Lu Pengyu's face instantly flushed, and sweat suddenly rolled down.

He was obviously drinking tea, but the whole person was like drinking strong alcohol.

He knelt down with a thump, and said with a trembling: "Mr. Yash, I didn't..."

Yash Nics's face suddenly

became cold: "You dare to say you didn't!" Lu Yupeng shivered all over, crawling directly on the ground, shaking and saying: "I...I knew it was wrong."

Yash Nics

snorted coldly, "Did you receive any benefits from him?" Lu Pengyu confessed truthfully: "No, I did not receive any benefits from him, but he invited me to eat and drink."

Yash Nics said: "This is your luck. I don't need me to teach you what to do with the rest?"

Lu Pengyu said repeatedly, "I'll call back and ask Qian Kun to pay back the money as soon as possible, even if I can't pay the money back all at once. I want him to

pay it back in installments." Yash Nics said coldly: "Is it true that I beg him to pay back the money?"

Lu Pengyu opened his eyes wide and looked at Yash Nics in surprise.

Zhou Ruoshu glared at Lu Pengyu at this time, and said in a low voice: "You are an ordinary process, what is Mr. Yash's status, and how can Qian Kun be so rampant, how can you use ordinary means?"

"You must make him pay back the money today, and it's for the money to beg Mr. Yash to accept it."

Lu Yupeng was a little embarrassed. He hesitated: "This..."

Yash Nics said coldly: "If you find it difficult to do, then don't do it!"

Lu Yupeng was startled, and don't do it. Isn't it because he doesn't want to be the chief prosecutor.

He hurriedly said: "It's not difficult. I will ask Qian Kun to pay back the money today and ask Ningda Company to collect the money. And I also want him to come to Ningda Company in person and apologize to Mr. Song."

Yash Nics looked to Zhou Ruoshu: "You heard what this guy said. If you can't do it, I won't use the teahouse for tea tomorrow. Let him go to the Commission for Discipline Inspection to drink tea."

Zhou

Ruoshu : "Yes!" Lu Pengyu's face changed drastically again, as if he couldn't handle it. Then he will be dealt with!

Qian Kun was dumbfounded and said, "Brother Lu, why are you here? What are you doing?"

Lu Yupeng cried out in a deep voice, "Shut up, who is your brother? Familiar."

Qian Kun was dumbfounded. He ate with him yesterday, and how did Lu Yupeng, who called him a brother and brother, be a different person today?

Lu Yupeng took out a decree and said sternly: "Qian Kun, you owe Ningda Group one billion in payment for the goods, which will not be repaid for a long time. Now we formally enforce the law against you and demand that you pay back the money immediately."

Two law enforcement officers confiscated the Bentley on the spot in front of Qian Kun.

Qian Kun couldn't help it anymore and screamed miserably: "Don't seal up or auction my things. I pay it back, can't I pay it back?"

Yash Nics said with a smile, "Repaying debts is justified. Where did your Hao Heng just now go?"

"Also, it's not enough for you to pay back the money alone."

"You hurt my dad. I want you to kneel down and apologize to my dad."

Yash Nics finished speaking, got in the red flag car, and drove away.

Qian Kun looked not far away. All the valuables in his family were counted and seized and moved out. Even his family members were driven out of the villa.

He was really anxious. He pulled Lu Pengyu and said, "Brother Lu, just let me see through it. It's a help for my brother."

Lu Pengyu squinted his eyes and said, "I heard that the young master of the Zhu family in the East China Sea a few days ago, Zhu Lun was in. Is it news that Mannity was shot?"

Qian Kun looked complicated and nodded: "I heard it!"

Lu Pengyu coldly snorted, "You think you are better than the Donghai Zhu family. You dare to deliberately default the huge amount of payment to Ningda Group, and dare to hurt? Song of the people, "

Qian Kun look around, then lowered his voice to Qian Kun:" Lu brothers, really not Xiangman, in fact, although I have been deliberately refuse to pay money rather large group, but did not give thought. " "

Lu Pengyu was secretly surprised when he heard this, and quickly asked: "What's the

matter?" Qian Kun spread his hands together: "Of course it is the Zhu family who wants to destroy the Ning Da Group, clean up the Song family, and avenge Zhu Lun."

