The One and The Only Chapter 501 - 510

Yash Nics looked at Zhen Mingzhu and others who were kneeling on the ground, and said coldly: "Now I know that I am wrong. Why didn't I see you knowing the wrong one day today? What are you busy doing?"

Lin Wei deliberately said: "Of course they are busy mobilizing fans to spread rumors, which caused our company's stock price to plummet and lose 7 billion!"

Zhen Mingzhu, Liu Haitao and others knelt on the ground, trembling with sweat.

Zhen Mingzhu cried and said: "Mr. Yash, Ms. Song, we have no eyes and should not offend you."

"Now the news network has reported me, and now my image is ruined in the hearts of fans. There are related departments to block me. , The police want to catch me and investigate."

"Mr. Yash, Miss Song, I know I was wrong, please give me a chance, let me go!"

Yash Nics said coldly, "I gave you a chance during the day, but it's a pity I'm not sure, everything is too late now." At

this time, Wang Zhixing, the captain of the Criminal Investigation Brigade of China Shipping, arrived with a large number of criminal police officers.

Wang Zhixing took out an arrest warrant and said to Zhen Mingzhu and others: "Zhen Mingzhu, Liu Haitao, you are suspected of many crimes such as spreading rumors, please come back with me to assist in the investigation."

Liu Haitao's face was gray, and Zhen Mingzhu was crying.

Both of them regret it very much, but unfortunately there is no regret taking medicine in the world.

Zhen Mingzhu and his gang were arrested, Song Pingting and others clapped and cheered.

The 7 billion wicked people who have harmed the Ningda Group's reputation will finally have to pay the price.

Song Pingting looked at the time, it was already eight o'clock in the evening, and the company executives had been working overtime until now, and they hadn't eaten yet.

So, she said, invite everyone to eat Haidilao.

She and Yash Nics took the elevator to the company's parking lot, only to find that Yash Nics was driving a black Hongqi HS7 today.

She asked in surprise: "Yash Nics, when did you buy the car?"

Yash Nics smiled: "There are three cars in our house, two BMWs, you drive with your dad, and the other one is too arrogant, so I let My friend gave me a complete scooter."

Song Pingting looked at the particularly domineering Hongqi HS7 in front of him curiously, and said with surprise: "I saw this car on the Internet some time ago that it was going to be released, but at the time I saw it The photo felt that the car was average, and I didn't expect the current car to look so domineering." What

she didn't know was that this car was prepared by Dian Chu for Yash Nics, and it was not a normal version of the Hongqi HS7.

The ordinary version of this car is only 200,000 yuan, but Yash Nics's Hongqi HS7 cost as much as 20 million!

This Hongqi HS7 weighs 3 tons!

Not only can it be bulletproof, but it can also carry the explosion of red quiver and mine, which can be called a mobile fortress.

In addition, its engine, a helicopter engine, can burst out at speeds no less than supercars.

It can be said that it is a beast of steel!

Naturally, Yash Nics would not explain this to Song Pingting. He only smiled and said,

“Get in the car, and try this car.” Song Pingting nodded: “Okay!”

Yash Nics and Song Pingting got in the car. , Drove to Haidilao.

On the road, Song Pingting became more and more surprised, and said: “Yash Nics, I found that the domestic car is really excellent, the chassis is too solid, and it is also about the window and the sound insulation effect of my BMW!”

she said. Dropped the window of the co-pilot, listened to the tire noise, and said excitedly: “The tire noise is not noisy. This car is too good. It’s better than my BMW 7 Series.”

Yash Nics smiled and thought about it. Not the 200,000 red flag, this is the 20 million red flag, of course the BMW that kills you 2 million in seconds.

At this moment, a huge Lexus LX on the right suddenly jumped up and deliberately drove side by side with Yash Nics’s Hongqi HS7.

The window of the back seat of the Lexus SUV fell down, and there were two noble men in the back seat. The one in black suit was Ken Mitsui and the one in white suit was Xiao Ming.

Mitsui Ken looked at Song Pingting, squintingly and said: “Hehe, Miss Song, we have met again, it’s a good fate!”+

Chapter 502

Song Pingting glanced at Mitsui Ken, her pretty face sank, as if she saw a fly.

She said to Yash Nics, “Which damn Dongying person!”

Yash Nics said lightly, “Stop and teach him a lesson?”

