

The Return of the God of War [The Protector]

Chapter 2411 - 2420

Chapter 2411

"It seems that this place is an ancient relic discovered by Kunlun Industry. Tiger (Bai Hu), Commoner Killing God, they get the opportunity from it! Their exercises come from here!"

Just now, several people from Xiuluo introduced this ancient relic to Levi Garrison.

next moment.

Some people shouted that there was a major discovery.

"You wait, I'll go in!"

Levi Garrison didn't want Shura and the others to know a lot, so they waited outside.

After coming to the ruins.

Sure enough, there are important discoveries.

It turns out that there are artificial traces in this ruin...

as long as you carefully investigate and identify it, you can find the problem.

The man-made traces of this ancient relic are too obvious.

Someone deliberately created this ancient relic and placed various treasures, medicines, exercises, etc. in it.

It is not left over from ancient times at all.

It was entirely artificial...

mainly before the Kunlun Industry excavated it, it was dazzled by various treasures.

No one surveyed and studied carefully.

Therefore no problems were found.

In addition, there were various relics dug up all over the world at that time, and no one would doubt it.

The most important thing is that at that time the whole world was in war, fighting everywhere, and at war.

Everyone is eager to improve their strength.

At exactly this time, ancient relics and ancient civilizations came into being.

After everyone got the opportunity, their strength improved rapidly.

I only know that the potions in the exercises can make people go crazy.

Who cares when this ruin is?

It can only be said that everyone in the world has been dazzled by the immediate benefits!

Ancient ruins, ancient civilizations and many opportunities are controlled by humans!

Earlier, Levi Garrison had speculated that the Lab of the Gods created a new era.

There is substantial evidence now.

There is evidence that the ancient ruins were man-made and manipulated.

Levi Garrison took a deep breath.

Fortunately, Maya's industrial data analysis revealed the problem of Gongfa, which made him realize this problem.

Otherwise, it will be difficult to find.

If this news is released now, it is estimated that many people will not believe it.

But when the ancient relics are everywhere, the ancient civilization is found to be artificial, then the whole world will be shocked!

There will even be turmoil.

The most important thing is to stun the snake.

No matter whether this man behind the scenes is the Lab of the Gods or not, Levi Garrison didn't want to startle the snake.

For the time being, this news still needs to be blocked.

No one can tell.

"From now on, any secrets found here must be kept! Otherwise, there will be no mercy!"

Levi Garrison came out of the ruins.

Several people from the Asura War God stepped forward and immediately asked, "God of Darkness, what did you find?"

"You shouldn't inquire about my affairs!"

Levi Garrison glared at the Asura people.

Everyone was shocked.

After being shocked enough, Levi Garrison believed that these people would not say a word outside.

After driving from here, Levi Garrison personally checked several places that had opportunities.

After a closer look, the result is the same.

They are all made by man.

He gasped.

Let the Underworld God and the others search these ancient relics all over the world and give him accurate data.

He believes that if he continues to search step by step, there will be major discoveries.

Thus.

The more you can't practice your exercises!

But I said it myself, they won't listen.

If it is the dark god identity, go and say these things.

Absolutely inappropriate!

what can we do about it?

Levi Garrison was in a dilemma.

The other side.

The superintendent of Tiance Mansion was actually seriously injured by Levi Garrison's punch.

However, he took special drugs and soon recovered from his extremely serious injury.

And the aura was even more terrifying than before the injury...

He definitely didn't want to go to Tiance Mansion in an injured manner.

After all, after a few decades of absence, how can you come back and be seriously injured?
Soon, the superintendent Tiance came to the gate of Tiance Mansion.

Chapter 2412

“Stop! Who are you?”

Soon, the guards of Tiance Mansion stopped him.

“I am...”

Tiance God Commander was about to speak.

One person rushed out from behind and shouted, “God handsome! Join the handsome!”

At the same time, he knelt to the ground with a puff.

“The god commander? What? The god commander is back?”

“The god commander of Tiance Mansion is back!!!”

“The god commander is back!!!”

...

Soon, voices resounded through Tiance Mansion.

In every corner, someone heard it.

For a time, Tiance Mansion was a sensation.

Even many strong people who retreat have come out one after another.

The twelve great gods originally had only four in office, but the god commander returned.

All twelve gods will come out.

They are in retreat, just waiting for the moment when the commander returns.

Even some ancient characters have all come.

Not only that.

The strong men of the Baolong clan who received the news have also come one after another.

This is definitely the biggest thing in Tiance Mansion in recent decades!

At the time, Tiance Shenshuai left and disappeared for decades.

Many people actually oppose it.

