After the vaccine is actually put into production, it will be on the market.

After discussing with a group of company executives, Song Pingting decided to start publicity for Sugon Vaccine and pave the way for sales.

The most common and effective way of publicity is naturally to invite celebrities to endorse, and then advertise on TV media.

But Zhen Mingzhu's endorsement fee is at least 50 million!

And this time, the endorsement price offered by Zhen Mingzhu to Ningda Group is 100 million yuan a year!

Song Pingting felt that it was too expensive, so she set up a dinner with Yash Nics in the Victoria restaurant, invited Zhen Mingzhu to dinner, and personally discussed the endorsement price.

The two parties agreed to meet at 12 noon, but Yash Nics and Song Pingting waited until two in the afternoon.

Zhen Mingzhu, her agent Liu Haitao, and a group of entourage appeared belatedly.

The middle-aged fat man Liu Haitao smiled and said to Yash Nics and Song Pingting: "Mr. Yash, Ms. Song, there is a traffic jam on the road. We are late."

Yash Nics's expression is a little cold. Where can Mannity get stuck in a traffic jam for two hours?

Song Pingting kept etiquette and smiled and said, "It's okay, we just arrived."

Dressed up and dressed in fashionable clothes, Zhen Mingzhu sat down carelessly.

While taking out a small mirror to touch up her makeup, she said impatiently: "Don't talk nonsense, my time is precious. Would you Ningda Group endorsement, how much price you are willing to pay?"

Yash Nics was even more dissatisfied. We waited for you two hours in the restaurant. Is your time precious?

He couldn't help but doubt the quality of this female star, and began to reconsider whether it was appropriate to let her be the endorsement of the Ning Da Group's image?

Song Pingting felt that it was normal for celebrities to have airs, and she knew that the more famous celebrities, the bigger the airs, so she didn't take Zhen Mingzhu's rudeness to heart.

Song Pingting said sincerely: "This is a very fair price, and there is absolutely nothing wrong with Miss Zhen."

Zhen Mingzhu said boringly, and then stood. Get up and say: "The price is too low, I am not satisfied, there is no one billion you don't need to find me."

Chapter 492

Liu Haitao and others also packed their things and left the table. Before leaving, Liu Haitao smiled and said to Song Pingting, "Mr. Song, in fact, your company is so rich, so there is no need to care about this amount of money.

"Miss Zhen Jie loves herself, she has no scandals, and she is as noble as an angel in white. She is the most suitable spokesperson for your company, so please consider it again!"

After speaking, Zhen Mingzhu and his entourage left.

Song Pingting was a little discouraged without being able to negotiate the endorsement on the spot.

Yash Nics comforted her and said, "My wife, I think this Zhen Mingzhu is not very good, and the asking price is high. Otherwise, let's switch to other people to come to the present speaker?"

Song Pingting: "Good!"

After work, Yash Nics and Song Pingting wanted to go home.

However, she received a call from Tong Ke. Tong Ke said that Mannity has opened a new high-end cuisine restaurant and the environment is very good. She invited Yash Nics and Song Pingting to eat food.

Mitsui Ken stretched out his hand and pulled Zhen Mingzhu into his arms, playing with one hand on Zhen Mingzhu's full chest.

He squinted at the majestic Song Pingting, and coveted: "Zhen Mingzhu, is she your friend? Why don't you introduce me to such a beautiful friend earlier?"

"It is useless to say more, the ways are not conspiring, you can do it yourself!" After

Song Pingting finished, she turned and left angrily.

Yash Nics couldn't help but secretly gave Song Pingting a thumbs up. Song Pingting's position had always been firm in front of the big troubles.

Yash Nics narrowed his eyes, and said lightly: "Silly big guy, get out of the way, or don't blame me for being polite."

Yash Nics's words fell on the scene. The group of Dongying people and Zhen Mingzhu couldn't help laughing.

Chapter 496

That night, Xiao Ming personally hosted Mitsui Ken and his party, and everyone was drunk.

After Mitsui Ken was drunk, he had to play with women.

Naturally, Zhen Mingzhu accompanied Mitsui Ken that night!

In the VIP ward of a private hospital, Zhen Mingzhu was crying angrily to her agent Liu Haitao.

As she wiped her tears, she cursed angrily: "That Mitsui Kenzhen is not a thing. He tortured me into what he looked like, and he was stingy to death. I ate and drank and slept with him, and gave me a total of 100,000 yuan. Sending beggars!"

Liu Haitao smiled bitterly: "Who said he is the young master of the Sanhe Consortium? He asked you to accompany her by name, and we dare not refuse!"

"The endorsement fee is more profitable, no need to do anything, just do whatever you want. Thousands and hundreds of millions of dollars are in hand."

Mention endorsement fees!