Song Pingting was afraid of Yash Nics’s fight, and said quickly, “No, let’s drive faster.” Just throw them away.”

Mitsui Jian seemed to have heard Song Pingting’s words, and he came out of the car window and yelled at Song Pingting and Yash Nics triumphantly: “Beauty, it’s useless, you

guys. How can a garbage red-flag car produced by China be the opponent of our Dongying Lexus?"

"Haha, even if you smash the accelerator of the red-flag car, it is impossible to get rid of my Lexus. Who called us Dongying's car in the world? One, your Huaxia car can only be regarded as scum."

In the view of Mitsui Ken, the Hongqi HS7 has only 224 horsepower, and his Lexus LX has 388 horsepower.

Yash Nics and Song Pingting want to drive away from them. It's a foolish dream!

But at this time.

Yash Nics kicked the accelerator, and the red flag car suddenly roared like a beast. The whole car was like a rocket in an instant, and it jumped out with a whistle, and it was already away from Lexus in the blink of an eye.

In less than three seconds, the red flag car went on a ride and disappeared at the end of the road. The tail lights of the red flag car were invisible by Mitsui Ken and others.

Both Ken Mitsui and Xiao Ming opened their eyes wide, their mouths opened wide enough to swallow two eggs.

Their subordinates were also dumbfounded, their faces full of disbelief.

It took a long time for Mitsui Ken to come back to his senses, and he said with a weird expression: "Is this a fucking car? It's faster than a rocket!"

Yash Nics's car can burst out a thousand horsepower, killing Mitsui Ken in a flash. This Lexus is a piece of cake.

He drove the car to the extreme on Huancheng Road. Song Pingting was so irritated that she could not breathe, and quickly said: "Yash Nics, slow down, it's too exciting, too dangerous, I can't breathe!"

Yash Nics heard the words. , And then the speed of the car came down,

and she quickly asked: "Wife, are you okay?" Song Pingting's face flushed and her heart beats wildly. She patted her chest and said in shock, "Your car is speeding up too much. Riding the roller coaster is still exciting, and my heart can't stand it anymore."

Yash Nics said with a smile: "My car is slightly modified, and the power is better."

Song Pingting was relieved, and she persuaded: "We Let's drive slowly, obey the traffic rules, and be safe."

Yash Nics smiled and said: "Okay, I listen to your wife."

Song Pingting's pretty face turned red when she heard that, and she was very feminine to Yash Nics. Rolled his eyes.

Yash Nics lowered the speed of the car and drove slowly and quickly on the ring road.

Suddenly, the rear lights were bright, and there was the roar of the car engine.

I saw a team speeding up to catch up. The front of the team was the Lexus LX of Mitsui Ken and Xiao Ming.

Seeing that the Lexus driver had caught up with the red flag car, he immediately asked Takeshi Mitsui: "Master, do we just hit their car into the air?"

Taken Mitsui grinned and said, "No, there are a few cars behind us, all of whom are sitting in. It is the elite men brought by Xiao Mingjun. You overtake, don't go in front of the red flag car, and force the red flag car to stop."

"I want to teach Yash Nics personally, and I will play with his women in front of him!" the

driver said in a deep voice. Said: "Yes!"

Song Pingting's face changed drastically: "No, they caught up and they have to stop us, what should we do?"

Yash Nics raised the corner of her mouth slightly and

said, "My wife, sit firmly." After finishing speaking, he directly stepped on the accelerator. .

The red flag car engine roared, the red flag car suddenly accelerated and slammed into the left side of the Lexus rear.

Boom!

Lexus spun directly, and amidst the screams of Mitsui Ken and Xiao Ming, he spun and fell into the stinky water ditch on the side of the road.

Yash Nics's Hongqi sedan did not affect it in the slightest, did not stop, and drove away directly!

Several black Audis hurriedly braked to a halt. Taken Mitsui and Xiao Ming's men got out of the car in a panic, and surrounded the Lexus who had fallen into the stinking ditch on the side of the road, shouting one after another: "Mr. Mitsui, Shao Xiao, you guys Are you okay?"

Soon, Mitsui Ken and Xiao Ming, with blood on their faces, were rescued by their subordinates breaking the skylight.

Xiao Ming was still in shock. Mitsui wiped the blood from his face and yelled angrily: "Damn, what kind of world is this, too cruel? A car actually gave us a large SUV Knocked over!"

