

The Best Son in Law Chapter 361 - 370

Chapter 361

“Boss, sit this way!”

The sun was blazing, and Li Daniu smilingly pulled Haoden Ye to sit in the shade.

Lee’s sister-in-law was very sweet to send two nights of mung bean soup, both chilled.

Looking at the building that had been almost renovated, Haoden Ye felt a sense of pride in his heart.

This is also considered to be half of the commercial district, buildings, Haoden Ye this building some new, immediately have the feeling of a flock of chickens.

“Boss, we should celebrate when we’re done with this building, I’ll get a little firecracker from the countryside and we’ll set it off together!”

Li Daniu smiled heedlessly, he also felt like a leader after directing the workers here for the past few days.

To say that this countryside man was simple, but fine in his work, plus sister-in-law Li was also a careful person.

With her help, Li Daniu is able to do things more effectively.

“The city shouldn’t allow firecrackers in the city, so let’s just forget about it.”

Thinking of the regulations, Haoden Ye still shook his head, it would be bad if the building renovation ceremony attracted the police.

“Don’t worry boss, the kind of firecrackers in our village aren’t gunpowder, they’re air cannon battles!”

Li Daniu quickly waved his hand and smiled, “It’s just air compression and then bang!”

At this point, he was afraid that Haoden Ye didn’t understand and exaggeratedly opened his arms in an exploding gesture.

Haoden Ye looked amused and quickly endured it, nodding, “Just watch it, don’t attract the police.”

After saying that, Haoden Ye stood up and walked out with satisfaction.

“Right boss, how many guests will we have over then, tell me about it and I’ll arrange a banquet!”

Hehehe laughing, Li Da Niu Dao.

Haoden Ye was stunned to hear this, he wasn’t very clear on this aspect.

“Guests...”

Haoden Ye thought about it, if he was going to invite guests over, he would have to call everyone he knew.

But Wu and the others used to be close to themselves, because the Lin family is now out of contact.

If they are invited, they don’t look good if they don’t come.

But if they’re not invited over, they don’t look good.

“I’ll go back and talk to someone about it.”

At the door, Haoden Ye said goodbye to Li Daniu and his wife and left the building.

I came home, but there was no one in the house.

Haoden Ye was watching TV on the sofa, thinking about the guests.

A familiar face suddenly appeared on the TV, and it was Sun Qian.

Seeing an acquaintance on TV, Haoden Ye felt still excited.

If there’s someone next to him, he’s going to pull the other person out and say, “I know this actor, or I’m friends with him!”

On the TV, Sun Qian was holding a ring in her hand, her eyes filled with tears, “I don’t understand, it’s obvious that you like me too, why you just won’t admit it!”

The rival actor was a handsome man who was also sad at this point: “Wrong time to run into the right person, it’s not your fault, it’s mine!”

The expression, the tone, everything was perfect, and Haoden Ye had only watched this for a moment before he was immersed in it.

“Sun Qian is such a good actress... Right, should we invite her then!”

Haoden Ye was thinking about it when his phone rang.

Picking up the phone, it turned out to be Maya Shen’s phone.

Hastily pressing the answer key, I heard Maya Shen's anxious voice inside saying, "Haoden Ye, you have to come to the police station!"

Haoden Ye was shocked at the news and quickly said, "What happened, who was arrested!"

"I can't explain things, just get over here!"

Maya Shen looked like she was about to stop talking, as if she had something difficult to say.

After hanging up the phone, Haoden Ye hurriedly drove to the police station.

At the police station, he said Maya Shen's name, and a policeman took Haoden Ye inside.

At the door of a small room, before Haoden Ye entered, he heard a loud noise.

"Mei, don't you know how auntie treats you in general? Don't say that this matter has nothing to do with Haoden Ye, even if it's Haoden Ye's fault, can you talk to your aunt like that?"

"Hmph, you Haoden Ye offended people and got Xiao Ling involved, and you still say that you have nothing to do with Haoden Ye, our family has had eight lifetimes of bad luck to be relatives with you!"

Hearing the sound at the door, Haoden Ye's face darkened.

Pushing open the door, Haoden Ye walked in and saw Milda Hao's clothes in disarray, glaring at a Shen Mei in a huff.

Seeing Haoden Ye enter, Shen Mei immediately stood up and looked at Haoden Ye with an angry face, “Haoden Ye, you’re just in time!”

Haoden Ye noticed that there were not only these two people in the room, but also Shen Second Uncle Robert Shen was there, and both of them looked very gloomy.

Maya Shen sat in front of Milda Hao with red eyes.

As soon as he entered, a room full of people looked at Haoden Ye.

The room was noisy just now, but as soon as Haoden Ye came in, the room was quiet.

Stepping over to the Shen family, Haoden Ye’s mood was also very heavy.

“Haoden Ye, you’ve finally come!”

Just before reaching Milda Hao, Shen Mei immediately stood up.

“You jinx, it’s really bad luck for our Shen family to find you as a son-in-law! My big brother worked so hard to get to where he is now, and because you offended someone, he’s in jail!”

Eyes fell on Shen Mei, and Haoden Ye’s face showed a touch of hurt.

He looked over at Second Uncle Shen again, but he saw that his face was gloomy and he didn’t even look at him.

“Big sister, you only talk about Ling, what about Xiaoyu’s matter? If it wasn’t for Haoden Ye, Xiaoyu would still be locked up inside right now!”

When Maya Shen saw the look on Haoden Ye's face, she felt a pang of distress and immediately hit the road of injustice.

"Huh? I asked for your help, but I didn't say I'd have to go along with you! Haoden Ye is so capable, why isn't anything happening to your family!"

Shen Mei looked at Haoden Ye with a sour face and was vicious.

A touch of pain swept across Haoden Ye's face, and he sighed deeply.

"Dad, Uncle Two, can you tell me what's going on?"

Ignoring Shen Mei, Haoden Ye looked over to Robert Shen.

"Hey! The top management of Xiao Ling's company suddenly reviewed the accounts and found out that Xiao Ling had embezzled a sum of money from the company!"

Robert Shen's face was gloomy and his tone was low.

"Brother, what are you talking about, does Ling call that misappropriation? He's in charge of the company's books, but he's just keeping the money temporarily in his own account!"

Second Uncle Shen was not happy to hear it, and his tone was indignant.

"This is clearly someone deliberately trying to screw Ling!"

Second Uncle Shen intensified his tone and swept his gaze towards Haoden Ye.

After all, there was a company in his own hand, and Haoden Ye basically understood what the two people meant.

It's simple, like he's the majority shareholder of Shengwen International and needs to get money from the company, as well as an IOU.

Even if the company is his, his account and the company account are two different things.

To get money from a company account, you have to go through a series of tedious procedures.

That's why a lot of companies do fake accounting.

But Maya Shen has a proud personality, one size fits all, and public and private affairs are distinct, so she is not willing to make false accounts.

Chapter 362

But in today's society, who would go to such trouble?

There are times when you have to keep some money in your account to cover your needs.

And to go through the proper procedures, these money withdrawals are taxable.

And it's illegal to do this without the full paperwork.

Shen Ling is the company accounts supervisor, the company money in his hands, usually take out a little bit of their own use, hand generous make up is.

He hadn't expected someone to look into such a simple matter.

It's obvious that someone is pulling the strings on this, and I don't need to tell you who it is.

“Second Uncle, I know about this, don’t worry, Xiaoling will be fine!”

Haoden Ye lowered his head and spoke in a low tone.

“Xiao Ye, you helped Haoden last time, Uncle Er shouldn’t blame you, but can’t you be more careful about what you do outside, that Lin family is something you can offend?”

Second Uncle Shen’s tone had a strong resentment staying inside it, as if he felt that a glance at Haoden Ye was trouble.

“Second Brother, it’s not like you don’t know how Little Ye is!”

Robert Shen grunted with a gloomy face.

“Brother, you’re going a bit too far, isn’t it, Little Leaf is a good kid, and Ling deserves it?”

Second Uncle Shen’s face was even more ugly and unpleasant.

Bang! Robert Shen immediately stood up in anger and said, “Lao Er, what do you mean by that!”

“Uncle, what are you arguing with my dad about, after all, it’s Haoden Ye’s fault!”

Shen Mei also stood up and spoke to Robert Shen without respect in the slightest.

When Milda Hao heard this, she also got angry and glared at Shen Mei, “Xiao Mei, how do you talk to your second uncle!”

The two families looked at each other angrily, and saw that they were about to argue.

“Enough!”

A fury came out, and Haoden Ye took a deep breath and swept his gaze over the crowd.

The previous wasteful son-in-law of the Shen family, a loud cry at this time actually made all the Shen family members shut their mouths.

