

# The Return of the God of War [The Protector]

## Chapter 2491 - 2500

### Chapter 2491

The language is not surprising and endless.

Everyone felt a little strange when Levi Garrison said this.

Something seems wrong.

They want to know why the dark god is not dead?

Could it be...

Before they could think about it, Levi Garrison smiled, "Are you always wondering why I didn't die? Have you been wondering why I didn't meet God?"

Everyone felt like they were about to explode when the words came out. NS.

really!

He got it!

He even knew the things of God!

wrong!

How did he know?

They haven't shown the real top-secret files to God of Darkness.

That's a fake...

"God... God how did you know... You can't know... Did you overhear it?" The seniors of Maya Industry asked tremblingly.

"Of course not! You asked me how I knew God? That's because I met!"

Levi Garrison said lightly.

"Ah? Have you met? No...you unexpectedly met...Sure enough, the top-secret files of the Gods Lab are true! There are gods..."

the senior officials of Maya Industry exclaimed one after another.

No one doubts whether Levi Garrison's words are true or false.

Because he can tell God, it means he really knows.

But another question emerged...

If Levi Garrison had encountered a god, how could he come out of the lake unscathed?

This is impossible!

Absolutely impossible!

No matter how strong the dark god is, how can he sweep the gods? He is human after all!

That's a god!

According to the records of the Gods Laboratory!

Is the omnipotent god!

How can he live?

"Are you wondering, why did I meet God and come out alive?"

Levi Garrison saw the doubt in everyone's mind.

"Yes, yes! Now that you have met a god! It's impossible to live!"

Everyone nodded fiercely.

"That's because I slaughtered all the gods!" The

words came out.

It was like the sky was rolling, and it was going to smash everyone into pieces.

It was shocking!

Slaughtered?

How can this be?

"In fact, the ancestors of Tiance Mansion met the gods before, and they were seriously injured! If I didn't help them, they would definitely die!"

Levi Garrison smiled.

"No! They are not injured, we have repeatedly checked..."

Maya industrial executives were unwilling to believe everything in front of them.

"It's still too young, drink some healing potion, will you recover soon? Does Tiance Mansion have no such foundation?"

Levi Garrison sneered.

"Ah? Did we get deceived?" The

executives of Maya Industry looked incredible.

"Yes, you have been deceived! You have been deceived! I knew you were going to kill me with the help of the God of Forbidden Land No. 76! But I just came back to mine resources, so I promised you..."

After listening to Levi Garrisonsuo Say.

One by one was struck by lightning.

It turned out to be under the control of Levi Garrison!

"Actually, I don't have to hide from you, I just think it's fun!"

"The god inside was killed by me a long time ago, I'm afraid of a hammer!!!"

Levi Garrison looked at the crowd as if he was looking at a group of prey.

"It was really killed by you..."

"I don't believe it! How could it be that even the Lab of the Gods was regarded as a taboo god?"

"Yes, don't believe it! You must be scaring us..."

Everyone They all have a look of disbelief.

"Then call them out! Doesn't God exist?"

Levi Garrison said.

"This..."

Everyone hesitated.

God exists!

But now the gods do not appear life and death.

Then it means that Levi Garrison was really beheaded...

“You are haggling. If you have any questions, go to Hades to ask!”

For these people, Levi Garrison didn't leave any hands.

Kill all!

Don't leave one!

Now they have little use value, and Levi Garrison can control the Maya industry by himself.

What do you use them for?

## Chapter 2492

After spending a little more effort, Levi Garrison completely controlled Maya Industry secretly and locked it firmly in his hands.

As for this group of decision makers, they were originally puppets.

They may set up Maya Industry because of the deliberate promotion of the Gods Laboratory behind.

However, Levi Garrison did not say anything about controlling the Maya industry.

He also used Maya Industry to investigate the Gods' Laboratory.

In addition, it is possible that the forbidden area No. 76 was leaked, and it was known to the Gods Laboratory.

Maybe they will make big moves next.

In this way, the Lab of the Gods might have an idea about Forbidden Land No. 76 and will send someone there.

Therefore, Levi Garrison must arrange the defense system and monitoring system.

Like Skynet, staring at Forbidden Area No. 76.

Whenever there is a turmoil, you will know immediately.

It can be said to be Levi Garrison's strategy-waiting for the fish to get the bait!

Deliberately use the resources of Forbidden Land No. 76 to attract the bait of the Lab of the Gods!

Once there is a clue, it is easy to handle, and you can check it step by step...

After the arrangements are made together, Levi Garrison is ready to return to Daxia!

"Boom!" On the

way, Levi Garrison made the "Divine Tribulation" appear in a solid circle.

A sword shining with golden light trembled and roared.

The terrifying energy inside is like a scourge, seeking to release and vent.