After all, he is the helm of Tiance Mansion.

The country cannot be left alone.

The same goes for Tiance Mansion.

The leader must be there.

But the god commander of Tiance Mansion insisted on leaving, that was to improve his strength to an unprecedented level.

He is to improve his strength!

I gave up everything and left!

When he left, the god commander of Tiance Mansion said a word-he returns, it is the time of invincibility.

Such as the return of Ce Shenshuai today.

Everyone understands that Tiance is invincible...

otherwise he won't come back...

“Worship to the gods!!!”

“The gods are invincible in the world!!!”

...

Everyone fell to the ground, Qi Qigao. Shouting.

This is their leader!

This is their strongest!

Tiance is handsome, the world is invincible!

“God handsome, you don’t know how long we have been waiting for this moment... ooh...”

The

great gods burst into tears in their eyes.

Because it is very likely that Tiance Shenshuai will not come back!

It’s too hard to be invincible!

Maybe chasing a lifetime, dare not call it invincible!

Even in the past or in the new era, who would dare to call it invincible?

There is no strongest, only stronger...

Invincible is too difficult!

Before, everyone had already planned that Tiance Superintendent would not come back.

They have been training the marshal of Tiance, hoping that he can take over in the future and become the new leader of Tiance Mansion!

Tiance Mansion spent a lot of resources on him!

Even before leaving, the Marshal Tiance put a lot of effort on him, leaving a lot of things...

The place where the Marshal Tiance retreats was the place where the Heavenly Sword was sealed.

This was deliberately made by the Tiance God Commander, using the sun's breath of the Heavenly Sword to temper the Tiance Young Master!

...

All of this is to prepare for the fact that Tiance Shenshuai can't come back!

Everyone didn't even expect this day.

Although there are many people waiting!

But today Ce Shenshuai is back.

That he is invincible!

Of course not invincible in the true sense!

But within the current scope, in his own cognition, God Commander Tiance is invincible among all the strong men he knows, including some invisible ones.

He will go out!

He will come back!

"Father!!!"

"Puff!" The

young marshal Tiance knelt before the marshal.

Tears filled his eyes.

There were three loud knocks.

“Father, the child has been waiting for this moment for too long and too long!!!”

Tiance Marshal cried like a child.

“Father!!!”

A young woman appeared.

He was the handsome young daughter of Tiance, and she cried into tears.

“Welcome to the return of the

handsome man !” “When the handsome man returns, it is the moment of invincibility!”

...

Tiance Mansion shouted together.

“Get up! Get up...” The

commander pulled everyone up one by one.

Marshal Tiance said excitedly, “Father, you are back, that means you are already invincible!”

“Puff!”

Tiance Shenshuai is staggered... He has just been defeated!

Chapter 2413

“Yes, father, you said it at the beginning! You are not invincible, you are not coming back! Father, you are amazing! The world is invincible!”

“My father is invincible in the world!” The

little daughter also said excitedly.

The face is full of pride!

The same is true of Tiance Marshal.

Proud!

The day of dream has finally arrived!

My father is invincible in the world!

He has imagined the scene of walking sideways!

He was still afraid of many people before.

But now that his father came back, no one of him was afraid.

“Puff!”

“Cough cough...”

“Cough cough cough cough...”

Hearing this, Tiance Shenshuai covered his mouth and coughed, his body trembling fiercely, becoming more and more intense!

Every time they say a word of invincibility, the god of heaven will cough.

In the end, I kept coughing and couldn't stop.

The whole person's complexion turned red, and the tears kept streaming.

“Father, what's wrong with you?”

“What's wrong with you, handsome?”

Everyone hurriedly gathered around and looked at him with concern.

“I...I cough cough, I'm fine... cough cough...”

No one thought that there was an existence like an invincible god in the world.

Cough like this?

It's almost like death.

This spread out, it is estimated that people will laugh at death!

Invincible?

Before he was sure to come back, he did think so!

He made a comprehensive analysis based on his own combat power and the strong men of this era.

He is invincible!!!

After all, the Dark God that he has been holding down is already number one on the god list, and his combat power is on the ceiling.

The list of gods is the most authoritative!

In particular, the Dark God is overwhelming everyone on the list of gods, and there is no opponent in the true sense.

But the Dark God has been suppressed by him for many years.

Then he is invincible!

The hidden world powerhouse in Erudiaa, as well as the powerhouse of the Baolong clan of Tiance Mansion.

He knows everything.

On the bright side, he is invincible!

So he decided to return to Tiance Mansion!

I just heard that the Dark God was haunting Erudiaa recently.

He went straight to find the trace of the dark god.