It's just that Second Uncle Shen, who is used to the world, is no longer noisy.

“I've already said that I'm responsible for Little Ling's matter, I'm Haoden Ye, Second Uncle, Big Sister, I know you two have anger in your hearts, but please be polite to my parents!”

Haoden Ye's gaze was overbearing, concealing the aura of a bold man.

When Shen Mei saw Haoden Ye's angry appearance, she didn't even dare to squeak, that is, Shen Second Uncle also revealed that the momentum was also much weaker.

“Mom and Dad you go home with Maya first, it's not like we don't have men in our house, and we can't let you worry if something happens!”

The words of Robert Shen and Milda Hao warmed their hearts.

Maya Shen's eyes were also flooded with bright light, and she nodded her head obediently.

“You're in charge? That's the Lin family, can you afford to mess with them?”

At this time, Shen Mei sneered.

“I told you I’d take care of this!”

Haoden Ye turned his head, his gaze burning to Shen Mei word for word.

The boldness emanating from his body actually made Shen Mei couldn’t help but reveal a fearful look.

“Well, I’ll see how you work this out!”

Snorting quietly, Shen Mei subconsciously avoided Haoden Ye’s gaze.

“Well, let’s all go, staying at the police station won’t help!”

Slowly standing up, Robert Shen spoke to Milda Hao and walked out.

As he walked, he walked with a straight face, not with anger, but with a kind of pride.

Second Uncle Shen’s family also looked at each other and got up to walk out.

Just outside the police station, a car listened down.

Above the car, Lin Feng slowly got off and walked over with a proud face.

“Haoden Ye! I never thought we’d meet here, it’s fate!”

There was a man standing beside him, facing the week, neatly dressed.

“Mr. Lin, Mr. Zhao, haha I’ve heard a lot about you!”

Haoden Ye didn't say anything, and when Second Uncle Shen saw the two people, he immediately welcomed them with a smile.

"Mr. Zhao, it's true that Xiao Ling has done something sloppy, but he's never been greedy for a bit of the company's money, you must investigate it properly!"

Second Uncle Shen's tone was somewhat pleading.

When the Shen family saw his face, they all looked very embarrassed.

With a careful glance at Lin Feng beside him, Zhao smiled bitterly, "Mr. Shen what kind of words are these, even though we are a small company, the accounts are very important ah, you can't force us to break the law knowingly!"

Second Uncle Shen's body shook slightly and his face went white.

If it were the past, wouldn't General Manager Zhao nod and bow to him?

Now that he had Lin Feng's backing, he was so arrogant.

Lin Feng glanced disdainfully at Haoden Ye and slightly straightened his rocker, acting like he was above the rest.

Second Uncle Shen quickly turned around and said to Lin Feng, "Mr. Lin, we're not at all clear about your feud with Haoden Ye, although we're related to Haoden Ye's family, we never moved around all these years, so we've long been rusty!"

"How do you talk, penis! That's not how you spoke when Haoden was in trouble!"

Robert Shen's face was red with anger.

"Brother, that's because Little Ling is not guilty, what does it have to do with Haoden Ye!"

Second Uncle Shen is also willing to do anything for his son.

He was the governor of a district, but in the eyes of the Lin family, it wasn't hard to deal with him.

Robert Shen listened, shivering with anger.

Seeing the Shen family's discord, Lin Feng had a smug smile on his face.

With a quick glance, he swept a quick glance at the car parked in front of the police station.

On top of the car, Zhao Chengyu's eyes looked at the situation inside with disdain, and a contemptuous smile appeared at the corner of his mouth.

He just used a little tactic himself to make the Shen family discordant, making him feel very enjoyable.

Naturally, Lin Feng could also use such a scheme.

But this was the Holander family's territory after all, and even if he had great skills, he wouldn't be able to use a single tactic with a single word from someone, Zyden.

However, with Zhao Chengyu, it was a simple matter.

Zhao Chengyu spent two hundred million dollars to work with Shen Ling's company, which is why he asked Zhao to help him.

With a twinkle in his eye, Zhao Chengyu glimpsed a person.

As a big star, Zhao Chengyu had seen many beautiful women, but when he saw this girl, he actually felt a heartbeat.

“I didn’t know there were such beauties outside of Kyoto!”

With a smile on his lips, it was as if Zhao Chengyu saw this girl lusting after him.

Eyes landed on Haoden Ye again, and Zhao Chengyu’s eyes narrowed.

“This girl is his wife, I suppose, and when I gain his confidence, I may as well give him a hat!”

Thinking of this, a desire to conquer arose in Zhao Chengyu’s heart.

Women, he could have with a wave of his hand, and this girl he didn’t think was an exception.

Seeing that the time was almost right, Zhao Chengyu tidied up his clothes and prepared to get off.

In fact, Zhao Chengyu, regardless of his image or status, is the ideal type of man for women in the workplace like Maya Shen.

However, Maya Shen was an intelligent woman, and she knew very well that rich people were only playing with their attitudes towards a woman of her background who could only be considered slightly higher.

Chapter 363

This was his second strategy to gain Haoden Ye's trust, which was to make Lin Feng look for trouble and go out to level things up himself.

With this section, even if he didn't want to, Haoden Ye accepted him as a favor.

Just after getting out of the car, Zhao Chengyu hadn't even taken a step when a car sped past him.

Zhao Chengyu burst into rage, the car passed too fast, splashing a puddle of water on the ground, directly on his body.

"Looking for death!"

Zhao Chengyu immediately wanted to get angry, but thought of the things to be done later, but held back.

"Memorize this license plate number for me!"

Turning her head, Zhao Chengyu was fierce to the driver.

At this time inside the police station, Lin Feng was holding his arms with a smug face and scowling at Haoden Ye, "Haoden Ye, you'd better tell your second uncle to get out of the way, I still have to go to the police station to do something!"

Second Uncle Shen listened, his face embarrassed.

Robert Shen was also red with anger, his fists clenched.

The rest of the Shen family lowered their heads and no one dared to meet Lin Feng's eyes.

As soon as the words were out of my mouth, a car drove up quickly and parked directly in front of the police station.

The car was parked at a very coincidental location, surprisingly right behind Lin, scaring Zhao and Lin Feng into jumping forward.

“Are you blind!”

Lin Feng became furious and glared at the car furiously.

The door opened and an old man got out of the car.

None of the people there knew the old man, but seeing Lin Feng’s angry face, the Shen family felt relieved.

Only Haoden Ye was slightly stunned, staring at the old man.

“Oh, I’m an old man, there’s no use in growing eyes, I’m so sorry about this little brother.”

The old man smiled, looking tense.

Soon, a middle-aged man came down on top of the car, bright-eyed and magnanimous.

Seeing that person, Maya Shen and Zhao both turned pale.

“Zheng!” Both men shouted out in surprise at the same time.

“This young man, my driver drove a little too fast, you don’t have to talk to my dad like that!”

The middle-aged man's eyes were filled with anger as he stared coldly at Lin Feng.

There was still someone who dared to talk to him like that, and Lin Feng's eyes flashed with a coldness.

"Hmph, a bad old man, I can talk all I want!"

Lin Feng looked arrogant and sneered, "Believe it or not I'll kill you with a word!"

"Oh, are young people so angry now?"

The old man smiled and looked at Lin Feng with a kind gaze.

"Kid, don't be too arrogant, there's still a minimum of courtesy in treating old people!"

The middle-aged man got angry and glared viciously at Lin Feng.

Once Lin Feng heard his words, he suddenly laughed.

"Dan City is so interesting, what kind of cats and dogs dare to talk to us Lin family like that!"

He thought the two men would be shocked at the mention of his forest family's name.

Unexpectedly, the middle-aged man's eyes narrowed at his words, and a fierce glint flashed in his eyes.

“Oh, so it’s the Lin family, the young people of the Lin family are getting more and more impatient nowadays, I remember when I followed Mr. Lin to fight for my life in the mall, the old man was young but steady!”

The old man smiled and sighed.

Hearing this, Lin Feng was dumbfounded.

Subconsciously, Lin Feng turned his head and looked at Zhao next to him.

Zhao’s face was all black at this point, and he spoke in a very low tone, “This is Zheng Lao of the Cathay Group...”

Upon hearing this name, Lin Feng’s face went completely white!

The establishment of the large Lin family was not built overnight, and when the Lin family built the business, a handful of capable people followed.

These people were not surnamed Lin, but their status in the Lin family was not low.

How could Lin Feng not have heard of Master Zheng’s affairs?

The Cathay Group, it was Zheng’s heart and soul, and he knew it.

With Lin Feng’s status in the Lin family, he couldn’t even see this old man.

“Zheng... Grandpa Zheng!”

