The One and The Only Chapter 431 - 440

But at this moment, Yash Nics had already taken a kick and hit Li Sanpao in the knee.

Click!

The scalp numb bone fracture sounded, Li Sanpao's knee was directly kicked to pieces by Yash Nics, and he knelt on the ground with a scream.

Yash Nics kept walking, holding a black umbrella, passing by Li Sanpao who was kneeling on the ground.

Whoosh!

Another person stabbed Yash Nics's lower abdomen with a dagger.

Yash Nics raised his hand, grabbed the opponent's wrist, and snapped the opponent's hand with a click.

"

Ah- " With a scream, the man also screamed and backed away.

Yash Nics was holding an umbrella, like a passerby on the street on a rainy night, without paying attention to Li Sanpao and others at all.

He just wanted to walk towards Su Meiniang. Anyone who blocked the way would just kick it away.

When he walked in front of Su Meiniang, Li Sanpao and the others had all fallen to the ground, either with broken hands or broken feet, groaning painfully on the ground one by one.

Su Meiniang could see her blood spurting, her heart beat faster and her face flushed as if she had drunk strong wine.

Yash Nics walked to Su Meiniang, and the black umbrella also covered the rain on top of her head.

Su Meiniang said excitedly: "Mr. Yash, fortunately you came in time, otherwise I will be in danger."

Yash Nics calmly said: "It's okay, let's go!"

Su Meiniang noticed that Yash Nics came alone, and she was in a hurry. Said: "We can't go out in an open manner. In this city, there are many people looking for me everywhere. If they are allowed to see us, we will be over."

Yash Nics looked at Su Meiniang and said faintly: "Why can't I be open and honest. Go out, did you rob and kill?"

Su Meiniang shook her head subconsciously: "No!"

Yash Nics asked again: "You committed a crime?"

Su Meiniang still shook her head: "No!"

Yash Nics said calmly, "Since there are none, why can't you just go out and let's go!" "

Su Meiniang opened her eyes wide when she heard this. She is like a mouse crossing the street tonight, hiding in Tibet, very afraid of falling into Lei Tianzhao's hands.

At this moment, she looked at Yash Nics's determined gaze and nodded heavily: "Okay, I listen to Mr. Yash!" The

two had just walked out of the alley under their umbrellas.

Seven or eight off-road vehicles came roaring down the street, and more than 30 murderous guys came down. These were all people who came to support Li Sanpao upon hearing the news.

Su Meiniang suddenly became nervous and looked at Yash Nics: "Mr. Yash?"

Yash Nics said lightly, "Don't worry about it!"

Yash Nics's voice fell, and another Bentley and a dozen vans whizzed up.

Nearly a hundred men came crashing down in the van, and the headed one was Dong Tianbao's number one horse, Shi Qing.

an instant, Shi Qing's gang rushed towards the people of the Four Seas Group like wolves, and the two sides fought together...

Dong Tianbao also got out of the Bentley at this time. He lowered his head and opened the door for Yash Nics and Su Meiniang, and respectfully said: "Master, please get in the car!"

The cheongsam on Su Meiniang had been completely wetted by the rain just now, although Dong Tianbao is now She lowered her head and dared not look at her, but she was still very embarrassed and hid beside Yash Nics.

The Bentley sedan drove to the river bay scenery in a hurry.

Su Meiniang's dress was soaked, and the man driving in front was still a big beard. She was shy and wanted to rely on Yash Nics.

But Yash Nics looked at her, who was trembling with the cold, but took off the suit jacket and covered her body first, and said faintly: "If you are cold, put it on first!"

Su Meiniang was a little discouraged, and countless men worshipped her on weekdays. Under the pomegranate skirt.

Although she is not as pretty as Song Pingting, she is definitely a charming stunner.

It's a pity that Yash Nics didn't look at her from beginning to end, and his eyes were extremely clear from beginning to end, and he obviously didn't have any distracting thoughts about her.

This made her very frustrated and regrettable.

