The One and The Only Chapter 551 - 560

Everyone at the scene had different faces.

Especially the Wang Ting and Wang Yao brothers and sisters, as well as the Song Qingsong family who have always regarded the Wang family as superior, their expressions are exceptionally weird.

On weekdays, if someone dared to say not to take Donghaiwang's family seriously, then everyone would definitely think that person was acting as coercion.

But at this moment, everyone looked at Yash Nics with a relaxed face.

There was a feeling in the trance that Yash Nics was not pretending to be compelling, but expounding a simple fact.

Wang Ting endured the severe pain of the wound and gritted his teeth and said: "This time I am planted. I want to kill and cut. I listen and respect it."

Yash Nics said flatly: "I said I didn't take your Wang family seriously. It's up to you For the sake of being a soldier, I will give you the Wang family one last chance."

" Go back to the East China Sea, don't make Jiangnan's idea."

"In addition, if you want to compensate for the loss of the restaurant, you should pay 100 million."

"And you. I made Mannity a jumpy dog, and donated some money to Mannity as compensation, so I donated nine billion yuan, a total of one billion yuan."

Wang Ting was angry and aggrieved when he heard this. On weekdays, only their Wang family bullied others. Nothing. Thinking of being bullied so badly in Mannity today.

But under the eaves, people have to bow their heads.

Wang Yao's face is more complicated than Wang Ting!

She helped Wang Ting turn around and walked a few steps, then suddenly stopped, looked back at Yash Nics, and said bitterly, "Yash Nics, don't be proud of you."

Song Feifei in his arms, his eyes rolled up.

Song Feifei's private life was already chaotic. She had a lot of boyfriends, and most of them were rich and powerful.

Her current boyfriend Zhong Ziqiang is a captain of the Navy!

Because boyfriends are fighters, there is little time to meet each other.

In addition, Song Feifei did not actually like Zhong Ziqiang much, and was already dissatisfied with her boyfriend's status. She felt that a captain was a little unworthy of her.

Now, although she was forced to sit in Deng Yingjie's arms, she was forced to be bullied by Deng Yingjie.

But in fact, she didn't care at all in her heart, on the contrary there was a hint of joy.

Deng Yingjie's background is too big, if you can take the opportunity to please Deng Yingjie, you may not be able to fly to the branch and become a phoenix.

Thinking about this, she took the initiative to stick to Deng Yingjie tighter.

Moreover, she deliberately said: "Second Young Master Deng, in fact, our Mannity Song family has always respected and admired you Donghai Deng family."

"Only the traitor Song Pingting in our family and her husband Yash Nics. , Has been against you all the time."

Song Feifei secretly took the initiative to get closer to Deng Yingjie. Others don't know it. Of course, it's impossible for Deng Yingjie to not know.

The corners of his mouth rose slightly, lifting Song Feifei's chin, and said with a wicked smile: "You're a darling, what's your name?"

family once and only settle accounts with Yash Nics and Song Pingting ." Song Feifei said with a flat smile, "Thank you Deng Er. Son!"

Song Qingsong and the others looked at Song Feifei and Israel's attendants, trying their best to flatter Deng Yingjie.

Although they were snobbish, there was still a corpse of a son of the Song family lying on the ground. Song Feifei was so shameless to please Deng Yingjie, Song Qingsong and others felt embarrassed.

However, Deng Yingjie's background is too big.

The Donghai Shuangsha behind Deng Yingjie was too terrifying, Song Qingsong and others dare not have any objections.

Deng Yingjie waved his hand: "You all go out, I am close to Miss Feifei."

Song Qingsong's family, with ugly expressions, one by one did not dare to speak, bowed their heads and left the living room.

Deng Yingjie hugged Song Feifei with a smirk, put Song Feifei directly on the table, and then took possession of him...

Soon, the storm ended.

Song Feifei leaned weakly on Deng Yingjie, exhaling like a blue: "Second Young Master Deng, you are so bad that you have violated others like this."

