## The One and The Only Chapter 511 - 520

Li Ziqi raised her head and looked at Yash Nics with tears in her eyes.

When Mitsui Ken saw Yash Nics, he was startled and shrank back in horror.

The subordinates around him are like enemies.

However, at this moment, a swordsman who wore oriental samurai costumes, clogs on his feet, long hair, and a long samurai sword in his arms appeared.

This Jian Hao exudes a strong and unmatched aura from all over his body, like an unsheathed knife.

He is the chief disciple of the Eastern Sword God, and the most dazzling new star of Eastern Swordsmanship in the past ten years, the black dog Liu Shengzun.

Liu Shenggang looked at Yash Nics like a god of death, with no emotion in his voice: "I only gave one shot. If you can catch it, even if you don't deserve to die."

I only gave one shot !

Strong, arrogant, domineering!

Mitsui Ken and others looked at the black dog, Yanagisuna, and all showed extremely excited expressions, thinking: As expected, he is the man who has the best chance to become a new generation of the sword god of Toyo.

Even Li Ziqi and Lin Wei, who don't know how to fight and fight, and don't understand kendo, can feel the fierce murderous aura from Liu Shenggang.

Li Ziqi looked at Liu Shenggang in horror, and felt inexplicably worried for Yash Nics.

And Lin Wei, even hiding on the side, shivered.

Yash Nics looked at Liu Shengzun, and suddenly asked, "What does Miyamoto

Ichitosai have to do with you?" Hearing this, Liu Shengzuna's cold face changed slightly.

He proudly said: "It is the mentor here!"

Miyamoto Ichitosai is the sword god of the East, admired by thousands of people, and exists at the level of a national treasure.

As Miyamoto's apprentice, Liu Shengzuna is naturally proud of this.

Yash Nics heard that this guy was Miyamoto's apprentice, but the corners of his mouth rose slightly, not smiling.

Three years ago, eighteen countries sent a large number of masters to form a coalition to invade the northern border of China. The Eastern Sword God Miyamoto Ichizai was among them.

Yash Nics single-handedly smashed through the allied forces of the masters of the eighteen countries, killing the corpses all over the field, blood flowing into rivers.

Miyamoto and Yash Nics fought, and Yash Nics didn't even cut the weapon, and Yash Nics cut off the weapon with a single knife. At the same time, his chest was still cut open.

However, Miyamoto's vitality was tenacious, and Yash Nics was slashed, but he did not die. He even managed to escape back to Dongying.

This matter was very secretive, Miyamoto fled back to Toyo and healed his injuries.

It was discovered that in the entire Dongying folk, no one knew about his disastrous defeat in the North China Territory.

As a result, he was able to continue to be the sword god.

At this time, Yash Nics looked at Liu Shenggang with a smile, and said faintly: "Your master can't catch me. Do you dare to

speak wildly in front of me?" Liu Shenggang's face became cold: "Laughter, you dare to be right? I respect the teacher and say this to you, and I must kill you today."

Yash Nics stood with

his hand and said calmly : "Come to fight!" Liu Shengzuna held the scabbard of the samurai sword in his left hand, and put his right hand on it. On the handle of the knife, he squatted slightly, ready to go.

When Mitsui Ken and others saw this, their expressions were all excited.

Because they all know that Liu Sheng's plan has used the most powerful cohabitation cut in kendo!

Cohabitation cuts, generally only one shot.

The katana is unsheathed, killed, and resheathed, all in one go.

A powerful swordsman, the cohabitation cut is so fast that people can't see clearly.

Hearing a click, the enemy is dead and the knife has been sheathed.

This is the power of Cojuzhan and the charm of Cojuzhan.

Mitsui Ken and others were all excited at this time, and Mitsui murmured grinningly: "Haha, we are so lucky to have a chance to see Mr. Yanagi Tsuna's cohabitation! Yash Nics is also lucky enough to have a chance to die.

Cut it down in the cohabitation." Liu Shenggang looked at Yash Nics, and said coldly: "Do you need to find a weapon?"