"Ah! What a pity, what a pity, I can't find a person to try the sword..."

Levi Garrison said helplessly while looking at the divine robbery in his hand.

Levi Garrison urgently needs an opponent.

The Lab of the Gods will appear soon!

When you were away, I didn't even have an opponent!

Levi Garrison wanted to differentiate himself to try the sword!

There is such an ancient technique of hand-to-hand combat!

Fight yourself!

This can be a try!

However, after a long time, it will be boring...

Or the little scum, the young marshal of Tiance, hastened to the ninth level of the King Kong is not bad!

But it's impossible!

This little scum is impossible!

I can't find an opponent at all!

"Hey, if you try the sword, you still have to go to the Baolong clan of Tiance Mansion! Gather all their masters, shouldn't it be a problem

to try the sword?" Levi Garrison really racked his brains to try the sword!

Thinking of any way!

...

Recently, when Levi Garrison was doing things in Forbidden Land No. 76, a big event happened in Daxia.

Almost all the ancient clans and schools supported by the top ten forces in Daxia emerged.

I don't know why...

especially the Garrison Clan in Jingcheng has become extremely arrogant recently...

because the real masters of the ancient Garrison Clan are here...the master of

Ye Wudao and several elders are here.

The most important thing is that there is one more person here.

Ye Zhantian, the "killing god" of the ancient Garrison Clan!

His "killing god" name exists in the legends of Tiance Mansion and Baolong clan!

Back then, it was said that the great powers of the Baolong clan couldn't

hold their heads up, and the Tiance superintendents and others suffered losses in his hands... You know that the ancient Garrison Clan almost became one of the Baolong clan back then... ..

But there has been a change... the

change is this "killing god" Ye Zhantian!

The three ancient tribes competing at the same time were all slaughtered...

angered all parties.

The quota was cancelled!

He may not be the strongest of the ancient Garrison Clan, but he is the fiercest and most fond of killing...

ever since this killing god came to the Garrison Clan in Beijing.

Ye Wudao, Ye Lingtian and the others are even more arrogant!

No one is in sight!

Kill all enemies who didn't dare to move before!

Recently, I heard that Levilia and Levi Garrison are about to start.

The elders of the ancient Garrison Clan were very curious when they heard such good seedlings shed outside.

I want to get back to Garrison Clan training!

"Kill the God" Ye Zhantian was very interested in Levi Garrison who violated the family rules.

Since he came, he has made many shots.

His legends are everywhere in Daxia... There is a lot of noise.

Levi Garrison was excited when he heard it.

“The sword tester is here...”

## Chapter 2493

Levi Garrison was immediately excited.

The whole person laughed.

Others can't understand his joy at all!

I don't know what he is smirking... in

order to try the sword!

Levi Garrison thought about all the people who should think... The

final decision was to go to Tiance Mansion, find the gods of Tiance and a large number of masters, and let them unite to block his own sword...

But that is not interesting, and it is a bit bullying!

But this is all right.

An ancient Garrison Clan appeared suddenly!

There is a strong like Ye Zhantian, just can use it to try the sword.

By the way, know how to know the background of the ancients...

God is good to me!

He even sent

someone up to try his sword... Looking at Levi Garrison smiling there, everyone looked at him strangely.

Why did Levi come out during this time?

Be like a fool after coming back.

What happened?

What happened to him?

Keep giggling!

The key point everyone just said was "Kill the God" Ye Zhantian!

What everyone describes is how brutal and bloody!

Such a killer was about to come to him, and everyone couldn't laugh.

Only Levi Garrison smiled like this...

can't understand...

can't figure it out at all!

"Ye Wudao has already given an ultimatum! Three days later, he will definitely come here! First, take the Levilia away and bring her to the ancient Garrison Clan for training! Formally include her in the ancient Garrison Clan!

Second, Ye Zhantian wants to deal with you, the boss, based on the family method of the ancient Garrison Clan! "

Azure Dragon (Qinglong) said.

This is the news that everyone has just received. The Garrison Clan is about to take Levi Garrison's knife.

There is Ye Zhantian, the killing god, plus Ye Wudao's master and several elders.

They can be said to be nothing. Fear of the Baolong

clan of Tiance Mansion, forcibly to take the monarch away. As for Levi Garrison to be dealt with by the family law of the ancient Garrison Clan, it is impossible to live. After

receiving the news, everyone gathered in Jiangbei. It

happened that Levi Garrison also came back.

Everyone's expressions were extremely gloomy. But

who would have thought that Levi Garrison would laugh in excitement after listening. It

seemed as if he had heard a happy event.

This made everyone very confused. Everyone was

shocked and curious. Looking at him...

"Aren't you afraid? "

Plum dye asked.

" What are they afraid? "

Levi Garrison was about to try their swords.