Deng Yingjie squinted her eyes, and intentionally or unconsciously said: "Why, do you have any opinions?"

Song Feifei said quickly: "Oh, how could I have any opinions? It is my blessing to be able to serve the second son of Deng. I am willing to stay. Beside the second son of Deng, be a dog and a horse to make the second son happy."

At this time, she rolled her eyes twice, then nodded and said, "Yes, my sister is the goddess of the sea, but the second son should not be paranoid about my sister."

Deng Yingjie sneered: "Why?"

Song Feifei said deliberately. "Because my brother-in-law Yash Nics, he is very powerful, many people beat my sister's idea, and he took care of it miserably."

Deng Yingjie sneered: "Heh, what the hell, I want him to be on my side tonight. Kneel in front of me and watch me play with him!"

Yash Nics calmly instructed Dianchu: "Remember to return the corpse to Deng's family."

Dianchu said solemnly

: "Yes!"

Soon, the corpses of Deng Yingjie and Donghai Shuangsha were sent away.

The blood on the floor of the living room has been cleaned up.

"Where are the two elders in the East Sea? Didn't I tell them to protect my brother?"

Lao Lin lowered his head and whispered: "The second elder in the East Sea, too. Dead."

Deng Hairong fell silent after hearing this.

Wang Yao, a group of members of the Deng family around him, as well as several distinguished guests who came to Deng's house today, all showed expressions of suspicion.

Mannity, Song Family.

Since Yash Nics killed Deng Yingjie, Song Qingsong's family has been awake day and night, always worried that the Deng family will come to them for revenge.

The Song family felt that they could not sit still and spent a lot of money. From the neighboring city of Lanshan, they invited two big men from the underground circle to protect them.

These two big bosses are Liu Hong from Lanshan City, and Chen Ba, the evil spirit of the North.

Deng Hairong didn't like flying by plane since he was a child!

This time, he and Wang Yao led the Deng family's four major warriors, as well as 800 elite men.

Take a boat down the river and head straight to the south of the Yangtze River.

Before the fleet arrived in Mannity City, Deng Hairong learned that the Song family had recruited Liu Hong and Chen Ba to help out in an attempt to resist the Deng family's revenge.

He sneered and said: "Hook crazy cow!"

Immediately, he was tall, with a sharp hook in his right hand.

There are also mad cows with spurting muscles, as strong as a cow, and murderous.

The two took a step before the battle and responded in unison: "The subordinate is here!"

Deng Hairong said coldly: "I heard that the Song family has asked Liu Hong and Chen Ba to help out. You two will each bring a hundred men. You will be divided into two groups to get the heads of Liu Hong and Chen Ba."

"As for the Song family, leave it to me to do it myself."

Hook and Mad Bull said in unison: "Yes!"

After saying that, they each ordered a hundred men, changed the Clippers, and rushed to Mannity at full speed.

Chapter 559

Early the next morning, Deng Hairong's main fleet arrived at the Mannity City Wharf.

Deng Hairong and Wang Yao, along with doctors and ghosts, and 600 subordinates, had just gone ashore.

I saw the hook and the mad cow, with two hundred of his subordinates, who had been waiting for a long time.

"Welcome Patriarch, Jun Lin Mannity!"

Hook and the two hundred men behind Mad Niu shouted together.

Deng Hairong's gloomy face for the past two days eased a lot, and asked: "Hook, Mad Cow, how did you do what you are told to do?"

Hook grinned and said, "Master, fortunately not insulting your life."

Mad Cow Ye Weng said angrily: "Yes, I split with the hook soldier and killed Liu Hong and Chen Ba. The heads of Liu Hong and Chen Ba were also chopped off by us. Please master. Look over." As

soon as the voice fell, two men came up with two plates.

On the two plates, there was a bloody head respectively, which was the head of Liu Hong and Chen Ba.

Deng Hairong squinted his eyes and sneered: "Very well, who wants to protect the Song family, this is the end."