Yash Nics stood with his hand holding his hand: "No need, you are not worthy!"

Liu Shenggang's eyes suddenly cold: "

Looking for death, this knife is a lesson for you!" After speaking, Liu Shenggang moved, his body turned into an afterimage, almost reaching the limit.

## Chapter 512

The moment Liu Shengzun was away from Yash Nics, his katana was unsheathed.

The samurai sword turned into a cold light, and it dashed towards Yash Nics's waist quickly, trying to cut Yash Nics's waist.

Both Mitsui Ken and his men

looked at them with great enthusiasm , and cheered together: "Okay!" Li Ziqi and Lin Wei were so scared that they closed their eyes and couldn't bear to look again.

However, at this moment, Yash Nics made a move.

Yash Nics's two fingers gently clamped, and directly clamped Liu Shengzuna's samurai sword.

Liu Shengzun's pupils instantly expanded, showing a shocked expression, there are people in the world who can join Ju Zhan with bare hands!

Mitsui Ken and others who were not far away could also stare out their eyes.

This is Dongying's strongest sword tyrant in the last ten years, and the dark dog Liu Shengzuna who is known as the sword god of the future!

Liu Shenggang was so fiercely cohabiting cut, Yash Nics actually took it with bare hands?

Yash Nics's face was calm and her tone was cold: "I took your cut, and I only made one move. If you take it, I will spare you not to die." The

voice fell, Yash Nics held the two fingers of the samurai sword, slightly Exert force.

Yanagi Tsuna's samurai sword instantly burst into countless pieces like glass with a clatter.

At the same time, Yash Nics strode forward and punched Liu Shengzuna in the chest.

boom!

Liu Shenggang's chest was deeply recessed, and he spouted a mouthful of blood.

It flew upside down like a broken kite and fell heavily to the ground.

Yash Nics was killed by a punch!

Taken Mitsui looked terrified. He thought that Liu Shenggang was here and could kill Yash Nics steadily, but he didn't expect Liu Shenggang to be killed by Yash Nics.

He knew that it would be his turn next, and he quickly warned: "Yash Nics, don't mess around. Li Ziqi, your company's distinguished guest, is still in our hands. If you don't want her to die, just let us go."

Several of Mitsui Ken's men were grabbing Li Ziqi's hands and feet.

Some people drew out the dagger in a panic, trying to put the dagger on Li Ziqi's neck.

Yash Nics snorted coldly and lined up on the coffee table next to him with a palm of his hand.

The shock caused the toothpick box on the coffee table to fly, and countless toothpicks were scattered in the air.

Yash Nics raised his sleeves, and countless toothpicks instantly shot at Mitsui Ken and his men like a pear flower in a torrential rain.

The Dongying people around Li Ziqi screamed and fell to the ground.

Ken Mitsui hadn't recovered yet, a figure flashed in front of him, and Yash Nics had already arrived in front of him.

His face turned pale for an instant, and he subconsciously wanted to ask for mercy.

But Yash Nics had already taken a kick: "You can die!"

Bang!

Mitsui Ken was kicked by Yash Nics and flew out, and hit the wall with a bang.

Then it slid to the ground slowly, cracks appeared on the wall, and a humanoid blood stain...

Li Ziqi covered her mouth, eyes full of shock.

Yash Nics walked over and smiled and said, "Miss Li, I was frightened."

...

Dongying, the monastic site of the sword god Miyamoto Idozai.

Takeshi Mitsui hurried over with a large group of men and saw Miyamoto who was meditating at the shrine. Takeshi Mitsui said with difficulty, "Mr. Miyamoto, the big thing is not good. My son and your apprentice were caught in China. ..."

Before Mitsui Takeshi finished speaking, Miyamoto Itosai raised his hand and said calmly, "I already know!"

Mitsui Takeshi said angrily: "My son and the orderer died too tragically. I am going to go to China in person to punish the murderers. I wonder if Mr. Miyamoto is willing to walk with me?"

Miyamoto Ichizasai hesitated a little!