Unexpectedly, I found it.

The result was completely defeated.

Crush yourself in all directions!

Let him have no chance to resist!

He surrendered directly!

This is his most humiliating day!

He has been a Tianjiao since he was a child, and he has high hopes from anyone.

The single purpose is invincible and invincible!

Stand at the top of the planet!

But he lost miserably this time.

That deep sense of powerlessness!

It is beyond words!

Invincible?

Invincible ass!

I almost got killed when I came back!

If it weren't for taking the most precious medicine, I was still seriously injured.

"Well, don't talk about it, I'm fine!"

Tiance Shenshuai, who was slowing down, said quickly.

“Okay, that’s good! Come here! Send out the news of my father’s return and the invincibility of the world! Let me see who dares to despise my Tiance Mansion for half a minute??”

Tiance Marshal said immediately.

This is the biggest news of Tiance Mansion in decades, and it is also the biggest thing of Erudiaa.

He needs to promote it!

“Puff!”

“Da da da...” It’s

just that when the god commander Tiance heard this, he staggered and almost fell to the ground.

Invincible?

Your mother is invincible!

And let the whole world know that they are invincible!

Angry!

At this moment, Tiance Shenshuai was so anxious that he almost vomited a mouthful of blood.

Rebellious child!

Rebellious child!

Which pot does not open and which pot?

This was the most humiliating and humiliating thing in his life, but he was repeatedly exposed to scars!

Repeatedly!

I also need to inform the whole world...

Tiance, the superintendent, has a feeling of letting go !

I beg you to stop talking!

He is about to cry!

“Well, God handsome, you just played against someone?” At

this time, a voice came from the Tianji Pavilion.

“Puff!”

Tiance Shenshuai’s head was about to explode.

Someone mentioned...

“I...I...”

Tiance God Commander could only admit it.

After all, the seniors of Tianji Pavilion are not simple.

Chapter 2414

“You can see that you have experienced a big battle, right?”

said the senior in the Tianji Pavilion.

“Yes! I met a super strong!”

Tiance Shenshuai nodded.

“Ah? The battle will go as soon as you leave the level! Then the other party must be super super strong, right?” The

little girl was surprised.

The young commander of Tiance said cleverly, “If I’m not mistaken, my father’s opponent should be the dark god who is the number one in the gods, right?” The

god of Tiance Mansion “...”.

Are you smart?

Do you know that it is the dark god?

Rebellious child!

What a rebellious child!

Tiance Shenshuai is really going to explode!

This Nizi always poke his wounds, one cut is one cut!

The other great gods immediately echoed, “Yes, we have heard that the God of Darkness has an affiliation with you! You gave him a ban—you must not step into the summer for life! But recently, the God of Darkness has frequent activities in the summer. Go in and out of Jiangbei!”

“Presumably, after the handsome man came out, the first target must be the dark god! Needless to

say, the handsome man must have just fought against the dark god!” “Hey handsome, did we say that right?”

...

several great generals With a smile on his face, he looked at Tiance Shenshuai with a full face inviting credit.

At this moment, Tiance Shenshuai had the urge to slap a few times.

Oh shit!

A bunch of idiots!

ill!

Keep mentioning!

Looking at other people, they are all looking at themselves.

Tens of thousands of people looked at themselves together, expecting an answer.

“Yes, I did fight against the Dark God just now! I was a little embarrassed to make everyone laugh!” Tiance Shenshuai

said embarrassedly.

“Father, are you defeating the dark god who is the number one god on the list today?”

Tiance Marshal asked deliberately, cleverly.

His meaning is very simple-to tell the truth about defeating the Dark God!

He wants everyone to know that his father defeated the recently invincible Dark God!

In the past, it might be nothing to defeat the dark god.

But today’s dark god is boasted to a myth!

Of course, the things that the Dark God has done are more shocking, completely at the level of gods.

Anyone wants someone to beat him!

In other words, he is not convinced at all!

Especially Tiance Marshals and his like, hope that the people of Tiance Mansion can defeat him!

Now his father has done it.

Being a son is proud.

Now I just want to hear my father say it out loud!!!

Young Master Tiance looks forward to it!

The same is true for others!

This is the pride and pride of the entire Tiance Mansion!

But Tiance Shenshuai looked at his son's face and really wanted to tear it apart!

Slap severely, then sew the mouth!

What he fears the most, what he doesn't want the most, he just mentions something... But at this moment, everyone is looking forward to hearing them out!

If you say you fail, everyone will be lost.

Even Tiance Mansion and Baolong clan will be hit hard, and even become a shame!

Be laughed at by the whole world!