"Zhu Erye said that our sellers deliberately defaulting on payment is one of the links. He will also deal with Ningda Group from many aspects."

Lu Pengyu was a little shocked, and the Zhu family was silent . He was already planning to retaliate against the Song family and the Ningda Group.

If the Ningda Group was a general company, it would really be necessary to feed Zhu Tian to its collapse.

It's just that Lu Pengyu now knows that the Ningda Group is the company of the wife of the young marshal in the north, and the Zhu family's desire to destroy the Ningda Group is probably a idiot.

Lu Pengyu sullenly said to Qian Kun coldly: "You and I have a good relationship on weekdays, call me this brother at you, and I will show you the way."

Qian Kun hurriedly said, "Well, well, let me listen. Now!"

Lu Pengyu said: "If I were you, I would do everything possible to repay the debt within the time required by Mr. Yash, and then honestly go to Ningda Group to kneel down and apologize to Mr. Song."

Qian Kun's eyes

widened: "Damn , brother Lu, are you teaching me or playing me?" Lu Pengyu sneered, "I have already pointed you the way.

If you go your own way, stand with Zhu's family and fight against Mr. Yash. If you do, I'm afraid you will die worse than Zhu Lun."

Qian Kun was surprised when he heard the words: "Brother Lu, who is Yash Nics, do you know something?"

Lu Pengyu said indifferently, " Nothing. Announcement!"

Qian Kun said bitterly: "But I owe Ningda Group a billion, how can I raise such a large sum of money in a short time?"

Lu Pengyu said blankly: "If you want to live, then you must There will be a way."

Just as Song Pingting's voice fell, Lin Wei hurriedly knocked on the door and came in: "Mr. Song!"

Song Pingting made a pretty face: "What is it, panicking, what is it? Decent?"

Lin Wei seemed to see a ghost in the day, making a fuss: "Mr. Song, Boss Qian is here, saying that he wants to take the initiative to pay back the money and he has to apologize to Mr. Song."

Song Pingting and Song Zhongbin both stared. With big eyes, the two looked at each other, and their expressions seemed to say: God, it's really here!

Song Pingting heard that Qian Kun was coming. After she was astonished, her pretty face was covered with a layer of frost, and she said coldly: "This guy hasn't paid the debts, and injured my dad. Let him come in."

Soon, Qian Kun came in with four men with a pale face.

When he saw Yash Nics, he threw a plop on his knees, and said with a trembling: "Mr. Yash, I owe your company one billion, and I have already transferred all of it to your company's account just now."

"I'm bringing a few men with me now. I made a special trip to apologize to you and Mr. Song."

Song Pingting, Song Zhongbin, Lin Wei, and the Ningda Group employees who secretly looked outside the office, saw Qian Kun kneeling in front of Yash Nics, one by one. They were all dumbfounded, their faces full of disbelief.

Yash Nics looked at Qian Kun with a frightened face, frowned slightly, and asked: "Why do you suddenly become so afraid of me? Did Lu Pengyu tell you something?"

Qian Kun trembled, "Yes, yes..."

It turned out. Qian Kun is very cunning. He guessed that Lu Pengyu knew Yash Nics's identity, so he used the excuse to invite Lu Pengyu to dinner at noon to get Lu Pengyu drunk.

After Lu Pengyu was drunk, he revealed to Qian Kun the secret of Yash Nics's identity as the North Marshal.

When Qian Kun heard it, like five thunders, he was frightened.

Then he hurriedly asked a friend to borrow money, sold the company's shares, and mortgaged his villa luxury car with the bank. Without hesitation, he made up one billion and returned it to the Ningda Group.

Immediately afterwards, he took the four men who beat Song Zhongbin with their hands, and tremblingly came to apologize for mercy.

Yash Nics was annoyed: Lu Pengyu's mouth was not reliable at all.

He coldly looked at Qian Kun, who was trembling on the ground, and snorted coldly: "You hurt my dad. What's the use of apologizing to me? Apologize to my dad."

"Yes, yes!"