She bit her lip and said softly: "Mr. Yash, do you not like me?"

The One and The Only Chapter 432

Yash Nics calmly said: "We meet in peace, and I don't like it or not. And I already have someone I love, so you don't want to ask me this kind of question again."

Su Meiniang was a little disappointed. It was the first time she met a man who was shocked, but it was a pity that they already had a wife.

Soon, arrived at Su Meiniang's villa.

Yash Nics said, "Go back. I have ordered Tianbao to send someone to protect you. You are safe."

Su Meiniang reluctantly got out of the car wearing Yash Nics's coat, looked at Yash Nics, and said softly, "Mr. Yash, Thank you tonight, goodbye."

Yash Nics nodded and told Dong Tianbao: "Go to the hot spring club and settle accounts with Lei Tianzhao."

Dong Tianbao: "Yes!"

Su Meiniang tightly hugged Yash Nics's coat, looking forward. As Yash Nics's car disappeared from the field of vision, she muttered to herself: "Some people are like the bright moon in the sky, they can only admire, but not own."

Late at night, the rain pattered.

Yash Nics slowly gathered the umbrellas, and asked faintly: "This is the place of the Sihai Group?"

Xiaopingtou was a little surprised: "

Hey , your kid also knows the Sihai Group?" He looked up and down Yash Nics with interest, hehe. He smiled and said: "Looking at your fine clothes, maybe you are the son of a big family?"

" Have you heard of the greatness of our Sihai Group and want to join our Sihai Group?"

Several companions around Xiaopingtou looked at Yash Nics grinned and said: "Boy, our Four Seas Group only accepts mercenaries who come back from the battlefield, and the worst is to graduate from martial arts school."

Tang Tianquan smiled politely at the surrounding guests: "Look, you are not suitable to stay here to drink tea tonight. Let's go away. Give you one minute."

She deeply knew that these people in front of her were all demons.

These people are lustful, killer, violent, and drink human blood, which is really terrifying.

Su Meiniang gritted her teeth: "Second Young Master Tang, this matter has nothing to do with them. You can let them go. Whatever comes to me is fine."

Yang Susu and others were anxious, and said together: "Master, no. "

Tang Tianquan picked up the teacup, took a sip of the tea, and sneered: "My deli subordinate Lei Tianzhao is dead, and none of you are innocent."

"My patience is very limited. If you don't call again, , Then I can only indulge my subordinates to do whatever they want with you."

Su Meiniang bit her head and said, "It's useless for you to force me, because I don't have Mr. Yash's phone number at all!"

Tang Tianquan smiled, "It doesn't matter, since you don't. If you are willing to call Yash Nics to die, then I'll go find him in person later."

"As for you and your female apprentices, all of your clothes are taken off, and I will accompany my men to hold an uncovered meeting tonight. Alright."

Su Meiniang's face changed drastically again upon hearing this, and it became very ugly.

Su Meiniang's eyes were splitting, and

she screamed: "Xiaowei!" Yang Susu and other female tea artists also started to cry with fright.

Tang Tianquan stood up with a sneer, and ordered the four heavenly kings and a group of subordinates behind him: "There are so many beauties here, what are you waiting for? Have fun!"

Maitreya smirked and said, "Hey, master, this charming stunner Su Meiniang, Do you want to leave it to you?"

Tang Tianquan curled his lips: "I can't look down on her. It is said that Yash Nics's wife, Song Diting, is very beautiful and is known as the Goddess of the Sea. I am more interested in Song

Diting." Guishou Jiejie smiled and said: "That Get here, let's go to Yash Nics's house again, kill Yash Nics, and play with Yash Nics's wife!"

Tang Tianquan and the others couldn't help laughing after hearing Ghost Hand's words.

But at this moment, with a sneer, a little red light shot through the air.

Before the ghost hand had time to dodge, the bullet-like red glow hit him in the mouth, slapped it, and sparks splashed everywhere.