Wang Yao asked Hook and Mad Bull: "By the way, the people of the Song family, what is the reaction now?"

Hook said immediately. "The Song family learned that our Deng family had a dragon crossing the river and came to destroy their family.

Liu Hong and Chen Ba, whom they had invited with a lot of money, were also wiped out by us. It is estimated that they have been scared enough."

Mad Cow said: "Master, mistress. I'm good at advocating, and I have sent someone to the Song

family to let everyone in the Song family wash their necks and wait to die." Deng Hairong smiled and said, "Oh, it's a beautiful job. I just want the Song family to panic all day, and then kill again. They."

Wang Yao asked, "Husband, shall we rush to Song's house immediately to avenge my second uncle?"

Deng Hairong shook his head: "No hurry, we are struggling all the way, everyone has worked hard. Everyone first find a good hotel, eat and rest for half a day, and then go tonight to destroy the Song family."

Wang Yao smiled and said, "It's okay. On the one hand, we can relieve the fatigue of trekking, and on the other hand, it can also make the Song

family suffer a little longer in despair." Deng Hairong and his entourage stayed at the Old Wharf Hotel.

They are ready to eat and drink, rest for half a day, and then go to Mie Song's house in the evening.

And the Song family ancestor house, Song Qingsong's family, are indeed like ants on a hot pot, extremely anxious.

Song Qingsong's family got the news that Deng Hairong, the head of the Deng family, led four warlords, 800 elite men, and the Raptors crossed the river.

Moreover, the two groups of Liu Hong and Chen Ba invited by the Song family were killed by the Deng family last night.

Liu Hong and Chen Ba had their heads chopped off, and the rest of the men were dead and running away, but they all dispersed.

The next hapless one will be their Song family's turn.

Song Qingsong was sweating profusely and said anxiously: "I heard that Deng Hairong has arrived in Mannity. He and his men have already checked into the Old Wharf Hotel, and they have sent someone to inform us that the Song family will wash their necks and wait for death. What should I do?"

Song Zhongping said desperately, "The Deng family is capable of reaching the sky. Before Deng Hairong came to Mannity, he had greeted people from all walks of life in Mannity City. Even the police did not dare to ask, who can save us now? "Ah!"

Song Feifei said bitterly: "Both Yash Nics and Song

Pingting are blamed . If Yash Nics hadn't killed the Second Young Master Deng, would we have the catastrophe today?" Song Qingsong immediately said, "Yash Nics He said that he would carry it himself, and he would keep our Song family safe and sound. You immediately call Yash Nics and Song Pingting's family to make them take responsibility for this matter."

Song Zhongxiong said disdainfully. "Dad, that guy Yash Nics is just bragging. Do you really think he has the ability to challenge the Deng family? The Deng family can kill him with just one finger."

Song Qingsong said: "Yash Nics has a good relationship with Dong Tianbao. Dong Tianbao is the boss of the Mannity underground circle. Let Yash Nics come over, and you may be able to block it for a while. Otherwise, Deng Hairong will come, and our Song family will be over immediately!"

Song Zhongxiong and others nodded one after another: "Yes, call Yash Nics."

"Yash Nics killed the people, and Yash Nics caused the disaster. If the Deng family wants to condemn the crime, Yash Nics should be attacked first."

“Yes, yes. Yes, when Deng Hairong kills Yash Nics, the Deng family’s anger subsides a bit.

We will take the opportunity to beg for mercy and express our willingness to join the Deng family and bow our heads. We may not allow the Deng family to spare us once.”

Chapter 560

Song family and others felt that Yash Nics’s life would be used to calm the anger of the Deng family, and then the Song family begged for mercy. This was the only way to survive.

So Song Qingsong personally called Yash Nics: “Yash Nics, your kid said that if the Deng family comes to our Song family for revenge, you will keep us safe and sound.”

“Now the Deng family has a large number of subordinates. We’ve destroyed our Song

family , you hurry up to fulfill your promise.” Yash Nics chuckled softly: “Don’t worry, I said that Deng’s family is here. I will report that the Song family is safe, and I will surely keep you okay.”

