlemen. Tonight is my 50th birthday party. Thank you for showing up." Jiang Liqun started speaking, and as soon as he was done, everyone clapped, including Lin Wenjing.

He then continued with some official words that were extremely tasteful. They not only showed his current status and success, but they also made the guests feel comfortable. He truly showed his high EQ and communication skills through the speech.

Lin Wenjing slightly nodded at his speech. It seemed that there was a reason Jiang Liqun could attain his success from scratch.

"Hey, Mr. Lin, where are you going?" Yin Hong asked as she realized that Lin Wenjing was walking forward.

"To greet Jiang Liqun," Lin Wenjing smiled as he answered.

"Huh?" Yin Hong panicked immediately and

couldn't be bothered about the politeness anymore. She just grabbed Lin Wenjing's arms and said anxiously, "Mr. Lin, don't act rashly. This is President Jiang's birthday ceremony. He will get mad!"

Lin Wenjing was startled a little and didn't expect Yin Hong to grab his arm. It was a little unsuitable to have physical contact with someone he just met. Hence, he secretly took his arms out and smiled politely. "Don't worry. He won't be mad, and he won't even have the courage to be mad."

With that, he walked into the crowd toward Jiang Liqun.

Yin Hong panicked. She then gritted her teeth and decided to follow him.

She didn't know why she was so determined, since she just knew Lin Wenjing for a few days and was merely considered an acquaintance. But she just could not see Lin Wenjing dash into death.

Jiang Liqun was instantly surrounded the moment he got off stage. They were all some big bosses in the business world of Yuan City, and they were chit-chatting.

In that instant, Jiang Liqun felt successful. Although he couldn't compare himself with Lin Wenjing, he was already considered an elite in the country.

Thinking of Lin Wenjing, he couldn't help but lament. A few days ago, he received the news that

he died on Seven Ridge, and when he got the news, he was overwhelmed with shock! He always thought that Lin Wenjing was undefeatable. He had reached an unbelievable realm at such a young age and was even an instructor at Yellow Thearch Group. His future was bright, and if given a few years, he could have attained a higher level of cultivation.

But now, a genius like that actually passed away and turned into soil.

To be honest, Jiang Liqun's feelings toward Lin Wenjing was quite complicated. He wasn't as loyal as Wang Yunqian and Han Kunpeng, and he didn't have much connection with Lin Wenjing, business wise.

Although he was considered Lin Wenjing's underling, Lin Wenjing never really controlled him, and they never had any written agreement. Therefore, Lin Wenjing's death had almost no influence on him.

Yet he had great respect and gratitude toward Lin Wenjing.

Now that Lin Wenjing had passed away, he was a little upset. But that was it. He didn't even comfort his family as he was scared to be targeted by Lin Wenjing's enemies.

Just as he thought about Lin Wenjing and drifted away, a familiar voice suddenly rang from his back, making him jump.

“Jiang.”

Wait a second. Was that Lin Wenjing's voice?

How is that possible? Lin Wenjing is dead! Everyone knows about this. He died in the hands of an ultimate-tier Heavenly Realm master.

Imagination. This must be my imagination!

Jiang Liqun shook his head and didn't choose to turn around. He thought that he must have been hallucinating because he just thought of Lin Wenjing.

Lin Wenjing had walked to Jiang Liqun's back, and he was surprised to see Jiang Liqun ignoring him after he called. *He got so arrogant that he ignored me just because he's having a birthday celebration?*

As Lin Wenjing was in Nike sportswear in such a ceremony, it was way too 'outstanding', and it attracted attention when he walked over. Realizing that he actually stood behind Jiang Liqun and called him 'Jiang', they were even more surprised.

Yin Hong, who was in the crowd, had her heart lifted to her throat when she saw that Lin Wenjing actually disturbed Jiang Liqun and called him 'Jiang'!

Just then, Li Jinbo and Gao Chi, who were walking over from the opposite, saw Lin Wenjing. Their eyes widened, and they immediately hurried over.

Seeing that Lin Wenjing even reached out to pat

Jiang Liqun's shoulder, Gao Chi's scalp went numb.

Li Jinbo's eyes widened out of anxiety as well, and he couldn't be bothered anymore and just hurried over. He then pointed at Lin Wenjing's nose and bellowed, "Wanton! Who gave you the courage to be disrespectful toward President Jiang?"

With that, he reached Lin Wenjing's front and tried to grab his collar, wanting to punish him.

However, just as he touched him, Lin Wenjing sneered, and Lin Jinbo flew backward from a huge force.

There would be blood shed when a man was enraged.

Lin Wenjing wasn't any ordinary martial artist. He was a top-tier Heavenly Realm master. He just needed a little more to reach the ultimate-tier of Heavenly Realm, but his current cultivation level was already rare, even globally!

He didn't do anything just now not because he was scared, but because he was well-mannered and didn't bother about these insignificant people.

Yet now, these insignificant people actually wanted a mile after given an inch and tried to punish him. This had exceeded his tolerance.

Nevertheless, things got different the moment he took action. It was Jiang Liqun's 50th birthday celebration, after all!

Chapter 603 There Will Be Blood Shed When A Man Is Enraged

Gao Chi was stunned to see that. He didn't expect Lin Wenjing to be so insane that he actually had the courage to create a scene there. *Does this man want to die?*

Just then, Jiang Liqun turned around and saw Lin Wenjing, and his expression got interesting instantly.

He recognized Lin Wenjing with just one glance.

But he still couldn't believe it as he had received news from many... No, he was certain that Lin Wenjing was dead! On Seven Ridge, he was pursued by an ultimate-tier Heavenly Realm master—he was severely wounded, and he died in an explosion! His body couldn't even be found!

Since then, many had searched Seven Ridge and found that Lin Wenjing was definitely dead. But now, it had just been a few days, and Lin Wenjing appeared before him without a single scratch on him.

Jiang Liqun could even feel that Lin Wenjing had grown stronger than before!

Standing before Lin Wenjing, he felt as if he was standing before a mountain, and the aura that he released was pressurizing him so much that he couldn't breathe.

Li Jinbo fell onto the ground, and his entire right arm went numb. He touched Lin Wenjing earlier, and it felt like being electrocuted.