Lin Feng’s body shivered and his face was pale.

“Gee, don’t be so polite, we’re all family, didn’t you just call me a terrible old man?”

Old Master Zheng smiled heatedly, not seeing any murderous intent on his face.

But then Zheng Tai was already looking sternly.

“Old man, it’s all a misunderstanding, a misunderstanding!”

Lin Feng heard him say that he was family and quickly showed a respectful look.

“Oh, you’re still a good boy! It must have been someone close by who brought it about!”

Master Zheng smiled benevolently and swept his gaze over Zhao, his face gloomy: “You’re from that company, it’s all because of the people you’ve brought down, Lao Er ah, check which company they are, but don’t let such people spoil a pot of good soup in Dan City!”

Hearing this, Zhao’s face went white.

Tian See was pitiful, he was just doing Lin Feng a favor.

“You’re CEO Zhao of Tianrui Group, right?”

Zheng Tai slowly walked up to Zhao and patted him on the shoulder.

Take a shot, and Zhao’s figure will be one share shorter.

“Oh, little friend Ye, what a fate today, I was just about to find you for tea!”

Zheng Lao had stopped paying attention to the crowd and walked over to Haoden Ye.

Hearing his words, everyone present turned pale.

Although Maya Shen worked closely with the Cathay Group, he had no idea about the relationship between the Lin family and Zheng Lao, so he had been very surprised since just now.

Robert Shen, Shen Second Uncle and the others saw Zheng Lao and Haoden Ye so close, their eyes straightened.

The person who could make Lin Feng afraid of becoming like this was actually so close to Haoden Ye.

“What a coincidence, old man!”

Seeing Master Zheng being so close to himself despite his relationship with Lin Feng, Haoden Ye’s heart swelled with warmth.

“What, do you have something to do here at the station, too?”

Old Master Zheng walked up to Haoden Ye with a smile on his face and said kindly, “I have a friend at the police station, come over to see if you need any help!”

Seeing that he had come to be able to help, Haoden Ye was delighted and quickly said, “One of my cousins is from Zhao head office, and because of a little accounting problem, he was arrested by the police!”

Saying that, Haoden Ye said the general idea.

Zheng Lao listened to the slight movement in his appearance and turned his gaze over to Zhao.

“It’s all a misunderstanding, it’s all a misunderstanding!It’s our company’s people who don’t manage the accounts strictly, and that’s why there’s a misunderstanding!”

Zhao was able to get into this position, so naturally he was a quick thinker, and he didn’t wait for Zheng to speak.

“Ah!So it was a misunderstanding, it seems that this Zhao is still very reasonable!”

Master Zheng listened and nodded with a smile.

A case of this magnitude, people Zheng Lao solved it with a single word, and the Shen family was surprised again.

In fact, this case was originally made by Zhao Chengyu who wanted to trap people.

Usually the big companies who are in charge of their books are the ones who are in charge of these issues.

In the past, Shen Ling was also Zhao’s henchman, but in order to attract Zhao Chengyu’s investment, he could only do this.

Moreover, if Zhao Chengyu was offended, a company like his with no backing would be finished sooner or later.

Chapter 364

“Oh, that’s good, little friend Ye, I have work to do so I won’t bother you, come to my place for tea sometime!”

Zheng Lao smiled, glanced at Lin Feng and stepped inside.

The entire time, Lin Feng kept his head down and his face was red and white.

Zheng Tai walked up to Lin Feng and sneered in a very low voice, “Mr. Lin, please pay attention to what you say in the future, my father is old, if you get angry with him, don’t blame me for not thinking of you as a Lin family member!”

After saying that, Zheng Tai stepped inside.

The two figures disappeared in the doorway, but the courtyard remained motionless.

Zhao panted, not even looking at Lin Feng, and hurried to Uncle Shen’s front with a heated smile, “District Chief Shen, tonight is no good, I’ll explain to the police tomorrow morning!”

The son is fine, Uncle Shen is also very happy, that is, he just did not mind not polite, quickly polite up.

After talking about his son, Second Uncle Shen turned to Haoden Ye and looked embarrassed.

“Little Ye, I’m really sorry for you today, Uncle Two was impulsive!”

Second Uncle Shen looked apologetic.

“Second Uncle, don’t talk like that, our two families aren’t that close, so why are we talking about this?”

Just now, Second Uncle Shen looked disgusted, and now so enthusiastic, Maya Shen can’t see it anymore.

“Well, Ya don’t talk to your second uncle like that either, we’re all family!”

Robert Shen glared at his daughter, turned to Haoden Ye and smiled, “Little Ye, your second uncle was impulsive just now, don’t mind!”

At this time, what else could Haoden Ye say?

He also saw through the so-called affection of Uncle Shen’s family.

However, Robert Shen’s face could not be denied, smiling and speaking stiffly, “Don’t be polite if you’re second uncle, we’re all family!”

It was a good laugh, but it was a good laugh again.

In front of the police station, Zhao Chengyu was dumbfounded when he saw what had happened.

“Lin family Zheng Lao, he’s even in Dan City!”

Zheng’s creation of Cathay is actually a reward from the Lin family in return for Zheng’s assistance, and Zheng himself doesn’t care about the company.

Not only did the Lin family know about it, but the Zhao family was also very clear about it.

They, the big families, were naturally very grateful to those who helped the family fight, and the Zhao Clan had made this arrangement for some of the group’s elders as well.

These people create these small companies that are small and grow to be a help to the family.

Although the company was Zheng Lao’s, he didn’t care about the company, so Zheng Lao’s whereabouts were unknown to Zhao Chengyu.

Moreover, Zheng Lao was a mysterious presence in the Lin Clan, where exactly he was, Zhao Chengyu knew even less.

All he knew was that just because Zheng wasn't a member of the Lin family, it didn't mean that he held less power in his hands.

Even Zhao Chengyu didn't dare to be too arrogant in front of Zheng Lao.

Glancing at Lin Feng, who was pale and standing dumbly, Zhao Chengyu's eyes flashed with a stern look.

Looks like it's time to drop the outcast....

Thinking of this, Zhao Chengyu's gaze was fierce.

"I can't believe he has Zheng's help, but it looks like we'll have to do it openly!"

At the car, Zhao Chengyu let the driver drive, the police station.

Back home, the people rested on their own.

In the evening, Haoden Ye hugged his wife and began to think about today's events.

In fact, he didn't expect that Zheng Lao was so high in the Lin family that even Lin Feng was afraid of him.

It seems like we should invite Zheng over for the opening ceremony the day after tomorrow.

With him there, the conflict between himself and the Lin family would be resolved, right?

Thinking of this, Haoden Ye was in a cheerful mood and said the opening.

“You’re expanding your pharmacy?”

Hearing that Haoden Ye’s new pharmacy was open, Maya Shen was also very happy, temporarily putting aside the haze brought about by today’s events.

“Well, the last time I asked you for money, it was to buy a building!”

Haoden Ye said, taking out a bank card, “There’s 40 million in here, if you remove the money you borrowed from Simen, there’s still 20 million left, you take it all!”

Taking the bank card from Haoden Ye’s hand, Maya Shen felt very strange.

How do I feel like a kept mistress when I take my own husband’s money!

“How about your pharmacy just merge into our company!”

The strong Maya Shen did not permit herself to be pressured by her husband, and was busy.

Your company belongs to my company, and you belong to me.

Haoden Ye was startled and looked at Maya Shen, hinting at what she was thinking, and didn’t find it funny.

“Okay, whatever the wife says is fine!”

In front of his wife, Haoden Ye was good enough to go as his kitten.

“Well, how about calling your pharmacy Haotian Pharmaceuticals, I can help out if you need to buy medicine from your pharmacy in the future!”

Couples who have been together for so long naturally know each other's thoughts.

Hubby is so sweet, Maya Shen feels very sweet too.

"Hao Tian Pharmaceutical..."

Haoden Ye smiled bitterly, although this pharmacy of his was a pharmaceutical store, it was all for the Spiritual Medicine Hall to sell, and he was limited in what he could sell.

Wanting such a building was just him wanting to ensure the safety of the Shibuya Ding.

"So when it opens, are all my friends sending out invitations!"

Because of the Lin family's matter, Haoden Ye didn't know whether he should send invitations to Mr. Wu and the others or not.

Maya Shen obviously guessed his meaning and nodded gently, "This is of course, hair is a love affair, whether they come or not is their business, we can't let others pick on them."

"Oops, right!"

Haoden Ye suddenly remembered something and slapped his head, "Tomorrow Lin Yumo is coming to Dan City for a concert, a friend gave me tickets, do you want to go see it?"

Maya Shen's eyes were sleepy at this point and closed in confusion, "I'm not going... Lin Yumo is also a member of the Lin family, right?... I don't think you should go either!"