He can never tell the truth!

"Yes! I defeated the God of Darkness!"

Under the "persecution" of the crowd, the god commander Tiance said the answer against his will.

But at this point, he didn't want to disappoint everyone.

Only one step can be counted as one step.

“Hahaha...what is the top of the list of gods! What is above the list of gods! My father is above the list of gods!”

“As invincible in the world, my father created the law of invincibility!!! “

Major Tiance is more excited than anyone else.

Others are also very excited.

This is the most boiling and bursting day in Tiance Mansion in decades!

Not to mention the return of the handsome, he directly defeated the dark god.

“I need someone to be quiet, I have other things!”

Tiance Shenshuai hurriedly made excuses to leave.

Hide by yourself.

If you stay longer, the ghost knows what will happen.

“Isn't it right? God of Darkness?” When he

calmed down, Tiance Shenshuai realized that something was wrong.

Chapter 2415

He has been dazzled by failure!

Haven't thought about some problems.

As soon as he calms down now, he can easily spot the problem.

The identity of the dark god is not clear to others.

Can he not know?

The Dark God was once his junior and she has always admired him.

However, God of Darkness later married the mother of the Marshal Tiance, but soon died unexpectedly.

The Dark God took this opportunity to be with Tiance, the superintendent, and had a son.

But in the end, Tiance Marshal learned that Marshal Tiance's mother was actually killed by the Dark God.

Angrily, he severely wounded the Dark God.

For the sake of a child, she didn't kill her.

However, expelling her from Erudiaa will keep her from stepping into Erudiaa for life.

Otherwise, kill without mercy!!!

Because of hatred, the Dark God will endlessly expand his power overseas and improve himself.

The reason is that one day, I can step into the great summer openly, sit on an equal footing with Tiance Mansion, and have a direct dialogue with Tiance Superintendent.

She sighed for this.

Zoey these are her chess pieces!

But I didn't expect Levi Garrison to appear and kill her.

Tiance Shenshuai naturally knows how much this woman hates herself!

That kind of hatred is unimaginable!

If she defeated herself, she would definitely say "You are nothing more than this!" But

the dark god he had just met didn't say a word from beginning to end.

Just start playing!

Even if you beat yourself, turn around and leave.

Say nothing!

This woman hated herself for decades.

How could there be no response after defeating yourself? ? ?

This is not normal!

Not normal at all!

If she beats herself, she doesn't know what the hell she will be excited.

How can you calm down like this?

wrong!

What's wrong...

Could it be that it's not really a dark god at all.

It's just wearing a mask!

Suddenly, Tiance Shenshuai realized this problem!

Furthermore, he is too familiar with the true dark god, his junior sisters.

As long as she embraces the mentality of revenge, her strength will increase, but there will be limits after all, and she will not be able to reach the realm of invincibility.

In other words, he will always be crushed by him.

right!

The true dark god cannot beat himself!

absolute!

That is for sure!

Moreover, the Dark God has been obviously active recently, and the Bible organization under his hands has been a lot of actions.

This is obviously inconsistent with the previous dark god.

The strength is not in line!

According to the previous analysis of combat power given by various agencies, the Dark God is similar to the second and third place on the list of gods.

But now it has changed completely, completely crushed.

wrong!

Substitution!

The Dark God has changed!

The dark god I just met is fake!

Not his sister!

The one who really occupies the top of the list of gods is the false dark god!

As for where did your junior sister go?

It might be dead... something

must have happened!

Before, when Tiance was traveling, he had been to the headquarters of the Bible Organization.

It was the dark cage that held Levi Garrison.

He has seen it.

He must have someone in it!

Also try to open!

But he also knew what the dark cage meant.

That was something from Erudaa...

At that time, he knew that Junior Sister was moving.

He later returned to the headquarters of the Bible Organization.

At that time, Levi Garrison had already left, the dark cage was broken, and everything was completely changed.

Only then did he know that something serious happened to Junior Sister...

Now, when combined, the false Dark God now has a high probability of being the one who broke the dark prison.

Most of his junior sisters are already dead.

This invincible being put on a mask and pretended to be the God of Darkness.

He is the one who just played against him!

No wonder one punch can knock yourself off in seconds!

And it took a little bit of force to see him!

That is the existence that can open the dark cage...

“Hiss!!!”

Tiance Shenshuai took a breath and broke out in a cold sweat.

Chapter 2416

horrible!

fear!

No wonder the Dark God can be so terrible!

It turned out to be this one!

Who is he?

Tiance Shenshuai woke up in shock.

It is also a foreboding of the gap.

The opponent can break even the dark cage inside.

