The One and The Only Chapter 541 - 550

Wang Yao looked at Yash Nics and said with a sneer: "Hehe, Yash Nics, you disappeared after being kicked out of the Yash family. Did you hide in Mannity as a little son-in-law?"

Yash Nics said faintly. Said: "It has nothing to do with you, what are you doing in my house?"

Wang Yao said with a bit of ostentation: "I retired from your marriage and immediately joined the Deng family of the East China Sea. I am now the Deng family. The young master Deng Hairong himself is also the young grandmother of the Deng family!"

Yash Nics said coldly, "Congratulations, but I just want to know why you are here with us?"

Song Zhongbin explained: "Our Song family and the Wang family have always been family friends. Only in recent years, there has been little contact. This time Miss Wang came to Mannity to increase the relationship with our Song family."

Yash Nics frowned: "Enhancing the relationship?"

Wang Yao raised her head, looking high, and said arrogantly: "Yes, our Wang family and Mannity Song family have always been family friends, but our Wang family has risen in the East China Sea and become a famous family, but your Mannity Song family is getting more and more mixed back."

"I am here this time, just to connect with your Song family. Marriage increases feelings."

Yash Nics and Song Pingting both opened their eyes: "Joint marriage, what kind of marriage?"

Wang Yao said casually while holding a small makeup mirror and applying makeup in the mirror. I have a younger brother who is 18 years old this year. Because he got polio when he was a child, he has some problems with spirit and mobility and has never gotten married."

"I heard that your Song family has a young daughter named Song Qingqing, who looks like a pink jade. Zhuo, I can just marry my brother and be a wife. "

What?

Let my 5-year-old daughter marry your 18-year-old silly brother as a daughter-in-law?

Before Yash Nics spoke, Song Pingting was the first to object.

However, she took into account Wang Yao's identity and face, and the reason for objecting was more euphemistic: "Miss Wang, although our Song family and your Wang family are family friends, my daughter is still young and it is not suitable to talk about marriage."

Wang Yao said lightly: "It's okay to be young. It's fine to have married a child-in-law who is my younger brother."

Song Pingting still refused: "Miss Wang, this is really not good..."

Wang Yao said with an unhappy expression, and said coldly: "What about our Wang family? Identity, willing to marry you Song family, that is to look down on you, you don't know what is good or bad."

Yash Nics laughed haha upon hearing the words!

Back then, the fart was not from the Wang family, crying and begging to marry his Yash family.

Now the Wang family is getting a little better, and it's pretending to be a rich man, and it's ridiculous that he wants a teenage fool to take his precious daughter.

Seeing Yash Nics laughed loudly, Wang Yao's face became even more angry, and shouted: "Yash Nics, what are you laughing at? You are expelled from the Yash

family. You are not as good as a dog in front of me." "Although my brother is a fool, he is willing to marry your daughter. , It's already considered high for your Song

family ." "This is our Wang family supporting your Song family. Don't be shameless!"

Yash Nics's eyes were cold, and he said indifferently: "The tiger girl does not marry a stupid dog, any child of your Wang family. , They are not worthy of my palm jewel, you can go away." The

This is really outrageous!

Is he still the eldest master of the Yash family, a giant in the north?

Chapter 542

Wang Yao was very angry, and the consequences were serious.

She looked at Yash Nics coldly: "Hehe, Yash Nics, what are you pretending to me, do you think you are the rich man in the north back then?"

Yash Nics took out his mobile phone by himself: "Hey, the property security, are we? The house has been harassed, come and deal with it!"

Soon, Liu Wanshun, the chief security officer of the community, came with thirty security guards carrying anti-riot shields and anti-riot sticks.

Liu Wanshun, who was the small security captain here, was almost fired.

It was with Yash Nics's favor that he had the opportunity to become the property manager, from a small security captain to a property manager.

He respectfully greeted Yash Nics's family, and then looked at Wang Yao and his party seriously: "Sorry, you have harassed our VIP residents, please leave immediately."

"Otherwise, we will take coercive measures to expel you from leaving. . " "

in addition, based on your VIP harass our neighborhood residents behavior, you have automatically been faithfully our community blacklist, could no longer step into a cell step. "

Wang Yao eyes wide open, looking at Ning Youjingyounu , Said bitterly: "You dare to ask the security guard to chase me out. You are really kind, and your family is very kind. Just wait for the anger of our Wang family and Deng family!"

Liu Wanshun was a general security guard who personally supervised Wang Yao and others to leave.