But he wasn't seriously wounded and quickly got up. He then dashed toward Jiang Liqun and explained, "President Jiang, it was my fault. I didn't manage my subordinates well enough, and that was why Gao Chi let this insane man in and provoked you! It was all my fault. I've made a grave mistake! I will throw this maniac out right away!"

“Someone get this maniac and Gao Chi out!” Li Jinbo ordered the security.

The scene got chaotic right away. No one expected that someone would actually have the courage to create a scene at Jiang Liqun’s ceremony. That was just suicidal!

Gao Chi’s face turned pale instantly, and his legs were shaking as well. He dropped on his knees before Jiang Liqun and kept begging him for mercy. “President Jiang, I can’t be blamed! It’s Lin Wenjing who was disrespectful toward you and said that you are his follower since yesterday. He even mentioned that you would be respectful toward him! He was the one who requested to come. It has nothing to do with me, President Jiang! I’m innocent, President Jiang! Even if I had a hundred guts, I wouldn’t have the courage to cause a disturbance on your 50th birthday ceremony!”

As he spoke, it caused an uproar, and everyone present was shocked. They stared at Lin Wenjing, who had a poker face on, and they all thought that he must be some maniac with mental health problems. Otherwise, why would he say such ridiculous words?

Indeed, they thought that it was a great sin, and it wasn’t simply about being disrespectful!

Lin Wenjing frowned a little and felt a little unhappy.

Meanwhile. Jiang Liqun’s pupils shrank. He had

finally got back to his senses by then. It really was Lin Wenjing standing before him, and he had even managed to recover his body to the best state with some unknown method!

His heart raced. From all the news he had been receiving for the past few days and the huge move Lin Wenjing took a few days ago, he realized that Lin Wenjing was alive, and what it meant since he came to him!

For an instant, his heartbeat rose as he felt unsettled and extremely anxious.

As for Lin Wenjing saying that he was his follower, that was the truth, and he didn't see a problem with that. Instead, if Lin Wenjing mentioned that Jiang Liqun was his boss, that would have made him afraid.

Gao Chi continued begging, trying to wash his blame away. "President Jiang, you are a kind man, so please don't be bothered by a man like me. Please! I promise to chase this maniac out right away and won't let him appear before you anymore!"

With that, he ordered the security to get Lin Wenjing out and dump him the furthest they could.

Just then, a figure dashed out and blocked before Lin Wenjing as she yelled nervously and anxiously, "You can't do this to him. He is a kind man who didn't mean to provoke President Jiang! We will leave and promise not to bother President Jiang again!"

Gao Chi scolded Yin Hong the moment he saw her. "Yin Hong, you b*tch! How dare you talk back to President Jiang? Are you sick of living? This maniac is here because of you. You can't run away from the responsibility today!"

"Nonsense! You are the one who provoked Lin Wenjing and made him come, Gao Chi. How can you not admit it?" Yin Hong refuted aggressively.

The two of them started fighting, and the atmosphere got chaotic.

Lin Wenjing frowned even more. He was touched that a weak woman like Yin Hong had the courage to speak up for him, but he was truly enraged by Gao Chi's action.

Besides, he was unhappy with Jiang Liqun's reaction as well.

Could it be that Jiang Liqun really thought that I provoked some great man and have lost my powers?

"Heh!" Lin Wenjing sneered. It wasn't very loud, but everyone heard it. It felt like something was exploding in their heads, and their minds went blank immediately.

His scoff had a greater impact on Jiang Liqun. He felt as if there was a thunderstorm in his ears, and he went deaf momentarily as his face paled instantly.

"Jiang Liqun, you have gotten arrogant. Do you not

respect me anymore?” Lin Wenjing glared at Jiang Liqun as he spoke coldly.

Jiang Liqun shuddered instantly!

He felt as if his body was falling into an ice cave. He soon realized that Lin Wenjing was unhappy because he blanked out.

His reaction was quick, and he immediately bowed at Lin Wenjing and apologized anxiously. “Forgive me, Chairman Lin! I didn’t know you were back and had neglected you! It was all my fault, and I deserve to die!”

There were thousands of people there, and at that moment, they all went quiet without a single noise.

Everyone was stunned, and they stared at Jiang Liqun and Lin Wenjing with their mouths wide open.

Jiang Liqun remained bent after bowing down, and he was clearly respectful toward Lin Wenjing. Without his approval or forgiveness, Jiang Liqun wouldn’t dare to straighten his back.

Everyone was astonished by the scene. They couldn’t imagine how powerful Lin Wenjing must be for Jiang Liqun to be so humble in front of him!

Jiang Liqun was the wealthiest man in Yuan City, and he was a great man in the entire G Province! Yet now, he was being so respectful toward a young man in a Nike outfit...

As for Gao Chi and Li Jinbo, they were all dumbfounded. Their minds went empty, and their hanging jaws couldn't express how shocked they were.

As for Yin Hong, she also turned around and looked at Lin Wenjing with an expression she had never had. She had never met this kind of situation in her life, and she was startled.

Looking at Jiang Liqun's attitude, Lin Wenjing relaxed a little and slightly nodded. "Jiang, it's been half a year since we last met, and you haven't improved a little. I'm truly disappointed."

Jiang Liqun felt embarrassed to hear that and lowered his head even more. "Right, I've slacked and disappointed you, Chairman Lin."

Without Lin Wenjing's approval, Jiang Liqun didn't even dare to stand up straight. He looked extremely humble.

Lin Wenjing quit while he was ahead and nodded gently as a sign of forgiving Jiang Liqun. "Alright. Tonight is your big day, and I won't make it difficult for you. Go ahead with your stuff."

"Yes, Chairman Lin." Jiang Liqun was relieved, and only then did he dare to stand up straight. He was a little embarrassed when he saw the horror of so many people present, but he understood that Lin Wenjing was his immediate boss, who was now back, so he should show his loyalty to him.

In fact, he was more curious about what happened to Lin Wenjing these few days.

Lin Wenjing patted Jiang Liqun on the shoulder and said, "Congratulations on your 50th birthday today. I will give you a gift later."

Jiang Liqun was taken aback. He saw that Lin Wenjing came empty-handed, so it was obvious that he did not bring gifts.

However, Lin Wenjing was the boss, so he dared not say anything even if Lin Wenjing did not give him anything.

But, in general, Jiang Liqun was very happy to see Lin Wenjing return and remain so strong. "Thank you, Chairman Lin," he quickly replied.