Yash Nics and Song Pingting drove to Haidilao. President Assistant Lin Wei, General Manager Xia Ping, Quality Inspection Supervisor Tong Ke and others have waited a long time.

Song Pingting said apologetically: "Something happened on the road just now, which caused us to be late. Everyone hurry up and order food and drinks. Today I have a treat."

Everyone cheered, ordered a lot of food in one go, and ordered a few more bottles. Wine red, the atmosphere is very harmonious.

After an hour, everyone was full of food and drink, but instead of leaving right away, they sat and chatted, talked about business affairs, and talked about life.

But at this time, the door of Haidilao was suddenly savagely pushed open.

A group of people filed out murderously, and then saw two men with bandages on their heads and blood on their clothes appearing in front of everyone. It was Mitsui Jian and Xiao Ming.

Xu Ming, the manager of Haidilao, was so scared that he greeted him quickly when he saw this battle, and said with a smile to Ken Mitsui and Xiao Ming, "Two gentlemen, what happened, and what can I do for you?"

Mitsui Ken grabbed Xu Ming's shirt with his left hand, punched Xu Ming's face with his right fist, hitting Xu Ming's face with blood stains, and then pushed Xu Ming away and said viciously: "Get away, this is you. What needs to be done!"

Xiao Ming also squinted, and coldly said to the surrounding security guards and the staff: "I am Xiao Ming from the Xiao family in the provincial capital. Everyone who is okay should stand farther away, or be careful to splash your faces. Blood."

Xiao Family, the provincial capital!

Many people on the scene showed horrified expressions!

In the south, who doesn't know how powerful the Xiao family is in the provincial capital, even the Jiangnan king Tang Beidou is a running dog of the Xiao family. Who dares to provoke the Xiao family?

Mitsui Ken looked at Yash Nics bitterly, then turned his head and said to Xiao Ming: "Xiao Mingjun, this is your Xiao family's site, so this kid, let you take care of it!"

"But Song Pingting, don't move. , She belongs to me."

Xiao Ming nodded, and with fifty elite subordinates from the Xiao family, surrounded Yash Nics's table.

Only Yash Nics had a calm face. Of course, Tong Ke didn't panic either. She turned slyly with big bright eyes.

Xiao Ming's gaze fell on Yash Nics and said coldly: "Yash Nics, you dare to move our Xiao family, and you dare to offend our Xiao family's distinguished guests this time."

"Are you going with us obediently, or me? Let my men break your hands and feet and drag you out like a dead dog?"

Chapter 504

The group of subordinates behind Xiao Ming, one by one, have a steady pace, a restrained aura, and electric eyes, and they are obviously masters.

Ning smile, said: "My car was scratched, I was ready to find you compensate my loss, did not expect you to take the initiative fingertips."

"Well, you pay me a new car, I'll spare you one time." When

the people around heard Yash Nics's words, their expressions were different.

Even Song Pingting and the employees of Ningda Group became more and more anxious.

At this time, Yash Nics even dared to say that the other party should pay compensation. He was really dead without brakes!

Mitsui Ken deliberately said: "Xiao Ming-jun, it seems that you are not so good in Jiangnan Province. He doesn't take you seriously!"

Xiao Ming's face was a little uncontrollable, and he said to Yash Nics with a calm face: "Since you don't cooperate, then I can only ask my men to knock off your hands and feet and drag you out."

"Who wants to move Mr. Yash, and asked whether the eight of us agree?" There was

Everyone looked at the door together.

Then I saw eight men in black suits walking in with their heads high.

These eight men are all very strong, and wearing black suits on them, they even wore black armor-like effects, with extraordinary aura.

These eight people are the eight tiger guards.

Eight Tiger Guards came to Yash Nics, carrying his hands on his back, feet apart, and standing at shoulder level, thinking that he was standing in the most standard military posture. However, the military posture of the eight of them gave people a domineering aura that swallowed thousands of miles away.

Xiao Ming sneered: "So there are a few bodyguards around, no wonder you are so confident."

"But do you think only eight bodyguards can keep you?"

Yash Nics slowly picked up the tea cup, took a sip of tea, and said faintly: "If you can beat my eight men, then you have to kill them. Yash Nics will listen and respect it."

Xiao Ming He sneered, turned his head to look at the fifty men behind him, and deliberately said: "Athletes of the Xiao family, some people look down on us, what do you think we should do?" The

fifty men roared together: "Kill, kill , Kill!" The

sound of killing resounded throughout the restaurant, and everyone at the scene changed.