After Wang Yao left home, Song Zhongbin shook his head and smiled bitterly, and said to Yash Nics: "Actually, it's all right to refuse their marriage request. There is no need to fall out with the Wang family. After all, the two are family friends."

Yash Nics smiled lightly: "The Wang family is greedy. Unrestrained, cool by nature, like to bear grudges but not gratitude."

"They are so-called family friendships, it's not worth it."

Song Pingting had the same opinion as Yash Nics, and nodded and said, "Yes, we don't rely on anyone. We only rely on ourselves and work hard to make progress."

Song Zhongbin and Ma Xiaoli were still a little worried. First, it was the Song family and the Wang family. The second was a complete fallout.

Then came the Wang family's prominent status in the East China Sea, and Wang Yao has been married into the East China Sea giant Deng family, now the young grandmother of the Deng family.

If the Deng family and the Wang family retaliate against their Song family, how can it be done?

Wang Yao took a few of his subordinates and came out of Jiangbin Community. The more he thought about it, the more angry, the more angry he became.

Moreover, before she came to Mannity, she patted her chest against her husband and her parents, vowing to say that the Song family would definitely agree to the marriage.

If you return to the East China Sea in such a desperate way, how should you face the people of Donghai's family, how should you face her husband!

At this time, Yuan Biao, the captain of her bodyguard, asked: "Madam, what shall we do now, do we return to the East China Sea?"

Wang Yao sneered and said, "I return to the East China Sea so sullenly, my husband and my natal people. It's not that I'm a useless woman, I can't even do such a small thing."

Yuan Biao was astonished: "What is the young lady's plan?"

Wang Yao sneered: "Yash Nics would not agree to let her daughter marry. My brother, then we don't bother to give him nonsense, so we cut Song Qingqing back to the East China Sea forcibly."

"When Yash Nics promises this marriage, he must also agree, and if he doesn't, he must agree."

Yuan Biao said excitedly: The idea is to take Song Qingqing into the East China Sea. The East China Sea is our territory. This marriage is not our final say."

Chapter 543

Wang Yao's face was triumphant. She found out that Song Qingqing was studying in Golden Apple Kindergarten.

And found that it was almost time for the kindergarten to end, so he immediately took Yuan Biao and others to the kindergarten.

At the entrance of the kindergarten, Tong Ke had just received Song Qingqing and came out of the kindergarten with Song Qingqing's hand.

At this time, a black Maybach and a few black Mercedes Benz stopped in front of them.

Wang Yao and some of his men got out of the car with a smile.

Tong Ke knows that the Wang family and the Song family are family acquaintances. She has met Wang Yao once before, so she recognizes Wang Yao.

She was surprised and said: "Hey, Miss Wang, why are you here? Did my cousin ask you to pick us up?"

Song Qingqing hadn't seen her parents for a week, and his eyes lit up instantly. She said: "Auntie, are you my mother who asked you to come and pick me up? How about my mother and my father?"

Wang Yao saw Song Qingqing's face, beautiful and cute as a princess, and she was happy and smiled. "Yes, it was your father and your mother who asked me to pick you up by the way. We will not eat at home today. We will go to the restaurant and get in the car." How did

Tong Ke know that the Song family and the Wang family have had an affair?

She believed Wang Yao's words and went to Wang Yao's Maybach with Song Qingqing.

In a corner not far away, two tiger guards, Ah Qi and Lao Ba who secretly protected Song Qingqing, saw that Wang Yao was talking and laughing with Tong Ke, and Tong Ke and Song Qingqing still took the initiative to get into the car, and they did not suspect.

Soon, Wang Yao and his entourage arrived at Mannity Airport with Song Qingqing and Tong Ke.

Tong Ke opened his eyes wide: "Miss Wang, didn't you say that you were eating out with my brother-in-law's family, why are you here at the airport?" As

soon as Tong Ke's voice fell, Yuan Biao used a handkerchief to cover her tightly. Snout.

Tong Ke only smelled a scent of potion, and then passed out into a coma.

Song Qingqing screamed: "Auntie!"

Yuan Biao repeated the old tricks, using a handkerchief that smelled of potion to cover Song Qingqing into a coma.

With a successful smile, Wang Yao picked up Song Qingqing and got out of the car. With Yuan Biao's men, he went straight into the airport and started boarding.

During the boarding check, the boarding officer asked Wang Yao what happened to the child?

Wang Yao said softly: "My daughter is asleep with a cold, don't wake her!" The

ticket inspector did not suspect him, and ordered the stewardess to give Wang Yao a small quilt for fear of the child catching a cold.