She said, her breathing evened out.

Haoden Ye woke up early in the morning, ate a casual meal and went out.

The concert doesn't start until 7 p.m. and he has a lot of work to do today.

Go to the construction site and say the names of the guests, and ask Lee Dahniu to arrange the banquet.

But this matter was left to him alone, Haoden Ye still didn't feel at ease, after all, ordinary guests didn't matter, if a person like Zheng Lao came, an ordinary banquet wouldn't do.

Haoden Ye called Maya Shen again and asked him to come over and help with the arrangements.

After the preparation, Haoden Ye returned to the pharmacy.

"Master!"

Seeing Haoden Ye coming, Ma Rulai immediately welcomed him with a jolt.

"Is Master free today? Can you teach me some methods of using poison!"

As soon as he had a flattering smile at his age, Haoden Ye felt criminal in his heart.

"I'm free today, I can teach you some!"

Haoden Ye really didn't want to teach him, but couldn't push it.

There's no way to tie this man to himself and not come up with something.

Haoden Ye is also not the first day of the first mixed rivers and lakes, this point still understands.

However, Haoden Ye still needed to consider which poison refining method he was specifically taught.

Chapter 365

There are many kinds of poisons in the Poison Sutra, some of which don't even use poison.

What Ma Ruoxi learned was to not use poison, depending on the person's acupuncture points and the drug, so that the person could attack himself or herself.

Haoden Ye tried to find some offshoots, such as a poison that could be administered precisely from a hundred steps away, causing people to temporarily lose consciousness and act like children.

He had learned the Poison Sutra, which he himself found to be of average effectiveness, but to Ma Rulai's ears, it was incomparably subtle.

It's like a teenage adult making a toy for a child who understands the reasoning and finds it simple, but an unseen child sees it and finds it subtle.

"Awesome, awesome! Every use of poison is murder, I never thought your method of using poison could be so subtle, you can freely control the effect of poison from a hundred paces away!"

When it came down to it, the horse was literally dancing around.

Seeing his excitement, Haoden Ye started to regret again, should have known to teach him some simple ones.

When the two of them arrived at the dan room, Haoden Ye began to detail the method of using poison.

Ma Rulai was a very quick learner, and he had mastered the technique in only one morning.

“Master, I’ve almost learned the poison you’ve taught me, shall I show it to you!”

Ma Ruorai had learned this poison and looked very proud of it.

“Show it? I’m warning you, following me won’t allow you to harm just anyone!”

Haoden Ye immediately looked serious and solemn.

“Hehe, don’t worry Master, what I’m about to do is definitely not good for you!”

Ma Ruorai smiled, and after flicking his finger, a black object shot towards the door.

All I heard was an ouch as a figure fell off the doorframe!

And at this time, two more silhouettes pounced inside the room, heading straight for Ma Ru Ru.

“Looking for death!”

With a fierce gleam in his eyes, Ma Ruler threw something backhanded and met the two men in front of him, turning into a puff of smoke.

In an instant, the two men drowned in smoke, convulsed, and fell to the ground unconscious.

Haoden Ye was also stunned by the sudden change, and only after a closer look did he see the faces of the three men.

“Mi Rong, Mi delusional Mish!”

Haoden Ye shrieked and quickly said to Ma Rulai, “Don’t do anything to them, they’re my friends!”

The smoke Ma Rulai just released was desperate black, and once it hit, his life would be in Ma Rulai’s hands.

Upon hearing the words, the horse was slightly stunned, and the smoke returned to his hand as if it were alive.

The two men on the ground came to their senses and struggled to get up from the ground.

“Mi delusional Misch, what are you guys doing here!”

Haoden Ye glared at the two men in a bad mood.

The two men didn’t have time to answer, but first they went back to look at Myron.

At this time, Mi Rong’s mouth was crooked, his clothes were covered with drool, and he was rolling around on the ground like a child.

“Master, these three don’t seem like good people, they’ve been sneaking around the doorway for a long time, if I hadn’t dared to slack off when I was focused on learning poison, I would have taken them down long ago!”

After a glance at Haoden Ye, Ma Rulai still looked guarded.

“They...are my bodyguards!”

With a bitter smile, Haoden Ye helplessly said, “Quickly detoxify them!”

Ma Ruorai flinched, only then did he come back to his senses and quickly antidote Mi Rong’s poison.

Mi Rong came to his senses and immediately jumped up from the ground, pointing at Ma Rulai with an angry face, “Old Killing Cai, if you dare to take advantage of someone’s misfortune, let’s fight through again!”

Ma Rulai raised his head at the words and looked smug, “Hehehe, old man I’ve never used a single move to defeat an enemy, there’s no antidote, it’s a bit unfair for you to say that, isn’t it?”

He bites the word old man very heavily, meaning to tell Mi Rong that he is too old to want to fight him.

Mi Rong was still indignant, and Haoden Ye quickly said, “You guys stop it!”

After saying that, he looked at Mi Rong in confusion, “When did you guys follow me, how did I not know!”

“When Master came, they followed, and Master didn’t know?”

Ma Ru looked at Haoden Ye and looked a bit strange.

This kind of alertness, if he knew real kung fu, it would be a matter of minutes to deal with Haoden Ye.

Haoden Ye listened with an embarrassed face, are these three people following themselves these two days?

“Forget it, you’ll have to follow me from now on and stop hiding!”

He used to try to talk the three men out of following him, but now he’d given up.

Mi Rong was still angry at Ma Rulai, but he had to answer Haoden Ye’s words.

“We all listen to Mr. Ye!”

“Well, this house is full of poison, so get out of here!”

Waving his hand, Haoden Ye drove the three people out.

Seeing the three people leave the room, Haoden Ye smiled bitterly.

Thinking about how troublesome it would be to walk around with these three people by his side, Haoden Ye began to consider arranging something for them to do.

“Brother Ye, you’re really something, I think this old man is very powerful, and he still has to call you master!”

In the car, Miyu looked like he was smiling.

Haoden Ye arranged jobs for all three of them, all of them as drivers, and now Mi delusion was driving.

Rolling his eyes, Haoden Ye didn’t have the good grace to say, “You didn’t go to our house last night, did you!”

“Of course not, we’re just outside the courtyard, and by the way, when you went to the police station yesterday, we saw a man who we wanted to tell you about last night, but we were afraid we were wrong!”

Miyu said here, suddenly remembering something general.

“I had Mischus check it out today, and it really was that guy!”

“Who?” Haoden Ye was curious.

According to Miyu’s temper, he wouldn’t pay attention to the average person.

“Third young master of the Zhao family, Zhao Chengyu!”

Upon hearing that, Haoden Ye was slightly surprised and frowned, “Zhao Chengyu was also at the police station yesterday? Could it be that Master Zheng he invited them?”

“He’s not with an old man!” Haoden Ye was confused.

“No, when we saw him yesterday, he was with Lin Feng, the one who troubled you yesterday!”

Miyu replied quickly.

Haoden Ye’s face whooshed!

“You said Zhao Chengyu was with Lin Feng?”

“Good!” Mi Yu nodded and said, “When your family was in trouble yesterday, I guess this Zhao Chengyu was the one who started it.”

Haoden Ye listened, and the inside of his face eyes shone with sharp light.

Zhao Chengyu and Lin Feng are in cahoots, that is to say, it was Zhao Chengyu who was responsible for Lin Feng finding himself in trouble these two days?

So why would he help himself to trouble?

Last time at the auction, if it wasn't for him, he wouldn't have been able to get those herbs!

“Can you guys keep an eye on Zhao Chengyu for me!”

Haoden Ye looked at Miyu.

Nodding lightly, Miyu looked relaxed, “That's no problem, Mihosh will do!He's more clever!”

If it was arranged by himself, Haoden Ye wanted to let Miyu go by himself.

This guy is not bad at kung fu and is more than aware of what these rich dudes are thinking.

But Miyu knew his men best, and since he had an idea, Haoden Ye naturally wouldn't oppose it.

Chapter 366

The concert was at the downtown gym, the same place where Haoden Ye had last auctioned.

There were still four hours to go before the concert started, but by now the entrance was already crowded.

“Dude, you want a ticket?Two thousand and two, after this village, there's no such store!”

Haoden Ye's four men had just gotten out of the car when they were pulled over by two scalawags.

“No, I have a ticket!”

Haoden Ye even smiled politely.

“Dude, I think you’re a real person, you must want to stand in line for your own ticket!”

The ox doesn’t give up yet, with an affectionate hehehe smile, “This is a ticket for Lin Yumo’s concert, and the tickets were all sold out yesterday afternoon!”