One him... a

hundred are not enough for him to stuff his teeth.

But having said that, how did this kind of existence be kept in a dark cage by the younger sister?

If you had this level of strength before entering, a thousand juniors wouldn't work!

Unless there is only one possibility... the

strength of those who are locked in a dark cage is improved inside!

Before being imprisoned, his strength was not as good as the junior sister.

Oh my god!

What kind of genius is it that can go from being inferior to junior's strength to breaking the dark cage?

unimaginable!

Given him a thousand years, it is probably impossible to open it from the inside!

who is it?

Who is Junior Sister Guan?

You have to check it out!

Worthy of being a god-skilled Tiance.

Power strategies all exist online.

Soon the analysis reached this point...

...

outside.

"Father is really weird! What happened to him?"

"He is invincible when he comes back? He is invincible after defeating the Dark God? We say that he is invincible. He seems to be unhappy and in pain!"

Marshal Tiance and his sister looked puzzled.

"Maybe this is the loneliness of the invincible powerhouse! He is invincible, and you feel excited! But who can understand his pain? The loneliness of no opponent..."

Several great generals said.

"Haha, too..."

"Then I'll post the news!"

...

Today's times are different.

In the past, the Tiance Mansion and others had to hide from the world, hiding as much as possible.

But now everyone knows it.

Soon, Tiance Mansion sent out the news-Tiance God Commander returned from retreat and directly defeated the dark god who is the number one in the gods list. He is already invincible in the world!

As soon as the news came out, the whole world was shocked.

The god of the sky strategy defeats the dark god? ? ?

The news spread all over the world for a while!

"Too can Pale Ba? God this darkness are defeated! Tiance God is much more handsome and strong?"

"Sure enough, the big summer Canglongwohu! Really forbidden!"

"After the encounter was dodging the big summer go!"

.....

the world Being shocked, there is nothing more exciting than Young Master Tiance.

This is his father!

But the most shocking was not others, it was Levi Garrison...

He knew about the return of the God Commander Tiance earlier than anyone...

But why the news came out, why was he defeated?

So shameless?

Tiance Shenshuai himself had given up!

Turn your head and say you beat yourself?

Also propaganda around the world!

The return of Tiance, the master, is already invincible in the world.

Levi Garrison "...".

He didn't even dare to say that he was invincible, the defeated general of Tiance God Commander, this little scum, dare to say that the world is invincible?

Don't say anything else!

Levi Garrison didn't know the strength of his cheap master.

But absolutely above oneself.

He cannot be invincible.

This scum is even less likely to be...

he can only sneer.

the other side.

After Tiance Shenshuai calmed down, he immediately came out.

When he knew that Tiance Mansion had spread the news of his return to invincibility all over the world.

He fell directly to the ground with a puff.

Everyone was taken aback.

Originally, he wanted to lie and stabilize himself temporarily.

But I didn't expect myself to kill myself.

The backhand put all the news out.

Now the whole world knows, and the dark god knows too.

I don't know how he will...

Thinking of this, Tiance Shenshuai was shocked in a cold sweat.

It feels close to death.

Looking at these people, the marshal Tiance, he has the heart to kill.

"Father, what's the matter with you?" The

marshal Tiance and others were incredible.

"Quickly check it out for me, who has the Dark God imprisoned in recent years?"

Tiance Superintendent asked.

"Huh? It's Levi Garrison!"

Chapter 2417

Young Master Tiance answered puzzledly.

Others also answered: "Yes! Levi Garrison is off! Levi Garrison has been imprisoned for three years! After

he comes out, he can't keep up with the times!" "He has been ranked thousands of quasi gods! Now he is starting to practice the new era. after the exercises, progress quickly, God has entered the list, although the end "!!

Tiance God handsome excited:" he himself admitted it is "? "

to Yes, he said that God is darkness off!! He is three years! Because his wife Zoey is the apprentice of the Dark God!"

"I also heard that Levi Garrison persuaded his wife to sever the relationship with the Dark God. He kept saying that the Dark God was using her! He also shut him down for three full years!"

.....

Everyone was talking babbledly.

But after hearing this, Tiance God Commander has already dealt with the matter!

Levi Garrison is now the God of Darkness, the one who broke the dark cage!

The existence of the force value at its peak!

He was also the one who cut off the two fingers of the Heavenly Sword as soon as he appeared on the stage.

He did it just to save his wife.

In fact, the three identities are the same person!

Soon, Tiance Shenshuai sorted out everything.

Now Levi Garrison wears this mask, which means that the real dark god is dead.

Although the Dark God was killed, the god commander Tiance didn't have any waves in his heart, and there was even a hint of relief.