Boom-

Not long after Wang Yao boarded the plane, the plane took off, rushed into the sky, and flew towards Donghai Province.

At this moment, the airport parking lot.

Huwei, Aqi and Old Ba, who had just rescued Tong Ke from a coma in the Maybach car, quickly asked Tong Ke what happened?

“Qingqing, where’s Qingqing?” Tong Ke yelled anxiously when she woke up, “It’s over, Wang Yao took Qingqing away. I want to tell her brother-in-law immediately.”

Yash Nics and Song Pingting’s family learned that Wang Yao defrauded her daughter and had already boarded the plane to Donghai Province.

Song

Pingting seemed to have been struck by five thunders, her face pale, and she tremblingly said: “Oh my God, they took our daughter abducted, what should we do, what should we do?” Song Zhongbin and Ma Xiaoli were also as anxious as ants on a hot pot.

Yash Nics frowned slightly, then stretched out and smiled and said, “It’s okay, they can’t get out of Mannity, so my daughter will be back.”

Song Pingting was so anxious that her tears fell: “Yash Nics, what are you stupid? Then, they have all boarded the plane and the plane has taken off. How can they not get out of Mannity? They will arrive in Donghai Province in two hours.”

Yash Nics comforted and said: “Believe me, I said that when my daughter will come back, my daughter will definitely come back.”

After finishing speaking, Yash Nics walked out of the balcony and called Dian Chu: "Order the flight that just took off to the East China Sea to return immediately and return to Mannity City."

Dian Chu said: "Yes, Marshal!"

Yash Nics said again: "Let Mannity Air Force Base take off two fighter jets to escort the flight to protect the flight back safely. My daughter will not make any difference."

Dian Chu said solemnly, "Subordinates understand!" For a

few minutes Later, the plane that flew to Donghai Province received the highest-level order: without notifying the passengers, immediately return to Mannity Airport on the same route.

At the same time, two of the latest fighter jets roared off from the air base and rushed into the sky.

Wang Yao sneered at Song Qingqing, who was sleeping in his arms, before the plane arrived in Donghai Province.

Then the purpose of her trip has been achieved!

At the site of the Deng family and the Wang family in East China Sea, it will be impossible for Yash Nics and Song Pingting to oppose this marriage.

Waiting for her foolish brother to be engaged to Song Qingqing, then Song Qingqing will be the child bride of the Wang family.

With this relationship, the Deng family can take the opportunity to control the Mannity Song family and make the Song family a puppet of their Deng family in Jiangnan Province.

Wang Yao couldn't help getting excited, and felt that after Yash Nics was expelled from the wealthy, the choice to break the marriage with Yash Nics was really correct.

Yash Nics, who does not have the identity of the northern giant Yash family, is really inferior to a dog!

It's a shame to be a door-to-door son-in-law in Xiaoxiao Song's house after a few years of absence!

Just when Wang Yao was complacent about the original decision.

Suddenly, faintly heard the roar of fighter jets.

Immediately afterwards, the passengers on the passenger plane were all excited.

Many passengers lay on the window, looking at the sky outside, and constantly exclaimed: "Oh my God, it's a fighter jet. Our latest Chinese fighter plane is flying with our aircraft."

"There is also one here. Two fighter jets, one on the left and the other on the right, are on both sides of our plane. Are they escorting us?" "The

passengers are very excited!

Not only was it possible to see China's most advanced fighters at such a short distance, but also because they discovered that these two fighters were flying and escorting their planes. What a brand name!

Go back to brag, can brag for a lifetime!

Wang Yao and several of her men were also shocked.

what's going on?

Soon, Yuan Biao surprised: "in front of the airport, our plane began to descend like being."

she After finishing speaking, I immediately realized that something was wrong, and exclaimed: "No, this is China Overseas Airport. We seem to have returned from the same route!"

Yuan Biao looked at each other, they were also confused, and they didn't understand how the plane would go the same way. Return?

Moreover, the captain and stewardess on the plane did not tell them what happened!

Huhu!

Two fighter planes whizzed past the airport and flew away.

But the passenger plane that Wang Yao and the others were on landed on the airport steadily.

At the moment the plane stopped, the passengers couldn't help but feel an uproar.

Some people even questioned angrily: "What the hell is going on? Why did the plane return to Mannity Airport?"

Wang Yao and her men agreed that they also had this question, and looked at the captain who had just walked out of the cab.

The captain smiled and apologized to everyone, and said: "Sorry, we have received the highest-level order, this flight must return to Mannity Airport the same way."