Xiao Ming was very satisfied. He raised his hand and commanded: "Do it, don't leave any room, I will carry the dead!"

"Kill!"

Fifty Xiao family elite subordinates worked together to kill the Eight Tigers.

Yash Nics raised his hand, and the Eight Tigers immediately took a step forward to meet the Xiao family's men.

The battle between the two sides began instantly.

Bang bang bang!

When the Eight Tigers met with the Xiao Clan's men, there were eight Xiao Clan's men who were directly knocked down by a heavy blow.

This made Xiao Ming and Mitsui Ken suddenly widen their eyes, showing shocked expressions.

I saw that the Eight Tiger Guards were like eight tigers. Although there were many under the Xiao family, they were like a flock of sheep facing the tigers, completely unable to resist.

Amidst the sounds of fighting and screams, the Xiao family's men kept falling down.

The people at the scene looked at the Eight Tiger Guards slaughtering the Xiao family in shock, thinking that these eight people were too fierce, right?

Song Pingting and a group of employees of the Ningda Group couldn't help but sneak a glance at Yash Nics, wondering where did Yash Nics get the bodyguard for these eight Titans?

Where is Yash Nics?

At this time, his face was light and breezy, and he seemed to be particularly confident in his eight men. He didn't watch the battle on the spot. Instead, he poured tea while drinking a small song: "I am watching the mountain scenery at the top of the city, but I can hear the city. The foreign chaos..."

In just a few minutes, all of the fifty masters Xiao Ming had brought from the Xiao family were already lying on the ground.

Even he and Mitsui Ken were caught in front of Yash Nics by the Eight Tigers.

two tiger guards lifted their feet and kicked them on the calves of Xiao Ming and Mitsui Ken.

The two of them were unsteady and knelt in front of Yash Nics.

Chapter 505

Yash Nics looked up at Xiao Ming and Mitsui Ken, who were kneeling on the ground, and smiled and said, "It seems that my eight subordinates are more powerful. Now I can talk about compensation for the loss of my car.

Already?" Xiao Ming said bitterly: "I am a direct descendant of the Xiao family, if you dare to move me, you will die."

"Dare to be rude to Mr. Yash, palm your mouth!"

a tiger guard said angrily, and then Raising his hand, Xiao Ming snapped dozens of slaps in the face, making Xiao Ming's head swollen like a pig's head and his face covered with blood.

At the same time, Xiao Ming also lost his temper.

Ken Mitsui, who was next to him, also realized that Yash Nics's group is very cruel, and if they don't bow their heads, they will end up worse.

Therefore, Mitsui Ken hurriedly said: "We compensate, and we compensate for your car."

Yash Nics smiled and said: "Look, everyone is reasonable. My car is 20 million. Do you transfer money directly or cash it?"

Mitsui Ken's eyes widened: "What, your broken car is worth 20 million?"

Yash Nics's face sank: "Are you not going to pay?"

Mitsui Ken's momentum immediately went down, and said weakly: "I pay, I pay!"

Soon, 20 million yuan was transferred to Yash Nics's account.

Yash Nics smiled and said, "You can get out, don't let me see you again next time. Also, pay for the broken things here before leaving."

Xiao Ming and Mitsui Ken were full of aggrieved faces. He compensated for the loss of the hotel, and then he and a group of men helped each other to leave in embarrassment.

At this time!

At the Sakura Club, Ken Mitsui is furious at Cao Shuanghua's gang!

boom!

Cao Shuanghua was kicked by Mitsui Ken and flew out and fell heavily to the ground.

Mitsui Ken said grimly: "I've never been bullied so much before when I grew up. I must pay for Yash Nics."

Xiao Ming bowed and apologized and said, "Master Mitsui, I underestimated Yash Nics this time. I am. Call immediately and ask my family to dispatch top masters. Come to Mannity to deal with Yash Nics and give you a shame."

Mitsui said coldly, "Listen first, I hope you Xiao family will not let me down again this time. Now."

Xiao Ming realized that Mitsui Ken had already seriously doubted the strength of the Xiao family.

If Yash Nics can't be dealt with this time, then the cooperation between the Sanhe Consortium and the Xiao family will probably be over.

He bid farewell and left and came out of the Sakura Club.