Lin Wenjing waved his hand to signal Jiang Liqun

to go ahead with his stuff and leave him alone. After accepting the order and turning around, Jiang Liqun straightened up and resumed his manner as the richest man in Yuan City to mingle with the guests.

He did not feel embarrassed or humiliated, because in his mind, a person like Lin Wenjing should be that domineering and prestigious. It was normal for him to submit to Lin Wenjing, and there was nothing to be ashamed of. On the contrary, he thought that it was an honor. After he himself broke through to the Heavenly Realm, he understood even more about how powerful Lin Wenjing was.

The most important thing was that what Lin Wenjing did caused a huge shock in the circle. Under the noses of more than forty masters of the Heavenly Realm, he snatched away the Spirit Fruit, particularly when there was a top powerhouse of the ultimate-tier of the Heavenly Realm. What a mighty and terrifying power he had!

And in spite of that, Lin Wenjing didn't die, and he was back in peak form within such a short period of time, which proved that he was so powerful and that his future was promising!

Lin Wenjing saw that Yin Hong's eyes widened, as if knowing him for the first time, and he couldn't help but smile and ask, "What's wrong, Miss Yin? Don't you recognize me?"

Yin Hong gulped hard. What happened tonight was really beyond her knowledge and more than

she could accept.

"Mr. Lin, w-who are you exactly?" Yin Hong couldn't help but ask, and her mind was in chaos now.

Lin Wenjing asked, "Who do you think I am?"

"I-I don't know." Yin Hong was now unable to speak clearly. Suddenly, she noticed Lin Wenjing staring at her face and approaching her. In an instant, her heart was racing even more, like it was about to jump out of her chest.

Oh my God, what is Mr. Lin going to do? Could it really be that he fancies me? Is he going to make me his, like the other big shots? If that is the case, should I resist? But Mr. Lin seems to be different from them, so it seems like a good choice to submit to him...

In an instant, countless thoughts flashed through Yin Hong's mind, and her face turned red all of a sudden!

For her, two short seconds felt like a century. She was so nervous that she even closed her eyes, waiting for Lin Wenjing's 'assault' on her.

But then, she heard Lin Wenjing saying, "You had something in your hair. I got rid of it."

"Huh?" Opening her eyes, Yin Hong felt down at once when she saw that Lin Wenjing was keeping his distance from her again.

At this moment, a shrill cry was heard from

behind, and a man rushed over and kneeled in front of Lin Wenjing with a loud wrong. My ignorance has offended you. Please forgive me, Chairman Lin!"

It was Gao Chi, who was no longer arrogant and presumptuous now. He directly kneeled down in front of Lin Wenjing and kowtowed desperately to admit his mistake, looking worse than a dog.

Soon, Li Jinbo also hurriedly rushed over and apologized to Lin Wenjing together with Gao Chi, looking very miserable.

They both felt extremely regretful now!

If they had known that Lin Wenjing was really a big shot, who could even make Jiang Liqun bow his head, they wouldn't have dared to be disrespectful toward him; they would have bootlicked him the best they could instead.

Gao Chi was especially regretful. *I was really a pig. How could a man who could make Lu Fan kneel and admit his mistakes be an ordinary person? I have now offended a big shot for no reason. If I don't deal with it well, I will be doomed for the rest of my life.*

At the same time, he was very puzzled and couldn't understand why, as a big shot, Lin Wenjing wore such shabby clothes and even had something to do with the Yin family. *Alas, it's all because of empiricism!*

Lin Wenjing had no interest in these two ants now,

and he directly said to Jiang Liqun, "I don't want to see these two ants again."

Jiang Liqun was smart, and he knew what Lin Wenjing meant right away. With a glint in his eyes, he snorted coldly at Gao Chi and Li Jinbo before ordering his men to throw them out.

Everyone knew that those two guys were finished.

Soon, the place returned to its original state again, but many people no longer cared about Jiang Liqun. After what happened just now, the protagonist of the night had become Lin Wenjing, and they were all guessing who he was.

In fact, Lin Wenjing had a big reputation, and many people knew him, but because he had deliberately used his spiritual strength to affect the crowd's minds, they could not accurately see his appearance when they looked at him. Hence, except for Jiang Liqun, no one recognized him.

Using spiritual strength to influence others sounded very illusory, like a fantasy, but it was not the case at all.

This could be explained from a scientific point of view. A person with a strong enough spiritual strength could emit brain waves, thereby affecting others. Lin Wenjing's brain was now a large emitter which could continuously emit brain waves.

As long as it was a person with a lower cultivation realm than he, the person would be affected by his

spiritual strength if he or she was in his proximity.

Of course, if it was not necessary, Lin Wenjing would not bother to do such things.

Lin Wenjing found a place to sit down and started eating to replenish his energy.

He was now back to his peak form before the injury, and he was only one last step away from reaching the ultimate-tier of the Heavenly Realm. After a few more days, he would be able to step into it effortlessly.

Suddenly, Lin Wenjing felt something. A meaningful smile appeared on his face, and he uttered, "He's here."

Yin Hong asked, stunned, "Who's here?"

However, at this moment, a person suddenly flew in from outside the door and fell heavily onto the ground. Then, a huge bronze bell flew in and landed in front of Jiang Liqun with a loud *clang*.

This sudden scene shocked everyone present!

Yin Hong was also trembling with fright, causing the phone to fall out of her hand, but Lin Wenjing caught it in time and returned it to her.

It really happened too fast. A huge bronze bell, which weighed hundreds of pounds, just flew in and landed before Jiang Liqun, directly making a big hole on the ground.

Moreover, if Jiang Liqun didn't react fast enough, this bronze bell would have hit him!

But even though he avoided it in time, this huge bronze bell still rolled forward. Fortunately, Jiang Liqun was a master of the Heavenly Realm, so he reacted quickly and stretched out his hands to catch the bronze bell. Otherwise, many people would have been killed or injured!

He caught it, but the huge impact still made him uncomfortable. His internal organs churned, and he couldn't help but spit out a mouthful of blood.

Both of his hands were numb from the vibration.

He was very angry, with his eyes burning with rage!

Someone actually dared to send him a bronze bell on his 50th birthday. This was a gift for funerals; obviously, that person came to make a scene on his territory and challenge him!!!