Wang Yao angrily said: "What order is so awesome, and it can let the plane take off. All fly back, you better explain clearly to us, or I will complain about your airline."

Yuan Biao and several others yelled: "Yes, we must give us an explanation."

“As for you. Ask me why the military issued such an order. I can only tell you. I don’t know, because it is a military secret.”

“So you had better stop asking. As for your losses, our airline will give you. Compensation for three times the fare.” When it

comes to military secrets, no one dares to mumble anymore.

Everyone no longer had any opinions, and started to get off the plane. At the same time, they whispered: “There is a chief on the plane, and suddenly there is something important to return to Mannity.”

“I think it must be that not only can the plane be ordered back, but also What a powerful identity to be able to dispatch two fighter planes to escort!”

Wang Yao embraced Song Qingqing, took Yuan Biao’s men with him, and got off the plane with the other passengers.

Like others, she looked around, trying to find out who on the plane was able to return the plane?

But what made her impossible to think of even if she wanted to break her head was that the person who caused the plane to return and dispatched two fighter jets to escort it was Song Qingqing who was sleeping in her arms.

At the airport, there are a dozen black cars parked.

In the afterglow of the setting sun, Yash Nics held Song Pingting’s hand, and the two stood together.

Tong Ke was standing next to Song Zhongbin and Ma Xiaoli.

Dong Tianbao and dozens of men in black suits stood behind Yash Nics with serious faces.

Wang Yao hugged Song Qingqing and got off the plane. She was dumbfounded when she saw this formation.

“Qing Qing!”

Song Pingting screamed, and rushed up immediately, desperately snatching Song Qingqing from Wang Yao.

Song Qingqing was awakened by the violent shaking, rubbing his eyes in Song Pingting's arms, and seeing Song Pingting, she shouted in surprise, "Mom!"

"Good daughter!"

Song Pingting was very excited and tight. Holding her daughter, laughing and crying again.

Yash Nics came over, put his arm around Song Pingting, and smiled and said to her daughter: "Baby girl, are you okay?"

Song Qingqing hadn't seen Yash Nics and Song Pingting for a week. I couldn't bear to see Yash Nics. There was another cheer when he stayed: "Dad, I'm fine, I just feel so sleepy, did I just fall asleep?"

Song Qingqing just woke up and can't remember being fainted with a handkerchief in the car.

But Tong Ke remember!

When Tong Ke woke up to find that Song Qingqing had been abducted by Wang Yao, she was shocked and angry, afraid and blamed herself. When she faced her cousin and brother-in-law's family just now, she couldn't help crying.

Seeing Wang Yao now, Tong Ke was so angry that he stepped forward, raised his hand and slapped Wang Yao.

Snapped!

Wang Yao was caught off guard and slapped a loud slap on her face.

The well-dressed hairstyle on his head also became messy.

She covered her face and looked at Tong Ke angrily: "Bitch, do you dare to hit me, Yuan Biao, why are you still stunned, and beat her to death!"

Yuan Biao wanted to be murderous. Tong Ke hands.

Yash Nics said coldly: "Take them down!"

"Yes!"

Dong Tianbao roared, and rushed to meet Yuan Biao immediately like a tiger.

Yuan Biao hadn't reacted yet, Dong Tianbao's fist had already reached his eyes and hit him in the face with a bang.

Yuan Biao's face was full of blood in an instant, without a sorrowful hum, he directly raised his head and fell.

Dong Tianbao's men also killed Wang Yao's other bodyguards at the same time.

In the blink of an eye, Wang Yao's eight bodyguards all fell in a pool of blood.

Wang Yao's eyes widened, her face was full of disbelief, and her words were incomplete. She trembled and said: "I am the young lady of the Deng family of the East China Sea, and my family is the king of the East China Sea. How dare you..."

Yash Nics said lightly: "Back then, I didn't put your Donghaiwang family in my eyes. Now your Donghaiwang family is in my eyes, let

alone nothing." After Yash Nics finished speaking, he was ready to tell Dong Tianbao to teach Wang Yao a lesson.

But when Song Pingting saw that her daughter had returned safely, she considered that the incident did not cause irreparable losses, and she thought that the Song family and the Wang family were once family friends.

So, she whispered to Yash Nics: "Yash Nics, don't care about her, let her stop harassing our family in the future."

Yash Nics heard this and looked at Wang Yao coldly: "My wife is kind-hearted. , I don't care about you, I will spare you this time."

She let several injured men support each other and fled in embarrassment.