As soon as he got in his car, he couldn't wait to take out his mobile phone and call the master Xiao family: "Uncle, Yash Nics is very skilled, and Ken Mitsui was bullied by Yash Nics."

“Please send us the guardian of the Xiao family. God Buddha come to help me!”

Buddha!

A terrifying name that once changed Jiangnan Province!

A murderous god who has made countless masters in Jiangnan feel terrified!

This killing god who once caused a bloody storm in the south of the Yangtze River is now the patron saint of the Xiao family. Only when the Xiao family encounters an extremely difficult opponent can it be possible to dispatch this Hell King.

Master Xiao was silent for a while: “To deal with a little Yash Nics, is it really necessary to dispatch Lord Buddha?”

Xiao Ming said in a deep voice, “Master Mitsui is already angry. If we don’t deal with Yash Nics, then the Sanhe Consortium will follow us. The cooperation of the Xiao family is about to blow.”

“In addition, Yash Nics is very powerful. I think that only by dispatching the Buddha can the problem be solved in the shortest time.”

Master Xiao finally agreed: “Well, I will personally go and ask the Buddha to leave the customs. , Help you kill Yash Nics.”

Xiao Ming became excited: “Thank you, uncle!”

In the Sakura Club, Cao Shuanghua lowered his head and weakly asked Mitsui Ken: “Master, Mr. Xiao, he has gone to ask his family to help the master, what should we do?”

Mitsui Ken suffered under Yash Nics twice, but Xiao Ming did not. Being able to avenge him, he no longer trusts the strength of the Xiao family.

He snorted coldly: “It’s better to rely on others than to rely on yourself. To get revenge, I think I have to send a master from Dongying.”

Miyamoto Kazusa said faintly: "What makes Mr. Mitsui so angry?"

Mitsui smiled and said, "My son is in China. Being bullied, I lost my mind, I made you laugh."

Miyamoto Kazusa nodded: "If you can make Linglang lose, then Huaxia opponents are difficult to deal with, do you need help?"

Mitsui nodded, "Yes, mainly It is far in China, and there is no way to send too many people to avenge my son. If you want to send, you can only send a master, but I can't find a suitable person for a while."

Miyamoto Ichizasai smiled slightly: "We Miyamoto Family, you have been taken care of by Mr. Mitsui for a long time. This time it's time for us to repay you."

next day, Heitiangou was ordered to depart from Dongying and take a flight to China.

The killing god of the Xiao family, Lord Buddha has arrived in Mannity City.

Seeing that the Buddha was coming, Xiao Ming instantly became complacent.

He and Mitsui Ken, with Lord Buddha, and a hundred of his men, stormed into the Ningda Group aggressively.

Shi Feng, the security captain of the Ningda Group, brought more than 20 security guards and greeted him with a swinging stick.

Shi Feng shouted: "Who are you, who let you break into our company building without permission?" The

bloated figure beside Xiao Ming, weighing more than five hundred catties, like a roshan-like Buddha, slowly spoke, and his voice sounded like a muffled thunder. "A group of floating, dare to block the way of the Buddha, I really don't know what to

Boom, the ground collapsed deeply.

In addition, a wave of air ripples, in the shape of a half-moon arc, spreading towards the feet of Shi Feng's group of security guards.

Falling to pieces, screaming ceaselessly.

The strong will know if there is any!

When Mitsui Ken saw Buddha, he hit more than 20 security guards, all of them shocked and injured.

He couldn't help showing a shocked expression, and the little contempt for the Xiao family was gone.

Seeing the Buddha's great power, Xiao Ming sent a random move to a group of security guards of the Ningda Group. He couldn't help showing his pride and waved his hand: "Go, go to the president's office floor, look for Yash Nics and Song Pingting!"

Soon, Xiao Ming and Mitsui Ken, along with Lord Buddha, and a hundred of his subordinates, went to the 28th floor, the office floor of the president.

Yash Nics and Song Pingting were chatting in the president's office when they suddenly heard a flurry of jumping outside.

Then Lin Wei rushed in and said in a trembling voice, "Mr. Song, Mr. Chen, the big thing is not good."

"Xiao Ming and Mitsui Ken took a group of men and injured our company's security, and they have already rushed to our floor."

As for the employees of Ningda Group, they were all too scared to hide away, shivering.

Song Pingting looked at Xiao Ming and others, and said in anger and anger: "What are you doing here?"