The ghost hand also screamed "Oh," and his mouth was burned into a big bubble.

His gaze fell on Tang Tianquan: "The Tang family is the one I've seen the most deadly, and your Tang family has not taken my warning seriously until now."

Tang Tianquan sneered and said loudly: "Warning? You said. Let us retreat completely within a month, and still want my dad to kneel down and beg for mercy?"

“Haha, Yash Nics, you really take yourself seriously. I will let you know who is Jiangnan tonight.” The master of the province!”

Yash Nics looked at Tang Tianquan and his party, and chuckled, “It’s up to you?”

Tang Tianquan coldly snorted, “ It’s enough to kill you a hundred times with my subordinates, Guishou!”

Guishou heard the master point. Then, he immediately responded: “The subordinate is here!”

After saying that, he had already left the queue grinningly, staring at Yash Nics sullenly, and strode over.

Guishou Jiejie sneered: “Boy, you dare to attack me with a hidden weapon, I want to dig out your heart!”

After speaking, he suddenly accelerated, speeding up to the extreme, and rushing towards Yash Nics like a ghost. .

With his right hand like an eagle’s claw, he dug into Yash Nics’s heart fiercely.

Su Meiniang, Yang Susu and others couldn’t help but exclaimed on the spot, and many people even covered their eyes and couldn’t bear to look.

I was afraid to see Yash Nics, like Zhang Wei, being dug out and eaten by ghost hands.

Seeing Guishou’s right hand, he was about to touch Yash Nics’s chest.

Yash Nics raised his hand and clasped Guishou’s wrist.

The ghost hand’s right hand was only three centimeters away from Yash Nics’s chest, but he couldn’t advance any further, and Yash Nics was squeezed to death.

The ghost hand was startled and angry, staring at Yash Nics: “You!”

He was about to use his other hand to attack Yash Nics.

However, Yash Nics had already raised his foot at this time.

One knee hit the ghost hand's scrawny chest fiercely.

boom!

Yash Nics's flying knee hit the chest of the ghost hand, making a sound like hitting a wood.

However, the strong power of Yash Nics's knees penetrated the skin and bones of the ghost hand straight into the chest of the ghost hand.

The incomparable strength, like a storm, shattered the internal organs in the chest of the ghost hand.

The ghost hand shuddered like an electric shock, hummed and then exited.

Everyone at the scene couldn't help but keep their eyes wide open.

Even Su Meiniang and Yang Susu were surprised.

Tang Tianquan frowned and asked, "Ghost, are you okay?"

Guishou shook his head hard, and insisted on saying that I'm okay.

Then he stopped, just wow, and vomited a mouthful of blood.

In the blood, there are still fragments of the lung lobes!

After spitting out the blood mixed with visceral fragments, the vitality in the eyes of Ghost Hand quickly disappeared.

Finally, he fell to the ground slowly and died on the spot.

Tang Tianji and others were shocked and angry, looking at Yash Nics together.

Yash Nics's face was calm. When he came in just now, he heard the insult to Song Pingting by the ghost hand, so he made the move just now and didn't give the ghost hand a chance to survive.

Tang Tianquan's eyes widened, his voice and expression were stern: "You dare to kill my powerful hero!"

The One and The Only Chapter 438

Yash Nics said lightly: "The murderer should have the consciousness of being killed. When you killed the security guard and the tea artist just now, didn't you think that you would have this moment?"

Tang Tianquan was extremely angry. And laughed: "Haha, well said, the murderer should have the consciousness of being killed."

"You killed me Deli Lei Tianzhao and Guishou, now it's time for you to pay the price!"

Tang Tianquan said. Shen Sheng asked the remaining three heavenly kings: "Who wants to kill Yash Nics and avenge Lei Tianzhao and Guishou?"

Guishou's strength is the weakest among the four heavenly kings.

However, even though the ghost hand was relatively weak, Yash Nics killed the ghost hand when he met him.

Still letting the other three kings hesitate, no one dared to ask Yash Nics to single out for a while.