Saying that, he was afraid that Haoden Ye wouldn’t believe him and pointed to the ticket window in the distance, “Look, the ticket window is closed!”

“I really have a ticket!”

Haoden Ye pulled out his ticket and showed it to the scalper.

Upon seeing Haoden Ye’s ticket, the scalper’s eyes glowed.

“VIP! Dude, where did you get the tickets!”

The yellow bull looked at Haoden Ye with two glowing eyes.

You know, tickets for the Lin Yumo concert are very much in demand.

Even if you have connections, you can only get a ticket for a general seating area.

VIP tickets are almost impossible to get!

“I’ll give you twenty thousand, and this ticket is transferred to me!”

Huang Niu pulled Haoden Ye by the hand, looking like he wouldn't leave until he sold it to him.

Haoden Ye was also very surprised to hear the price, it was only a concert, but the tickets cost 20,000.

"It's surprisingly VIP, brother how much are you selling this ticket for, is 50,000 enough!"

At this time, others also noticed this side of the situation.

"What! VIP!! I'll pay sixty thousand!"

Hearing that the price had tripled, Haoden Ye was directly stunned.

"It's just a concert, right? Sixty thousand dollars for a VIP, you guys are crazy!"

Haoden Ye was a bit confused, 60,000 yuan was almost enough to buy a small car.

"You know nothing, that's our goddess, are you going to buy it or not, you think I'm low bidder? Seventy thousand!"

"I was here first, my friend, and I'm buying this ticket for me!"

The scalper wasn't happy about it and pushed past the people crowding over to buy tickets.

Looking at the ticket in his hand, Haoden Ye really wanted to sell it.

On second thought, it was given to her by cheerful Lin, so maybe she was there too.

“Forget it, it’s from my friend, it can’t be sold!”

Haoden Ye shook his head at the ox.

“What do you mean, brother, you said you’d sell it to me!”

Once Huang Niu heard that Haoden Ye was not for sale, he was so anxious that he started to play the rascal and pulled Haoden Ye’s hand to prevent him from leaving.

“Boy, you’re looking for death, aren’t you?”

Before he opened his mouth, Miyu behind him had already pushed the ox away.

Mischief and Mi delusion also walked over to where the three of them were headed, literally three mountains!

“What? You want to hit someone, right? For the goddess, I’ll fight!”

There were three people who were not afraid to run through them.

With a sneer, Miyu gripped the man’s wrist and applied a little more pressure to his hand.

The man’s wrist was dislocated with a click.

“Hit the man!” The man screamed, but the people around him didn’t want to help, and they all looked at Haoden Ye and the others in fear.

“Miyu, don’t embarrass him, let’s go!”

Seeing that things were about to get worse, Haoden Ye didn't dare to stay long.

The four of them headed to the entrance of the concert, and when they reached the door, Haoden Ye saw that Mi Yu and the others were still following and quickly said, "You three can stand at the door if you don't have tickets."

"Boss, that's no good, there's a lot of people in there!"

Mi Yu was busy shaking his head as he whirled around and lowered his voice, "Don't worry boss, we can blend in at this small scene!"

Rolling his eyes, Haoden Ye didn't look good and said, "This is illegal, I told you guys following me can't be illegal."

All three of them had a bitter color on their faces when they heard it.

Miyu whispered, "It's only illegal if we get caught, and they can't catch us!"

"Okay, you three get busy, I'll go in first!"

Without waiting for the two people to react, Haoden Ye got into the concert.

The concert hadn't started yet, just some small acts on stage trying to make a little fame.

Haoden Ye saw from afar that there were already a few people sitting in the VIP row, and they were all relatively famous people in the show business.

He didn't go straight over there, partly because he had nothing to say to these people and partly because he didn't want to be the center of attention.

Seeing many people walking around in the middle of the stadium venue, Haoden Ye also joined the crowd.

Most of the people here were young men and women, handsome men and women in groups, and Haoden Ye was especially inconspicuous among them.

Suddenly, there was a ruckus from the stadium.

Thinking that it was Lin Yumo coming, Haoden Ye turned his head to look over.

But a handsome figure walked in at the entrance of the concert.

Almost at the same time the man came in, everyone looked over.

CHO Seung-ok!

Knowing that this person wasn't simple, Haoden Ye naturally wouldn't take the initiative to go over.

However, once Zhao Chengyu came, people naturally flocked to him.

Haoden Ye this didn't want to go over, inevitably it would seem out of place.

"Makoto, I love you!"

The girls cheered incessantly, and many of the boys cheered as well.

Finally squeezing through the crowded crowd, Haoden Ye breathed a sigh of relief.

Turning around, Haoden Ye quietly looked at the distant Zhang Chengyu.

“Get out of the way!”

Preparing to find a quiet place to sit, I didn't want to fail to find Zhao Chengyu's fans in time to block Haoden Ye's path.

The man brutally pushed Haoden Ye away and ran towards Zhao Chengyu.

“As for that!”

Shrugging his shoulders, Haoden Ye arrived not angry and looked away as Zhao Chengyu shook his head and sighed.

People are so starstruck these days!

As he looked that way, he unexpectedly touched someone's gaze, it was Zhao Chengyu.

As soon as Zhao Chengyu entered, his eyes darted around the stadium.

Ignoring the crazed fans, Zhao Chengyu walked over surrounded by a few black-clad bodyguards.

Everyone there revealed a puzzled look when they saw him walking over to Haoden Ye.

“Dr. Yeh!”

Zhao Chengyu was smiling and full of idolatry.

“Oh my God, who is that guy who knows the idol!”

The crowd began to talk.

Facing Zhao Chengyu, Haoden Ye's heart was very deeply mindful again.

Not only because he and Lin Feng had counted themselves out, but also because the man was just too good at acting.

He had always thought that Zhao Chengyu was a good person, and if he hadn't seen the purple and black Qi, Haoden Ye would have had to trust Zhao Chengyu.

"Mr. Choo!"

Haoden Ye also greeted politely with a very stiff tone.

"What the hell, the idol greeted him, and he was so loving!"

"This man has a mine at home, so crazy!"

The fans were starting to get upset that Haoden Ye had such a cold attitude.

"Don't get me wrong, Dr. Ye is a very powerful doctor in our city of Dan!"

When Zhao Chengyu heard the fans talking about Haoden Ye, he immediately showed a look of injustice.

"I have a lot of fans, but I'm just an actor, and my job is so small compared to Dr. Yap's!"

Zhao Chengyu said very emotional, listening to the fans present were moved.

"Makoto really didn't disappoint me, he's such a great guy!"

"Makoto, I love you to death!"

Hearing these words, Haoden Ye felt funny again.

Can't a doctor save a life faster than an actor's words?

Chapter 367

Thinking of this, Haoden Ye grew more and more disgusted with Zhao Chengyu's face.

"Mr. Zhao, didn't Lin Feng come with you? I heard that you and Lin Feng have a good relationship!"

Haoden Ye didn't want to be vain with him and directly point out his relationship with Lin Feng.

Zhao Chengyu's eyes shone sharply!

Although he had decided to go against Haoden Ye openly, he didn't expect Haoden Ye to know about his relationship with Lin Feng.

"Dr. Ye is very well informed!"

As soon as a cold smile flashed across the corners of his mouth, Zhao Chengyu whirled around and replaced it with a friendly smile, "I've always had good relations with the Lin family!"

At this point, his face showed a bit of smugness, "He is even more of a childhood friend with Miss Lin Yumo! Maybe the relationship will be even closer in the future!"

Fans became excited when they heard this.

It was no secret among the fans that Zhao Chengyu liked Lin Yumo.

In their view, Lin Yumo was naturally beautiful and her family's status was very high, and she was already an unattainable goddess for everyone.

I'm afraid that only Zhao Chengyu can match Lin Yumo.

These two are like a golden couple. Women, it's a match made in heaven.

"Together, together!"

The fans went wild!

Zhao Chengyu was even more proud of himself, but made an embarrassed look to his fans, "Thank you all for your blessings!"

"I don't know what that Lin Yumo thinks, but marrying this kind of man shouldn't make you happy!"

Haoden Ye shook his head in his heart and said to Zhao Chengyu, "I don't care what relationship Mr. Zhao has with Lin Yumo, if there's nothing else, I still have to watch the concert."

Zhao Chengyu said these words that were supposed to irritate Haoden Ye and make him angry.

I didn't expect Haoden Ye to hear that it was nothing at all.

Instead, he's still like an outsider.

"I can't believe this kid has such a deep heart!"

Zhao Chengyu's heart floated with a shade of shade, but his face was embarrassed, "I got carried away at the mention of Yu Mo!"