When she left, she looked at Yash Nics’s family bitterly and thought: If you think of yourself as a rich man in the past, your whole family is waiting to welcome the revenge of the Deng family and the Wang family in the East China Sea!

Wang Yao has never tried to be as embarrassed as he is today!

She was first driven out of the community by the property security of Jiangbin Community.

Now Dong Tianbao sent someone to supervise her and her men. They left Mannity City and returned to Donghai Province in a desperate manner.

Wang Yao first returned to the Wang family, refused the Song family to marry her, and Yash Nics twice insulted her, and injured her gang of men.

Wang Chunlei, Wang Yao’s father, was bullied by Yash Nics and the Song family when he heard that his daughter went to the Song family to propose marriage to his youngest son.

He was furious: “It’s really unreasonable!”

Wang Yao’s eldest brother, Wang Ting, said loudly: “Little Song family, and Yash Nics, the trash who was expelled from the Chen family, dare to refuse our Wang family’s marriage request. , I dare to humiliate my sister.”

“The Deng family is still waiting for us to marry the Song family, and then take the next step, waiting to control the Song family and set foot in Jiangnan Province!”

Wang Yao said at this time, “Big Brother , You go to Mannity to find them to settle the account, and I will go with you.”

“But Yash Nics is a bit of a person in Mannity, and the underground circle of Mannity represents Dong Tianbao, which is his dogleg.”

“Yash Nics is estimated to be relying on Dong Tianbao. Support, dare to be so presumptuous.”

Wang Ting sneered and said: “What is Dong Tianbao? I’ll call a hundred of Agni’s subordinates. I used to extinguish Dong Tianbao easily, and even dared to beat my sister.”

Agni!

A well-known security company in Donghae Province!

It is said that it is a security company, but it is actually a mercenary company.

Before Wang Ting was the chief instructor of the 30,000 Special Forces in the East China Sea, he was forced to retire because of a serious violation of discipline.

After he retired, he set up the Agni Security Company and trained a group of soldiers who are capable of being able to do so.

Song Family Master Song Qingsong is having dinner with a large group of family members including Song Zhongxiong, Song Zhongping, Song Haoming, Song Feifei, Ge Meili, etc., around a large table.

Suddenly seeing a few security guards running in panic, Song Qingsong was shocked and angry, and shouted, "Who is so bold and dare to come to our Song family to be wild?" As

soon as the voice fell, someone outside the door said arrogantly: " Me, the King of the East China Sea, Wang Ting!"

Song Qingsong and the others looked at the door in shock, only to see Wang Ting and Wang Yao brothers and sisters coming in with a large number of subordinates.

Song Qingsong hurriedly stood up, surprised and horrified, and said: "It turns out that it is our family friend in the Song family, Mr. Wang, you are here. Why don't you notify our family in advance so that we can welcome you!"

Wang Ting sneered: " Haha, isn't your Song family threatening that our Donghai Wang family and the Deng family should not step into Jiangnan Province for half a step?"

Song family and others were dumbfounded, Song Qingsong was even more panicked, and hurriedly said: "Mr. Wang, how are you? What do you mean?"

Wang Ting pulled a chair and sat down, putting his feet in leather shoes directly on the dining table.

He arrogantly said: "My Wang family proposed to marry you Song family, you dare not agree, and you humiliated my sister and threatened our Wang family not to step into the south of the Yangtze River."

Song Qingsong only knew at this time that Wang Yao had already been to Mannity once.

They also learned that Wang Yao, on behalf of the Wang family, proposed to marry the Song family, and wanted Yash Nics's daughter to be the child's daughter-in-law of the Wang family.

But Yash Nics refused, and Yash Nics was kicked out of Mannity.

Song Qingsong quickly apologized to Wang Ting and Wang Yao brothers and sisters, and then in front of Wang's brothers and sisters, he took out his mobile phone and called Song Zhongbin personally, scolding Song Zhongbin bloody.

Finally, Song Qingsong said viciously to Song Zhongbin: "The Wang family is a wealthy family in the East China Sea, and the Wang family let Song Qingqing be their child's daughter-in-law. That is Song Qingqing's blessing, and also our Song

family 's luck." "This marriage, your family must agree."

However, at this time, Yash Nics's cold voice came from the phone: "Whoever of your Song family wants to marry a fool, let them marry, and stop hitting my daughter's idea."

Yash Nics finished, just Hang up the phone directly.