Zhen Mingzhu remembered the matter of endorsing the Ningda Group. She quickly asked: "How did I endorse the Ningda Group?"

Liu Haitao smiled bitterly and said, "Bow, Song always knows what you are giving. When Mitsui Ken accompanies the wine, I feel that your behavior is detrimental to the dignity of the nation, so I decided not to endorse you.

Liu Haitao hurriedly said, "My aunt, I don't want to maximize my interests. Who knows? There is such an accident?"

Zhen Mingzhu said with a grievance: "No, a million yuan endorsement fee, this is a duck that has already reached its mouth, absolutely can't let it fly away."

Liu Haitao was stunned: "But President Song doesn't plan to use your contemporary spokesperson anymore. Can we still earn this billion endorsement fee?"

Zhen Mingzhu sneered: "Water can carry a boat and it can overturn it. I will give it to Ning University. Group endorsements can give them a good reputation in advertising."

"But if they don't use my contemporary spokesperson, then I will mobilize my fans to discredit their Ningda Group and discredit their vaccines. They say that after their vaccines are given, there will be Side effects are harmful to the body and affect fertility. I think who would dare to use their vaccine?"

Liu Haitao's eyes lit up and he clapped excitedly: "Yes, just do it!"

Lin Wei, assistant to the president, stood up and said: "Mr. Song, I checked it the first time. It was a person from Wenhua Entertainment Company who instigated the fans to spread rumors."

Song Xingting was shocked and angry after hearing this, "So, it is our Ning University. The group does not need Zhen Mingzhu to be its image spokesperson. Zhen Mingzhu and the others are dissatisfied and deliberately used fans to spread rumors to discredit us?"

Lin Wei nodded, "Yes, I called Zhen Mingzhu's agent Liu Haitao privately, and he admitted that they did it."

Furthermore, Liu Haitao also said that cooperation between the two parties will win both sides. Otherwise, it will be two injuries. Let Mr. Song reconsider making Zhen Mingzhu the image spokesperson."

"Also, the endorsement fee they want this time is 200 million yuan per year!" "

A group of company executives at the scene were all in an uproar.

Yash Nics turned to look at Song Pingting: "What do you think of

Song Pingting ?" Song Pingting shook her head: "Zhen Mingzhu has a bad character, so we can't let her be our company's image spokesperson."

Lin Wei and others said anxiously: " So what should we do about the reputation crisis we are currently experiencing?"

Song Pingting looked at Yash Nics for help: "Yash Nics, do you have any suggestions?"

Yash Nics said with a smile, " Leave this to me, I Zhen Mingzhu will make a public apology on TV and restore the reputation of our Ningda Group."

Song Pingting and others opened their eyes when they heard this.

Is it possible for the superstar Zhen Mingzhu to admit to the rumors on TV and to apologize publicly?

Although Yash Nics said that he could handle the rumors by Wenhua Entertainment, Song Pingting was a little worried.

Song Pingting didn't hide her with the other party, she went straight to the point and asked Zhen Mingzhu to stop using fans to spread rumors and stop discrediting Ningda Company and Shuguang Liver Cancer Vaccine!

Zhen Mingzhu was holding a small makeup mirror, applying lipstick to the mirror to touch up makeup nonchalantly, and said faintly: "Mr Song, you have agreed to let me be your company's image spokesperson on the phone before. What do you say about this? "

Song Pingting said solemnly: "These are two different things, now we are telling you about your rumors!"

Zhen Mingzhu smiled and said, "In my opinion, this is just one thing. You promised to let me be your company's." There is nothing left as an image spokesperson."

Song Pingting warned in a deep voice : "Miss Zhen, do you know that you are liable for spreading rumors? Our Ningda Group can hold you accountable!"

Zhen Mingzhu dismissed it. He sneered and said, "Scare me?"

Liu Haitao smiled and said, "Mr. Song, the rumors about your company outside are spread by fans of Ms. Zhen, but it has nothing to do with Ms. Zhen."

"You We must be held accountable for Miss Zhen, which is absurd!"

"If you have to hold the rumors accountable, then all the fans of Miss Zhen should be arrested."

Mingzhu Zhen said with a sneer at this time: " The number of my fans is estimated to be more than 100 million, can you finish catching it?"

"Don't make the people say , when the time comes, the whole people will boycott your Ningda Group. I am afraid that it will be your Ningda Group who will be unlucky then."

Behind Zhen Mingzhu mobilized fans to spread rumors, but Zhen Mingzhu refused to admit it. Those who wanted to catch the rumors would probably only catch those innocent fans who were used by Zhen Mingzhu.

In addition, Zhen Mingzhu has so many fans. If Ningda Group really attacked these fans who spread rumors, I am afraid that it would really intensify, and it would really be of no benefit to Ningda Group.