Qian Kun nodded repeatedly, and immediately climbed in front of Song Zhongbin, knocking his head like garlic: "Mr. Song, I know it was wrong, please don't remember the villain, let us go."

It all depends on my good son-in-law!

His old face was flushed with excitement, and he stared at Qian Kun: "Do you still dare to be rough with me?"

Qian Kun said in tears, "Don't dare, don't dare." After all,

Song Zhongbin is an honest gentleman. He saw Qian Kun. When all of them were like this, they slowed down and hummed: "If there is another time, I will not be forgiven."

Qian Kun hurriedly said, "No, no, no."

Yash Nics said coldly, "I." Although Dad forgave you, but you beat my dad, you have to leave a lesson, everyone should have one hand off!"

"Yes, yes!"

Qian Kun heard Yash Nics say that each of them would be punished by breaking one hand. It turned out to be amnesty.

He immediately picked up a paperweight stone on the table and slammed the stone on his flat left arm in front of everyone.

There was a cracking sound of bone fracture, accompanied by Qian Kun's miserable snort.

This guy really broke his left arm!

Several other subordinates followed suit and broke their left arm.

The employees of the Ningda Group at the scene, apart from being shocked, had only one thought in their hearts: Mr. Yash is too domineering.

After Qian Kun left, Song Pingting and other talents recovered from the shock.

Song Pingting looked at Yash Nics suspiciously: "How did you do it?"

Yash Nics smiled and said: "It's very simple. I went to talk to our Mannity City Zun Zhou Ruoshu.

Zhou Shizun took this matter very seriously and personally ordered the establishment of a joint law enforcement team to order Qian Kun to pay back the money."

Song Pingting and Song Zhongbin and others Everyone was surprised and said in disbelief: "Really?"

Yash Nics said with a smile: "Of course, now our Ningda Group has a scale of more than 100 billion yuan, which is the most important part of China Shipping's tax revenue. Zhou Shizun can't let it go. We are being bullied!"

Song Pingting and the others believed it was true, and they all said that Zhou Shizun was really a good leader.

After get off work, Yash Nics did not go home with Song Pingting, but drove to the procuratorate by himself and called to see Lu Pengyu.

In Lu Pengyu's office, Yash Nics sat in a chair, smoking a cigarette gracefully.

Lu Pengyu, sweating profusely, was reporting to Yash Nics.

After listening to Lu Pengyu's words, Yash Nics raised his mouth slightly: "In this way, Qian Kun and his group of liver cancer vaccine sellers were instigated by Zhu Tianyang.

Yash Nics: "Say!"

Lu Pengyu said : "Zhu Tianyang has been living in the Fengwu Jiutian Club after arriving in Mannity in a low-key manner. It is said that he convened a large number of talks with the Ningda Group tonight.

His business partners are ready to continue to instruct these people to scream at the Ning Group." The

corner of Yash Nics's mouth

raised slightly: "Interesting!" Lu Pengyu was very disturbed at this time, and looked at Yash Nics in fear.

But it happened to meet Yash Nics's eyes, and he was frightened to lower his head quickly.

Yash Nics said indifferently: "Originally, you revealed my identity, and your sin is unforgivable."

"But I think you have found some useful information for me, I will spare you for the time being."

Lu Pengyu was amnesty, and said excitedly: "Thank you Mr. Yash, thank you Mr. Yash..."

Yash Nics came out from the procuratorate, it was already nightfall.

A red flag car parked at the entrance of the procuratorate.

As soon as Yash Nics approached the red car, Dian Chu got out of the car and respectfully opened the back door for Yash Nics.

After Yash Nics got in the car, Dianchu ran back to the driving position and drove himself.

Dian Chu slowly started the red flag car, and asked

without squinting , “Young man , where are we going now?” Yash Nics said flatly, “I heard that the Fengwu Jiutian Club in Mannity City is very interesting.” Dianchu couldn’t bear to hear the

words. I looked up and glanced at Yash Nics in the back seat of the car from the rearview mirror of the car.

His expression is a little weird, because as far as he knows, Fengwu Jiutian Club is the most famous Jinjin Cave in Mannity City.