He was the richest man in Yuan City and also a master of the Heavenly Realm. He admitted that he was old and far less powerful than Lin Wenjing, but he was not someone that anyone could bully

and step on.

"Who is the one that dares to make trouble at my place?" Jiang Liqun was angry. This was no longer as simple as a provocation, but a blood feud!

He still didn't know who was the person that was so courageous that he dared to look for trouble like this.

At this moment, everyone at the scene had also come to their senses. They were stunned, looking at the huge bronze bell that suddenly appeared in this hall.

No matter what, sending a bronze bell to someone on his 50th birthday in this way was definitely a blatant challenge, where one of them would have to die! Who could be acting so recklessly?

Perhaps they had overestimated Jiang Liqun's capability. In the beginning, a young man with the surname Lin made him bow his head, and not long after, someone now came to insult him?

"P-President Jiang... Yao Sheng and his men are here to cause trouble..."

The middle-aged man who flew in just now was vomiting blood crazily, and there was an obvious pit on his chest. His face was pale, and his life force was fading away. After saying those words, he seemed to have used up all his strength as his neck tilted to the side, and he died.

Jiang Liqun stared at him in a daze, his expression

changing frantically. He clenched his fists, producing cracking sounds, while his face was covered with rage. He was now feeling an unprecedented anger that was erupting like a volcano!

There was a strange silence in the audience. Everyone was shocked and afraid to speak, and they just looked at Jiang Liqun helplessly.

To be honest, tonight's events were still too shocking and subversive for them. Whether it was the appearance of Lin Wenjing or the scene now, they were all completely unexpected.

They had lived for most of their lives without encountering such a thing.

At this moment, there was a sound of footsteps at the door, accompanied by a teasing voice. "How about it? B*stard Jiang, are you satisfied with this gift I gave you? Hahahaha..."

This voice was full of playfulness and contempt. Soon, a group of people appeared at the door, and among them was a man in a white robe who was holding two iron balls in his hands, seemingly in his thirties. His eyes were very big, bright and piercing, like light bulbs. He was obviously walking, but with every step he took, a big earthquake occurred, as if the earth was controlled by him.

This was a master of the mid-tier in the Heavenly Realm.

Behind him, there were more than a dozen people, who were all masters. Standing on his right was a man with a blank expression, wearing Chinese costume and a pair of cloth shoes. He looked very ordinary at first glance, but the closer one looked, the more one could feel something horrifying about him.

It seemed that he was a black hole that could draw people's eyes in, which was very terrifying.

He was an upper-tier Heavenly Realm master.

Lin Wenjing took a glance and knew that the real combat power of this man in Chinese costume was almost on par with Zhao Xia.

This was already a very good cultivation base. A Heavenly Realm master was originally rare in existence, and its proportion among humans was very rare.

It was already extremely difficult for ordinary fighters to cultivate until they reached the Heavenly Realm. After all, not everyone could be as determined as Lin Wenjing.

“Yao Sheng, it's you!!!”

When Jiang Liqun saw him, an unprecedented hatred erupted in his eyes. His entire face instantly turned red, and he gritted his teeth in anger.

It was the first time Lin Wenjing saw Jiang Liqun being so angry and hateful. He soon remembered that Yao Sheng was Jiang Liqun's old nemesis.

People at the scene immediately started to gossip upon hearing the name, Yao Sheng.

"What? Yao Sheng? Is he Yao Sheng? Yao Sheng is the richest man in Zhu City. I didn't expect him and Jiang Liqun to be enemies."

"This is nothing new. Yao Sheng and Jiang Liqun are old enemies. There is a blood feud between them."

"Really? Why haven't I heard of it? What kind of enmity is there between them?"

"This was a matter of years ago. At the time, Yao Sheng and Jiang Liqun were still good friends. Rumor has it that Yao Sheng was under Jiang Liqun at that time. Jiang Liqun taught Yao Sheng many things and gave him a lot of resources. That's why he could make a fortune."

"Huh? According to you, shouldn't Yao Sheng and Jiang Liqun be friends? Why did they become enemies?"

"Listen to me first. After Yao Sheng made a fortune, he became interested in Jiang Liqun's wife. While Jiang Liqun was asleep, he assaulted his wife, causing her to become mentally ill and finally killed herself! Do you understand now why Yao Sheng and Jiang Liqun are sworn enemies?"

"F*ck, is there actually such a thing that happened between Yao Sheng and Jiang Liqun? I really haven't heard of it before you told me."

Chapter 606 Blood Feud

All of a sudden, the news spread quickly, and everyone at the scene all knew what happened between them.

After Lin Wenjing heard this, he was also quite surprised. He didn't expect Jiang Liqun to have experienced that. At that time, Jiang Liqun just told him that he had a great feud with Yao Sheng, but he did not expect it to be such a blood feud.

Even Lin Wenjing was murderous toward Yao Sheng after hearing this.

And today, Yao Sheng insulted Jiang Liqun like this on his 50th birthday, clearly intending to put Jiang Liqun to death!

This was Jiang Liqun's catastrophe tonight. It was conceivable that if Lin Wenjing hadn't come here by fate, then Jiang Liqun would not be able to make it through tonight.

Lin Wenjing didn't come out right away; he first waited to see what Jiang Liqun would do.

Facing Jiang Liqun's anger, Yao Sheng's face was filled with playfulness and happiness. He also hated Jiang Liqun incomparably, since the latter had caused many troubles for him over the past few years. Even his own son was sent to the prison by Jiang Liqun himself.

The two of them could now be described as having a blood feud where one of them had to die.

However, as Jiang Liqun had previously been stuck at the Pinnacle Realm and could not step into the gate of the Heavenly Realm, Yao Sheng had always had the upper hand in the struggle between him and Jiang Liqun, which led to him swallowing up a lot of Jiang Liqun's resources.

But just when he could land a fatal blow on Jiang Liqun and take over his business empire in one go, Jiang Liqun—the old bastard—actually broke through to the Heavenly Realm!

Moreover, his strength was quite good, as he swept away his previous frail state and became fiercer. Not only did he resolve his attacks, he also began to counterattack and constantly encroached his properties, making him extremely angry and crazy.

Originally, in terms of business abilities, he was not as good as Jiang Liqun. He gained a lot of advantages previously only because he was a master of the Heavenly Realm, while Jiang Liqun

was only at the Pinnacle Realm. But now, Jiang Liqun had also broken through to the Heavenly Realm, so his advantage no longer existed, and he even fell behind.