What's so scary?

"This time is different!" We can keep you before! It can even save you! But this time the strong from the ancient Garrison Clan came, and I have seen them take action... at least at the level of my master Dark God or Tiance God Commander..."

"Especially who kills the god Ye Zhantian, he is even stronger. ...I feel no one can match him!  
"

Their arrival has made the list of gods all messed up...At present, major organizations are discussing changing the list of gods!" There are too many such strong people, and the god list is not accurate at all..."

"Fight against them! We currently have no way...unless...Tiance Mansion and Baolong clan..."

Zoey analyzed.

Everyone agrees that Zoey's analysis is correct!

No one can help a powerful enemy.

Regardless of what kind of gods they are all strong.

Encountering Ye Zhantian, the "killing god", is just cannon fodder!

"Then what should I do now? Is there any way? If we try hard, we won't be enough to watch it several times!"

"We can't protect it at all ! We have to find a way..."

everyone said.

This time out of channels Jun-Jun "The only way! Now you tell me that my father flew to-day government policy! As long as we are not alone in day out government policy, war days leaves no way!"

"In any case my master and The gods and commanders must protect us! No

matter how courage the ancient Garrison Clan is, they would not dare to directly break into the important people of Tiance Mansion, right?" Zhan Tian dare not take this risk! Unless he is crazy..."

## Chapter 2494

As soon as Levilia said this, he immediately got everyone's approval.

“Wonderful! Levilia’s method is great, isn’t it?”

“As long as you enter Tiance Mansion! Ye Zhantian wouldn’t dare to be ten daring!”

...

Everyone looked at Levilia in surprise.

All applauding for her!

“The only two uncomfortable points. First, you have to bow your head to Tiance Mansion. After all, people have to bow their heads under the eaves! If you are humble, Tiance Mansion will agree.

Second, it is estimated that you will have to stay in Tiance Mansion for a long, long time!”

“As long as Ye Zhantian doesn’t leave, you can’t leave Tiance Mansion! Forever! Unless you can improve your combat power to the point where you can defeat Ye Zhantian and fight against the ancient Garrison Clan...”

Levilia looked at Levi Garrison seriously. road.

Plums, who flew dye Road “on! Anyway, you have nothing to hide days of government policy, slowly raise your strength, when you retreat!”

“Right ah, retreat a few years, you’re the boss Return of the King pinnacle! With leaves The ancient clan settle the account!”

“Yes, Master, we trust you! Give you five years, and you can definitely challenge the ancient Garrison Clan!”

...

Everyone is always encouraging Levi Garrison.

Xuanyuan Qingya was among them.

She actually wanted Levi Garrison to stay in Tiance Mansion for a few years, away from Zoey.

She has a chance!

But let this one escape?

Is there a mistake?

Let him go to Tiance Mansion, is Tiance Mansion to protect him, or does he protect Tiance Mansion?

In the eyes of many people.

Levi Garrison will definitely agree.

According to everyone's analysis, Levi Garrison still has a good impression of Xuanyuan Qingya.

Wouldn't it be better to go to Tiance Mansion like this?

In addition, Tiance Shenshuai is more optimistic about Levi Garrison.

He will most likely agree.

But Levi Garrison shook his head and touched Levilia's head and said, "Dad can't go! Dad is not afraid. Why do you hide?"

"Not only I don't hide, you don't hide! You are here! I see who dares in this world Move you?"

To Levi Garrison's domineering declaration.

Xuanyuan Qingya's body trembled.

Levi Garrison's image in her heart is super tall.

But to others, it is ridiculously naive!

Levi Garrison still wants to protect Levilia?

it is ridiculous!

You can't enter a god list, but Ye Zhantian makes the god list chaotic as soon as he appears.

Let all agencies re-customize the existence of the god list...

completely incomparable!

"Levi Garrison, I found out, you are really awkward!"

"I'm not afraid of anything! But do you have the ability to solve it? Do you still want Levilia to suffer and suffer with you? Impossible!"

"If you don't go to Tiance Mansion, Levilia must go! He can't have an accident!"

"I don't worry about Levilia falling into the hands of the ancient Garrison Clan! She can't have an accident..."

"Levilia from this moment, you go to Tiance Mansion! Don't worry about you. Dad, they are amazing..."

Zoey sneered.

Levilia helpless.

Only one person can go to Tiance Mansion.

But she would not give up Levi Garrison.

After she goes back, she asks the God-skilled Tiance and several masters to rescue him...

"Three days after Levi's arrival, the ancient Garrison Clan came to the door! I hope you will be a little bearer at that time and face them instead of running away! Other people are involved..."

Zoey roared angrily.

She was afraid that Levi Garrison said so now.

At that time he turned and ran.