Why does the marshal suddenly want to go to such a place?

Although Dian Chu was surprised, he did not dare to ask more.

Half an hour later, the Hongqi car came to the open-air parking lot in front of the Fengwu Jiutian Club.

Yash Nics and Dianchu just got out of the car, and suddenly a familiar voice came from a distance: “Brother-in-law!”

Yash Nics and Dianchu turned their heads together, and then saw a Porsche 711 following them, Tong Ke was looking at it. Coming out, she stared at Yash Nics angrily.

Yash Nics smiled: "Okay!" After

Yash Nics finished speaking, he took Dianchu to the club not far away. Walked to the door.

Tong Ke opened her eyes wide and showed an expression of disbelief. Yash Nics was discovered by her, so she still dared to play in the Golden Cave?

She chased up angrily!

When Yash Nics saw this, he smiled and said, "Didn't you say that you went home and filed a lawsuit? Why did you follow me?"

Tong Ke coldly snorted, "I will help sister stare at you!"

Yash Nics shook his head with a wry smile, but didn't care. Let Tong Ke follow him.

Yash Nics took Dianchu and Tong Ke to the gate of Fengwu Jiutian Club.

There were a few security guards in black suits standing at the door. The person headed by the security guards stretched out his hand to block Yash Nics's path, and said in a deep

voice : "Sorry, our club is only open to members. Please show your membership card." He said just now. After falling, the outstretched hand sank, and there was a thick stack of banknotes in his hand, which was tens of thousands of yuan.

He suddenly opened his eyes and looked up at Yash Nics in shock.

There are many people who come to Fengwu Jiutian to throw money, but they are all throwing money on women and are willing to tip tens of thousands of security guards. This is the first time he has seen them.

Even if he was blind, he could see that the man in front of him must be a noble and powerful son.

He gritted his teeth and bends over to ask: "Dear Sir, please come in."

Tong Ke saw that this club was only open to members, and thought that Yash Nics had no members and he wanted to keep his door behind.

Unexpectedly, Yash Nics went in easily. She hummed annoyedly, and then followed up angrily. She wanted to help her cousin stare at Yash Nics, not allowing Yash Nics to be confused outside.

Tong Ke didn't care about so much, and sat down directly beside Yash Nics.

The female manager smiled and asked Yash Nics if he wanted to drink tea or red wine or something?

Yash Nics felt that there was no mood for drinking tea in the environment, so he said lightly: "Whatever." The

female manager smiled and nodded slightly, and then stepped back.

Not long after, a tall, tall woman wearing a high-slit cheongsam, with dazzling white legs, came over with red wine and curled up in high heels.

The cheongsam beauty said: "Hello, sir. My name is Beibei. I am afraid that you will be bored. I am here to accompany you to have fun."

“I am a person. I have no other hobbies. I like watching others stand in military posture, do push-ups, and cross-country running with heavy loads.”

Yash Nics was reluctant to see Beibei's face full of frustration. He took out a black American Express card with unlimited limits, gently placed it on the table, and smiled and said, "A push-up is 10,000 yuan. Wouldn't it make you less embarrassed?"

Beibei opened his eyes again!

"I'll do it!"

She couldn't wait to rush to Yash Nics's side and tell Yash Nics that she can still continue to do push-ups, she can also stand in the military posture, and even she can run with a heavy load.

It's a pity that there are already guests at this time, and they are coming in one after another.

These guests are the bosses of major medicinal material sales platforms. They were invited by Donghai Zhu Erye to come to the appointment tonight.

Some of these sellers know each other, and some don't know each other.

Although Yash Nics is a member of the Ningda Group, Yash Nics seldom takes care of things, so these sellers don't know him, and they mistakenly think that he is also the seller invited tonight.

Unconsciously, hundreds of people came.

In addition to being sellers, many of these people are also raw material suppliers of the Ningda Group.

In other words, many business partners of the Ningda Group were called by Zhu Tianyang tonight.

Not long after, I heard someone exclaiming: "The Second Master of the East Sea Zhu Family is here!"

thieves are naturally raised by Zhu Tian!