He can't kill Junior Sister, and it's not bad for someone to kill him now.

The wife's grudge is reported!

Confuse!

The audience was very puzzled.

What did Tiance Shenshuai ask this for?

“Father, what do you ask this for?”

Marshal Tiance asked suspiciously.

“It has nothing to do with you!”

Tiance Superintendent asked again: “ Right , Levi Garrison? Isn't it the former king of the word side by side? Also the father of that little genius?”

“Yes! It's him!”

Everyone nodded.

“No wonder, his child, it's normal to have this talent!”

Tiance Shenshuai sighed.

Everyone feels very strange.

“Father, why are you so curious about Levi Garrison? It's just a cripple! He is talented? I can hit him with one finger!” Tiance

Marshal was dismissive of Levi Garrison.

After all, according to the ranking of the gods, he is one of the top ten, and Levi Garrison is the last.

There is absolutely no comparability between the two!

“It's you?”

“Can you compare with him?”

Tiance, the superintendent, was about to vomit blood.

Levi Garrison just defeated himself!

He is invincible in the world.

Are you a scum in a scum, compare with others?

“Huh?” The

Marshal Tiance was stunned.

The others were also stunned.

Shen Shuai seemed to be very optimistic about Levi Garrison, and he did not hesitate to demean his son.

“Dad, how does Levi Garrison compare with me? He is like an ant! Your son has made a lot of progress over the years!”

Tiance Marshal argued for reason.

I don't want to admit that I am worse than trash in front of my father!

Tiance Shenshuai looked at him suspiciously.

It means you can't!!

“Yeah! Levi Garrison is incomparable to me! But his child, that talent is indeed terrifying! Now it is said that abandoning everything about the religion of several ancestors and breaking out a way by himself! It turned out to be a success! The strength of that child It shouldn't be under me at the moment!”

This is the only time when Tiance Master is jealous of a child.

But no way.

The talent gap is too big.

She can create her own way.

He can't!

Humbled!

"Well, that kid's talent is unparalleled! There is currently no comparable!"

Tiance Shenshuai nodded.

He understands better.

This child is Tiance Mansion and Erudicia's future!

But we can't talk so far at the moment.

It seems that such a talent is useless in front of her father.

"Where does Levi Garrison usually live?"

Tiance Marshal continued to ask.

"Huh? Father, why are you asking this?"

"I'll apologize!"

Chapter 2418

The language is not surprising and endless.

Tiance Shenshuai said this.

Everyone froze in place.

Such as being struck by lightning.

Apologize?

Tiance Shenshuai apologized to Levi Garrison?

What's wrong?

What everyone thinks is totally incredible!

Why should I apologize to Levi Garrison?

"I see! Father must be because of the Dark God! He apologized to Levi Garrison!"

"If it weren't for the Dark God, Levi Garrison would not be shut down, and his wife would not be used as an apprentice!"

"Father no ! the nerve, I already know the darkness of God and your relationship up! she's your junior sister apprentice! you "relevant period

.....

day policy Marshal said.

In his opinion, his father must apologize for the things of the dark god.

Tiance Shenshuai looked at his son, he was really angry.

As much as you know!

Xiaozui keeps talking nonstop!

"Don't worry about it, tell me where Levi Garrison lives?" Tiance Shenshuai was really impatient.

Each of these guys seemed to be sick.

"Father, Levi Garrison has been in Jiangbei! Do you want me to take you there?"

Tiance Marshal took the initiative to invite Ying.

The god commander Tiance glanced at him: "No! I can go alone!"

But at this moment, the god commander Tiance suddenly saw his little daughter.

This little daughter was an orphan he picked up when he was traveling and practicing, and she looked pretty talented.

Deliberately accepted as a goddaughter.

Sent to Tiance Mansion when he was more than ten years old.

Twenty now!

Tiance Shenshuai comes from the Xuanyuan clan.

The youngest daughter named Xuanyuan Qingya.

"Let's go, Qingya will go with him as my father!"

Not knowing what he was thinking, Tiance, the superintendent, took his little daughter with him.

Although Xuanyuan Qingya was puzzled, she still followed her father.

"After my father came back this time, how come he has changed himself. I don't understand him a bit!"

Tiance Major murmured to himself.

"Yes, it is already invincible in the world! Obviously defeated the dark god who is the number one in the gods! Can you give people a feeling of caution and fear in everything?"

Everyone was also puzzled.

can not read!

I really don't understand it!

Obviously won, how is it like losing!

Shortly after.

The two men came to Jiangbei.

Found the residence of Levi Garrison's family.