The corner of Yash Nics's mouth rose slightly: "Let's go together, I have no time to play with you!"

Maitreya's smile froze, his iron face panted like a beast of anger, and Akao's face became more gloomy.

Seeing that Yash Nics was so arrogant, Tang Tianquan took the initiative to single out his three heavenly kings. He sneered: "Hehe, I thought I was crazy enough, but I didn't expect you to be mader than me, then I will fulfill you!

" Maitreya, Tiemian, and Akao worked together and unloaded him."

Maitreya took a breath, and his bloated body became rounder in an instant.

He is as round as a ball, like a giant toad, squatting down slightly.

There was a loud bang on the ground under my feet!

Like a flying toad, Maitreya rushed towards Yash Nics like a cannonball, with amazing aura.

Maitreya's toad gong is extremely defensive, comparable to the golden bells and iron cloth shirts. His hard qigong can resist swords and guns.

With this trick, flying toads can directly smash a cow into mud.

Su Meiniang, Yang Susu and others, even Dong Tianbao and Shi Qing, couldn't help but worry about Yash Nics.

But at this moment, Yash Nics kicked it high, shocking the world.

Snapped!

There was a thunderous explosion.

The chubby Maitreya was hit by Yash Nics's kick, instantly like a deflated balloon, all bones and internal organs were shattered.

The whole person is like a puddle of mud, sticking to the right foot that Yash Nics kicked high.

It turned out that Yash Nics's power was very terrifying.

And it was a sudden rush, so Maitreya completely withstood the power of this horror, did not fly out, and the corpse hung limply on the right foot kicked out by Yash Nics.

Everyone at the scene opened their eyes wide, and their eyes were about to stick out.

If the ghost hand was killed in a spike just now, and everyone was barely able to accept it, then Yash Nics kicked Maitreya to death, which is really a bit scary.

Whoosh!

Akao moved, as fast as lightning, ran a few steps, then jumped high, volleyed, and kicked Yash Nics's chest quickly.

Yash Nics raised his hand, grabbed the kicked foot of the opponent, and then hit the opponent's calf with a fist with his right hand.

With a click, Akao directly broke Akao's calf.

"Ah!"

Akao couldn't help screaming!

Kaka Kaka Kaz... The

sound of bone breaking continued to sound, and Yash Nics's limbs and neck were all broken off by Yash Nics, and they were thrown on the ground like a writhing doll.

"Wow!"

The iron face wearing the hood, ran like a giant beast, swiping a fist larger than the head of an ordinary person, and slammed at Yash Nics fiercely, and roared: "Give me to die!"

Yash Nics raised his hand and fisted to meet the big iron-faced fist.

boom!

The fists of the two collided fiercely.

Yash Nics's figure stood still, but instead was an iron face that was much larger than Yash Nics's body. He snorted and retreated staggeringly.

The right arm of the iron noodles slumped down like cooked noodles.

If there is an X-ray device on site, the bones of the right arm of the iron face can be clearly seen, like glass that has been smashed, all shattered.

The moment Yash Nics retreated, he chased after him, following him like a shadow.

He kicked his right foot on the ground, the whole person leaped high, his right arm elbow, condescendingly, hit the iron-faced Tianling cover fiercely.

Snapped!

The iron-faced head split, the neck was gone, and the whole head was smashed into the body, making it short for no reason.

Yash Nics quickly fell back to the ground, and the iron face behind him, like a towering tree felled, slowly tilted and crashed to the ground.

The One and The Only Chapter 439

Shi Qing and several of his subordinates saw blood spurting, and all of them were full of excitement, muttering to themselves: "Strong, too strong, Mr. Yash is really too strong!"

Dong Tianbao was also full of blood, looking at Yash Nics with admiration on his face, and proudly said: "Of course, you don't look at who Mr. Yash is!"

Su Meiniang, Yang Susu and a group of beautiful women did not get bloody scenes. Frightened, instead, they flushed and looked at Yash Nics with brilliant eyes.