Throw everyone down and let these people

suffer for him... “Don’t worry! I won’t run! I’ll take care of the Garrison family’s affairs...”

Levi Garrison took the initiative.

Wait until everyone is gone.

Levi Garrison immediately found Xuanyuan Qingya.

“Hurry up and make sure for me, where are the Garrison family Ye Zhantian people?”

“I can’t wait to see him! I can’t wait for three days! Go now!”

“I want to try the sword with them... ..”

Levi Garrison said excitedly.

This makes Xuanyuan Qingya very strange...

Why is Levi Garrison so impatient and excited? Can’t wait for a moment...

## Chapter 2495

Quickly, quickly! My divine calamity is already hungry and thirsty!”

Levi Garrison urged.

He couldn’t wait for a long time to have this kind of sword tester!

Be stronger!

The stronger the better!

It is best to be able to kill indiscriminately within the Baolong clan of Tiance Mansion!

Powerful to be even more terrifying than the gods in the forbidden area No. 76!

It's better to give yourself the biggest threat...

It's fun to try the sword like this...

Although I don't quite understand why Levi Garrison is so excited.

But Xuanyuan Qingya immediately used the relationship to check the whereabouts of these people.

Soon Xuanyuan Qingya discovered the existence of Ye Shen Ye Zhantian.

"He is not in the capital! He is in Lingnan!"

"Quickly, go directly to Lingnan! I can't wait!"

Levi Garrison and Xuanyuan Qingya went straight to Lingnan.

Lingnan at this moment is in chaos.

Since the arrival of the killing god, the entire Lingnan has been in panic.

Because when the god of death Ye Zhantian arrived, he directly slaughtered the ancient Yu clan of Lingnan.

Just because the Yu clan had provoked Ye Wudao and said some bad things about the ancient Garrison Clan...

Although they were all ancient clan, there was still a gap between them.

Yu Clan is better at crafting weapons, medicines, and organs.

Budo is not top-notch!

So let Ye Zhantian destroy the clan easily!

At this time, the entire Lingnan trembled.

I'm afraid of getting into this killer god!

Ye Zhantian is bloodthirsty!

No one can stop after the madness!

In the ancient Garrison family, he was actually locked up.

The ancient Garrison Clan locked him up in a dark cage for fear that he would go crazy and become uncontrollable and become an unstoppable demon.

That's right!

It is the same thing that the dark cage where the Dark God locked Levi Garrison at the beginning.

However, their dark cage has mechanisms that can be opened from the outside.

So you can control Ye Zhantian!

With Ye Zhantian's strength, no matter how strong it is, it is impossible to open the dark prison from inside.

Because the dark cage came from someone, it is impossible to break it anyway!

I don't know why, this time the ancient Garrison Clan sent him out.

It is estimated that the great changes in the outside world have caused the ancient Garrison Clan to become interested in the secular.

Only then will people be sent... where

Ye Zhantian, the killer god, has gone through, the lives have been disgraced.

All that should be avoided.

The previously lively major cities of Lingnan were empty.

For fear of encountering Ye Zhantian.

This homicide does not require a reason, only depends on the mood.

I don't know how many people fell under him.

Ye Zhantian yelled, "From now on, my ancient Garrison Clan has conquered Lingnan! Those who are not convinced stand up?"

Hearing Ye Zhantian's announcement, everyone was powerless, daring to be angry but not daring to speak...

Who dares Provoke him!

After learning about Lingnan's affairs, Ye Wudao, who was far away in the capital, made Ye Lingtian excited.

Begin to celebrate with fireworks...

Conquering every inch of land is Ye Zhantian's task after he comes out!

He wants to challenge the masters from all over Daxia, it can be considered as a shock to the Quartet!

Let everyone fear the Garrison Clan from the bottom of their hearts!

In the future, the entire Daxia will be the place they have conquered by the Garrison Clan!

This is the true head of all races!

I used to be bullshit!

"Levi Garrison wait! You are going to perish soon!"

They are looking forward to the day when Levi Garrison will be tried.

...

On the other side.

Ye Zhantian left Lingnan.

Begin to drive towards the Shifang Mountains in

southern Xinjiang ... There are Miao people in southern Xinjiang who are good at Gu poison.

He wanted to take a challenge...

but when he came to the middle of the road, two young men, a man and a woman, blocked his way.

"Huh?"

This made Ye Zhantian very puzzled.

When others saw him, it was like a mouse saw a cat, avoiding them far.

But the two people in front of them are posting up instead.

The same as someone who came specifically to find him.

"You..."

Ye Zhantian was about to say something . But the person on the other side made a strange move...

## Chapter 2496

The two young people are naturally Levi Garrison and Xuanyuan Qingya.

After searching for a long time, they finally determined Ye Zhantian's route and ran into him.