Listening to the busy tone from the phone, Song Qingsong looked at Wang Ting brother and sister with embarrassment on his face, and said embarrassedly: "Mr. Wang, Miss Wang, you see, it is not our Song family that does not give you the Wang family's face. It is Yash Nics. Their family is too arrogant to even take my words seriously."

Wang Ting narrowed a pair of triangular snake eyes and said sensibly, "It seems that if you don't give Yash Nics a little bit of color, he won't give up."

Soon, Wang Ting sent someone to check it out. Yash Nics's family was walking to the Cloud Restaurant for dinner.

Walking in the clouds was also opened by Dong Tianbao, the underground emperor of Mannity.

Wang Ting said coldly: "Go, walk to the Cloud Restaurant, settle accounts with Yash Nics, Song Pingting, and Dong Tianbao."

Wang Yao smiled, thinking that her hatred for being bullied by Yash Nics could finally be reported, she laughed "Big Brother, I want Yash Nics to kneel down and apologize, and I want Dong Tianbao's dog life!"

Wang Ting smiled: "As you wish!"

Song Qingsong saw that Song Pingting's family had offended Donghai Wang's family. Frightened and angry, at the same time worried about losing the prominent family acquaintance of the King of East Sea.

So, he smiled and said: "Mr. Wang, Miss Wang, our family will come with you, let the Song Pingting family apologize to you."

Chapter 548

Mannityzhisha Building, strolling through the cloud restaurant.

Brothers and sisters of Wang Ting and Wang Yao, and Song Qingsong's family, with a large number of his men, just came to the entrance of the restaurant, but Dong Tianbao and a group of people stopped their way.

Behind Wang Ting were hundreds of mercenaries in suits, and behind Dong Tianbao there were hundreds of men in suits.

Wang Ting squinted his eyes and looked at Dong Tianbao indifferently: "A good dog doesn't stand in the way, let your master Yash Nics get out and see me."

Dong Tianbao smiled disdainfully: "Mr. Yash is having dinner with his family, no one can disturb, I advise you to get out of here."

Unexpectedly, when he went out of Donghai Province and came to a small Mannity city in Jiangnan Province, others would not take him seriously.

A wave of anger rose from his heart.

A trace of murderous intent flashed in his eyes, and he grinned coldly: "Dog stand in the way, kill the dog!" As

soon as his voice fell, a subordinate named

Alai next to him responded: "Yes!" Alai is Wang Ting. His capable man is burly, and his suit just makes him wear a down jacket-like effect.

He strode forward, punching Dong Tianbao's head with a punch.

Dong Tianbao snorted coldly, dodged sideways, and swept his foot high at the same time.

boom!

Alai was swept across his head by Dong Tianbao, and directly spouted a mouthful of blood mixed with broken teeth, flew out at an angle, and fell heavily to the ground.

Wang Ting and the others obviously did not expect that Dong Tianbao was so skilled. A man in the underground circle could defeat the elite subordinates trained by Wang Ting himself!

Wang Ting was a little surprised, but more angry.

He said coldly: "You have two strengths, no wonder you dare to be so presumptuous. But your strength is not enough in front of me."

After that, he moved and killed Dong Tianbao.

The speed was approaching the extreme, and there were afterimages in the body.

At the scene, Wang Yao, a group of mercenaries in the fire, and Song Qingsong and others, all looked at Peng Bai with great pains and excitement.

The strength of this Wang Ting far exceeded his estimate, and was far stronger than him.

Seeing that Dong Tianbao is about to be blown away by Wang Ting!

But at this time, a burly figure suddenly appeared in front of Dong Tianbao, raised his hand and greeted Wang Ting's fist.

This person is Dian Chu!

boom!

Dian Chu's fist collided with Wang Ting's fist.

Dian Chu didn't change his face, but Wang Ting was shocked and his arms were numb.

"You!"

Wang Ting looked at Dianchu in surprise. With his strength, he just hit Dianchu hard, but he couldn't find out the depth of Dianchu, which made him feel that Dianchu was a little unpredictable for no reason.

Dian Chu was expressionless, and said indifferently: "Mr. Yash wants to see you!"

Wang Ting snorted coldly: "I thought he was going to hide and be a tortoise. He didn't dare to see me. He was savvy. Otherwise, I don't mind. Knock you all down and smash your restaurant."

Dong Tianbao and others glared at Wang Ting, while Dian Chu said coldly, "Only you are not worthy!"

Wang Ting said angrily, "Dare to be so rude to me." You're the first one, I remember you."

Dian Chu smiled ha ha, noncommittal, obviously did not take Wang Ting seriously.

This made Wang Ting extremely angry!