In primitive times, the powerful warriors who returned to the tribe with their blood on their backs carrying the corpse of the beast were most favored by tribal women.

Although it is the age of civilization, the genes that advocate blood and violence are still hidden deep in the hearts of women.

At this time, Su Meiniang and a group of beautiful women looked at Yash Nics in admiration, and they wished to rush up to dedicate themselves to him.

The most shocking of the audience was Tang Tianquan.

Tang Tianquan was stunned, his eyes popping out.

The storm in his heart was even more turbulent, and Yash Nics actually killed all the four heavenly kings under him.

He couldn't accept this reality, looked at Yash Nics in horror, constantly shaking his head, and muttering to himself: "Impossible, impossible, there can be no such strong, these are my four heavenly kings!"

Ning walked over toward the right TANG, cold, said: "I've warned you Tang, you should not have fallen on deaf ears when I say, you should not have to mess with me in the sea, but should not you hit my wife's idea,"

TANG right Looking at Yash Nics who was murderous and Ling Ran, he realized something and panicked. He just opened his mouth and wanted to ask for mercy.

However, Yash Nics has already taken a kick.

boom!

Tang Tianquan was kicked in the chest by Yash Nics, and his whole body flew out like a kite with a broken line.

Finally, he hit the wall heavily, and the wall appeared cobweb-like cracks, and then Tang Tianquan's body slid down along the wall.

Tang Tianquan's men, seeing this scene, made their legs tremble in fright.

Some people even couldn't help it anymore and were scared to pee.

But no one dared to scream and looked at Yash Nics in terror with their mouths covered.

I was afraid that a little noise would attract Yash Nics's attention and be obliterated by Yash Nics.

Yash Nics glanced at the trembling group of people, and said indifferently: "Bring the body back to the provincial capital and tell Tang Beidou that there are 28 days left before the Tang family retires!" These

guys did not dare to say anything. , One by one quickly took the bodies of Tang Tianquan and the four heavenly kings, and fled in embarrassment.

Su Meiniang brought Yang Susu's apprentices over and thanked Yash Nics.

Yash Nics said indifferently: "Don't thank me, I came to retrieve my coat by the way."

Yash Nics handed the mess at the scene to Dong Tianbao and Su Meiniang to clean up, and he left first.

When he came out of Guanyunxuan Teahouse, there were three black jeeps parked on the side of the road. Dianchu and Bahuwei were waiting for him to come out and escort him back.

Yash Nics got in the car and told Dianchu: "Go home!"

Dianchu said solemnly: "Yes, master!" The

three jeeps quickly drove towards the Jiangbin Garden Community without worry.

On the road, Dian Chu said respectfully to Yash Nics: "Master, there is something to report to you."

Yash Nics closed his eyes, his figure swayed slightly as the jeep bumped, and said faintly: "Say!"

Dian Chu said : "The Navy of the Houtian Jiangnan Military Region has a Type 055 destroyer officially in service. General Liu Zhenping, the commander-in-chief of the Jiangnan Military

Liu Zhenping!

General Huaxia, the commander-in-chief of the Jiangnan Military Region.

In terms of military rank, Yash Nics, a young marshal in the North, is one level higher than Liu Zhenping.

In terms of positions, Yash Nics is the commander-in-chief of the Northern Territory and Liu Zhenping is the commander-in-chief of Jiangnan. The two are considered equal.

On friendship, Yash Nics and Liu Zhenping once went abroad to participate in international joint exercises.

At that time, foreign hostile forces tried to take the opportunity to kill Liu Zhenping, but at a critical moment, Liu Zhenping was rescued by Yash Nics.

Therefore, Liu Zhenping and Yash Nics are considered deadly friendships.

In the past, Liu Zhenping also respected and admired Yash Nics very much, and regarded Yash Nics as his brothers.

Yash Nics opened his eyes and smiled slightly: “This is our third Type 055 destroyer in China, right?”