At this moment, Levi Garrison took out a huge photo.

He took the photo and walked to Ye Zhantian's face, carefully comparing it.

This directly made Ye Zhantian stunned!

"Well, that's right! It's you! Ye Zhantian! Can't be wrong!" After

confirming that it was the person he was looking for, Levi Garrison tore off the photo.

"You..."

Ye Zhantian was surprised.

No one has ever dared to do this in front of him...

Even in the ancient Garrison Clan, no one dared to do this to himself.

Even on the first day, Ye Wudao avoided himself from a distance...

never dared to speak within half a meter of himself.

But today this young man is unusual...

"Are you here to find me?"

Ye Zhantian asked tentatively.

"Yes! I'm looking for you! It's hard to find this!"

Levi said.

"What are you looking for me for? You were sent by

Ye Wudao?" Ye Zhantian thought there was something important to inform him.

Levi Garrison sneered, "Ye Wudao is a fart? I have something to do with you!"

"I played a sword recently! I want to find someone to try the sword! I heard that your kid is quite capable, so I came to you to practice. Sword!"

"Puff!"

"Cough cough cough cough..."

Hearing what Levi Garrison said so calmly, he was directly shocked to Ye Zhantian.

Coughing non-stop!

Tears came out...

It's hard to imagine that a peerless master would cough like this... It

's shocking!

too exaggerated!

Ye Zhantian never expected that one day he would become a tool man.

There is a Maotou boy who wants to use him to practice sword...

This is too unbelievable.

Things that have never happened before!

He was also unheard of!

He is very strong, but can this be a reason to practice sword?

What kind of sword do you have?

If you let others know, you will probably drop your chin!

Such a provocation to kill Shen Ye Zhantian!

Use him to practice swords? ? ?

Didn't wake up?

Still dreaming?

Ye Zhantian's body was trembling, but he couldn't get angry even though he wanted to be angry.

I even wanted to laugh a little.

It has always been a murderous image in anyone's mind.

Everyone must be afraid of him!

The Garrison family also kept him in a dark cage... After

coming to the world, he became even more unscrupulous.

No one can help him.

However, someone who provokes him...

"Who are you... Who are you? From the Tiance Mansion? Or from the Baolong clan?"  
According

to Ye Zhantian's analysis, Levi Garrison should have a very background.

As soon as he checked, Xuanyuan Qingya who was next to him was from Tiance Mansion's kung fu, and even had something to do with Tiance Superintendent.

But Levi Garrison couldn't tell.

Therefore, he judged that Levi Garrison was from Tiance Mansion or Baolong clan.

Levi Garrison shook his head, "Neither! Just use you to practice

swords! What is it for? What do you do to investigate the account?" "Don't worry! I'll keep it up! Just try the sword with you! I will never kill you! Or seriously hurt you. Yes! I can guarantee this! My friend can also testify!"

Levi Garrison said seriously.

Xuanyuan Qingya next to her also nodded seriously, "I testify! He will never kill you or seriously hurt you!"

"Puff!"

"Hahahaha..."

Ye Zhantian was amused .

This situation has never happened before!

An unprecedented first experience!

Someone promised not to kill him, hahaha...

Isn't this a guarantee he gave to other people before?

Of course, this is after the opponent becomes his prey...

Doesn't this mean that he is the prey in the eyes of others?

Is it someone's tool toy?

That's why they guarantee this?

provocative!

The biggest provocation!

Now any words of Levi Garrison have become the sharpest weapon, violently provoking Ye Zhantian! "Very well, boy, you have become the first person I want to kill the most!"

# Chapter 2497

Ye Zhantian was completely angered!

With his murderous heart, no one can save Levi Garrison.

Not even the king of heaven, Lao Tzu!

“What are you talking about so much nonsense? Come on now! My sword is already hungry and thirsty!”

Levi Garrison couldn't help it.

But his behavior provoke Ye Zhantian more and more.

“Ah!!!”

“I will definitely kill you!!!” After

Ye Zhantian got angry, his momentum skyrocketed!

It's as if Thor's Hammer is about to crush the darkness...

terrible!

too frightening!

Xuanyuan Qingya felt the terrifying pressure like the sky collapsed, and her body was trembling uncontrollably.

This is comparable to the aura of her father taking the supreme holy medicine!

Doesn't that mean that Ye Zhantian is a bit better than his father...

even more than...

after all, the supreme holy medicine is terrible!

Ye Zhantian stabilized his father!

Levi Garrison also noticed that Ye Zhantian was better than Tiance God Commander...

it was comparable to the God of Forbidden Land No. 76...

and Levi Garrison could feel the energy fluctuations in his body.

He can become stronger with his fighting spirit and emotions!

It is the best candidate to try the sword!

“Die!”

Ye Zhantian struck down with a punch.