This Zhen Mingzhu is really despicable.

When Liu Haitao saw Song Pingting and the others showing anger, he immediately persuaded him with a smile: "Mr. Song, if you cooperate, you will win two wins. If you continue to make trouble, you will suffer two injuries. Why bother?"

Song Pingting said coldly: "We, Ningda Group, never need to have no moral bottom line, no dignity of the people as the image spokesperson, you die this heart!"

Zhen Mingzhu was angry: "Then I Today, I put the words here too. If you don't obediently come up with a 200 million endorsement fee and ask me to be your image spokesperson, you Ning Da Group and your vaccine, just wait to become notorious!"

Chapter 498

Song Pingting, Lin Wei and others were very angry with Zhen Mingzhu's shameless and arrogant attitude.

Yash Nics said faintly at this time: "Two hundred million, you really want to ask for it. Your virtue is not worth two dollars!"

"Since it's useless to tell you, then I won't talk nonsense with you. . " "

Yash Nics and Song Pingting waited. People, leave the Wenhua Entertainment Company.

Zhen Mingzhu still yelled at her without her anger.

Liu Haitao handed her a cup of coffee and smiled bitterly: “Miss Zhen, in fact, you don't have to lose your temper with them. There are reporters among them, and it will damage your image if you spread it out!”

Zhen Mingzhu coldly snorted: “The reporter I hate the most is to reverse right and wrong. And I have a hundred million fans. Any reporter who dares to write that I am bad, I will let the fans kill him.”

Liu Haitao sneered and said: “Judging from the situation just now, Song Pingting’s attitude is very firm. In any case, she refuses to step back and refuses to let you be a spokesperson. What’s wrong?”

Zhen Mingzhu sneered, “Since she is not kind, don’t blame me for being wrong a. ” ” are

you a fan of the management group, so that those who manage, mobilize fans intensify. say rather large group of liver cancer vaccines have serious consequences, can cause infertility, asking people to boycott, do not use liver cancer vaccine ”

Liu Haitao was a little worried: “Is that really going to happen? Yash Nics just warned us to stop spreading rumors and told you to apologize publicly before seven o’clock tonight...”

Zhen Mingzhu sneered and said, “The idiot even said he would block me. Don’t let me be a star, does he have that ability?”

Liu Haitao also felt that worry was a bit redundant. The relationship between Wenhua Entertainment Company was very hard, and Miss Zhen knew many rich bosses. Who can touch Miss Zhen!

He nodded and said, “Well, I will mobilize the fans to intensify efforts to discredit the Ningda Group and force Song Pingting to compromise.” On the

same day, a large number of websites appeared everywhere on major websites, major media, and major social platforms. Rumors that discredit the Dawn liver cancer vaccine.

6 o'clock in the evening, all the senior executives of the Ningda Group did not get off work, and Song Pingting was left to hold an emergency meeting to discuss countermeasures.

A group of company executives all accused Yash Nics. This reputation crisis can obviously be solved by spending 200 million yuan to ask Zhen Mingzhu to be a contemporary spokesperson.

However, Yash Nics insisted on making a big deal, saying that he could handle it, and he did not agree to let Zhen Mingzhu be a spokesperson for this.

Song Painting see a bunch of corporate executives are accused Yash Nics, she bit his lip, Chen Sheng said: "Do not agree with the use of this wicked Zhen Pearl artist as spokesperson, and also my idea, nothing to do with Yash adviser"

a bunch of Executives said one after another: "Mr. Song, now Zhen Mingzhu's fans are spreading rumors. Our company's stock price has plummeted and 7 billion yuan has evaporated in one day."

"If the new chairman of our group asks, who Can you afford to be responsible?"

Song Pingting raised a pretty face: "I am responsible. If the new chairman is blamed, I am willing to take full responsibility, even if he fires me from the position of president."

Everyone can't say anything after hearing this. .

Song Pingting looked around the crowd, and finally said seriously: "The top priority now is how to solve this crisis of reputation as soon as possible. What suggestions do you have?"

Someone immediately echoed: "Yes, Mr. Song, we are in business, how can we have trouble with the money?"

The executives present here. Many of them nodded one after another, saying that it was the best way to make Zhen Mingzhu a contemporary speaker.

Song Pingting doesn't want to use unscrupulous artists like Zhen Mingzhu as the company's spokesperson, but she is no longer the company's big boss.

She only owns 20% of the company's shares, and 70% of the company's shares are in the hands of the mysterious new chairman who has never appeared.

Although the new chairman does not matter and delegates power to her, she has the right to decide on everything.

But every decision she makes will affect the entire company and the money of all investors.

She was also shaken at this time, hesitating whether to compromise, bowed her head to be soft, and asked Zhen Mingzhu to be the spokesperson of the company.