Xiao Ming sneered: "You have offended our Xiao family, do you think Jiangnan Province still has your foothold?"

Xiao Mingcong A man next to him took a purchase contract and threw it at the feet of Yash Nics and Song Pingting, sneered: "10 billion, buy your Ningda Group!"

Song Pingting angrily said: "You 10 billion. I just want to buy our company worth 100 billion yuan. Are you crazy?"

"And I only own 20% of the company. Most of the company's shares are in the hands of a mysterious boss."

"Even if I agree, you will also buy Ningda Group."

Xiao Ming said with a smile: "No, no, no, although you only have 20% of the shares, but as far as I know, your chairman delegates the power to you."

"You have all the right to make a decision, including selling the company. "Go."

"So as long as you sign this contract, Ningda Group will belong to our Xiao family."

Song Pingting said coldly, "Don't be delusional, I won't sign it!"

Xiao Ming gloomily He smiled and said: "You will sign your signature obediently!" After

he finished speaking, he snapped his fingers and instructed the killer beside him: "Father, first crush the bones of Yash Nics's hands and feet to give our Miss Song a little pressure. "

The big face of Buddha's washbasin showed a grin, and he raised his foot and walked towards Yash Nics: "Boy, I heard that you killed the devil, let the Buddha come to see and see your skills."

Song Pingting and the employees of Ningda Group both showed horrified expressions.

This kick is like Wanjun Thunder!

Even if you are a towering tree, no matter how tall and lush you are, you can't resist the power of thunder.

Foye's head was hit by Yash Nics, and the surface of his head was still intact.

However, Yash Nics's powerful and unmatched energy in his feet has been deeply poured into Fo Ye's brain, directly shaking the inside of Fo Ye's brain into pulp.

The Buddha's screams were not able to be emitted, and he fell directly on the ground like a golden mountain and a jade pillar.

When Xiao Ming, Mitsui Ken, and hundreds of subordinates saw this, they couldn't help but gasp.

Horror, terrible!

Even the killer god in Jiangnan legend is not Yash Nics's opponent.

Even Foye was kicked to death by Yash Nics when he failed to persevere in either of the two tricks under Yash Nics's.

Xiao Ming's face was pale, Mitsui Ken's feet were trembling, and the rest of the gang looked at Yash Nics in fear, their expressions were similar to seeing the Great Devil of the Abyss.

At this moment, a large number of people arrived!

It turned out that Dong Tianbao brought a group of men and arrived at the same time as the Eight Tigers.

Dong Tianbao brought two hundred men over, and with the addition of Eight Tiger Guards, the faces of Xiao Ming, Mitsui Ken and others changed again.

Xiao Ming sternly shouted: "I am from the Xiao family, my elder brother is the city lord of the capital, and my second brother is a major general in the west."

“We from the Xiao family are all over the five realms of China’s black and white business, politics, and military. Who dares to move me? ”

Yash Nics smiled slightly

: “Have you finished talking nonsense? Come here, take them all down!” Xiao Ming said with a sharp voice, “You dare?”

The men behind him are all ready to do it.

However, the actions of Bahuwei and Dong Tianbao’s men were much faster, and their actions were much more fierce.

In an instant, the huge president’s office floor was violent.

But the battle soon ended.

All of Xiao Ming and Mitsui Ken’s men were already lying in a pool of blood.

Eight Tigers were unscathed, and some of Dong Tianbao’s men were injured, but not serious.

Xiao Ming looked at Yash Nics and the others in horror with cold hands and feet. He was trembling when he spoke: “You...you...”

Yash Nics’s face was calm, as if chatting with ordinary people, and he said faintly: “Don’t be afraid. The bastard is going to be hard to the end.”

“Moreover, we have a tradition in China called Li Shang, you want my life repeatedly. I don’t kill you now, just break your leg. Isn’t it reasonable?”

Xiao Ming was horrified. Get up: “No!”

However, two tiger guards immediately pressed him to the ground.

Dong Tianbao also respectfully handed an iron pipe to Yash Nics.

Yash Nics took the iron pipe, smiled, then held it high and knocked it towards Xiao Ming's right foot.

Xiao Ming was so frightened that he closed his eyes and yelled, "Ah—"

However, Yash Nics's iron pipe was lifted high, but it fell gently, touching Xiao Ming's right foot.

Xiao Ming didn't feel the pain, opened his eyes in shock, and looked at Yash Nics blankly.