In the end, he couldn't stand it anymore and went directly to Jiang Liqun to fight him, but he was actually defeated and humiliated by the latter.

If he hadn't had a card up his sleeve back then, Jiang Liqun would have killed him!

How could he accept such a thing?

Later, through his investigation, he found out that the old bastard, Jiang Liqun, had actually taken refuge with Lin Wenjing from Hua City and became his lackey! Besides, Jiang Liqun also broke through to the Heavenly Realm with the help of Lin Wenjing.

In fact, he had heard of Lin Wenjing, who was an absolute master and someone that he absolutely could not provoke.

He hated it, but he could only endure it, and so he didn't dare to mess with Jiang Liqun anymore. After all, if he provoked Lin Wenjing—the terrifying man—then he would be finished.

But it didn't take long for him to learn of a shocking news!

The incredible Lin Wenjing was dead!

He tried to get the Spirit Fruit from the hands of

more than forty Heavenly Realm masters and was finally killed by an ultimate-tier Heavenly Realm master.

While he was shocked and impressed by Lin Wenjing's action, he was also gloating and feeling happy! Now, he could boldly attack Jiang Liqun.

It just so happened that he was acquainted with the super master of the upper-tier Heavenly Realm, who was currently next to him, and with his help, he broke through to the mid-tier Heavenly Realm, so he couldn't wait to come over to seek revenge from Jiang Liqun.

He chose the day when Jiang Liqun was celebrating his 50th birthday!

What could be more insulting than cursing Jiang Liqun to die on his 50th birthday? Hahaha!

"Jiang Liqun, as an old friend, why didn't you inform me about your 50th birthday dinner tonight?" Yao Sheng asked playfully. "What do you think? Do you like this big bell that I gave you? I can even put you in and bury you. Hahahaha..."

Yao Sheng laughed wildly and arrogantly, making everyone want to beat him up after hearing it. Sending a clock to Jiang Liqun on such an occasion had really portrayed his bad character.

However, they did not dare to show any trace of dissatisfaction, because Yao Sheng was too powerful to be someone they could mess with.

Meanwhile, Jiang Liqun's eyes were burning with fury, and the flame in his chest was about to burst forth!

It was his 50th birthday tonight, and he even invited many people over, yet Yao Sheng still came and challenged him in front of everyone. He'd be lying if he said he wasn't annoyed.

"Yao Sheng, f*ck you! You're asking for death!" Jiang Liqun's sanity was washed away, and the burning anger in his heart could set the whole world on fire.

Soon after he finished speaking, a number of black-clothed bodyguards immediately appeared in every corner of the manor, surrounding Yao Sheng and the others.

Each of these black-clothed bodyguards was a professional retired Special Force member. They were shooting a fierce look and had weapons in their hands, looking very intimidating.

However, facing these black-clothed bodyguards, Yao Sheng and his men didn't even blink their eyes and only showed a disdainful sneer. He then asked while clicking his tongue, "B*stard Jiang, do you really think these ants can threaten us?"

Jiang Liqun was naturally aware of this point. Currently, he was angry and was already triggered, making him lose his rationality.

Nevertheless, he was a man of the world, after all. So he took a deep breath and quickly calmed

himself down. He then closed his eyes for two seconds before opening them again and said to the guests at the scene, "Dear guests, something unexpected has happened tonight; a mad dog has come to bite people! I apologize for ruining your day as I'm about to close the door to beat the dog, and I would like to ask all of you to leave for the time being. I will definitely host another dinner on another day to entertain you all!"

His speech was so smooth that people admired him for being able to keep his cool even in this situation.

It could be seen from this that Jiang Liqun's achievements today did not come from pure luck.

All the guests at the scene nodded quickly, indicating that it was fine, before they turned to leave.

After all, they were also savvy people who knew that they shouldn't stay under this kind of situation, as staying would only cause trouble.

Neither Jiang Liqun nor Yao Sheng was someone they were willing to provoke.

However, Yao Sheng spoke lazily at this moment. "Hey, since you are all here, why are you leaving? Why don't you stay and watch how I trample on B*stard Jiang?"

Those guests tensed up when they heard Yao Sheng's words; they didn't want to get involved, as they were just ordinary people.

“Mr. Yao, I have something to do at home and need to go back right away. I’m sorry that I cannot keep you company, Mr. Yao.”

“Yes, Mr. Yao, my wife called me just now and said that she is going to give birth soon, so I have to go back now.”

“Mr. Yao, there is still something to do at my company, so I need to go back now...”

One by one, the guests all began to come up with excuses to leave.

At this moment, however, Yao Sheng snorted coldly. To the crowd, it felt like there was a bomb exploding in their ears!

“You all must stay, and none of you are allowed to go anywhere!” Mr. Yao barked domineeringly, then he tilted his head and showed a playful smile.

“You all will witness a historic event tonight. Starting tonight, B*stard Jiang will only be a b*stard! All of you are my witnesses, and you are not allowed to leave! Whoever dares to go would be turning against me!”

With that, he stepped on the ground hard, and the floor tiles under his feet began to crack. Thereupon, the crack extended with a crackling sound, causing everyone at the scene to tremble in fear.

Yao Sheng was now very proud, like a god of war. He glanced around, and no one dared to look at him in the eyes. They all bowed their heads and trembled.

For ordinary people, the coercion of a master of mid-tier Heavenly Realm was not something they could resist!

Under Yao Sheng's intimidation, they all stood rooted to the spot, afraid to leave.

Yao Sheng was very satisfied with his majesty, which made him feel immensely superior. So many rich people were present, and yet they were just all a group of ants, and no one dared to disobey him!

He was here to declare sovereignty tonight. As long as Jiang Liqun was crippled, he would soon be able to push forward unopposed and swallow up Jiang Liqun's properties, thereby becoming the boss of Yuan City.

He was absolutely sure that he could take Jiang Liqun down, because Jiang Liqun had completely fallen behind him, not to mention that he had specially invited a master of the upper-tier of the Heavenly Realm to come with him! Today was Jiang Liqun's 50th birthday, and also the day Jiang Liqun would die.

When Jiang Liqun saw Yao Sheng's presumptuousness, he was already mad and burning with anger. He shouted loudly, "Wanton! Go and take down Yao Sheng, the f*cking prick!"