Three years ago, he and a group of masters from the Eighteen Nations secretly attacked the North China Territory, but they were killed by the Marshal of the North China Territory.

And he himself has experienced the worst defeat in his life.

There was still fear deep in his heart, and he did not dare to set foot in China easily, for fear that he would encounter the terrifying Chinese God of War, the young commander of the North.

However, he had a close relationship with Mitsui Takeshi, and his lover was also killed in China.

If you dare not go to China to take revenge with Mitsui Takeshi, how can the face of his sword god survive?

In addition, the God of War of China is in the north, and this time to go to China to take revenge, it is to go to the south.

In the world, it is reasonable to say that it is impossible to meet the terrible opponent of the year!

Thinking about it this way, Miyamoto Kazusae squinted his eyes and said slowly: "Okay, I will go to China Jiangnan Province with Mitsui-kun to punish the murderer. Give my apprentice, and give your son, revenge."

The market value of Ningda Group has exceeded 100 billion again, and the stock price losses caused by rumors have all risen back.

The Ningda Group was very happy, but some people were very unhappy when they heard the news.

That is the master of the Xiao family, Xiao Zhan!

Xiao Zhan called his son Xiao Yaoyang and said with a calm face: "Your brother Xiao Ming, you messed up. He went to the hospital, and Master Mitsui Ken was killed."

"Mr. Mitsui Takeshi from the Sanhe Consortium was very angry. Bring the Sword God of Dongying and come to China in person."

"You go to Mannity and receive Mr. Mitsui Takeshi and his party, and you must calm Mr. Mitsui's anger."

Xiao Yaoyang raised his brows: "Yes!" The

Come out of the hospital!

Xiao Yaoyang said to Mitsui Takeshi and Miyamoto: "Two distinguished guests, there is a grand auction at the Mannity Black Market tonight. I would like to invite both of you to participate."

Mitsui said coldly, "Mr. Xiao, we are here. This time

I'm here in China, I'm not here to participate in the auction." Xiao Yaoyang said with a smile: "I know, but at the black market auction tonight, there is a pair of Wang Xizhi's peace notes, worth ten thousand gold, handed down to the world. I think Mr. Mitsui and Miyamoto Sir, I will be very interested."

Wang Xizhi's Ping An Post!

Wang Xizhi's own calligraphy has not been handed down to the world.

The rubbings and ink editions of famous masters in the world are all passed down in the world.

The most precious of these is the fine copy of the Tang Dynasty, whose status is equal to the original one, and can be called a priceless treasure.

When Mitsui Takeshi and Miyamoto heard that it was Wang Xizhi's word, they were really interested.

Especially Miyamoto, he showed a rare expression of excitement: "What you said is true?"

Xiao Yaoyang smiled and said, "Yes, this Ping An post is a fine copy of the Tang Dynasty, because Wang Xizhi's original work does not exist in the world, so this The fine copy of the Tang Dynasty is also very rare."

"If the two are interested, I can buy and give it to both."

Xiao Yaoyang was clearly doing what he liked, and also apologizing to Mitsui Takeshi and Miyamoto in a vague manner.

After all, Mitsui Ken and Liu Shenggang died in Jiangnan Province, and their Xiao family has an unshirkable responsibility.

Miyamoto Idozai has always been very interested in Chinese calligraphy, not to mention Wang Xizhi's calligraphy.

He turned his head and said to Mitsui Takeshi: "Mr. Mitsui, I am very interested in Wang Xizhi's calligraphy, should we go and see it tonight?"

Mitsui Takeshi would also rely on Miyamoto to avenge his son, so he naturally agreed: "Since you are interested, Master, let's go to the black market auction tonight."

Xiao Yaoyang was relieved when he heard the words, and when Mitsui Takeshi and Miyamoto accepted his gift, naturally they forgave the Xiao family.

There are dozens of tables in the old teahouse, and there are already many people on the scene.

Yash Nics and a few found a table and sat down, and then another group of people came in from the door, it turned out to be Xiao Yaoyang, Mitsui Takeshi, and Miyamoto's party.