"May I ask who you are looking for!"

Zoey just happened to ran into them.

Not only asking.

"Hello, Madam Ye, we are from Tiance Mansion, look for Mr. Levi Garrison!"

Tiance Shenshuai laughed.

Xuanyuan Qingya looked dumbfounded.

The dignified Tiance Mansion is a supernatural commander, defeated the first in the gods list, and is invincible in the world.

He was so humble to Zoey.

When it spreads out, Tiance Mansion will be laughed to death.

Xuanyuan Qingya immediately said, "Father, why are you doing this? What is her status, what is your status!"

"Don't talk nonsense!"

Tiance Shenshuai gave his daughter a stare.

"Okay, come in!"

Zoey didn't say anything.

Let two people in.

Arriving outside Levi Garrison's villa, Tiance Superintendent asked his daughter to wait outside.

The God of Tiance entered the villa nervously.

Levi Garrison had discovered Tiance Supernatural Commander early.

Was wondering why he came to him.

There is no reason.

He didn't show his true colors.

"Who are you? What are you coming to do with me?"

Levi Garrison asked deliberately and tentatively.

"Sir, there is no need to pretend! I already know who you are! You are the dark god now! You are the one who broke the dark prison! The person I met not long ago was also you!"

"If I guessed correctly, sir should Killed the real dark god, right?"

Tiance Shenshuai said.

"Huh?"

Levi Garrison was taken aback for a while.

Tiance Shenshuai seems to have two moments, and he actually knows his true identity.

This is the first to know everything.

admire!

Something!

It is estimated that he knew the true dark god and calculated it.

“What are you coming to do with me?”

Chapter 2419

Levi Garrison asked with a smile.

This is the first person who truly knows his true strength except for the Huoyun Cthulhu.

Although the Underworld Gods know that they are strong, they don't know how strong they are.

But Tiance Shenshuai obviously knew completely.

“Mr. Garrison, I'm here to apologize to you. The news from Tiance Mansion was not my intention! But I was also out of my own desires and did not say what I lost to you! That led my rebellious son to think that I defeated you. Already invincible in the world...”

Tiance Shenshuai bowed deeply.

Levi Garrison smiled: “What am I supposed to be! It doesn't matter! I don't care about these false names! Besides, who dares to call them invincible? There are still many Crouching Tigers, Hidden Dragons in this world! No one dares to say that they are absolutely invincible!”

...

At this moment.

Zoey and others outside already knew the identity of Tiance's supernatural commander.

This shocked them extremely!

This is the invincible powerhouse who defeated the Dark God!

Existence truly above the gods!

Lord of Tiance Mansion!

No wonder his daughter is so arrogant and doesn't put anyone in the eye.

At first, many people wanted to teach a lesson, but after knowing their identity, everyone was so scared that they almost knelt on the ground.

Xuanyuan Qingya was also confessed by everyone.

Everyone shouted and embraced.

More and more let you know that the god of Tiance came to Jiangbei, and Levi Garrison was at home.

In particular, the Li and Zhao family are the most active.

All come.

Not to mention a relationship with the gods of Tiance, it is good to get acquainted with each other.

It will be nice to spread out in the future.

The invincible God of Heaven has come to our house!

"Why are you here?"

"Aren't you here too?"

"We are here to see the invincible powerhouse in the world!"

"So are we! This is the number one in the world! Even the Dark God has been defeated!"

...

Everyone is going crazy.

Seeing them, Xuanyuan Qingya smiled.

Be proud of my father from the bottom of my heart!

I am the number one daughter in the world!

Shortly after.

Xiao Feng and the others came too.

The Evil Sword God also came.

Even Azure Dragon (Qinglong) Kirin (Qilin) and others are here.

Who doesn't want to take a look at the invincible people in the world?

In an instant, the villa surrounded hundreds of thousands of people.

In the villa.

Tiance Shenshuai told the love, hatred and hatred between himself and the Dark God.

Let Levi Garrison understand the whole story.

"You don't need to be nervous, I don't blame you! If I want to kill you, you can't escape at all!"
Tiance Shenshuai was

excited: "Thank you, Mr.! Sure enough, the experts are indifferent to fame and fortune!"

"I think Mr. A lot of actions...what is your husband looking for? Is it related to the Lab of the Gods? Does your husband need my help?"

Tiance is a wise man.

Some problems can be analyzed from Levi Garrison's recent actions.

This is invisible to others.

I have to say that he can become the master of Tiance Mansion, apart from his strength, it is strategy and leadership.

Levi Garrison smiled.

It's really great to deal with smart people.