With a wave of his hand, the bodyguards, who were eyeing at him, immediately began to pounce on Yao Sheng.

They were well-trained and had extremely uniform movements. As former Special Forces members, they worked well together and were very capable. They even had weapons in their hands, so the threats they brought were significant too.

Unfortunately, they still couldn't compare to Yao Sheng's men, because they were not on the same level.

Yao Sheng sneered disdainfully. Without needing him to act at all, the bodyguards—who were all masters of the Pinnacle Realm—behind him swarmed up menacingly, initiating their besiegement and counterattack.

The two groups of people fought, and the site immediately became chaotic. Jiang Liqun's 50th birthday dinner tonight had also become a farce.

Although Jiang Liqun's bodyguards of Special Forces were very strong, they were no match for the masters of the Pinnacle Realm after all, and they had all fallen in less than a minute. Many of them had been seriously injured and were dying.

"Jiang Liqun, you are too weak. And not only are you weak, even your men are very weak too. You are all amateurs," Yao Sheng spat contemptuously.

Jiang Liqun gritted his teeth, and his face was pale. He knew the strength of his bodyguards, and

that they could not harm Yao Sheng. He only thought that he could deplete Yao Sheng's power, but he didn't expect that these men brought by Yao Sheng were all very powerful; they had beaten his men up without Yao Sheng having to move a finger.

"Yao Sheng! How dare you to come to my place to cause trouble? Do you really think I can do nothing to you!?" Jiang Liqun was furious as he stared at Yao Sheng angrily, but everyone could see that he was now completely at a disadvantage.

Yao Sheng laughed wildly. "Jiang Liqun, your death is imminent, yet you are still going crazy there! I'd like to see what you can do to me! To tell you the truth, I have now broken through to the mid-tier of the Heavenly Realm. My strength is so much better than you; how can you fight me?"

Jiang Liqun was shocked when he heard that. "Impossible! You lost to me last time. How could it be possible for you to break through to the mid-tier of the Heavenly Realm so quickly?"

"Did you see this man beside me? He's Du Feng, the Thunderbolt Hand, the top powerhouse of the Heavenly Realm's upper-tier. With the help of Mr. Du, I have successfully made a breakthrough. Now, I will beat you like how I would beat a dog." Yao Sheng took two steps forward, made a throat-slitting gesture. "B*stard Jiang, your good days are over, and today will be the day you die!" he sneered at Jiang Liqun.

He said the last two words sonorously and

powerfully, making people feel excited, as if it was as final as God's judgment. Jiang Liqun was finished.

"What? Du Feng, the Thunderbolt Hand?!" Jiang Liqun's pupils abruptly constricted, and he looked at the man in Chinese costume next to Yao Sheng. The moment he saw him, his heart was suddenly in his mouth, while his hands and feet became cold. He had heard of Du Feng, who was an absolutely ruthless man. Even though he had already broken through to the Heavenly Realm, he was still nothing compared to a master like Du Feng.

He was now really starting to get a little scared, and he even felt sorrowful all of a sudden. Could it be that he was really going to die on his 50th birthday today? He could not accept it!

Yao Sheng enjoyed the way Jiang Liqun looked right now, and the smile on his face became more intense. "B*stard Jiang, are you finally afraid now? Very well, then. For your wife's sake, I will give you a chance. As long as you kneel down, kowtow to me nine times, and call me Father three times, I will let you off. How about that, B*stard Jiang? I'm not so ruthless now, am I?"

Yao Sheng was already humiliating Jiang Liqun as a winner.

Thousands of people present witnessed this scene, and most of them were the dignitaries of Yuan City. Seeing the king of Yuan City helplessly be humiliated by Yao Sheng, they felt quite

unhappy.

But what could be done about this? It was a realistic and winner-take-all society. Yao Sheng's strength was stronger than that of Jiang Liqun, and naturally, he trod Jiang Liqun under his foot.

"Yao Sheng! You are asking for death! My boss is Lin Wenjing, the top master in G Province. If you dare to hurt me today, you will definitely die!" Jiang Liqun shouted loudly in desperation.

After he yelled out this sentence, only did he come to his senses. *Oh yeah, why am I panicking? Chairman Lin is here. With him here, Yao Sheng and Du Feng are nothing.*

After understanding this, he immediately relaxed and quickly looked toward Chairman Lin.

"Hahahahaha..." Yao Sheng laughed wildly.
"B*stard Jiang, you are about to die, yet you still dare to scare me with the dead man, Lin Wenjing? Everyone in the circle knows that he is dead. Previously, you had Lin Wenjing's backing, so you were so cocky and even dared to swallow my territory. Unfortunately, Lin Wenjing was a short-lived man, who died at a young age, and your backer is now gone. Hahaha."

He gloated over misfortunes and looked at Jiang Liqun like a clown, thinking that he was at the end of his rope and was putting up his deathbed struggle. It was a complete joke.

Jiang Liqun looked back just now and didn't see

Chapter 608 Who Said I Was Dead?

Lin Wenjing, and he couldn't help but panic.

But, at this moment, a lazy voice was heard coming from the right. "Who said I was dead?"

The voice was not very loud, but it clearly reached the ears of everyone present.

Du Feng, who was originally behaving like a transcendent being and a master, suddenly changed his expression when he heard this voice and immediately looked over and saw Lin Wenjing. His body trembled, and his face was filled with shock and horror.

"L-L-Lin Wenjing?!!" Du Feng yelled out in shock. His eyes and his reaction were as if he had seen a ghost, while his face paled with fright.

He really didn't expect that Lin Wenjing would appear here, because that day on Mount Lion, he was in one of the teams that fought over the Colorful-origin Fruit. He witnessed Lin Wenjing's successful and impressive feat in escaping under the siege of more than forty Heavenly Realm masters after getting the Fruit!

Moreover, in the process of escaping, Lin Wenjing also killed many Heavenly Realm masters.

He was an absolutely fierce man. Although Du Feng was very confident of his own strength and was also the top in his circle, he definitely did not dare to be presumptuous in front of Lin Wenjing, because Lin Wenjing was really too strong; they were not at the same level at all!

He knew his place very well.

The point was that he thought Lin Wenjing was dead, as Jian Rushuang went after him in the end. Jian Rushuang was a peerless master of the ultimate-tier of the Heavenly Realm!