Xiao Yaoyang looked around the scene, his face changed slightly when his eyes fell on Yash Nics.

Mitsui took notice of Xiao Yaoyang's strangeness, and asked in shock: "Mr. Xiao, what's the matter?"

Xiao Yaoyang whispered to Mitsui Takeshi to Miyamoto, Mitsui Takeshi's face changed drastically, and he cast an angry look at Yash Nics.

Miyamoto also frowned and looked at Yash Nics. He vaguely felt that Yash Nics was a bit familiar, but he couldn't remember where he had seen it.

Xiao Yaoyang and his party deliberately sat down at the table next to Yash Nics and the others.

Yash Nics naturally noticed Xiao Yaoyang and his group, especially when he saw Miyamoto, the corners of his mouth rose slightly, showing a playful expression.

The black market auction started soon, and the first pieces of ivory and a pair of tiger bones were put out for auction.

Ivory is a luxury item, and tiger bone can be used as medicine, but it is forbidden to sell.

But this is a black market, and everyone is accustomed to it.

After some bidding, the ivory and tiger bones were quickly bought by a drug dealer for more than one million yuan.

Many precious things are thrown out casually, and bought casually.

There are even things that belong to the level of national treasures!

Soon, the finale of the black market tonight, the fine copy of the Tang Dynasty from Wang Xizhi's Ping An Post was taken out, with a starting price of 10 million.

"I'm paying 10 million!"

"I'm paying 20 million!"

"I'm paying 20 million!"

Everyone at the scene, all people who know treasures, increased the price one after another, and soon the price was called 100 million.

At this time, Xiao Yaoyang raised his hand and said in a deep voice: "The Xiao Family, the provincial capital, bid 150 million!"

Everyone at the scene was startled when he heard the words, and looked towards Xiao Yaoyang together.

The Xiao family has an unparalleled status in the south of the Yangtze River. Xiao Yaoyang made an offer to show that the Xiao family is determined to win this Ping An post.

Although 150 million, there is still a distance from the true market price of this character.

But the people at the scene did not dare to offend the Xiao family.

Xiao Yaoyang is proud of it!

This piece is worth 300 million, but he can buy it at half the price. No one dares to snatch it with him. The Xiao family is just that awesome.

The host said loudly: "The Xiao family bid 150 million, no one will bid again, 150 million once, twice..."

Seeing that the host was about to call out a deal, Yash Nics raised his hand, slow Liss The article said: "Three hundred million!"

All the people on the scene were in an uproar.

Everyone looked at Yash Nics in shock, not only shocked Yash Nics's offer, but even more shocked that Yash Nics dared to fight against the Xiao family, and even dared to snatch what the Xiao family liked!

Xiao Yaoyang was shocked and angry, staring at Yash Nics.

Mitsui Takeshi deliberately said: "The price is too high, or Mr. Xiao just give up!"

Xiao Yaoyang shook his head: "No, it's only a few hundred million. Our Xiao family can still get it, and promised to buy this character and give it to him. You two, naturally you have to do what you say."

After Xiao Yaoyang finished speaking, he raised his hand and said, "Our Xiao family, bid 310 million!"

Xiao Yaoyang deliberately increased the volume of the word Xiao's family, which was a warning to Yash Nics. , Don't fight against the Xiao family.

Yash Nics smiled and raised his hand: "Billions!"

Xiao Yaoyang's face flushed, and blue veins appeared on his neck. He bit his head and wanted to increase the price desperately.

But at this time Mitsui Takeshi said: "Mr. Xiao, the price is too high, don't increase the price."

Miyamoto Ichizai also said slowly: "Yes, let him hold this pair of Wang Xizhi's peace notes first. After I go out, I will get the Ping An Post back."

Xiao Yaoyang heard the words and looked at Mitsui Takeshi and Miyamoto in shock.

Immediately, he showed a surprised expression.

Takeshi Mitsui and Miyamoto clearly said that he would kill Yash Nics when he went out and snatch Ping An Post back, so there was no need to waste money.