Dian Chu nodded, “Yes!”

Yash Nics smiled, “For the navy brothers in Jiangnan, It is another great weapon!”

“This moment is of great significance, and I have a deep friendship with General Liu. Since he invited me to participate in the destroyer’s service ceremony, then I must go.”

“You help me tell him that I will the day after tomorrow. Bring your family and attend the ceremony.”

Dian Chu said loudly: “Yes!”

At nine o'clock in the evening, Yash Nics returned home.

In the living room, Song Pingting and Song Qingqing, Song Zhongbin, Ma Xiaoli, and Tong Ke are discussing where to travel?

It turns out that the day after tomorrow is the birthday of his daughter Song Qingqing.

Song Pingting wanted to take advantage of this time when work was not so busy, and the family went out for a trip to celebrate Song Qingqing's fifth birthday.

Seeing Yash Nics's return, Song Pingting immediately asked Yash Nics's opinions and asked Yash Nics if she had any good suggestions.

acquired?

Isn't the day after tomorrow when the Type 055 destroyer will officially enter service at the Dongjiang Naval Base in Jiangnan Province?

Yash Nics immediately said: “The child is still young, it is not appropriate to travel too far away. I suggest we go to Dongjiang City!”

Song Pingting and the others readily agreed, and Tong Ke said with a smile: “Good Dongjiang, Dongjiang is In the seaside city, we can go to the seaside to play.”

Song Qingqing clapped his palms when he heard the words, and shouted cheerfully: “Go to the sea to play, go to the sea to play, the teacher said that there are warships in the sea. Dad, we are at the seaside, you take Can I play on the warship, okay?”

Yash Nics smiled and said, “Okay, I will take you on the warship to play.”

Song Qingqing was ecstatic: “Really?”

Yash Nics smiled and said, “Of course!”

Song Qingqing became excited: "Oye, my dad is so handsome. My dad said he wants to take me on a warship. I'm looking forward to it."

Song Zhongbin and Ma Xiaoli both laughed and didn't take it seriously.

Song Pingting glared at Yash Nics, lowered her voice and said grotesquely: "Have you never heard the story of Zeng Shen killing pigs? Parents must

believe in their children, not talking to deceive them." Yash Nics laughed and said, "I didn't lie to the child. I'll really take her to the warship."

Song Pingting waved her hand: "Okay, you're bragging with the child. If you're not dead, the duck will not admit that the warship is an ordinary person. Is it possible to go up?"

Yash Nics couldn't laugh or cry after hearing this, but did not excuse it.

...

At this time!

The provincial capital, Tangjia.

Tang Beidou and his eldest son Tang Tianji are playing Go together.

Tang Tianji is careful and meticulous, wise, and good at calculating, so the chess skill is also very good.

However, he played with his father for half an hour, and finally lost to his father by a small gap.

Tang Tianji complimented: "Dad, your chess skills are superb, I can't match it!"

Tang Beidou laughed at the words, "You kid is actually not bad. In the near future, your dad and I will be old, and it will be the world of you and your brother."

Tang Beidou had just mentioned his youngest son Tang Tianquan, and suddenly the old butler Tang San hurried in from outside.

Tang San just knelt as soon as he came in, and said tremblingly, "Master, the second young master..."

Tang Beidou smiled and said, "Is it Tianquan that he is back? With your appearance, it is impossible for Tianquan to take Yash Nics into account. The head is back?"

"This kid, I said that his four great heavenly kings are too heavy to kill one by one. Kill Yash Nics in a low-key

manner . Don't sway the market. He won't listen." Tang San said with a trembling voice, "Master, you As imagined, it was the Second Young Master himself..."

Tang Beidou's smile froze for an instant, and he stood up suddenly, asking in surprise, "What are you talking about, what happened to my son?"

Tang San just lay on the ground and said with a trembling voice: "The second young master, and the four kings are dead. The body was sent back and is now in the front yard!"