Yash Nics smiled and said: "I haven't knocked yet. What are you screaming in a hurry?"

"But don't worry, I am very trustworthy. If you break your foot, you must break your foot."

Xiao Ming heard this. , Completely collapsed.

At this moment, a team of criminal police came outside, and it was the leader of criminal investigation team Wang Zhixing!

When Xiao Ming saw Wang Zhixing, if he saw the life-saving straw, he cried and shouted: "Save me, save me, stop him..."

Wang Zhixing hurriedly shouted: "Mr. Yash, please stop!"

But, Yash Nics's iron rod did not hesitate at all and knocked it straight down.

With a click, Yash Nics directly knocked Xiao Ming's right foot off in front of Wang Zhixing and the others.

"Ah!"

Xiao Ming rolled on the ground in pain!

Seeing that Xiao Ming could not be saved after all, Wang Zhixing sighed secretly. It seemed that there was no room for reconciliation between the contradiction between the Xiao family and Mr. Yash.

Chapter 509

Wang Zhixing looked at Yash Nics and said with a wry smile: "Mr. Yash, why do you care about them."

Yash Nics said lightly: "I don't want to care about them, I will spare them both. At this time, they got worse, and they all came to find fault."

Yash Nics said, turning his head to look at Mitsui Ken who was shivering.

Ken Mitsui knelt down, begging for mercy, "Mr. Yash, I was wrong, I was wrong..."

Yash Nics said indifferently: "You made a mistake twice before, and I warned you twice. Your ears are not working well, then leave one!"

Mitsui Ken hasn't reacted yet when he heard the words, a tiger guard has already pulled out a dagger and cut it towards his brain.

In the exclamation of Song Pingting and others, Mitsui Ken only felt his face wet, and then something rolled on the ground beside his feet, which was one of his ears.

"Ah!"

Mitsui Ken held his severed ear, his face full of grief and anger.

He looked at Yash Nics, daring not to speak, and he could see that he hated Yash Nics to death.

Yash Nics didn't even look at him anymore, only instructed Wang Zhixing: "Catch all these troublemakers. Without my consent, you can't release the two of them."

Wang Zhixing: "Yes, Mr. Yash!"

Yash Nics made her a cup of coffee and was shocked.

Song Pingting took Yash Nicschong's coffee, took a sip, and said with a faint sigh, "Recently it has been an eventful period. The people who come to our Ningda Group in trouble are really endless."

Yash Nics smiled and said, "If you want to wear a crown, you must Bear its weight."

"Ningda Group is thriving, and it has acted as an agent for the Shuguang Liver Cancer Vaccine. There are not a few people who are jealous, and naturally there will be people who come to make trouble.

Song Pingting looked at Yash Nics and said softly: "Fortunately, you are here. Otherwise, I don't know how to deal with many things as a woman."

Yash Nics said with a smile , "We still use it as a husband and wife. Do you want to divide you and me?"

At this moment, Lin Wei knocked on the door and came in and said respectfully to Song Pingting: "Mr. Song, we have to pick up Miss Li at the airport at 11:30, and now it's time to leave."

Yash Nics was curious. "Ms. Li, who?"

Song Pingting rubbed her forehead a little tiredly, and explained: "The Olympic diving champion who just retired, Miss Li Ziqi, our company intends to ask her to be the image spokesperson."

Yash Nics sees Song. Pingting's face was a bit tired, so she took the initiative to say: "You have been working hard for the past two days, so I will take care of Li Ziqi's task."

Song Pingting was indeed tired, and she was frightened just now. well.

She hesitated for a moment, then nodded and said, "Okay, you go and pick up Li Ziqi."

Yash Nics and Lin Wei drove his red flag HS7 and set off.

When I arrived at the airport, I learned that Li Ziqi's flight had arrived ten minutes earlier, and that Li Ziqi himself had just been picked up.

Lin Wei opened her eyes wide when she heard this, and said in surprise: "We obviously made an appointment with Miss Li to come and pick up the plane, and she came to Mannity this time to talk to our company's current spokesperson. How could she be picked up by others? That's it?"

Yash Nics frowned slightly, and said, "You call Miss Li and see what's going on?"

Lin Wei quickly took out her cell phone and called Li Ziqi, but prompted the other party's cell phone to be turned off.

What Yash Nics and Lin Wei didn't know was that although Li Ziqi was an Olympic diving champion, he was also a famous diving princess in China.