Dong Tianbao and his entourage heard that it was Yash Nics who wanted to see Wang Ting and the others, so they let Wang Ting in.

When Wang Ting and his party entered the restaurant, they found that there were no guests in the restaurant tonight.

It turned out that Dong Tianbao knew that Yash Nics's family had come over for dinner, so they just stopped doing other people's business, so there were no guests in the restaurant.

At the table in the center of the restaurant, Yash Nics's family and Tong Ke are eating dinner.

Chapter 549

Yash Nics saw Wang Ting and his party coming, and then slowly put down the knife and fork of the meal, picked up the towel on the table, and wiped his hands.

Wang Ting and Wang Yao's brothers and sisters looked at Yash Nics, who was tall and tall, with eyes like stars and unparalleled temperament.

There is a feeling in the trance that Yash Nics seems to be more generous than when he was the son of the Yash family.

Dianchu and Bahuwei, as well as Dong Tianbao and a gang of fierce men, stood respectfully behind Yash Nics, the unparalleled son.

Yash Nics did not get up to greet Wang Ting, Song Qingsong and others, but looked at him with a smile, "Wang Ting, long time no see!" At

that time, Yash Nics was the son of a wealthy northerner.

The Kings of the East China Sea tried to cling to the Yashfamily and worked extremely hard to please the Yashfamily.

Not only did Wang Yao make a marriage contract with Yash Nics, but even Wang Ting didn't get too much with Yash Nics back then, and did nothing less to pour tea and deliver water to Yash Nics.

However, Yash Nics was later driven out of the house by the Yashfamily and lost his identity as the son of the Yashfamily.

The Wang family broke the marriage contract between Wang Yao and Yash Nics!

Moreover, the Wang family has risen in recent years, and Wang Ting feels that Yash Nics cannot afford to climb the current Wang family.

He looked at Yash Nics with a sneer: "Hehe, you are the son-in-law of the Mannity Song family back then, now you are the son-in-law of the Mannity Song family. Yash Nics, you are really worthless."

Yash Nics said lightly, "You are so far away. Come here, just want to tell me this?"

Wang Ting: "I have a lot of things, and I want to settle accounts with you."

"Let's talk about the matter just now, you guy, hurt my guy, Alai, How do you deal with this matter?"

Yash Nics looked at Dong Tianbao.

Dong Tianbao held his head high and said loudly, "Mr. Yash, they want to rush, and they want to kill me. I kicked that guy with a kick."

Yash Nics asked Dianchu, "How should we punish?"

Dianchu said in a deep voice, "Thinking about the wall for three days, and training for the devil for a month!"

Yash Nics nodded, "Then punished like that!"

Wang Ting showed a smug after hearing the words. Expressions.

After facing the wall for three days, there is still a month of training for the devil.

Although not a severe punishment, Wang Ting felt that this was Yash Nics's good performance to him.

It seems that Yash Nics also knows that today's Donghai King's family can't afford to offend it!

Wang Ting squinted his eyes and said triumphantly: "Yash Nics, your sincerity to apologize to our Wang family, I have already seen it."

"But I have two more things. You have to continue to apologize to my Wang family..."

Wang Before Ting finished speaking, Yash Nics interrupted him.

Yash Nics calmly said: "Wang Ting, I think you have misunderstood. The reason why Dong Tianbao was punished was not because he hurt your subordinates."

"It was because he lost my face!"

"I told you earlier. Wang's family, don't set foot in Jiangnan Province to make trouble. Not only are you here, but you also want to fight and kill."

"Dong Tianbao's shot turned out to be just kicking your subordinates. It's too temperamental. I didn't execute my previous actions at all. What he said. He should interrupt all of you and drag you out like a dog!"

Yash Nics's words not only made the smug expression on Wang Ting's face froze.

The Wang family members, Song Qingsong's family, and even Song Pingting's family were all looking at each other.

Wang Ting's face turned green and white, and said angrily: "Yash Nics, I originally planned to give you a way to survive, but now it seems that you don't want it anymore."

"The people at the scene will listen to me, and the unrelated personnel will leave immediately. , Or be careful to ruin your own life!"

When Wang Ting's voice fell, the expressions of the managers and waiters in the restaurant changed.

Song Pingting's family also turned ugly.

Song Qingsong's family began to gloat for misfortune, they wished Yash Nics was unlucky.

Yash Nics looked at Wang Ting with a smile but a smile: "What a mighty prestige, if I remember correctly, you used to be the chief instructor of the 30,000 special forces in the East China Sea."