Saying that, he shook his head and sighed, "I grew up with Yu Mo, our relationship is too deep, but some people are always delusional, wanting to climb to the top and soar from there, destroying our relationship, you can't say it's too much!"

Even if Haoden Ye was good-tempered, he should be angry to hear someone so sarcastic.

However, Haoden Ye was still confused.

He didn't even know why Zhao Chengyu was telling himself this.

Instead, the fans were so angry that some of them looked angry and said, "Who is so shameless and bad!"

"It's simply not human, we can't let such people desecrate the goddess!"

"Not even looking at your own catty, how dare you steal a woman from Cheng Yu!"

The crowd is chattering away!

Even if you're a good-tempered person, you should be angry to hear someone else talk about themselves like that.

Zhao Chengyu laughed coldly in his heart and looked over at Haoden Ye.

But Haoden Ye's face was calm, his eyes only sighing at these fans.

"This man's heart is so deep!"

Zhao Chengyu finally turned pale, the crowd had been so vocal, and Haoden Ye was unmoved!

As the one who launched the attack, Zhao Chengyu instead had anger in his heart.

“Hey, let’s not talk about it, some people are just black-hearted plus thick-skinned!”

Zhao Chengyu sighed and looked directly at Haoden Ye, suggesting to the fans that Haoden Ye was the one.

Seeing him looking at himself, Haoden Ye frowned.

Zhao Chengyu drew the fuse to his mind and was mistaken by him for Zhao Chengyu’s eyes being defective.

“Mr. Zhao, are your eyes okay?”

Haoden Ye was concerned, after all, a doctor’s heart is in the right place!

Zhao Chengyu thought he was ridiculing himself and was furious.

And he couldn’t specify the relationship between Haoden Ye and Lin Yu Mo, making him even more fussy.

Suddenly, he saw the VIP ticket in Haoden Ye’s hand, and his eyes finally couldn’t contain the anger shooting out.

“Doctor Ye actually has a VIP ticket in his hand, it looks like you have a good relationship with Miss Lin Yumo!”

Zhao Chengyu laughed coldly in his heart, but his face was surprised, “I’m so close to Yu Mo, how come I didn’t know that she gave someone else a ticket to the VIP spot?”

At this time, others also saw the ticket in Haoden Ye's hand and changed color.

Taking a look at the ticket in his hand, Haoden Ye shrugged his shoulders and said indifferently, "It was given to me by a friend, I helped him cure his illness!"

"Hmph, everyone knows that all the tickets for the Rain Mo VIP are personally designated by her, and money may not be able to buy them!"

Zhao Chengyu's face immediately showed anger and pointed at Haoden Ye, "Quickly say, where did you get this ticket from!"

"Yeah, a little doctor, why would Rainmaker give him a VIP ticket!"

"This ticket must have come from the wrong source, we can't allow this kind of person to attend the concert of Rain Mo!"

One by one, the fans also showed their anger.

It's not really their fault, everyone knows that VIP tickets to Lin Yumo's concert aren't something that money can buy.

Unless they have a very high status in show business or some special contribution to society.

Haoden Ye is a doctor they've never even heard of, so what's the big contribution?

Why does he have VIP tickets!

Seeing that the fans' fires were lit, a smirk appeared on Zhao Chengyu's lips.

“Dr. Ye, although you’re an excellent doctor, I don’t believe that you can get Rainmere to give you a ticket by virtue of treating the disease!”

Zhao Chengyu said, revealing a look of sorrow, “I understand that you like Yu Mo, but you can’t get tickets in this way, do you know how many fans are lining up a day in advance?”

Hearing Zhao Chengyu’s words, the fans’ emotions burned even brighter.

How could Haoden Ye not see such an obvious conspiracy.

A disgust arose in his heart, and Haoden Ye looked unhappy, “This ticket was given to me by a friend, since he has a ticket, he is naturally on good terms with Miss Lin Yumo!”

“Friends?” Zhao Chengyu snorted, “I also Yu Mo is so close, why didn’t she give me a ticket?”

“Yeah, Cheng Yu and Miss Yu Mo are still childhood sweethearts!”

“With the relationship between the Lin family and the Zhao family, Chengyu should have a ticket too!”

Fans immediately shouted and the situation was getting out of hand.

It was at this time that a voice suddenly sounded.

“Which one of you is Dr. Lin, please!”

The crowd’s attention was drawn to the past, and they turned their heads to look over.

But then I saw a small, pretty-looking girl standing tall.

This girl is obviously not the slim and sexy type of the popular aesthetic, but if you say she's not pretty, I'm sure someone is going to question your aesthetic.

That pretty face that can sweeten someone's heart with a smile is absolutely enchanting.

"She's Lin Yumo's assistant, Ju Xiaohuai!" Someone in the crowd whispered.

Haoden Ye's gaze swept over the beautiful woman, only feeling that the more he looked at her, the more familiar she looked.

"I am Haoden Ye! What do you want with me?"

Haoden Ye hurriedly stepped forward and addressed the beauty.

The beautiful woman's big, dark, beautiful eyes swept over him and puffed out a smile, "Hehehe, my Yu Mo is looking for you for something, come with me for a moment!"

Chapter 368

A simple smile and a sudden feeling of body crispness.

It was as sweet as honey on the inside.

And then, Haoden Ye also recognized this beauty.

Isn't this the one that makes his own suits?

Ju Xiaohuai turned to the backstage after saying that, and Haoden Ye also followed.

The entire time, Ju Xiaohuai didn't even pay attention to Zhao Chengyu!

Just now, Zhao Chengyu also said that he was familiar with Lin Yumo, and now his face was embarrassed.

“This person and Lin Yumo even know each other!”

“It looks like it’s still familiar!”

The fans’ excitement calmed down and one by one you looked at me and I looked at you.

Haoden Ye, of course, didn’t know the fans’ reactions and he followed Ju Xiaohuai backstage.

The concert hasn’t even started yet and the place is already getting busy.

“I can’t believe how enthusiastic the fans in Dan are, we almost didn’t come in just now!”

Just after arriving at the backstage corridor, Haoden Ye heard a pleasant sound.

The sound came to the ears and energized the mind for a while, as if even speaking to the other side carried a singing accent.

“It’s not that Miss Lin is too popular, there used to be people from the entertainment industry who came over to perform, never this kind of scene!”

This voice was not unfamiliar to Haoden Ye, it was actually Zheng Tai’s voice.

The two voices were from far and near, and after Zheng Tai finished speaking, Haoden Ye had already crossed the corner.

“Zheng!”

Seeing Zheng Tai, Haoden Ye was also very surprised.

Rotatingly, he thought of the close relationship between the Zheng family and the Lin family, and it was impossible for Zheng Tai not to show up when Lin Yumo came to Dan City.

“Oh, Brother Ye!”

Zheng Tai was very enthusiastic and looked over with a smile.

Haoden Ye nodded politely and subconsciously turned his gaze, landing on the person next to Zheng Tai.

With just a glance, Haoden Ye’s face changed.

“Tench Girl!”

The girl in front of him he hadn’t seen, but for some reason, the first time he saw her, Haoden Ye thought of the snail girl.

That gorgeous face, and the unique ethereal air that radiated from it.

The girl’s pair of round, bright eyes were also looking at Haoden Ye, and her gaze this penetrated a different kind of light.

“Miss Lin, you’ve got the man you asked for!”

Ju Xiaohuai laughed and ran up to Zheng Tai, “Mr. Zheng, our Yu Mo wants to ask Dr. Ye to examine his body, so don’t disturb him!”

“Dead girl, why are you being polite to your uncle!”

Mr. Zheng patted Ju Xiaohuai's head, smiled and nodded to Haoden Ye, and the two of them went.

"Miss Lin!"

Haoden Ye's gaze was curious as he looked at Lin Yumo, close to this big star, he didn't even feel the slightest bit nervous.

A different fan, even a black fan, would probably be thrilled right now.

On the contrary, at this time, Lin Yumo was rather nervous, her pretty face slightly red.

"Hello, old...Dr. Yeh!"

Extending his hand, Lin Yu Mo made a handshake.

Haoden Ye's heart stirred, this was the hand of a goddess!

He hurriedly reached out and held Lin Yumo's small hand.

In an instant, Haoden Ye had an increasingly familiar feeling in his heart.

"Tench Girl!"

This familiar feeling was so strong that Haoden Ye couldn't even help but lose his voice and shout out.

"A snail girl?"

Lin Yumo was also stunned, and then he saw her pretty face turn a little darker.

“Dr. Yap seems to recall someone!”

Suppressing the discomfort in his heart, Lin Yu Mo whispered.

“Ah!” Haoden Ye also realized that he had lost his temper and quickly explained, “Miss Lin don’t misunderstand, I suddenly remembered a friend!”