It was as if a Taishan mountain blasted Levi Garrison to pieces by a huge oppression.

The terrifying power and aura directly blocked Xuanyuan Qingya, unable to move...

If she had nothing but death to Shangye Zhantian.

Maybe you can't even practice resistance.

This time I really knew Ye Zhantian's power.

It is indeed the existence that changes the rules of the gods as soon as it appears!

“Well...”

Levi Garrison was excited.

“Boom!!!”

Ye Zhantian smashed a sturdy punch, but was blocked by invisible power just before Levi came.

He couldn't move forward for half a minute anymore, and was blocked tightly.

Block it out of thin air?

There is no real object at all, how did it do it?

Just as Ye Zhantian was puzzled, fluctuations began to appear in front of him, like a stream of water, gradually showing up.

A long sword finally appeared!

Divine Tribulation has appeared!

It was this sword that blocked his punch!

The power of a punch just now encountered this sword, as if a mud cow entered the sea... it was

gone in an instant!

“Boom!!!”

Suddenly the Divine Tribulation trembled, and the terrible power shook Ye Zhantian away!

“Buzzing...”

Shen Jie began to tremble, roaring excitedly.

Levi Garrison was also very excited.

I finally found someone who could make do with the sword!

“Come on!”

Levi Garrison slashed out with a sword out of thin air!

Did not add any strength and skills.

It is completely God’s own power! “

” Presumptuous!!! “

Ye Zhantian also put away his contempt for Levi Garrison.

After the sword appeared, he knew it and was extraordinary.

This sword is terrifying.

His figure skyrocketed!

The momentum is like a dragon and a tiger, assaulting the sky!

.....

“Boom!”

“Boom!”

“Boom!”

.....

Next is the boom!

I have to say that Ye Zhantian is very strong, allowing Levi Garrison to test the performance of the sword one by one.

Including the use of the power within the

tribulation ... Levi Garrison was just trying the sword, and didn't want to kill him.

Therefore, the two have been in a stalemate...

Levi Garrison is fine, but Ye Zhantian is anxious.

Faced with a junior in this place, he had been fighting for so long, but he couldn't attack it for a long time.

If this continues, it will definitely become a shame!

“No!!!”

“Isn’t he going to try the sword? I ruined it! Defeat him!”

Ye Zhantian had no other thoughts in his mind.

Just want to defeat Levi Garrison.

“Boom!!!”

He suddenly pumped from his body.

A crimson war knife appeared...

“This knife is called Killing Blade! It is contaminated with the blood of thousands of creatures! It is the most terrifying weapon! The gods of Tiance held the Heavenly Sword and lost to me!

” Today I will take the killing knife to destroy your weapon!” “Come on, tell me the name of your weapon!”

## Chapter 2498

After Ye Zhantian pulled out the killing knife, his entire popularity skyrocketed dozens of times.

Personal combat power is at its peak!

That’s right!

Ye Zhantian, who is holding a killing knife, is afraid of everyone in the Garrison Clan!

This is his most terrifying time!

No one can beat it!

At the beginning, the ancient Garrison Clan was able to lock it, first of all, it was successful after he designed his knife.

Otherwise, it is estimated that he can't be put into a dark prison!

When the killing blade appeared, Xuanyuan Qingya only felt dizzy and even blank in her consciousness.

Through the knife, she saw the scene of thousands of creatures struggling and the sea of blood, and the roar of countless resentful spirits could be heard in her ears.

She felt like her soul was sucked into this knife.

As expected to be the killer that defeated the Heavenly Sword!

Faced with Ye Zhantian pulling out the killing knife, Levi Garrison just smiled, "Want to know the name of my sword? Do you deserve it?"

Tell the truth!

Divine Tribulation is known as the Tribulation of the Gods!

It is aimed at the gods of the gods laboratory!

Ye Zhantian is indeed unworthy!!!

But Levi Garrison is very interested in killing the sword!

Much better than Heaven Sword and Earth Sword!

Add another sum for yourself to try the sword!

very nice!

Ye Zhan is really good!

Raise your brains and come up with everything to try the sword for yourself!

What a great person!

“Give me to die!!!”

Ye Zhantian has been angered to the most terrifying level.

Holding a killing knife to destroy Levi Garrison.

“Come on!”

Levi Garrison waved out with the Divine Tribulation!

“Clang!!!” The

two artifacts slammed together, making a sharp sound.

If Xuanyuan Qingya hadn't resisted strongly, she was afraid that she would vomit blood on the spot.

“Boom!”

“Boom!”

... the

surrounding mountains and peaks were all flattened!

The woods burst into pieces...

“Kacha!!!”

Immediately, a clear voice came out.

A weapon is broken!

Ye Zhantian's face was unbelievable, and the killing knife in his hand was broken in half!