"Looking at your military status, I will give you a chance."

"I." Of these nine men, you can pick any one to fight. If you can win, I will allow you to leave Mannity."

Wang Ting sneered, "What if I like group battles?"

Dian Chu said with eight tiger guards, squinting his eyes. : "Then I and my eight men, enough to destroy you."

Chapter 550

Wang Ting did not expect that he would be so underestimated as the chief instructor of the 30,000 Special Forces in the East China Sea.

He was furious, and murderously ordered a group of Fiery mercenaries behind him: "Do it, and destroy them all." As

soon as Wang Ting's voice fell, the hundreds of Fiery mercenaries behind him moved instantly.

However, Bahuwei moves much faster, and his moves are much harder!

For a while, strolling through the cloud restaurant, the sound of fighting was loud, and the smell of blood began to permeate the air.

Wang Ting's men are not weak.

It's just that compared with the eight most elite tiger guards in Yash Nics's guards, they are vulnerable.

I saw the eight tiger guards walking through the opponents like eight tigers, making moves quickly and ruthlessly. The opponents not only screamed and fell in front of them...

However, the fire mercenaries fought fiercely with the eight tigers.

But the fire mercenaries did not rush to Dian Chu.

They knew that Dian Chu was the opponent selected by Wang Ting!

The Eight Tigers also did not pounce on Wang Ting very tacitly.

Eight Tigers also knew that Wang Ting was the opponent selected by Dian Chu.

When Wang Ting saw his subordinates were constantly knocked down by the Eight Tigers, a look of shock flashed in his eyes.

However, he soon regained his peace.

After all, he used to be the chief instructor of the 30,000 special forces in the East China Sea, and he was also a person used to seeing strong winds and waves.

He still has the strength to stay in battle.

Even if his group of subordinates are not as strong as the Eight Tigers, as long as he uses thunder means to quickly kill Dianchu.

Then Yash Nics and others must have surrendered in fright.

Dian Chu and Wang Ting stood in place, ignoring the fierce fighting around them, their eyes exchanged like thunder and fire.

"Come to fight!"

"Look at the move!"

Dian Chu and Wang Ting shouted almost at the same time.

Both of them exerted force at the same time and rushed straight towards the opponent.

boom!

The fists of the two collided without fancy, pure head-to-head.

Dianchu stood still, but Wang Ting staggered back five or six steps.

On the scene, Wang Yao and Song Qingsong and others showed shocked expressions.

Wang Ting, who was once the chief instructor of 30,000 special fighters in the East China Sea, suffered a head-to-head confrontation with Dian Chu?

But Dong Tianbao and his men couldn't help but cheer for

Dianchu : "Okay!" Song Pingting covered her daughter's eyes, and she, Song Zhongbin and Ma Xiaoli were all worried.

Yash Nics looked calm and calm.

Tong Ke's eyes rolled around, watching the battle with great interest.

Both Dian Chu and Wang Ting came from the military, and they both used military fighting skills. Their movements were simple and neat, without fancy, and their moves went straight to the point.

Not only do they have similar fighting styles, but they also have the same moves sometimes.

It's just that Dian Chu tends to be faster and more explosive when they use the same moves.

Soon, Dian Chu threw away Wang Ting's defense with three punches, and then directly slammed into Wang Ting's arms, hitting Wang Ting's heart fiercely with his elbow.

Wang Ting had several broken ribs in his chest, his face and lips instantly pale, he stepped back several steps, and then wowfully vomited a mouthful of blood.

Wang Yao and Song Qingsong's family looked stunned, and couldn't believe that Wang Ting had lost.

Wang Ting crumbling, clutching his injured chest, looked pale Dian Chu, a tough ask: "Do you, hello strong Who are you in the end"

Code Chu sneer: "I am Mr. Yash's men"

This At that time, the fierce battle in the restaurant was over.

All of Wang Ting's hundred mercenaries in flames had fallen in a pool of blood.

Eight Tiger Guards, like eight demon gods, stood with murderous aura.

Wang Ting's face was extremely ugly, and he was completely defeated today.

He himself lost to Yash Nics's subordinate Dian Chu, and the hundred fiery mercenaries he brought with him were not the opponents of Yash Nics's eight men.

Wang Ting looked at Yash Nics with particularly complicated eyes, and said in a trembling voice: "You have obviously been expelled from the Yash family, why are you still..."

Yash Nics's face was calm and light, and he smiled in a chattering tone: "Back then, your king's family was nothing in my eyes; now, your king's family is still nothing in my eyes."