Xiao Yaoyang's anger disappeared and he did not increase the price.

He looked at Yash Nics with a sneer and thought: Boy, let you jump for a while, and when you go out, you will die by the sword of Dongying Sword God.

There are many reasons why Yash Nics offered such a high price.

In addition to agreeing to buy Wang Xizhi's calligraphy as a gift to Qin Lao, there is also the knowledge that Xiao Yaoyang's purchase of this precious treasure must be given to Mitsui Takeshi or Miyamoto.

Yash Nics wanted to see these national treasures flow overseas, so he would fight against Xiao Yaoyang, crush Xiao Yaoyang, and buy this Ping An post by Wang Xizhi.

Soon, Ping An Post was delivered to Old Qin!

Old Qin's hands trembled with excitement, and he shook his head again and again and said, "It's too expensive, too expensive, or Mr. Yash, keep it for yourself!"

Yash Nics laughed and said, "I'm a martial artist, how can I appreciate it? ?"

"Lao Qin and I have been in a new year. I have been taken care of by you before, and there has been no return. You can keep this calligraphy."

What Yash Nics said has never been rewarded, which means that Mr. Qin did not get any benefits when he served as an imperial physician.

But in Song Pingting's ears, she thought that Yash Nics was talking about the last time the Ningda Group construction site had an accident, and the three workers were dying, and Mr. Qin tried to rescue him.

Therefore, she also said seriously: "Yes, Qin, you helped us last time, this time you eliminated the negative impact for our Ningda Group, and you gave us your endorsement, but you didn't get any money. You must do this calligraphy, it belongs to our husband and wife.

Be careful ." Old Qin wouldn't accept it if it weren't for Yash Nics's gift.

If it was something else, Mr. Qin wouldn't accept it no matter how valuable it was.

But this Wang Xizhi's calligraphy is really too artistic.

His heart jumped wildly, his face changed drastically, and his hands began to tremble slightly. Looking at Yash Nics, he trembled and said, “You...you are...”

Yash Nics sneered, and said playfully: “Three years ago, I was in the north. Zhan, you are lucky enough to get back a deadly life.”

“At that time, I warned you guys not to step into China for the rest of your life. You shouldn’t take my words as the wind.”

Boom!

A thunder in the night sky sounded above Miyamoto’s head.

The most terrifying enemy in the depths of memory, that single-handed man, the young marshal of the Northern Territory who defeated the Allied Forces of the Eighteen Nations.

That one slashed his weapon and cracked his abdomen, causing him to flee back to the East China's God of War like a wild dog in embarrassment.

Miyamoto's heart was sinking in despair.

He kept crying in his heart: It is really him, I should have thought it was his. Apart from him, who else can easily kill my chief apprentice in seconds?

I'm so stupid, I really shouldn't step into the restricted area of China again, I'm done.

Miyamoto's heart was desperate and regretful, but he wanted to struggle and resist, which was extremely complicated.

Yash Nics watched trembling all over, and Miyamoto, who squeezed the samurai sword tightly and released it again, smiled and said: "Miyamoto, you couldn't catch my knife three years ago, and now you have the courage to draw the sword to me again.

Already?" Miyamoto heard this, and he realized that his fear of Yash Nics had been deeply carved into his bones.

Facing Yash Nics now, he didn't even have the courage to draw a sword, hesitated, hesitated.

For a sword god like him, losing confidence is tantamount to losing.

At the first thought, his whole person became much older, lost all his energy and spirit, and withered, like an old man who might be dead at any time.

## Chapter 520

Yash Nics drove and drove Lao Qin and Li Ziqi back to their temporary residences.

On the way, Song Pingting couldn't help asking, "What happened to the person in the rain just now?"

Li Ziqi also looked at Yash Nics curiously!

Yash Nics smiled and said: "It's nothing, just a lunatic."

Song Pingting believed Li Ziqi to be true, but Qin was the only one who looked at Yash Nics's eyes with admiration.