Lost? ? ?

"Puff!" The

next moment, Shen Jie rushed through the broken killing knife, and slashed Ye Zhantian with a sword.

Suddenly blood spurted out.

It was completely absorbed by the divine calamity!

Divine Tribulation was beating with excitement, and it made a roar of swords...

This was the first time Divine Tribulation had seen blood!

It's a good time to open the seal!

Successfully tried the sword!

Levi Garrison can also be regarded as a stop!

Otherwise, this sword would definitely kill Ye Zhantian!

"Boom!!!"

Despite this, the tremendous pressure of Shen Jie suddenly bends Ye Zhantian's waist, causing him to directly kneel to the ground.

Both knees plunged deep into the ground.

Kneeling in front of Levi Garrison!

"Well, the sword test was successful! Not bad!"

Although the target of the sword test is not so perfect!

But after all, he managed to reluctantly try the sword and succeeded.

Especially the appearance of Killing

Sword , to make up for Ye Zhantian's lack of strength... Otherwise, Levi Garrison will try the sword and get to Tiance Mansion.

Convene a large group of masters... it

would be troublesome to think about that!

And the effect will not be good!

The effect of Ye Zhantian's sword test this time was really great!

Even Divine Tribulation is trembling non-stop!

Obviously Shen Jie was also excited.

I also feel that the sword test was successful!

"The guarantee I said is here, I won't kill you or hurt you seriously! I've got you a little bit injured!"

"Give him some medicine from the Tiance Mansion!"

Levi Garrison shouted at Xuanyuan Qingya.

Xuanyuan Qingya obediently took out a bottle of medicine and threw it to Ye Zhantian who was kneeling on the ground!

After doing all this.

Levi Garrison and Xuanyuan Qingya left.

But Ye Zhantian, whose knees were sinking into the ground, was about to cry!

His face was pale and bloodless, and his eyes were all blank and loose after the defeat...

His whole human soul was not possessed... It was  
like a walking corpse!

This is the most terrifying state of human beings...the  
heart is lost...the  
human heart is dead !

The most collapse is but this...

“Ah!!!”

“I was defeated!!!”

“Puff!”

Anxious fire attacked his heart, and a mouthful of blood spurted out!

“I...oo...”

Cried! Ye Zhantian cried!

## Chapter 2499

right!

That's right!

Ye Zhantian made Levi Garrison cry!

A generation of killing gods actually cried!

unimaginable!

If this matter spreads out, who will believe it?

He was beaten and cried...

cry like a child, as if a lollipop was robbed...

especially to be known by the people in Lingnan just now, afraid that he would drop his chin?

He cried?

How can this be? ? ?

humiliation!

Wronged!

emptiness!

lonely!

A deep sense of powerlessness!

...

This is how Ye Zhantian feels now!

He was so helpless and wronged!

Being played as a toy by others, but there is nothing I can do about it!

Lost!

He unexpectedly has one day of defeat!

Lost to a young man!

Everything that I am proud of is so vulnerable in the hands of others... This is the

strength, and so is the weapon!

The gap is really too big...a

sense of powerlessness!

A deep sense of powerlessness!

Your enemy is standing in front of you, and you do your best, let alone kill him, it is impossible to get close!

What's more, you know that your enemy is so powerful that you can't match it in your life...

Just defeating him, even the power of a finger is useless!

What kind of despair is that...

Looking at the medicine bottle on the ground, the picture just now appeared, and the words just now sounded in my ears.

He is getting more humiliated!

Crying louder!

"Brother, why are you crying? Isn't it just a little skin trauma? Just go to the hospital to bandage and bandage!"

"It's really not a man! Just a little bit hurt, crying like this?"

"Not as good as my kids... ...Cry so loudly?"

...People

passing by saw where Ye Zhantian was kneeling and crying and couldn't help but say.

The words of these people came to Ye Zhantian's ears.

He cried more loudly...

“Trash! What a trash! You cry for this injury?”

“I don’t brag about it! I don’t even cry like that when I see the god of death Ye Zhantian?”

“Me too! Will you cry even if you get hurt? It’s not a man!”

...

More and more people around began to despise Ye Zhantian!

After crying enough.

Ye Zhantian finally stood up.

Now that he is in this state, go to the ten big mountains in southern Xinjiang...

Ye Zhantian picked up the broken killing knife and left dingy.

He returned to the capital...

the capital was bustling at night.

The Garrison Clan bought all the fireworks in the capital and set them off...

there are fireworks all over the capital in the sky...and it’s so

lively!

But after Ye Zhantian saw it, he was not happy at all.

On the contrary, the humiliating eyes are all red...

“Huh?? How did you come back, ancestor?”

“Brother, why did you come back?”