And he witnessed the big explosion at the end with his own eyes. A big explosion of that magnitude could even kill a legendary Immortal Realm powerhouse, let alone a master of the Heavenly Realm!

But now, Lin Wenjing actually stood in front of him,

alive and well?

Moreover, the strong aura that Lin Wenjing exuded did not weaken at all, and it had become stronger instead.

How is this possible?

Du Feng regarded himself as a well-informed man of the world with a strong mental capacity. But now, he really couldn't accept it. At this moment, he even suspected that he was having hallucinations.

Meanwhile, Yao Sheng also immediately looked at Lin Wenjing. When he saw Lin Wenjing, he hadn't recognized him at a glance, and he cursed, "Who the hell are you? How dare you—"

Before he could finish speaking, Du Feng, who was next to him, kicked him on his leg, making him stumble forward and almost fall over. "You need to shut the f*ck up! He is Chairman Lin. How dare you be disrespectful toward him? I think you are tired of living!"

Then, he immediately took a few steps forward, kneeled down in front of Lin Wenjing on one knee, and shouted loudly, "I, Du Feng, pay my respect to you, Chairman Lin! May you enjoy boundless longevity and continue to run the world as the greatest in all the land!"

Du Feng kept his head bowed, and his heart was beating so fast that it was as if there was a storm in his heart now. Now that he was in front of Lin

Wenjing, he felt the terrifying breath emanating from Lin Wenjing's body even more; it was like a volcano that contained a destructive energy which he could not resist at all.

And he was also certain that Lin Wenjing was not injured. Lin Wenjing was in his peak form, whereby he could take his life within a second if he wanted to!

Facing such a fierce man, how would he dare to be presumptuous?

The audience fell silent at once. Many people present were in a state of astonishment; they didn't expect that there would be such a turn of events at this point.

Clenching his fists, Jiang Liqun was now extremely excited. Lin Wenjing was so strong that even a powerhouse like Du Feng chose to surrender without hesitation.

Then, Yao Sheng wouldn't be able to escape tonight!

How could this not make him excited?

As for Yao Sheng, he was completely dumbfounded now. Looking at Lin Wenjing, his mouth was wide open, but he couldn't say a word. He was now extremely shocked, and he was even beginning to tremble with fear.

*How could this happen? How could this happen?
Isn't Lin Wenjing already dead?*

He even confirmed this news with Du Feng, who was also on Mount Lion that day, and he watched Lin Wenjing being chased by a peerless powerhouse of the Heavenly Realm's ultimate-tier and died in an explosion.

But now, Lin Wenjing actually appeared in front of them unscathed, which was completely impossible!

In a corner, Yin Hong also covered her mouth. She was so excited that her heart was racing wildly. Having lived for more than twenty years, she had never been subverted like today, and she had never had so much emotional ups and downs like today.

Her mind was now full of Lin Wenjing.

Lin Wenjing looked down at Du Feng and asked drily, "Were you also on Mount Lion that day?"

Du Feng quickly replied, "Yes, Chairman Lin, I was on Mount Lion that day, so I was fortunate to witness the unparalleled heroic appearance of yours! From that day on, I was deeply shocked by you, and I now regard you as my idol! It's great to see you again now, Chairman Lin!"

He swore that he had never bootlicked a person like this in his entire life; Lin Wenjing was the first one. As a master of the upper-tier of the Heavenly Realm, he was always the center of attention, the one people sought to please wherever he went; but now, he kneeled and bootlicked Lin Wenjing like a dog in front of so many people. His

reputation would be ruined if it spread out.

But he still had to do this, because he knew that if he didn't make such a statement, Lin Wenjing might kill him!

Compared to his life, did pride and reputation even matter?

But the impact of his action was great on so many people in the audience, and this was especially true for the people on Yao Sheng's side.

"L-L-Lin Wenjing?! That's not right. Mr. Du, didn't you say that Lin Wenjing is dead?" Yao Sheng couldn't accept this fact at all and screamed.

The operation tonight was a rare opportunity for him to trample Jiang Liqun—his old nemesis—to death. In his mind, he had imagined countless scenes where Jiang Liqun was trod under his foot, as well as the triumphant feeling after he unified Yuan City.

But now, with the appearance of Lin Wenjing, everything went down the drain!

The situation would even come to a big reversal, and he would become the one who got killed!

Du Feng immediately stared at him and roared, "Shut up! Yao Sheng, don't try to slander me! When did I say that Chairman Lin is dead? Chairman Lin is my idol. I have unlimited respect for him!"

Then, he immediately explained to Lin Wenjing,

"Chairman Lin, the sun and the moon can bear witness that I have the utmost respect for you, and I have never said anything disrespectful about you outside!"

Lin Wenjing smiled and glanced at Du Feng with a faint smile before speaking. "Du Feng, you're a fickle lot. Seeing that I came back, you started to please me."

Du Feng smiled awkwardly.

However, Lin Wenjing was too lazy to argue with Du Feng, and he directly said to Yao Sheng, "You were very arrogant just now. You even wanted to hurt my underling, didn't you?"

Facing Lin Wenjing's threatening tone, Yao Sheng was under unprecedented pressure. Not only did his legs tremble, his whole body was also shaking violently, and he stuttered, "N-No..."

With a snort, Lin Wenjing widened his eyes abruptly, and a powerful aura suddenly pressed against Yao Sheng. Yao Sheng was just a mid-tier master of the Heavenly Realm, and he could not withstand the pressure from Lin Wenjing. Hence, he suddenly had a nervous breakdown, and he limped to the ground before kowtowing desperately, begging Lin Wenjing to spare his life.

Lin Wenjing didn't have any interest in such an insignificant person like Yao Sheng.

Moreover, Yao Sheng was Jiang Liqun's arch enemy, so of course he wouldn't kill Yao Sheng himself.

Instead, he said directly to Jiang Liqun, "Jiang, I'll leave him to you."

Jiang Liqun nodded vigorously, his eyes turning red.

Then he walked over in large strides. He had looked forward to this day for a long time. Now that this day had finally arrived, he felt like he would explode from all the emotions within him!

Even after experiencing so many incidents, he couldn't help but feel a lump in his throat at this moment, and tears rolled down his cheeks in the end.

For him, Yao Sheng was the greatest enemy in his life and the person he hated the most. His hatred toward Yao Sheng was unmeasurable—he wanted to eat Yao Sheng's meat, break his bones, and even drink his blood!