Old Qin knew Ichidozai, the god of war of the East, and he knew even better that Yash Nics was in the north three years ago, alone, and defeated the heroic deeds of the masters of the Eighteen Nations.

In that battle, Yash Nics killed enemy corpses all over the field.

It was also in that battle that the name of Yash Nics's God of War really resonated throughout the world and shocked the world.

Old Qin also knew that Miyamoto Yidaozhai fought against Yash Nics in that battle three years ago.

Yash Nics's weapon was chopped off by Yash Nics, and Yash Nics's abdomen was opened.

Although Miyamoto was lucky enough to survive!

But Yash Nics's knife has already made Miyamoto a frightened bird.

Therefore, when Miyamoto recognized Yash Nics, it was as if a traumatized geese heard the sound of a bowstring, and was frightened and collapsed.

Old Qin looked at Yash Nics, his eyes full of respect, and he was deeply proud that he was Yash Nics's imperial doctor.

There is no time to be quiet, but some people move forward with heavy burdens.

Yash Nics sent Li Ziqi and Qin Lao back to the city guest house. The city guest house is a guiding hotel for the municipal leaders to entertain guests. Dian Chu lives here.

Although the conditions of the guest house are average, because Dian Chu currently lives here, Dian Chu can provide good protection for Li Ziqi and Qin Lao, and will not put them in any danger during their stay in Zhong Hai.

Li Ziqi went back to the room to rest, while Lao Qin went to Dianchu to play chess and drink, and at the same time he wanted to brag to Dianchu that the sword god of Dongying was frightened by Yash Nics tonight.

The next day, Qin Lao and Li Ziqi both left Mannity City, one returned to the north and the other returned to the north.

Song Pingting discussed with Yash Nics about the establishment of the second pharmaceutical factory.

It turned out that since yesterday, Qin Lao and Li Ziqi both spoke for the Ningda Group, thoroughly clarifying the rumors, and completely eliminating the negative impact.

The Dawning liver cancer vaccine just launched by Ningda Group has been ordered by major platforms, and the production task has been scheduled for next year.

The production capacity of the Phoenix Chong factory alone cannot be satisfied.

A subsidiary of Ningda Group, the Lantian Company in the provincial capital has multiple production bases.

However, the sales volume of the pharmaceutical equipment produced by Blue Sky is not good this year. Song Pingting intends to requisition a base of Blue Sky to change it into a second pharmaceutical factory.

She planned to go to the provincial capital in person to inspect several bases of the Blue Sky subsidiary and let Yash Nics accompany her.

Yash Nics readily agreed!

Originally, Yash Nics and Song Pingting were planning to go to the provincial capital by plane.

However, Ma Xiaoli is more feudal and superstitious. Ma Xiaoli said that it is not suitable to go out by plane on the calendar.

Yash Nics had nothing to do with Song Pingting, so they could only drive to the provincial capital in a Hongqi sedan.

After all, it is only three to four hundred kilometers, and if you drive, it will take a few hours.

In the afternoon, Yash Nics and Song Pingting arrived in the provincial capital.

The executives of the Blue Sky Branch warmly welcomed the arrival of President Song Pingting, accompanied Yash Nics and Song Pingting to inspect several production bases, and agreed to Song Pingting's request to requisition one of the bases into a second pharmaceutical factory.

After the inspection, the directors of the Lantian branch took the initiative to invite Yash Nics and Song Pingting to dinner.

Song Pingting did not refuse, but demanded that everything be kept simple.

The directors of the Blue Sky branch chose a farmhouse restaurant.

However, the restaurant they chose seemed ordinary, but the dishes they ordered were not ordinary at all.

Sake frozen half-head abalone, ten catties of wild yellow croaker, etc., and even the red wine, all ordered the waiter to tear off the brand of Kande red wine.

Yash Nics could see that this meal would have to start at least one million.

But Song Pingting thought stupidly that these fish, shrimps, and the not-so-surprising red wine were all ordinary wines and dishes.

Just as people at a table were pushing cups and changing cups, a woman suddenly exclaimed: "Oh, this is not my good sister Song Pingting!"