"Yes! I'm investigating the changes in Zhushen's laboratory and the new era..."

Levi Garrison probably talked about what he was going to do with the god commander Tiance.

"Sure enough, I also find it strange! I have a lot of clues..." The

Tiance superintendent communicated with Levi Garrison.

Over the years, he also paid special attention to the laboratories of the gods.

There are many clues discovered by him.

These are still very useful to Levi Garrison's current plan.

Levi Garrison had a conversation with the superintendent Tiance for half an hour.

"As long as your husband has a word, I will immediately help!"

Tiance Shenshuai said.

"I really need your help! Next, I will give you some tasks that you need to complete in secret! It is not difficult to complete as you! But you have to do it in secret!"

Levi Garrison smiled.

Reaping such a capable cadre is really a godsend to Levi Garrison.

No one thought that the master of Tiance Mansion would also do something for Levi Garrison.

Chapter 2420

Everything is for Erudiala! I will die!" Tiance Shenshuai

naturally agreed.

Levi Garrison did all this for Erudiala and for the world.

He has no reason not to help.

Of course, another important reason is that Levi Garrison is very strong.

The two parties reached a cooperation.

This is of great help to Levi Garrison's next plan.

For example, in case of an accident, Levi Garrison needs to use the power of the Tiance Mansion. According to the past, there was no way.

Marshal of Tiance would never agree to the kind of stubborn goods.

Now that he is here, it's much easier to handle.

What Levi Garrison wanted to do, one sentence.

"Mr. Garrison, I still have an unsympathetic request..."

Finally, the superintendent Tiance showed an embarrassed expression.

"Ah? Say it!"

Levi Garrison wanted to know what the request was.

Is it so hard to tell?

"I hope sir, no, the king can marry my little daughter side by side!" "My little daughter is an orphan picked up during these years of experience. She is currently 20 years old and looks good! Very talented, she should be at present. God is the strength of the top ten list! is the day the government policy of little princess! may shine on identity and on the strength of word alongside the king

a lot worse! but can barely! "

.....

this is the day God Shuai policy with a small daughter The reason for coming.

Levi Garrison must have been who he was back then...

If the youngest daughter married him, the benefits would be unlimited.

The first Levi Garrison was completely tied to Tiance Mansion, and he was a family.

Second, with the talents of Levi Garrison and his youngest daughter, the child born may be more talented than Levilia. This is the future of Tiance Mansion and the future of Erudiaa.

...

Basically, if Levi Garrison was with his little daughter.

The foundations for the present and future of Tiance Mansion and Erudiaa have been laid.

It is absolutely not a problem to protect Erudiaa for hundreds of years!

Of course, there is also the selfishness of Tiance Shenshuai.

I hope my youngest daughter will marry better. If you want to marry, you will marry the best.

After the request came out that day.

Levi Garrison was dumbfounded...

Marry his daughter to himself?

Are you crazy?

He looked at Tiance God handsome and said, "Hey, did my brother make a mistake? I have a family! My children are all that old! The future of your Tiance Mansion! Isn't it funny to marry your daughter to me now? "

What's the matter? You are more conservative than mine! It is true that one person is enough for an ordinary person in his life! But with your existence, three wives and four concubines are normal! It doesn't matter if you marry a few more!"

"Say Be vulgar, give birth to a few more geniuses!"

Tiance Shenshuai laughed.

Levi Garrison "...".

One says one.

Except for Zoey, he didn't think about other women.

Especially after having Levilia.

It is even more unacceptable to let him marry one now.

"One word side by side king, don't be anxious to refuse, my daughter is outside, come out and have a look..."

Tiance God Commander did not give Levi Garrison a chance to refuse, and directly pulled him out.

The outside scene shocked the two of them.

Why are there so many people?

Densely packed.

Surrounded everywhere.

Seeing Tiance the supernatural commander came out, everyone gathered around.

Positively greet Tiance Shenshuai.

Everyone saw him come out side by side with Levi Garrison.

There is only envy, jealousy and hatred for Levi Garrison.

The god commander Tiance talked to him for such a long time...

“It must be because of Levilia’s face! Levilia is the future of Tiance Mansion, and several ancestors will follow in his experience! As the head of Tiance Mansion, the god commander returns. Naturally, I pay attention to it! Levi Garrison is also normal!”

Li Songkui and others said sourly.

“Hey! He just gave birth to a good daughter! Why don’t we have this luck! The children born are more stupid than the other!”

Everyone was helpless.

The superintendent Tiance took Levi Garrison and came to Xuanyuan Qingya. “This is the little girl!” “Qingya, I decided to marry you...Mr. Garrison...”