Originally, he had a loving family. However, it was destroyed by Yao Sheng just like that.

For so many years, Yao Sheng had been overpowering him—not only was he unable to take revenge, he was also humiliated.

Now, the opportunity had finally arrived for him to take revenge.

He took a deep breath and held back his tears as he looked to the sky and laughed out loud.

"Hahahaha! Yao Sheng! You have finally met your end! I can't believe this is happening to you! Weren't you very arrogant just now? Show me your arrogance now!"

Jiang Liqun snorted out loud as pure joy permeated through his entire body. It had been a long time since he was so happy.

Yao Sheng kneeled on the ground with a pale face that was filled with extreme resentment and humiliation as he gritted his teeth. However, he was left with no choice as he had lost the fight tonight.

But there wasn't a lot of fear within him—he was still calm because he didn't believe that Jiang Liqun would dare to kill him on his 50th birthday. Knowing Jiang Liqun's conservative character, he would at most make him pay a lot of compensation, bleeding his wallet dry. As long as he was still alive, there was still a chance for everything, and he could make a comeback in the future!

Hence, he chose to tolerate the temporary humiliation and said to Jiang Liqun, "Mr. Jiang, I was wrong. For so many years, I've disappointed you. Seeing that we were past comrades, please spare my life this time. I swear that I will never dare to fight against you again. From now on, I will

be your subordinate... No, I'll be your dog!"

With that, he started to kowtow to Jiang Liqun, but the corners of his mouth showed an imperceptible sneer.

Jiang Liqun looked at him condescendingly. As his opponent and ex-comrade for many years, how could he not know Yao Sheng's tricks?

"Yao Sheng, are you really willing to be my dog?" Jiang Liqun asked.

Yao Sheng quickly answered, "Of course! Mr. Jiang, I will be your dog from now on, and I will take all your commands!"

"Alright. Since you said so, I will let you go this time." Jiang Liqun heaved a long sigh, looking as if he had really decided to spare Yao Sheng's life this time.

Upon hearing that, great joy swept over Yao Sheng. However, when he quickly raised his head and looked up, he saw Jiang Liqun's sneer.

Yao Sheng was not a fool. Of course he realized that Jiang Liqun was only teasing him, and this made a surge of anger rise within him.

But, at this moment, he didn't dare to vent his anger. Instead, he continued to say humbly, "Mr. Jiang, if this is the case, I shall take my leave."

Then, he took a step back tentatively with an obsequious smile on his face. However, after he

walked for a few steps, Jiang Liqun suddenly spoke. "Du Feng, make him a cripple."

Du Feng raised his brows questioningly. He had surrendered to Lin Wenjing, but that didn't mean he would listen to Jiang Liqun's orders. To him, Jiang Liqun was just an insignificant ant.

Hence, the way Jiang Liqun ordered him had displeased him. However, upon hearing Lin Wenjing's next sentence, a chill ran down his spine, and he didn't dare to defy Jiang Liqun's orders anymore.

"If Yao Sheng escapes, you'll be taking his place to die."

Hearing this, Du Feng was scared to death, and he didn't dare to ignore Jiang Liqun's orders anymore. He immediately launched his attack and pounced at Yao Sheng. "Yao Sheng, die now!"

Yao Sheng's pupils shrank instantly, and he became extremely frightened. He knew Du Feng's strength—since Du Feng had decided to attack him, he couldn't even retaliate!

"Mr. Du..." he yelled out quickly and turned to run.

However, he was just an ordinary master who had just entered the mid-tier of the Heavenly Realm. So how could he fend off a strong man like Du Feng? In less than a few seconds, Du Feng had already caught up to him, and then a hand knife slashed his neck, cutting it off instantly. Yao Sheng let out a shrill scream before he was caught

by Du Feng, who threw him to the ground in front of Jiang Liqun.

Then, Du Feng ran to Lin Wenjing briskly in small steps and clasped his fist into a salute. "Chairman Lin, I don't dare to defy you."

Lin Wenjing gave a faint nod and waved his hand, motioning him to step aside so that he would not block his view.

Yao Sheng was now extremely frightened that his entire body kept trembling. Though his neck was chopped off by Du Feng, he did not die immediately. He was a master of the Heavenly Realm after all, so he had a strong life force.

However, he knew that his injury was too serious, and he had no ability to resist any further attacks.

As he laid on the ground, his heart sank when he looked into Jiang Liqun's murderous eyes. He kept begging for mercy. "Mr. Jiang, I was wrong! I was really wrong! Please let me go! I'm willing to give you all my territories and properties to you! Mr. Jiang, please let me go..."

Yao Sheng was now begging for mercy like a dog very loudly. His voice resounded through the entire manor. To everyone who was watching this, it was a very shocking scene.

Everything that happened tonight was unexpected for them.

Moreover, they couldn't help but look in the

direction of Lin Wenjing.

They remembered Lin Wenjing clearly because anyone observant could tell that he was the main character tonight. If it weren't for Lin Wenjing, tonight would have ended differently.

Seeing Yao Sheng's miserable state and how he begged for mercy like a dog, Jiang Liqun laughed loudly with everything that had happened over the years flashing through his mind. All the humiliation, hatred, and pain were all released at this moment.

"Yao Sheng! Karma has finally come back to you! Serves you right!" Jiang Liqun laughed out loud and walked over to step on Yao Sheng's chest with a large force. With a crack, Yao Sheng's ribs were broken by him.

Then, it was the moment for Jiang Liqun to take revenge. He tortured Yao Sheng continuously to vent his hatred for so many years.

In five full minutes, Yao Sheng, a master in the mid-tier of the Heavenly Realm, died tragically in Jiang Liqun's hands!

At this moment, with the death of Yao Sheng, Jiang Liqun's aura changed. He was relieved, as he had finally taken revenge!

After calming down, he did not forget Lin Wenjing's help. He strode to Lin Wenjing and kneeled before him without any hesitation. Then, he kowtowed solemnly and vowed, "Chairman Lin,

Chapter 610 Yao Sheng's Demise

thank you for giving me this opportunity to get my revenge. From now on, I will serve you. I will be your most loyal man, no matter alive or dead. I will never betray you for the rest of my life, or else, I will be punished by God, have no offspring, and suffer a horrible death!"