“Oh?” Lin Yumo’s eyes flashed with surprise and couldn’t wait to say, “Who do you remember? It must be important to you!”

“Well! She saved my life, and we also...ahem, but I don’t know her name!”

Haoden Ye wanted to say that this girl had even kissed him, but thinking that she was a big star, it was useless to talk to her about it, so he didn’t dare to mention it.

In an instant, Lin Yumo’s face darkened once again.

And this time, even Haoden Ye, who was black, realized that something was wrong.

“Miss Lin, what’s wrong with you?” Haoden Ye asked with a puzzled face.

“What’s wrong with me? I’m angry! I’ve been with you for over a month, and the only thing you remember is your snail girl!”

Even though the Tianluo girl was also herself, but Lin Yu Mo felt very unhappy!

In her eyes, although Lin Xiang was not pretty enough and had a bad temper, she was the girl Haoden Ye had really cared about.

This, of course, Lin Yu Mo would not say.

“It’s nothing, I haven’t been feeling well lately and I’d like Mr. Ye to check me out!”

Secretly gritting her teeth, Lin Yu Mo spoke as calmly as possible.

Nodding lightly, Haoden Ye followed Lin Yumo to the dressing room.

The seemingly ordinary room seemed to brighten up a lot with a beautiful woman in it.

However, being alone in a room with this girl, Haoden Ye felt a little odd in his heart.

The moment he closed the door, Lin Yumo also removed all disguises.

Turning around, Lin Yumo smiled sweetly and said, “Sit down!”

Previously forced to put on a stinky face, she was now closer to her true self.

The two men sat down and Lin Yu Mo extended his hand.

The snowy white arms were as white as lotus roots.

Haoden Ye stared at one arm, unable to look away for a moment.

“Dr. Lam?”

Seeing Haoden Ye’s dazed appearance, Lin Yu Mo was very happy, but her tone was very calm.

“Ah!” Haoden Ye came back to his senses and quickly reached out to test the girl’s pulse.

Lin Yumo's heartbeat quickened and one hand clenched.

But it was Haoden Ye who just tested the waters, that is, his face changed, and he couldn't help but cry out in shock, "Ah!"

Lin Yumo's pretty face was slightly flushed and her fists clenched, "What's wrong, Doctor Ye?"

Her voice started to tremble, and at this point, no matter how stupid Haoden Ye was, he could still guess that she was Lin Xiang.

Because he has a strange disease, just like cheerful Lin.

"Miss Lin, has your body been poisoned before!"

Haoden Ye was filled with surprise.

"Medium...poisoned?Don't you see anything else wrong?"

A deep disappointment flashed in Lin Yu Mo's eyes.

"Miss Lin's qi pulse is stagnant and abnormally weak, it should be caused by recent poisoning, and..."

Haoden Ye carefully diagnosed Lin Yumo's condition, "There's another symptom Miss Lin has, similar to a very rare disease, I should be the one who diagnosed it wrong!"

He was surprised to find out that Lin Yu Mo had had the same disease as Lin cheng, but he didn't want to tell her.

He didn't know if this Lin's big and small family wanted people to know that he had this disease or not, but he was already well anyway, so he didn't need to make it clear!

Other people's big families were matters that little people like him didn't care about.

In fact, he got along with Lin cheerfully, which was good for both of them.

This Haoden Ye is still quite experienced, when he was in the Shen family, the entire Shen family looked down on him, Haoden Ye could only be cautious.

Chapter 369

Of course, as to whether or not this strange illness had anything to do with Lin cheer, Haoden Ye's thoughts were simple.

That's why Lin Yu-mo's illness is similar to his.

Because in his heart, Lin Xiang is a strong little girl who looks frosty on the outside but is strong in her bones.

And the girl in front of her, a thousand favorites in one, is there any need for her to be strong?

"You see this disease in me and you don't think of anything else?"

Lin Yu Mo also made a last-ditch effort to make Haoden Ye himself see who she was.

However, Haoden Ye never thought much about it, but said, "This disease is very rare, but Miss Lin has recovered, so there's no need to worry, and as for the poison you got, I'm curious!"

Haoden Ye said, his gaze sharpening, "Is Miss Lin's first time in Dan City?"

From his eyes, Lin Yu Mo certainly saw that he suspected that he was the snail girl.

Heart flooded with deep disappointment, Lin Yu Mo really wanted to tell Haoden Ye himself about his identity.

"Hey, let him know who I am!"

Sighing in her heart, Lin Yumo said with a shallow smile, "Not for the first time, I've actually been in Dan City the whole time, and I even saved a half-dead man at a pharmacy!"

"Ah!" Haoden Ye almost jumped out of his chair in shock at the sound of it.

"You...you...you really are a snail girl...ah...no. save my people!"

The girl in front of him was really the girl who had saved him that day, how could Haoden Ye's heart not be surprised?

Who would have thought that Lin Yumo, who was loved by thousands of people, would appear in his humble little pharmacy.

Plus, he saved his own life.

"Miss Lin, the person who saved me that day was you!"

Haoden Ye's face was slightly red, remembering the kiss that day, and his eyes subconsciously looked at Lin Yu Mo's lips.

I can't believe I've kissed this goddess of a thousand loves in one!

If word gets out, I don't know if I'll be killed.

However, it was a man who thought of such things and couldn't help but still feel proud.

Maybe it's a man's vanity!

Seeing the smugness in Haoden Ye's eyes that couldn't be concealed, the haze in Lin Yumo's heart gradually dissolved.

"See what makes you happy, and you've seen my..."

Thinking about how Haoden Ye had healed himself, Lin Yumo's pretty face heated up.

After living for over twenty years, this is the first time a man has seen his body naked.

"You haven't thanked me yet!"

Lin Yumo smiled shallowly at Haoden Ye.

"Thank you, Miss Lin!"

Haoden Ye came back to his senses and couldn't help but rush to be ashamed of his thoughts.

But soon he thought of another question and frowned, "By the way, why is Miss Lin in my store?"

"You're not a stupid person either, so why didn't you think of my identity?"

Once Lin Yu Mo heard Haoden Ye ask, his heart came back to anger.

“I’m going to see my friend!”

Lin Yumo was so smart that he didn’t need to think carefully to figure out how to deal with Haoden Ye.

“Friend!” Haoden Ye suddenly came to a realization and said in surprise, “Miss Lin is Xiao cheng’s friend!”

They were both members of the Lin family and it wasn’t surprising that they would become friends.

“Yes! We’re still very good friends, so good that she can’t leave me and I can’t leave her!”

Wrinkling his nose, Lin Yu Mo was very depressed.

That explains why you have tickets to the concert.

It must be that Lin Xiang wanted to thank her but didn’t know how to express it.

That silly girl!

Haoden Ye sighed in his heart and smiled at Lin Yu Mo, “So it’s little cheerful’s friend, where did she go? The departure was so sudden, I didn’t even ask!”

Haoden Ye didn’t even dare to ask about Lin Xiang’s comings and goings.

Her master and her identity were too mysterious for Haoden Ye to want to inquire.

“She’s dead!”

When Lin Yu Mo saw how much Haoden Ye cared about Lin Yao, his heart was odd.

Whether it's a snail girl or a cheerleader, she's an aunt!

Haoden Ye stood up from his chair at the sound of it, his face paling slightly, "What! She's dead. How did she die! Is there something wrong with my medication?"

Seeing Haoden Ye's nervous appearance, Lin Yumo was also shocked and quickly laughed, "Just kidding with you, she's fine!"

Haoden Ye was relieved and his face was grim.

"Miss Lin, how can you joke like that, little cheerleader is your friend and I want you to respect her!"

This sentence caused Lin Yu Mo's heart to thrill.

And Haoden Ye is defending "Lin Yao" by talking to her like that!

It seems that he is actually very important to him, as far as not being able to see who he is, hinting at his intellectual problems.

"Sorry!"

Lin Yu Mo also stood up and bowed politely to Haoden Ye, "I'm really sorry, I'm too close to little cheerfulness, so I like that she's joking."

Seeing Lin Yumo's performance, Haoden Ye was finally relieved.

I have to admire the fact that the girl is very kind despite her unusual background and the fact that she is already famous.

Thinking about how I just behaved, I did go a little overboard.

Since people have already bowed, bow yourself.

Haoden Ye bent down and bowed as well, "I'm also wrong, I shouldn't talk to you like that!"

"It was mine first that was wrong!"

Lin Yu Mo saw him bow and wondered.

But Haoden Ye had bowed, and he was embarrassed if he didn't, so he quickly bowed again.

"It's my tone of voice that's bad!"

As soon as Haoden Ye saw that Miss Lin was so polite to herself, it would be impolite for her not to bow, so she followed suit.