She hesitated and looked at Yash Nics for help, only to find that Yash Nics was sitting and dozing off and fell asleep.

This guy burned his eyebrows, and he fell asleep in a meeting. It's really unreasonable!

"Yash Nics! Yash Nics!"

Song Pingting raised her voice and called twice before Yash Nics woke up from her doze.

He looked at the group of executives around him who looked at him with disgust, and asked Song Pingting in astonishment: "Wife, what's the matter?"

Song Pingting said angrily, "You said you could make Zhen Mingzhu a public apology, and Elimination of the company's reputation crisis."

"But instead of apologizing, Zhen Mingzhu has also intensified. As a result, our stock market has been affected and directly lost 7 billion yuan. What do you say now?"

Yash Nics frowned, "She didn't apologize publicly? "

Song Pingting, Lin Wei and other executives couldn't help rolling their eyes.

Yash Nics raised his wrist and looked at the time on the watch. It was almost seven o'clock.

He smiled and said: "It's time for me to publicly apologize to Zhen Mingzhu. She is unwilling to apologize. From now on, it will be her regret time."

Regret time?

What do you mean?

Yash Nics picked up the TV remote control in the meeting room and directly turned on the TV hanging on the wall.

It was exactly seven o'clock in the evening at this time, and the news network had just started not long.

I saw on the TV screen, the host dressed solemnly, said seriously: "They all explain the star role model. As a star, you should set a good example for the public."

"But there is such a star named Zhen Mingzhu, but he has not become a star. A good example, on the contrary, teaches fans to spread rumors and cause troubles, causing extremely bad social impact..."

Song Pingting and Lin Wei and a group of Ningda Group executives, one by one, stared at the news on TV with stunned eyes.

The TV news not only broadcasts Zhen Mingzhu's evil deeds, but also includes a picture of Zhen Mingzhu sitting in the arms of the rich and offering a toast to the rich.

She looks well-dressed, but her private life is extremely chaotic.” “This time she also instigated fans and maliciously spread rumors. , To discredit and spread rumors of a listed company, causing serious consequences.”

“The police have officially opened a case to hold Wenhua Entertainment Company and her personally responsible.”

“There are also related departments that have decided to expel her as an artist. Such a wicked person is unworthy. Called a public idol, I don’t deserve to be a star. What awaits her will be severe punishment.” The

senior executives of the Ningda Group couldn’t help cheering.

This hateful Zhen Mingzhu finally tasted the evil results.

However, Song Pingting, Lin Wei and others were so happy and excited that they couldn’t help but look at Yash Nics together.

They remembered that when Yash Nics asked Zhen Mingzhu to apologize today, he said that tonight is the deadline at seven o’clock.

At the time, everyone did not understand why the seven o’clock in the evening was the deadline?

I only know now that it turns out that seven o’clock in the evening is the news broadcast time!

Think carefully!

Could it be that Yash Nics had arranged it a long time ago. If Zhen Mingzhu did not apologize publicly before seven o’clock, she would arrange for Zhen Mingzhu to be on the news broadcast?

Also, if Zhen Mingzhu really apologizes publicly?

Or apologize a few minutes before seven o’clock, can Yash Nics get the news network to cancel the broadcast of this piece of content?

So, how capable is Yash Nics!

Song Pingting, Lin Wei and others looked at Yash Nics in shock.

Many people even came around excitedly, and said with flattering smiles: "Brother Chen, my brother, you are so amazing. You can use the news network to teach Zhen Mingzhu, you are my idol!"

"Yes, yes, Mr. Chen, you are too arrogant."

"Mr. Chen, who are you? Are you a big man, or how did you do it?"

Song Pingting also stared at it tightly. Yash Nics, she is also very curious how to do it?

Yash Nics smiled and said: "You don't need to worship me. I am a good friend with a reporter from the News Network. He has a good relationship with the leader on TV. I asked him to help fix it."

"In addition, Zhen Mingzhu's behavior is too bad. After my friend's press release was written, the leader above took it seriously and decided to punish her."

Lin Wei and others nodded, looking in a daze.

Song Pingting frowned her eyebrows, feeling that things were not that simple, but Yash Nics's explanation was impeccable, and she could only believe it for the time being.

At this moment, security captain Shi Feng came in and reported: "Mr. Song, Mr. Chen, Zhen Mingzhu, Liu Haitao and others are here."

Lin Wei and others frowned: "What is she doing here?"

Yash Nics said with a smile: "I guess I knew I regretted it, so I came to apologize."

Song Pingting told Shi Feng: "Let them in."

Soon, Liu Haitao, Zhen Mingzhu and other people from Wenhua Entertainment Company appeared in the conference room.