... In the

Garrison Clan mansion, seeing Ye Zhantian coming back, everyone immediately surrounded him.

But the range is within one meter.

Only a few elders who came from the ancient Garrison Clan with Ye Zhantian dare to stand closer to him.

It was Ye Longtian who called Senior Brother Ye Zhantian, who was also Ye Wudao's master!

Ye Wudao, Ye Lingtian and the others leaned over.

All of them looked at the Killing God in fear.

Even if they belong to the same clan, they are also afraid...

This is different from other people...

But Ye Zhantian at this moment, everyone can see that something is wrong.

The usual hostility and murderous intent on his body is completely gone.

It feels easy to get close...

and everyone faintly feels that he is sad, as if he has been humiliated...

How is this possible?

Will Killing God Ye Zhantian be humiliated?

Who would believe it?

Ye Long day looked at him and asked, "Brother in the end how? Lingnan you not to conquer the land, to go ten southern mountains, went on to conquer the Hmong do? How come back?"

"Yes, we see that you do not seem to mind high ...Difficult... Did something happen..." the

others asked tremblingly.

For fear of angering this killer god!

Everyone was looking at him in unison. If something goes wrong, there must be a demon!

## Chapter 2500

At this moment, Ye Zhantian suddenly raised his head, his eyes shot sharp gazes.

Everyone was shocked!

“Nothing!”

“Besides, can you talk about my business?”

Ye Zhantian said.

Everyone in the Garrison Clan shuddered with fright, shuddering!

“For the time being, Garrison Clan is low-key! Don’t open up the land anymore, conquer this place, I want to rest!”

Ye Zhantian left a sentence and left.

He originally thought that when he came out, he would definitely sweep everything.

But who could have imagined that such a strong person would appear in just a few days and be forced to subdue him!

It seems that this secular world still has a lot to provoke.

Everyone was dumbfounded.

This is not like Ye Zhantian’s style at all!

He wants to keep a low profile?

unimaginable!

But this is his order, everyone must obey it!

“Master! The day after tomorrow is the time to clean up Levi Garrison and Levilia, Uncle He...”

Ye Wudao said.

“Well, I’ll remind him later...”

Ye Longtian nodded.

“That’s right! Master still has that thing...you too...”

Ye Wudao stopped talking.

“Don’t worry! Leave it to me!”

Ye Zhantian came to rest in his yard, but Levi Garrison’s shadow was always in his mind.

Who is he?

Why is it so powerful?

And where did his weapons come from?

Is it so strong?

.....

At this moment.

There was a sound of footsteps.

Ye Longtian is here.

He was the only one among so many people present who dared to come to Ye Zhantian.

After all, the relationship between brothers and sisters.

“What are you doing here?”

Ye Zhantian is very annoying now, and said irritably.

Ye Longtian didn't mean anything, and directly said, “Brother, I'm here to find you two things—First, deal with Levi Garrison and take away Levilia. The day after tomorrow...”

Ye Zhantian nodded, “Well, I know, personally. I will go! Levi is here to see how arrogant is? And how high is the child's talent...”

“There is one more thing?”

“The second thing is that I am innocent and Ye The descendants of the clan all want to see and see your killing sword... You can satisfy their curiosity...”

Ye Longtian said.

“What? Kill the knife... Puff through...”

Ye Zhantian staggered directly to the ground when he heard the word “Kill the knife”.

The scene he didn't want to recall in his whole life suddenly appeared in his mind...

Which pot should be opened or not...

This just

stabbed Ye Zhantian's weakness... A stab stabbed his wound fiercely.

“Ah? What's wrong with brother? It seems that you are very excited when you mention Killing Blade? Did something happen?”

Ye Longtian saw a clue.

Ye Zhantian shook his head, "It's okay...just thinking that these children are so courageous, they want to see my killer..."

"They are just curious, what does the legendary killing knife look like...Would you like to satisfy their curiosity? I have promised them, it's not easy to shirk..."

Ye Longtian looked at the brother pleadingly.

Ye Zhantian was forced to be helpless and had no choice but to agree.

If you don't agree, I'm afraid the juniors will become more suspicious!

Soon, Ye Longtian gathered Ye Wudao, Ye Lingtian and others, and brought them to Ye Zhantian's yard.

Everyone gathered in a group, looking at Ye Zhantian expectantly.

"Everyone, be careful! Brother's killer killed thousands of people and gathered too many resentful spirits! Standing too close makes it easy to lose yourself and be controlled by the killer..."

Hearing Ye Longtian's reminder.

Everyone took a few steps back.

"Okay, I'll take out the killing knife and take a look!"

Ye Zhantian took the killing knife out unhurriedly.

The terrible breath immediately swept the audience.

"Ah? What's the matter with brother? How did the killing knife break? When did it break?" Ye Longtian's startled voice came out...