Song Qing was relieved . Said : “Don’t speak lightly, you will run away when you wait!”

Yash Nics couldn’t laugh or cry: “How is it possible?”

Song Qingsong snorted coldly, “Deng Hairong led the four major generals and eight hundred elite Deng family members. I have already arrived in Mannity, and let us all of the Song family wash their necks and wait for death.”

“I know you have a close relationship with Dong Tianbao, you should go to Dong Tianbao for help, and the other helping hands are the more the better.”

Yash Nics pondered, “ Take care of it.” Do you need more help from the Deng family?”

Song Qingsong blew his beard and stared, “What is the Deng family? The Deng family is a famous door in the East China Sea. They are known as the royal family of the East China Sea. They are powerful and come here even more this time.”

“You don’t need to find more helpers. Not only will you die, but everyone in our Song family will not survive.” Yash Nics seemed to be persuaded by Song Qingsong and agreed: “Well, I’ll find more helpers to help out. Alright.”

After speaking, he hung up.

Song Zhongxiong, Song Zhongping, Song Haoming, Song Feifei and others surrounded Song Qingsong and asked one after another, “

Master, what did Yash Nics say?” Song Qingsong said, “He said he would guarantee that our Song family is safe and sound. Said to find more helpers to help out.”

Song Zhongxiong and the others shook their heads, saying that Yash Nics promised readily, and they were not sure that they might sneak away in the future.

Song Feifei even had a bad idea: “Grandpa, to prevent Yash Nics from running away under the pretext of finding a helper, let’s lie to Song Xingting and the others, so that Yash Nics can run away from the monk and the temple.”

Song Qingsong’s eyes lit up, surprised. Said: “Feifei is still smart, hurry up, let’s go to Jiangbin Community and pick up Song Pingting’s family.”

When Song Qingsong and his party came to Jiangbin Community, Yash Nics had just left.

Only Song Pingting, Song Qingqing, Song Zhongbin, Ma Xiaoli and Tong Ke were at home.

Song Qingsong asked the Song Pingting family to return to the ancestral house for help on the grounds that the Song family wanted to hold a funeral for Song Jinlong.

Song Pingting’s family didn’t suspect that he had him, and soon went back to Song’s ancestral home with Song Qingsong and others.

After returning to the ancestral house of the Song family, Song Pingting found that there was no mourning hall in the ancestral house, and no Taoist monk was preparing to do anything. She asked in confusion, “Grandpa, didn’t you say that the cousin was

responsible for the funeral?" Song Qingsong turned cunningly. Two times, he said perfunctorily: "Daochang Li, who has been sent to invite Sanqingguan to do the work himself, wait

until Daochang Li arrives." Soon, the day was thinning, and the sunset was like blood.

The Song family did not wait for Daochang Li, who Song Qingsong said, but instead waited for a group of uninvited guests.

Boom!

The gate of the Song family's ancestor's house collapsed!

When Song Qingsong, Song Pingting and others heard the huge motivation, they came out of the house in surprise, wondering what happened, why is it so loud?

A group of people came out of the house and was stunned by the scene in front of them.

The gate of the ancestral house was knocked down directly, and the high wall was also overthrown by more than a dozen bulldozers.

The Song family and others have not recovered from the shock.

More than a dozen bulldozers overturned the gate and the wall, and retreated all together.

Immediately afterwards, a man wearing a black suit, a burly figure, a Chinese character face, thick eyebrows and big eyes, appeared without anger and prestige with a large number of people.

This man in a suit is the owner of the Donghai Deng family, Deng Hairong.

Wang Yao wore tight-fitting cheongsam, dressed very enchantingly, holding Deng Hairong's arm.

And behind Deng Hairong, followed by the four murderous gods who exuded a frenzied aura, it was the fourth general of the Deng family.

Behind them are 800 elite Deng family members.