"You two are worshipping heaven and earth!"

The two men were apologizing when a shadow walked in.

With a lollipop in her mouth, half of her pretty face all puffed up, a smiling figure, and two proud bulges on her chest, it was Ju Xiaohuai.

Hearing this, both Haoden Ye and Lin Yumo's faces were red.

For this big star, Haoden Ye had a new perspective today.

She wasn't an unsavoury person and was very kind and not in the least bit pretentious.

“Miss Lin, you’re almost well enough now, just pay attention to your diet!!’ll give you another prescription, just take your medicine on time!”

After Haoden Ye finished speaking, he quickly took a pen and wrote a prescription for Lin Yumo.

Lin Yumo received it with a smile, which allowed Ju Xiaohuai to go out from Haoden Ye.

As she walked out of the dressing room, Ju Xiaohuai kept staring at Haoden Ye with strange eyes.

Those big bright eyes, which were all innocent at a glance, now made Haoden Ye’s heart furious.

“Is this something on my face?”

Haoden Ye subconsciously touched his cheeks, but found nothing.

“Miss Kook, I’m off to the concert, you’re busy!”

At the backstage door, Haoden Ye was polite.

“Well!” Ju Xiaohuai nodded, but didn’t have the slightest intention of turning around and going in, his gaze still sweeping up and down at Haoden Ye.

Those big, dark eyes were charming and agile, but Haoden Ye was uncomfortable being stared at by her like that.

Chapter 370

“Miss Kook, is there anything else?”

Haoden Ye was really uncomfortable by her look and was confused.

“Ah!Nothing!”

Ju Xiaohuai came back to her senses and smiled sweetly, “Dr. Ye will also check someone’s body sometime!”

Haoden Ye listened with amusement, how did this girl saying such words make people feel a little evil?

“A body check?”

Haoden Ye’s gaze swept over her petite and sexy body and his heart fluttered.

Hurrying to collect his mind, Haoden Ye withdrew his gaze.

“I’ll go first!”Haoden Ye turned around and left.

Watching Haoden Ye’s back as he left, Ju Xiaohuai’s eyes narrowed.

“The figure is also passable, and the looks are moderate, but it’s not very good anyway, what the hell is wrong with Yu Mo’s head, why can’t he stop thinking about him?”

Shaking his head, Ju Xiaohuai revealed a sad look.

“Hey, this girl, she’s a real worry to me!”

Entering the concert venue again, Haoden Ye felt countless different gazes.

Everyone’s looking at him like he’s a monster!

And amidst these gazes, Haoden Ye noticed a cold glow.

CHO Seung-ok!

The face of Zhao Chengyu from afar did not have the cheerfulness and liveliness of his idol in the slightest, but was instead full of viciousness.

Realizing that he was looking over at her, Zhao Chengyu's face instantly turned into a cheerful smile.

“Hey?The Yu Mo he’s talking about can’t really be Lin Yu Mo, can it!”

Thinking of his conversation with Zhao Chengyu, Haoden Ye frowned.

It was no coincidence that Lin Yu-mo was at the pharmacy that day; she must have been visiting Xiao cheng often.

In other words, Zhao Chengyu most likely had knowledge of Lin Yumo's whereabouts, so he mistakenly thought that Lin Yumo had come to meet him.

“A misunderstanding!A huge misunderstanding!”

Thinking that he had become Zhao Chengyu's imaginary enemy, Haoden Ye had a headache.

“Yeh, looks like you're in a bad mood!”

Haoden Ye was sad, and Zheng Tai came over with a smile.

“Zheng!”Haoden Ye hurriedly greeted.

“Don't always be Mr. Zheng, just call me Uncle Zheng!”

Zheng Tai's attitude at this point was not rattling Haoden Ye in the slightest when they first met.

Naturally, Haoden Ye wasn't someone who didn't know any better, and called out very politely, "Uncle Zheng!"

Now, he was the one who could pull one as a friend for a bit, and it didn't hurt anyway.

"Oh, I don't know what relationship Dr. Ye has with Miss Lin, it looks like you guys know each other!"

Zheng Tai said, sweeping a glance backstage.

Most of what Zheng Tai knew, Zheng Lao knew, Zheng Tai did not.

The bigger the family, the more secrets need to be buried.

Zheng is guarding Lin, so he can't tell anyone about this secret.

Even though the son knew that the villa where the old man lived was actually owned by the Lin family.

"Miss Lin and a good friend of mine are friends!" Haoden Ye quickly explained.

Zheng Tai's eyes glowed, but he saw Haoden Ye glance at Zhao Chengyu from time to time and subconsciously glance there as well.

"Dude!"

A disdainful smile flashed across his lips and Zheng Tai snorted.

Hearing this, Haoden Ye was somewhat surprised.

Zhao Chengyu was one of the heirs of the Zhao family, and Zheng Tai had no qualms about making such a comment about him.

“Little Ye, you don’t have to worry about this person, the Zhao family’s power is mainly concentrated in the southwest, and he can’t interfere in our Dan City!”

With a cold snort, Zheng Tai wasn’t worried about Zhao Chengyu in the slightest.

The Zhao Group mainly operated mining and transnational trade, with its power concentrated in the coastal and southwestern areas, which Haoden Ye had heard of somewhat.

“Uncle Zheng misunderstood, I’m not afraid of him!”

With a slight smile, Haoden Ye shook his head.

He’s really not afraid of Zhao Chengyu!

After learning the Poison Sutra, it was easy for Haoden Ye to deal with Zheng Tai.

Besides, he still had three helpers in Miyu’s hands, plus a mysterious identity of Ma Ruorai.

“Oh, youthful and magnanimous!”

Zheng Tai praised a glance at Haoden Ye, knowing how Haoden Ye could possibly confront Zhao Chengyu with his current status and power.

Yet he still laid out the layout, which is a sign of courage.

Of course, he wouldn’t think that Haoden Ye was arrogant, because his father had said that this kid had a boundless future.

Ever since he was a child, Zheng Tai has lived in the shadow of two people, his father, Master Zheng, and his brother, Zheng Guo.

But he had always believed that Zheng was far less capable than he was.

However, he was the eldest, so the family had been grooming him, and even his father had focused on cultivating Jungkook.

Although his father seemed to love him, Zheng Tai knew in his heart that in the future, the Zheng family would still be ruled by his elder brother!

He didn't care about the position of the Zheng family's head, as the Zheng family's wealth was mainly concentrated in his hands.

What he cared about was that by becoming the head of the Zheng family, he would have the opportunity to have direct contact with the Lin family.

He, the Zheng family's finance minister, was not qualified to contact the Lin family.

And to make contact with the Lim family is to enter the heart of the Lim's power.

That's what he values!

The Zheng family could do without Zheng Tai, because with the support of the Lin family, big brother could train countless Zheng Tai's overnight!

That's why Zheng Tai's lust for power became even more obsessed, and when he saw Haoden Ye and Lin Yumo's close relationship, he was immediately moved.

He's a man who says good or bad, good or bad, he goes back to doing anything that helps him get his contacts together.

"But after all, Zhao Chengyu is one of the heirs of the Zhao family, it's still a bit troublesome to deal with him, do you want me to help you!"

Zheng Tai smiled slightly, his eyes meaningful.

As an old Jianghu, there were still many ways for Zheng Tai to deal with Zhao Chengyu, a gentleman.

"No need, let's leave the problems of our young people to be solved!"

Haoden Ye also smiled and shook his head gently.

Zheng Tai's eyes flashed with a strange color!

You know, even if Zhao Chengyu's power in Dan City was weak, it was very simple to deal with Haoden Ye.

It was impossible for Haoden Ye not to feel the pressure, yet he was so calm.

Even when he offered to help, Haoden Ye refused.

Rao would have a slight headache if he actually met with Zhao Chengyu's blade!

"Oh, the next generation! If you say so, I won't interfere, but I also want to say that no matter what happens in the future, you can find me in the Dan City boundary!"

Saying that, Zheng Tai turned around and headed to the sitting room.

Haoden Ye followed suit, chewing the weight of Zheng Tai's words in his mouth.

Will he fully support himself or will he only help in a limited way.

You know, you're turning down his advances!

When he arrived at the sitting table, Haoden Ye noticed that many people were already seated here, and they were all dignitaries in Dan City.

According to the seats, Haoden Ye took his seat.

To his left and right, he was dressed in what looked like a name brand, making Haoden Ye feel a little nervous.

On the right, a bearded man, though also wearing a suit, makes people look very odd, with a kind of release. Slutty and uninhibited feeling.

On the left was a slight fat middle-aged man, average looking but with white skin and a sharpness in his gaze that saw through people's hearts.