But she came from a civilian family, so her life is very simple.

After she retired, she decided to return to the lives of ordinary people.

She came to Mannity City from the north this time, without bodyguards or entourage, and came here alone with a suitcase.

When she walked out of the airport, two men in suits approached her, saying that they were specifically to pick her up.

Li Ziqi was too relieved of the domestic security, and instinctively thought that the two men in suits were sent by the Ningda Group to pick her up, so without thinking about it, he followed them into a black Maybach car.

But when she got into the car, she realized that besides the driver, there was also a man with a gloomy face sitting in the car.

In addition, this Dongying man had a bandage on his head, and there was blood on one side of his head. One of his ears was cut off.

Li Ziqi realized that something was wrong and hurriedly asked to stop. She wanted to get off the car.

But how can the other party agree?

Chapter 510

Dongying man grinned and said: "Miss Li Ziqi, hello, I am Mitsui Ken of the Sanhe Foundation, and I am very happy to meet you."

Li Ziqi was surprised: "You cheated me into the car. What do you want to do?"

Mitsui looked at Li Ziqi, who was beautiful and perfect, and smiled with a squinting smile: "Hehe, of course I want to do something interesting with Miss Li. By the way, I want to use Ms. Li to deal with Yash Nics. "

Li Ziqi showed a scared expression: "Who is Yash Nics, I don't know, you better let me go immediately!"

Mitsui Ken said with a sneer: "You don't need to know her, but you are in my hands, he will come. If you save you, my goal will be achieved by then."

... At

Mannity Airport, Yash Nics and Lin Wei did not make a call to Li Ziqi for a long time, and they realized that something might have happened.

So Yash Nics directly called Dianchu: "Help me check the whereabouts of the Olympic champion and diving princess Li Ziqi!" Dianchu

immediately mobilized the National Security Agency, the Red Hacker Organization and other departments, and quickly Investigate Li Ziqi's whereabouts.

Soon after monitoring by the airport camera, it was found that Li Ziqi was in a black Maybach.

After only five minutes, Dian Chu called and told Yash Nics, "Master, Miss Li was picked up by Ken Mitsui!"

Yash Nics frowned, "Didn't Xiao Dongying be caught? Come out again?"

Dian Chu said, "Mitsui Ken is the young master of the Sanhe Consortium. He had just been arrested, and the Dongying Embassy in China called to lodge a serious protest. There is also the Xiao family, who also used their contacts.

Put pressure on the Mannity police." "Wang Zhixing couldn't help it, so he could only release Mitsui Jian and Xiao Ming immediately."

Yash Nics said angrily: "This is unreasonable!"

Dian Chu said: "Master, according to the latest tracking data, Mitsui Ken and his team have kidnapped Ms. Li and just arrived at the Sakura Club."

Yash Nics said with a calm face, "I see!"

After speaking, he hung up the phone and gave orders. Lin Wei got in the car.

Then, he drove the violently reformed red flag HS7, hurriedly all the way to the Cherry Blossom Club.

On the way, Lin Wei was so scared that she screamed again and again.

At the cherry blossom club, Mitsui Kenshi looked up and down Li Ziqi squintingly.

He grinned and said: "Hehe, although your appearance and temperament are not as good as Song Pingting, but your figure is not worse than her. It is even more rare that you are still the Olympic champion, the Chinese diving princess. Hey, just to discourage me."

He said Then, he pounced on Li Ziqi.

However, Li Ziqi was born as an athlete and was agile than ordinary women.

Not only did she escape, she raised her hand and slapped Mitsui Ken with a loud slap, angrily cursed: "Beast, do you know how to respect women!"

" You stinky lady dare to hit me, come here, grab her hands and feet, I have to play with her. "

Although Li Ziqi is a diver, she is a woman, how can she resist Mitsui Ken's gang? A wolf like a tiger's men?

Soon, she was held down by Mitsui Ken's hands and feet, and she couldn't struggle with being held down on the tabletop.

Mitsui Ken came over with a grinning smile: "Hey, let me taste the Chinese diving princess!"

Li Ziqi's face was desperate, and there were already tears in his eyes.

At this moment, the door of the room suddenly rang and was kicked open.

Yash Nics walked in from the door with a calm face, and said coldly: "Mitsui Ken, you are the most deadly person I have ever seen. Today is the King of Lao Tzu who is here, and I can't save you."