Yash Nics looked at Zhu Tianyang, who was full of horror, and said coldly: "It seems that your Zhu

family has not learned your lesson!" Zhu Tianyang said in a sharp tone: "Yash Nics, I warn you, I am the second master of the Zhu family, dare you to move me? Try it?"

Everyone at the scene was irritated and rushed. "Mr. Yash, hello!"

Yash Nics bent over and helped Qian Kun who was dying on the ground: "Boss Qian, are you all right?"

No one left at the scene. Ningda Group is already the first large enterprise in Mannity City, especially the liver cancer vaccine of Ningda Group, which makes all the CEOs on the scene earn a lot of money.

Everyone is picking up money under the cash cow of Ningda Group. Who wants to go?

Moreover, the reason why they became Zhu Tianyang's accomplices was not that they would get more benefits after the Zhu family bought the Ningda Group.

Yash Nics looked at everyone coldly: "It seems that you all want to make money from the Ningda Group, but you are making money from the Ningda Group, but you are not quite worthy of the Ningda Group!"

Everyone at the scene was scared. Sweating profusely, several timid bosses knelt down and begged for mercy in shock.

Yash Nics killed even Zhu Erye. They were really afraid that Yash Nics would kill them and kill them too.

Someone took the lead to kneel, and the other bosses knelt down in a hurry. Everyone cried and begged for mercy: "Mr. Yash, we were wrong."

"We shouldn't obey the Zhu family's instigation, let alone add chaos to the Ningda Group. Please forgive us."

Yash Nics said coldly, "I can give you a chance, but your market share will all be halved, and the market share you gave away will be given to Qian Kun, no problem. Right?" The

market share is halved!

Everyone showed painful expressions after hearing this, but did not dare to disagree, bowed their heads and said that it was okay.

Qian Kun was overjoyed. These bosses gave him half of the market share. He was a blessing in disguise, and he would make a lot of money!

He also knelt down to Yash Nics, and

kowtowed his head frantically. "Thank you Mr. Yash, thank you Mr. Yash..." Yash Nics said calmly, "Ningda Group will not treat friends who cooperate sincerely, Qian Kun, please work hard. If you dare to play any tricks for Ningda Group, you know my methods."

Qian Kun quickly said, "Don't dare, Mr. Yash, even if someone pushes me with a gun, I don't dare to do anything I'm sorry for you!"

Yash Nics smiled, noncommittal.

Yash Nics's eyes fell on the rest of the people again, and said coldly: "As for you, who is delaying the payment of Ningda Group, who can use shoddy raw materials, go back tonight and think about what to do."

Everyone at the scene paled, and they all said to go back and make corrections immediately.

Yash Nics took Tong Ke and Dianchu and left.

Beibei looked at Yash Nics's back with infinitely complex expressions, and muttered to herself: "This kind of man is really rare in the world!"

"But God, you let me meet such an excellent man as him, but it was not. Give me a chance, I look pretty, why doesn't he look at me more?"

Beibei was in a complicated mood, and she felt like she saw Yang Guoxue for life.

She thinks she is not bad in figure and looks, and talent is also good, but Yash Nics doesn't give her a high look.

Just when Bei Bei was secretly lost, she suddenly saw that Yash Nics had gone and returned.

Yash Nics returned to the hall and walked towards her with a smile.

Suddenly, her heart throbbed, and her mood became extremely tense. She was delighted: Could it be possible that Mr. Yash thought of me when he went out and came to contact me for contact information?

Thinking of this, she chuckled more and more, pretending to smile calmly and asked: "Mr. Yash, what else can I do for you?"

Yash Nics nodded: "Yes!"

Beibei looked forward to hearing this and asked expectantly. "What can I do for you, Mr. Yash?"

Yash Nics pointed to a plate of snacks on the table and smiled: "I think of it, my wife likes to eat snacks. Your crystal chicken feet are delicious. You can help me. Pack a copy, and I want to take it back and give it to my wife to try."

Beibei's smile instantly condensed upon hearing this.

Dian Chu next to Yash Nics didn't squint, but Tong Ke sighed: Oh, brother-in-law too spoils his cousin.
